

COUNTY OF CAMDEN, NEW JERSEY

NOTICE OF SALE OF \$35,461,125 BOND ANTICIPATION NOTES, SERIES 2017A

NOTICE IS HEREBY GIVEN that proposals (the “Proposal for Notes”) will be received electronically via the Parity Electronic Bid System (“PARITY®”) of i-Deal (“i-Deal”) in the manner described below under the heading “Procedures Regarding Electronic Bidding,” on Thursday, October 12, 2017 (the “Bid Date”) until 11:00 a.m., New Jersey time, and then and there publicly opened and considered by the County for the purchase of all (but not less than all) of the County’s \$35,461,125 aggregate principal amount of Bond Anticipation Notes, Series 2017A dated October 26, 2017 and maturing on October 25, 2018 (the “Notes”).

Bidders are required to submit bids for the Notes in accordance with the terms of this Notice of Sale.

Payment of Interest; Redemption

The Notes will bear interest at the rate per annum specified by the successful bidder therefor in accordance herewith, payable at maturity. The Notes are not subject to redemption prior to maturity.

Book-Entry-Only

The Notes will be issued in the form of one fully registered note certificate, and when issued, will be registered in the name of Cede & Co., as the registered owner thereof and as nominee of The Depository Trust Company (“DTC”), New York, New York, which will act as security depository for the Notes. Individual purchases of beneficial ownership interests in the Notes may be made in book-entry form only on the records of DTC and DTC Participants and only in the principal amount of \$5,000 or any integral multiple of \$1,000 in excess thereof, except that such minimum amount of the Notes in excess of the largest principal amount thereof equaling a multiple of \$1,000 will be in the denomination required to issue the authorized principal amount of the Notes. It shall be the obligation of the successful bidder to furnish to DTC an underwriter’s questionnaire and the denominations of the Notes not less than seventy-two (72) hours prior to the delivery of the Notes.

In the event that either DTC determines not to continue to act as securities depository for the Notes or the County determines that it is in the best interest of the beneficial owners of the Notes that they be able to obtain note certificates, the County will appoint a paying agent and will issue and deliver replacement Notes in the form of fully registered certificates.

Bid Specifications

All bids must be submitted electronically via PARITY® pursuant to the procedures described below and shall be deemed to incorporate by reference all of the terms and conditions of this Notice of Sale. The submission of a bid electronically via PARITY® shall constitute and be deemed to be the bidder’s signature on the proposal for Notes.

Basis of Award

Award of the Notes to the successful bidder or rejection of all proposals for Notes is expected to be made within two hours after opening of the proposals for Notes, but such successful bidder may not withdraw its proposal for Notes before 3:30 p.m. New Jersey time on the Bid Date and then only if such award has not been made prior to the withdrawal. The Notes will be awarded to the bidder on whose bid the total loan may be made at the lowest net interest cost. Interest will be calculated on a 360 day year basis. Such net interest cost shall be computed, as to each bid, by adding to the total principal amount of Notes bid for (which shall be all of the Notes offered) the total interest cost to maturity in accordance with such bid and by deducting therefrom the amount of premium, if any, bid. No proposal shall be considered which offers to pay an amount less than the principal amount of Notes offered for sale or under which the total loan is made at an interest cost higher than the lowest net interest cost to the County under any legally acceptable proposal. If two or more such bidders offer to pay the lowest net interest cost, then the Notes will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Notes are awarded (in the manner specified above) is herein referred to as the “successful bidder.”

Right to Reject Proposal for Notes; Waive Irregularities

The County reserves the right to reject any and all proposal for Notes, and except as set forth in the next sentence, any proposal for Notes not complying with the terms of this Notice of Sale will be rejected. The County reserves the right to (i) reject any or all proposals for Notes; (ii) so far as permitted by law, waive any irregularity or informality in any or all proposals for Notes; and (iii) generally take such action as it deems will best serve the public interest. The bidder, by submitting a bid, agrees to accept the determination of the Chief Financial Officer.

Procedures Regarding Electronic Bidding

Bids must be submitted electronically via PARITY[®] in accordance with this Notice of Sale. Bids may be submitted until 11:00 a.m., New Jersey time on the Bid Date, but no bid will be accepted after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY[®] conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY[®], potential bidders may contact the County’s financial advisor (using the contact information set forth in the final paragraph of this Notice of Sale) or PARITY[®] at (212) 849-5021. The County may, but is not obligated to, acknowledge its acceptance in writing of any bid submitted electronically via PARITY[®].

All bidders further agree that:

1. The County may regard the electronic transmission of the bid through PARITY[®] (including information about the purchase price of the Notes, the interest rate or rates to be borne by the Notes, the premium bid for the Notes and any other information included in such transmission) as though the same information were executed by a duly authorized signatory of the bidder. For the bid which is submitted electronically via PARITY[®] and accepted by the County, the terms of this Notice of Sale, as well as the information that is electronically transmitted through PARITY[®], shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY[®] is not an agent of the County, and the County shall have no liability whatsoever based on any bidder's use of PARITY[®], including but not limited to any failure by PARITY[®] to correctly or timely transmit information provided by the County or information provided by the bidder.

3. The County may choose to discontinue use of electronic bidding via PARITY[®] by issuing a notification to such effect via Thomson News Service ("TM3"), or by other available means, no later than 3:00 p.m. (New Jersey time) on the last business date prior to the Bid Date.

4. Once the bids are communicated electronically via PARITY[®] to the County, as described above, each bid will constitute a proposal for Notes and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice of Sale. For purposes of submitting a bid, the time as maintained on PARITY[®] shall constitute the official time.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY[®] for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor i-Deal shall have any duty or obligation to provide or assure access to any bidder, and neither the County nor i-Deal shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY[®]. The County is using PARITY[®] as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Notes. By using PARITY[®], each bidder agrees to hold the County harmless for any harm or damage caused to such bidder in connection with its use of PARITY[®] for bidding on the Notes.

Clarification Prior to the Opening of Bids

The County may, in its sole discretion and prior to the opening of bids, clarify any term hereof, including, without limitation, its decision to discontinue use of electronic bidding via PARITY[®], by issuing a notification of the clarification via TM3, or any other available means, no later than 3:00 p.m. (New Jersey time) on the last business day prior to the Bid Date.

The County further reserves the right to postpone, from time to time, the Bid Date. Any such postponement will be announced by TM3, or any other available means, not later than 9:00 a.m., New Jersey time, on the Bid Date. Any such alternative Bid Date and the time at which bids are due will be announced via TM3, or any other available means, at least 48 hours before bids are due. On any such alternative Bid Date, bidders shall submit proposals for Notes in conformity with all of the requirements hereof, other than the date of submission and sale and any further or contrary provisions set forth in such announcement, which further or contrary provisions must be complied with by all bidders.

Establishment of Issue Price (10% Test to Apply if Competitive Sale Requirements are Not Satisfied)

1. The successful bidder shall assist the County in establishing the issue price of the Notes and shall execute and deliver to the County at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications, as described below under “Documents to be Delivered at Closing.” All actions to be taken by the County under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the County by the County’s financial advisor identified herein and any notice or report to be provided to the County may be provided to the County’s financial advisor.

2. The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

- (a) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (b) all bidders shall have an equal opportunity to bid;
- (c) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (d) the County anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the lowest interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid. By submitting a bid, bidders are deemed to have certified that they have an established industry reputation as a regular purchaser or underwriter of tax-exempt obligations such as the Notes.

3. In the event that the competitive sale requirements are not satisfied, the County shall so advise the successful bidder. The County shall treat the first price at which 10% of the Notes (the “10% test”) is sold to the public as the issue price of the Notes. The successful bidder shall advise the County if the Notes satisfy the 10% test as of the date and time of the award of the Notes. The County will not require bidders to comply with the “hold-the-offering-price rule” and therefore does not intend to use the initial offering price to the public as of the sale date of the Notes as the issue price of the Notes if the competitive sale requirements are not satisfied. Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied. Bidders should prepare their bids on the assumption that the Notes will be subject to the 10% test in order to establish the issue price of the Notes.

4. If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to the Notes, the successful bidder agrees to promptly report to the County the prices at which the unsold Notes have been sold to the public. This reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Notes.

5. By submitting a bid, each bidder confirms that: (a) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful bidder that the 10% test has been satisfied as to the Notes, if and for so long as directed by the successful bidder and as set forth in the related pricing wires, and (b) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful bidder or such underwriter that the 10% test has been satisfied as to the Notes, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

6. Sales of the Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (a) “public” means any person other than an underwriter or a related party,
- (b) “underwriter” means (i) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),
- (c) a purchaser of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the

corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (d) “sale date” means the date that the Notes are awarded by the County to the successful bidder.

Delivery and Payment

It is expected that the Notes will be delivered on or about October 26, 2017 (the “Closing Date”) at the offices of DTC in Jersey City, New Jersey and that payment for the Notes will take place at the offices of McCarter & English, LLP, Bond Counsel to the County (“Bond Counsel”), in Newark, New Jersey. The successful bidder must be prepared to take delivery of the Notes on the Closing Date and simultaneously pay the purchase price thereof IN IMMEDIATELY AVAILABLE FEDERAL FUNDS by 9:30 a.m. (New Jersey time) on the Closing Date.

Documents to be Delivered at Closing

The successful bidder shall be obligated to furnish to the County within forty-eight (48) hours prior to the Closing Date a certificate (the “Issue Price Certificate”), substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County and Bond Counsel. In the event that the Notes shall be held by the successful bidder for investment and not be offered for resale to the public, the successful bidder shall specify on such Issue Price Certificate the purchase price being paid by the successful bidder to the County, which purchase price shall be at least equal to the fair market value price of the Notes.

The obligation hereunder to deliver and to accept the Notes will also be conditioned on the availability and delivery on the Closing Date of the approving opinion of the law firm of McCarter & English, LLP, Newark, New Jersey, which will be furnished without cost to the successful bidder of the Notes, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Notes. Such opinion shall state to the effect that the Notes are valid and legally binding obligations of the County, and that all taxable property within the jurisdiction of the County is subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the Notes and the interest thereon; and will also state that under existing law, interest on the Notes is not includable in gross income for purposes of Federal income taxation. The obligations hereunder to deliver and accept the Notes shall be further conditioned on the availability and delivery on the Closing Date of (a) certificates in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Notes and receipt of payment therefor and setting forth the facts necessary to conclude that the interest on the Notes will be excluded from gross income under Section 103 of the Code; (b) a certificate, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Notes; (c) a certificate signed by the County relating to completeness and accuracy of the Preliminary Official Statement and the final Official Statement; and (d) a Continuing Disclosure Certificate satisfying the requirements of Rule 15c2-12 (as hereinafter defined) and the undertaking of the County with respect thereto.

Preliminary and Final Official Statement

The County has issued an official statement with respect to the sale of the Notes in preliminary form (the “Preliminary Official Statement”). The County, by accepting the proposal for Notes submitted by the successful bidder, (a) certifies to the successful bidder as of the date of acceptance of such proposal for Notes, that the Preliminary Official Statement furnished prior to the date of such acceptance has been “deemed final” as of its date by the County within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (“Rule 15c2-12”), except for certain omissions permitted thereunder and except for changes permitted by other applicable law; and (b) agrees to provide the successful bidder, in order to permit the successful bidder to comply with Rule 15c2-12, with up to 50 copies in total of the final Official Statement within seven (7) business days after the date of acceptance by the County of such proposal for Notes at the sole cost and expense of the County, with any additional copies that the successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder. The successful bidder, by executing its proposal for Notes, agrees to provide two copies of the final Official Statement (with any required forms) to the Electronic Municipal Market Access (“EMMA”) System of the Municipal Securities Rulemaking Board (the “MSRB”) or its designee pursuant to MSRB Rule G-32 no later than ten (10) business days following the date of acceptance of its proposal for Notes, and to notify the County of (i) the date which is the “end of the underwriting period” within the meaning of Rule 15c2-12 and (ii) the date(s) on which copies of the final Official Statement are filed with EMMA. The successful bidder, by such execution, further agrees that the Closing Date shall be the date of the “end of the underwriting period” for the Notes within the meaning of Rule 15c2-12.

Insurance

If the Notes qualify for the issuance of any policy of municipal bond insurance or commitment therefore at the option of a bidder, any purchase of such insurance or commitment therefore shall be at the sole option and expense of the bidder and any increased cost of issuance of the Notes resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Notes to be so insured or of any such policy of insurance to be issued shall not in any way relieve the successful bidder of its contractual obligations arising from the acceptance of its proposal for Notes. In the event such a policy of municipal bond insurance is obtained, the successful bidder shall, simultaneously with its delivery of the Issue Price Certificate, furnish to the County a certificate, in form and substance satisfactory to Bond Counsel, containing such information as shall be required, in the opinion of Bond Counsel, to establish that such municipal bond insurance policy constitutes a “qualified guarantee” (as defined in Section 1.148-4(f) of the Treasury Regulations), the premium for which may be taken into account in determining the yield on the Notes for purposes of Section 148 of the Code.

CUSIP Identification Numbers

It is anticipated that CUSIP Identification Numbers will be printed on the Notes. Obtaining such CUSIP Identification Numbers and the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the successful bidder. The County will assume no obligation for the assignment or printing of such numbers on the Notes or for the correctness of such numbers, and neither the failure to print such numbers on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and make payment for the Notes.

Additional Information

Copies of the Preliminary Official Statement and the Notice of Sale may be obtained by contacting the Chief Financial Officer at (856) 225-5386 or the County's Financial Advisor, Acacia Financial Group, Inc. at (856) 234-2266.

Chief Financial Officer

Exhibit A
Form of Issue Price Certificate

\$35,461,125
BOND ANTICIPATION NOTES, SERIES 2017A
ISSUE PRICE CERTIFICATE

The undersigned, on behalf of [NAME OF UNDERWRITER/REPRESENTATIVE] ([“Name of Underwriter”])[the “Representative”], on behalf of itself and [NAMES OF OTHER UNDERWRITERS] (together, the “Underwriting Group”), hereby certifies as set forth below with respect to the sale and issuance of the above-captioned obligations (the “Notes”) by the County of Camden, New Jersey (the “Issuer”).

[Alternative 1 – Three bids received]

1. ***Reasonably Expected Initial Offering Price.***

(a) As of the Sale Date, the reasonably expected initial offering price of the Notes to the Public by the [Name of Underwriter][Representative] is the price listed in Schedule A (the “Expected Offering Price”). The Expected Offering Price is the price for the Notes used by the [Name of Underwriter][Representative] in formulating its bid to purchase the Notes. Attached as Schedule B is a true and correct copy of the bid provided by [Name of Underwriter][Representative] to purchase the Notes.

(b) The [Name of Underwriter][Representative] was not given the opportunity to review other bids prior to submitting its bid.

(c) The bid submitted by the [Name of Underwriter][Representative] constituted a firm offer to purchase the Notes.

[Alternative 2 – 10% actual sales]

1. ***Sale of the Notes.*** As of the date of this certificate, the first price at which at least 10% of the Notes was sold to the Public is the price listed in Schedule A.

2. ***Defined Terms.***

(a) ***Public*** means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(b) ***Underwriter*** means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this definition to participate in the initial sale of the Notes to the Public (including a member of a selling group or a party to a

retail distribution agreement participating in the initial sale of the Notes to the Public).

The representations set forth in this certificate are limited to factual matters only. Nothing in this certificate represents [Name of Underwriter][’s][the Representative’s] interpretation of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Certificate and with respect to compliance with the federal income tax rules affecting the Notes, and by McCarter & English, LLP in connection with rendering its opinion that the interest on the Notes is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038-G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Notes.

RATINGS: See "Ratings" herein

In the opinion of McCarter & English, LLP, Bond Counsel to the County, assuming compliance by the County with certain tax covenants described herein, under existing law, interest on the Notes is excluded from the gross income of the owners of the Notes for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended ("Code") and interest on the Notes is not an item of tax preference under Section 57 of the Code for purposes of computing alternative minimum tax. In the case of certain corporate holders of the Notes, interest on the Notes will be included in the calculation of the alternative minimum tax as a result of the inclusion of interest on the Notes in "adjusted current earnings" of certain corporations. Under existing law, interest on the Notes and net gains from the sale of the Notes are exempt from the tax imposed by the New Jersey Gross Income Tax Act. See "TAX MATTERS" herein.

Due: October 25, 2018

The \$35,461,125* Bond Anticipation Notes, Series 2017A (the "Notes") of the County of Camden, New Jersey (the "County") shall be issued in fully registered form in the denominations of \$5,000 each or any integral multiple of \$1,000 in excess thereof or in such amount necessary to issue the principal amount of Notes. The Notes when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), New York, New York, which will act as securities depository for the Notes. The certificate will be on deposit with DTC. DTC will be responsible for maintaining a book-entry system for recording the interests of its participants or transfers of interests among its participants. The participants will be responsible for maintaining records regarding the beneficial ownership interests in the Notes on behalf of the individual purchasers. Individual purchases may be made in the principal amount of \$5,000 or any integral multiple of \$1,000 in excess thereof or in such amount necessary to issue the principal amount of Notes through book-entries made on the books and the records of DTC and its participants. Individual purchasers of the Notes will not receive certificates representing their beneficial ownership interests in the Notes. See "THE NOTES – Book-Entry-Only System" herein. The principal of and interest on the Notes shall be paid at maturity. The Notes *are not* subject to redemption prior to maturity.

The Notes are valid and legally binding obligations of the County and, unless paid from other sources, are payable from ad valorem taxes levied upon all the taxable property within the jurisdiction of the County for the payment of the Notes and the interest thereon without limitation as to rate or amount.

This cover page of this Official Statement contains information for quick reference only. It is not a summary of this issue. Investors must read this entire Official Statement to obtain information essential to the making of an informed investment decision.

The Notes are offered for sale upon the terms of the Notice of Sale and subject to the approval of legality by the law firm of McCarter & English, LLP, Newark, New Jersey, Bond Counsel to the County. SUCH STABILIZING, IF COMMENCED, MAY BE DISCONTINUED AT ANY TIME WITHOUT PRIOR NOTICE. THE UNDERWRITER MAY OFFER AND SELL THE NOTES TO CERTAIN DEALERS AT A PRICE LOWER THAN THE PUBLIC OFFERING PRICE OR AT YIELD HIGHER THAN THE YIELD STATED ON THE COVER PAGE HEREOF AND SAID PUBLIC OFFERING PRICE OR YIELD MAY BE CHANGED FROM TIME TO TIME.

The order and placement of materials in this Official Statement, including the Appendices, are not to be deemed to be a determination of relevance, materiality or importance, and this Official Statement, including the Appendices, must be considered in its entirety.

**COUNTY OF CAMDEN, NEW JERSEY
BOND ANTICIPATION NOTES, SERIES 2017A**

INTRODUCTION

This Official Statement, including the cover page and Appendices hereto, has been prepared to provide information with respect to the \$35,461,125* principal amount of County of Camden, New Jersey Bond Anticipation Notes, Series 2017A (the “Notes”) offered pursuant to the Local Bond Law of the State of New Jersey (“State”), constituting Chapter 169 of the Laws of the State (*N.J.S.A. 40A:2-1 et seq.*), as amended and supplemented (“Local Bond Law”), the Bond Ordinance and the Resolution of the County described below.

PURPOSE OF THE ISSUE

The Notes are being issued by the County of Camden, New Jersey (“County”) to provide funds which will be used: (i) for the repair and/or replacement of certain County infrastructure projects in accordance with the provisions of N.J.S.A. 40:14B-40.2, including all necessary materials, improvements, appurtenances, equipment, furniture and site work related thereto; and (ii) to pay certain costs and expenses incidental to the issuance and delivery of the Notes.

AUTHORIZATION FOR THE NOTES

The County is authorized to issue the Notes pursuant to: (i) the Local Bond Law; (ii) a bond ordinance which has been duly and finally adopted by the Board of Chosen Freeholders of the County (the “Board”) on January 21, 2016 and published in accordance with the requirements of the Local Bond Law (the “Bond Ordinance”); and (iii) a resolution duly adopted by the Board on September 19, 2017 (the “Resolution”).

THE NOTES

General

The Notes will be issued in the aggregate principal amount of \$35,461,125*. The Notes will be dated the date of delivery and bear interest at the rate of ___ hundredths per centum (___%) per annum, calculated on the basis of twelve (12) thirty (30) day months in a three hundred sixty (360) day year. Individual purchases may be made in the principal amount of \$5,000 or any integral multiple of \$1,000 in excess thereof or in such amount necessary to issue the principal amount of Notes through book-entries made on the books and the records of DTC (as hereinafter defined) and its participants. See “THE NOTES — Book-Entry-Only System” below. The Notes will be dated October 26, 2017 and will mature on October 25, 2018. Payment of principal and interest on the Notes will be paid at maturity.

* Preliminary, subject to change.

The Notes are *not* subject to redemption prior to maturity.

So long as The Depository Trust Company, New York, New York (“DTC”) or its nominee, Cede & Co., is the registered owner of the Notes, payments of the principal of and interest on the Notes will be made directly to Cede & Co., as nominee of DTC. Disbursements of such payments to the participants of DTC (“Direct Participants”) is the responsibility of DTC and disbursements of such payments to the Beneficial Owners (as hereinafter defined) of the Notes is the responsibility of the Direct Participants and Indirect Participants (as hereinafter defined) and not the County.

Book-Entry-Only System¹

The description which follows of the procedures and recordkeeping with respect to beneficial ownership interest in the Notes, payment of principal and interest and other payments on the Notes to Direct Participants, Indirect Participants or Beneficial Owners, confirmation and transfer of beneficial interests in the Notes and other related transactions by and among DTC, Direct Participants and Beneficial Owners, is based on certain information furnished by DTC to the County. Accordingly, no representations can be made concerning these matters and neither the Direct Participants nor the Beneficial Owners should rely on the following information with respect to such matters, but should instead confirm the same with DTC or the Direct Participants, as the case may be. Information concerning DTC and the Book-Entry-Only System has been obtained from DTC and is not guaranteed as to accuracy or completeness by, and is not construed as a representation of, the County.

DTC will act as securities depository for the Notes. The Notes will be issued as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Note certificate will be issued for the Notes, in the aggregate principal amount of the Notes, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934, as amended. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and

non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC rules applicable to its Direct Participants and Indirect Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of the Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the Notes on DTC’s records. The ownership interest of each actual purchaser of the Notes (“Beneficial Owner”) is in turn to be recorded on the Direct Participants’ and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Notes are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Notes, except in the event that use of the book-entry system for the Notes is discontinued.

To facilitate subsequent transfers, all Notes deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Notes; DTC’s records reflect only the identity of the Direct Participants to whose accounts the Notes are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to the Notes unless authorized by a Direct Participant in accordance with DTC’s procedures. Under its usual procedures, DTC mails an omnibus proxy to the County as soon as possible after the record date. The omnibus proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Notes are credited on the record date (identified in a listing attached to the omnibus proxy).

Redemption proceeds, if any, and principal and interest payments on the Notes will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the County on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Direct Participants and Indirect Participants to Beneficial Owners will be governed by standing instructions and customary

practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Direct Participant or Indirect Participant and not of DTC, its nominee, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, if any, and principal and interest with respect to the Notes to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the County; disbursement of such payments to Direct Participants will be the responsibility of DTC; and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants. THE COUNTY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO THE DIRECT PARTICIPANTS OR THAT THE DIRECT PARTICIPANTS OR THE INDIRECT PARTICIPANTS WILL DISTRIBUTE TO THE BENEFICIAL OWNERS OF THE NOTES; (I) PAYMENTS OF PRINCIPAL, REDEMPTION PRICE, IF ANY, OR INTEREST ON THE NOTES; (II) CERTIFICATES REPRESENTING AN OWNERSHIP INTEREST OR OTHER CONFIRMATION OF BENEFICIAL OWNERSHIP INTERESTS IN THE NOTES; OR (III) REDEMPTION, IF ANY, OR OTHER NOTICES SENT TO DTC OR CEDE & CO., ITS NOMINEE, AS THE REGISTERED OWNER OF THE NOTES, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT.

THE COUNTY WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY PERSON CLAIMING A BENEFICIAL OWNERSHIP INTEREST IN THE NOTES UNDER OR THROUGH DTC OR ANY DIRECT PARTICIPANT, OR ANY OTHER PERSON WHO IS NOT SHOWN IN THE REGISTRATION BOOKS OF THE COUNTY AS BEING A NOTEHOLDER. THE COUNTY SHALL HAVE NO RESPONSIBILITY WITH RESPECT TO: (I) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT WITH REPECT TO ANY OWNERSHIP INTEREST IN THE NOTES; (II) THE PAYMENT OF ANY AMOUNT DUE BY DTC TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL, REDEMPTION PRICE, IF ANY, OR INTEREST ON THE NOTES; (III) THE DELIVERY TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OF ANY REDEMPTION, IF ANY, OR OTHER NOTICE WHICH IS PERMITTED OR REQUIRED TO BE GIVEN TO NOTEHOLDERS; OR (IV) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR CEDE & CO. AS THE REGISTERED OWNER.

