Individual purchases of the Series 2024 Bonds will be made in book-entry only form (without certificates) in denominations of \$5,000 or any integral multiple thereof. So long as The Depository Trust Company, Brooklyn, New York ("DTC") or its nominee, Cede & Co., is the registered owner of the Series 2024 Bonds, payments of the principal or Redemption Price of, and interest on, the Series 2024 Bonds will be made directly to Cede & Co., as nominee for DTC. Disbursement of such payments to the participants of DTC (the "DTC Participants") is the responsibility of DTC and disbursement of such payments to the Beneficial Owners (as defined herein) of the Series 2024 Bonds is the responsibility of the DTC Participants and not the Authority or the Trustee. See "DESCRIPTION OF THE SERIES 2024 BONDS - Book-Entry Only System" below. In the event that the Series 2024 Bonds are no longer subject to the DTC Book-Entry Only System, the principal or Redemption Price of the Series 2024 Bonds will be payable upon surrender of the respective Series 2024 Bonds at the principal corporate trust office of the

Trustee or at any other place that may be provided for such payment by the appointment of any other Trustee under the Indenture.

Interest on the Series 2024 Bonds, calculated on the basis of a 360-day year of twelve (12) thirty (30) day months, is payable on June 1 and December 1 (each, an "Interest Payment Date") of each year, commencing on June 1, 2025, by check or draft of the Trustee, or, in the case of owners of \$1,000,000 or more in principal amount of Series 2024 Bonds which have submitted to the Trustee a written request therefor, by wire transfer of immediately available funds. Principal or Redemption Price of the Series 2024 Bonds will be paid, when due, upon presentation and surrender of the Series 2024 Bonds at the principal corporate trust office of the Trustee. Interest on any Series 2024 Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name the Series 2024 Bond is registered at the close of business on the 15th day of the calendar month immediately preceding an Interest Payment Date (whether or not a business day) (the "Record Date").

Any interest on any Series 2024 Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Default Interest") shall forthwith cease to be payable to the person who is the Registered Owner on the relevant regular Record Date, and such Default Interest shall be paid to the person in whose name the Series 2024 Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) days nor less than ten (10) days prior to the date of proposed payment (the "Default Interest Payment Date"), and which Special Record Date shall be fixed by the Trustee within ten (10) days after the receipt by the Trustee of the written notice of the proposed payment from the Authority.

### **Optional Redemption**

The Series 2024 Bonds maturing prior to December 1, 2035 are not subject to redemption prior to their stated maturity dates. The Series 2024 Bonds maturing on and after December 1, 2035 are subject to redemption prior to maturity at the option of the Authority, on or after December 1, 2034, as a whole or in part on any date in such order of maturities as the Authority may direct and within a maturity by lot (or other customary method of selection determined by the Trustee) at a redemption price equal to one hundred percent (100%) of the principal amount of the Series 2024 Bonds to be redeemed ("Redemption Price"), together with interest accrued to the redemption date, upon notice as set forth in the Indenture and described below.

### **Mandatory Sinking Fund Redemption**

The Series 2024 Bonds maturing on December 1, 2044 are subject to scheduled mandatory sinking fund redemption by the Authority on December 1 of the years and in the amounts set forth below at a Redemption Price equal to one hundred percent (100%) of the principal amount thereof together with interest accrued to the redemption date:

## **Notice of Redemption**

The Trustee shall give notice, in the name of the Authority, of the redemption of Series 2024 Bonds called for redemption, which notice shall specify the maturities of the Series 2024 Bonds to be redeemed, the Redemption Price, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2024 Bonds are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2024 Bonds so to be redeemed and, in the case of Series 2024 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2024 Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Series 2024 Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, via first class mail, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to registered owners of any Series 2024 Bonds or portions of Series 2024 Bonds which are to be redeemed, at their last addresses appearing upon the registry books. Failure to give notice by mail or any defect in the notice to the registered owner of any Series 2024 Bonds which are to be redeemed shall not affect the validity of the proceedings for the redemption of any other Series 2024 Bonds. Any notice which is mailed in the manner described above shall be conclusively presumed to have been duly given, whether or not the Holder receives the notice. So long as the Series 2024 Bonds are in registered in the name of Cede, as nominee of DTC, all notices with respect to the Series 2024 Bonds shall be given to DTC.

## **Book-Entry Only System<sup>1</sup>**

The description which follows of the procedures and record keeping with respect to beneficial ownership interests in the Series 2024 Bonds, payment of principal and interest, and other payments on the Series 2024 Bonds to DTC Participants or Beneficial Owners (as such terms are defined or used herein), confirmation and transfer of beneficial ownership interests in the Series 2024 Bonds and other related transactions by and between DTC, DTC Participants and Beneficial Owners, is based on certain information furnished by DTC to the Authority. Accordingly, the Authority does not make any representations as to the completeness or accuracy of such information.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing

corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+". The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds within a series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority or its designated Paying Agent as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and distributions on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or its designated Paying Agent, on payable date in accordance with their respective holdings

shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Paying Agent, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and distributions to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or its designated Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the Authority or its designated Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

**The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority believes to be reliable, but the Authority takes no responsibility for the accuracy thereof.**

THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SEC, AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH ITS PARTICIPANTS ARE ON FILE WITH DTC.**

**NONE OF THE AUTHORITY, THE CITY, THE TRUSTEE OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS OF THE SERIES 2024 BONDS WITH RESPECT TO: (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT OR INDIRECT PARTICIPANT; (2) THE PAYMENT BY DTC TO ANY DIRECT PARTICIPANT OR BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER WITH RESPECT TO THE PRINCIPAL OF OR REDEMPTION PRICE OR INTEREST ON ANY SERIES 2024 BONDS; (3) THE DELIVERY BY DTC, ANY DIRECT PARTICIPANT OR ANY INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO THE HOLDERS OF THE SERIES 2024 BONDS; (4) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2024 BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, ANY DIRECT PARTICIPANT OR ANY INDIRECT PARTICIPANT.**

**SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2024 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE BONDHOLDERS OR REGISTERED OWNERS OF THE SERIES 2024 BONDS (OTHER THAN UNDER THE CAPTION "TAX MATTERS") SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS.**

### **Discontinuance of Book-Entry-Only System**

In the event that the book-entry-only system is discontinued and the Beneficial Owners become registered owners of the Series 2024 Bonds, the following provisions would apply: (i) the Series 2024 Bonds may be exchanged for an equal aggregate principal amount of bonds in other authorized denominations, of the same maturity, upon surrender thereof at the designated corporate trust office of the Paying Agent; (ii) the transfer of any Series 2024 Bonds may be registered on the books maintained by the Paying Agent for such purpose only upon the surrender thereof to the Paying Agent together with the duly executed assignment in form satisfactory to the Authority and the Paying Agent; and (iii) for every exchange or registration of transfer of Series 2024 Bonds, the Paying Agent may make a charge sufficient to reimburse for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer of the Series 2024 Bonds. Interest on the Series 2024 Bonds will be payable by check or draft, mailed on each Interest Payment Date to the registered owners thereof as of the close of business on the Record Date, whether or not a business day.

## **SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2024 BONDS**

### **General**

The Series 2024 Bonds shall be special and limited obligations of the Authority payable solely from and secured by its interest in the Pledged Property (as described below and as defined in the Indenture). The Series 2024 Bonds are not payable from general funds of the Authority and shall not constitute a legal or equitable pledge or lien or encumbrance upon any of the assets or property of the Authority or upon any of its income, receipts, or revenues, except as provided in the Indenture. The full faith and credit of the Authority are not pledged, either expressly or by implication, to the payment of the Series 2024 Bonds. The Authority has no taxing power. The Authority has no claim on revenues or receipts of the State or any agency or political subdivision thereof (except the City to the extent of the City's obligations under the Lease Agreement).

"Revenues" are defined in the Indenture to mean: (i) all amounts, including Lease Payments, received by the Authority from the City under the Lease Agreement (except for Additional Lease Payments), and any other agreement with respect to any Additional Project; (ii) any moneys or securities held pursuant to the Indenture and paid or required to be paid into the Debt Service Fund; (iii) any payments made by the City to the Authority pursuant to the Indenture; (iv) interest received on any moneys or Investment Securities held under the Indenture (other than in the Rebate Fund) and required to be paid into the Revenue Fund pursuant to the Indenture; and (v) any other amounts received from any other source by the Authority and pledged by the Authority as security for the payment of a particular Series of Bonds pursuant to a Supplemental Indenture.

"Pledged Property" is defined in the Indenture to mean: (i) the Revenues; (ii) the Funds and Accounts established under the Indenture (other than the Rebate Fund), including Investment Securities held in any such Funds or Accounts; and (iii) all other moneys, securities or funds pledged for the payment of the principal or Redemption Price of and interest on the Series 2024 Bonds in accordance with the terms and provisions of the Indenture.

Under the Indenture, Refunding Bonds on parity with the Series 2024 Bonds may be issued for the refunding of any Bonds outstanding under the Indenture. See APPENDIX "C" for the requirements that must be met prior to the issuance of Refunding Bonds.

The Lease Payments to be made by the City pursuant to the Lease Agreement are equal to the amount of the principal or Redemption Price of, and interest on, the Series 2024 Bonds due on each Lease Payment Date together with, as applicable, Additional Lease Payments (including, but not limited to, administrative expenses of the Authority with respect to the Series 2024 Bonds incurred by the Authority from time to time) as and when the same become due and payable upon demand pursuant to the terms of the Lease Agreement. Pursuant to the Lease Agreement, the City has covenanted to budget in each fiscal year amounts for the purpose of satisfying the Lease Payments to be made by the City to the Authority pursuant to the terms of the Lease Agreement. Nevertheless, the payment obligations created under the Lease Agreement are direct, general, irrevocable and unconditional obligations of the City payable from any source legally available to the City, including, without limitation, the general tax revenues of the City and the City shall, if necessary, levy *ad valorem* taxes upon all taxable property within the jurisdiction of the City for the payment of such obligations without limitation as to rate or amount. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2024 BONDS – Lease Agreement" herein.

