BID SPECIFICATIONS

Each **ELECTRONIC PROPOSAL** for the Bonds must be submitted to PARITY in accordance with this notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, including any fee charged, potential bidders may contact BiDCOMP/PARITY, 1359 Broadway, Second Floor, New York, New York 10018, (212) 849-5021. The Borough may, but is not obligated to, acknowledge its acceptance in writing of any bid submitted electronically via PARITY. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

1. If a bid submitted electronically by PARITY is accepted by the Borough, the terms of this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY is not an agent of the Borough, and the Borough shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the Borough or information provided by the bidder.

3. The Borough may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 p.m. (Eastern Time) on the last business date prior to the bid date set forth above.

4. Once the bids are communicated electronically via PARITY to the Borough as described above, each bid will constitute an official "Proposal for Bonds" and shall be deemed to be an irrevocable offer to purchase the Bonds on the terms provided in this Notice of Sale. For purposes of submitting electronic bids, the time as maintained on PARITY shall constitute the official time.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Borough nor i-Deal shall have any duty or obligation to provide or assure to any bidder, and neither the Borough nor i-Deal shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The Borough is using PARITY as a communication mechanism, and not as the Borough's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the Borough harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

Each proposal must specify in a multiple of 1/8th or 1/20th of 1%, a single rate of interest which each maturity of the Bonds are to bear. Not more than one rate of interest may be named for Bonds of the same maturity. No rate of interest named for any maturity may be less than the rate of interest named for a prior maturity, and the difference between the highest and the lowest rates of interest named in the proposal shall not exceed three percent (3%). No proposal shall be considered that offers to pay an amount less than the principal amount of Bonds offered for sale or under which the total loan is made at an interest cost higher than the lowest net interest cost to the Borough under any legally acceptable proposal.

The Bonds will be sold to the bidder who, after having complied with the terms of this Notice of Sale, offers the lowest net interest cost for the Bonds. The net interest cost shall be computed in each instance by adding to the total amount of Bonds bid for, the total interest cost to maturity in accordance with such bid. **Proposals may not include any premium.** If two (2) or more bidders specify the same lowest net interest cost, then award will be made to one of such bidders selected by the undersigned by lot. The purchaser must pay an amount equal to the interest on the Bonds accrued to the date of delivery. The Borough reserves the right to reject all bids and any bid not complying with the terms of this Notice of Sale.

Each bidder is required to make a good faith deposit, in the amount of **\$63,600** ("Deposit"), in the form of a cash wire or a certified, cashier's or treasurer's check, in each case payable to the order of the "Borough of Somerdale". If a cash wire is used, the wire must be received by the Borough prior to **11:00 A.M.** (Eastern Time), on **TUESDAY, OCTOBER 24, 2017**. Bidders submitting cash wires must (i) notify the Borough of their intent to use such cash wire prior to **10:00 A.M.** (Eastern Time), on **TUESDAY, OCTOBER 24, 2017** (ii) provide proof of electronic transfer of such cash wire prior to **11:00 A.M.** (Eastern Time), on **TUESDAY, OCTOBER 24, 2017**; and (iii) also enclose return wiring instructions for use by the Borough. Wiring instructions may be obtained by contacting the Borough's Municipal Advisor, Phoenix Advisors LLC, at 4 West Park Street, Bordentown, New Jersey 08505. Calls should be directed to Anthony P.

Inverso at (609) 291-0130 or ainverso@muniadvisors.com. If a check is used, the check must be a certified or cashier's or treasurer's check drawn upon a bank or trust company and must be delivered to the Borough, c/o Mr. Kevin P. Foley, Borough of Somerdale, 105 Kennedy Boulevard, Somerdale, New Jersey 08083 by no later than **11:00 A.M.** (Eastern Time), on **TUESDAY, OCTOBER 24, 2017**. Bidders submitting good faith checks should also enclose a return envelope for use by the Borough. Each bidder accepts responsibility for delivering such cash wire or check on time and the Borough is not responsible for any cash wire or check that is not received on time. No interest on the Deposit will accrue to the successful bidder. When the successful bidder has been ascertained, all such Deposits shall be returned by the Borough to the persons making the same within a reasonable period of time, except the cash wire or check of the successful bidder which shall be applied as partial payment for the Bonds or to secure the Borough from any loss resulting from the failure of the successful bidder to comply with the terms of its bid. Award of the Bonds to the successful bidder or rejection of all bids is expected to be made promptly after receipt of the bids. The successful bidder may not withdraw its proposal until after **5:30 P.M.** (Eastern Time), on the bid date and then only if such award has not been made prior to the withdrawal.

AT THE TIME OF DELIVERY OF THE BONDS, PAYMENT FOR THE BONDS SHALL BE IN IMMEDIATELY AVAILABLE FUNDS.

The successful bidder may refuse to accept the Bonds, if prior to their delivery, any income tax law of the United States of America shall provide that the interest thereon is taxable, or shall be taxable at a future date, for federal income tax purposes and, in such case, the deposit made by such bidder will be returned and the successful bidder will be relieved of its contractual obligations arising from the acceptance of its proposal.

RATING

The Borough has applied for a rating on the Bonds from S&P Global Ratings, acting through Standard & Poor's Financial Services LLC. The Borough expects to have a rating prior to the sale of the Bonds. Notice of a rating on the Bonds will be communicated via PARITY.

OPTIONAL PURCHASE OF MUNICIPAL BOND INSURANCE

Information concerning the Borough has been furnished to certain companies for the purpose of qualifying the Bonds for municipal bond insurance. Any purchase of said insurance will be at the sole option and expense of the bidder and increased costs of issuance including, without limitation, any additional rating agency fees, resulting by reason of such insurance will be paid by such bidder. Notice of qualification of the Bonds for municipal bond insurance will be communicated via MUNIFACTS. If the Bonds qualify for municipal bond insurance, each bidder shall be required to specify whether municipal bond insurance will be purchased.

POSTPONEMENT

The Borough reserves the right to postpone, from time to time, the date and time established for receipt of Bids. **ANY SUCH POSTPONEMENT WILL BE PUBLISHED ON THOMSON MUNICIPAL NEWSWIRE, BEFORE 11:00 A.M. ON THE DAY BEFORE**

THE SALE. If any date fixed for receipt of bids and the sale of the Bonds is postponed, an alternative sale date will be announced via Thomson Municipal Newswire at least forty-eight hours prior to such alternative sale date. On any such alternative sale date, any bidder may submit a bid for the purchase of the Bonds in conformity in all respects with the provisions of the Notice of Sale, except for the date of sale and except for the changes announced on Thomson Municipal Newswire at the time the sale date and time are announced.

DELIVERY OF THE BONDS

It is anticipated that delivery of the Bonds will occur on or about November 1, 2017.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or a refusal by the purchaser thereof to accept delivery of and to pay for the Bonds in accordance with the terms hereof. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid for by the Borough; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the purchaser.

Closing Certificates:

Simultaneously with the delivery of the Bonds, the purchaser shall assist the Borough in establishing the issue price and yield of the Bonds and shall execute and deliver to the Borough at closing an "issue price" and "yield" or similar certificate setting forth the reasonably expected initial offering price to the public or the sale price or prices of the Bonds and yield, together with the supporting pricing wires or equivalent communications ("Issue Price Certificate"). The Issue Price Certificate shall be executed in the form attached hereto as Exhibit "A".

Establishment of Issue Price:

(a) The Borough intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining "competitive sale" for purposes of establishing the issue price of the Bonds) will apply to the initial sale of the Bonds (the "competitive sale requirements") because:

- (1) the Borough disseminated this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the Borough may receive bids from at least three (3) underwriters of municipal bonds or Bonds who have established industry reputations for underwriting new issuances of municipal bonds or Bonds; and
- (4) the Borough anticipates awarding the sale of the Bonds to the bidder who submits a firm offer to purchase the Bonds at the highest price (or lowest interest cost), as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Bonds, as specified in the bid.

(b) If the successful bidder is a bank or local government unit purchasing for its own account the provisions of paragraphs (d) and (e) below shall not apply

(c) In the event that paragraph (b) above is not applicable and the competitive sale requirements are not satisfied, the Borough shall so advise the successful bidder. The Borough shall treat the first price at which 10% of the Bonds (the "10% Test") is sold to the public as the issue price of the Bonds. The successful bidder shall advise the Borough if the Bonds satisfy the 10% Test as of the date and time of the award of the Bonds. The Borough will *not* require bidders to comply with the "hold-the-offering-price rule" and therefore does not intend to use the initial offering price to the public as of the sale date of the Bonds as the issue price of the Bonds. Bids will *not* be subject to cancellation in the event that the competitive sale requirements are not satisfied. *Bidders should prepare their bids on the assumption that the Bonds will be subject to the 10% Test in order to establish the issue price of the Bonds.*

(d) If the competitive sale requirements are not satisfied, then until the 10% Test has been satisfied as to the Bonds, the successful bidder agrees to promptly report to the Borough the prices at which the unsold Bonds have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Bonds. If the 10% Test is not met by the closing date, a supplemental issue price certificate must be provided.