For every transfer and exchange of Notes, Owners requesting such transfer or exchange may be charged a sum sufficient to cover any tax, governmental charge or transfer fees that may be imposed in relation thereto, which charge may include transfer fees imposed by the County, DTC, the Direct Participant or the Indirect Participant in connection with such transfers or exchanges.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE NOTES, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE NOTEHOLDERS OR REGISTERED OWNERS OF THE NOTES (OTHER THAN UNDER THE CAPTION “TAX MATTERS”) SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE NOTES.

Discontinuance of Book-Entry-Only System

DTC may discontinue providing its services as securities depository with respect to the Notes at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, Note certificates are required to be printed and delivered.

If the County would like to discontinue the use of the system of book-entry transfers of the Notes issued by it through DTC (or a successor securities depository), the County shall make such request of DTC (or a successor securities depository). Upon receipt of any such withdrawal request, (i) DTC will issue an Important Notice notifying its Direct Participants of the receipt of a withdrawal request from the County reminding Direct Participants that they may utilize DTC’s withdrawal procedures if they wish to withdraw their securities from DTC and (ii) DTC will process withdrawal requests submitted by Direct Participants in the ordinary course of business, but will not effectuate withdrawals based upon a request from the County.

In the event that the book-entry-only system is discontinued and the Beneficial Owners become registered owners of the Notes, the following provisions would apply: (i) the Notes may be exchanged for an equal aggregate principal amount of Notes in other authorized denominations, upon surrender thereof at the principal corporate trust office of the County; (ii) the transfer of any Notes may be registered on the books maintained by the County for such purpose only upon the surrender thereof to the County together with the duly executed assignment in form satisfactory to the County; and (iii) for every exchange or registration of transfer of Notes, the County may make a charge sufficient to reimburse for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer of the Notes. The Notes will be payable by check or draft mailed to the registered owners thereof.

Security for the Notes

The full faith and credit of the County are irrevocably pledged for the payment of the principal of and interest on the Notes. The Notes will be valid and legally binding direct general obligations of the County. The County is authorized and required by law to levy *ad valorem* taxes upon all the taxable property within the jurisdiction of the County for the payment of the principal of interest on the Notes without limitation as to rate or amount. See “COUNTY INDEBTEDNESS” herein.

Other Financings

The Camden County Improvement Authority (the “Authority”) intends to offer on behalf of the County, via negotiated sale, County Guaranteed Loan Revenue Bonds in the approximate amount of \$24,500,000 and County Guaranteed Loan Revenue Refunding Bonds in the approximate amount of

\$40,000,000 on or about November 1, 2017. The Authority will loan the proceeds of such bonds to the County pursuant to the terms of a loan agreement which has been authorized by the County on September 19, 2017. In addition, the principal of and interest on the bonds, when due, will also be guaranteed by the County pursuant to a guaranty resolution adopted by the County on September 19, 2017. The bonds are expected to close on or about November 15, 2017.

The Authority also intends to offer on behalf of the County, via negotiated sale, County Guaranteed Loan Revenue Bonds (City Hall Project) in the approximate amount of \$24,000,000 on or about November 21, 2017. The Authority will loan the proceeds of such bonds to the County pursuant to the terms of a loan agreement which will be authorized by the County on October 19, 2017. In addition, the principal of and interest on the bonds, when due, will also be guaranteed by the County pursuant to a guaranty resolution to be adopted by the County on October 19, 2017. The bonds are expected to close on or about December 7, 2017.

CERTAIN PROVISIONS OF THE LAWS OF NEW JERSEY RELATING TO COUNTY FINANCIAL OPERATIONS

Annual Audit (*N.J.S.A. 40A:5-4*)

Since 1917, every county of the State must be audited annually by a Registered Municipal Accountant of the State. The annual audit, conforming to the Division of Local Government Services “Requirements of Audit,” includes recommendations for improvement of the local unit’s financial procedures and must be filed with the county and the Director of the Division of Local Government Services (“Division”) in the State Department of Community Affairs (“Director”) prior to June 1 of each year unless extensions are granted.

The State Board of Certified Public Accountants regulates the Registered Municipal Accountant who must obtain a bi-annual license.

Annual Financial Statement (*N.J.S.A. 40A:5-12*)

An Annual Financial Statement for the fiscal year must be filed with the Director on or before January 26 of the succeeding year. The Financial Statement is prepared by the chief financial officer of the county. It reflects the results of operations of the year of the Current Fund and Solid Waste Utility Fund. If there is a cash deficit in either fund it must be included in full in the succeeding year’s budget.

Local Budget Law (*N.J.S.A. 40A:4-1 et seq.*)

The foundation of the State’s local finance system is the annual cash basis budget. Every local unit must adopt an annual operating budget in the form required by the Division. Certain items of revenue and appropriation are regulated by law and the proposed operating budget must be certified as approved by the Director prior to final adoption of the budget by the local unit. The Local Budget Law requires each local unit to appropriate sufficient funds for payment of current debt service, and the Director is required to review the adequacy of such appropriations. Among other restrictions, the Director must examine the budget with reference to all estimates of revenue and the following

appropriations: (a) payment of interest and debt redemption charges, (b) deferred charges and statutory expenditures, (c) cash deficit of preceding year, (d) reserve for uncollected taxes, and (e) other reserves and nondisbursement items. Taxes levied are a product of total appropriations less nontax revenues plus a reserve predicated on the prior year's collection experience. Anticipated nontax revenues are limited to the amount actually realized during the previous year unless the Director certifies a higher figure. The Director is empowered to permit a higher level of anticipation, however, there should be sufficient statutory or other evidence to substantiate that such anticipation is reasonable.

The Director has no authority over individual operating appropriations, unless a specific amount is required by law, but the review functions, focusing on anticipated revenues, serve to protect the solvency of all local units. Local budgets, by law and regulation, must be in balance on a "cash basis," i.e., the total of anticipated revenues must equal the total appropriations (N.J.S.A. 40A:4-22).

In accordance with the Local Budget Law and related regulations, each local unit must adopt and annually revise a six-year capital program. The capital program, when adopted, does not constitute the appropriation of funds, but sets forth a plan of capital expenditures which the local unit may contemplate over the six year period. Expenditures for capital purposes may be made either by ordinances adopted by the governing body which set forth the items and the methods of financing, or from the annual operating budget.

The Local Budget Law also permits the issuance of tax anticipation notes which are limited in amount by such law and must mature within 120 days of the close of the fiscal year (six months in the case of counties).

Revenue

The County derives its revenue from State and Federal Aid, departmental fees and tax levy on real property. The primary source of revenue is the County taxes, which are apportioned among the constituent municipalities in proportion to their share of equalized, assessed valuation.

The municipalities in the County make quarterly payments to the County of the County taxes on February 15, May 15, August 15 and November 15 of each year.

Cap Law (N.J.S.A. 40A:4-45.4)

The Cap Law imposed restrictions which limit the allowable increase on county taxes over the previous year's taxes to the lesser of two and one-half percent, or the rate of the annual percentage increase in the Implicit Price Deflator for State and Local Government purchases of goods and services, as published by the United States Department of Commerce ("Cost of Living Adjustment"). Exceptions to the limitations imposed by the Cap Law exist for, among other things, the payment of debt service; capital expenditures; extraordinary expenses approved by the Local Finance Board in the Division (the "Local Finance Board") required for implementation of an interlocal services agreement; expenditures mandated as a result of certain emergencies; and certain expenditures for services mandated by court order or Federal or State law.

Additional legislation constituting P.L. 2007, c.62, became effective on April 3, 2007, which, among other things, imposed a four percent (4%) cap on the tax levy that municipalities, counties, fire districts and solid waste collection districts may impose, with very limited exceptions and subject to certain adjustments. The exclusions from the four percent (4%) tax levy cap include: (i) increases required to be raised for debt service and certain lease payments to county improvement authorities; (ii) increases to replace certain State aid due to a reduction in State aid from the previous budget year; (iii) increases in certain pension contributions; (iv) for municipalities, any increase, greater than four percent (4%), in the reserve for uncollected taxes that is required by law; and (v) certain increases in health care costs in excess of four percent (4%).

Additionally, legislation constituting P.L. 2010, c.44, effective July 13, 2010, reduced the 4% cap on the tax of a municipality, county and school district to 2%, with certain exceptions, including increases required to be raised for debt service, for pension contributions and accrued liability for pension contributions in excess of 2%, for health care costs equal to that portion of the actual increase in total health care costs for the budget year that is in excess of 2% of the total health care costs in the prior year, subject to certain other limitations, and extraordinary costs incurred by a local unit directly related to a declared emergency. The voters may approve increases over 2% not otherwise permitted by a vote of a majority of the voters voting on a public question.

Neither of the tax levy limitations nor the “Cap Law” limits the obligation of the County to levy *ad valorem* taxes upon all taxable property within the jurisdiction of the County to pay debt service on its bonds or notes.

Miscellaneous Revenues (N.J.S.A. 40A:4-26)

The Local Budget Law provides that: “No miscellaneous revenues from any source shall be included as an anticipated revenue in the budget in an amount in excess of the amount actually realized in cash from the same source during the next preceding fiscal year, unless the Director shall determine upon application by the governing body that the facts clearly warrant the expectation that such excess amount will actually be realized in cash during the fiscal year and shall certify such determination, in writing, to the local unit.”

No budget or amendment thereof shall be adopted unless the Director shall have previously certified his approval thereof with the exception of inclusion of categorical grants-in-aid contracts for their face amount with an offsetting appropriation. The fiscal years of such grants rarely coincide with a county’s calendar fiscal year. Grant revenues are fully realized in the year in which they are budgeted by the establishment of accounts receivable and offsetting reserves.

Real Estate Taxes

The same general principle that revenue cannot be anticipated in a budget in excess of that realized in the preceding year applies to property taxes. N.J.S.A. 40A:4-29 delineates anticipation of delinquent tax collections: “The maximum which may be anticipated is the sum produced by the multiplication of the amount of delinquent taxes unpaid and owing to the local unit on the first day of the current fiscal year by the percentage of collection of delinquent taxes for the year immediately preceding the current fiscal year.”

Section 41 of the Local Budget Law provides with regard to the current taxes that: “Receipts from the collection of taxes levied or to be levied in the municipality, or in the case of a county for general county purposes and payable in the fiscal year, shall be anticipated in an amount which is not in excess of the percentage of taxes levied and payable during the next preceding fiscal year which was received in cash by December 31, of such preceding fiscal year.”

Section 40 of the Local Budget Law requires that an additional amount (“Reserve For Uncollected Taxes”) be added to the tax levy required to balance the budget so that when the percentage of the prior year’s tax collection is applied to the combined total, the product will be at least equal to the tax levy required to balance the budget.

Deferral of Current Expenses

Emergency appropriations, those made after the adoption of the budget and determination of the tax rate, may be authorized by the Board.

However with minor exceptions, such appropriations must be included in full in the following year’s budget. When such appropriations exceed three percent (3%) of the previous year’s adopted operating budget, consent of the Director must be obtained.

Budget Transfers (N.J.S.A. 40A:4-58)

Budget transfers provide a degree of flexibility and afford a control mechanism. Transfers between major appropriation accounts are prohibited until the last two months of the year and, although sub-accounts within an appropriation are not subject to the same year-end transfer restrictions, they are subject to internal review and approval.

Capital Budget (N.J.S.A. 40A:4-43 through 40A:4-45)

The Local Finance Board has required every local unit to prepare and to adopt a capital budget, in conjunction with its annual operating budget, for any year in which it proposes to undertake a capital project. Every local unit which adopts a capital budget shall also adopt a capital program not to exceed six years in length.

LIMITATION OF REMEDIES UNDER FEDERAL BANKRUPTCY CODE

The undertakings of the County should be considered with reference to Chapter 9 of the United States Bankruptcy Code, 11 U.S.C. Sections 901 to 946 (“Bankruptcy Code”). Under Chapter 9 of the Bankruptcy Code, a municipality, a political subdivision, a public agency or an instrumentality of the State that is insolvent or unable to meet its debts may file a petition in a United States Bankruptcy Court (“Bankruptcy Court”) to adjust its debts. Chapter 9 of the Bankruptcy Code does not permit such entity to liquidate its assets and distribute the proceeds of its assets to its creditors. Chapter 9 of the Bankruptcy Code permits a financially distressed public entity to seek protection from its creditors by staying the commencement or continuation of certain actions against such public entity while it formulates and negotiates a plan for adjustment of its debts which can be binding on a dissenting minority of creditors if it is acceptable to the majority of creditors. Should the County file a petition in the Bankruptcy Court under Chapter 9 of the Bankruptcy Code prior to the payment in full of the

principal of and interest on the Notes, the holders of the Notes would be considered creditors and would be bound by the County's plan of adjustment of its debt.

Reference should also be made to N.J.S.A. 52:27-40 *et seq.* which provides that "any political subdivision" of the State as defined therein has the power to file a petition with the Bankruptcy Court under Chapter 9 of the Bankruptcy Code provided the "political subdivision" has obtained approval of the Local Finance Board. Section 903 of the Bankruptcy Code, 11 U.S.C. Section 903, specifically provides that Chapter 9 of the Bankruptcy Code does not limit or impair the power of a state to control, by legislation or otherwise, a municipality of or in such state in the exercise of the political or governmental powers of such municipality; provided, however, that a state law prescribing a method of composition of indebtedness of the municipality may not bind any creditor that does not consent to such composition and that a judgment entered under such state law may not bind a creditor that does not consent to such composition.

The above references to the Bankruptcy Code are not to be construed as an indication that the County expects to resort to the provisions of the Bankruptcy Code or that, if it did, such action would be approved by the Local Finance Board, or that any proposed plan would include a dilution of the source of payment of and security for the Notes.

COUNTY INDEBTEDNESS

Local Bond Law (N.J.S.A. 40A:2-1 *et seq.*)

The Local Bond Law governs the issuance of bonds and notes by a county to finance certain capital expenditures. Among its provisions are requirements that bonds must mature within the statutory period of usefulness of the projects bonded, that bonds be retired in serial installments and that cash down payments equal to at least five percent of the bond authorization be generally provided.

Debt Limitation (N.J.S.A. 40A:2-6)

The net authorized bond indebtedness of a county is limited by statute, subject to the exceptions as noted below, to an amount equal to two percent of its stated equalized valuation basis. The stated equalized valuation basis of a county is set by statute as the average for the last three years of the sum total of the equalized value of all taxable real property and improvements and the assessed valuation of certain Class II railroad property within its boundaries as annually determined by the State Board of Taxation. The County is within its two percent debt limit.

Exceptions to Debt Limit-Extensions of Credit (N.J.S.A. 40A:2-7)

The debt limit of a county may be exceeded with the approval of the Local Finance Board. If all or any part of a proposed debt authorization would exceed its debt limit, a county must apply to the Local Finance Board for an extension of credit. If the Local Finance Board determines that a proposed debt authorization would not materially impair the ability of a county to meet its obligations or to provide essential services or make other statutory determinations, approval is granted. In addition to the aforesaid, debt in excess of the debt limit may be issued without the approval of the Local Finance Board to fund certain notes and for self-liquidating purposes and in each fiscal year in an amount not

exceeding two-thirds of the amounts budgeted in such fiscal year for the retirement of outstanding obligations (exclusive of obligations issued for assessments and utility purposes).

Short Term Financing (N.J.S.A. 40A:2-8)

A county may issue bond anticipation notes to temporarily finance capital improvements. Bond anticipation notes, which are full faith and credit obligations, may be issued for a period not exceeding one year. They may be renewed for additional periods not exceeding one year. However, all such notes shall mature and be paid not later than the first day of the fifth month following the close of the tenth fiscal year next following the date of the original notes.

The Municipal Finance Commission (N.J.S.A. 52:27-1 et seq.)

The Municipal Finance Commission (the “Commission”) was created in 1931 to assist in the financial rehabilitation of counties and municipalities, which had defaulted in their obligations. The powers of the Commission are exercised today by the Local Finance Board. The previously discussed elements of the local finance system are intended to prevent default on obligations or occurrence of severe fiscal difficulties in any local unit. Should extreme economic conditions adversely affect any local unit, the “Municipal Finance Commission Statutes” are available to assist in restoring the stability of the local unit.

Any holder of bonds or notes which are in default for over sixty (60) days (for payment of principal or interest) may bring action against such local unit in the State’s Superior Court. Any local unit may declare itself unable to meet its obligations and bring action in such court. In either case, the court’s determination that the local unit is in default or unable to meet its obligations causes the Commission to become operative in that local unit.

The Commission exercises direct supervision over the finances and accounts of any local unit under its jurisdiction. The Commission is authorized to appoint an auditor to examine and approve all claims against the local unit and to serve as comptroller for that local unit. The Commission is also directed to supervise tax collections and assessments, to approve the funding of school district indebtedness, the adjustment or composition of the claims of creditors and the readjustment of debts.

The Local Finance Board also serves as the “Funding Commission” to exercise supervision over the funding or refunding of local government debt. Any county or municipality seeking to adjust its debt service must apply to and receive the approval of such Funding Commission for the proposed reorganization of its debt.

TAX MATTERS

Exclusion of Interest on the Notes From Gross Income for Federal Tax Purposes

The Internal Revenue Code of 1986, as amended (“Code”) imposes certain requirements that must be met on the date of issuance of the Notes and on a continuing basis subsequent to the issuance of the Notes in order to assure that interest on the Notes will be excluded from gross income for federal income tax purposes under Section 103 of the Code. Failure of the County to comply with the requirements of the Code may cause interest on the Notes to lose the exclusion from gross income for

federal income tax purposes, retroactive to the date of issuance of the Notes. The County will make certain representations in its Tax Certificate, which will be executed on the date of issuance of the Notes, as to various tax requirements. The County has covenanted to comply with the provisions of the Code applicable to the Notes and has covenanted not to take any action or permit any action to be taken that would cause the interest on the Notes to be included in gross income under Section 103 of the Code or cause interest on the Notes to be an item of tax preference under Section 57 of the Code. McCarter & English, LLP, Bond Counsel to the County, has relied upon the representations made in the Tax Certificate and has assumed continuing compliance by the County with the above covenants in rendering its federal income tax opinions with respect to the exclusion of interest on the Notes from gross income for federal income tax purposes and with respect to the treatment of interest on the Notes for the purposes of alternative minimum tax.

Assuming the County observes its covenants with respect to compliance with the Code, McCarter & English, LLP, Bond Counsel to the County, is of the opinion that, under existing law, interest on the Notes is excluded from the gross income of the owners of the Notes for federal income tax purposes pursuant to Section 103 of the Code, and interest on the Notes is not an item of tax preference under Section 57 of the Code for purposes of computing alternative minimum tax.

Additional Federal Income Tax Consequences

In the case of certain corporate holders of the Notes, interest on the Notes will be included in the calculation of the alternative minimum tax as a result of the inclusion of interest on the Notes in “adjusted current earnings” of certain corporations.

Prospective purchasers of the Notes should be aware that ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the Notes, may have additional federal income tax consequences for certain taxpayers, including, without limitation, taxpayers eligible for the earned income credit, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, financial institutions, property and casualty companies, foreign corporations and certain S corporations. Prospective purchasers of the Notes should also consult their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Bond Counsel expresses no opinion regarding any federal tax consequences other than its opinions with regard to the exclusion of interest on the Notes from gross income pursuant to Section 103 of the Code and interest on the Notes not constituting an item of tax preference under Section 57 of the Code. Prospective purchasers of the Notes should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the Notes.

The Internal Revenue Service (“Service”) has an ongoing program of auditing state and local government obligations, which may include randomly selecting bond issues for audit, to determine whether interest paid to the holders is properly excludable from gross income for federal income tax purposes. It cannot be predicted whether the Notes will be audited. If an audit is commenced, under current Service procedures the holders of the Notes may not be permitted to participate in the audit process, and the value and liquidity of the Notes may be adversely affected.

State Taxation

Bond Counsel to the County is of the opinion that, based upon existing law, interest on the Notes and net gains from the sale of the Notes are exempt from the tax imposed by the New Jersey Gross Income Tax Act.

Changes in Tax Law

Federal, state or local legislation, administrative pronouncements or court decisions may affect the tax-exempt status of interest on the Notes, gain from the sale or other disposition of the Notes, the market value of the Notes, or the marketability of the Notes, or otherwise prevent the owners of the Notes from realizing the full current benefit of the exclusion from gross income of the interest thereon. Prospective purchasers of the Notes should consult their own tax advisers regarding such matters.

LITIGATION

Various claims of a routine nature have been asserted against the County. Except as described in Appendix A, the Board and the County Counsel believe that such claims will not have a material adverse effect on the financial condition of the County.

Upon delivery of the Notes, the County shall furnish an opinion of the County Counsel, dated the date of delivery of the Notes, to the effect that there is no litigation of any nature pending or, to the knowledge of the County Counsel, threatened to restrain or enjoin the issuance, sale, execution or delivery of the Notes, or in any way contesting or affecting the validity of the Notes or any of the proceedings taken with respect to the issuance and sale thereof or the application of moneys to the payment of the Notes. In addition, such opinion shall state that there is no litigation of any nature now pending or, to the knowledge of the County Counsel, threatened by or against the County wherein an adverse judgment or ruling could have a material adverse impact on the financial condition of the County or adversely affect the power of the County to levy, collect and enforce the collection of taxes or other revenues for the payment of its notes, which has not been disclosed in this Official Statement.

RATINGS

Moody's Investors Service ("Moody's") and S&P Global Ratings, acting through Standard & Poor's Financial Services LLC ("S&P" and together with Moody's, the "Rating Agencies"), have assigned their municipal note ratings of "MIG1" and "SP-1+" to the Notes.

The ratings express only the views of each Rating Agency and an explanation of the significance of such note ratings may be obtained from S&P, 55 Water Street, New York, New York 10041 and Moody's, 7 World Trade Center, 250 Greenwich Street, New York, New York, 10007. The County furnished to each Rating Agency certain information and materials concerning the Notes and the County. Such ratings express only the views of the respective Rating Agency. There is no assurance that the ratings will continue for any period of time or that the ratings will not be revised or withdrawn entirely if, in the Rating Agency's judgment, circumstances so warrant. Any such revision or

withdrawal of the ratings may have an adverse effect on the marketability or market price of the Notes.

FINANCIAL ADVISOR

Acacia Financial Group, Inc., Mount Laurel, New Jersey, has served as financial advisor (the “Financial Advisor”) to the County with respect to the issuance of the Notes. Information set forth in this Official Statement has been obtained from the County and other sources which are deemed reliable, but no warranty, guaranty or other representation as to the accuracy or completeness is made as to such information contained herein. There is no assurance that any of the assumptions or estimates contained herein will be realized. The Financial Advisor is a financial advisor and consulting organization and is not engaged in the business of underwriting, marketing or trading municipal securities or any other negotiable instruments.

PREPARATION OF OFFICIAL STATEMENT

This Official Statement has been prepared under the auspices of the County. Except for statistical and certain financial information contained herein, information under the caption “DESCRIPTION OF THE NOTES – Book-Entry-Only System” and information contained in Appendix A which has been obtained from sources which the County considers to be reliable but for which the County makes no warranty, guaranty or other representations with respect to the accuracy or completeness of such information, the descriptions and statements herein are true and correct in all material respects as of the date hereof.

McCarter & English, LLP has not verified the accuracy, completeness or fairness of the information contained herein, except under the heading “TAX MATTERS” and accordingly, assumes no responsibility therefore and will express no opinion with respect thereto.

Bowman & Company LLP takes responsibility for the audited financial statements contained in Appendix “B” to the extent specified in their Accountant’s Report.

APPROVAL OF OFFICIAL STATEMENT

The Board has adopted the Resolution authorizing the Chief Financial Officer of the County to approve this Official Statement and deliver copies hereof to the Underwriter (as defined herein) for its use in the sale, resale or distribution of the Notes.

Upon request of the Underwriter, officials of the County will confirm to the Underwriter that the descriptions and statements contained in this Official Statement in final form are, to the best knowledge of said officials, correct in all material respects and do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

UNDERWRITING

The Notes have been purchased from the County at a public sale by _____ (the “Underwriter”). The Underwriter has purchased the Notes in

accordance with the Notice of Sale for the Notes at a purchase price of _____. The Notes are being reoffered to the public at a price of \$_____, which amount reflects the Purchase Price plus Underwriter's compensation of \$_____. The Underwriter is obligated to purchase all of the Notes if any Notes are purchased.

The Underwriter intends to offer the Notes to the public initially at the offering yield set forth on the cover page of this Official Statement, which may subsequently change without any requirement of prior notice. The Underwriter may offer and sell the Notes to certain dealers (including dealers depositing notes into investment trusts) at yields lower than the public offering yield set forth on the cover page of this Official Statement, and such public offering yields may be changed, from time to time, by the Underwriter without prior notice.

