

COUNTY OF CAMDEN, NEW JERSEY

NOTICE OF SALE OF \$42,980,000 BOND ANTICIPATION NOTES, SERIES 2022A

NOTICE IS HEREBY GIVEN that proposals (the “Proposal for Notes”) will be received electronically via the Parity Electronic Bid System (“PARITY[®]”) of i-Deal (“i-Deal”) in the manner described below under the heading “Procedures Regarding Electronic Bidding,” on Tuesday, May 17, 2022 (the “Bid Date”) until 11:00 a.m., New Jersey time, and then and there publicly opened and considered by the County for the purchase of all (but not less than all) of the County’s \$42,980,000 aggregate principal amount of Bond Anticipation Notes, Series 2022A dated June 1, 2022 and maturing on May 31, 2023 (the “Notes”).

Bidders are required to submit bids for the Notes in accordance with the terms of this Notice of Sale.

Payment of Interest; Redemption

The Notes will bear interest at the rate per annum specified by the successful bidder therefor in accordance herewith, payable at maturity. The Notes are not subject to redemption prior to maturity.

Book-Entry-Only

The Notes will be issued in the form of one fully registered note certificate, and when issued, will be registered in the name of Cede & Co., as the registered owner thereof and as nominee of The Depository Trust Company (“DTC”), which will act as security depository for the Notes. Individual purchases of beneficial ownership interests in the Notes may be made in book-entry form only on the records of DTC and DTC Participants and only in the principal amount of \$5,000 or any integral multiple thereof. It shall be the obligation of the successful bidder to furnish to DTC an underwriter’s questionnaire and the denominations of the Notes not less than seventy-two (72) hours prior to the delivery of the Notes.

In the event that either DTC determines not to continue to act as securities depository for the Notes or the County determines that it is in the best interest of the beneficial owners of the Notes that they be able to obtain note certificates, the County will appoint a paying agent and will issue and deliver replacement Notes in the form of fully registered certificates.

Bid Specifications

All bids must be submitted electronically via PARITY[®] pursuant to the procedures described below and shall be deemed to incorporate by reference all of the terms and conditions of this Notice of Sale. The submission of a bid electronically via PARITY[®] shall constitute and be deemed to be the bidder’s signature on the proposal for Notes.

Basis of Award

Award of the Notes to the successful bidder or rejection of all proposals for Notes is expected to be made within two hours after opening of the proposals for Notes, but such successful bidder may not withdraw its proposal for Notes before 3:30 p.m. New Jersey time on the Bid Date and then only if such award has not been made prior to the withdrawal. The Notes will be awarded to the bidder on whose bid the total loan may be made at the lowest net interest cost. Interest will be calculated on a 360 day year basis. Such net interest cost shall be computed, as to each bid, by adding to the total principal amount of Notes bid for (which shall be all of the Notes offered) the total interest cost to maturity in accordance with such bid and by deducting therefrom the amount of premium, if any, bid. No proposal shall be considered which offers to pay an amount less than the principal amount of Notes offered for sale or under which the total loan is made at an interest cost higher than the lowest net interest cost to the County under any legally acceptable proposal. If two or more such bidders offer to pay the lowest net interest cost, then the Notes will be sold to one of such bidders selected by lot from among all such bidders. The bidder to which the Notes are awarded (in the manner specified above) is herein referred to as the “successful bidder.”

Right to Reject Proposal for Notes; Waive Irregularities

The County reserves the right to reject any and all proposals for Notes, and except as set forth in the next sentence, any proposal for Notes not complying with the terms of this Notice of Sale will be rejected. The County reserves the right to (i) reject any or all proposals for Notes; (ii) so far as permitted by law, waive any irregularity or informality in any or all proposals for Notes; and (iii) generally take such action as it deems will best serve the public interest. The bidder, by submitting a bid, agrees to accept the determination of the Chief Financial Officer.