The Lease Payments (excluding Additional Lease Payments) include only scheduled payments of principal of the Series 2024 Bonds (including Sinking Fund Installments, if any, and payments of principal upon maturity of serial maturity Series 2024 Bonds) and scheduled payments of interest on the Series 2024 Bonds.

No recourse shall be had for the payment of the principal of or interest on the Series 2024 Bonds or for any claim based thereon or on the Indenture against any member or officer of the Authority, the City or any person executing the Series 2024 Bonds. No member, officer or employee of the Authority or the City or any person executing the Series 2024 Bonds shall be liable personally on the Series 2024 Bonds by reason of the issuance thereof.

The security interest granted and the pledge and assignment made in the Indenture and the covenants and agreements therein set forth to be performed on behalf of the Authority shall be for the equal benefit, protection and security of the holders of any and all of the Series 2024 Bonds and any Additional Bonds, all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction of any of the Series 2024 Bonds or Additional Bonds over any other thereof, all except as expressly provided in or permitted by the Indenture.

### **Lease Agreement**

The Authority and the City have entered into the Lease Agreement in order to secure the Series 2024 Bonds. With respect to the Series 2024 Bonds, pursuant to the terms of the Lease Agreement, the City is required to make Lease Payments to the Authority on each Lease Payment date in an amount equal to the debt service payable on the Series 2024 Bonds on the immediately succeeding Interest Payment Date, Principal Installment Date or Sinking Fund Installment due date, as the case may be, subject to a credit for investment earnings and certain other amounts received by the Trustee as provided therein. Lease Payment Dates occur thirty (30) days prior to each Interest Payment Date, Principal Installment Date or Sinking Fund Installment due date, as applicable. In addition, the City is required to make Additional Lease Payments to cover certain administrative expenses of the Trustee and the Authority and other professional fees and the Rebate Amount, if any.

The Lease Agreement provides that the cost and expense of the performance by the City of its obligations under the Lease Agreement and the incurrence of any liabilities of the City under the Lease Agreement including, without limitation, the obligation for the payment of all Lease Payments and all other amounts required to be paid by the City under the Lease Agreement is a direct and general obligation for which the full faith and credit of the City is pledged, which obligation is **not** subject to City appropriation and, unless the Lease Payments and such other amounts required to be paid by the City under the Lease Agreement are paid from other sources, the City shall be obligated to levy *ad valorem* taxes on all taxable property within the jurisdiction of the City without limitation as to rate or amount.

The City Council of the City duly and finally adopted an ordinance on July 30, 2024, authorizing the execution and performance on behalf of the City of the City's obligations under the Lease Agreement and the pledge of the City's full faith and credit to the payment of the Lease Payments when due.

An Event of Default under the Lease Agreement shall not give rise to an Event of Default under the Indenture.

### **RISK FACTORS**

The purchase of the Series 2024 Bonds involves numerous investment risks, some of which are referred to in this Official Statement. No representation is made that the risks described or referred to in this Official Statement constitute all the risks associated with investing in the Series 2024 Bonds. Moreover, the discussion herein of risks to the owners of the Series 2024 Bonds is not intended as dispositive, comprehensive or definitive, but rather is intended to summarize certain matters which could affect payment on the Series 2024 Bonds. Accordingly, prior to making a decision to invest in the Series 2024 Bonds, each prospective purchaser thereof should make an independent evaluation of all of the information presented in this Official Statement, including the Appendices hereto, and should review other pertinent information.

### **IMPACT OF COVID-19**

In early March of 2020, the World Health Organization declared a pandemic following the global outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus ("Coronavirus" or "COVID-19"). A national emergency was declared by the President of the United States ("President") (which has since been terminated), to provide federal intervention for the mitigation of the Coronavirus as a public health emergency and to unlock federal funds and assistance to help states and local governments manage the pandemic. On March 9, 2020, the Governor of the State of New Jersey ("Governor") issued Executive Order 103, pursuant to which the Governor declared a State of Emergency and a Public Health Emergency, thereby allowing State agencies and departments to utilize State resources to assist affected communities in response to the COVID-19 outbreak.

The federal Public Health Emergency was terminated on May 11, 2023, but the State of Emergency for the State remains in effect as of the date hereof. Other Executive Orders (some of which have since been modified or rescinded) limited various activities and undertook measures in an attempt to slow the spread of COVID-19 throughout the State. These measures, which impacted the behavior of businesses and individuals, have had, and may continue to have, impacts on regional, state, and local economies. See <https://covid19.nj.gov> for further detail regarding the impact of COVID-19 on the State and the Governor's various executive orders.

In an effort to provide relief to entities impacted by the COVID-19 pandemic, the American Rescue Plan Act of 2021, H.R. 1319 ("Plan") was signed into law by President Biden on March 12, 2021, and provides \$1.9 trillion in financial assistance to businesses, individuals and governmental entities. In

particular, the Plan includes various forms of financial relief, including up to a \$1,400 increase in direct stimulus payments to individuals and various other forms of economic relief, including extended unemployment benefits, continued eviction and foreclosure moratoriums, an increase in the child tax credit, an increase in food and housing aid, assistance grants to restaurants and bars, and other small business grants and loans. The Plan also provides funding for state and local governments to recoup and offset costs related to COVID-19 and to encourage and re-establish economic development and certain infrastructure improvements.

Pursuant to the funding methodology under the Plan, the City received approximately \$8,255,513 in funding ("Plan Funds"), all of which must be encumbered by December 31, 2024, and fully expended by December 31, 2026. Such funds were received in two (2) equal payments; one (1) received within 60 days of enactment of the Plan, and the balance was received no earlier than 12 months from the initial payment. Pursuant to the Plan (codified as Section 603(c) of the Social Security Act (42 U.S.C. 603(c)), Plan Funds may be utilized to: (i) respond to the public health emergency with respect to COVID-19 or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality; (ii) respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the County that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work; (iii) provide government services to the extent of the reduction in revenue due to the public health emergency relative to revenues collected in the most recent full fiscal year of the County prior to the emergency; and (iv) make necessary investments in water, sewer or broadband infrastructure. Plan Funds may not, however, be utilized for debt service, legal settlements or judgments or financial reserves.

As the City's financial information appearing in APPENDIX "B" indicates, the COVID-19 pandemic has not had a material impact on the City's finances through the end of fiscal year 2023. In addition, through the fiscal year ended 2023, the COVID-19 pandemic has not had a material adverse impact on the finances of the Authority.

While the effects of COVID-19 have abated significantly in the State, the Authority and the City cannot predict, and do not predict, whether or if COVID-19, or any similar viral disease (including any variants or sub-variants thereof), may reemerge in the future and, if such reemergence occurs, what the effects thereof may have upon global, State-wide and local economies and operations, including that of the Authority and the County.

## **CYBER SECURITY**

The Authority and the City each rely on a complex technology environment to conduct their respective various operations. As a result, the Authority and the City face certain cyber security threats at various times including, but not limited to, hacking, phishing, viruses, malware and other attacks on their computing and digital networks and systems. To mitigate the risks of business operations impact and/or damage from cybersecurity incidents or cyber-attacks, the Authority and the City have each invested in multiple forms of cybersecurity and operational safeguards.

## **CLIMATE CHANGE**

The State is naturally susceptible to the effects of extreme weather events and natural disasters including floods and hurricanes, which could result in negative economic impacts on communities. Such effects can be exacerbated by a longer-term shift in the climate over several decades (commonly referred to as "climate change"), including increasing global temperatures and rising sea levels. The occurrence of such extreme weather events could damage local infrastructure that provides essential services to the

Authority and the City as well as resulting in economic impacts such as loss of *ad valorem* tax revenue, interruption of municipal services and escalated recovery costs. No assurance can be given as to whether future extreme weather events will occur that could materially adversely affect the financial condition of the Authority or the City.

Subsequent to closing, for any offering that includes bonds insured by BAM, any pre-sale Credit Profile will be updated and superseded by a final Credit Profile to include information about the gross par insured by CUSIP, maturity and coupon. BAM pre-sale and final Credit Profiles are easily accessible on BAM's website at <https://bambonds.com/credit-profiles>. ## **LITIGATION**

### **City**

In the opinion of Michele Gibson, Esquire, City Solicitor, there is no litigation pending or, to the best knowledge of the City Solicitor, threatened to restrain or enjoin the City from entering into the Lease Agreement or in any way contesting or affecting the City Project, or which, if decided adversely to the City, would have a material and adverse impact on the financial condition of the City.

## **TAX MATTERS**

**ALL POTENTIAL PURCHASERS OF THE SERIES 2024 BONDS SHOULD CONSULT WITH THEIR TAX ADVISORS IN ORDER TO UNDERSTAND THE TAX IMPLICATIONS OF THEIR INVESTMENT.**

## Federal Tax Matters

In the opinion of Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel to the Authority, assuming continuing compliance by the Authority and the City with their respective tax covenants described below, under existing law, interest on the Series 2024 Bonds is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and will not constitute a tax preference item for purposes of the alternative minimum tax on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Series 2024 Bonds received or accrued by a foreign corporation subject to the branch profits tax may be included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Series 2024 Bonds, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year, if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering its opinion, Bond Counsel has assumed continuing compliance by: (i) the Authority with the covenants contained in the Indenture, the Lease Agreement and in the Certificate as to Nonarbitrage and Other Tax Matters ("Nonarbitrage Certificate"); and (ii) the City with the covenants contained in the Lease Agreement and the Nonarbitrage Certificate, that each will comply with the applicable requirements of the Code. These covenants relate to, *inter alia*, the use and investment of proceeds of the Series 2024 Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Authority or the City to comply with such covenants could result in the interest on the Series 2024 Bonds being subject to federal income tax retroactive to the date of issue. Bond Counsel has not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date of issuance of the Series 2024 Bonds that may affect the tax-exempt status of the interest thereon.