LEGALITY FOR INVESTMENT

The State and all public officers, municipal corporations, political subdivisions and public bodies, and agencies thereof, all banks, bankers, trust companies, savings and loan associations, savings banks and institutions, building and loan associations, investment companies, and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business and all executors, administrators, guardians, trustees, and other fiduciaries may legally invest any sinking funds, money or other funds belonging to them or within their control in any notes or other obligations issued by the County, including the Notes, and such obligations are authorized security for any and all public deposits.

NO DEFAULT

There is no record of default in the payment of the principal of or interest on the bonds or notes of the County.

CONTINUING DISCLOSURE

In accordance with the provisions of Rule 15c2-12, as amended (the "Rule"), promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, the County will, prior to the issuance of the Notes, enter into a certificate substantially in the form set forth in Appendix "D" hereto.

As described in this paragraph, the County has failed to provide certain secondary market disclosure pursuant to the Rule in connection with previous undertakings related to certain of its general obligation bonds and various The Camden County Improvement Authority ("Authority") bond financings. The County filed its 2012 audited financial statements on February 5, 2014 for the County's general obligation bonds and on August 19, 2013 for the Authority bonds. After the filing of such audited financial statements, the County realized that the 2012 audited financial statement, certain bond insurance related rating changes and the 2012 annual report were not attached to certain CUSIPs of its general obligation bonds and certain CUSIPs of the Authority's bonds on the MSRB's Electronic Municipal Market Access System ("EMMA"). Such audited financial statements, notices of rating change and annual reports were filed for the missing CUSIPs on September 8, 2014. The County's rating was upgraded by S&P in November of 2013 and the related notice was filed on June 19, 2014.

LEGAL MATTERS

The legality of the Notes will be subject to the approving legal opinion of McCarter & English, LLP, Newark, New Jersey, Bond Counsel to the County. Such opinion will be printed on or accompany the Notes and provide, *inter alia*, that the Notes are valid and legally binding obligations of the County, and unless paid from other sources, are payable from *ad valorem* taxes levied upon all the taxable property within the jurisdiction of the County without limitation as to rate or amount. The enforceability of rights or remedies with respect to the Notes may be limited by bankruptcy, insolvency, or other laws affecting creditors' rights or remedies heretofore or hereinafter enacted. Certain legal matters will be passed upon for the County by Christopher A. Orlando, Esquire, County Counsel.

The various legal opinions and/or certifications to be delivered concurrently with the delivery of the Notes express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion and/or certification, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or the future performance of parties to the transaction. Nor does the rendering of an opinion and/or certification guarantee the outcome of any legal dispute that may arise out of the transaction.

COUNTY OF CAMDEN, NEW JERSEY

By: _____
DAVID MCPEAK, CHIEF FINANCIAL OFFICER

Dated: _____, 2017

APPENDIX A

CERTAIN INFORMATION CONCERNING THE COUNTY

INTRODUCTION

General Information

The County of Camden, New Jersey (“County”), formerly part of Gloucester County, New Jersey, was established in 1844. The County, approximately 222 square miles in area, is in the southwestern part of the State of New Jersey (“State”) along the east bank of the Delaware River opposite Philadelphia, Pennsylvania (“Philadelphia”). The Counties of Burlington, Atlantic and Gloucester border the County on, respectively, the northeast, southeast and southwest, with the Delaware River forming the western border of the County.

County Government

The County operates under the freeholder form of government. The Board of Chosen Freeholders of the County (“Board”) consists of seven Freeholder members elected at-large for three year terms on a staggered basis. Each year, the Board elects one of the Freeholders to serve as Freeholder Director. The Freeholder Director appoints Freeholders to be in charge of various committees. The Board, operating through the committee system, is charged with both executive and legislative responsibilities for: (i) formulating policies; (ii) developing new programs; (iii) appointing members of the various County commissions, authorities and boards; (iv) approving the County’s operating and capital budgets; and (v) appropriating the funds required to maintain County services.

The County Administrator, appointed by the Board, oversees the daily governmental operations of the County. Each major department is headed by an administrator who acts as liaison to the Freeholder overseeing such department’s operations. Financial matters are under the supervision of the County’s Chief Financial Officer who is appointed by the Board.

Organization and Management of County Government

In 1983, the Board adopted an internal administrative reorganization the objectives of which were to: consolidate government organization; increase accountability of department and agency heads; streamline reporting requirements; and improve productivity. The Board also established an Office of Management and Budget (“OMB”) modeled after the federal OMB. Detailed monitoring reports on a monthly basis are provided by the OMB to evaluate the various departments and agencies in terms of performance and unit costs.

The County’s operating and capital budget process is initiated by departmental submissions of project requests to the OMB. The various projects are reviewed, documented with cost estimates, and prioritized against a set of weighted criteria. The projects’ listing is structured according to the availability of funds as set by the debt and capital policy of the County.

PRINCIPAL ADMINISTRATIVE OFFICERS

County Administrator

Mr. Ross G. Angilella is currently the County Administrator. He was first appointed to the position of County Administrator on September 4, 2004. Prior to his appointment as County Administrator, Mr. Angilella served as the County Purchasing Agent and an Assistant County Counsel since September 1983.

Chief Financial Officer

Mr. David McPeak is currently the Chief Financial Officer and County Treasurer. Mr. McPeak was first appointed to the position of Chief Financial Officer on January 7, 1999. Prior to that, he had been Acting Chief Financial Officer since January 6, 1998. Mr. McPeak has served as Budget Director for the County since August 1993.

COUNTY HISTORY

In 1632, the first European settlers arrived in the area now known as Camden County. In 1688, the first ferry linking the area with Philadelphia was established. In 1773, Camden City was created at the site of Cooper's Ferry. With the building of the Camden and Amboy Railroad, the area began to grow rapidly. In 1869, Joseph Campbell and Abram Anderson formed a jelly and fruit producing enterprise, now known as the Campbell Soup Company. A machine shop owned by Eldridge Johnson became the Victor Talking Machine Company, later known as RCA Victor. Prior to World War I, Esterbrook Pen Co. and New York Shipbuilding Co. became well established. The completion of the Benjamin Franklin Bridge to center city Philadelphia in 1926 made it possible for people to live in the County and work in the Philadelphia area. The post-World War II boom and suburban communities' growth was accelerated by (i) the opening of the Walt Whitman Bridge in 1957, which provides a direct connection to the Philadelphia International Airport and (ii) the construction of The Port Authority Transit Corporation ("PATCO") high speed commuter line linking Lindenwold, in the southern part of the County, to center city Philadelphia. During the 1970s and 1980s, the County's economy diversified from principally an industrial base to high technology, corporate, financial and service businesses. Residential development pushed southeastward, principally into the Townships of Voorhees, Waterford and Winslow. Today, because of the prior commercial and residential expansion, a substantial portion of the County's physical infrastructure is in place.

COMMERCIAL LOCATION

The County is 140 miles equidistant between New York and Washington, D.C. and at the midpoint of the Boston-Richmond Northeast Corridor. Within one-day's drive of twelve states, businesses in the County have a potential market of about 60 million people, or about one-fourth of the United States market. As part of the Philadelphia Metropolitan Area, the County is an essential component of the nation's fourth largest market area. The Delaware River flows into the Delaware Bay which connects with the Atlantic Ocean and forms a deep water entrance to the docking and freight facilities situated along the County's riverfront, a part of the nation's second largest deep water port.

HEALTH CARE SERVICES

Within the County are four non-profit hospitals and eight County-operated health clinics. The non-profit hospitals are: (i) the 427-bed Cooper Hospital/University Medical Center located in Camden City; (ii) the Kennedy Memorial Hospitals/University Medical Center, consisting of three divisions (two of which are located within the County - the 225-bed Cherry Hill division and the 236-bed Stratford division); (iii) Our Lady of Lourdes Medical Center, a 377-bed acute care facility located in Camden City; and (iv) the Virtua Health System, consisting of three divisions - the 95-bed Berlin division, the Camden City division providing emergency room services, and the 370-bed Voorhees division.

The Camden County Health Division's eight clinics offer services ranging from family planning and prenatal clinics to cancer detection and hypertension clinics.

EDUCATIONAL FACILITIES

Public School Systems

Within the County are 36 school districts which operate 104 elementary and middle schools and 22 high schools. In addition, the County operates two vocational-technical schools (located in Pennsauken and Gloucester Townships) which provide daytime classes with an enrollment of approximately 2,100 daytime students, and evening education to approximately 1,800 students, including adults. The two vocational-technical schools employ 262 professional and 131 non-professional personnel.

Private and Parochial Schools

Excluding private nursery schools and day care centers, there are 51 private and parochial schools for grades one through twelve within the County.

Charter School/Renaissance Schools

There are ten charter schools within the County. The annual enrollment for the charter schools is approximately 4,000 students in kindergarten through grade twelve. In addition, there are three Renaissance Schools in the City of Camden (“Camden City”). These Renaissance Schools are a newer kind of public school in New Jersey that combines the autonomy of charter schools with a direct and cooperative relationship with the school district.

Higher Education

Camden County College is a comprehensive public community college with campuses in Blackwood and Camden City, as well as the William G. Rohrer Center in Cherry Hill and the Regional Emergency Training Center in Gloucester Township, that serve Camden County and the surrounding area and is a vital resource for transfer education, workforce training and cultural events. Camden County College offers associate degrees, certificate and training programs in technical fields such as automotive technology and mechanical engineering; health professions such as nursing and medical coding, and liberal arts and sciences such as English and chemistry. Additionally, the College operates the Adult Technical Institute at the Sicklerville Campus of the Camden County Technical School, and offers credit classes throughout the County in high schools, work sites, and neighborhoods. The College also has affiliations with four-year institutions such as Rutgers University, Drexel University and Thomas Jefferson University, College of Allied Health Sciences.

Rutgers - The State University of New Jersey, Camden Campus (“Rutgers”), has two four-year undergraduate liberal arts colleges, one serving students who attend classes during the day and one for those attending evening classes. In addition to liberal arts degrees offered by the College of Arts and Sciences, there is (i) a Graduate School offering master’s degree programs in biology, business administration, English and public policy, and (ii) the School of Law, evening and day curriculum, leading to a Juris Doctor degree. In September 2012, Rutgers completed construction of a student housing project consisting of a 350-bed graduate student housing facility. (See the caption, below, entitled “DEMOGRAPHIC AND ECONOMIC INFORMATION – Camden City”).

Cooper University Hospital, located in the City of Camden, is a major teaching hospital and is affiliated with the Cooper Medical School of Rowan University (“CMSRU”) located in Camden City and Rowan University’s School of Osteopathic Medicine located in the Borough of Stratford (“SOM”).

CMSRU is a four-year allopathic medical school adjacent to the Cooper Hospital complex. CMSRU opened on July 24, 2012, with its first incoming class enrolling in the Fall of 2012. (See the caption, below, entitled “DEMOGRAPHIC AND ECONOMIC INFORMATION – High Technology”). The construction of CMSRU was financed by tax-exempt and taxable revenue bonds issued by the CCIA on behalf of Rowan University.

Rowan University School of Osteopathic Medicine is a four-year public college of osteopathic medicine located in the Borough of Stratford, New Jersey and includes Rowan University’s Graduate School of Biomedical Sciences. The college is affiliated with Cooper University Hospital. It is the only college of osteopathic medicine in the State, and, until the opening of CMSRU in 2012, was the only four-year medical school in Southern New Jersey. Established in 1976 as part of the University of Medicine and Dentistry of New Jersey (“UMDNJ”), SOM became part of Rowan University on July 1, 2013. The acquisition by Rowan University of SOM from UMDNJ was financed by tax-exempt and taxable revenue bonds issued by the CCIA on behalf of Rowan University.

Kennedy Health/University Medical Center is composed of three hospitals affiliated with the Rowan University School of Osteopathic Medicine.

RECREATIONAL FACILITIES

The County’s park system consists of 14 major parks in twelve communities consisting of 1,760 acres of land and 2,000 acres of water, nine miles of horse trails and 15 miles of bike trails. Facilities in the park system include a restaurant, football and softball fields, tennis courts, a new boathouse, miniature golf courses, and a golf driving range.

TRANSPORTATION FACILITIES

Passenger

A \$17 million Transportation Center in Camden serves as an interchange for automobiles, commuter buses and commuter rail lines. The major bus service is provided by New Jersey Transit, which provides intracounty, intercounty and interstate service, and by Greyhound, a major interstate carrier. In 2004, New Jersey Transit commenced light rail service connecting Camden City with the City of Trenton to the north and linked to the PATCO system through the Transportation Center in Camden City.

The PATCO high speed rail line, an above and below ground level 14.5 mile system from Lindenwold to center city Philadelphia is a heavily used commuter line, hosting over 200,000 commuters every week. PATCO has nine stations (with parking lots) in the County. New Jersey Transit - Rail Operations provides local rail service between Atlantic City and Philadelphia.

Freight

Freight service by a national intrastate and interstate rail carrier, and several independently owned rail carriers, and approximately 80 trucking concerns situated in the County, provide service to business. Waterborne freight arriving from or departing to overseas destinations or other ports in the United States is handled at three major cargo handling terminals. Two of the terminals, Beckett Street and Broadway, both in Camden City, are operated by the South Jersey Port Corporation, and the third, in Gloucester City, is operated by Holt Cargo Systems. Crowley Maritime operates a major private barge service terminal in

Pennsauken, providing service to Puerto Rico and the Caribbean. The terminals are equipped for multi-purpose handling of piggyback, bulk, high and wide cargo, and containers or trailers on flatcar.

Highway and Bridge Systems

The County maintains over 400 miles of roads, which provide connections to east/west State Route 30 (White Horse Pike), State Route 168 (Black Horse Pike), State Route 70, the Atlantic City Expressway, and Interstate Routes 676 and 76 (the principal truck route over the Walt Whitman Bridge to the west); and to north/south State Route 130, which generally follows the Delaware River, Interstate Routes 295 and 95, the New Jersey Turnpike, and State Route 38 running in a northeasterly direction.

Within or adjacent to the County, five bridges provide the means to cross the Delaware River to Philadelphia and its environs, to industrial centers south of Philadelphia, and to the interstate highway network. The principal commuter bridge to center city Philadelphia is the Benjamin Franklin Bridge. The Betsy Ross and Tacony-Palmyra Bridges provide access to Pennsylvania north of Philadelphia, and the Walt Whitman Bridge, in the County's southwest portion, is the access route to the Philadelphia International Airport and the connection to routes heading west and southwest.

UTILITIES

Electricity and gas are provided by Atlantic City Electric (eastern half of the County), Public Service Electric and Gas Company, and South Jersey Gas Company. The Camden County Municipal Utilities Authority operates and maintains County-wide wastewater collection and treatment facilities (see the caption, below, entitled "AUTHORITIES OF THE COUNTY – Camden County Municipal Utilities Authority"). The Pollution Control Financing Authority of Camden County owns the land on which a 1,050 tons per day resource recovery facility operates (see the caption, below, entitled "AUTHORITIES OF THE COUNTY – Pollution Control Financing Authority of Camden County"). The major supplier of potable water is the New Jersey American Water Company which serves all or part of 23 municipalities in the County. The remaining 14 municipalities obtain water from wells. The New Jersey American Water Company, along with individual municipally operated water departments, draws water supplied by huge aquifers which are replenished by an annual average precipitation of 55 inches. To ensure adequate water supply in the future, the New Jersey American Water Company has constructed a new surface water supply, a new treatment facility and a new distribution system.

LAW ENFORCEMENT

Sheriff, Parks Police, Prosecutor's Office and Court System

The County operates a Sheriff's Department and, prior to March 21, 2013 a Parks Police Department. On March 21, 2013, the Parks Police Department was abolished and all active officers were transferred to the Camden County Police Department (as hereinafter defined). The County also funds the Camden County Prosecutor's Office which includes an Investigators Unit. The County Court System, along with all New Jersey County Courts, is under the jurisdiction of the State.

Camden County Regional Police Department

The County, after careful study and consideration, determined that a regional approach to policing services would offer certain municipalities within the County and, in particular, Camden City, a more effective and more efficient means of addressing public safety in the reality of the present environment in which crime increasingly cuts across municipal jurisdictional lines and in which

municipal budgets are increasingly straining to maintain services.

In furtherance of such determination, the County has created a regional police department for the purpose of providing police services to the various municipalities contained therein, including Camden City (“Camden County Police Department”). On August 18, 2011, the County and Camden City entered into a Memorandum of Understanding (“MOU”) in furtherance of the desire of the County and Camden City to create the Camden County Police Department and for such Camden County Police Department to provide policing services to Camden City. To memorialize the terms and provisions of the MOU, Camden City and the County entered into a Shared Services Agreement pursuant to which the County, by and through the Camden County Police Department, has agreed to provide police services to Camden City through a subdivision of the Camden County Police Department known as the Metro Division (“Metro Division”) in exchange for certain consideration to be paid by Camden City for such services.

As part of the process of creating the Camden County Police Department, and in particular the Metro Division, the County, Camden City and the Department of Community Affairs, Division of Local Government Services of the State of New Jersey (“DLGS”) have entered into an agreement pursuant to which all costs associated with the operation of the Metro Division are fully funded by Camden City and the DLGS.

Retirement Systems and County Pension Plan

Generally, all full-time or qualified County employees who began employment after 1944 must enroll in one of two pension systems (Public Employees Retirement System (“PERS”) or Police and Firemen’s Retirement System (“PFRS”)) depending upon their employment status. These systems were established by acts of the State Legislature. Benefits, contributions, means of funding and the manner of administration are set by the State. The Division of Pensions within the State’s Department of Treasury is the administrator of these systems. The County is a member of PERS and PFRS. PERS and PFRS are evaluated every year by the State with employee contribution rates normally determined by the rate applicable at the age of enrollment.

Public Employee’s Retirement System (PERS)

PERS included 1063 eligible County employees as of December 31, 2016.

Police and Firemen’s Retirement System (PFRS)

824 eligible County police officers and fire fighters were enrolled in PFRS as of December 31, 2016.

Federal Social Security System

The County is not delinquent in its payments to the federal Social Security System (“OASI”).

County Pension Plan

The County’s pension plan is known as “The Detectives’, Sheriff Officers’ and Probation Officers’ Pension Plans” and is not actuarially funded by the County. Accordingly, actuarial valuations are not prepared. However, the County has a direct pension liability extending over the lives of the beneficiaries and their spouses. Employees hired after November 30, 1963 were not eligible to join the plan. The audited plan trust fund balance at December 31, 2016 was \$145,193.

County Insurance Programs

The County is partially self-insured for Medical and Prescription Drug coverages, Property Damage, Automobile/General Liability, Crime and Workers' Compensation, with excess insurance on all coverages. The County and its boards, agencies, authorities and commissions presently purchase insurance or self-insure against risks of damage to persons or property of third parties, workers' compensation claims and claims against public officials through the Camden County Insurance Commission (the "Commission"), established on January 21, 2010, by Board resolution pursuant to N.J.S.A. 40A:10-6. The Commission is governed by three County officials who serve as commissioners and are appointed by the Board. Excess insurance is managed by the New Jersey Counties Excess Joint Insurance Fund, established in March 2010. As of December 31, 2013, member counties are the County, the County of Gloucester, New Jersey, the County of Union, New Jersey, the County of Burlington, New Jersey, the County of Cumberland, New Jersey, and the County of Salem, New Jersey.

For fiscal year 2017, the County budgeted \$64,275,844 as its share of the cost to provide various types of insurance coverage. Of this, \$57,620,549 was attributable to health care and health-related coverage. The \$6,655,295 balance is the annual assessment to the Camden County Insurance Commission for providing insurance for general and automobile liability, workers' compensation and bonding of public officials.

COUNTY FINANCIAL OPERATIONS

Basis of Accounting

The accounting policies of a local governmental unit in the State must conform to the accounting principles applicable to local governmental units which have been prescribed by the Division of Local Government Services of the New Jersey Department of Community Affairs. The following is a summary of the significant policies:

Basis of Accounting -- A modified accrual basis of accounting is followed with minor exceptions. Revenues are recorded as received in cash, except for certain amounts that may be due from the State. Expenditures are recorded on an accrual basis. Appropriation reserves covering unexpended appropriation balances are automatically created on December 31 of each year and recorded as liabilities, except for amounts that may be cancelled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred or entered into during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

Interfunds -- Interfund receivables in the Current Fund (discussed below) are recorded with offsetting reserves. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Fixed Assets -- Property and equipment purchased through the Current Fund and the General Capital Fund (discussed below) are recorded as expenditures at the time of purchase and are not capitalized.

Current Fund

A local governmental unit finances its operations primarily through the Current Fund. All tax receipts and most revenues are paid into the Current Fund and substantially all expenditures made by appropriations are paid from the Current Fund. The County operates on a January 1 to December 31 fiscal year.

General Expenditures

Expenditures are comprised of those made for general County purposes, certain expenditures made from restricted federal, State and private grants, certain federal or State mandated expenditures, deferred charges, debt service and capital improvements. Budgeted expenditures for general County purposes include payments made primarily in support of the County's various departments.

REVENUE SOURCES

Revenue sources for the County's operations consist of miscellaneous revenues, federal and State assistance and/or grants, and the monies received from the County's taxes levied by the respective municipalities in the County. The County's principal revenue source is from taxes. Increased costs of certain services, such as insurance and public safety, have resulted in an increased tax levy in recent years.

Apportionment of County Purpose Taxes

Taxes for County purposes are based upon the equalized valuation, as calculated by the County's Board of Taxation, of all taxable property within the County. The County purpose taxes are apportioned among the County's constituent municipalities based upon the ratio that each municipality's equalized valuation bears to the total equalized valuation of all taxable property in the County. (It should be noted that taxes for municipal and school purposes are based on assessed valuations.)

Tax Collection Procedure

The municipalities within the County are the political entities responsible for the levying and collection of taxes on all taxable property within their borders, including the tax levy for the County. Four payments are due (August 1, November 1, February 1 and May 1).

Importantly, since the County's fiscal year runs from January 1 through December 31, the County's revenues for the first half of its fiscal year result from a levy established the previous July 1 (which is based on the prior year's budgetary needs). However, any adjustments necessary due to a change in budget from one year to the next are factored into the tax levy calculated in the middle of the County's fiscal year.

Property taxes are based on a municipality's assessor's valuation of real property on an assessed valuation basis, as confirmed by the County's Board of Taxation.

Each municipality is required to pay to the County its share of the County purpose tax on the 15th day of February, May, August and November. The County receives 100% of its share of the taxes collected from the first taxes collected by each municipality. If a municipality has not remitted in full to the County its share of omitted and added taxes by December 31 of the year of tax levy, a municipality has until February 15 of the year immediately following (45 days) to pay in full the amount due to the County.

DEMOGRAPHIC AND ECONOMIC INFORMATION

Population

Population in the County has shifted from urban areas to suburban areas with the population increase occurring primarily in the southern and eastern parts of the County. This shifting of population has resulted in an increase in retail shopping malls and other retail and office services. Two of the largest shopping malls in southern New Jersey are in the County (Voorhees Town Center in Voorhees and Cherry Hill Mall in Cherry Hill) and together with numerous other shopping centers and mini-malls share over \$5 billion in annual retail sales.

Retail Establishments and Manufacturing Concerns

The County's business retail base includes not only County residents, but also shoppers from neighboring counties and the greater Philadelphia area. There are over 3,300 retail business concerns in the County.

High Technology

The County has become a center for medical research and biological testing. Some of the technological leaders in the County (as well as in the nation) include:

- Cooper Medical School of Rowan University: The first new medical school constructed in over thirty years. This new school currently has approximately 400 medical school students along with approximately 150 staff members. In addition, this 200,000 square foot state-of-the-art research facility helps to bring a critical mass to the area.
- Coriell Institute: Coriell is researching genome informed medicine, innovating advances in pre-clinical discovery, and supporting significant research around the world. Coriell has a strong history in cell biology by playing an important role in stem cell research. Coriell's biobank manages the world's most diverse collection of cell lines, DNA, and other biomaterials gathered and distributed for use by the international biomedical research community.
- MD Anderson Cancer Center at Cooper: The new MD Anderson Cancer Center at Cooper brings together MD Anderson's expertise and Cooper's regional leadership in a partnership that opens up a broader range of options for cancer patients in South Jersey, Delaware and the greater Philadelphia region. Opened in 2013, MD Anderson Cancer Center at Cooper is a state-of-the-art, \$100 million, four-story, 103,050 square foot comprehensive cancer center on Cooper's Health Sciences Campus in Camden City which expands access to outstanding cancer care for residents of southern New Jersey and beyond.
- The Rowan University/Rutgers: The Camden Board of Governors (the "Board of Governors") was created by the New Jersey Medical and Health Sciences Education Restructuring Act which took effect on August 22, 2012. The Board of Governor's mission reflects an extension of Camden's significant "eds and meds" presence and is expected to leverage the educational and research assets to support growth in the region's health care capacity. The Board of Governors is currently designing a new state-of-the-art research building with an estimated project cost of approximately \$60 million.