(e) By submitting a bid, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Bonds allotted to it until it is notified by the successful bidder that either the 10% Test has been satisfied as to the Bonds, if and for so long as directed by the successful bidder and as set forth in the related pricing wires; and (ii) any agreement among underwriters relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Bonds allotted to it until it is notified by the successful bidder or such underwriter that either the 10% Test has been satisfied as to the Bonds, if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

(f) Sales of any securities to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (i) "public" means any person other than an underwriter or a related party;
- (ii) "underwriter" means: (A) any person that agrees pursuant to a written contract with the Borough (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public; and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public);

- (iii) a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to: (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another); (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another); or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) "sale date" means the date that the Bonds are awarded by the Borough to the successful bidder.

The obligation of the purchaser to purchase and pay for the Bonds is conditioned on the delivery, at the time of settlement of the Bonds, of the following: (i) approving legal opinion of Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel, a form of which can be found in Appendix "C" to the Preliminary Official Statement; (ii) the delivery of certificates in form and tenor satisfactory to Bond Counsel evidencing the proper execution and delivery of the Bonds and receipt of payment therefor, including a statement of the Borough, dated as of the date of such delivery, to the effect that there is no litigation pending or, to the knowledge of the signer or signers thereof, threatened relating to the issuance, sale and delivery of the Bonds; and (iii) an executed copy of the Disclosure Agreement.

COMPLIANCE WITH P.L. 2005,c.271, s.3

The purchaser is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (P.L. 2005, c.271, s.3) if the purchaser enters into agreements or contracts, such as its agreement to purchase the Bonds, with a public entity, such as the Borough and receives compensation or fees in excess of \$50,000 in the aggregate from public entities, such as the Borough, in a calendar year. It is the purchaser's responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

County of Camden, New Jersey
GENERAL OBLIGATION BONDS, SERIES 2017

CERTIFICATE OF UNDERWRITER
REGARDING YIELD AND ISSUE PRICE

The undersigned, an authorized representative of _____, as underwriter ("Underwriter") for the above-captioned bonds ("Bonds"), hereby certifies as follows:

1. This certificate is delivered to the Borough of Somerdale, County of Camden, New Jersey ("Borough") and may be relied upon in establishing the reasonable expectations of the Borough as to the matters stated herein as may be necessary or appropriate in the preparation by the Borough of a certificate relating to arbitrage matters in connection with the issuance of the Bonds and in complying with the requirements of the Internal Revenue Code of 1986, as amended ("Code"), and the regulations promulgated thereunder with respect to arbitrage.

2. This certificate is based on facts and estimates in existence on the date hereof and, to the best of the undersigned's knowledge and belief, the matters set forth herein are reasonable in light of such facts and estimates.

3. On October 24, 2017 ("Sale Date"), the Underwriter submitted and the Borough accepted its competitive proposal to purchase the Bonds.

4. [As of the date of this certificate, the Underwriter has not sold at least 10% of the Bonds at a single price and agrees once it has sold at least 10% of the Bonds at a single price, it will provide a Supplemental Issue Price Certificate to the Borough and Bond Counsel, which

date will be not later than thirty (30) days after the last day of the calendar quarter next ending after the date of closing of the Bonds.] [As of the date of this certificate, the first price at which at least 10% of the Bonds were sold to the Public is _____.]

5. Capitalized terms utilized herein and not otherwise defined shall have the meanings ascribed thereto below:

(i) "Public" shall mean any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly.

(ii) "Underwriter" shall mean: (a) any person that agrees pursuant to a written contract with the Borough (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public; and (b) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (a) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public). The representations set forth in this certificate are limited to factual matters only.

(iii) "Yield" shall mean that discount rate, determined on the basis of one interest compounding period equal to the term of the Bonds, which, when used in computing the present value of all unconditionally payable payments of principal (including original issue discount, if any), produces an amount equal to the aggregate issue price thereof.

6. Based upon prevailing market conditions on the Sale Date, the Underwriter had no reason to believe that any maturity of the Bonds would be sold to the General Public at yields less than the yields set forth on the cover page of the Official Statement for each respective maturity.

7. The aggregate issue price of the Bonds is the sum of the issue prices of the Bonds (determined separately for Bonds that are not substantially identical). The issue price for the Bonds that are substantially identical is an amount equal to the initial offering price of the Bonds to the General Public at which price a substantial amount of the Bonds were sold, including accrued interest, if any, as of the date of issuance, and without allowance for discount or any fees in connection with the issuance of the Bonds. As thus determined, the aggregate issue price of the Bonds is \$_____.

8. The aggregate issue price of the Bonds, as determined herein, does not exceed the fair market value of the Bonds as of the Sale Date.

9. The yield on the Bonds to maturity was computed as that discount rate determined on the basis of semi-annual interest compounding (based on a 360 day year consisting of twelve (12) months of thirty (30) days each) which, when used in computing the present value of all the unconditionally payable payments of principal of and interest (including original issue discount, if any) on the Bonds, produces an amount equal to the aggregate issue price of the Bonds. The issue price of the Bonds is an amount equal to the initial offering price of the Bonds to the General Public at which price, including accrued interest, a substantial amount of the Bonds were

sold as of the date of issuance, and without allowance for discount or any fees in connection with the issuance of the Bonds.

10. As thus calculated the yield of the Bonds is not less than _____%.

PRELIMINARY OFFICIAL STATEMENT DATED OCTOBER 17, 2017

In the opinion of Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel, assuming continuing compliance by the Borough with certain tax covenants described herein, under existing law, interest on the Bonds (as hereinafter defined) is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Internal Revenue Code of 1986, as amended ("Code"), and is not a specific item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax imposed on individuals and corporations pursuant to Section 55 of the Code. Interest on the Bonds is included in the calculation of the alternative minimum tax as a result of the inclusion of interest on the Bonds in "adjusted current earnings". Interest on the Bonds may be subject to the branch profits tax imposed on certain foreign corporations and to the tax on "excess net passive income" imposed on S corporations. DESCRIPTION OF THE BONDS

General

The Bonds will be issued in the aggregate principal amount of \$3,180,000. The Bonds will be dated their date of delivery and bear interest from that date at the interest rates set forth on the inside front cover hereof. Interest on the Bonds is payable semi-annually on May 1 and November 1 (each an "Interest Payment Date" and collectively, "Interest Payment Dates"), commencing May 1, 2018, in each year until maturity. Individual purchases of the Bonds may be made in the principal amount of \$5,000, or any integral multiple of \$1,000 in excess thereof, or in such amount necessary to issue the principal amount of the Bonds, through book-entries made on the books and the records of DTC (as hereinafter defined) and its participants. See "DESCRIPTION OF THE BONDS--Book-Entry-Only System" below. The Bonds will mature on May 1 in the years and in the principal amounts, all as shown on the inside front cover page of this Official Statement.

The Bonds will be issued in fully registered book-entry only form without coupons. The principal of the Bonds will be payable to the registered owners at maturity upon presentation and surrender of the Bonds at the principal corporate trust office of TD Bank, National Association, Cherry Hill, New Jersey, as registrar and paying agent ("Paying Agent"). Interest on each Bond shall be payable on each Interest Payment Date of such Bond to the registered owner of record thereof appearing on the registration books kept by the Borough for such purpose at the offices of the Paying Agent as of the close of business on the fifteenth (15th) day of the calendar month next preceding an Interest Payment Date (each a "Record Date").

So long as The Depository Trust Company, New York, New York ("DTC") or its nominee, Cede & Co., is the registered owner of the Bonds, payments of the principal of and interest on the Bonds will be made directly to Cede & Co., as nominee of DTC. Disbursements of such payments to the participants of DTC ("DTC Participants") is the responsibility of DTC and disbursements of such payments to the Beneficial Owners (as hereinafter defined) of the Bonds is the responsibility of the DTC Participants and not the Borough or the Paying Agent.

Redemption

The Bonds are not subject to redemption prior to maturity.

Book-Entry-Only System¹

The description which follows of the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of principal and interest, and other payments on the Bonds to DTC Participants or Beneficial Owners (as each such terms is hereinafter defined), confirmation and transfer of beneficial ownership interests in the Bonds and other related transactions by and between DTC, DTC Participants and Beneficial Owners, is based on certain information furnished by DTC to the Borough. Accordingly, the Borough does not make any representations as to the completeness or accuracy of such information.

The DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules

applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all the Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices, if any, shall be sent to DTC. If less than all of the bonds or notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Borough or its hereafter designated paying agent, if any, as soon as possible after the applicable Record Date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the applicable Record Date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and distributions on the Bonds, if any, will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Borough or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Borough or the Paying Agent, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption

proceeds and distributions to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Borough or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Borough or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Bond certificates are required to be printed and delivered.

The Borough may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Borough believes to be reliable, but neither the Borough nor the Underwriter (as hereinafter defined) take any responsibility for the accuracy thereof.