Ownership of the Series 2024 Bonds may result in collateral federal income tax consequences to certain taxpayers including, without limitation, certain holders of an interest in a financial asset securitization investment trust, controlled foreign corporations, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit and to individuals and families that qualify for a premium assistance credit under Section 36B of the Code. The Code denies the earned income credit to an individual who is otherwise eligible if the aggregate amount of disqualified income of the taxpayer for the taxable year exceeds certain limits set forth in Sections 32(i) and (j) of the Code. Interest on the Series 2024 Bonds constitutes disqualified income for this purpose. The Code also provides that the earned income credit is phased out if the modified adjusted gross income of the taxpayer exceeds certain amounts. Interest on the Series 2024 Bonds is included in determining the modified adjusted gross income of the taxpayer. Section 36B of the Code provides that the amount of the premium assistance credit is in part determined by the household income. Section 36B(d) of the Code provides that household income consists of the "modified adjusted gross income" of the taxpayer and certain other individuals. "Modified adjusted gross income" means adjusted gross income increased by certain amounts, including interest received or accrued by the taxpayer which is exempt from tax, such as the interest on the Series 2024 Bonds.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by Banks, Thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Series 2024 Bonds are *not* "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Owners of the Series 2024 Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

### **New Jersey Tax Matters**

Bond Counsel is also of the opinion that interest on the Series 2024 Bonds and any gain from the sale thereof are not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as presently enacted and construed.

### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals in the United States Congress and in the New Jersey legislature that, if enacted, could alter or amend the Federal and New Jersey tax matters referred to above or adversely affect the market value or marketability of the Series 2024 Bonds. It cannot be predicted whether or in what form any such proposals might be enacted or whether, if enacted, such proposals would apply to obligations issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value or marketability of the Series 2024 Bonds.

PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS REGARDING ANY FEDERAL AND STATE INCOME TAX LEGISLATION, WHETHER CURRENTLY PENDING OR PROPOSED, REGULATORY INITIATIVES OR LITIGATION. THE OPINIONS EXPRESSED BY BOND COUNSEL ARE BASED UPON EXISTING LEGISLATION AND REGULATIONS AS INTERPRETED BY RELEVANT JUDICIAL AND REGULATORY AUTHORITIES AS OF THE DATE OF ISSUANCE AND DELIVERY OF THE SERIES 2024 BONDS AND BOND COUNSEL HAS EXPRESSED NO OPINION AS OF ANY DATE SUBSEQUENT THERETO OR WITH RESPECT TO ANY PENDING LEGISLATION, REGULATORY INITIATIVES OR LITIGATION.

### **PLEDGE OF THE STATE NOT TO LIMIT POWERS OF AUTHORITY OR RIGHTS OF BONDHOLDERS**

The Act sets forth the pledge and agreement that the State will not limit or alter the rights vested by the Act in the authorities organized thereunder to fix, establish, charge and collect service charges and to fulfill the terms of any agreements made with holders of obligations of authorities or in any way impair the rights and remedies of such holders, until such obligations, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged.

### **NEGOTIABILITY OF THE SERIES 2024 BONDS**

Section 24 of the Act, *N.J.S.A.* 40:37A-67, provides that any bond or obligation issued pursuant to the Act shall be fully negotiable within the meaning and for all purposes of the negotiable instruments law

of the State and each holder or owner of such bond or other obligation, or of any coupon appurtenant thereto, by accepting such bond or coupon shall be conclusively deemed to have agreed that such bond, obligation or coupon is and shall be fully negotiable within the meaning and for all purposes of said negotiable instruments law.

### **SERIES 2024 BONDS NOT A DEBT OF THE STATE**

The Series 2024 Bonds shall not in any way be a debt or liability of the State or any political subdivision thereof or create or constitute any indebtedness, liability or obligation of the State or any political subdivision thereof other than the obligation of: (i) the Authority, which has no taxing power, which obligation is limited to the Pledged Property and (ii) the City, to the extent of its Lease Payments, which shall be direct, general, irrevocable and unconditional obligations of the City payable from any source legally available to the City, including, without limitation, the general tax revenues of the City, and the City shall, if necessary, levy *ad valorem* taxes upon all the taxable property within the jurisdiction of the City for the payment of such obligations, without limitation as to rate or amount. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2024 BONDS" herein.

### **CONTINUING DISCLOSURE**

In accordance with the provisions of Rule 15c2-12, as amended (the "Rule"), promulgated by the Securities and Exchange Commission, pursuant to the Securities Exchange Act of 1934, as amended, prior to the issuance of the Series 2024 Bonds: (i) the Authority will enter into a Continuing Disclosure Agreement (the "Authority Disclosure Agreement") with Phoenix Advisors, LLC, as dissemination agent (the "Authority Dissemination Agent"); and (ii) the City will enter into a Continuing Disclosure Agreement (the "City Disclosure Agreement") with Acacia Financial Group, Inc., as dissemination agent (the "City Dissemination Agent"), substantially in the forms set forth in APPENDIX "E" hereto.

With respect to a prior note issue by the City on November 12, 2021, the City entered into a previous undertaking for which it is an obligated party. The City failed to timely file a required notice on EMMA (as hereinafter defined). The notice was subsequently filed on December 1, 2021. The City has appointed Acacia Financial Group, Inc. to act as a continuing disclosure agent to assist in the filing of certain information on Electronic Municipal Market Access ("EMMA") as required with regard to its obligations.

Within the five (5) years immediately preceding the date of this Official Statement, the Authority previously failed to file, in accordance with the Rule, in a timely manner, under previous filing requirements: (i) notices of the incurrences of a financial obligation during fiscal years ending December 31, 2019 and 2020 (Equipment Lease Purchases in the amount of \$200,000 and \$1,650,000, respectively) and (ii) adopted budget for the "Facilities" (as defined in the Official Statement for the Series 2014 Lease Revenue Bonds) for the fiscal years ending December 2019 to 2023. Additionally, the Authority previously failed to file late filing notices in connection with (i) its untimely filings of notices of incurrence of a financial obligation and (ii) Facilities adopted budget, all as described above. Further, in certain instances the Authority may not have associated all filings with all outstanding issues for which such filings may have been required. Such notices of events and late filings have since been filed. The Authority appointed Phoenix Advisors, LLC in December of 2017 to serve as continuing disclosure agent.

### **MUNICIPAL BANKRUPTCY**

The undertakings of the Authority and the City should be considered with reference to Chapter 9 of the United States Bankruptcy Code (the "Bankruptcy Code"), 11 U.S.C. Sections 901 to 946. Under Chapter 9 of the Bankruptcy Code, a municipality, which is a political subdivision or public agency or

instrumentality of a state, that is insolvent or unable to meet its debts may file a petition in a United States Bankruptcy Court (the "Bankruptcy Court") to adjust the debt of the municipality. Chapter 9 of the Bankruptcy Code does not permit the municipality to liquidate its assets and distribute the proceeds of its assets to its creditors. Chapter 9 of the Bankruptcy Code permits a financially distressed municipality to seek protection from its creditors by staying the commencement or continuation of certain actions against the municipality while it formulates and negotiates a plan of adjustment of its debts which can be binding on a dissenting minority of creditors if it is acceptable to the majority of creditors. Should the Authority or the City file a petition in the Bankruptcy Court under Chapter 9 of the Bankruptcy Code prior to the payment in full of the principal of and interest on the Series 2024 Bonds, the holders of the Series 2024 Bonds would be considered creditors and would be bound by the municipality's plan of adjustment of its debt.

Reference should also be made to *N.J.S.A. 52:27-40 et seq.* which provides that any "political subdivision" of the State as defined therein, which includes the Authority and the City, has the power to file a petition with the Bankruptcy Court under Chapter 9 of the Bankruptcy Code provided the "political subdivision" has obtained approval of the Local Finance Board. Section 903 of the Bankruptcy Code, 11 U.S.C. Section 903, specifically provides that Chapter 9 of the Bankruptcy Code does not limit or impair the power of a state to control, by legislation or otherwise, a municipality of or in such state in the exercise of the political or governmental powers of such municipality; provided, however, that a state law prescribing a method of composition of indebtedness of the municipality may not bind any creditor that does not consent to such composition and that a judgment entered under such state law may not bind a creditor that does not consent to such composition.

**THE ABOVE REFERENCES TO THE BANKRUPTCY CODE ARE NOT TO BE CONSTRUED AS AN INDICATION THAT THE AUTHORITY OR THE CITY EXPECTS TO RESORT TO THE PROVISIONS OF SUCH BANKRUPTCY CODE OR THAT, IF THEY DID, SUCH ACTION WOULD BE APPROVED BY THE LOCAL FINANCE BOARD, OR THAT ANY PROPOSED PLAN WOULD INCLUDE A DILUTION OF THE SOURCES OF PAYMENT OF AND SECURITY FOR THE SERIES 2024 BONDS.**

**CERTAIN INFORMATION CONCERNING THE CITY OF BRIDGETON**

## GENERAL INFORMATION ON THE CITY

### History

The City of Bridgeton ("City"), as the County Seat for Cumberland County, is a 3-hour drive from the Washington DC/Baltimore metro area, 2 ½ hours from New York City, 1 hour from Atlantic City, and 45 minutes from Philadelphia. Situated in the western half of the county, the main traffic arteries include the east-west Route 49 and the north-south Route 77, both of which are two-lanes for their entire lengths. The City's size at 6.2 square miles sits approximately 25 miles from the Delaware Memorial Bridge, while Atlantic City is approximately 50 miles due east.