Procedures Regarding Electronic Bidding

Bids must be submitted electronically via PARITY® in accordance with this Notice of Sale. Bids may be submitted until 11:00 a.m., New Jersey time on the Bid Date, but no bid will be accepted after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY®, potential bidders may contact the County’s financial advisor (using the contact information set forth in the final paragraph of this Notice of Sale) or PARITY® at (212) 849-5021. The County may, but is not obligated to, acknowledge its acceptance in writing of any bid submitted electronically via PARITY®.

All bidders further agree that:

1. The County may regard the electronic transmission of the bid through PARITY® (including information about the purchase price of the Notes, the interest rate or rates to be borne by the Notes, the premium bid for the Notes and any other information included in such transmission) as though the same information were executed by a duly authorized signatory of the bidder. For the bid which is submitted electronically via PARITY® and accepted by the County, the terms of this Notice of Sale, as well as the information that is electronically transmitted through PARITY®, shall form a contract, and the successful bidder shall be bound by the terms of such contract.

2. PARITY[®] is not an agent of the County, and the County shall have no liability whatsoever based on any bidder's use of PARITY[®], including but not limited to any failure by PARITY[®] to correctly or timely transmit information provided by the County or information provided by the bidder.

3. The County may choose to discontinue use of electronic bidding via PARITY[®] by issuing a notification to such effect via Thomson News Service ("TM3"), or by other available means, no later than 3:00 p.m. (New Jersey time) on the last business date prior to the Bid Date.

4. Once the bids are communicated electronically via PARITY[®] to the County, as described above, each bid will constitute a proposal for Notes and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice of Sale. For purposes of submitting a bid, the time as maintained on PARITY[®] shall constitute the official time.

5. Each bidder shall be solely responsible to make necessary arrangements to access PARITY[®] for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor i-Deal shall have any duty or obligation to provide or assure access to any bidder, and neither the County nor i-Deal shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY[®]. The County is using PARITY[®] as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Notes. By using PARITY[®], each bidder agrees to hold the County harmless for any harm or damage caused to such bidder in connection with its use of PARITY[®] for bidding on the Notes.

Clarification Prior to the Opening of Bids

The County may, in its sole discretion and prior to the opening of bids, clarify any term hereof, including, without limitation, its decision to discontinue use of electronic bidding via PARITY[®], by issuing a notification of the clarification via TM3, or any other available means, no later than 3:00 p.m. (New Jersey time) on the last business day prior to the Bid Date.

The County further reserves the right to postpone, from time to time, the Bid Date. Any such postponement will be announced by TM3, or any other available means, not later than 9:00 a.m., New Jersey time, on the Bid Date. Any such alternative Bid Date and the time at which bids are due will be announced via TM3, or any other available means, at least 48 hours before bids are due. On any such alternative Bid Date, bidders shall submit proposals for Notes in conformity with all of the requirements hereof, other than the date of submission and sale and any further or contrary provisions set forth in such announcement, which further or contrary provisions must be complied with by all bidders.

Establishment of Issue Price (Hold-The-Offering Price May Apply if Competitive Sale Requirements are Not Satisfied)

1. The successful bidder shall assist the County in establishing the issue price of the Notes and shall execute and deliver to the County at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes, together with the supporting pricing wires or equivalent communications, as described below under “Documents to be Delivered at Closing.” All actions to be taken by the County under this Notice of Sale to establish the issue price of the Notes may be taken on behalf of the County by the County’s financial advisor identified herein and any notice or report to be provided to the County may be provided to the County’s financial advisor.

2. The County intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) (defining “competitive sale” for purposes of establishing the issue price of the Notes) will apply to the initial sale of the Notes (the “competitive sale requirements”) because:

- (a) the County shall disseminate this Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (b) all bidders shall have an equal opportunity to bid;
- (c) the County may receive bids from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (d) the County anticipates awarding the sale of the Notes to the bidder who submits a firm offer to purchase the Notes at the lowest interest cost, as set forth in this Notice of Sale.