Private and Public Sector Developments Completed in Recent Years

Set forth below is a representative listing of some of the private and public sector developments that have been completed within the County in recent years. This representative list is not intended to be exhaustive and includes certain development projects that currently remain in the process of completion. No assurance can be provided that such currently incomplete projects will be completed successfully as currently planned and as currently scheduled.

Camden City:

Tax Credit Projects:

Subaru of America, Inc. recently announced it will move their North American Headquarters to Camden City. The company will receive upwards of \$100 million from the NJEDA to locate and

grow jobs in the City. Subaru plans to construct a 250,000 square foot building and will house approximately 500 employees. The project is expected to cost approximately \$118 million to construct and will be sited near Campbell's Soup Company.

The Camden City waterfront is continuing to be developed. Using the NJEDA's Grow NJ program, the Philadelphia 76ers have opened a new state-of-the-art practice center along the waterfront and the construction of an administrative building is currently underway. Once complete, this new facility is expected to bring approximately 250 new jobs to Camden City and will help bring in the critical mass to the downtown area.

Holtec International is also using NJEDA's Grow NJ program to construct a new plant that will expand the company's current line of nuclear products, heat-exchange equipment, and other products for delivery to the company's customers worldwide. This project is expected to cost approximately \$260 million and bring in approximately 200 new jobs.

Lockheed Martin Corporation has been awarded tax credits to consolidate operations. This project will bring approximately 250 jobs to the City and an estimated \$146 million in capital projects.

American Water Works Company, Inc. is consolidating their operations and using tax credits to create a headquarters within Camden City. American Water Works Company, Inc. will bring in about 600 jobs from various locations and relocate them within Camden City. This new facility will be located near Campbell's Soup Company and Subaru of America, Inc.

ResinTech Inc. has been approved by the NJEDA for a 10-year tax incentive to relocate to Camden City. ResinTech Inc. manufactures a broad range of ion exchange resins for water and waste water treatment, including deionization, softening, metals removal, product purification, resource recovery, and pollution control. In addition to its ion exchange resins, ResinTech Inc. supplies activated carbon and inorganic selective exchangers. The firm will retain 92 full-time positions that are currently in-state and is expected to add an additional 173 new full time jobs.

Education:

Rutgers University is expected to open both a new nursing and business school. These two projects will expand the footprint of the University and connect Rutgers with other portions of Camden City, bringing retail and other possible venues to the downtown area. In addition, Rowan University will expand its footprint within the Camden City with the renovation of a historic bank to its downtown campus.

Cherry Hill Township:

Health Care Services:

Cherry Hill Township has seen a number of construction projects that have focused on health service providers. The first project is the transformation of the old 150,000 square foot “Syms” building to a state-of-the-art medical complex which houses a division of the University of Pennsylvania Health System. This project has allowed the Health System to consolidate services into one building.

Another project is the expansion of Kennedy Health System. The transformation of the old hospital to a world class healthcare facility has begun. Kennedy plans to bring a family centric facility that will enhance healthcare access to the Community. This multimillion dollar project has started and should continue over the next few years.

LourdesCare at Cherry Hill is another health care transformation project. This renovation project allowed Lourdes Health System to consolidate services and renovate an approximately 150,000 square foot building for expert medical care, support services, and wellness programs. Over the last year, Lourdes has opened an urgent care facility at this location.

Mixed-Use:

A key revitalization project at the former Garden State Racetrack continues to flourish. This 530,000 square feet development is occupied by many national retailers and restaurants, including Wegmans, Home Depot, Dick’s Sporting Goods, Best Buy, Barnes & Noble, Bed, Bath & Beyond, Christmas Tree Shops, Cheesecake Factory, Houlihans’s and Nordstrom’s Rack. The development is more than just a retail destination. It also serves as a downtown area for one of the largest municipalities in New Jersey. The project will be continuing to mix residential housing and office space as well as planning for civic or community space. The Garden State Park enhancements have spurred additional development along the Haddonfield Road corridor where a few years ago many vacancies existed. Now there are restaurants and thriving business fronts. Furthermore, it has sparked a transformation at the Cherry Hill Mall, one of the premier shopping destinations in the Delaware Valley. The move to upscale retailers and restaurants at the mall has doubled the sales of some of the retail outlets.

Gloucester City:

Over the last several years, Gloucester City has enhanced its valuable waterfront properties by making infrastructure improvements to Freedom Pier and attracting businesses to town. Two new eating establishments have opened to increase quality dining options for residents and visitors. These restaurants have created over 100 permanent jobs for local residents. In addition to retail and dining, the waterfront offers Gloucester City unique opportunities with the local marine terminal. In 2014, Organic Diversion, a renewable waste company, broke ground on a new facility to convert food waste to energy. In addition, the local economic development team is actively pursuing other small businesses to fill two newly renovated office spaces in its downtown district.

Gloucester Township:

August 2015 saw the opening of a new 450,000 square foot premium outlet shopping center located along Route 42. This project has brought new jobs and retail space to this section of the County. In addition, the township, along with private developers, opened a another significant shopping area on Berlin-Cross Keys Road, a major roadway in the County and right off the Atlantic City Expressway. The township has been very successful in retaining and attracting commercial, industrial and public/private business like US Vision. They have expanded and attracted business on the County-owned Lakeland Complex including an Armed Forces and Public Safety Training facility plus senior housing units.

Pennsauken Township:

Aside from Camden City, Pennsauken Township has seen a significant number of NJEDA tax incentive projects. Older, abandoned warehouses are being converted to manufacturing and other spaces. It is estimated that over one million square feet of office and industrial space has been rehabilitated as a result of the availability of this tax incentive program. The companies taking advantage of the incentives range from high-tech manufacturing to warehousing and distribution. The companies have either relocated to the Township from other areas or have expanded within the Township. This growth has led to the stabilization of the industrial parks within the Township.

The businesses which have been awarded tax incentives by the NJEDA in the Township include:

The Township, in cooperation with The Camden County Improvement Authority (“CCIA”), has undertaken the redevelopment of an approximately 35-acre tract at the intersection of Routes 73, 130 and 90 (“Crossroads Site”) pursuant to which the Township and the CCIA have acquired and prepared the Crossroads Site for commercial and residential redevelopment. On April 7, 2016, the CCIA sold a 31-acre residential portion of the Crossroads Site to Renaissance Partners, LLC (the “Redeveloper”). The Redeveloper is expected to construct residential apartment units, a club house and associated site improvements. The Redeveloper remains interested in the 4-acre commercial site. See “AUTHORITIES OF THE COUNTY – The Camden County Improvement Authority” herein regarding certain outstanding taxable bonds issued by the CCIA for the purpose of refinancing outstanding taxable notes, the proceeds of which were used to finance the costs associated with the acquisition of the Crossroads Site and certain environmental amelioration measures related thereto.

White Horse Pike Corridor:

New housing is under construction along the White Horse Pike section of Clementon Borough. The first 50 units of a 200 unit town-house complex are underway. This residential project is part of a multimillion dollar redevelopment project to bring mixed-use development to the Borough.

In Somerdale Borough, “CooperTowne Business District” which is a renamed industrial complex that is now focusing on redevelopment. The borough recently added Flying Fish Brew Company to the business district. Flying Fish Brew Company is located immediately adjacent to the retail complex, and its opening demonstrates the value of the redevelopment efforts and the positive outgrowth to other areas in town and throughout the White Horse Pike corridor.

Voorhees Township:

The Route 73 corridor continues to see major development projects. The Virtua Health System Voorhees Campus continues to drive the growth of the corridor. New support services for the hospital have developed, including a 110 room hotel. In addition to hotels, assisted living facilities continue to grow in the area. A recently constructed senior care facility was completed along with a major physical therapy center. Samaritan Hospice is constructing an inpatient hospice facility adjacent to the Virtua campus which will add to the “Medical Mile” as another key anchor for the corridor. As the medical facilities grow so do retail facilities along the corridor. New stores and restaurants continue to open.

The Comar Holding Company was awarded a tax incentive by the NJEDA in the amount of \$850,000 which is expected to create approximately 118 new jobs in the Township.

Winslow Township:

Over the past year, the Camden County Municipal Utilities Authority completed a \$50 million dollar construction project to provide 25 miles of sewer pipelines. This project has allowed the township to jumpstart new projects including a new 30,000 square foot CarMax used car super store to be located along Cross Keys road. In addition, new housing opportunities and retail projects have all gained momentum with the completion of the sewer project.

Other businesses which have been awarded tax incentives by the NJEDA in the Township include:

COUNTY DEBT INFORMATION

General Information

The State has enacted certain statutes regulating the authorization and issuance of debt by governmental units. The statutory gross debt must include all debt authorized plus all debt issued which remains outstanding. Debt, bonds or notes, which have been refunded, and payment for which is made from escrowed U.S. Treasury securities or other permitted investments, is considered defeased. However, any debt which is self-supporting or which is payable from other sources may be deducted from the statutory gross debt to arrive at the amount of statutory net debt. The statutory net debt figure is the amount used to determine whether a local governmental unit is within the limit of its statutory borrowing power.

Subject to certain exceptions, the County's debt incurring power is limited by State statute to 2.00% of the equalized valuation, determined annually by the State, of all taxable property within the County (see "-Statutory Borrowing Power" below). The County's general purpose bonds must be issued in serial form with the first principal payment to occur within one year of an issue's date and the final maturity not to exceed the weighted average useful life of the capital improvement(s) funded with the proceeds of such general purpose bonds. Subject to certain exceptions, general purpose bonds must be sold on a competitive bid basis and the amount bid for a bond issue may not exceed \$1,000 above or be less than the principal amount of a bond issue. Except in certain instances, refunding bonds may be sold, at public or private sale, with the approval of the New Jersey Local Finance Board (the "LFB"). Notes may be sold on a competitive, negotiated, or private sale basis for a period of one year, and may be renewed annually, but the final maturity may not exceed the first day of the fifth month immediately following the end of the tenth fiscal year following the original date of issuance.

Appropriation Not Required for Payments on Debt

It is not necessary to have an appropriation in order to release money for debt service on obligations. N.J.S.A. 40A:4-57 provides that "No officer, board, body or commission shall, during any fiscal year, expend money (except to pay notes, bonds or interest thereon), incur any liability, or enter into any contract which by its terms involves the expenditure of money for any purpose for which no appropriation is provided, or in excess of the amount appropriated for such purpose." N.J.S.A. 40A:2-4 provides that "The power and obligation of a local government unit to pay any and all bonds and notes issued by it pursuant to this Chapter, or any act of which this Chapter is a revision, shall be unlimited...."

Limitation on Tax Levy/Appropriations

Chapter 68 of the Pamphlet Laws of 1976 (N.J.S.A. 40A:4-45.1, et seq.), as amended and supplemented (the "CAP law"), imposes restrictions which limit the allowable increase in the County's tax levy/appropriations over the previous year's tax levy/appropriations to the lesser of 2.5% or the increase in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services as published by the United States Department of Commerce (the "Cost-of-Living Adjustment"). If the Cost-of-Living Adjustment is equal to or less than 2.5%, an increase up to 3.5% will be permitted upon adoption by the County of a resolution after public notice and a public hearing. This limitation does not apply to: (i) all debt service payments; (ii) the amount of revenue generated by the increase in valuations within the County based solely on applying the preceding year's County tax rate to the apportionment valuation of new construction or improvements within the County and such increase shall be levied in direct proportion to said valuation; (iii) capital expenditures funded by any source; (iv) an increase involving certain defined categories of emergency temporary appropriations as approved by the LFB in certain cases; (v) amounts required to be paid pursuant to any contract between the County and any political subdivision or public body in connection with the provision and/or financing of projects for

certain public purposes such as water, sewer, solid waste, parking, senior citizens' housing (subject to the review and approval of the LFB) or any similar purpose; or (vi) that portion of the County tax levy which represents funding to participate in any federal or State aid program and amounts received or to be received from federal, State or other funds in reimbursement for local expenditures.

Additionally, legislation constituting P.L. 2007, c.62, effective April 3, 2007, imposed a 4% cap on the tax levy of a municipality, county, fire district or solid waste collection district, with certain exceptions and subject to a number of adjustments. The exclusions from the limit include increases required to be raised for debt service and capital lease payments to county improvement authorities, increases to replace certain lost state aid, increases in certain pension contributions, increases in the reserve for uncollected taxes required for municipalities, and certain increases in health care costs over 4%. The LFB may approve waivers for certain extraordinary costs identified by statute and voters may approve increases over 4% not otherwise permitted by a vote of 60% of the voters voting on a public question.

Additionally, legislation constituting P.L. 2010, c.44, effective July 13, 2010, reduces the 4% cap on the tax of a municipality, county and school district to 2%, with certain exceptions, including increases required to be raised for debt service, for pension contributions and accrued liability for pension contributions in excess of 2%, for health care costs equal to that portion of the actual increase in total health care costs for the budget year that is in excess of 2% of the total health care costs in the prior year, subject to certain other limitations, and extraordinary costs incurred by a local unit directly related to a declared emergency. The voters may approve increases over 2% not otherwise permitted by a vote of a majority of the voters voting on a public question.

The CAP law does not limit the obligation of the County to levy *ad valorem* taxes upon all taxable real property within the jurisdiction of the County to pay debt service on its bonds or notes.

COUNTY LITIGATION

From time to time, the County is the subject of litigation initiated by plaintiffs seeking monetary judgments against the County. When the County is determined to be liable in such instances, the judgment against the County generally is paid from self-insurance funds and/or applicable liability insurance policies maintained by the County (see “County Insurance Programs” under the general heading “SUMMARY OF LABOR RELATIONS, BENEFITS AND INSURANCE” herein).

AUTHORITIES OF THE COUNTY

Under laws creating authorities, a local governmental unit may enter into a contract or agreement to borrow funds from an authority or, under a guaranty or deficiency type of agreement, guarantee debt service payments on debt issued by an authority. If a local governmental unit borrows funds from an authority, such borrowing is not included in a local governmental unit’s statutory gross debt. If a local governmental unit guarantees all or any part of an authority’s outstanding debt, the portion of debt service not payable from an authority’s revenues and which is guaranteed by a local governmental unit must be included in a local governmental unit’s statutory net debt amount.

The County has created three County-wide authorities: the Camden County Municipal Utilities Authority, The Camden County Improvement Authority and the Pollution Control Financing Authority of Camden County (collectively the “Authorities”). A description of each Authority and its respective outstanding debt is set forth below.

The following information applies to each of the Authorities and should be noted. None of the Authorities has the power to levy or collect taxes. The debt issued by any one of the Authorities is neither a debt nor a liability of the State, the County (except to the extent of any deficiency agreement or guaranty or other agreement), nor any other political subdivision of the State, except the respective Authority, and does not and shall not create or constitute any indebtedness of the State, the County (except to the extent of any deficiency agreement or guaranty or other agreement), or any other political subdivision of the State, except the respective Authority.

Camden County Municipal Utilities Authority

The Camden County Municipal Utilities Authority (“CCMUA”) is a public body corporate and politic of the State and was originally created as the Camden County Sewerage Authority (“Sewerage Authority”) by a resolution of the County adopted on December 5, 1967. The Sewerage Authority was reorganized in 1972 as a utilities authority and changed its name to the Camden County Municipal Utilities Authority pursuant to a resolution of the County adopted on April 13, 1972. The CCMUA operates under the supervision of nine commissioners who are appointed by the Board for five-year staggered terms. The County has entered into a deficiency agreement with the CCMUA (“Deficiency Agreement”) whereby the County is obligated to pay to the CCMUA any annual charges equal to any deficits in CCMUA revenues necessary to pay or provide for: (i) operation and maintenance expenses of the CCMUA’s regional sewer system, (ii) principal and interest payments on bonds and notes of the CCMUA in an aggregate principal amount not to exceed \$685,500,000, and (iii) the maintenance of reserves required under the bond resolution securing the CCMUA’s bonds and notes. The obligation of the County pursuant to the provisions of the Deficiency Agreement is a direct and general obligation of the County, and any annual charges are ultimately payable by the County from the levy of *ad valorem* taxes on all the taxable real property within the jurisdiction of the County in amounts sufficient to enable the County to meet its obligations under the Deficiency Agreement. ***To date, no payments have been required to be made by the County pursuant to the Deficiency Agreement.*** The County and the

CCMUA may agree to amend the Deficiency Agreement at any time to increase the obligations of the County thereunder.

The CCMUA owns and operates a sewage collection and treatment system which serves all County residents connected to local sewer collection systems. The CCMUA's system does not include the local sewage collection system of any CCMUA participant, but it owns and operates interceptor sewer lines connecting the local systems to the CCMUA's sewage treatment facilities.

The CCMUA is required to charge and collect service charges for the use of its facilities such that revenues of the CCMUA will at all times be adequate to pay all operating and maintenance expenses, including reserves, insurance, extensions and replacements, and to pay punctually the principal of and interest on any bonds and notes of the CCMUA and to maintain reserves and sinking funds therefor as may be required by the terms of any agreements with the holders thereof.

Total Debt Outstanding:				<u>\$ 210,044,157</u>

⁽¹⁾ On February 21, 1990, the CCMUA issued \$115,830,387 County Agreement Sewer Revenue Capital Appreciation Bonds, 1990 A Series and \$121,677,019 County Agreement Sewer Revenue Capital Appreciation Bonds, 1990 B Series. A majority of the proceeds were utilized to: refund or pay a portion of the principal of and interest on the 1987 Sewer Revenue Bonds and the New Jersey Environmental Infrastructure Trust Program Fund Loan Bonds; permanently finance certain projects through the redemption in whole of the \$109,000,000 1987 Bond Anticipation Notes; make a deposit in the Debt Service Reserve Fund; and pay the expenses incurred in connection with the issuance of the 1990 B Bonds, including the payment of a municipal bond insurance premium.

As security for the CCMUA's payment obligations on the 1990 A Bonds and the 1990 B Bonds, the bond resolution creates a senior lien on and grants a security interest in the gross revenue of the CCMUA, investment earnings and other cash receipts. Interest on the 1990 A Bonds and the 1990 B Bonds will not be paid semiannually, but only upon maturity or earlier acceleration (capital appreciation bonds). Such interest accrues from the date of issuance and compounds semiannually.

The amounts outstanding reflect carrying values as of December 31, 2016.

The Camden County Improvement Authority

The Camden County Improvement Authority ("CCIA") is a public body corporate and politic of the State and was created by a resolution of the Board, adopted on March 20, 1979. The CCIA operates under the supervision of five members who are appointed by the Board for five-year staggered terms. The following table identifies those CCIA transactions in which the payment of debt service is secured either by payments pursuant to a County lease or loan agreement and/or a County guaranty. The CCIA has undertaken other bond issues; however, repayment of the debt in those transactions is secured by sources other than the County.

The CCIA has never failed to make timely payment of the principal of and/or interest on any of the bonds, notes or obligations described below.

The County has never failed to make timely payment of any payment obligations due pursuant to an agreement with the CCIA and pledged by the CCIA as security for CCIA bonds. **The County has never been required to make a payment pursuant to its guaranty of CCIA bonds or notes.**

In addition to the CCIA bond transactions listed in the table above, on October 21, 2004, the County entered into an Intergovernmental Reimbursement Agreement (“Reimbursement Agreement”), by and between the County and the CCIA, pursuant to the terms of which the County agreed to satisfy in

their entirety the obligations of the CCIA to repay the principal of and interest on a loan in the original aggregate principal amount of \$1,000,000 advanced by the Delaware River Port Authority (“DRPA”) to the CCIA in 2006, in connection with a portion of the financing necessary to construct a boathouse facility (including, without limitation, a launching dock and a viewing gallery) located on the banks of the Cooper River along North Park Drive in the Township of Pennsauken. The repayment of the loan commences 39 months after the funds were released by the DRPA, payable in quarterly installments of \$15,197.04 over 23 years. Interest accrues at 2% beginning three years after the release of funds by the DRPA. Pursuant to the terms of the Reimbursement Agreement, the obligations of the County thereunder are subject to appropriation, by the Board, of the principal of and interest on the amounts due thereunder for such respective fiscal year, during the term of such Reimbursement Agreement.

Pollution Control Financing Authority of Camden County

Pursuant to the New Jersey Pollution Control Financing Law, constituting Chapter 376 of the Pamphlet Laws of 1973 of the State of New Jersey (N.J.S.A. 40:37C-1 et seq.), as amended and supplemented (“Pollution Control Law”), and the Solid Waste Management Act, constituting Chapter 39 of the Pamphlet Laws of 1970 of the State of New Jersey (N.J.S.A. 13:1E-1 et seq.), as amended and supplemented (“Solid Waste Management Act”), the State Legislature initiated a comprehensive statutory mechanism for the management of solid waste disposal in the State. Subsequently, as a result of certain rulings, the management of solid waste disposal within the State changed. See “The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit” below.

Acting pursuant to the Pollution Control Law, the Board established the Pollution Control Financing Authority of Camden County (“PCFA”) which implemented a County-wide solid waste disposal and resource recovery system, consisting of two primary components.

The first component is a 1,050 ton-per-day mass burn, waste-to-energy, facility, located in Camden City (“Resource Recovery Facility”). The Resource Recovery Facility was constructed and is owned and operated by Camden County Energy Recovery Associates, L.P. (“Partnership”), a New Jersey limited partnership. Prior to August 19, 2013, the general partner of the Partnership was a second-tier wholly-owned subsidiary of Foster Wheeler Ltd. On August 19, 2013, the prior general partner sold its partnership interest in the Partnership to a subsidiary of Covanta Energy Corporation.

Two solid waste franchises were granted by the New Jersey Department of Environmental Protection (“NJDEP”), which franchises, when granted, collectively required the disposal and processing of the municipal solid waste generated in each municipality within the County to occur at the Resource Recovery Facility and the Landfill (as hereinafter defined). The disposal and processing of the solid waste generates electrical energy, which is sold by the Partnership to an electric utility pursuant to a power purchase agreement. The second component is the Pennsauken Sanitary Landfill (“Landfill”) where disposal of bypass waste and residue from the operation of the Resource Recovery Facility and disposal of construction and demolition waste take place.

The Financing of the Solid Waste Management System of the County

In order to finance the infrastructure required to implement the County’s solid waste management system, including the construction of the Resource Recovery Facility, several series of bonds were previously issued by the PCFA, all of which have been fully amortized or paid. Accordingly, there are no remaining outstanding debt obligations of the PCFA related to the implementation of the County’s solid waste management system.

Notwithstanding the foregoing, the PCFA has specific ongoing reimbursement obligations pursuant to and in accordance with that certain Emergent Funding and Reimbursement Agreement, dated November 29, 2010, between the PCFA and the State, acting by and through the NJDEP (“Reimbursement Agreement”).

Pursuant to the Reimbursement Agreement, the PCFA was permitted to utilize certain unrestricted and restricted funds of the PCFA, and the State agreed to appropriate and provide certain monies to the PCFA, in an amount sufficient to pay the final principal payment and interest due on the PCFA's then-outstanding solid waste resource recovery revenue bonds ("Remaining Bond Payment"). Specifically, pursuant to the Reimbursement Agreement: (i) the PCFA utilized \$1,550,305.55 of available funds in its bond indenture accounts; (ii) the PCFA utilized \$3,449,694.45 of its unrestricted funds; (iii) the State provided \$2,100,000 in funds to the PCFA from funds made available pursuant to an appropriation in the Fiscal Year 2011 Appropriations Act; and (iv) pursuant to an administrative consent order executed by the Commissioner of the NJDEP, dated November 29, 2010, the PCFA was permitted to utilize \$10,106,062.50 from its Statutory Escrow Accounts ("Statutory Accounts") and \$8,000,000 from its Board of Public Utilities Closure Account ("BPU Closure Account" and together with the Statutory Accounts, the "Restricted PCFA Funds"), for the purpose of making the Remaining Bond Payment.

As a condition to the utilization of the Restricted PCFA Funds, the terms and provisions of the Reimbursement Agreement require the PCFA to provide annual reimbursement to the Restricted PCFA Funds of the amounts previously withdrawn, together with accrued interest thereon ("Total Reimbursement Amount"), in whole or in part, as applicable, by depositing certain available funds of the PCFA (including certain appropriations made by the State, if available) back into the PCFA Restricted Funds over a term of years ("NJDEP Reimbursement"). Specifically, the PCFA is required to include in its annual budget, beginning with its budget for fiscal year 2011, an amount equal to the "Estimated Net Available Funds" of the PCFA, which includes the estimated funds available for the reimbursement of the Restricted PCFA Funds, calculated as the estimated total annual gross receipts, revenues and proceeds estimated to be received by the PCFA from operations, dispositions or any other source, less all anticipated expenditures for such fiscal year, including, without limitation, all operating costs, payments on indebtedness, general and administrative expenses, and all reserves of the PCFA. On December 31 of such year, the PCFA is required to deposit into the Restricted PCFA Funds the actual amount of funds then available, together with any available appropriations made by the State to the PCFA in such year, for purposes of paying all or a portion of the Total Reimbursement Amount. Any amounts due and owing relative the Total Reimbursement Amount shall be carried over into the subsequent year until such time as the Total Reimbursement Amount is paid in full (anticipated within five (5) years from 2011).