NEITHER THE BOROUGH NOR THE PAYING AGENT WILL HAVE THE RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE PAYMENTS TO OR PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, OR THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED OWNERS OF THE BONDS (OTHER THAN UNDER THE HEADING "TAX MATTERS") SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

Discontinuance of Book-Entry-Only System

In the event that the book-entry-only system is discontinued and the Beneficial Owners become registered owners of the Bonds, the following provisions would apply: (i) the Bonds may be exchanged for an equal principal amount of Bonds in other authorized denominations and of the same maturity, upon surrender thereof at the offices of the Borough or the Paying Agent; (ii) the transfer of the Bonds may be registered on the books maintained by the Borough or the Paying Agent for such purposes only upon the surrender thereof to the Borough or the Paying Agent, together with the duly executed assignment in form satisfactory to the Borough or the Paying Agent for the Bonds; and (iii) for every exchange or registration of transfer of the Bonds, the Borough or the Paying Agent may make a charge sufficient to reimburse for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer of the Bonds. In such event, interest on the Bonds will be payable by check or draft, mailed on each Interest Payment Date, to the registered owners thereof as of the close of business on the Record Date, whether or not a business day.

SECURITY FOR THE BONDS

The full faith and credit of the Borough are irrevocably pledged for the payment of the principal of and interest on the Bonds. The Bonds are general obligations of the Borough payable as to principal and interest from *ad valorem* taxes that shall be levied upon all taxable real property within the Borough without limitation as to rate or amount.

The Borough may pledge only its own credit and taxing power in respect of the Bonds, and has no power to pledge the credit or taxing power of the State or any other political subdivision thereof, nor shall the Bonds be deemed to be obligations of said State or any other political subdivision thereof, nor shall said State or any other political subdivision thereof be liable for the payment of principal of or interest on the Bonds.

GENERAL INFORMATION REGARDING THE BOROUGH

General

General information concerning the Borough, including economic, financial, demographic and other relevant data, is set forth in Appendix "A" to this Official Statement.

Financial

Appendix "B" to this Official Statement contains audited financial statements of the Borough for the years ending December 31, 2016, 2015, 2014, 2013 and 2012. The audited financial data was provided by Bowman & Company LLP, Voorhees, New Jersey, and is included herein in reliance upon the authority of such firm. Copies of the complete Reports of Audit may be obtained upon request to the office of the Chief Financial Officer of the Borough.

CERTAIN PROVISIONS OF THE LAWS OF THE STATE OF NEW JERSEY AND THE UNITED STATES RELATING TO GENERAL OBLIGATION DEBT

Local Bond Law

General - The Local Bond Law governs the issuance of bonds and notes by counties and municipalities for the financing of capital improvements. Among its provisions are the following: (i) the power and obligation to pay any and all bonds and notes issued pursuant to the Local Bond Law shall be unlimited; (ii) the county or municipality shall levy *ad valorem* taxes upon all taxable property therein for the payment of the principal of and interest on such bonds and notes without limitation as to rate or amount; (iii) generally, a down payment that is not less than five percent (5%) of the amount of debt obligations authorized must be appropriated in addition to the amount of debt obligations authorized; (iv) all non-special-assessment bonds shall mature within the period of usefulness or average period of usefulness of the improvements being financed; and (v) after issuance, all bonds and notes shall be conclusively presumed to be fully authorized and issued by all of the laws of the State, and all persons shall be estopped from questioning their sale, execution or delivery.

Debt Limits - The authorized bonded indebtedness of the Borough is limited by statute, subject to the exceptions noted below, to an amount equal to three and one-half percent (3.50%) of its equalized valuation basis. The equalized valuation basis of the Borough is set by statute as the average for the last three years of the equalized value of all taxable real property and improvements as annually determined by the New Jersey State Board of Taxation. Certain categories of debt are permitted by statute to be deducted for purposes of computing the statutory debt limit.

Bonds, notes and long-term loans are included in the computation of debt for the statutory debt limit. The Borough, including the issuance of the Bonds, will not exceed its three and one-half percent (3.50%) debt limit.

Exceptions to Debt Limits – Extensions of Credit - The Borough may exceed its debt limit with the approval of the Local Finance Board, a State regulatory agency, and as permitted by other statutory exceptions. If all or any part of a proposed debt authorization would exceed its debt limit, the Borough may apply to the Local Finance Board for an extension of credit. If the Local Finance Board determines that a proposed debt authorization would not materially impair the credit of the Borough or substantially reduce the ability of the Borough to meet its obligations or to provide essential public improvements and services, or make certain other statutory determinations, approval may be granted.

In addition, debt in excess of the statutory limit may be issued by the Borough to fund certain notes, to provide for purposes in an amount not exceeding two-thirds (2/3) of the amount budgeted in such fiscal year for the retirement of outstanding obligations (exclusive of utility and assessment obligations).

Short-Term Financing – When approved by bond ordinance, the Borough may issue bond anticipation notes to temporarily finance capital improvements. Such notes may not be issued in an aggregate amount exceeding that specified by the ordinance. The notes may not be issued for periods of more than one year, renewable with the final maturity occurring no later than the first day of the fifth month following the close of the tenth fiscal year next following the date of the original note. After the third year, the amount of the notes that may be renewed annually must be decreased by the minimum amount required for the first year's principal payment for the bond issue in anticipation of which the notes are issued.

Refunding Bonds – Refunding bonds may be issued pursuant to the Local Bond Law for the purpose of paying, funding outstanding bonds, including emergency appropriations, the actuarial liabilities of a non-state administered public employee pension system and amounts owing to others for taxes levied in the local unit, or any renewals or extensions thereof, and for paying the cost of issuance of refunding bonds.

Local Fiscal Affairs Law

The Local Fiscal Affairs Law, Chapter 5 of Title 40A of the New Jersey State Statutes, as amended and supplemented ("Local Fiscal Affairs Law"), governs audits, auditors, public moneys and financial statements of local governmental units, including the Borough.

Each local unit is required to cause an annual audit of its books, accounts and financial transactions to be made and completed within six months after the close of its fiscal year by either a Registered Municipal Accountant or, by agreement with the Director ("Director") of the Division

of Local Government Services ("Division") in the Department of Community Affairs, by qualified employees of the Division.

An independent examination of the Borough's books, accounts and financial transactions must be performed annually by a Registered Municipal Accountant who is licensed by the State Board of Public Accountants. The audit, conforming to the Division's "Requirements of Audit", includes recommendations for improvement of the local unit's financial procedures and must be filed with the report, together with all recommendations made. A Summary of Audit, together with recommendations, must be published in a local newspaper within 30 days of its submission. The entire annual audit report for the year ended December 31, 2016 is on file with the Borough Clerk and is available for review during business hours.

The Local Fiscal Affairs Law also requires that the Chief Financial Officer of the local unit file annually with the Director a verified statement of the financial condition of the local unit as of the close of the fiscal year to be made not later than February 10 for December 31 fiscal year end local units and August 10 for June 30 fiscal year end local units.

Local Budget Law

The Local Budget Law, Chapter 4 of Title 40A of the State, as amended and supplemented ("Local Budget Law"), governs the budgeting and appropriation of funds by local governmental units.

The Local Budget Law requires local governmental units to adopt a "cash basis" budget in such form that there will be sufficient cash collected to meet all debt service requirements, necessary operations of the local governmental units for the fiscal year and any mandatory payments required to be met during the fiscal year.

No budget shall be adopted unless the Director shall have previously certified their approval thereof.

Each local governmental unit must include in its budget an appropriation for the payment of debt service. The Director is required to examine such appropriation to determine whether it is properly set forth, in addition to determining whether all estimates of revenue contained in the budget are reasonable, accurate and correctly stated.

A statute passed in 1976, as amended (*N.J.S.A. 40A:4-45.1 et seq.*), commonly known as the "Cap Law", imposed limitations on increases in municipal appropriations subject to various exceptions. On August 20, 1990, the Governor signed into law P.L. 1990, c. 89, which revised and made permanent the "Cap Law". Since its inception, the "Cap Law" has been amended and modified several times, most recently on July 13, 2010. While the revised "Cap Law" is more restrictive on the ability of a local unit to increase its overall appropriations, it does not limit the obligation of the Borough to levy *ad valorem* taxes upon all taxable real property within the Borough to pay debt service on the Bonds. The Cap Law provides that a local unit shall limit any increase of its budget to 2.5% or the index rate, whichever is less, over the previous year's final appropriations subject to certain exceptions. The "index rate" is the rate of annual percentage increase in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services computed by the United States, Department of Commerce. Among the exceptions to the limitations imposed by the Cap Law are capital expenditures; debt service; extraordinary expenses approved by the Local Finance Board for implementation of an interlocal services

agreement; expenditures mandated as a result of certain emergencies; and certain expenditures for services mandated by law.

Additionally, legislation constituting P.L. 2010, c. 44, was adopted on July 13, 2010 (S-29R1), which, among other things, imposes a two percent (2.00%) cap on the tax levy that municipalities, counties, fire districts and solid waste collection districts may impose, with very limited exceptions and subject to certain adjustments.