The history of the City goes back to the 1680's and like most communities, its early history was centered on access to water and for the community of that era, the primary water source was the Cohansey River. Saw mills became a prominent industry in addition to the existing agriculture in the area. Bridge construction over the Cohansey River in the early 1700's, which facilitated the movement of goods through South Jersey and beyond, established the City's name and place in the regional economy and provided stability and growth.

Throughout the 19th century and the first half of the 20th century, the City thrived with a diverse industrial-based economy. Early on, with abundant natural resources in the area such as silica sand, glass making thrived so that by the time of Civil War, there were approximately 15 glass houses operating in the City. The glass industry was a perfect complement to the agricultural industry around the City as improvements in canning technology made produce farming profitable through the 19th century. By the late 19th century, the City boasted thirteen canneries.

Produce streamed into the City from the surrounding farms for canning and transport. Canning remained a fixture in the City well into the 20th century, with fleets of tomato trucks arriving at the City's canning facilities from mid-summer on. It was the introduction of a frozen vegetable processing technique which spelled the end of the local canneries. One major early pioneer in frozen foods, CF Seabrook, set up operations five miles outside of the City as frozen food production required immediate field-to-freezer access and this facility was located next to Seabrook's farm in Upper Deerfield Township.

The City industry was further diversified in the late 19th and early 20th century by the presence of several foundries. The work of these iron foundries is evident from the cast-iron architectural elements on many of the City's more prominent buildings. The foundries made products for local and regional markets such as canning goods, iron agricultural equipment, and steam power apparatus. The post-war years of the mid-twentieth century brought other changes to the City, as it did many small cities across the country.

The Owens-Illinois glass plant opened in the City in 1930 and by the mid-1950's it became the largest employer in the City and the third largest glass making plant in the United States. At its peak, the Owens-Illinois workforce was fully one-fifth of the City's total population. At that time, much of the communities' economic, social, and cultural life was driven by and connected to the glasshouse.

That dominance, brought stability and prosperity to the City, but by the late 1980s, with downsizing and overseas out-sourcing, the Owens-Illinois workforce became a shadow of what it once was and ultimately the facility closed. With these changes, the City had to evolve yet again and that process is ongoing today.

Today, in the third decade of the 21st century, the City is still a regional center from state planning perspectives as well as being a County seat. The community has a role and identity that is quite different from what it was even a generation ago.

## **Economic Development**

As with so much of society today, industries are specializing and this is driven by technology and innovation. Accordingly, the City is focused on the food industry and those efforts are geared toward projects such as developing the Florida Avenue Industrial Park into a “food industry cluster” that includes the Rutgers Food Innovation Center, a 23,000 square foot incubation facility for start-ups in the food industry and the Food Commercialization Center which is a 31,000 square foot facility that serves a food business “accelerator” for this start-up companies that have outgrown the Food Innovation Center.

Both facilities serve as landing spots for national companies needing to scale up as well as international companies desiring to become established in the U.S market. One example of its value to national companies was the arrival of Impossible Foods who perfected production of their “Impossible Burger” in 2016 into 2017 as they pursued growth on the East Coast and beyond. Several overseas companies have utilized these facilities as they become established in the U.S and achieve compliance with USDA requirements for food manufacturing.

Complementing these food industry assets are several food-related companies including Cumberland Dairy, which is owned by the Dairy Farmers of America and provides dairy products for such chains as McDonald’s and Wawa Stores. Cumberland Dairy/DFA recently completed a \$20 million Phase I expansion and will be undertaking Phase II within the next 12 months. The total expansion, which will consist of four phases, is estimated to be \$85 million. Other companies include White Wave, which produces the “Silk” milk product lines and Shoreline Freezers which is expanding its cold storage capacity.

The City is a diverse community and while there is much focus on the food industry, the City possesses other assets such as Bridgeton City Park and Zoo. At first glance, Bridgeton City Park might appear to be mainly a recreation amenity for residents, but Bridgeton City Park is also part of the City’s economic development strategy because of its potential.

Located next to the downtown and encompassing over 350 acres, Bridgeton City Park is being developed into a regional asset for a wider audience. The park to date features the Cohanzick Zoo, a municipal zoo with 100 animals accounting for 47 species. In addition to the Cohanzick Zoo, Bridgeton City Park features a splash park, miniature golf, a beach and lake, an amphitheater, a network of walking trails, and a number of playing fields and courts. Enhancing and investing in existing venues and activities, as well as installing new venues and activities is the order of the day as growth and development evolve over time and such locations become a destination for families in South Jersey.

The City will continue to develop its relationships and partnerships with institutions of higher learning such as Rutgers University and Stockton University as well as utilize its incentives including its Urban Enterprise Zone (UEZ) designation, its two Opportunity Zones, its inclusion in the Cumberland Empowerment Zone, and the tools provided through the designation of various Redevelopment Areas including Long Term Tax Exemptions and Tax Abatements for developers locating within its boundaries. These assets will be part of incentivizing growth and development in this unique community located in this corridor between NYC, Washington DC, and Philadelphia.

## **Additional Projects**

In addition to the focus on the food innovation and commercialization, the City is working with businesses and developers on other fronts including an \$11 million expansion of Shoreline Freezers, a company that provides large scale cold storage facilities and residential development in the Phoenix Redevelopment Area in the southeast part of the City. Preliminary steps (i.e. designating redevelopers) are being carried out with developers for a Phase I project consisting of 77 townhouse units in the Phoenix Redevelopment Area.

These projects will complement the newly completed 68-unit River Grove housing project which consists of 68 units of workforce housing for those working in the agriculture industry and 20 units for other income-qualified applicants. Rather than a single “clustered” development, the project was part of a broader revitalization effort in the Southeast Gateway Neighborhood that capitalized on the advantages of in-fill construction to preserve and enhance existing neighborhoods.

In addition to the River Grove project, the 154 unit complex formerly known as Bridgeton Villas and re-branded as “Ivy Square”, was purchased by Winn Development in 2017 and was the focus of a \$20 million renovation effort. In addition to the Ivy Square project, the 196 unit Amity Heights Apartments is set to receive a similar renovation effort by AH Preservation LLC.

On the commercial front, J & J Development Corporation completed construction of a new Wawa Gas and Convenience Store facility on the edge of the Central Business District and the installation of \$17 million solar project by KDC Solar was completed in 2019 in the southern part of the City.

## **Library**

The Bridgeton Library has been in continuous operation since 1811 with the exception of five years in the 1850's. It became a municipal library by referendum in 1922 and incorporated in 1923. There were additions to the building in 1926 and again in 1967. The 1967 addition increased the total area to more than 16,000 square feet.

The library houses a collection of over 60,000 volumes, 1,900 newspapers and periodicals, microfilm, videos, audio books, etc. with strong collections in local history and genealogy. The library also belongs to an audio book circuit. The collections and services are augmented by the New Jersey Library Network beginning with the Cumberland County Library.

The Bridgeton Library is a critical partner with the Bridgeton Public Schools in equipping and educating students in the City's community. The library is focused on youth programs and activities for teens with a special emphasis on college and career readiness.

The library has met and surpassed New Jersey requirements for receiving State Aid funding. It has two (2) professional librarians with certification, six (6) non-professional staff, full or part-time, which includes a bookkeeper and Computer Service Technician. It is open 35 hours a week for service.

## **Police and Fire Protection**

Police protection is provided by a force of 72 personnel which includes one (1) Chief, one (1) Captain, six (6) Lieutenants, nine (9) Sergeants, fifty (50) Officers, and two (6) clerical staff which includes a uniformed patrol Bureau, Criminal Investigation Bureau, Administrative and Special Services Bureau, and Internal Affairs Bureau. The Department maintains an in-house dispatch operation with seven (7) full-time dispatchers. The department is proactive in the area of youth including the Police Athletic League, Station House Adjustment programs for first-time juvenile offenders and other outreach efforts. The Bridgeton Police Department is dedicated to the equitable and impartial enforcement of the laws and ordinances to protect human life, property, and to maintain the public peace.

The Bridgeton Fire Department has one (1) Fire Chief, two (2) Fire Deputy Chiefs, one (1) EMT Chief, twenty (20) full-time firefighters and eighteen (18) full-time EMT's with ten (10) EMT personnel serving on a per diem basis. There is one (1) clerical staff and one (1) Fire Inspector. At present, the BFD handles 1,200-1,400 fire calls per year and 4,000 and 6,000 EMS calls per annum. The Bridgeton Fire Department is generally responsible for fire suppression, BASIC life support (BLS), emergency medical services, fire education and prevention programming, fire inspections, investigations, hydrant maintenance and related supervisory/administration duties. The Fire Department provides fire prevention services to seven (7) other jurisdictions and provides mutual assistance to surrounding

communities. The EMS Division provides services to four (4) other jurisdictions through a shared services framework that covers some 70 square miles of service area.

## **Public Works**

The Department of Public Works, which is overseen by the Public Works Director, includes the Water & Sewer Divisions that provide invaluable service to the community. Responsible for the 6.2 square miles of the City limits, the department oversees improvements, facilities and service related to water supply and distribution; sanitary and storm sewers and drains; streets, roads, bridges and sidewalks; rivers, streams, waterfront and flood damage control and reduction; street lightning; public buildings, parks and solid waste utility.