Any bid submitted pursuant to this Notice of Sale shall be considered a firm offer for the purchase of the Notes, as specified in the bid. By submitting a bid, bidders are deemed to have certified that they have an established industry reputation as a regular purchaser or underwriter of tax-exempt obligations such as the Notes.

3. In the event that the competitive sale requirements are not satisfied, the County shall so advise the successful bidder. The County may determine to treat (i) the first price at which 10% of the Notes (the “10% test”) is sold to the public as the issue price of the Notes and/or (ii) the initial offering price to the public as of the sale date of the Notes as the issue price of the Notes (the “hold-the-offering-price rule”). The successful bidder shall advise the County if the Notes satisfy the 10% test as of the date and time of the award of the Notes. The County will promptly advise the successful bidder, at or before the time of award of the Notes, whether the Notes will be subject to the 10% test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the County determines to apply the hold-the-offering-price rule to the Notes. Bidders should prepare their bids on the assumption that

the Notes will be subject to the hold-the-offering-price rule in order to establish the issue price of the Notes.

4. By submitting a bid, the successful bidder shall (i) confirm that the underwriters have offered or will offer the Notes to the public on or before the date of award at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in the bid submitted by the successful bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Notes, that the underwriters will neither offer nor sell unsold Notes to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(a) the close of the fifth (5th) business day after the sale date; or

(b) the date on which the underwriters have sold at least 10% of the Notes to the public at a price that is no higher than the initial offering price to the public.

The successful bidder shall promptly advise the County when the underwriters have sold 10% of the Notes to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

5. By submitting a bid, each bidder confirms that: (a) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (i) report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful bidder that either the 10% test has been satisfied as to the Notes and (ii) comply with the hold-the-offering price rule, if applicable, in each case if and for so long as directed by the successful bidder and as set forth in the related pricing wires, and (b) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to (i) report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful bidder or such underwriter that the either the 10% test has been satisfied as to the Notes or all of the Notes have been sold to the public and (ii) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the successful bidder or such underwriter and as set forth in the related pricing wires.

6. Sales of the Notes to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Notice of Sale. Further, for purposes of this Notice of Sale:

- (a) “public” means any person other than an underwriter or a related party,
- (b) “underwriter” means (i) any person that agrees pursuant to a written contract with the County (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Notes to the public and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) to participate in the initial sale of the Notes to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Notes to the public),
- (c) a purchaser of the Notes is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (d) “sale date” means the date that the Notes are awarded by the County to the successful bidder.

Delivery and Payment

It is expected that the Notes will be delivered on or about June 1, 2022 (the “Closing Date”) at the offices of DTC and that payment for the Notes will take place at the offices of McCarter & English, LLP, Bond Counsel to the County (“Bond Counsel”), in Newark, New Jersey. The successful bidder must be prepared to take delivery of the Notes on the Closing Date and simultaneously pay the purchase price thereof IN IMMEDIATELY AVAILABLE FEDERAL FUNDS by 9:30 a.m. (New Jersey time) on the Closing Date.

Documents to be Delivered at Closing

The successful bidder shall be obligated to furnish to the County within forty-eight (48) hours prior to the Closing Date a certificate (the “Issue Price Certificate”), substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the successful bidder, the County and Bond Counsel. In the event that the Notes shall be held by the successful bidder for investment and not be offered for resale to the public, the successful bidder shall specify on such Issue Price Certificate the purchase price being paid by the successful bidder to the County, which purchase price shall be at least equal to the fair market value price of the Notes.

The obligation hereunder to deliver and to accept the Notes will also be conditioned on the availability and delivery on the Closing Date of the approving opinion of the law firm of McCarter & English, LLP, Newark, New Jersey, which will be furnished without cost to the