Exclusions from the two percent (2.00%) tax levy cap include: (i) increases required to be raised by taxation for capital expenditures, including debt service as defined by law; (ii) increases in pension contributions and accrued liability for pension contributions in excess of 2.00%; (iii) increases in health care costs equal to that portion of the actual increase in total health care costs for the budget year that is in excess of 2.00% of the total health care costs in the prior year, but is not in excess of the product of the total health care costs in the prior year and the average percentage increase of the State Health Benefits Program, P.L.1961, c.49 (C.52:14-17.25 *et seq.*), as annually determined by the Division of Pensions and Benefits in the Department of the Treasury; and (iv) and extraordinary costs incurred by a local unit directly related to a declared emergency, as defined by regulation promulgated by the Commissioner of the Department of Community Affairs, in consultation with the Commissioner of Education, as appropriate. The amendments to the tax levy sections of the "Cap Law" (specifically, *N.J.S.A. 40A:4-45-46*) in 2010 no longer permit municipalities, counties, fire districts and solid waste collection districts to request approval from the Local Finance Board for a waiver to increase the amount to be raised by taxation in excess of the two percent (2.00%) cap. However, counties, municipalities, fire districts and solid waste collection districts may request, through a public question submitted to the voters, an increase in the amount to be raised by taxes above the two percent (2.00%) tax levy cap. Such approval must be achieved by an affirmative vote in excess of fifty percent (50%) of those voting on such public question.

Neither the tax levy limitation nor the "Cap Law" limits the obligation of the Borough to levy *ad valorem* taxes upon all taxable real property within the Borough to pay debt service on its bonds or notes, including the Bonds.

Miscellaneous Revenues

N.J.S.A. 40A:4-26 provides that: "No miscellaneous revenues from any source shall be included as an anticipated revenue in the budget in an amount in excess of the amount actually realized in cash from the same source during the next preceding fiscal year, unless the [D]irector shall determine upon application by the governing body that the facts clearly warrant the expectation that such excess amount will actually be realized in cash during the fiscal year and shall certify such determination, in writing, to the local unit." Such determination may be made by the governing body and the chief financial officer in any year during which the local unit is subject to local examination.

No budget or amendment shall be adopted unless the Director has previously certified the approval of such anticipated revenues.

Real Estate Taxes

Receipts from Delinquent Taxes - Revenues are permitted by *N.J.S.A. 40A:4-29* to be anticipated in the annual budget for collection of delinquent taxes of prior years. The maximum amount permitted to be anticipated is determined by applying the collection rate of the prior year's

delinquent taxes to the total amount of delinquent taxes outstanding at the beginning of the current year.

Current Year Tax Levy and Reserve for Uncollected Taxes - The current year's taxes to be levied are determined by adding the sums of the cash required from taxes to support the municipal, school, county and special district budgets, if any, together with the amount of an appropriation required to be included in the annual municipal budget entitled "Reserve for Uncollected Taxes", less the total of anticipated revenues. The inclusion of the "Reserve for Uncollected Taxes" appropriation in the current year's budget protects the municipality from taxes currently unpaid. The "Reserve for Uncollected Taxes" is required to be, at a minimum, an amount sufficient to provide for the same percentage of uncollected taxes in the current year as was experienced in the immediately preceding year, the average of the previous three years in accordance with P.L. 2000, c. 126, or the previous year collection percentage after reducing the previous year levy by tax appeal judgments of the county tax board pursuant to R.S.54:3-21 *et seq.*, or the State tax court pursuant to R.S.54:48-1 *et seq.* in accordance with Chapter 56 of P.L. 2010.

N.J.S.A. 40A:4-41 provides with regard to current taxes that: "Receipts from the collection of taxes levied or to be levied in the municipality, or in the case of a county for general county purposes and payable in the fiscal year, shall be anticipated in an amount which is not in excess of the percentage of taxes levied and payable during the next preceding fiscal year which was received in cash by the last day of such preceding fiscal year."

Another provision requires that an additional amount (the "reserve for uncollected taxes") be added to the tax levy required for all current budget appropriations and school and county taxes of the current fiscal year. The reserve requirement is calculated as follows:

$$\frac{\text{Levy Required for Current Budget, School and County Taxes}}{\text{Prior Year's Percentage of Current Tax Collections (or Lesser \%)}} = \text{Total Taxes to be Levied}$$

Deferral of Current Expenses

Emergency appropriations (i.e., those made after the adoption of the budget and determination of the tax rate for an unforeseen event or purpose) may be authorized by the governing body of the local governmental units. With minor exceptions, however, such appropriations must be included in full in the following year's budget. When such appropriations exceed three percent (3.00%) of the adopted operating budget, consent of the Director of Local Government Services must be obtained.

The exceptions are certain enumerated projects to cover the cost of the extraordinary expense for the repair, or reconstruction of streets, roads or bridges, or other public property damaged by snow, ice, frost or flood, where such expense was not foreseen at the time of the adoption of the budget, which may be amortized over three years; and tax map preparations, revision of ordinances, revaluations, master plan preparation, studies and planning necessary for the installation and construction of a sanitary sewer system, and payments of accumulated sick and vacation time which may be amortized over five years.

Budget Transfers

Budget transfers provide a degree of flexibility and afford a control mechanism. Transfers between major appropriation accounts are prohibited until the last two months of the year and, although subaccounts within an appropriation are not subject to the same year-end transfer restriction, they are subject to internal review and approval.

Capital Budget

In accordance with the Local Budget Law, each local unit shall prepare and adopt a capital budget, in conjunction with its annual operating budget, for any year in which it proposes to undertake a capital project. Every local unit which adopts a capital budget must also adopt a three (3) year capital program unless the local unit's population exceeds 10,000 where a six (6) year capital program is required.

Sewer Utility Budget

The Borough's public sewer utility is supported, in addition to the general taxing power upon real property, by the revenues generated by the operations of the utility. A separate budget is established for the utility. The anticipated revenues and appropriations for the utility are set forth in a budget, which is required to be balanced and to fully provide for debt service. The regulations regarding anticipation of revenue and deferral of charges apply equally to the budget of the utility. Deficits or anticipated deficits in utility operations which cannot be provided for from utility surplus, if any, are required to be raised in the "Current" or operating budget.

Related Constitutional and Statutory Provisions

In the general election of January 2, 1976, as amended by the general election of January 6, 1984, the following Article 8, Section 1, Paragraph 7, with respect to a state income tax, was added to the State Constitution:

No tax shall be levied on personal incomes of individuals, estates and trusts of this State unless the entire net receipts therefrom shall be received into the treasury, placed in a perpetual fund and be annually appropriated, pursuant to formulas established from time to time by the Legislature, to the several counties, municipalities and school districts of this State exclusively for the purpose of reducing or offsetting property taxes. In no event, however, shall a tax so levied on personal income be levied on payments received under the Federal Social Security Act, the Federal Railroad Retirement Act, or any federal law which substantially reenacts the provisions of either of those laws.

A progressive state income tax is currently in effect in the State.

The State Constitution may only be amended after: (i) approval of a proposed amendment by three-fifths (3/5) of all of the members of each house of the State Legislature and approval by a majority vote in a statewide referendum; or (ii) approval in two successive legislative years by a majority of all of the members of each house and approval by a majority vote in a statewide referendum. Amendments failing to receive voter approval may not be resubmitted for voter approval before the third succeeding general election after such disaffirmance.

The Municipal Finance Commission

The Municipal Finance Commission ("Commission") was created in 1931 to assist in the financial rehabilitation of municipalities, which had defaulted in their obligations. The powers of the Commission are exercised today by the Local Finance Board. The previously discussed elements of the local finance system are intended to prevent default on obligations or occurrence of severe fiscal difficulties in any local unit. Should extreme economic conditions adversely affect any local unit, the "Municipal Finance Commission Statutes" are available to assist in restoring the stability of the local unit.

Any holder of bonds or notes which are in default for over sixty (60) days (for payment of principal or interest) may bring action against such municipality in the State's Superior Court. Any municipality may declare itself unable to meet its obligations and bring action in such court. In either case, the court's determination that the municipality is in default or unable to meet its obligations causes the Commission to become operative in that municipality.

The Commission exercises direct supervision over the finances and accounts of any local unit under its jurisdiction. The Commission is authorized to appoint an auditor to examine and approve all claims against the municipality and to serve as comptroller for that community. The Commission is also directed to supervise tax collections and assessments, to approve the funding of municipal school district indebtedness, the adjustment or composition of the claims of creditors and the readjustment of debts under the Federal Municipal Bankruptcy Act. Such Act permits municipalities to have access to bankruptcy court for protection against suits by bondholders and creditors.

The Local Finance Board also serves as the "Funding Commission" to exercise supervision over the funding or refunding of local government debt. Any county or municipality seeking to adjust its debt service must apply to and receive the approval of such Funding Commission for the proposed reorganization of its debt.

Limitation of Remedies Under Federal Bankruptcy Code

The rights and remedies of the registered owners of the Bonds are subject to the provisions of Chapter 9 of the Federal Bankruptcy Code of the United States ("Bankruptcy Code"). In general, Chapter 9 permits, under prescribed circumstances, but only after an authorization by the applicable state legislature or by a governmental officer or organization empowered by state law to give such authorization, a political subdivision of a state to file a petition for relief in a bankruptcy court of the United States if it is insolvent or unable to meet its debts as they mature and desires to effect a plan to adjust its debts.

The State has authorized the political subdivisions thereof to file such petitions for relief under the Bankruptcy Code pursuant to and subject to Article 8 of the Act. The Act provides that such petitions may not be filed without the prior approval of the Commission and that no plan of readjustment of the local unit's debts may be filed or accepted by the petitioner without express authority from the Commission to do so.