The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit

On May 1, 1997, in Atlantic Coast Demolition & Recycling, Inc. v. Board of Chosen Freeholders of Atlantic County, 112 F.3d. 652 (3d Cir. 1997), the United States Court of Appeals for the Third Circuit held that New Jersey's solid waste management system unconstitutionally discriminates against out-of-state operators of waste disposal facilities and, therefore, violates the Commerce Clause of the United States Constitution. Certain parties in the Atlantic Coast litigation filed a petition for writ of certiorari with the United States Supreme Court seeking a review of the decision of the Third Circuit. On November 10, 1997, the United States Supreme Court denied the petition for writ of certiorari.

Based upon the Atlantic Coast decision, the method used to select and operate the Resource Recovery Facility and the Landfill as the facilities designated for the disposal of all of the solid waste generated by each municipality within the County appeared to unconstitutionally restrict interstate commerce.

On January 29, 1996, following an interim ruling in the Atlantic Coast case which invalidated regulatory flow control for certain construction and demolition waste ("C&D Waste"), the PCFA reduced tipping fees for C&D Waste delivered to the Landfill to a reduced market rate. On November 17, 1997, following the denial of certiorari by the United States Supreme Court in the Atlantic Coast case, the Partnership unilaterally reduced system tipping fees being collected by the Partnership at the Resource Recovery Facility to a level less than that imposed by the PCFA. This was a response by the Partnership to price competition and the resulting decrease in the volume of solid waste being delivered for processing at the Resource Recovery Facility. Since that time, tipping fees at the Resource Recovery

Facility have been reduced and/or increased to a market competitive rate in an effort to maximize operating revenues.

The Response of the County to the Atlantic Coast Decision

In an attempt to address, among other things, the structure of the County's solid waste management plan in the aftermath of the Atlantic Coast decision, on September 18, 1997, the Board adopted a resolution authorizing an amendment to the solid waste management plan of the County. The plan amendment is entitled "A Strategy for the Disposal of Solid Waste Generated Within the Camden County Solid Waste Management District and for the Satisfaction of Solid Waste Disposal Related Debt Obligations After the Implementation of the Atlantic Coast Court Decision" ("September 1997 Solid Waste Management Plan Amendment"). The September 1997 Solid Waste Management Plan Amendment directed that the PCFA procure disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. Further, the PCFA was directed to continue to aggregate its disposal and administrative costs and impose a unified tipping fee on all waste collected for disposal within the County.

On November 14, 1997, the Commissioner of the NJDEP issued a certification with respect to the September 1997 Solid Waste Management Plan Amendment of the County ("NJDEP Certification"). The NJDEP granted approval with regard to that aspect of the September 1997 Solid Waste Management Plan Amendment governing the procurement of disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. However, since the procurement process had not yet been completed, such NJDEP approval of this aspect of the September 1997 Solid Waste Management Plan Amendment was made contingent upon receipt by the NJDEP of a subsequent amendment or administrative action that documents the awarding of a nondiscriminatory bid contract(s).

Finally, the NJDEP determined to be unenforceable the establishment by the September 1997 Solid Waste Management Plan Amendment of flow control during the interim period between judicial abrogation of the then current disposal contracts and the completion of the procurement of new disposal capacity in a manner that does not discriminate against interstate commerce. The NJDEP has concluded that the lifting by the Third Circuit of the District Court's stay of the injunction against the enforcement of flow control precludes even this interim control of flow as anticipated by the September 1997 Solid Waste Management Plan Amendment.

For the purpose of responding to the remaining issues cited by the NJDEP Certification, on December 29, 1997, the Board adopted a resolution authorizing a further amendment to the solid waste management plan of the County. The plan amendment is entitled "A Modified Strategy for the Disposal of Solid Waste Generated within the Camden County Solid Waste Management District, Following the November 10, 1997 Implementation of the Atlantic Coast decision, and Following the New Jersey Department of Environmental Protection's Acceptance in Part, Rejection in Part and Remand in Part of Camden County Plan Amendment 81-9-97 Adopted September 18, 1997" ("December 1997 Solid Waste Management Plan Amendment"). In compliance with the NJDEP Certification, the December 1997 Solid Waste Management Plan Amendment deleted from the solid waste management plan of the County the establishment of flow control during the interim period between judicial abrogation of the disposal contracts and the completion of procurement of new disposal capacity in a manner that does not discriminate against interstate commerce.

The December 1997 Solid Waste Management Plan Amendment was submitted to the NJDEP for consideration of approval. On June 29, 1998, the Commissioner of the NJDEP issued a certification with respect to the December 1997 Solid Waste Management Plan Amendment. The NJDEP, among other things, (i) approved the deletion of the reference to the retention of regulatory flow control during the interim period prior to completion of nondiscriminatory procurement, and (ii) approved the inclusion of a strategy to complete a nondiscriminatory procurement process and to thereby regulate the flow of waste

as a market regulator (although the NJDEP stressed that separate approval of the actual results of such reprocurement will be required).

On December 5, 1997, the PCFA opened bids and proposals submitted with respect to the reprocurement by the PCFA of solid waste disposal services. For a period of time thereafter, the bids and proposals, as well as supplements thereto solicited by the PCFA during 2000, were considered by the PCFA and its professional advisors. During a portion of such period, the PCFA engaged in substantive negotiations with the Partnership, as one of the responding proposers, for the purpose of attempting to agree upon the final terms and conditions of a long-term solid waste services disposal agreement. Upon the completion of such process, the contract for the reprocurement of solid waste disposal services was awarded by the PCFA to the Partnership. Such contract between the PCFA and the Partnership (the "Reprocurement Agreement") was signed on July 25, 2001, and on such date such Reprocurement Agreement was submitted by the PCFA to the State for approval, in satisfaction of applicable statutory requirements. In response to the submission to the State by the PCFA, the State submitted questions to the PCFA via interrogatories. The PCFA responded to the interrogatories of the State on November 5, 2001 and has not received further communication from the State with regard to the Reprocurement Agreement. The period during which the State may approve or reject the Reprocurement Agreement has lapsed. The obligations of the PCFA and the Partnership pursuant to the terms of the Reprocurement Agreement were subject to the satisfaction of certain conditions precedent identified in the Reprocurement Agreement. Such conditions precedent were not satisfied by the specified date and, therefore, the Reprocurement Agreement has automatically terminated. No further reprocurement agreements were executed. The 1985 Service Agreement between the PCFA and the Partnership expired on July 1, 2011.

Proposed Dissolution of the PCFA

The County has preliminarily determined that the best interests of the residents of the County would be served by the dissolution of the PCFA to be accomplished pursuant to the requirements of the Local Authorities Fiscal Control Law, N.J.S.A. 40A:5A-1, et seq., as amended and supplemented ("Local Authorities Fiscal Control Law"), including N.J.S.A. 40A:5A-20. The County has also preliminarily determined that the dissolution of the PCFA could result in savings to the County by reducing overall costs by combining operations and providing services in a more efficient manner.

In connection with the proposed dissolution, the County, the PCFA and the CCIA have collectively preliminarily determined that it would be in the best interests of the residents of the County for the CCIA to: (i) upon dissolution, on a going-forward basis, assume the responsibility and otherwise provide for the payment of all creditors or obligees of the PCFA, (ii) assume ownership of the Landfill, and (iii) provide all of those services previously provided by the PCFA. On April 14, 2011, the Commissioners of the CCIA adopted a resolution preliminarily authorizing the CCIA, upon dissolution, on a going-forward basis, to assume responsibility and otherwise provide for the payment of all creditors and obligees of PCFA upon dissolution of PCFA and to assume ownership and operation of the Landfill ("CCIA Assumption Resolution").

Finally, the PCFA has preliminarily determined to voluntarily accede to the dissolution and to cooperate with the County and the CCIA in connection with the dissolution and transfer of the Landfill and other assets of the PCFA to CCIA. To that end, the PCFA adopted resolutions on March 22, 2011 and May 24, 2011, preliminarily authorizing the dissolution and the transfer of the PCFA's assets and liabilities to the CCIA.

Pursuant to Section 20 of the Local Authorities Fiscal Control Law, the PCFA may be dissolved by the County, subject to approval of the Local Finance Board. On May 19, 2011, the Board of Chosen Freeholders of the County introduced an ordinance authorizing the dissolution of the PCFA and making certain other determinations in connection therewith (“Dissolution Ordinance”). The Dissolution Ordinance provides, as a condition to dissolution, for the CCIA to provide, upon dissolution, on a going-forward basis, for the payment of all creditors and obligees of the PCFA (including the NJDEP). The CCIA Assumption Resolution provides for the CCIA, upon dissolution, on a going-forward basis, to be responsible for all of the PCFA’s outstanding obligations (including the NJDEP Reimbursement) and for the provision of all the services previously provided by the PCFA, including ownership and operation of the Landfill and to take possession of any and all assets and property (including real property), rights and privileges of the PCFA, including contract rights, permits, claims, defenses, causes of action, and all tangible and intangible interests.

In accordance with the Local Authorities Fiscal Control Law, the County and the CCIA may in the future complete an application to be submitted to the Local Finance Board seeking approval for the final adoption of the Dissolution Ordinance. As of the date hereof, however, no such application has been filed. If an application is made and approved by the Local Finance Board for the final adoption of the Dissolution Ordinance, the County, the PCFA and the CCIA shall undertake and complete all legal and procedural requirements necessary to effectuate the dissolution of the PCFA and the transfer of the PCFA’s assets and liabilities to the CCIA as described above. Additionally, upon determination to proceed with the filing of an application to the Local Finance Board, the PCFA and the CCIA shall undertake and complete all necessary procedural and legal requirements relative to the transfer of the Landfill and related assets to the CCIA upon dissolution of the PCFA.

Litigation Concerning the Pennsauken Sanitary Landfill

The PCFA acquired the Pennsauken Sanitary Landfill (“Landfill”) from the Township of Pennsauken (“Pennsauken”) and the Pennsauken Solid Waste Management Authority (“PSWMA”) in December 1991, pursuant to the provisions of the Amended and Restated Operations Transfer Agreement, dated October 11, 1991 (the “AROTA”), among the PCFA, the PSWMA, Pennsauken and the County. Prior to that time, the Landfill was operated by the PSWMA on land owned by Pennsauken. Since acquisition the PCFA has continued to operate the Landfill for disposal of bypass waste, residue from the operation of the Resource Recovery Facility, and the disposal of construction and demolition waste.

There are long-standing claims regarding the remediation of the contamination of the Landfill. The PSWMA executed an Administrative Consent Order (“ACO”) with the New Jersey Department of Environmental Protection in December 1988. The ACO obligated the PSWMA to remediate contamination caused by the Landfill. The PCFA assumed the remediation obligations of the PSWMA pursuant to the AROTA. The PCFA, PSWMA and Pennsauken were plaintiffs in ongoing litigation seeking the recovery of costs associated with remediation necessary pursuant to the ACO. Counterclaims were made against Pennsauken. Pennsauken was represented by counsel for one of its insurance carriers. Trial in this litigation commenced on January 20, 2009. By the end of the second day of trial, all claims in the litigation were settled in principle. The PCFA and some defendants continue to review and execute settlement agreements. Pursuant to the settlement agreements, all defendants have been given releases and indemnification protection by the PCFA and Pennsauken. Settlement documents with Ward Sand and Materials Company and James D. Morrissey, Inc. (the “Ward Sand parties”) (the prior landfill owner and operator) are in the process of being finalized. In the meantime, the Ward Sand parties have satisfied their payment obligations. Pursuant to the ACO, the PCFA is primarily responsible for the liability associated with the contamination at the Landfill either directly as a successor to the PSWMA under the ACO or indirectly through the indemnification provisions of the AROTA. In the event that the litigation settlement proceeds are not sufficient to remediate the contamination at the Landfill, Pennsauken could be potentially responsible pursuant to the indemnification provisions in the various settlement agreements. Additionally, it is possible that the County could be responsible for all or a portion of such liability under the AROTA. To date, \$15,603,370.29 in settlement proceeds have been collected from all of the settling

parties. Recent estimates project that the remediation cost to be approximately this amount or less. They are premised on the designed system accomplishing the remediation as presently designed. Design modifications could be necessary. Additionally, it is presently anticipated that the remediation can accomplish the desired goals in approximately 10-30 years. Contingencies could arise which could impact the design of the remediation system or the length of time in which it must be in operation. Therefore, it is impossible to determine at this time what the exact cost of the PCFA's remediation obligations will be. While it is impossible to estimate the likelihood of such an outcome, any such liability of the PCFA and/or the County could have a material adverse impact upon their respective financial conditions. In the event of a dissolution of the PCFA, any existing or potential liabilities of the PCFA would pass to the CCIA.

APPENDIX B

AUDITED FINANCIAL STATEMENTS OF THE COUNTY

INDEPENDENT AUDITOR'S REPORT

The Honorable Director and
Members of the County Board of Chosen Freeholders
County of Camden
Camden, New Jersey 08102

Report on the Financial Statements

We have audited the accompanying statements of assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the County of Camden, State of New Jersey, as of December 31, 2016 and 2015, and the related statements of operations and changes in fund balance - regulatory basis for the years then ended, and the related statement of revenues - regulatory basis, statement of expenditures - regulatory basis, and statement of general fixed asset group of accounts - regulatory basis for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in note 1 to the financial statements, the financial statements are prepared by the County on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

In our opinion, because of the significance of the matter discussed in the "*Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America*" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the County of Camden, State of New Jersey, as of December 31, 2016 and 2015, or the results of its operations and changes in fund balance for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to previously present fairly, in all material respects, the assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the County of Camden, State of New Jersey, as of December 31, 2016 and 2015, and the results of its operations and changes in fund balance - regulatory basis of such funds for the years then ended, and the revenues - regulatory basis and expenditures - regulatory basis of the various funds, and general fixed asset group of accounts - regulatory basis, for the year ended December 31, 2016, in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, as described in note 1.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The supplemental statements and schedules presented for the various funds, as listed in the table of contents, are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and are not a required part of the basic financial statements.

The supplemental statements and schedules presented for the various funds are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplemental statements and schedules described in the previous paragraph are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 12, 2017 on our consideration of the County of Camden's, State of New Jersey, internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County of Camden's internal control over financial reporting and compliance.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

The Honorable Director and
Members of the County Board of Chosen Freeholders
County of Camden
Camden, New Jersey 08102

We have audited, in accordance with the auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, of the County of Camden, State of New Jersey, as of and for the year ended December 31, 2016, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated July 12, 2017. That report indicated that the County of Camden's financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America, but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County of Camden's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County of Camden's internal control. Accordingly, we do not express an opinion on the effectiveness of the County of Camden's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County of Camden's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*, and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

COUNTY OF CAMDEN
Notes to Financial Statements
For the Year Ended December 31, 2016

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Description of Financial Reporting Entity - The County of Camden, formerly part of Gloucester County, was established in 1844. The County, approximately 222 square miles in area, is in the southwestern part of the State of New Jersey along the east bank of the Delaware River opposite Philadelphia, Pennsylvania. The counties of Burlington, Atlantic and Gloucester border the County on, respectively the northeast, southeast and southwest, with the Delaware River forming the western border of the County.

The County operates under the freeholder form of government. The Board of Chosen Freeholders consists of seven freeholder members elected at-large for three-year terms on a staggered basis. Each year, the board elects one of the Freeholders to serve as Freeholder Director. The Freehold Director appoints Freeholders to be in charge of various committees. The Board, operating through the committee system, is charged with both executive and legislative responsibilities for: (1) formulating policies; (2) developing new programs; (3) appointing members of the various County commissions, authorities and boards; (4) approving the County's operating and capital budgets; and (5) appropriating the funds required from the thirty-seven municipal subdivisions of the County to maintain all County services.

The County Administrator, appointed by the Board, oversees the daily governmental operations. Each major department is headed by an administrator who acts as liaison to the Freeholder overseeing such department's operations. Financial matters are under the supervision of the County's Chief Financial Officer.

Component Units - The financial statements of the component units of the County of Camden are not presented in accordance with Governmental Accounting Standards Board Statement No. 14, *The Financial Reporting Entity*, as amended by GASB Statement No. 39, *Determining Whether Certain Organizations are Component Units*, and GASB Statement No. 61, *The Financial Reporting Entity: Omnibus - an amendment of GASB Statements No. 14 and No. 34*. If the provisions of GASBS No. 14, as amended by GASBS No. 39 and GASBS No. 61, had been complied with, the financial statements of the following component units would have been either blended or discretely presented with the financial statements of the County, the primary government:

Measurement Focus, Basis of Accounting and Financial Statement Presentation - The financial statements of the County of Camden contain all funds and account groups in accordance with the *Requirements of Audit ("Requirements")* as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the *Requirements* are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these *Requirements*. In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this note.

In accordance with the *Requirements*, the County of Camden accounts for its financial transactions through the use of separate funds which are described as follows:

Current Fund - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

Trust Funds - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

General Fixed Asset Group of Accounts - The general fixed asset group of accounts is utilized to account for property, land, buildings, and equipment that have been acquired by other governmental funds.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Budgets and Budgetary Accounting - The County of Camden must adopt an annual budget in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the County to introduce and approve the annual budget no later than January 26 of each year. At introduction, the County shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the county. The public hearing must not be held less than eighteen days after the date the budget was introduced. After the hearing has been held, the County may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the County's financial statements.

Cash, Cash Equivalents and Investments - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost; therefore, unrealized gains or losses on investments have not been recorded.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the Governmental Units.

The cash management plan adopted by the County of Camden requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

Interfunds - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Inventories of Supplies - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

General Fixed Assets - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Part 200, §200.12), except that the useful life of such property is at least five years. The County has adopted a capitalization threshold of \$5,000, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at acquisition value as of the date of the transaction. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The County is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a statement of general fixed asset group of accounts, reflecting the activity for the year, must be included in the County's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that include accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage or theft.

Deferred Charges - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Fund Balance - Fund Balance included in the current fund represents amounts available for anticipation as revenue in future years budgets, with certain restrictions.

Revenues - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from Federal and State grants are realized when anticipated as such in the County's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the County's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due to the County which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

Property Tax Revenues - Every municipality in the county is responsible for levying, collecting and remitting county taxes for the County of Camden. Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1 and are due and payable to the County of Camden by February 15, May 15, August 15, and November 15. Operations for every municipality are charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations for every municipality are charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal and interest payments on outstanding general capital debt are provided on the cash basis.

Appropriation Reserves - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as income.

Long-Term Debt - Long-Term Debt, relative to the acquisition of capital assets, is recorded as a liability in the General Capital Fund.

Compensated Absences and Postemployment Benefits - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: **CASH AND CASH EQUIVALENTS**

Custodial Credit Risk Related to Deposits - Custodial credit risk is the risk that, in the event of a bank failure, the County's deposits might not be recovered. Although the County does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000.00 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the County in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings, bail funds, or funds that may pass to the County relative to the happening of a future condition. Such funds are shown as Uninsured and Uncollateralized as noted below.

As of December 31, 2016, of the County's bank balance of \$203,925,469.08, \$4,656,508.77 was uninsured and uncollateralized.

General Capital Fund	3,484,651.50	
	<u>\$91,936,015.04</u>	<u>\$91,936,015.04</u>

The interfund receivables and payables above predominately resulted from payments made by certain funds on behalf of other funds. During 2017, the County expects to liquidate such interfunds, depending upon the availability of cash flow.

Note 6: PENSION PLANS

A substantial number of the County's employees participate in one of the following defined benefit pension plans: the Public Employees' Retirement System ("PERS") and the Police and Firemen's Retirement System ("PFRS"), which are administered by the New Jersey Division of Pensions and Benefits. In addition, several County employees participate in the Defined Contribution Retirement Program ("DCRP"), which is a defined contribution pension plan. This plan is administered by Prudential Financial for the New Jersey Division of Pensions and Benefits. Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

General Information about the Pension Plans**Plan Descriptions**

Public Employees' Retirement System - The Public Employees' Retirement System is a cost-sharing multiple-employer defined benefit pension plan which was established as of January 1, 1955, under the provisions of N.J.S.A. 43:15A. The PERS's designated purpose is to provide retirement, death, disability and medical benefits to certain qualified members. Membership in the PERS is mandatory for substantially all full-time employees of the County, provided the employee is not required to be a member of another state-administered retirement system or other state pensions fund or local jurisdiction's pension fund. The PERS's Board of Trustees is primarily responsible for the administration of the PERS.

Police and Firemen's Retirement System - The Police and Firemen's Retirement System is a cost-sharing multiple-employer defined benefit pension plan which was established as of July 1, 1944, under the provisions of N.J.S.A. 43:16A. The PFRS's designated purpose is to provide retirement, death, disability and medical benefits to certain qualified members. Membership in the PFRS is mandatory for substantially all full-time police and firemen of the County. The PFRS's Board of Trustees is primarily responsible for the administration of the PFRS.

Defined Contribution Retirement Program - The Defined Contribution Retirement Program is a multiple-employer defined contribution pension fund established on July 1, 2007 under the provisions of Chapter 92, P.L. 2007, and Chapter 103, P.L. 2007 (N.J.S.A. 43:15C-1 et. seq.). The DCRP is a tax-qualified defined contribution money purchase pension plan under Internal Revenue Code (IRC) § 401(a) et seq., and is a "governmental plan" within the meaning of IRC § 414(d). The DCRP provides retirement benefits for eligible employees and their beneficiaries. Individuals covered under DCRP are employees enrolled in PERS on or after July 1, 2007, who earn salary in excess of established "maximum compensation" limits; employees enrolled in PFRS after May 21, 2010, who earn salary in excess of established "maximum compensation" limits; employees otherwise eligible to enroll in PERS on or after November 2, 2008, who do not earn the minimum annual salary for tier 3 enrollment but who earn salary of at least \$5,000.00 annually; and employees otherwise eligible to enroll in PERS after May 21, 2010 who do not work the minimum number of hours per week required for tiers 4 or 5 enrollment, but who earn salary of at least \$5,000.00 annually.

Note 6: **PENSION PLANS (CONT'D)****General Information about the Pension Plans (Cont'd)****Vesting and Benefit Provisions**

Public Employees' Retirement System - The vesting and benefit provisions are set by N.J.S.A. 43:15A. The PERS provides retirement, death and disability benefits. All benefits vest after ten years of service, except for medical benefits, which vest after 25 years of service or under the disability provisions of the PERS.

The following represents the membership tiers for PERS:

Tier Definition

- 1 Members who were enrolled prior to July 1, 2007
- 2 Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
- 3 Members who were eligible to enroll on or after November 2, 2008 and prior to May 21, 2010
- 4 Members who were eligible to enroll after May 21, 2010 and prior to June 28, 2011
- 5 Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65. Early retirement benefits are available to tiers 1 and 2 members before reaching age 60, tiers 3 and 4 before age 62 with 25 or more years of service credit and tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month that a member retires prior to the age at which a member can receive full early retirement benefits in accordance with their respective tier. Tier 1 members can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least ten years of service credit and have not reached the service retirement age for the respective tier.

Police and Firemen's Retirement System - The vesting and benefit provisions are set by N.J.S.A. 43:16A. The PFRS provides retirement, death and disability benefits. All benefits vest after ten years of service, except disability benefits, which vest after four years of service.

The following represents the membership tiers for PFRS:

Tier Definition

- 1 Members who were enrolled prior to May 22, 2010
- 2 Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
- 3 Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits are available at age 55 and are generally determined to be 2% of final compensation for each year of creditable service, as defined, up to 30 years plus 1% for each year of service in excess of 30 years. Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tiers 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

Note 6: **PENSION PLANS (CONT'D)****General Information about the Pension Plans (Cont'd)****Vesting and Benefit Provisions (Cont'd)**

Defined Contribution Retirement Program - Eligible members are provided with a defined contribution retirement plan intended to qualify for favorable Federal income tax treatment under IRC Section 401(a), a noncontributory group life insurance plan and a noncontributory group disability benefit plan. A participant's interest in that portion of his or her defined contribution retirement plan account attributable to employee contributions shall immediately become and shall at all times remain fully vested and nonforfeitable. A participant's interest in that portion of his or her defined contribution retirement plan account attributable to employer contributions shall be vested and nonforfeitable on the date the participant commences the second year of employment or upon his or her attainment of age 65, while employed by an employer, whichever occurs first.