The municipality maintains a sewage collection system consisting of eight pumping stations and nearly 75 miles of sewer mains handling approximately 3 MGD of sewage. The treatment of this sewage is handled by the Cumberland County Utilities Authority.

The sewage collection system serves 100% of its residents and water is provided by the City to all its residents. The current water system has been in operation for approximately 130 years, with continual upgrading infrastructure upgrades. The City has in place a surcharge in addition to usage rates in order to allow for regular and ongoing upgrades and improvements to the wells, pump stations and subterranean components.

The Streets and Roads Department consists of a workforce of one (1) Department Head, fourteen (14) laborers and one (1) clerical employee. The Public Buildings Department consists of a workforce of two (2) laborers.

The Water and Sewer Utility consists of a workforce of one (1) Superintendent, two (2) clerical staff, and thirteen (13) laborers.

## **Municipal Court**

The Bridgeton Joint Municipal Court currently operates with eight (8) persons not including the judge, prosecutor, and public defender which work under professional services agreements and/or contracts. In addition to serving the City, the municipal court also serve Fairfield Township through a shared services agreement. The court handled the highest number of case filings in Vicinage 15 for the fifth consecutive year. In 2023, the court had a total number of 21,150 filings which included everything from indictable offenses, property maintenance/code violations, parking offenses, petty disorderly offenses and a variety of ordinance violations. The court disposed of over 77% of their filings (16,349).

## **Accumulated Vacation and Sick Leave**

With very limited exceptions, the City does not allow the carrying of vacation time over to the next calendar year. The City has ceased the practice of buying back vacation time. The City permits employees to accumulate unused sick time. Employees will be compensated for unused sick time upon retirement up to a maximum of \$15,000. To be eligible for retirement from the NJ State Pension Plan an employee must be either over age 60, have 25 years of service, or be a veteran with 20 years of service. Employees not eligible for retirement are not entitled to payment for accumulated sick time unless beginning a pension at the time of separation. The Division of Local Government Services does not presently permit the recording of an accrual for compensated absences. Unused sick pay approved for payment has traditionally been approved and paid from the operating budget on a cash basis, consistent with the "budgetary" basis of accounting as described in Note 1 to the financial statements.

**Pension Costs**

Those City employees who are eligible for pension coverage are enrolled in one of three pension systems established by acts of the State Legislature. Benefits, contributions, means of funding and the manner of administration are determined by the State. For additional information regarding pension costs, see Appendix B: Financial Statements of the City, Note 10 to Financial Statements.

## Building, Zoning and Development Codes

The Land Use and the Zoning Ordinances were adopted in 1976 to coincide with the new Uniform Construction Act of 1976. The City building codes conform to standards of the New Jersey Uniform Construction Code. These codes and other Municipal Codes are codified as a basis for improved administration and regulation and for the purpose of promoting the uniform construction and growth of a community; however, due to the age of the housing stock and limited areas for growth within the City, these regulations have been used almost exclusively for rehabilitation purposes.

## GENERAL INFORMATION ON THE SCHOOL DISTRICT (1)

The public school system in the City is operated by the Bridgeton City Board of Education (the "Board of Education") as a Type II school district. It functions independently through a nine member board, elected by the voters in alternate three year terms.

Annual appropriated budgets are prepared in the spring of each fiscal year for the general and special revenue funds, and are submitted to the county office of education. In accordance with P.L. 2011, c. 202, the School District passed a resolution to move the school board election to the first Tuesday after the first Monday in November, starting in November of 2012, to be held simultaneously with the general election. As a result, a vote is not required on the School District's general fund tax levy for the budget year, other than the general fund tax levy required to support a proposal for additional funds, if any.

The City's public school system consists of a four-year comprehensive high school, five K-8 elementary schools, one PreK-8 elementary school, and a pre-school. The system includes an early college high school program, an extended day and year 6-8 program (ExCEL), as well as extensive educational opportunities for handicapped students.

**HIGHER EDUCATION FACILITIES**

**Rowan College of South Jersey**

Rowan College of South Jersey formed on July 1, 2019 as the result of a historic jointure of two community colleges – Cumberland County College and Rowan College at Gloucester. It is fully accredited by the Middle States Commission on Higher Education, and is an open door, comprehensive, two-year public institution, dedicated to meeting the needs of area residents and employers for educational advancement and career training. It is the first partnership of its kind in New Jersey, with more than 100 years of combined experience in delivering affordable, quality education to students throughout the region.

Rowan College of South Jersey provides students with more choices, including the option to pursue advanced degrees at Rowan University and other four-year universities, without ever leaving the Rowan College of South Jersey campuses. It serves more than 10,000 full- and part-time students with degree and workforce development programs on campuses in Cumberland and Gloucester Counties. Together these two campuses offer more than 120 unique degrees and certificates, combining 100 years of experience to provide a variety of degree selections, cost-saving initiatives, and scholarship and internship opportunities, at one of the lowest tuition rates in the State.

The merger of these two community colleges, in conjunction with an expanded 10-year premier partnership agreement with Rowan University, leads the way to a future filled with diverse and one-of-a-kind educational opportunities. Students seeking can take classes and save money with high school dual enrollment programs, including “Rowan High School Start” and the High School Option Program (HSOP); two successful collaborations between Rowan College of South Jersey and local high schools. Through exclusive programs like Rowan Choice and “3+1” degree offerings, the education cost savings are substantial and students can easily transition to Rowan University for a bachelor’s degree.

Academic and workforce-training programs ensure the availability of skilled employees, answering both professional and community needs.

The exciting connection between education, business and labor also extends into the medical field. The 27 miles along Route 55 between Rowan College of South Jersey's Gloucester and Cumberland campuses integrates education, medical services and commerce to establish South Jersey's first EDs, MEDs & Commerce Corridor. The premier partnership with Rowan University — a research university with two medical schools — and future campus construction intended to house both public and private medical, labor and business entities, will continue to increase the academic advantages for students while benefitting economic development in the South Jersey region.

### **Cumberland County Technical Education Center**

The Cumberland County Board of Vocational Education was created by the Cumberland County Board of County Commissioners in 1969.

Land was purchased at a location centrally located for busing of the four County public high schools and one parochial high school. An attractive functional building was constructed and, in September 1972, classes were opened at the Cumberland County Technical Educational Center located in Bridgeton, NJ.

In May 2014, The Cumberland County Board of County Commissioners expanded upon their initial vocational school offerings and approved a \$70 million bond ordinance with the State of NJ shouldering 69% of the cost to construct a 204,000 sq. ft. full-time Technical Education Center. The facility opened in 2016 adjacent to the campus of Cumberland County College. The location enables the College, Technical Education Center, and Center for Workforce and Economic Development to all be housed on one campus to work together to create a well trained workforce.

In October 2018, the Cumberland County Board of County Commissioners approved a \$23 million bond ordinance with the State of New Jersey incurring 72.1% of the cost of to construct a 55,000 sq. ft. expansion of the current facility that will be home to our Health Science and Medicine Program. Historically, Health Science and Medicine has been the most enrolled program. Currently there are four applicants for every one seat. This consistent enrollment, coupled with a health system that serves as Cumberland County's top employer, provides the rationale for the expansion that will serve as an anchor for quality medical training for a variety of populations. Additionally, Adult Education classes are held on the entire campus.

Interest in Engineering programs continues to increase. The District has applied for and been awarded funding through the Securing Our Children's Future Bond Act – CTE Expansion Grant. Utilizing \$2,250,000 of grant and \$750,000 of the District's Capital Reserve funds, renovations to locations within the facility for the expansion of the Engineering program were completed in the Winter of 2023.

2023-2024 enrollment currently exceeds 1,190 full time students, including full-time students in grades 9-12 and STRIVE program students. Enrollment is projected to continue to increase over the next several years.

**APPENDIX B**

**AUDITED FINANCIAL STATEMENTS OF THE CITY OF BRIDGETON**

## **INDEPENDENT AUDITOR'S REPORT**

The Honorable Mayor and  
Members of the City Council  
City of Bridgeton  
Bridgeton, New Jersey 08302

### **Report on the Audit of the Financial Statements**

#### ***Opinions***

We have audited the accompanying statements of assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the City of Bridgeton, in the County of Cumberland, State of New Jersey, as of December 31, 2023, 2022, 2021, 2020 and 2019 and the related statements of operations and changes in fund balance regulatory basis for the years then ended, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

#### ***Unmodified Opinions on Regulatory Basis of Accounting***

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the assets, liabilities, reserves and fund balance - regulatory basis of the various funds of the City of Bridgeton, in the County of Cumberland, State of New Jersey, as of December 31, 2023, 2022, 2021, 2020 and 2019, and the results of its operations and changes in fund balance - regulatory basis of such funds for the years then ended, in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, as described in note 1.

#### ***Adverse Opinion on Accounting Principles Generally Accepted in the United States of America***

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America* section of our report, the accompanying financial statements referred to above do not present fairly the financial position of the City of Bridgeton, in the County of Cumberland, State of New Jersey, as of December 31, 2023, 2022, 2021, 2020 and 2019, or the results of its operations and changes in fund balance for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinions on Regulatory Basis of Accounting***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### ***Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America***

As described in note 1 to the financial statements, the financial statements are prepared by the City on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey. The effects on the financial statements of the variances between the regulatory basis of accounting described in note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

***Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)***

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**CITY OF BRIDGETON**  
Notes to Financial Statements  
For the Year Ended December 31, 2023

---

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Description of Financial Reporting Entity** - The City of Bridgeton (hereafter referred to as the "City") was incorporated as a City by an act of the New Jersey legislature on March 3, 1845 from portions of Deerfield Township. Bridgeton City was incorporated on March 1, 1865, replacing both Bridgeton Township and Cohansey Township. The City, located in Cumberland County, New Jersey, has a total area of approximately six and a half square miles, and is located approximately one hour from the City of Philadelphia. The City borders Upper Deerfield Township, Hopewell Township and Fairfield Township. According to the 2020 census, the population is 26,410.