THE ABOVE REFERENCES TO THE BANKRUPTCY CODE ARE NOT TO BE CONSTRUED AS AN INDICATION THAT THE BOROUGH EXPECTS TO RESORT TO THE PROVISIONS OF SUCH BANKRUPTCY CODE OR THAT, IF IT DID, SUCH ACTION WOULD BE APPROVED BY THE COMMISSION, OR THAT ANY PROPOSED PLAN WOULD INCLUDE A DILUTION OF THE SOURCE OF PAYMENT OF AND SECURITY OF THE BONDS.

THE SUMMARIES OF AND REFERENCES TO THE STATE CONSTITUTION AND OTHER STATUTORY PROVISIONS ABOVE ARE NOT AND SHOULD NOT BE CONSTRUED AS COMPREHENSIVE OR DEFINITIVE. ALL REFERENCES TO SUCH DOCUMENTS ARE QUALIFIED IN THEIR ENTIRETY BY REFERENCE TO THE PARTICULAR DOCUMENT, THE FULL TEXT OF WHICH MAY CONTAIN QUALIFICATIONS OF AND EXCEPTIONS TO STATEMENTS MADE HEREIN.

TAXATION

Procedure for Assessment and Collection of Taxes

Property valuations (assessments) are determined on true values as arrived at by a cost approach, market data approach and capitalization of net income where appropriate. Current assessments are the results of maintaining new assessments on a like basis with established comparable properties for newly assessed or purchased properties. This method assures equitable treatment to like property owners. The last reassessment of property within the Borough was effective for the 2014 tax year.

Upon the filing of certified adopted budgets by the Borough, the Local School District, the Regional High School District and the County of Camden ("County"), the tax rate is struck by the County Board of Taxation based on the certified amounts in each of the taxing districts for collection to fund the budgets. The statutory provision for the assessment of property, levying of taxes and the collection thereof are set forth in *N.J.S.A. 54:4-1 et seq.* Special taxing districts are permitted in the State for various special services rendered to the properties located within the special district.

Tax bills are due quarterly on February 1, May 1, August 1 and November 1. Installments not paid on or before the due date are subject to interest penalties of 8% per annum on the first \$1,500.00 of the delinquency and 18.00% per annum on any amounts in excess of \$1,500.00. These interest penalties are the maximum permitted under New Jersey Statutes. Additionally, a 6.00% penalty is charged on any delinquencies in excess of \$10,000.00 if not paid by the end of each year. Delinquent taxes open for one year or more are annually included in a tax sale in accordance with New Jersey Statutes. Tax liens retained by the Borough are periodically assigned to the Borough Solicitor for "in rem foreclosures" in order to acquire title to these properties.

Tax Appeals

The State Statutes provide a taxpayer with remedial procedures for appealing an assessment deemed excessive. The taxpayer has a right to petition the New Jersey Board of Taxation ("Tax Board") on or before the first day of April of the current tax year for review. The Tax Board has the authority, after a hearing, to decrease, increase or reject the appeal petition. These adjustments are usually concluded within the current tax year and reductions are shown as canceled or remitted taxes for that year. If the taxpayer feels his petition was unsatisfactorily reviewed by the Tax Board, appeal may be made to the State Tax Court. State Tax Court appeals tend to take several years prior to settlement and any losses in tax collection from prior years are charged directly to operations.

TAX MATTERS

Federal

In the opinion of Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel to the Borough ("Bond Counsel"), assuming continuing compliance by the Borough with the tax covenants described below, under existing law, interest on the Bonds is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Internal Revenue Code of 1986, as amended ("Code"), and is not a specific item of tax preference under Section 57 of the Code for purposes of calculating the alternative minimum tax imposed on individuals and corporations pursuant to Section 55 of the Code.

The adjustment for "adjusted current earnings" set forth in Section 56(g) of the Code is required in determining a corporation's alternative minimum taxable income. Alternative minimum taxable income is increased by seventy-five percent (75%) of the excess, if any, of the "adjusted current earnings" of a corporation over the alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction).

Interest on the Bonds is included in computing a corporation's "adjusted current earnings." Accordingly, a portion of the interest on the Bonds is included in computing such corporation's alternative minimum taxable income for such year.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Bonds received or accrued by a foreign corporation subject to the branch profits tax may be included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year, if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering its opinion, Bond Counsel has relied on the Borough's covenants contained in the Certificate as to Non-Arbitrage and Other Tax Matters, that it will comply with the applicable requirements of the Code, relating to, *inter alia*, the use and investment of proceeds of the Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Borough to comply with such covenants could result in the interest on the Bonds being subject to federal income tax from the date of issue. Bond Counsel has not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date of issuance of the Bonds that may affect the tax-exempt status of the interest on the Bonds.

Ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers including, without limitation, certain holders of an interest in a financial asset securitization investment trust, controlled foreign corporations, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit, and to individuals and families that qualify for a premium assistance credit amount under Section 36B of the Code. The Code denies the earned income credit to an individual who is otherwise eligible if the aggregate amount of disqualified income of the taxpayer for the taxable year exceeds certain limits set forth in Sections 32(i) and (j) of the Code. Interest on the Bonds will constitute disqualified income for this purpose. The Code

also provides that the earned income credit is phased out if the modified adjusted gross income of the taxpayer exceeds certain amounts. Interest on the Bonds is included in determining the modified adjusted gross income of the taxpayer. Section 36B of the Code provides that the amount of the premium assistance credit amount is in part determined by the household income. Section 36B(d) of the Code provides that household income consists of the "modified adjusted gross income" of the taxpayer and certain other individuals. "Modified adjusted gross income" means adjusted gross income increased by certain amounts, including interest received or accrued by the taxpayer which is exempt from tax, such as the interest on the Bonds.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Borough has designated the Bonds as "qualified tax-exempt obligations" for the purposes of Section 265(b)(1) of the Code. Eighty percent (80%) of the interest expense deemed incurred by banks, thrift institutions and other financial institutions to purchase or carry "qualified tax-exempt obligations" is deductible.

Owners of the Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

New Jersey

Bond Counsel is also of the opinion that interest on the Bonds and any gain from the sale thereof is not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as presently enacted and construed.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the United States Congress and in the states that, if enacted, could alter or amend the Federal and State tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposals might be enacted or whether, if enacted, it would apply to bonds or notes issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds.

PROSPECTIVE PURCHASERS OF THE BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS REGARDING ANY FEDERAL AND STATE INCOME TAX LEGISLATION, WHETHER CURRENTLY PENDING OR PROPOSED, REGULATORY INITIATIVES OR LITIGATION. THE OPINIONS EXPRESSED BY BOND COUNSEL ARE BASED UPON EXISTING LEGISLATION AND REGULATIONS AS INTERPRETED BY RELEVANT JUDICIAL AND REGULATORY AUTHORITIES AS OF THE DATE OF ISSUANCE AND DELIVERY OF THE BONDS AND BOND COUNSEL HAS EXPRESSED NO OPINION AS OF ANY DATE SUBSEQUENT THERETO OR WITH RESPECT TO ANY PENDING LEGISLATION, REGULATORY INITIATIVES OR LITIGATION.

LITIGATION

To the knowledge of the Borough's Solicitor, John Kearney, Esq. of the law firm Kearney and Associates, P.C., Haddon Heights, New Jersey ("Solicitor"), there is no litigation of any nature now pending or threatened, restraining or enjoining the issuance or the delivery of the Bonds, or the levy or the collection of any taxes to pay the principal of or the interest on the Bonds, or in any manner questioning the authority or the proceedings for the issuance of the Bonds or for the levy or the collection of taxes, or contesting the corporate existence or the boundaries of the Borough or the title of any of the present officers. Moreover, to the knowledge of the Solicitor, no litigation is presently pending or threatened that, in the opinion of the Solicitor, would have a material adverse impact on the financial condition of the Borough if adversely decided.

RATING

S&P Global Ratings, acting through Standard & Poor's Financial Services LLC ("Rating Agency"), has assigned a rating of "AA-/stable" to the Bonds.

The inclusion of the Rating Agency's "stable outlook" ("Outlook") has been provided herein for informational purposes only and is *not* a part of the "Rating" described in the preceding paragraph. The Outlook is only the Rating Agency's forward-looking view of the Borough. The Borough has no obligation to treat any change in the Outlook as a "Disclosure Event", as defined and described under the Rule (as hereinafter defined) or under the provisions of the Borough's Continuing Disclosure Agreement, or to notify Bondholders as to any changes to the Outlook after the date hereof.

An explanation of the significance of the rating may be obtained from the Rating Agency at 55 Water Street, New York, New York, 10041. The rating is not a recommendation to buy, sell or hold the Bonds and there is no assurance that such rating will continue for any given period of time or that such rating will not be revised downward or withdrawn entirely by the Rating Agency if, in its judgment, circumstances so warrant. Any such downward revision or withdrawal of such rating by the Rating Agency may have an adverse effect on the market price of the Bonds.

BOROUGH OF SOMERDALE, NEW JERSEY

By: _____
KEVIN P. FOLEY, Chief Financial Officer

Dated: October __, 2017

APPENDIX A

**CERTAIN ECONOMIC, FINANCIAL AND DEMOGRAPHIC INFORMATION REGARDING
THE BOROUGH OF SOMERDALE,
IN THE COUNTY OF CAMDEN, NEW JERSEY**

GENERAL INFORMATION ON THE BOROUGH

History

In 1929 by an act of the New Jersey State Legislature, the Borough of Somerdale, in the County of Camden, New Jersey (the "Borough") was incorporated, evolving from the division of Clementon Borough into several separate self-governing boroughs.