successful bidder of the Notes, substantially in the form set forth in the Official Statement distributed in preliminary form in connection with the sale of the Notes. Such opinion shall state to the effect that the Notes are valid and legally binding obligations of the County, and that all taxable property within the jurisdiction of the County is subject to the levy of ad valorem taxes, without limitation as to rate or amount, to pay the Notes and the interest thereon; and will also state that under existing law, interest on the Notes is not includable in gross income for purposes of Federal income taxation. The obligations hereunder to deliver and accept the Notes shall be further conditioned on the availability and delivery on the Closing Date of (a) certificates in form satisfactory to Bond Counsel evidencing the proper execution and delivery of the Notes and receipt of payment therefor and setting forth the facts necessary to conclude that the interest on the Notes will be excluded from gross income under Section 103 of the Code; (b) a certificate, in form and tenor satisfactory to Bond Counsel and dated as of the date of such delivery, to the effect that there is no litigation pending or (to the knowledge of the signer or signers thereof) threatened affecting the validity of the Notes; (c) a certificate signed by the County relating to completeness and accuracy of the Preliminary Official Statement and the final Official Statement; and (d) a Continuing Disclosure Certificate satisfying the requirements of Rule 15c2-12 (as hereinafter defined) and the undertaking of the County with respect thereto.

Preliminary and Final Official Statement

The County has issued an official statement with respect to the sale of the Notes in preliminary form (the "Preliminary Official Statement"). The County, by accepting the proposal for Notes submitted by the successful bidder, (a) certifies to the successful bidder as of the date of acceptance of such proposal for Notes, that the Preliminary Official Statement furnished prior to the date of such acceptance has been "deemed final" as of its date by the County within the meaning of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 ("Rule 15c2-12"), except for certain omissions permitted thereunder and except for changes permitted by other applicable law; and (b) agrees to provide the successful bidder, in order to permit the successful bidder to comply with Rule 15c2-12, with a reasonable number of copies in total of the final Official Statement within seven (7) business days after the date of acceptance by the County of such proposal for Notes at the sole cost and expense of the County, with any additional copies that the successful bidder shall reasonably request to be provided at the sole cost and expense of the successful bidder. The successful bidder, by executing its proposal for Notes, agrees to provide two copies of the final Official Statement (with any required forms) to the Electronic Municipal Market Access ("EMMA") System of the Municipal Securities Rulemaking Board (the "MSRB") or its designee pursuant to MSRB Rule G-32 no later than ten (10) business days following the date of acceptance of its proposal for Notes, and to notify the County of (i) the date which is the "end of the underwriting period" within the meaning of Rule 15c2-12 and (ii) the date(s) on which copies of the final Official Statement are filed with EMMA. The successful bidder, by such execution, further agrees that the Closing Date shall be the date of the "end of the underwriting period" for the Notes within the meaning of Rule 15c2-12.

Insurance

If the Notes qualify for the issuance of any policy of municipal bond insurance or commitment therefore at the option of a bidder, any purchase of such insurance or commitment therefore shall be at the sole option and expense of the bidder and any increased cost of issuance of the Notes resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Notes to be so insured or of any such policy of insurance to be issued shall not in any way relieve the successful bidder of its contractual obligations arising from the acceptance of its proposal for Notes. In the event such a policy of municipal bond insurance is obtained, the successful bidder shall, simultaneously with its delivery of the Issue Price Certificate, furnish to the County a certificate, in form and substance satisfactory to Bond Counsel, containing such information as shall be required, in the opinion of Bond Counsel, to establish that such municipal bond insurance policy constitutes a “qualified guarantee” (as defined in Section 1.148-4(f) of the Treasury Regulations), the premium for which may be taken into account in determining the yield on the Notes for purposes of Section 148 of the Code.

CUSIP Identification Numbers

It is anticipated that CUSIP Identification Numbers will be printed on the Notes. Acacia Financial Group, Inc., financial advisor to the County, will timely apply for CUSIP Identification Numbers with respect to the Notes as required by MSRB Rule G-34. The CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the successful bidder. The successful bidder will be responsible for notify CUSIP Global Services of any changes in structure and shall add or cancel CUSIP numbers as needed to the final structure. The County will assume no obligation for the assignment or printing of such numbers on the Notes or for the correctness of such numbers, and neither the failure to print such numbers on any Note nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder thereof to accept delivery of and make payment for the Notes.