Contributions

Public Employees' Retirement System - The contribution policy is set by N.J.S.A. 43:15A and requires contributions by active members and contributing employers. Members contribute at a uniform rate. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate increased from 5.5% of annual compensation to 6.5% plus an additional 1% phased-in over seven years beginning in July 2012. The member contribution rate was 6.92% in State fiscal year 2015. The phase-in of the additional incremental member contribution rate takes place in July of each subsequent State fiscal year. The rate for members who are eligible for the Prosecutors Part of PERS (Chapter 366, P.L. 2001) increased from 8.5% of base salary to 10%. Employers' contributions are based on an actuarially determined amount which includes the normal cost and unfunded accrued liability.

The County's contractually required contribution rate for the year ended December 31, 2016 was 12.11% of the County's covered payroll. This amount was actuarially determined as the amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year, including an additional amount to finance any unfunded accrued liability. Based on the most recent PERS measurement date of June 30, 2016, the County's contractually required contribution to the pension plan for the year ended December 31, 2016 is \$7,037,137.00, and is payable by April 1, 2017. Due to the basis of accounting described in note 1, no liability has been recorded in the financial statements for this amount. Based on the PERS measurement date of June 30, 2015, the County's contractually required contribution to the pension plan for the year ended December 31, 2015 was \$6,734,112.00, which was paid on April 1, 2016. Employee contributions to the plan during the year ended December 31, 2016 were \$4,359,368.25.

Police and Firemen's Retirement System - The contribution policy is set by N.J.S.A. 43:16A and requires contributions by active members and contributing employers. Pursuant to the provisions of Chapter 78, P.L. 2011, the active member contribution rate increased from 8.5% to 10.0% in October 2011. Employers' contributions are based on an actuarially determined amount which includes the normal cost and unfunded accrued liability.

Note 6: **PENSION PLANS (CONT'D)****General Information about the Pension Plans (Cont'd)****Contributions (Cont'd)**

Police and Firemen's Retirement System (Cont'd) - Special Funding Situation Component - Under N.J.S.A. 43:16A-15, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. The legislation which legally obligates the State is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on behalf of the local participating employers under this legislation is considered to be a *special funding situation* as defined by GASB Statement No. 68, and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly to the plan (except for employer specific financed amounts), there is no net pension liability or deferred outflows or inflows to disclose in the notes to the financial statements of the local participating employers related to this legislation.

The County's contractually required contribution rate for the year ended December 31, 2016 was 26.35% of the County's covered payroll. This amount was actuarially determined as the amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability.

Based on the most recent PFRS measurement date of June 30, 2016, the County's contractually required contribution to the pension plan for the year ended December 31, 2016 is \$15,155,538.00, and is payable by April 1, 2017. Due to the basis of accounting described in note 1, no liability has been recorded in the financial statements for this amount. Based on the PFRS measurement date of June 30, 2015, the County's contractually required contribution to the pension plan for the year ended December 31, 2015 was \$14,364,550.00, which was paid on April 1, 2016. Employee contributions to the plan during the year ended December 31, 2016 were \$5,883,738.29.

The amount of contractually required contribution for the State of New Jersey's proportionate share, associated with the County, for the year ended December 31, 2016 was 1.99% of the County's covered payroll. Based on the most recent PFRS measurement date of June 30, 2016, the State's contractually required contribution, on-behalf of the County, to the pension plan for the year ended December 31, 2016 is \$1,142,528.00 and is payable by April 1, 2017. Based on the PFRS measurement date of June 30, 2015, the State's contractually required contribution, on-behalf of the County, to the pension plan for the year ended December 31, 2015 was \$1,343,730.00, which was paid on April 1, 2016.

Defined Contribution Retirement Program - The contribution policy is set by N.J.S.A. 43:15C-3 and requires contributions by active members and contributing employers. In accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. In addition to the employee contributions, the County contributes 3% of the employees' base salary, for each pay period, to Prudential Financial not later than the fifth business day after the date on which the employee is paid for that pay period.

For the year ended December 31, 2016, employee contributions totaled \$167,751.32, and the County's matching contributions were \$86,980.34. There were forfeitures of \$4,518.11 during the year.

Note 6: **PENSION PLANS (CONT'D)****Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**

Public Employees' Retirement System - At December 31, 2016, the County's proportionate share of the PERS net pension liability was \$234,605,105. The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2015. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2016. The County's proportion of the net pension liability was based on a projection of the County's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. For the June 30, 2016 measurement date, the County's proportion was 0.7921263532%, which was an increase of 0.0088457728% from its proportion measured as of June 30, 2015.

At December 31, 2016, the County's proportionate share of the PERS pension expense, calculated by the plan as of the June 30, 2016 measurement date is \$24,000,810. This expense is not recognized by the County because of the regulatory basis of accounting as described in note 1; however, as previously mentioned, for the year ended December 31, 2016, the County's contribution to PERS was \$6,734,112, and was paid on April 1, 2016.

Police and Firemen's Retirement System - At December 31, 2016, the County's and State of New Jersey's proportionate share of the PFRS net pension liability were as follows:

County's Proportionate Share of Net Pension Liability	\$355,078,044.00
State of New Jersey's Proportionate Share of Net Pension Liability Associated with the County	<u>29,817,749.00</u>
	<u>\$384,895,793.00</u>

The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2015. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2016. The County's proportion of the net pension liability was based on a projection of the County's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers and the State of New Jersey, actuarially determined. For the June 30, 2016 measurement date, the County's proportion was 1.8587984127%, which was an increase of 0.0916168804% from its proportion measured as of June 30, 2015. Likewise, at June 30, 2016, the State of New Jersey's proportion, on-behalf of the County, was 1.8587984127%, which was an increase of 0.0916168804% from its proportion, on-behalf of the County, measured as of June 30, 2015.

At December 31, 2016, the County's proportionate share of the PFRS pension expense, calculated by the plan as of the June 30, 2016 measurement date is \$52,584,515. This expense is not recognized by the County because of the regulatory basis of accounting as described in note 1; however, as previously mentioned, for the year ended December 31, 2016, the County's contribution to PFRS was \$14,364,550, and was paid on April 1, 2016.

At December 31, 2016, the State's proportionate share of the PFRS pension expense, associated with the County, calculated by the plan as of the June 30, 2016 measurement date is \$3,808,430. This on-behalf expense is not recognized by the County because of the regulatory basis of accounting as described in note 1.

Note 6: **PENSION PLANS (CONT'D)****Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Cont'd)**

Deferred Outflows of Resources and Deferred Inflows of Resources - At December 31, 2016, the County had deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<u>Deferred Outflows of Resources</u>			<u>Deferred Inflows of Resources</u>		
	<u>PERS</u>	<u>PFRS</u>	<u>Total</u>	<u>PERS</u>	<u>PFRS</u>	<u>Total</u>

\$3,518,569 and \$7,577,769 for PERS and PFRS, respectively, included in deferred outflows of resources, will be included as a reduction of the net pension liability in the year ending December 31, 2017. These amounts were based on an estimated April 1, 2018 contractually required contribution, prorated from the pension plans measurement date of June 30, 2016 to the County's year end of December 31, 2016.

Note 6: **PENSION PLANS (CONT'D)****Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (Cont'd)**

Deferred Outflows of Resources and Deferred Inflows of Resources (Cont'd) - The County will amortize the above other deferred outflow of resources and deferred inflows of resources related to pensions over the following number of years:

Actuarial Assumptions

The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2015. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2016. This actuarial valuation used the following actuarial assumptions, applied to all periods included in the measurement:

	<u>PERS</u>	<u>PFRS</u>
Inflation	3.08%	3.08%
Salary Increases:		
Through 2026	1.65% - 4.15% Based on Age	2.10% - 8.98% Based on Age
Thereafter	2.65% - 5.15% Based on Age	3.10% - 9.98% Based on Age
Investment Rate of Return	7.65%	7.65%
Mortality Rate Table	RP-2000	RP-2000
Period of Actuarial Experience		
Study upon which Actuarial Assumptions were Based	July 1, 2011 - June 30, 2014	July 1, 2010 - June 30, 2013

Note 6: **PENSION PLANS (CONT'D)**

Actuarial Assumptions (Cont'd)

For PERS, pre-retirement mortality rates were based on the RP-2000 Employee Preretirement Mortality Table for male and female active participants. Mortality tables are set back 2 years for males and 7 years for females. In addition, the tables provide for future improvements in mortality from the base year of 2013 using a generational approach based on the plan actuary's modified MP-2014 projection scale. Post-retirement mortality rates were based on the RP-2000 Combined Healthy Male and Female Mortality Tables (set back 1 year for males and females) for service retirements and beneficiaries of former members and a one-year static projection based on mortality improvement Scale AA. In addition, the tables for service retirements and beneficiaries of former members provide for future improvements in mortality from the base year of 2013 using a generational approach based on the plan actuary's modified MP-2014 projection scale. Disability retirement rates used to value disabled retirees were based on the RP-2000 Disabled Mortality Table (set back 3 years for males and set forward 1 year for females).

For PFRS, pre-retirement mortality rates were based on the RP-2000 Pre-Retirement mortality tables projected thirteen years using Projection Scale BB and then projected on a generational basis using the plan actuary's modified 2014 projection scales. Post-retirement mortality rates for male service retirements and beneficiaries are based the RP-2000 Combined Healthy Mortality Tables projected one year using Projection Scale AA and two years using the plan actuary's modified 2014 projection scales, which was further projected on a generational basis using the plan actuary's modified 2014 projection scales. Postretirement mortality rates for female service retirements and beneficiaries were based the RP-2000 Combined Healthy Mortality Tables projected thirteen years using Projection Scale BB and then two years using the plan actuary's modified 2014 projection scales, which was further projected on a generational basis using the plan actuary's modified 2014 projection scales. Disability mortality rates were based on special mortality tables used for the period after disability retirement.

For PERS and PFRS, in accordance with State statute, the long-term expected rate of return on plan investments (7.65% at June 30, 2016) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in PERS's and PFRS's target asset allocation as of June 30, 2016 are summarized in the following table:

Discount Rate - The discount rate used to measure the total pension liability at June 30, 2016 was 3.98% for PERS and 5.55% for PFRS. For both PERS and PFRS, the respective single blended discount rates were based on the long-term expected rate of return on pension plan investments of 7.65%, and a municipal bond rate of 2.85% as of June 30, 2016, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rates assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be made based on the contribution rate in the most recent fiscal year. The State employer contributed 30% of the actuarially determined contributions and the local employers contributed 100% of their actuarially determined contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2034 for PERS and through 2050 for PFRS. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments through 2034 for PERS and through 2050 for PFRS, and the municipal bond rate was applied to projected benefit payments after that date in determining the total pension liabilities.

Note 6: **PENSION PLANS (CONT'D)****Sensitivity of County's Proportionate Share of Net Pension Liability to Changes in the Discount Rate**

Public Employees' Retirement System (PERS) - The following presents the County's proportionate share of the net pension liability at June 30, 2016, the plans measurement date, calculated using a discount rate of 3.98%, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rates used:

	PERS		
	1% Decrease (2.98%)	Current Discount Rate (3.98%)	1% Increase (4.98%)

Police and Firemen's Retirement System (PFRS) - As previously mentioned, PFRS has a special funding situation, where the State of New Jersey pays a portion of the County's annual required contribution. As such, the net pension liability as of June 30, 2016, the plans measurement date, for the County and the State of New Jersey, calculated using a discount rate of 5.55%, as well as using a discount rate that is 1% lower or 1% higher than the current rates used is as follows:

	PFRS		
	1% Decrease (4.55%)	Current Discount Rate (5.55%)	1% Increase (6.55%)
County's Proportionate Share of the Net Pension Liability	\$457,847,102.00	\$355,078,044.00	\$271,276,059.00

Pension Plan Fiduciary Net Position

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the respective fiduciary net position of the PERS and PFRS and additions to/deductions from PERS and PFRS' respective fiduciary net position have been determined on the same basis as they are reported by PERS and PFRS. Accordingly, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. For additional information about PERS and PFRS, please refer to the plan's Comprehensive Annual Financial Report (CAFR) which can be found at www.nj.gov/treasury/pensions.

Changes in Benefit Terms - None

Changes in Assumptions - For 2016, the discount rate changed to 3.98%, the long-term expected rate of return changed to 7.65%, demographic assumptions were revised in accordance with the results of the July 1, 2011 - June 30, 2014 experience study and the mortality improvement scale incorporated the plan actuary's modified MP-2014 projection scale. Further, salary increases were assumed to increase between 1.65% and 4.15% (based on age) through fiscal year 2026 and 2.65% and 5.15% (based on age) for each fiscal year thereafter. For 2015, the discount rate changed to 4.90%. In addition, the social security wage base was set at \$118,500 for 2015, increasing 4.00% per annum, compounded annually and the 401(a)(17) pay limit was set at \$265,000 for 2015, increasing 3.00% per annum, compounded annually. For 2014, the discount rate was 5.39%.

Changes in Benefit Terms - None

Changes in Assumptions - For 2016, the discount rate changed to 5.55%, the long-term expected rate of return changed to 7.65%, and the mortality improvement scale incorporated the plan actuary's modified 2014 projection scale. Further, salary increases were assumed to increase between 2.10% and 8.98% (based on age) through fiscal year 2026 and 3.10% and 9.98% (based on age) for each fiscal year thereafter. For 2015, the discount rate changed to 5.79% and demographic assumptions were revised in accordance with the results of the July 1, 2010 - June 30, 2013 experience study. For 2014, the discount rate was 6.32%.

Other Pension Plans

In addition, the County has a pension plan known as "The Detectives', Sheriff Officers' and Probation Officers' Pension Plan" which is not actuarially funded by the County. Accordingly, actuarial valuations are not prepared; however, the County has a direct pension liability extending over the lives of the beneficiaries and their spouses. Employees hired after November 30, 1963 were not eligible to join the plan. The plan balance at December 31, 2016 was \$145,193.31 (Exhibit SB-8) and the related contributions for the year then ended totaled \$152,090.00.

Legislation enacted in 1991 and 1993 made early retirement available through Early Retirement Incentive (ERI) Programs. A number of County employees took advantage of these programs. The County, on March 1, 2003, issued refunding bonds in the amount of \$9,525,000.00 to pay the present value of the early retirement incentive program liability for plan 1, to provide an economic saving to the County. On May 1, 2013, the County issued refunding bonds in the amount of \$5,825,000.00 to provide additional savings by early refunding the March 1, 2003 issue.

Note 7: COMPENSATED ABSENCES

County employees are entitled to paid sick leave each year. The various Union contracts and or years of service define the number of sick leave days that can be earned. Accumulated sick leave may be carried forward until retirement. Unused sick benefits may be paid upon retirement. Union contracts define which employees are entitled to receive compensation for unused sick leave and the rate of pay at which they will be paid.

Unused vacation days for the year may be accumulated and carried forward up to a maximum of one year allowed vacation time.

All full time union employees are entitled to time off (Comp-Time) in lieu of receiving pay for overtime worked at the rate of one and one half hours for every hour worked.

Unused Comp-Time may be accumulated and carried forward indefinitely and upon termination or retirement must be paid in full at the employees' current rate of pay.

The County has established a Compensated Absences Trust Fund to set aside funds for future payments of compensated absences. At year end the balance of the fund was \$987,704.94. It is estimated that at December 31, all accrued time is valued at \$11,567,394.00 which is a net decrease of \$499,578.09 from last year.

Note 8: DEFERRED COMPENSATION SALARY ACCOUNT

The County offers its eligible employees two Deferred Compensation Plans in accordance with Internal Revenue Code Section 457, which have been approved by the Division of Local Government Services. The first plan is a contributory plan available to all eligible employees at their option. The second plan is a contributory plan available only to employees who work for Camden County One Stop and are not eligible to join the PERS system. These plans permit the employees to defer a portion of their salaries to future years. The amounts so deferred are not available to the employees until termination, retirement, death or unforeseeable emergency.

The County also offers the employees of Camden County One Stop, a non-contributory Variable Defined Contribution Plan in order to give those employees who cannot belong to the PERS system benefits similar to the other employees. This plan consists of contributions made by the employer on behalf of the employees at the same rate as if they were members of the PERS system. The contributions are not vested until the fifth year of participation.

All deferred compensation plan assets, including those deferred under Section 457, must be held in trust for the exclusive benefit of participating employees and not be accessible by the County or its creditors. Since the County does not have a fiduciary relationship with any of these Plans, the balances and activities of the Plans are not reported in the County's financial statements.

Note 9: POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS

Plan Description – The County Freeholders approved leaving the State Health Benefit Plan effective December 1, 2015 and created the County's defined benefit postemployment healthcare plan, the Camden County Postemployment Benefits Plan (the "County Plan"), which allows employees retiring with twenty-five (25) or more years of service with Camden County and/or affiliated organizations and twenty-five (25) or more years of service credit in a state or locally administered retirement system, and employees retiring on an accidental disability pension, to receive fully paid health and prescription benefits. The County Plan also allows employees retiring at age 62 or older with at least fifteen (15) years of service with Camden County and/or affiliated organizations; or retiring with at least ten (10) years of service with Camden County and/or affiliated organizations and twenty-five (25) or more years of service credit in a state or locally administered retirement system; or retiring on an ordinary disability pension, to receive health and prescription benefits subject to a variety of co-pays based on years of service and respective retirement system.

The County Plan is a single-employer postemployment healthcare plan administered by the County. The benefit provisions of the plans that participate may be established or amended by the respective employer entities; for the County Plan that authority rests with the Board of Chosen Freeholders. The plan does not issue a separate financial report.

Funding Policy - The contribution requirement of the County is established by policy of the Board of Chosen Freeholders and reflected in the various union contracts. The Board may amend its policy, subject to contract inclusion, as deemed necessary. The required contribution is based on projected pay-as-you-go financing requirements.

Retirees - The County presently funds its current retiree postemployment benefit costs on a "pay-as-you-go" basis and as shown above, receives monthly contributions from retirees to offset a portion of the cost. For the years 2014 and through November 2015, the County contributed \$13,830,764.47 and \$14,213,364.50, respectively to the State Health Benefit Plan and contributed \$1,614,693.84 in December 2015 and \$19,813,575.48 in 2016 to the County plan for current premiums. Various factors, as stipulated in employee contracts, dictate whether plan members are required to make contributions to the plan.

Future Retirees - In accordance with Statement No. 45 of the Governmental Accounting Standards Board, the County is required to disclose the *annual required contribution of the employer (ARC)*, an amount actuarially determined in accordance with the parameters of Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty (30) years. The ARC includes the costs of both current and future retirees. The current ARC was determined to be \$57,538,257.55 at an unfunded discount rate of 4.0%. As stated above, the County has funded the cost of existing retirees in the amount of \$19,813,575.48, and has incurred the benefit costs for future eligible employees, but has not yet begun funding this outstanding liability.

Annual OPEB Cost - The County's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years.

Note 9: **POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**

Annual OPEB Cost (cont'd) - The following table shows the components of the County's annual OPEB cost for the year, the amount actually contributed to the Plan, and changes in the County's net OPEB obligation to the Plan:

	<u>2016</u>	<u>2015</u>
Annual Required Contribution (ARC)	\$ 57,538,257.55	\$ 4,794,854.80

Percentage of Annual OPEB Cost Contributed	35.0%	33.7%

Funded Status and Funding Progress - The funded status of the plan as of the past actuarial valuation date is as follows:

	<u>2015</u>
Actuarial Accrued Liability (AAL)	\$ 697,662,791.86
Actuarial Value of Plan Assets	<hr/> -
Unfunded Actuarial Accrued Liability (UAAL)	<u>\$ 697,662,791.86</u>
Funded Ratio (Actuarial Value of Plan Assets / AAL)	0%
Covered Payroll (Active Plan Members)	\$ 100,082,114.00
UAAL as a Percentage of Covered Payroll	697.1%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

Note 9: **POST EMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**

Actuarial Methods and Assumptions - The projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the December 2015 actuarial valuation, the projected unit credit actuarial cost method was used. Under this method, an actuarial accrued liability is determined as the actuarial present value of the portion of projected benefits which is allocated to service before the current plan year. In addition, a normal cost is determined as the actuarial present value of the portion of projected benefits which is allocated to service in the current plan year for each active participant under the assumed retirement age. The UAAL is being amortized (straight-line) for thirty (30) years on an open basis. The actuarial assumptions included the following:

- *Mortality.* RP 2006 Combined Healthy Male/Female Mortality Rates with fully generational projection
- *Turnover.* NJ State Pensions Ultimate Withdrawal Rates - prior to benefits eligibility.
- *Assumed Retirement Age.* at first eligibility after completing 15 years of service.
- *Full Attribution Period.* service to assumed retirement age.
- *Annual Discount Rate.* Future costs have been discounted at the rate of 4.0% compounded annually for GASB 45 purposes.
- *Rates of Retirement, Rates of Withdrawal, and Rates of Disability.* The tables used to value the Public Employees' Retirement System of New Jersey - Local liability and the Police and Firemen's Retirement System of New Jersey.
- *Medical Trend.* For pre-Medicare PPO medical benefits, this amount initially is 5.95% and decreases to a 5.0% long-term trend rate after ten years. For post-65 PPO medical benefits, the trend rate is 4.5%. For HMO medical benefits, the trend rate is initially 5.95% and decreases to a 5.0% long-term trend rate after ten years. For prescription drug benefits, the initial trend rate is 10.75% decreasing to a 5.0% long-term trend rate after nine years.
- *Medical Cost Aging Factor.* 3.0% grading to 0.0% by 90+ years of age for medical and 4.8% grading to 0.0% by 90+ years of age for prescription.
- *Retiree Contributions.* 4.50% grading to 35.0% for single coverage and 3.43% grading to 35.0% for family coverage of the annual premium coverage is required from eligible retirees.

Note 12: **CAPITAL DEBT REFUNDING/PRIOR YEAR DEFEASANCE OF DEBT**

During 2016, the County refunded the following issues:

On May 26, 2016, the County guaranteed Loan Revenue Refunding bonds issued in the amount of \$23,615,000 by the Camden County Improvement Authority with interest rates between 2.00% and 5.00%. The Loan Revenue Refunding bonds were issued to advance refund \$8,595,000 of County outstanding 2007 Lease Revenue bonds and \$16,545,000 of County outstanding 2008 Lease Revenue bonds. Present value savings for both issues combined was \$2,788,846.

Also on June 28, 2016, the County issued refunding bonds in the amount of \$2,600,000 with interest rates between 2.00% and 5.00%. The Refunding bonds were issued to advance refund \$2,415,000 of County outstanding 2008 General Obligation Revenue bonds. Present value savings was \$120,379.

In prior years, the County defeased certain general obligation bonds by placing the proceeds of new bonds in an irrevocable trust to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the County's financial statements. On December 31, 2016, \$85,510,000 of bonds outstanding are considered defeased.

Note 13: **INMATE WELFARE FUND**

The Camden County Prisoners' Welfare Fund accounts for the receipt and disbursement of funds for prisoners' welfare operations of a general nature, including the accounting for inmates' deposits and commissary functions. Each inmate is charged a user fee of \$35 at the time of admission into the facility. Additionally, after the first week of served time, each inmate's account is charged \$5 rent per day. The Welfare Fund accounts for inmates' wages earned by performing various work functions throughout the correctional facility and charges to inmates for medical visits. The inmate's account is credited at \$1.25 per day for work performed.

The latest audit report for the Inmate Welfare Fund, as of December 31, 2008, indicates a balance due and payable to the County of Camden in the amount of \$1,159,053.32. The balance due is comprised of the user fee, as defined in the preceding paragraph, the medical co-pay inmates are charged for medical visits and the salaries of employees assigned to inmate welfare duties.

The County of Camden financial records do not include a receivable to match the Inmate Welfare Fund payable because the County has deemed the receivable as uncollectible. Future payments from the Inmate Welfare Fund will be recorded as revenue when received.

The County realized revenue as follows:

<u>Year</u>	<u>Revenue Realized</u>
2016	\$250,000.00
2015	250,000.00
2014	250,000.00
2013	250,000.00
2012	250,000.00
2011	250,000.00
2010	500,000.00
2009	800,000.00

Note 14: **RESERVE FOR INTEREST REBATE**

The Tax Reform Act of 1986 placed restrictions on the investments of the proceeds of certain tax-exempt bonds issued after December 31, 1986. Specifically, investment earnings which are above arbitrage bond yield are required to be rebated to the United States Treasury Department within sixty days of the end of the fifth bond year. A bond year is defined, at the option of the issuing entity, as either the date of the first anniversary of bond settlement or the issuing entity's fiscal year end.

The County established a reserve account in 1989, in case a rebate payment was required. At December 31, 2016 the County has a reserve balance of \$88,600.05. The County may need to establish additional reserves to fund any actual rebate liability, should the amount exceed the current reserve at the time a final calculation is performed to determine the actual rebate liability.

The amount of contingent liability for rebate may change as a result of future events. Therefore, any potential rebate liability is only an estimate and is not required to be paid or accrued at December 31, 2016.