During the early years, development was minimal due to the economics of the 1930's and the effects of World War II. Following the war and the return to normality, several large farm and woodland areas were opened to residential development. During the next twenty years, most of the residential area was developed with a few exceptions. In the 1960's, commercial development emerged, which included the construction of an industrial park.

The Borough is located in the central part of the County of Camden (the "County") in the State of New Jersey (the "State"). The Borough's bordered by the Borough of Lawnside, the Borough of Magnolia, the Township of Gloucester, the Borough of Hi-Nella, the Borough of Stratford, the Borough of Lindenwold and the Township of Voorhees.

Local Government

The Borough operates under a Mayor-Council form of government. The governing body is comprised of the Mayor and six Council members. The Mayor is elected for a four-year term. Two Council members are elected each year for three-year terms.

Executive and administrative responsibility rests with the Mayor, who is assisted by the Borough Clerk.

The financial affairs of the Borough are administered by the Chief Financial Officer, who reports to the Borough Council. With the Borough Administrator, the Chief Financial Officer prepares and then monitors the annual municipal budget after adoption by the Borough Council.

Fire Protection and Emergency Services

There is one volunteer fire company ("Company") which is supported by the Borough. All equipment is owned by the Borough, which provides an annual appropriation for its operation. The Company has two late model pumpers, one "Quint" combination pumper & ladder truck, a utility truck, and an Air Systems truck used to carry extra equipment and lighting units. The Borough shares ambulance services with two adjacent municipalities, the Boroughs of Magnolia and Stratford. It alternates the purchasing of ambulances with Magnolia and has purchased a new ambulance in 2014. The EMS squad is comprised of volunteers who are residents of the Borough and the Borough of Magnolia as well as a paid staff to augment the volunteer availability.

The Company is dispatched to emergency situations by the Camden County Communications Center, which activates an instalert alarm system in the volunteer's home as well as sounding a public siren.

Library

Borough residents have access to the Camden County Library, which is located in nearby Voorhees Township. The County Library provides a full range of services for patrons including audio-visual collections, records and cassettes.

Police

The safety and security of the residents are protected by 14 full-time, trained and supervised police officers and two part-time special officers. The Borough's police force provides twenty-four hour patrol car surveillance.

Public Works

The Public Works Department has the responsibility of maintaining streets and roads, all recreational areas and community senior/youth center buildings. In addition, the Public Works Department provides pick-up for recyclable paper, glass and metals, which are ultimately sold to provide the Borough with a small source of revenue. Pick-up of large items, grass and chipping of large tree branches/limbs are also provided by Public Works Department.

The Borough is currently in the 2nd year of a 5 year contract with Republic Services for the removal of solid waste in the Borough. The Borough is currently required to take part in the Resource Recovery System in the County.

Recreation

The recreation program within the community is administered by the Recreation Commission whose function is to sponsor community events throughout the year. Borough facilities include four baseball fields, three basketball courts, a Senior Center, two playgrounds, and an indoor practice facility.

Sewer and Water

The Borough owns and operates several pumping stations and a sewerage collection system that run throughout the Borough. The current Borough rate for each user is \$40.00 per domestic consumer unit per quarter, or \$160.00 per year.

Sewer treatment services are provided by the Camden County Municipal Utilities Authority ("CCMUA"). The CCMUA is an autonomous body that owns and operates the treatment facility, and has established an annual rate of \$88.00 per equivalent dwelling unit per quarter, or \$352.00 per year for 2017.

Water is supplied to the Borough by the New Jersey-American Water Company.

Business and Industry

Industrial and commercial operations in the Borough cover a broad spectrum of activities including numerous shopping facilities, restaurants, sheet metal fabrication, food vending services, beer brewing, and printing. Included in the numerous shopping centers is Somerdale Square which consists of 17 retail stores and Coopertown Center consisting of a Walmart Super Center, sixteen screen movie theater, a restaurant, and other small retail stores.

Building, Zoning and Development Codes

The Borough has established development regulations governing the size of lots for various types of construction. The land requirements are based on the type and nature of the building.

The Borough's building codes conform to standards of the State Uniform Construction Code. These codes and other Municipal Codes are codified as a basis for improved administration and regulation.

In January, 1977, the Borough adopted the Municipal Land Use Law. The Municipal Land Use Law gave the Borough Planning Board and the Borough Zoning Board of Adjustment authority to regulate most land use other than single-family residential use. In this way, the Borough is able to guide the approximate use or development of land to promote the public health, safety and general welfare.

EDUCATION(1)

Primary and Secondary Education

The Board of Education of the Borough of Somerdale (“Board” when referring to the governing body and “School District” when referring to the legal entity governed by the Board) is a type II school district, consisting of nine members who are elected at large for three-year terms.

The School District operates one school, grades kindergarten through eight. The School District provides a variety of regionally recognized educational programs, ranging from advanced curriculum for the educationally gifted to specialized programs for the functionally impaired student.

The Board annually prepares a current expense and debt service budget. The amounts to be raised by taxation for current expense and debt service are submitted to the voters for approval. If the amounts are disapproved, the Borough Council fixes an amount and certifies the same to the Board and the County Board of Taxation. If the Board determines that the amount certified by the Borough is insufficient to operate a thorough and efficient school system, the Board may appeal to the State Commission of Education to restore the local funds eliminated.

The Borough high school students attend the Sterling Regional High School District along with students from the Boroughs of Magnolia and Stratford.

Camden County Municipal Utilities Authority

The CCMUA is a public body politic and corporate of the State and was originally created as the Camden County Sewerage Authority ("Sewerage Authority") by a resolution of the County Board of Chosen Freeholders ("County Board") adopted December 5, 1967. The Sewerage Authority was reorganized in 1972 as a utilities authority and changed its name to the CCMUA pursuant to a resolution of the County Board adopted April 13, 1972. The CCMUA operates under the supervision of nine (9) commissioners who are appointed by the County Board for five (5) year staggered terms. The County has entered into a Deficiency Agreement with the CCMUA ("Deficiency Agreement") whereby the County is obligated to pay to the CCMUA any annual charges equal to any deficits in CCMUA revenues necessary to pay or provide for (i) operation and maintenance expenses of the CCMUA's regional sewer system, (ii) principal and interest payments on bonds and notes of the CCMUA in an aggregate principal amount not to exceed \$685,500,000 and (iii) the maintenance of reserves required under the Bond Resolution securing the CCMUA's bonds and notes. The obligation of the County, pursuant to the provisions of the Deficiency Agreement, is a direct and general obligation of the County, and any annual charges are ultimately payable by the County to meet its obligations under the Deficiency Agreement. To date, no payments have been required to be made by the County pursuant to the Deficiency Agreement. The County and the CCMUA may agree to amend the Deficiency Agreement at any time to increase the obligation of the County thereunder.

The CCMUA owns and operates a sewerage collection and treatment system, which serves all County residents connected to local sewer collection systems. The CCMUA's system does not include the local sewage collection system of any CCMUA participant, but it owns and operates interceptor sewer lines connecting the local systems to the CCMUA's sewage treatment facilities.

The CCMUA is required to charge and collect service charges for the use of its facilities such that revenues of the CCMUA will at all times be adequate to pay all operating and maintenance expenses, including reserves, insurance, extensions and replacements, and to maintain reserves and sinking funds therefore as may be required by the terms of any agreements with the holders thereof.

The gross debt as of December 31, 2016 for the CCMUA was \$210,044,157. The County guarantees up to \$685,500,000 of debt issued by the CCMUA.

Camden County Improvement Authority

The Camden County Improvement Authority ("CCIA") is a public body corporate and politic of the State and was created by a resolution of the County Board. The CCIA operates under the supervision of a five (5) member Board who are appointed for five (5) year staggered terms by the County Board. The CCIA has from time to time issued its revenue bonds for projects involving the County and for which the County has a repayment obligation or guaranty. The CCIA also issues conduit debt from time to time which is not included in the overlapping debt as there is no obligation by the taxpayers to repay the associated debt service.

The amount of debt which the County has guaranteed or for which it has a repayment obligation as of December 31, 2016 was \$338,635,000.

**AUDITED FINANCIAL STATEMENTS OF THE
BOROUGH OF SOMERDALE,
IN THE COUNTY OF CAMDEN, NEW JERSEY**

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the Borough Council
Borough of Somerdale
Somerdale, New Jersey 08083

Report on the Financial Statements

We have audited the accompanying statements of assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the Borough of Somerdale, in the County of Camden, State of New Jersey, as of December 31, 2016, 2015, 2014, 2013 and 2012, and the related statements of operations and changes in fund balance - regulatory basis for the years then ended, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Borough's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in note 1 to the financial statements, the financial statements are prepared by the Borough on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey.