The City is governed within the Faulkner Act system of municipal government, formally known as the Optional Municipal Charter Law, under Mayor-Council Plan A, as implemented on July 1, 1970, based on the recommendations of a Charter Study Commission. Voters elect a Mayor and five City Council members. Council members are elected at-large in non-partisan elections and serve four-year concurrent terms of office. Executive and administrative responsibility rests with the Mayor, who is assisted by the City Administrator.

**Component Units** - The financial statements of the component units of the City are not presented in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, *The Financial Reporting Entity*, as amended. If the provisions of the aforementioned GASB Statement, as amended had been complied with, the financial statements of the following component unit would have been either blended or discretely presented with the financial statements of the City, the primary government:

Bridgeton Free Public Library  
150 E. Commerce Street  
Bridgeton, New Jersey 08302

Annual financial reports may be inspected directly at the offices of these component units during regular business hours.

**Measurement Focus, Basis of Accounting and Financial Statement Presentation** - The financial statements of the City contain all funds and account groups in accordance with the *Requirements of Audit* (the "*Requirements*") as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the *Requirements* are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these *Requirements*. In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this note.

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

In accordance with the *Requirements*, the City accounts for its financial transactions through the use of separate funds and an account group which are described as follows:

**Current Fund** - The current fund accounts for resources and expenditures for governmental operations of a general nature, including federal and state grant funds.

**Trust Funds** - The various trust funds account for receipts, custodianship, and disbursement of funds in accordance with the purpose for which each reserve was created.

**General Capital Fund** - The general capital fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the current fund.

**Water and Sewer Utility Operating and Capital Funds** - The water and sewer utility operating and capital funds account for the operations and acquisition of capital facilities of the municipally owned water and sewer operations.

**Solid Waste Utility Operating and Capital Funds** - The solid waste utility operating and capital funds account for the operations and acquisition of capital facilities of the municipally owned solid waste operations.

**General Fixed Asset Group of Accounts** - The general fixed asset group of accounts is utilized to account for property, land, buildings, and equipment that have been acquired by other governmental funds.

**Budgets and Budgetary Accounting** - The City must adopt an annual budget for its current, water and sewer utility and solid waste utility funds in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval, and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the City's financial statements.

**Cash, Cash Equivalents and Investments** - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost; therefore, unrealized gains or losses on investments have not been recorded.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Cash, Cash Equivalents and Investments (Cont'd)** - N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the governmental units.

The cash management plan adopted by the City requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

**Interfunds** - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the current fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

**Inventories of Supplies** - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

**General Fixed Assets** - Accounting for governmental fixed assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and *Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (2 CFR Part 225), except that the useful life of such property is at least five years. The City has adopted a capitalization threshold of \$5,000.00, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at acquisition value as of the date of the transaction. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the capital funds until such time as the construction is completed and put into operation. The City is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements, and transfers of fixed assets. In addition, a statement of general fixed asset group of accounts, reflecting the activity for the year, must be included in the City's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that include accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage, or theft.

**Utility Fixed Assets** - Property and equipment purchased by a utility fund are recorded in the utility capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not represent replacement cost or current value. The reserve for amortization and deferred reserve for amortization accounts in the utility capital fund represent charges to operations for the cost of acquisition of property and equipment, improvements, and contributed capital.

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Foreclosed Property** - Foreclosed property is recorded in the current fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason, the value of foreclosed property has not been included in the general fixed asset group of accounts. If such property is converted to a municipal use, it will be recorded in the general fixed asset group of accounts.

**Deferred Charges** - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

**Liens Sold for Other Governmental Units** - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

**Fund Balance** - Fund balances included in the current fund, water and sewer utility operating fund and solid waste utility operating fund represent amounts available for anticipation as revenue in future years' budgets, with certain restrictions.

**Revenues** - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from federal and state grants is realized when anticipated as such in the City's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the City's current fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due to the City which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

**Property Tax Revenues** - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the City's annual budget, but also the amounts required in support of the budgets of the County of Cumberland, and the City of Bridgeton School District. Unpaid property taxes are subject to tax sale in accordance with the statutes.

**School Taxes** - The City is responsible for levying, collecting, and remitting school taxes for the City of Bridgeton School District. Operations is charged for the full amount required to be raised from taxation to operate the local school district for the period from January 1 to December 31.

**County Taxes** - The City is responsible for levying, collecting, and remitting county taxes for the County of Cumberland. County taxes are determined on a calendar year by the County Board of Taxation based upon the ratables required to be certified to them on January 10 of each year. Operations is charged for the amount due to the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of added and omitted taxes certified to the County Board of Taxation by October 10 of the current year, and due to be paid to the County by February 15 of the following year.

**Library Taxes** - The City is responsible for levying, collecting and remitting library taxes for the Bridgeton Free Public Library. The amount of the library tax is a separate local levy tax and is remitted to the Library through the municipal budget.

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Reserve for Uncollected Taxes** - The inclusion of the "reserve for uncollected taxes" appropriation in the City's annual budget protects the City from taxes not paid currently. The reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediately preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

**Expenditures** - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis, whereas interest on utility indebtedness is on the accrual basis.

**Appropriation Reserves** - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments, or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as income.

**Long-Term Debt** - Long-term debt, relative to the acquisition of capital assets, is recorded as a liability in the general capital and utility capital funds. Where an improvement is a "local Improvement", i.e., assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the trust fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

**Compensated Absences and Postemployment Benefits** - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

**Impact of Recently Issued Accounting Principles****Recently Issued Accounting Pronouncements**

The Governmental Accounting Standards Board (GASB) has issued the following statement that have effective dates that may affect future financial presentations:

Statement No. 101, Compensated Absences. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The Statement will become effective for the City in the year ending December 31, 2024. As a result of the regulatory basis of accounting previously described in note 1, this Statement will have no impact on the financial statements of the City, however management is currently evaluating whether or not this Statement will have an impact on the financial statement disclosures of the City.

**Note 2: CASH AND CASH EQUIVALENTS**

**Custodial Credit Risk Related to Deposits** - Custodial credit risk is the risk that, in the event of a bank failure, the City's deposits might not be recovered. Although the City does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000.00 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled agency funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition. Such funds are classified as uninsured and uncollateralized.

As of December 31, 2023, the City's bank balances of \$25,311,655.21 were exposed to custodial credit risk as follows:

Insured by FDIC and GUDPA	\$ 24,302,646.72
Uninsured and Uncollateralized	<u>1,009,008.49</u>
Total	<u><u>\$ 25,311,655.21</u></u>

**Note 3: INVESTMENTS**

New Jersey municipal units are limited as to the types of investments and types of financial institutions they may invest in. N.J.S.A. 40A:5-15.1 provides a list of permissible investments that may be purchased by New Jersey municipal units.

These permissible investments generally include bonds or other obligations of the United States of America or obligations guaranteed by the United States of America; government money market mutual funds; any obligation that a federal agency or a federal instrumentality has issued in accordance with an act of Congress; bonds or other obligations of the local unit or bonds or other obligations of school districts of which the local unit is a part or within which the school district is located; bonds or other obligations, having a maturity date not more than 397 days from the date of purchase, approved by the Division of Local Government Services in the Department of Community Affairs for investment by local units; local government investment pools; deposits with the State of New Jersey Cash Management Fund; and agreements for the purchase of fully collateralized securities with certain provisions. The City has no investment policy that would further limit its investment choices.

**Custodial Credit Risk Related to Investments** - For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in possession of an outside party if the counterparty to the transactions fails. Other than the rules and regulations promulgated by N.J.S.A. 40A:5-15.1, the City has no investment policy to limit its exposure to custodial credit risk.

**Note 3: INVESTMENTS (CONT'D)****Custodial Credit Risk Related to Investments (Cont'd) -**

As of December 31, 2023, the City had the following investments:

<u>Investment</u>	<u>Maturities</u>	<u>Cost</u>	<u>Fair Value Hierarchy Level</u> *	<u>Fair Value</u>	<u>Weighted-Average</u>
Money Market for Investment Purposes	N/A	\$ 4,123.02	Level 1	\$ 4,123.02	0.00

- \* Level 1 inputs are quoted (unadjusted) prices in active markets for identical assets that the government can access at the measurement date. Observable markets include exchange markets, dealer markets, brokered markets and principal-to-principal markets.
- \* Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. These inputs are derived from or corroborated by observable market data through correlation.
- \* Level 3 inputs are unobservable inputs for the asset; they should be used only when the relevant Level 1 and Level 2 inputs are unavailable.

**Interest Rate Risk** - Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Other than the rules and regulations promulgated by N.J.S.A. 40A:5-15.1, the City does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

**Credit Risk** - Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligation. As stated in note 1, investments are purchased in accordance with N.J.S.A. 40A:5-15.1. Other than the rules and regulations promulgated by N.J.S.A. 40A:5-15.1, the City has no investment policy that would further limit its exposure to credit risk.

**Concentration of Credit Risk** - Concentration of credit risk is the risk of loss attributed to the magnitude of a government's investment in a single issuer. Other than the rules and regulations promulgated by N.J.S.A. 18A:20-37, the City's investment policies place no limit on the amount the City may invest in any one issuer.