Note 15: **RISK MANAGEMENT/JOINT INSURANCE POOLS**

The County is partially self-insured for Medical and Prescription Drug coverages, Property Damage, Automobile/General Liability, Crime and Workers' Compensation, with excess insurance on all coverages. The County and its boards, agencies, authorities and commissions presently purchase insurance or self-insure against risks of damage to persons or property of third parties, workers' compensation claims and claims against public officials through the Camden County Insurance Commission (the "Commission"), established on January 21, 2010, by Board resolution pursuant to N.J.S.A. 40A:10-6. The Commission is governed by three County officials who serve as commissioners and are appointed by the Board. Excess insurance is managed by the New Jersey Counties Excess Joint Insurance Fund, established in March 2010.

The Fund provides its members with the following coverage:

Workers' Compensation and Employer's Liability	Motor Vehicles
Liability other than Motor Vehicles	Environmental Impairment Liability
Property Damage other than Motor Vehicles	

Through membership in the New Jersey Counties Excess Joint Insurance Fund, the County receives the following ancillary insurance coverage:

Public Officials Liability/Employment Practices Liability	Medical Professional Liability
Crime	Employed Lawyers Liability
Pollution Liability	

Contributions to the Fund, are due and payable annually and are based on actuarial assumptions determined by the Fund's actuary. The County's agreement with the pool provides that the pool will be self-sustaining through member premiums and has the following lines of coverage for each insured event as noted as follows:

<u>Type of Coverage</u>	<u>Self-Insured Deductible Amount</u>	<u>Liability Amount</u>	<u>Insurance Company for Reinsurance</u>	<u>Administrator of Plan</u>
Property Damage	\$100,000	Replacement Value up to \$260,000,000	Zurich American Insurance Co. RSUI	
Automobile and General Liability, Law Enforcement Liability	5,000 Per Occurrence	20,000,000 Per Occurrence	Underwriters at Lloyds STARR Indemnity Company	CompServices, Inc.
Workers' Compensation	5,000 each Accident	Statutory	Wesco Insurance Company Safety Nationals Casualty Company	CompServices, Inc.
Public Official/Employee Liability	250,000 Per Claim	10,000,000 Per Claim ⁽⁴⁾	Lexington	
Employee Dishonesty	50,000 Per Claim	4,000,000 per Occurrence	Westchester Fire Insurance Co. (ACE)	
Healthcare Professional Liability	5,000 Per Claim	21,000,000	Lexington	
Pollution Legal Liability	25,000 Each Pollution Event	10,000,000 each Pollution Event	Zurich American Insurance Co.	

NOTE: All primary policy aggregate limits are shared by each member entity of the Commission. The excess policy aggregate limit is shared by the Commission and its member entities.

Note 15: RISK MANAGEMENT/JOINT INSURANCE POOLS (CONT'D)

The Funds publish financial reports which can be obtained from the County finance office.

The County also maintains the following self-insurance balances:

The balance in the Reserve for Workers' Compensation Insurance Trust Fund was \$1,931,012.17 at December 31, 2016. The County maintains commercial excess coverage for claim amounts.

The balance of the Reserve for General Liability Insurance was \$8,987,844.11 at December 31, 2016. During 2010 the County joined the New Jersey Counties Excess Joint Insurance Fund to cover claims for general liability. The reserve at year end is available to pay claims.

The balance of the Reserve for Health Benefits Trust Fund was \$19,296,455.59 at December 31, 2016.

The management of the County believes that the above reserves are adequate to meet the needs of the County for the coming year and any additional funding required for claims in excess of the trust fund's reserves will be paid and charged to future budgets.

There have been no settlements that exceed the County's coverage for years ended December 31, 2016, 2015, and 2014.

Note 16: COUNTY GUARANTEES**Authorities of the County**

The County has created three countywide authorities, the Camden County Municipal Utility Authority, the Camden County Improvement Authority and the Pollution Control Financing Authority of Camden County.

The following information applies to each of the Authorities and should be noted: none of the Authorities have the power to levy or collect taxes. The debt issued by any one of the Authorities is neither a debt nor a liability of the State, the County (except to the extent of any deficiency agreement or guarantee), nor any political subdivision of the State, except the respective Authorities.

Camden County Municipal Utilities Authority

The Camden County Municipal Utilities Authority ("CCMUA") is a public body politic and corporate of the State of New Jersey and was originally created as the Camden County Sewerage Authority ("Sewerage Authority") by a resolution of the County Board of Chosen Freeholders ("County Board") adopted December 5, 1967. The Sewerage Authority was reorganized in 1972 as a utilities authority and changed its name to the Camden County Municipal Utilities Authority pursuant to a resolution of the County Board adopted April 13, 1972. The CCMUA operates under the supervision of nine commissioners who are appointed by the County Board for five year staggered terms. The County has entered into a Deficiency Agreement with the CCMUA ("Deficiency Agreement") whereby the County is obligated to pay to the CCMUA any annual charges equal to any deficits in CCMUA revenues necessary to pay or provide for (i) operation and maintenance expenses of the CCMUA's regional sewer system, (ii) principal and interest payments on bonds and notes of the CCMUA in an aggregate principal amount not to exceed \$685,500,000 and (iii) the maintenance of reserves required under the Bond Resolution securing the CCMUA's bonds and notes. The obligation of the County, pursuant to the provisions of the Deficiency Agreement, is a direct and general obligation of the County, and any annual charges are ultimately payable by the County to meet its obligations under the Deficiency Agreement. To date, no payments have been required to be made by the County pursuant to the Deficiency Agreement. The County and the CCMUA may agree to amend the Deficiency Agreement at any time to increase the obligation of the County thereunder.

Note 16: **COUNTY GUARANTEES (CONT'D)****Camden County Municipal Utilities Authority (Cont'd)**

The CCMUA owns and operates a sewerage collection and treatment system, which serves all County residents, connected to local sewer collection systems. The CCMUA's system does not include the local sewerage collection system of any CCMUA participant, but it owns and operates interceptor sewer lines connecting the local systems to the CCMUA's sewage treatment facilities.

The CCMUA is required to charge and collect service charges for the use of its facilities such that revenues of the CCMUA will at all times be adequate to pay all operating and maintenance expenses, including reserves, insurance, extensions and replacements, and to pay punctually the principal of and interest on any bonds and notes, and to maintain reserves and sinking funds therefore as may be required by the terms of any agreements with the holders thereof.

The CCMUA's debt at December 31, 2016 was \$210,044,157. The County guarantee is limited to \$685,500,000.

Camden County Improvement Authority

The Camden County Improvement Authority ("CCIA") is a public body corporate and politic of the State of New Jersey and was created by a resolution of the County Board of Chosen Freeholders ("the County Board"). The CCIA operates under the supervision of a five member Board who are appointed for five year staggered terms by the County Board. The CCIA has from time to time issued its revenue bonds for projects involving the County and for which the County has a repayment obligation or guaranty.

(1) On August 28, 2003, the CCIA issued \$35,000,000 of County Guaranteed Bond Anticipation Notes, Series 2003. The notes, issued for the purpose of financing certain initial costs of the Crossroads Redevelopment Projects to be constructed in the Township of Pennsauken, were renewed for one year on July 17, 2013 in the amount of \$20,315,000. Upon the notes coming due in 2014, permanent financing was issued. On June 26, 2014 loan revenue bonds were issued in the amount of \$21,000,000.

(2) On October 21, 2004, the CCIA signed a promissory note agreement with the Delaware River Port Authority in the amount of \$1,000,000 for the Cooper River Boathouse project. Subsequently, the CCIA and the County entered into an intergovernmental reimbursement agreement for this note as an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) below.

(3) On December 17, 2007, the CCIA issued \$14,340,000 of County Guaranteed Revenue Bonds, Series 2007. This project is an extension of the 1992 County Lease Program ("Lease Revenue Bonds") to finance construction of various improvements ("Improvements") to existing facilities owned by the County and acquisition of various equipment ("Equipment") for use by the County. The CCIA will lease certain land and the existing improvements thereon (collectively, the "Existing Property") from the County pursuant to a Ground Lease between the County and the CCIA, and the CCIA will then lease the Existing Property, together with the Improvements and Equipment, to the County pursuant to a Lease Purchase Agreement between the CCIA and the County. The Lease Revenue Bonds are payable from, among other things, the basic lease payments to be made by the County under the Lease Purchase Agreement. The Lease Revenue Bonds are also secured by the provisions of a County Guaranty pursuant to which the County has unconditionally guaranteed the payment of the principal of and interest on the Lease Revenue Bonds. This loan was partially refunded during 2016.

Note 16: COUNTY GUARANTEES (CONT'D)

(4) On June 24, 2008, the CCIA issued \$6,000,000 of County Guaranteed Revenue Bonds, Series 2008 for capital improvements to Camden County College. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those listed in paragraph three (3) above. This issue was partially refunded during 2016.

(5) On December 4, 2008, the CCIA issued \$32,070,000 of County Guaranteed Revenue Bonds, Series 2008. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above. This issue was partially refunded during 2016.

(6) On December 2, 2009, the CCIA issued \$21,110,000 of County Guaranteed Revenue Bonds, Series A. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

(7) On December 29, 2010, the CCIA issued \$17,100,000 of County Guaranteed Loan Revenue Bonds, Series A of 2010. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

(8) On November 24, 2010, the CCIA issued \$25,000,000 of County Guaranteed Revenue Bonds. This project is for various improvements to the Camden County College including Phase I and Phase II improvements.

(9) On January 15, 2011, the CCIA issued \$26,565,000 of County Guaranteed Loan Revenue Bonds, Series 2011. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

(10) On September 15, 2011, the CCIA issued \$5,905,000 of County Guaranteed Revenue Refunding Bonds, Series 2011A to advance refund the Series 2002A bonds.

(11) On September 15, 2011, the CCIA issued \$5,750,000 of County Guaranteed Lease Revenue Refunding Bonds, Series 2011 to advance refund the Series 2002 College bonds.

(12) On August 8, 2012, the CCIA issued \$7,830,000 of County Guaranteed Lease Revenue Bonds, Series 2012. This project is to finance the costs of acquisition and installation of certain energy savings equipment constituting Energy Conservation Measures as part of the Energy Savings Improvement Program being undertaken by the Camden County Technical School.

(13) On September 27, 2012, the CCIA issued \$18,225,000 of County Guaranteed Revenue Refunding Bonds, Series 2012A to advance refund the Series 2003B bonds and a portion of the Series 2004A bonds.

(14) On April 18, 2012, the CCIA issued \$16,255,000 of County Guaranteed Open Space Trust Fund Revenue Refunding Bonds, Series 2012 to advance refund the Series 2003 Open Space Trust Fund Revenue bonds.

(15) On November 5, 2012, the CCIA issued \$5,485,000 of County Guaranteed Loan Revenue Bonds, Series A of 2012. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

(16) On November 5, 2012, the CCIA issued \$2,440,000 of County Guaranteed Taxable Loan Revenue Bonds, Series B of 2012. This issue is to permanently finance the Clementon Redevelopment Project.

Note 16: COUNTY GUARANTEES (CONT'D)

(17) On November 20, 2012, the CCIA issued \$7,265,000 of County Guaranteed Open Space Trust Fund Revenue Bonds, Series A of 2012. This project is for the purpose of financing the acquisition of various parcels of real property or interests therein and any improvements located thereon for the purpose of providing open space, farmland and historical and recreational preservation areas throughout the County.

(18) On March 3, 2014, the CCIA issued \$12,795,000 of County Guaranteed Revenue Bonds. This project is for various improvements to the Camden County College campus.

(19) On November 26, 2013, the CCIA issued \$38,200,000 of County Guaranteed Loan Revenue Bonds, Series A of 2013. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

(20) On December 10, 2014, the CCIA issued \$14,605,000 of County Guaranteed Loan Revenue Bonds, Series A of 2014. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

(21) On October 10, 2014, the CCIA issued \$18,980,000 of County Guaranteed Lease Revenue Refunding Bonds, Series A of 2014 to advance refund the Series 2005B bonds.

(22) On June 18, 2015, the CCIA issued \$14,655,000 of County Guaranteed Lease Revenue Refunding Bonds, Series 2015 to advance refund the Series 2006 bonds for the Camden County College Project.

(23) On June 18, 2015, the CCIA issued \$12,895,000 of County Guaranteed Lease Revenue Refunding Bonds, Series A of 2015 to advance refund the Series 2006A bonds.

(24) On December 23, 2015, the CCIA issued \$39,240,000 of County Guaranteed Loan Revenue Bonds, Series A of 2015. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above. The CCIA also issued \$17,375,000 of County Guaranteed Loan Revenue Refunding Bonds, Series B of 2015 to currently refund the Series 2005A refunding bonds.

(25) On June 9, 2016, the CCIA issued \$23,615,000 of County Guaranteed Loan Revenue Refunding Bonds, Series A of 2016 to advance refund portions of the Series 2007 and Series 2008 bonds.

(26) On November 17, 2016, the CCIA issued \$59,235,000 of County Guaranteed Loan Revenue Bonds, Series 2016. This project is an extension of the 1992 County Lease Program and the structure and arrangements are essentially the same as those discussed in paragraph three (3) above.

In addition to the above projects, the County has provided a guaranty for the payment of principal and interest on \$1,520,000 of County Guaranteed Revenue Bonds, The Battleship of New Jersey Project, Series 2015 and \$5,000,000 of County Guaranteed Revenue Bonds, Camden Stadium Project, Series 2015. These issues are to be paid by sources other than County, but have a County guaranty.

The CCIA has never failed to make a timely payment of the principal of and/or interest on any of the Bonds described above.

Note 17: **COUNTY RECEIVABLES**

On July 15, 1993, the CCIA issued \$2,140,000.00 Revenue Bonds, Series 1993 C, dated July 1, 1993 (the "1993 C Bonds"). The 1993 C Bonds were issued to provide funds to purchase a general obligation bond of the County of Camden (the "1993 County Bond"), which in turn was issued to provide funds to loan the City of Camden Redevelopment Agency as part of an overall plan to redevelop the City's downtown area. The 1993 C Bonds are payable from payments to be received by the CCIA from the County on the 1993 County Bond.

As stated above, the 1993 C Bonds are payable from payments to be received by the CCIA from the County on the County Bonds. The Loan to the City of Camden Redevelopment Agency was secured by a Note totaling \$114,260.00. The note matured December 2003 and had an interest rate of 7.10%. The accumulated interest on the note as of December 31, 2003 is \$18,268.23.

Note 18: CONTINGENT LIABILITIES**Pollution Control Financing Authority of Camden County**

Pursuant to the New Jersey Pollution Control Financing Law, constituting Chapter 376 of the Pamphlet Laws of 1973 of the State of New Jersey (N.J.S.A. 40:37C-1 et seq.), as amended and supplemented ("Pollution Control Law"), and the Solid Waste Management Act, constituting Chapter 39 of the Pamphlet Laws of 1970 of the State of New Jersey (N.J.S.A. 13:1E-1 et seq.), as amended and supplemented ("Solid Waste Management Act"), the State Legislature initiated a comprehensive statutory mechanism for the management of solid waste disposal in the State. Subsequently, as a result of certain rulings, the management of solid waste disposal within the State changed. See "The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit" below.

Acting pursuant to the Pollution Control Law, the Board established the Pollution Control Financing Authority of Camden County ("PCFA") which implemented a County-wide solid waste disposal and resource recovery system, consisting of two primary components.

The first component is a 1,050 ton-per-day mass burn, waste-to-energy, facility, located in Camden City ("Resource Recovery Facility"). The Resource Recovery Facility was constructed and is owned and operated by Camden County Energy Recovery Associates, L.P. ("Partnership"), a New Jersey limited partnership. Prior to August 19, 2013, the general partner of the Partnership was a second-tier wholly-owned subsidiary of Foster Wheeler Ltd. On August 19, 2013, the prior general partner sold its partnership interest in the Partnership to a subsidiary of Covanta Energy Corporation.

Two solid waste franchises were granted by the New Jersey Department of Environmental Protection ("NJDEP"), which franchises, when granted, collectively required the disposal and processing of the municipal solid waste generated in each municipality within the County to occur at the Resource Recovery Facility and the Landfill (as hereinafter defined). The disposal and processing of the solid waste generates electrical energy, which is sold by the Partnership to an electric utility pursuant to a power purchase agreement. The second component is the Pennsauken Sanitary Landfill ("Landfill") where disposal of bypass waste and residue from the operation of the Resource Recovery Facility and disposal of construction and demolition waste take place.

The Financing of the Solid Waste Management System of the County

In order to finance the infrastructure required to implement the County's solid waste management system, including the construction of the Resource Recovery Facility, several series of bonds were previously issued by the PCFA, all of which have been fully amortized or paid. Accordingly, there are no remaining outstanding debt obligations of the PCFA related to the implementation of the County's solid waste management system.

Notwithstanding the foregoing, the PCFA has specific ongoing reimbursement obligations pursuant to and in accordance with that certain Emergent Funding and Reimbursement Agreement, dated November 29, 2010, between the PCFA and the State, acting by and through the NJDEP ("Reimbursement Agreement").

Pursuant to the Reimbursement Agreement, the PCFA was permitted to utilize certain unrestricted and restricted funds of the PCFA, and the State agreed to appropriate and provide certain monies to the PCFA, in an amount sufficient to pay the final principal payment and interest due on the PCFA's then-outstanding solid waste resource recovery revenue bonds ("Remaining Bond Payment"). Specifically, pursuant to the Reimbursement Agreement: (i) the PCFA utilized \$1,550,305.55 of available funds in its bond indenture accounts; (ii) the PCFA utilized \$3,449,694.45 of its unrestricted funds; (iii) the State provided \$2,100,000 in funds to the PCFA from funds made available pursuant to an appropriation in the Fiscal Year 2011 Appropriations Act; and (iv) pursuant to an administrative consent order executed by the Commissioner of the NJDEP, dated November 29, 2010, the PCFA was permitted to utilize \$10,106,062.50 from its Statutory Escrow Accounts ("Statutory Accounts") and \$8,000,000 from its Board of Public Utilities Closure Account ("BPU Closure Account" and together with the Statutory Accounts, the "Restricted PCFA Funds"), for the purpose of making the Remaining Bond Payment.

The Financing of the Solid Waste Management System of the County (Cont'd)

As a condition to the utilization of the Restricted PCFA Funds, the terms and provisions of the Reimbursement Agreement require the PCFA to provide annual reimbursement to the Restricted PCFA Funds of the amounts previously withdrawn, together with accrued interest thereon ("Total Reimbursement Amount"), in whole or in part, as applicable, by depositing certain available funds of the PCFA (including certain appropriations made by the State, if available) back into the PCFA Restricted Funds over a term of years ("NJDEP Reimbursement"). Specifically, the PCFA is required to include in its annual budget, beginning with its budget for fiscal year 2011, an amount equal to the "Estimated Net Available Funds" of the PCFA, which includes the estimated funds available for the reimbursement of the Restricted PCFA Funds, calculated as the estimated total annual gross receipts, revenues and proceeds estimated to be received by the PCFA from operations, dispositions or any other source, less all anticipated expenditures for such fiscal year, including, without limitation, all operating costs, payments on indebtedness, general and administrative expenses, and all reserves of the PCFA. On December 31 of such year, the PCFA is required to deposit into the Restricted PCFA Funds the actual amount of funds then available, together with any available appropriations made by the State to the PCFA in such year, for purposes of paying all or a portion of the Total Reimbursement Amount. Any amounts due and owing relative the Total Reimbursement Amount shall be carried over into the subsequent year until such time as the Total Reimbursement Amount is paid in full (anticipated within five (5) years from 2011).

The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit

On May 1, 1997, in Atlantic Coast Demolition & Recycling, Inc. v. Board of Chosen Freeholders of Atlantic County, 112 F.3d. 652 (3d Cir. 1997), the United States Court of Appeals for the Third Circuit held that New Jersey's solid waste management system unconstitutionally discriminates against out-of-state operators of waste disposal facilities and, therefore, violates the Commerce Clause of the United States Constitution. Certain parties in the Atlantic Coast litigation filed a petition for writ of certiorari with the United States Supreme Court seeking a review of the decision of the Third Circuit. On November 10, 1997, the United States Supreme Court denied the petition for writ of certiorari.

Based upon the Atlantic Coast decision, the method used to select and operate the Resource Recovery Facility and the Landfill as the facilities designated for the disposal of all of the solid waste generated by each county within the County appeared to unconstitutionally restrict interstate commerce.

On January 29, 1996, following an interim ruling in the Atlantic Coast case which invalidated regulatory flow control for certain construction and demolition waste ("C&D Waste"), the PCFA reduced tipping fees for C&D Waste delivered to the Landfill to a reduced market rate. On November 17, 1997, following the denial of certiorari by the United States Supreme Court in the Atlantic Coast case, the Partnership unilaterally reduced system tipping fees being collected by the Partnership at the Resource Recovery Facility to a level less than that imposed by the PCFA. This was a response by the Partnership to price competition and the resulting decrease in the volume of solid waste being delivered for processing at the Resource Recovery Facility. Since that time, tipping fees at the Resource Recovery Facility have been reduced and/or increased to a market competitive rate in an effort to maximize operating revenues.

Note 18: CONTINGENT LIABILITIES (CONT'D)**Pollution Control Financing Authority of Camden County (Cont'd)****The Response of the County to the Atlantic Coast Decision**

In an attempt to address, among other things, the structure of the County's solid waste management plan in the aftermath of the Atlantic Coast decision, on September 18, 1997, the Board adopted a resolution authorizing an amendment to the solid waste management plan of the County. The plan amendment is entitled "A Strategy for the Disposal of Solid Waste Generated Within the Camden County Solid Waste Management District and for the Satisfaction of Solid Waste Disposal Related Debt Obligations After the Implementation of the Atlantic Coast Court Decision" ("September 1997 Solid Waste Management Plan Amendment"). The September 1997 Solid Waste Management Plan Amendment directed that the PCFA procure disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. Further, the PCFA was directed to continue to aggregate its disposal and administrative costs and impose a unified tipping fee on all waste collected for disposal within the County.

On November 14, 1997, the Commissioner of the NJDEP issued a certification with respect to the September 1997 Solid Waste Management Plan Amendment of the County ("NJDEP Certification"). The NJDEP granted approval with regard to that aspect of the September 1997 Solid Waste Management Plan Amendment governing the procurement of disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. However, since the procurement process had not yet been completed, such NJDEP approval of this aspect of the September 1997 Solid Waste Management Plan Amendment was made contingent upon receipt by the NJDEP of a subsequent amendment or administrative action that documents the awarding of a nondiscriminatory bid contract(s).

Finally, the NJDEP determined to be unenforceable the establishment by the September 1997 Solid Waste Management Plan Amendment of flow control during the interim period between judicial abrogation of the then current disposal contracts and the completion of the procurement of new disposal capacity in a manner that does not discriminate against interstate commerce. The NJDEP has concluded that the lifting by the Third Circuit of the District Court's stay of the injunction against the enforcement of flow control precludes even this interim control of flow as anticipated by the September 1997 Solid Waste Management Plan Amendment.

For the purpose of responding to the remaining issues cited by the NJDEP Certification, on December 29, 1997, the Board adopted a resolution authorizing a further amendment to the solid waste management plan of the County. The plan amendment is entitled "A Modified Strategy for the Disposal of Solid Waste Generated within the Camden County Solid Waste Management District, Following the November 10, 1997 Implementation of the Atlantic Coast decision, and Following the New Jersey Department of Environmental Protection's Acceptance in Part, Rejection in Part and Remand in Part of Camden County Plan Amendment 81-9-97 Adopted September 18, 1997" ("December 1997 Solid Waste Management Plan Amendment"). In compliance with the NJDEP Certification, the December 1997 Solid Waste Management Plan Amendment deleted from the solid waste management plan of the County the establishment of flow control during the interim period between judicial abrogation of the disposal contracts and the completion of procurement of new disposal capacity in a manner that does not discriminate against interstate commerce.

The December 1997 Solid Waste Management Plan Amendment was submitted to the NJDEP for consideration of approval. On June 29, 1998, the Commissioner of the NJDEP issued a certification with respect to the December 1997 Solid Waste Management Plan Amendment. The NJDEP, among other things, (i) approved the deletion of the reference to the retention of regulatory flow control during the interim period prior to completion of nondiscriminatory procurement, and (ii) approved the inclusion of a strategy to complete a nondiscriminatory procurement process and to thereby regulate the flow of waste as a market regulator (although the NJDEP stressed that separate approval of the actual results of such procurement will be required).