The effects on the financial statements of the variances between the regulatory basis of accounting described in note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

In our opinion, because of the significance of the matter discussed in the "*Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America*" paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Borough of Somerdale, in the County of Camden, State of New Jersey, as of December 31, 2016, 2015, 2014, 2013 and 2012, or the results of its operations and changes in fund balance for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to previously present fairly, in all material respects, the assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the Borough of Somerdale, in the County of Camden, State of New Jersey, as of December 31, 2016, 2015, 2014, 2013 and 2012, and the results of its operations and changes in fund balance - regulatory basis of such funds for the years then ended, in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, as described in note 1.

BOROUGH OF SOMERDALE
Notes to Financial Statements
For the Year Ended December 31, 2016

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Financial Reporting Entity - The Borough of Somerdale (hereafter referred to as the "Borough") was incorporated as a borough by an act of the New Jersey legislature on April 23, 1929 as one of seven municipalities created from the now-defunct Clementon Borough. The Borough, located in Camden County, New Jersey, has a total area of approximately 1.387 square miles, and is located approximately sixteen miles from the City of Philadelphia. The Borough borders the Townships of Cherry Hill, Gloucester and Voorhees and the Boroughs of Hi-Nella, Lawnside, Lindenwold, Magnolia and Stratford. According to the 2010 census, the population is 5,151.

The Borough is governed under a Mayor-Council form of government known as the Mayor-Council Plan A under the Optional Municipal Charter Law of 1960 popularly known as the Faulkner Act. The governing body consists of a Mayor and a Borough Council comprising six council members, with all positions elected at-large on a partisan basis as part of the November general election. A Mayor is elected directly by the voters to a four-year term of office. The Borough Council consists of six members elected to serve three-year terms on a staggered basis, with two seats coming up for election each year in a three-year cycle. Executive and administrative responsibility rests with the Mayor, who is assisted by the Borough Clerk.

Component Units - The Borough had no component units as defined by Governmental Accounting Standards Board Statement No. 14, as amended by GASB Statements No. 39 and No. 61.

Measurement Focus, Basis of Accounting and Financial Statement Presentation - The financial statements of the Borough contain all funds and account groups in accordance with the *Requirements of Audit* ("*Requirements*") as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the *Requirements* are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these *Requirements*. In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this note.

In accordance with the *Requirements*, the Borough accounts for its financial transactions through the use of separate funds which are described as follows:

Current Fund - The current fund accounts for resources and expenditures for governmental operations of a general nature, including federal and state grant funds.

Trust Funds - The various trust funds account for receipts, custodianship, and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - The general capital fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the current fund.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Measurement Focus, Basis of Accounting and Financial Statement Presentation (Cont'd)

In accordance with the *Requirements*, the Borough accounts for its financial transactions through the use of separate funds which are described as follows (Cont'd):

Sewer Utility Operating and Capital Funds - The sewer utility operating and capital funds account for the operations and acquisition of capital facilities of the municipally owned sewer operations.

General Fixed Asset Group of Accounts - The general fixed asset group of accounts is utilized to account for property, land, buildings, and equipment that have been acquired by other governmental funds.

Budgets and Budgetary Accounting - The Borough must adopt an annual budget for its current and sewer utility funds in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval, and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the Borough's financial statements.

Cash, Cash Equivalents and Investments - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost; therefore, unrealized gains or losses on investments have not been recorded.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the governmental units.

The cash management plan adopted by the Borough requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Interfunds - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the current fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Inventories of Supplies - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

General Fixed Assets - Accounting for governmental fixed assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and *Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Part 200, §200.12), except that the useful life of such property is at least five years. The Borough has adopted a capitalization threshold of \$5,000.00, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at acquisition value as of the date of the transaction. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the capital funds until such time as the construction is completed and put into operation. The Borough is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements, and transfers of fixed assets. In addition, a statement of general fixed asset group of accounts, reflecting the activity for the year, must be included in the Borough's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that includes accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage, or theft.

Utility Fixed Assets - Property and equipment purchased by a utility fund are recorded in the utility capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not represent replacement cost or current value. The reserve for amortization and deferred reserve for amortization accounts in the utility capital fund represent charges to operations for the cost of acquisition of property and equipment and improvements and contributed capital.

Foreclosed Property - Foreclosed property is recorded in the current fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the general fixed assets account group. If such property is converted to a municipal use, it will be recorded in the general fixed assets account group.

Deferred Charges - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Liens Sold for Other Governmental Units - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

Fund Balance - Fund balances included in the current fund and sewer utility operating fund represent amounts available for anticipation as revenue in future years' budgets, with certain restrictions.

Revenues - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from federal and state grants is realized when anticipated as such in the Borough's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the Borough's current fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the Borough which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

Property Tax Revenues - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the Borough's annual budget, but also the amounts required in support of the budgets of the County of Camden, the Borough of Somerdale School District and the Sterling Regional High School District. Unpaid property taxes are subject to tax sale in accordance with the statutes.

School Taxes - The Borough is responsible for levying, collecting, and remitting school taxes for the Borough of Somerdale School District and the Sterling Regional High School District. Operations is charged for the full amount required to be raised from taxation to operate the local school district for the period from January 1 to December 31. For the regional high school district, operations is charged for the Borough's share of the amount required to be raised by taxation for the period from July 1 to June 30, increased by the amount deferred at December 31, 2015 and decreased by the amount deferred at December 31, 2016.

County Taxes - The municipality is responsible for levying, collecting, and remitting county taxes for the County of Camden. County taxes are determined on a calendar year by the County Board of Taxation based upon the ratables required to be certified to them on January 10 of each year. Operations is charged for the amount due to the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of added and omitted taxes certified to the County Board of Taxation by October 10 of the current year, and due to be paid to the County by February 15 of the following year.

Reserve for Uncollected Taxes - The inclusion of the "reserve for uncollected taxes" appropriation in the Borough's annual budget protects the Borough from taxes not paid currently. The reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediate preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Expenditures (Cont'd) - Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis; whereas interest on utility indebtedness is on the accrual basis.

Appropriation Reserves - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments, or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as income.

Long-Term Debt - Long-term debt, relative to the acquisition of capital assets, is recorded as a liability in the general capital and utility capital funds. Where an improvement is a "local Improvement", i.e. assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the trust fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

Compensated Absences and Postemployment Benefits - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: CASH AND CASH EQUIVALENTS

Custodial Credit Risk Related to Deposits - Custodial credit risk is the risk that, in the event of a bank failure, the Borough's deposits might not be recovered. Although the Borough does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000.00 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled agency funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition. Such funds are classified as uninsured and uncollateralized.

As of December 31, 2016, the Borough's bank balances of \$3,924,982.30 were exposed to custodial credit risk as follows:

Actuarial Assumptions

The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2015. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2016. This actuarial valuation used the following actuarial assumptions, applied to all periods included in the measurement:

	<u>PERS</u>	<u>PFRS</u>
Inflation	3.08%	3.08%
Salary Increases:		
Through 2026	1.65% - 4.15% Based on Age	2.10% - 8.98% Based on Age
Thereafter	2.65% - 5.15% Based on Age	3.10% - 9.98% Based on Age
Investment Rate of Return	7.65%	7.65%
Mortality Rate Table	RP-2000	RP-2000
Period of Actuarial Experience Study upon which Actuarial Assumptions were Based	July 1, 2011 - June 30, 2014	July 1, 2010 - June 30, 2013

Note 9: PENSION PLANS (CONT'D)**Actuarial Assumptions (Cont'd)**

For PERS, pre-retirement mortality rates were based on the RP-2000 Employee Preretirement Mortality Table for male and female active participants. Mortality tables are set back 2 years for males and 7 years for females. In addition, the tables provide for future improvements in mortality from the base year of 2013 using a generational approach based on the plan actuary's modified MP-2014 projection scale. Post-retirement mortality rates were based on the RP-2000 Combined Healthy Male and Female Mortality Tables (set back 1 year for males and females) for service retirements and beneficiaries of former members and a one-year static projection based on mortality improvement Scale AA. In addition, the tables for service retirements and beneficiaries of former members provide for future improvements in mortality from the base year of 2013 using a generational approach based on the plan actuary's modified MP-2014 projection scale. Disability retirement rates used to value disabled retirees were based on the RP-2000 Disabled Mortality Table (set back 3 years for males and set forward 1 year for females).

For PFRS, pre-retirement mortality rates were based on the RP-2000 Pre-Retirement mortality tables projected thirteen years using Projection Scale BB and then projected on a generational basis using the plan actuary's modified 2014 projection scales. Post-retirement mortality rates for male service retirements and beneficiaries are based the RP-2000 Combined Healthy Mortality Tables projected one year using Projection Scale AA and two years using the plan actuary's modified 2014 projection scales, which was further projected on a generational basis using the plan actuary's modified 2014 projection scales. Postretirement mortality rates for female service retirements and beneficiaries were based the RP-2000 Combined Healthy Mortality Tables projected thirteen years using Projection Scale BB and then two years using the plan actuary's modified 2014 projection scales, which was further projected on a generational basis using the plan actuary's modified 2014 projection scales. Disability mortality rates were based on special mortality tables used for the period after disability retirement.