**Note 10: PENSION PLANS (CONT'D)****General Information about the Pension Plans (Cont'd)****Contributions (Cont'd)**

**Public Employees' Retirement System (Cont'd) - Special Funding Situation Component** - Under N.J.S.A. 43:15A, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. One of such legislations, which legally obligate the State, is Chapter 133, P.L. 2001. This legislation increased the accrual rate from 1/60 to 1/55. In addition, it lowered the age required for a veteran benefit equal to 1/55 of highest 12-month compensation for each year of service from 60 to 55. Chapter 133, P.L. 2001 also established the Benefit Enhancement Fund (BEF) to fund the additional annual employer normal contribution due to the State's increased benefits. If the assets in the BEF are insufficient to cover the normal contribution for the increased benefits for a valuation period, the State will pay such amount for both the State and local employers.

The amounts contributed on behalf of the local participating employers under this legislation is considered to be a *special funding situation* as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly to the Plan (except for employer specific financed amounts), there is no net pension liability or deferred outflows or inflows to disclose in the notes to the financial statements of the local participating employers related to this legislation.

The City's contractually required contribution rate for the year ended December 31, 2022 was 17.39% of the City's covered payroll. This amount was actuarially determined as the amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year, including an additional amount to finance any unfunded accrued liability.

Based on the most recent PERS measurement date of June 30, 2022, the City's contractually required contribution to the pension plan for the year ended December 31, 2022 is \$931,879.00, and was payable by April 1, 2023. Due to the basis of accounting described in note 1, no liability has been recorded in the financial statements for this amount. For the prior year measurement date of June 30, 2021, the City's contractually required contribution to the pension plan for the year ended December 31, 2021 was \$866,566.00, which was paid on April 1, 2022.

Employee contributions to the Plan for the year ended December 31, 2022 were \$412,409.80.

The amount of contractually required contribution for the State of New Jersey's proportionate share, associated with the City, under Chapter 133, P.L. 2001, for the year ended December 31, 2022 was .44% of the City's covered payroll.

**Police and Firemen's Retirement System** - The contribution policy for PFRS is set by N.J.S.A 43:16A and requires contributions by active members and contributing employers. Pursuant to the provisions of P.L. 2011, C. 78, the member contribution rate is currently 10.0% of base salary. State legislation has modified the amount that is contributed by the State. The State's contribution amount is based on an actuarially determined rate, which includes the normal cost and unfunded accrued liability.

**Note 10: PENSION PLANS (CONT'D)****General Information about the Pension Plans (Cont'd)****Contributions (Cont'd)**

**Police and Firemen's Retirement System (Cont'd) - *Special Funding Situation Component*** - Under N.J.S.A. 43:16A-15, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. The legislation, which legally obligates the State, is as follows: Chapter 8, P.L. 2000, Chapter 318, P.L. 2001, Chapter 86, P.L. 2001, Chapter 511, P.L. 1991, Chapter 109, P.L. 1979, Chapter 247, P.L. 1993 and Chapter 201, P.L. 2001. The amounts contributed on behalf of the local participating employers under this legislation is considered to be a *special funding situation* as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. **Pension Liability** - As of December 31, 2022, there is no net pension liability associated with the special funding situation under Chapter 133, P.L. 2001, as there was no accumulated difference between the annual additional normal cost and the actual State contribution through the valuation date. The City's proportionate share of the PERS net pension liability was \$11,152,103.00. The net pension liability was measured as of June 30, 2022 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2022. The City's proportion of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. For the June 30, 2022 measurement date, the City's proportion was .0738971858%, which was a decrease of .0000977288% from its proportion measured as of June 30, 2021.

**Actuarial Assumptions**

The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2022. This actuarial valuation used the following actuarial assumptions, applied to all periods included in the measurement:

	<b><u>PERS</u></b>	<b><u>PFRS</u></b>
Inflation Rate:		
Price	2.75%	2.75%
Wage	3.25%	3.25%

**Note 10: PENSION PLANS (CONT'D)****Actuarial Assumptions (Cont'd)****Public Employees' Retirement System**

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

**Police and Firemen's Retirement System**

Pre-retirement mortality rates were based on the PubS-2010 amount-weighted mortality table with a 105.6% adjustment for males and 102.5% adjustment for females. For healthy annuitants, mortality rates were based on the PubS-2010 amount-weighted mortality table with a 96.7% adjustment for males and 96.0% adjustment for females. Disability rates were based on the PubS-2010 amount-weighted mortality table with a 152.0% adjustment for males and 109.3% adjustment for females. Mortality improvement is based on Scale MP-2021.

For both PERS and PFRS, in accordance with State statute, the long-term expected rate of return on Plan investments (7.00% at June 30, 2022) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension Plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in PERS' and PFRS' target asset allocation as of June 30, 2022 are summarized in the table that follows:

<b><u>Asset Class</u></b>	<b><u>Target Allocation</u></b>	<b><u>Long-Term Expected Real Rate of Return</u></b>

**Actuarial Assumptions (Cont'd)**

**Discount Rate -**

**Public Employees' Retirement System** - The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from Plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity would be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments was applied to all projected benefit payments to determine the total pension liability.

**Police and Firemen's Retirement System** - The discount rate used to measure the total pension liability was 7.00% as of June 30, 2022. The projection of cash flows used to determine the discount rate assumed that contributions from Plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments was applied to all projected benefit payments to determine the total pension liability.

**Sensitivity of Proportionate Share of Net Pension Liability to Changes in the Discount Rate**

**Public Employees' Retirement System (PERS)** - The following presents the City's proportionate share of the net pension liability as of the June 30, 2022 measurement date, calculated using a discount rate of 7.00%, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rates used:

	<b>1% Decrease <u>(6.00%)</u></b>	<b>Current Discount Rate <u>(7.00%)</u></b>	<b>1% Increase <u>(8.00%)</u></b>
Proportionate Share of the Net Pension Liability	<u>\$ 14,327,185.00</u>	<u>\$ 11,152,103.00</u>	<u>\$ 8,449,980.00</u>

**Police and Firemen's Retirement System (PFRS)** - As previously mentioned, PFRS has a special funding situation, where the State of New Jersey pays a portion of the City's annual required contribution. As such, the net pension liability as of the June 30, 2022 measurement date, for the City and the State of New Jersey, calculated using a discount rate of 7.00%, as well as using a discount rate that is 1% lower or 1% higher than the current rates used, is as follows:

	<b>1% Decrease <u>(6.00%)</u></b>	<b>Current Discount Rate <u>(7.00%)</u></b>	<b>1% Increase <u>(8.00%)</u></b>
Proportionate Share of the Net Pension Liability	\$ 27,881,658.00	\$ 20,320,308.00	\$ 14,025,448.00

	<u>\$ 32,843,776.00</u>	<u>\$ 23,936,727.00</u>	<u>\$ 16,521,567.00</u>

**Note 10: PENSION PLANS (CONT'D)****Pension Plan Fiduciary Net Position**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension (benefit) expense, information about the respective fiduciary net position of the PERS and PFRS and additions to/deductions from PERS and PFRS' respective fiduciary net position have been determined on the same basis as they are reported by PERS and PFRS. Accordingly, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

N.J.A.C. 5:30-6.1 allows local units to disclose the most recently available information as it relates to the New Jersey Division of Pension's reporting on GASB No. 75, *Accounting and Financial Reporting for Postemployment Benefits other than Pensions*. As of the date of this report, the information for the measurement period ended June 30, 2023 was not available; therefore, the information from the measurement period June 30, 2022 is disclosed below.

**General Information about the State Health Benefit Local Government Retired Employees Plan**

**Plan Description and Benefits Provided** - The City contributes to the State Health Benefits Local Government Retired Employees Plan (the "Plan"), which is a cost-sharing multiple-employer defined benefit other postemployment benefit ("OPEB") plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. The Plan meets the definition of an equivalent arrangement as defined in paragraph 4 of GASB Statement No. 75, *Accounting and Financial Reporting for the Postemployment Benefits Other Than Pensions* (GASB Statement No. 75); therefore, assets are accumulated to pay associated benefits. For additional information about the Plan, please refer to the State of New Jersey (the "State"), Division of Pensions and Benefits' (the "Division") annual financial statements, which can be found at <https://www.state.nj.us/treasury/pensions/financial-reports.shtml>.

**Note 11: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)****General Information about the State Health Benefit Local Government Retired Employees Plan (Cont'd)**

**Plan Description and Benefits Provided (Cont'd)** - The Plan provides medical and prescription drug to retirees and their covered dependents of the participating employers. Under the provisions of Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

In accordance with Chapter 330, P.L. 1997, which is codified in N.J.S.A 52:14-17.32i, the State provides medical and prescription coverage to local police officers and firefighters, who retire with 25 years of service or on a disability from an employer who does not provide postretirement medical coverage. Local employers were required to file a resolution with the Division in order for their employees to qualify for State-paid retiree health benefits coverage under Chapter 330. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L.1989.

Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

**Contributions** - The funding policy for the OPEB plan is pay-as-you-go; therefore, there is no prefunding of the liability. However, due to premium rates being set prior to each calendar year, there is a minimal amount of net position available to cover benefits in future years. Contributions to pay for the health benefit premiums of participating employees in the OPEB plan are collected from the State of New Jersey, participating local employers, and retired members.

The City was billed monthly by the Plan and paid \$88,265.24, for the year ended December 31, 2022, representing 0.74% of the City's covered payroll. Retirees were required to contribute \$2,731.92.

**Note 11: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)****General Information about the State Health Benefit Local Government Retired Employees Plan (Cont'd)**

**Special Funding Situation Component** - The State of New Jersey makes contributions to cover those employees eligible under Chapter 330, P.L. 1997. Local employers remit employer contributions on a monthly basis. Retired member contributions are generally received on a monthly basis. Partially funded benefits are also available to local police officers and firefighters who retire with 25 years of service or on disability from an employer who does not provide coverage under the provisions of Chapter 330, P.L. 1997. Upon retirement, these individuals must enroll in the OPEB Plan.