Note 18: CONTINGENT LIABILITIES (CONT'D)**Pollution Control Financing Authority of Camden County (Cont'd)**

On December 5, 1997, the PCFA opened bids and proposals submitted with respect to the reprocurement by the PCFA of solid waste disposal services. For a period of time thereafter, the bids and proposals, as well as supplements thereto solicited by the PCFA during 2000, were considered by the PCFA and its professional advisors. During a portion of such period, the PCFA engaged in substantive negotiations with the Partnership, as one of the responding proposers, for the purpose of attempting to agree upon the final terms and conditions of a long-term solid waste services disposal agreement. Upon the completion of such process, the contract for the reprocurement of solid waste disposal services was awarded by the PCFA to the Partnership. Such contract between the PCFA and the Partnership (the "Reprocurement Agreement") was signed on July 25, 2001, and on such date such Reprocurement Agreement was submitted by the PCFA to the State for approval, in satisfaction of applicable statutory requirements. In response to the submission to the State by the PCFA, the State submitted questions to the PCFA via interrogatories. The PCFA responded to the interrogatories of the State on November 5, 2001 and has not received further communication from the State with regard to the Reprocurement Agreement. The period during which the State may approve or reject the Reprocurement Agreement has lapsed. The obligations of the PCFA and the Partnership pursuant to the terms of the Reprocurement Agreement were subject to the satisfaction of certain conditions precedent identified in the Reprocurement Agreement. Such conditions precedent were not satisfied by the specified date and, therefore, the Reprocurement Agreement has automatically terminated. No further reprocurement agreements were executed. The 1985 Service Agreement between the PCFA and the Partnership expired on July 1, 2011.

Proposed Dissolution of the PCFA

The County has preliminarily determined that the best interests of the residents of the County would be served by the dissolution of the PCFA to be accomplished pursuant to the requirements of the Local Authorities Fiscal Control Law, N.J.S.A. 40A:5A-1, et seq., as amended and supplemented ("Local Authorities Fiscal Control Law"), including N.J.S.A. 40A:5A-20. The County has also preliminarily determined that the dissolution of the PCFA could result in savings to the County by reducing overall costs by combining operations and providing services in a more efficient manner.

In connection with the proposed dissolution, the County, the PCFA and the CCIA have collectively preliminarily determined that it would be in the best interests of the residents of the County for the CCIA to: (i) upon dissolution, on a going-forward basis, assume the responsibility and otherwise provide for the payment of all creditors or obligees of the PCFA, (ii) assume ownership of the Landfill, and (iii) provide all of those services previously provided by the PCFA. On April 14, 2011, the Commissioners of the CCIA adopted a resolution preliminarily authorizing the CCIA, upon dissolution, on a going-forward basis, to assume responsibility and otherwise provide for the payment of all creditors and obligees of PCFA upon dissolution of PCFA and to assume ownership and operation of the Landfill ("CCIA Assumption Resolution").

Finally, the PCFA has preliminarily determined to voluntarily accede to the dissolution and to cooperate with the County and the CCIA in connection with the dissolution and transfer of the Landfill and other assets of the PCFA to CCIA. To that end, the PCFA adopted resolutions on March 22, 2011 and May 24, 2011, preliminarily authorizing the dissolution and the transfer of the PCFA's assets and liabilities to the CCIA.

Note 18: CONTINGENT LIABILITIES (CONT'D)**Pollution Control Financing Authority of Camden County (Cont'd)**

Pursuant to Section 20 of the Local Authorities Fiscal Control Law, the PCFA may be dissolved by the County, subject to approval of the Local Finance Board. On May 19, 2011, the Board of Chosen Freeholders of the County introduced an ordinance authorizing the dissolution of the PCFA and making certain other determinations in connection therewith ("Dissolution Ordinance"). The Dissolution Ordinance provides, as a condition to dissolution, for the CCIA to provide, upon dissolution, on a going-forward basis, for the payment of all creditors and obligees of the PCFA (including the NJDEP). The CCIA Assumption Resolution provides for the CCIA, upon dissolution, on a going-forward basis, to be responsible for all of the PCFA's outstanding obligations (including the NJDEP Reimbursement) and for the provision of all the services previously provided by the PCFA, including ownership and operation of the Landfill and to take possession of any and all assets and property (including real property), rights and privileges of the PCFA, including contract rights, permits, claims, defenses, causes of action, and all tangible and intangible interests.

In accordance with the Local Authorities Fiscal Control Law, the County and the CCIA are in the process of completing an application to be submitted to the Local Finance Board seeking approval for the final adoption of the Dissolution Ordinance. As of the date hereof, however, no such application has been filed. Upon filing to and approval from the Local Finance Board for the final adoption of the Dissolution Ordinance, the County, the PCFA and the CCIA shall undertake and complete all legal and procedural requirements necessary to effectuate the dissolution of the PCFA and the transfer of the PCFA's assets and liabilities to the CCIA as described above. Additionally, upon determination to proceed with the filing of an application to the Local Finance Board, the PCFA and the CCIA shall undertake and complete all necessary procedural and legal requirements relative to the transfer of the Landfill and related assets to the CCIA upon dissolution of the PCFA.

Litigation Concerning the Pennsauken Sanitary Landfill

The PCFA acquired the Pennsauken Sanitary Landfill ("Landfill") from the Township of Pennsauken ("Pennsauken") and the Pennsauken Solid Waste Management Authority ("PSWMA") in December 1991, pursuant to the provisions of the Amended and Restated Operations Transfer Agreement, dated October 11, 1991 (the "AROTA"), among the PCFA, the PSWMA, Pennsauken and the County. Prior to that time, the Landfill was operated by the PSWMA on land owned by Pennsauken. Since acquisition the PCFA has continued to operate the Landfill for disposal of bypass waste, residue from the operation of the Resource Recovery Facility, and the disposal of construction and demolition waste.

There are long-standing claims regarding the remediation of the contamination of the Landfill. The PSWMA executed an Administrative Consent Order ("ACO") with the New Jersey Department of Environmental Protection in December 1988. The ACO obligated the PSWMA to remediate contamination caused by the Landfill. The PCFA assumed the remediation obligations of the PSWMA pursuant to the AROTA. The PCFA, PSWMA and Pennsauken were plaintiffs in ongoing litigation seeking the recovery of costs associated with remediation necessary pursuant to the ACO. Counterclaims were made against Pennsauken. Pennsauken was represented by counsel for one of its insurance carriers. Trial in this litigation commenced on January 20, 2009. By the end of the second day of trial, all claims in the litigation were settled in principle. The PCFA and some defendants continue to review and execute settlement agreements. Pursuant to the settlement agreements, all defendants have been given releases and indemnification protection by the PCFA and Pennsauken. Settlement documents with Ward Sand and Materials Company and James D. Morrissey, Inc. (the "Ward Sand parties") (the prior landfill owner and operator) are in the process of being finalized. In the meantime, the Ward Sand parties have satisfied their payment obligations. Pursuant to the ACO, the PCFA is primarily responsible for the liability associated with the contamination at the Landfill either directly as a successor to the PSWMA under the ACO or indirectly through the indemnification provisions of the AROTA. In the event that the litigation settlement proceeds are not sufficient to remediate the contamination at the Landfill, Pennsauken could be potentially responsible pursuant to the indemnification provisions in the various settlement agreements. Additionally, it is possible that the County could be responsible for all or a portion of such liability under the AROTA. To date, \$15,603,370.29 in settlement proceeds have been collected from all of the settling parties. Recent estimates

project that the remediation cost to be approximately this amount or less. They are premised on the designed system accomplishing the remediation as presently designed. Design modifications could be necessary. Additionally, it is presently anticipated that the remediation can accomplish the desired goals in approximately 10-30 years. Contingencies could arise which could impact the design of the remediation system or the length of time in which it must be in operation. Therefore, it is impossible to determine at this time what the exact cost of the PCFA's remediation obligations will be. While it is impossible to estimate the likelihood of such an outcome, any such liability of the PCFA and/or the County could have a material adverse impact upon their respective financial conditions. In the event of a dissolution of the PCFA, any existing or potential liabilities of the PCFA would pass to the CCIA.

Note 19: **OPEN SPACE, RECREATION, FARMLAND AND HISTORIC PRESERVATION TRUST**

On November 3, 1997, pursuant to P.L. 1997, c. 24 (N.J.S.A. 40:12-15.1 et seq.), the voters of Camden County authorized the establishment of the Camden County Open Space, Recreation, Farmland and Historic Preservation Trust Fund effective January 1, 1998, for the purpose of raising revenue for the acquisition of lands and interests in lands for the conservation of farmland and open space. The County proposed to levy a tax not to exceed one cent per one hundred dollars of equalized valuation. On November 8, 2005, the County of Camden proposed to levy an additional one cent per one hundred dollars of equalized valuation. Amounts raised by taxation are apportioned by the County Board of Taxation among the municipalities in accordance with N.J.S.A. 54:4-9 and are assessed, levied and collected in the same manner and at the same time as other County taxes. Future increases in the tax rate or to extend the authorization must be authorized by referendum. All revenue received is accounted for in a Trust Fund dedicated by rider (N.J.S.A. 40A:4-39) for the purposes stated. Interest earned on the investment of these funds is credited to the Camden County Open Space, Recreation, Farmland and Historic Preservation Trust Fund.

Note 20: **CHANGE ORDERS**

During the year, the County amended various contracts by approving the following change orders that resulted in the total amount of change orders executed for the projects to exceed the originally awarded contract price by more than 20 percent:

<u>Vendor Name</u>	<u>Original Contract Amount</u>	<u>Total Amount Of Change Orders</u>	<u>Project Description</u>
Mount Construction	\$6,631,265	\$1,752,648	Improvements to Cooper River Park

N.J.A.C. 5:30-11.3 (a) 9 and 10 states that the total number of change orders executed for a particular contract shall not cause the originally awarded contract price to be exceeded by more than twenty percent unless otherwise authorized, and that if proposed change orders do exceed that twenty percent limitation, no work shall be performed or purchases made until the procedures of N.J.A.C. 5:30-11.9 have been completed.

N.J.A.C. 5:30-11.9 delineates the required procedures for change orders, which exceed the twenty percent limitation. The County has complied with all provisions of N.J.A.C. 5:30-11.9.

Note 21: **LITIGATION**

The County is a defendant in several legal proceedings that are in various stages of litigation. It is believed that the outcome, or exposure to the County, from such litigation is either unknown or potential losses, if any, would not be material to the financial statements **with the exception** of the eventual resolution of the litigation involving the Pollution Control Financing Authority (see Note 18).

Note 22: **TAX ABATEMENTS**

Municipalities within the County are authorized to enter into property tax abatement agreements for commercial and industrial structures under N.J.S.A. 40A:21-1 (Chapter 441, P.L. 1991) known as the "Five Year Exemption and Abatement Law". Under this law, municipalities may grant property tax abatements for a period of five years from the date of completion of construction for the purpose of encouraging the construction of new commercial and industrial structures. The first calendar year following completion, 0 percent of taxes are due, and each subsequent calendar the percentage of taxes due increases by 20 percent. During the 6th calendar year, 100 percent of taxes are assessed and due. The property owner agrees that the payment in lieu of taxes shall be made to the municipality in quarterly installments on those dates when real estate tax payments are due. Failure to make timely payments shall result in interest being assessed at the highest rate permitted for unpaid taxes and a real property tax lien on the land.

For 2016, the Abstract of Ratables for Camden County indicated 22 of 37 municipalities abated property taxes under this program. The total assessed value abated was \$63,728,400.00. Municipalities also granted various other abatements of which the dollar amount of assessments is not readily available. The County receives 100% of its tax levy from each of the municipalities within the County and does not have any reduction in revenue as a result of these tax abatement programs.

FORM OF BOND COUNSEL OPINION

[Date of Closing]

The Board of Chosen Freeholders of the
County of Camden, New Jersey
Courthouse
520 Market Street
Camden, New Jersey 08102

Ladies and Gentlemen:

We have acted as bond counsel to the County of Camden, New Jersey (the "County") in connection with the issuance and sale by the County of its \$_____ principal amount of Bond Anticipation Notes, Series 2017A (the "Notes"). In this capacity, we have examined certified copies of a record of proceedings of the Board of Chosen Freeholders of the County and such other proofs, documents and instruments submitted to us which we deemed pertinent relative to the issuance and sale by the County of the Notes.

The Notes are dated as of the date hereof, mature on October 25, 2018 and bear interest at the rate of ___ per centum per annum (___%). The Notes are fully registered in form and are issued pursuant to the Local Bond Law, constituting Chapter 2 of Title 40A of the Revised Statutes of New Jersey (the "Local Bond Law"), a bond ordinance lawfully and duly adopted on January 21, 2016 and a resolution lawfully and duly adopted on September 19, 2017 (the "Resolution"). The Notes are not subject to redemption prior to maturity.

We are of the opinion that such proceedings, proofs, documents and instruments show lawful authority for the issuance and sale of the Notes pursuant to the Local Bond Law and other applicable statutes, and that the Notes are valid and legally binding obligations of the County, all the taxable property within the jurisdiction of which is subject to the levy of ad valorem taxes for the ultimate payment of the principal of and interest on said Notes without limitation as to rate or amount.

We are further of the opinion that based upon existing law, interest on the Notes is excluded from the gross income of the owners of the Notes for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and is not an item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax.

We are further of the opinion that under existing law, interest on the Notes and net gains from the sale of the Notes are exempt from the tax imposed by the New Jersey Gross Income Tax Act.

With respect to our Federal income tax opinion, we note that the Code imposes certain requirements that must be met on the date of issuance of the Notes and on a

continuing basis subsequent to the issuance of the Notes in order for interest on the Notes to be excluded from gross income for federal income tax purposes under Section 103 of the Code. Failure of the County to comply with such requirements may cause interest on the Notes to lose the exclusion from gross income for federal income tax purposes, retroactive to the date of issuance of the Notes. The County has made representations in the Tax Certificate, dated as of the date hereof, as to various tax requirements. In addition, the County has covenanted to comply with the provisions of the Code applicable to the Notes and has covenanted not to take any action or fail to take any action that would cause the interest on the Notes to lose the exclusion from gross income for federal income tax purposes under Section 103 of the Code. With your permission, we have relied upon the representations made in the Tax Certificate and we have assumed continuing compliance by the County with the above covenants in rendering our federal income tax opinion with respect to the exclusion of interest on the Notes from gross income for federal income tax purposes.

Attention is called to the fact that for purposes of this opinion letter we have not been requested to examine and have not examined any documents or information relating to the County other than the certified copies of the proceedings, proofs, documents and instruments hereinabove referred to, and no opinion is expressed as to any financial or other information, or the adequacy thereof, which has been or may be supplied to any purchaser of the Notes.

It is to be understood that the rights of the holders of the Notes and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We have examined the executed Note and, in our opinion, the form of said Note and its execution are regular and proper.

The opinions expressed herein are based upon the laws and judicial decisions of the State of New Jersey and the federal laws and judicial decisions of the United States as of the date hereof and are subject to any amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for our opinions, or laws or judicial decisions hereafter enacted or rendered. Our engagement by the County with respect to the opinions expressed herein does not require, and shall not be construed to constitute, a continuing obligation on our part to notify or otherwise inform the addressee hereof of the amendment, repeal or other modification of the applicable laws or judicial decisions that served as the basis for this opinion letter or of laws or judicial decisions hereafter enacted or rendered which impact on this opinion letter.

This opinion letter is rendered to you in connection with the above described transaction. This opinion letter may not be relied upon by you for any other purpose,

Very truly yours,

APPENDIX D
FORM OF
CONTINUING DISCLOSURE CERTIFICATE

CONTINUING DISCLOSURE CERTIFICATE

THIS CONTINUING DISCLOSURE CERTIFICATE (the "Certificate") is made as of October __, 2017 by the County of Camden, a political subdivision duly organized under the laws of the State of New Jersey (the "Issuer").

W I T N E S S E T H:

WHEREAS, the Issuer is issuing its Bond Anticipation Notes, Series 2017A dated the date hereof, in the principal amount of \$ _____ (the "Notes") on the date hereof; and

WHEREAS, the Notes are being issued pursuant to a bond ordinance adopted by the Issuer on January 21, 2016 and a resolution adopted by the Issuer on September 19, 2017; and

WHEREAS, the Securities and Exchange Commission (the "SEC") pursuant to the Securities Exchange Act of 1934, as amended and supplemented (codified on the date hereof at 15 U.S.C. 77 et seq.) (the "Securities Exchange Act") has adopted amendments to its Rule 15c2-12 (codified at 17 C.F.R. §240.15c2-12) ("Rule 15c2-12") effective July 3, 1995 which generally prohibit a broker, dealer, or municipal securities dealer from purchasing or selling municipal securities, such as the Notes, unless such broker, dealer or municipal securities dealer has reasonably determined that an issuer of municipal securities or an obligated person has undertaken in a written agreement or contract for the benefit of holders of such securities to provide certain annual financial information and material event notices to the MSRB (as defined herein); and

WHEREAS, the Issuer represented in its Notice of Sale dated October __, 2017 (the "Notice of Sale") that it would deliver on the closing date for the Notes a "Continuing Disclosure Certificate" pursuant to which the Issuer will agree to provide at the times and to the persons described in Rule 15c2-12 the material event notices pursuant to Rule 15c2-12; and

WHEREAS, on October __, 2017, the Issuer accepted the bid of _____, as the underwriter (the "Underwriter") for the purchase of the Notes; and

WHEREAS, the execution and delivery of this Certificate has been duly authorized by the Issuer and all conditions, acts and things necessary and required to exist, to have happened, or to have been performed precedent to and in the execution and delivery of this Certificate, do exist, have happened and have been performed in regular form, time and manner; and

WHEREAS, the Issuer is executing this Certificate for the benefit of the Holders of the Notes.

NOW, THEREFORE, for and in consideration of the premises and of the mutual representations, covenants and agreements herein set forth, the Issuer, its successors and assigns, do mutually promise, covenant and agree as follows:

ARTICLE I
DEFINITIONS

Section 1.1 Terms Defined in Recitals. The following terms shall have the meanings set forth in the recitals hereto:

Certificate	Rule 15c2-12

The headings of this Certificate are for convenience only and shall not define or limit the provisions hereof.

ARTICLE II

CONTINUING DISCLOSURE COVENANTS AND REPRESENTATIONS

Section 2.1 Continuing Disclosure Covenants of the Issuer. The Issuer agrees that it will provide, or shall cause the Dissemination Agent to provide:

(a) Within ten (10) days of the occurrence of any of the following events, to the MSRB and in Prescribed Form, notice of any of the following events with respect to the Notes (each, a "Disclosure Event"):

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;
- (iii) Unscheduled draws on the debt service reserve fund reflecting financial difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers, or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Notes, or other material events affecting the tax-exempt status of the Notes;

- (vii) Modifications to rights of Holders of the Notes, if material;
- (viii) Note calls, if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution, or sale of property securing repayment of the Notes, if material;
- (xi) Rating changes;

(xii) Bankruptcy, insolvency, receivership or similar events of the Issuer, which shall be considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under State or Federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer;

(xiii) The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and

(xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material.

Section 2.2 Responsibilities and Duties of the Issuer or the Dissemination Agent. If the Issuer or the Dissemination Agent (if one has been appointed or engaged by the Issuer) has determined it necessary to report the occurrence of a Disclosure Event, the Issuer or Dissemination Agent (if one has been appointed or engaged by the Issuer) shall file a notice of such occurrence in the Prescribed Form and in accordance with EMMA with the MSRB (the “Disclosure Event Notice”) provided by the Issuer.

Section 2.3 Responsibilities, Duties, Immunities and Liabilities of the Dissemination Agent.

(a) The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any

time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent.

(b) The Dissemination Agent shall have only such duties as are specifically set forth in this Certificate, and the Issuer agrees, to the extent permitted by law, to indemnify and save the Dissemination Agent, its officers, directors, employees and agents harmless against any loss, expense and liability which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this subsection shall survive resignation or removal of the Dissemination Agent and payment of the Notes.

(c) The Dissemination Agent, or any successor thereto, may at any time resign and be discharged of its duties and obligations hereunder by giving not less than thirty (30) days written notice to the Issuer. Such resignation shall take effect on the date specified in such notice.

ARTICLE III

REMEDIES

Section 3.1 Remedies.

(a) Any Noteholder, for the equal benefit and protection of all Noteholders similarly situated, may take whatever action at law or in equity against the Issuer and any of the officers, agents and employees of the Issuer which is necessary or desirable to enforce the specific performance and observance of any obligation, agreement or covenant of the Issuer under this Certificate and may compel the Issuer or any such officers, agents or employees, except for the Dissemination Agent, to perform and carry out their duties under this Certificate; provided, that no person or entity shall be entitled to recover monetary damages hereunder under any circumstances.

(b) In case any Noteholder shall have proceeded to enforce its rights under this Certificate and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to any Noteholder, then and in every such case the Issuer and any Noteholder shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Issuer and any Noteholder shall continue as though no such proceeding had been taken.

(c) A default under this Certificate shall not be deemed a default under the Notes, and the sole remedy under this Certificate in the event of any failure or refusal by the Issuer to comply with this Certificate shall be as set forth in subsection 3.1(a) of this Certificate.

ARTICLE IV

MISCELLANEOUS

Section 4.1 Purposes of the Continuing Disclosure Certificate. This Certificate is being executed and delivered by the Issuer for the benefit of the Noteholders and in order to assist the Underwriter in complying with clause (b)(5) of Rule 15c2-12.

Section 4.2 Additional Information. Nothing in this Certificate shall be deemed to prevent the Issuer from (a) disseminating any other information, using the means of dissemination set forth in this Certificate or any other means of communication, or (b) including any other information in any Disclosure Event Notice, in addition to that which is required by this Certificate. If the Issuer chooses to include any information in any Disclosure Event Notice in addition to that which is specifically required by this Certificate, the Issuer shall have no obligation under this Certificate to update such information or include it in any future Disclosure Event Notice.

Section 4.3 Notices. All notices required to be given or authorized shall be in writing and shall be sent by registered or certified mail to the County of Camden, New Jersey, 520 Market Street, Camden, New Jersey 08102, Attention: Chief Financial Officer.

Section 4.4 Severability. If any provision of this Certificate shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

Section 4.5 Amendments, Changes and Modifications. (a) Without the consent of any Noteholders, the Issuer at any time and from time to time may enter into any amendments or modifications to this Certificate for any of the following purposes:

(i) to add to covenants and agreements of the Issuer hereunder for the benefit of the Noteholders, or to surrender any right or power conferred upon the Issuer by this Certificate; or

(ii) to cure any ambiguity, to correct or supplement any provision hereof which may be inconsistent with any other provision hereof, or to include any other provisions with respect to matters or questions arising under this Certificate which, in each case, comply with Rule 15c2-12 as then in effect at the time of such modification;

provided, that prior to approving any such amendment or modification, counsel nationally recognized as expert in federal securities law acceptable to the Issuer determines that such amendment or modification does not adversely affect the interests of the Holders in any material respect.

(b) Upon entering into any amendment or modification required or permitted by this Certificate, the Issuer shall deliver, or cause the Dissemination Agent to deliver, in Prescribed Form in accordance with EMMA to the MSRB written notice of any such amendment or modification.

(c) The Issuer shall be entitled to rely exclusively upon an opinion of counsel nationally recognized as expert in federal securities law acceptable to the Issuer to the effect that such amendments or modifications comply with the conditions and provisions of this Section 4.5 and Rule 15c2-12.

Section 4.6 Amendments Required by Rule 15c2-12. The Issuer recognizes that the provisions of this Certificate are intended to enable the Underwriter to comply with Rule 15c2-12. If, as a result of a change in Rule 15c2-12 or in the interpretation thereof, a change in this Certificate shall be permitted or necessary to assure continued compliance with Rule 15c2-12 and upon delivery by the Underwriter of an opinion of counsel nationally recognized as expert in federal securities law acceptable to the Issuer to the effect that such amendments shall be permitted or necessary to assure continued compliance with Rule 15c2-12 as so amended or interpreted, then the Issuer shall amend this Certificate to comply with and be bound by any such amendment to this Certificate to the extent necessary or desirable to assure compliance with the provisions of Rule 15c2-12 and provide the written notice of such amendment as required by subsection 4.5(b) hereof.

Section 4.7 Governing Law. This Certificate shall be governed exclusively by and construed in accordance with the applicable laws of the State of New Jersey and the applicable federal laws of the United States of America.

Section 4.8 Termination of Issuer's Continuing Disclosure Obligations. The continuing obligation of the Issuer under Section 2.1 hereof to provide any Disclosure Event Notice and to comply with the other requirements of said Section shall terminate if and when either (a) the Notes are no longer Outstanding or (b) the Issuer no longer remains an "obligated person" (as defined in Rule 15c2-12(f)(10)) with respect to the Notes.

Section 4.9 Binding Effect. This Certificate shall inure to the benefit of and shall be binding upon the Issuer and its successors and assigns.

IN WITNESS WHEREOF, THE COUNTY OF CAMDEN has caused this Certificate to be executed in its name and its corporate seal to be hereunto affixed and attested by their duly authorized officers, all as of the date first above written.