For PERS and PFRS, in accordance with State statute, the long-term expected rate of return on plan investments (7.65% at June 30, 2016) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in PERS's and PFRS's target asset allocation as of June 30, 2016 are summarized in the following table:

Discount Rate - The discount rate used to measure the total pension liability at June 30, 2016 was 3.98% for PERS and 5.55% for PFRS. For both PERS and PFRS, the respective single blended discount rates were based on the long-term expected rate of return on pension plan investments of 7.65%, and a municipal bond rate of 2.85% as of June 30, 2016, based on the Bond Buyer Go 20-Bond Municipal Bond Index which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. The projection of cash flows used to determine the discount rates assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be made based on the contribution rate in the most recent fiscal year. The State employer contributed 30% of the actuarially determined contributions and the local employers contributed 100% of their actuarially determined contributions. Based on those assumptions, the plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2034 for PERS and through 2050 for PFRS. Therefore, the long-term expected rate of return on plan investments was applied to projected benefit payments through 2034 for PERS and through 2050 for PFRS, and the municipal bond rate was applied to projected benefit payments after that date in determining the total pension liabilities.

Pension Plan Fiduciary Net Position

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the respective fiduciary net position of the PERS and PFRS and additions to/deductions from PERS and PFRS' respective fiduciary net position have been determined on the same basis as they are reported by PERS and PFRS. Accordingly, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value. For additional information about PERS and PFRS, please refer to the plan's Comprehensive Annual Financial Report (CAFR) which can be found at www.nj.gov/treasury/pensions.

Note 10: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS

At December 31, 2016, the Borough does not have a policy for the provision of postemployment benefits.

Note 11: COMPENSATED ABSENCES

Under the existing policy of the Borough, full-time employees covered under Civil Service Law are entitled to fifteen paid sick leave days each year. Unused sick leave may be accumulated and carried forward for an unlimited amount of time; however must be surrendered without compensation upon termination. Vacation days not used during the year may be accumulated and carried forward to the subsequent year. Upon termination, unused vacation days and compensated hours may be surrendered for compensation based upon the employee's daily wage rate. Part-time Borough employees are not entitled to be compensated for absences. The Borough's contract with the Police Benevolent Association Local No. 30 entitles contracted employees to \$100 per day for up to 200 sick days.

The Borough has established a compensated absences trust fund to set aside funds for future payments of compensated absences. At December 31, 2016, the balance of the fund was \$33,000.00. It is estimated that, at December 31, 2016, accrued benefits for compensated absences are valued at \$265,842.44.

The Borough offers its employees a deferred compensation plan in accordance with Internal Revenue Code Section 457, which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death, or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the Borough or its creditors. Since the Borough does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the Borough's financial statements.

PROPOSED FORM OF OPINION OF BOND COUNSEL

November __, 2017

Mayor and Borough Council
of the Borough of Somerdale
105 Kennedy Boulevard
Somerdale, New Jersey

RE: \$3,180,000 BOROUGH OF SOMERDALE, COUNTY OF CAMDEN, NEW JERSEY, GENERAL OBLIGATION BONDS, SERIES 2017

Ladies and Gentlemen:

We have served as Bond Counsel in connection with the authorization, issuance, sale and delivery of the above-referenced obligations ("Bonds") by the Borough of Somerdale, County of Camden, New Jersey ("Borough").

The Bonds are authorized to be issued pursuant to: (i) the Local Bond Law, constituting Chapter 169 of the Laws of 1960 of the State of New Jersey, as amended and supplemented ("Local Bond Law"); (ii) the bond ordinances set forth in the Resolution (hereinafter defined), each duly and finally adopted by the Borough Council and published in accordance with applicable law (collectively, the "Bond Ordinances"); (iii) a resolution adopted by the Borough Council on October 2, 2017 ("Resolution"); and (iv) a Certificate of Determination and Award executed by the Chief Financial Officer of the Borough on October __, 2017 ("Award Certificate").

The Bonds are dated November 1, 2017, mature on May 1 in each of the years and in the respective principal amounts set opposite each such year in the table below and bear interest at the interest rates per annum below, payable initially on May 1, 2018 and semi-annually thereafter on November 1 and May 1 in each year until maturity.

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>	<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2018	\$175,000	%	2024	\$350,000	%
2019	180,000		2025	350,000	
2020	180,000		2026	350,000	
2021	195,000		2027	350,000	
2022	350,000		2028	350,000	
2023	350,000				

The Bonds are issued in fully registered book-entry-only form without coupons, and are not subject to redemption prior to maturity.

COUNSEL WHEN IT MATTERS.SM

The Bonds are being issued to provide funds which will be used to: (i) permanently finance the cost of various capital improvements by the repayment at maturity of the principal of certain bond anticipation notes heretofore issued by the Borough; (ii) permanently finance the costs of various capital improvements for which obligations have been authorized, but not issued; and (iii) pay certain costs and expenses incidental to the issuance and delivery of the Bonds.

As the basis for the opinion set forth below, we have examined such matters of law as we have deemed necessary including, inter alia, the Constitution of the State of New Jersey, the Internal Revenue Code of 1986, as amended ("Code"), and the Local Bond Law. We have also examined such documents, certifications and instruments as we have deemed necessary including, without limitation, the Bond Ordinances, the Resolution, the Award Certificate, the representations and covenants of the Borough given pursuant to the Code as set forth in the Certificate as to Nonarbitrage and Other Tax Matters ("Nonarbitrage Certificate"), and the other certifications, opinions and instruments listed in the closing agenda prepared in connection with the settlement for the Bonds.

In rendering the following opinion, we have relied upon the authenticity, truthfulness and completeness of all documents, instruments and certifications examined including, without limiting the generality of the foregoing, the Nonarbitrage Certificate.

Based upon and subject to the foregoing, we are of the following opinion:

1. The Bonds are legal, valid and binding obligations of the Borough enforceable in accordance with the terms thereof, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency or other laws or equitable principles affecting the enforcement of creditors' rights generally ("Creditors' Rights Limitations").

2. For the payment of principal of and interest on the Bonds, the Borough has the power and is obligated, to the extent payment is not otherwise provided, to levy ad valorem taxes upon all taxable real property within the Borough without limitation as to rate or amount, except to the extent that enforcement thereof may be affected by Creditors' Rights Limitations.

3. Interest on the Bonds is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Code and is not a specific item of tax preference item under Section 57 of the Code for purposes of calculating the alternative minimum tax imposed on individuals and corporations pursuant to Section 55 of the Code.

The adjustment for "adjusted current earnings" set forth in Section 56(g) of the Code is required in determining a corporation's alternative minimum taxable income. Alternative minimum taxable income is increased by seventy-five percent (75%) of the excess, if any, of the "adjusted current earnings" of a corporation over the alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction).

Interest on tax-exempt obligations, including the Bonds, is not excludable in calculating certain corporation's "adjusted current earnings." Accordingly, a portion of the interest on the Bonds received or accrued by a corporation that owns the Bonds is included in computing such corporation's alternative minimum taxable income for such year.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Bonds received or accrued by a foreign corporation subject to the branch profits tax may be included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering this opinion, we have assumed continuing compliance by the Borough that it will comply with the applicable requirements of the Code, including requirements relating to, inter alia, the use and investment of proceeds of the Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Borough to comply with such covenants could result in the interest on the Bonds being subject to federal income tax from the date of issue. We have not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date hereof that may affect the tax-exempt status of the interest on the Bonds.

Ownership of the Bonds may result in collateral federal income tax consequences to certain taxpayers including, without limitation, certain holders of an interest in a financial asset securitization investment trust, property and casualty insurance companies, controlled foreign corporations, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit, and to individuals and families that qualify for a premium assistance credit amount under Section 36B of the Code. The Code denies the earned income credit to an individual who is otherwise eligible if the aggregate amount of disqualified income of the taxpayer for the taxable year exceeds certain limits set forth in Sections 32(i) and (j) of the Code. Interest on the Bonds will constitute disqualified income for this purpose. The Code also provides that the earned income credit is phased out if the modified adjusted gross income of the taxpayer exceeds certain amounts. Interest on the Bonds is included in determining the modified adjusted gross income of the taxpayer. Section 36B of the Code provides that the amount of the premium assistance credit amount is in part determined by household income. Section 36B(d) of the Code provides that household income consists of the "modified adjusted gross income" of the taxpayer and certain other individuals. "Modified adjusted gross income" means adjusted gross income increased by certain amounts, including interest received or accrued by the taxpayer which is exempt from tax, such as the interest on the Bonds.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Borough has designated the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. Eighty percent (80%) of the interest expense deemed incurred by banks, thrift institutions and other financial institutions to purchase or carry "qualified tax-exempt obligations" is deductible.

Owners of the Bonds should consult their own tax advisers as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

4. Interest on the Bonds and any gain from the sale thereof is not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as enacted and construed on the date hereof.

We express no opinion as to any matter not set forth in the numbered paragraphs above including, without limitation, any financial or other information which has been or may be supplied to purchasers of the Bonds.

The opinions expressed in the numbered paragraphs above are being rendered on the basis of federal law and the laws of the State of New Jersey, as presently enacted and construed, and we assume no responsibility to advise any party as to any changes in law or fact subsequent to the date hereof.

This is only an opinion letter and not a warranty or guaranty of the matters discussed above.

This letter is being provided solely for the benefit of the Borough and may not be relied upon by any other person, party, firm or organization without our prior written consent.

Very truly yours,