Under Chapter 330, P.L. 1997, the State shall pay the premium or periodic charges for the qualified local police and firefighter retirees and dependents equal to 80% of the premium or periodic charge for the category of coverage elected by the qualified retiree under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L.1989.

Therefore, these employers are considered to be in a special funding situation as defined by GASB Statement No. 75 and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly to the Plan, there is no net OPEB liability, deferred outflows of resources or deferred inflows of resources to report in the financial statements of the local participating employers related to this legislation. However, the notes to the financial statements of the local participating employers must disclose the portion of the nonemployer contributing entities' total proportionate share of the collective net OPEB liability that is associated with the local participating employer. The participating employer is required to disclose in their respective notes to the financial statements, an expense and corresponding revenue, and their proportionate share of the OPEB expense allocated to the State under the special funding situation.

The amount of actual contributions to the OPEB Plan made by the State, on-behalf of the City, is not known; however, under the special funding situation, the State's OPEB expense (benefit), on-behalf of the City, is (\$4,779,766.00) for the year ended December 31, 2021, representing -39.94% of the City's covered payroll.

**OPEB Liability, OPEB (Benefit) Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources**

**OPEB Liability** - At December 31, 2022, the City's and State's proportionate share of the net OPEB liability were as follows:

Proportionate Share of Net OPEB Liability	\$ 19,910,675.00
State of New Jersey's Proportionate Share of Net OPEB Liability Associated with the Employer	29,141,179.00
	<u>\$ 49,051,854.00</u>

The net OPEB liability was measured as of June 30, 2022, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of July 1, 2021, which was rolled forward to June 30, 2022.

**Note 11: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)****OPEB Liability, OPEB (Benefit) Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources (Cont'd)**

**OPEB Liability (Cont'd)** – The City's proportion of the net OPEB liability was based on the ratio of the Plan members of an individual employer to the total members of the Plan's nonspecial funding situation during the measurement period July 1, 2021 through June 30, 2022. For the June 30, 2022 measurement date, the City's proportion was 0.123289%, which was a decrease of 0.005325% from its proportion measured as of the June 30, 2021 measurement date, as adjusted.

The State's proportion of the net OPEB liability, on-behalf of the City was based on the ratio of the Plan members of an individual employer to the total members of the Plan's special funding situation during the measurement period July 1, 2021 through June 30, 2022. For the June 30, 2022 measurement date, the State's proportion on-behalf of the City was 0.863747%, which was an increase of 0.031760% from its proportion measured as of the June 30, 2021 measurement date, as adjusted.

**OPEB (Benefit) Expense** - At December 31, 2022, the City's proportionate share of the OPEB (benefit) expense, calculated by the Plan as of the June 30, 2022 measurement date, is (\$237,979.00). This (benefit) expense is not recognized by the City because of the regulatory basis of accounting as described in note 1; however, as previously mentioned, for the year ended December 31, 2022, the City made contributions to the Plan totaling \$88,265.24.

**Deferred Outflows of Resources and Deferred Inflows of Resources** - At December 31, 2022, the City had deferred outflows of resources and deferred inflows of resources from the following sources:

**Note 11: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)****Actuarial Assumptions**

The actuarial assumptions vary for each plan member depending on the pension plan in which the member is enrolled. The actuarial valuation as of July 1, 2021, which was rolled forward to June 30, 2022, used the following actuarial assumptions, applied to all periods in the measurement:

## Salary Increases \*

PERS - Rates for all future years	2.75% to 6.55% based on years of service
PFRS - Rates for all future years	3.25% to 16.25% based on years of service

## Mortality:

PERS - Pub-2010 General classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021

PFRS - Pub-2010 Safety classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021

---

\* salary increases are based on years of service within the respective Plan

Actuarial assumptions used in the valuation were based on the results of the PFRS and PERS experience studies prepared for July 1, 2018 to June 30, 2021.

100% of active members are considered to participate in the Plan upon retirement.

All of the Plan's investments are in the State of New Jersey Cash Management Fund (the "CMF"). The New Jersey Division of Investments manages the CMF, which is available on a voluntary basis for investment by State and certain non-State participants. The CMF is considered to be an investment trust fund as defined in GASB Statement No. 31, *Certain Investments and External Investment Pools*. The CMF invests in U.S. government and agency obligations, commercial paper, corporate obligations and certificates of deposit. Units of ownership in the CMF may be purchased or redeemed on any given business day (excluding State holidays) at the unit cost of value of \$1.00. Participant shares are valued on a fair value basis. The CMF pay interest to participants on a monthly basis.

**Discount Rate** - The discount rate used to measure the OPEB liability at June 30, 2022 was 3.54%. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

**Note 11: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)****Actuarial Assumptions (Cont'd)**

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB (benefit) expense, information about the respective fiduciary net position of the State Health Benefits Local Government Retired Employees Plan and additions to/deductions from the Plan's respective fiduciary net position have been determined on the same basis as they are reported by the Plan. Accordingly, contributions (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**Supplementary OPEB Information**

In accordance with GASBS No. 75, the following information is also presented for the State Health Benefits Local Government Retired Employees Plan. **Other Notes to Supplementary OPEB Information**

**Changes in Benefit Terms** - The actuarial valuation as of July 1, 2021, which was rolled forward to June 30, 2022, included changes due to employers adopting and /or changing Chapter 48 provisions.

**Changes in Assumptions** - The discount rate used as of the June 30 measurement date is as follows:

<u>Year</u>	<u>Rate</u>	<u>Year</u>	<u>Rate</u>
2022	3.54%	2019	3.50%
2021	2.16%	2018	3.87%
2020	2.21%	2017	3.58%

The expected investment rate of return is based on guidance provided by the State. These expected rates of return are the same as the discount rates listed above. In addition to changes in the discount rate, other factors that affected the valuation of the net OPEB liability included changes in the trend and updated experience study. There were no changes to mortality projections.

**Note 12: COMPENSATED ABSENCES**

Full-time employees are entitled to fifteen paid sick leave days each year. Unused sick leave may be accumulated and carried forward to the subsequent year. Vacation days not used during the year may not be accumulated and carried forward.

The City compensates employees for unused sick leave upon retirement. The current policy provides one compensated day for every two days accumulated. There is a maximum pay-out of \$15,000.00 for employees who commence service with the City on or after May 21, 2010, and is paid at the rate of pay upon termination or retirement.

The City has established a compensated absences trust fund to set aside funds for future payments of compensated absences. At December 31, 2023, the balance of the fund was \$76,600.48. It is estimated that, at December 31, 2023, accrued benefits for compensated absences are valued at \$1,838,893.98.

**Note 13: DEFERRED COMPENSATION SALARY ACCOUNT**

The City offers its employees a deferred compensation plan in accordance with Internal Revenue Code Section 457, which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death, or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the City or its creditors. Since the City does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the City's financial statements.

**Note 15: CCIA PROJECT AGREEMENT PAYABLE**

The City entered into a lease agreement (CCIA project agreement payable) on December 1, 2021, with the Cumberland County Improvement Authority (the "Authority") for assistance from the Authority in the development and financing related to the construction of a new approximately 30,000 square foot fire station for use by the City fire department and emergency medical services ("the Project") on property owned and operated by the City. The Authority issued \$7,495,000.00 of City General Obligation Lease Revenue Bonds (Bridgeton Fire Station Project) on December 22, 2021 ("2021 Bonds"). In addition to the proceeds of the 2021 Bonds, the City expects to use up to \$5,000,000.00 of funds to be received by the City under the American Rescue Plan to complete the project.

The lease agreement will provide that the City will lease the Project Site to the Authority to construct the Facility; and the Authority will lease the Facility to the City. Pursuant to the lease agreement, the City will make certain lease payments to the Authority in an aggregate amount equal to the principal, redemption premium, if any, and interest on the Bonds as well as applicable additional lease payments as the same become due and payable on each lease payment date. The City's payment obligations created under the lease agreement shall be direct, general, irrevocable and unconditional obligations of the City payable from any source legally available to the City, including, without limitation, the general tax revenues of the City, and the City shall, if necessary, levy ad valorem taxes upon all the taxable property within the jurisdiction of the City for the payment of such obligations, without limitation as to rate or amount.

**Note 15: CCIA PROJECT AGREEMENT PAYABLE (CONT'D)**

The 2021 Bonds are not and shall not be in any way a debt or liability of the state or any subdivision thereof (other than the Authority solely to the extent of the pledged property and the City to the extent of the lease payments) and do not and shall not create or constitute any indebtedness, liability or obligation of said state, or of any subdivision (other than the authority solely to the extent of the pledged property and the City to the extent of the lease payments), either legal, moral or otherwise. The authority is obligated to pay the principal or redemption price of and interest on the 2021 Bonds from the revenues and funds pledged thereto. The authority has no taxing power.

The 2021 Bonds do not constitute any indebtedness of the City and are not included as outstanding debt. However, as a condition of approval for the Authority to issue the 2021 Bonds, the State of New Jersey, Local Finance Board stipulated that for all subsequent borrowings by the City that the City receive approval from the Director of the Division of Local Government Services.

The following schedule represents the remaining debt service, through maturity for the Authority related to the 2021 Bonds, which will be the obligation of the City through the lease agreement included herein:

<u>Year</u>	<u>Principal</u>	<u>Interest</u>	<u>Total</u>

**Note 16: ARBITRAGE REBATE**

The Tax Reform Act of 1986 placed restriction on investments of the proceeds of certain tax-exempt bonds issued after December 31, 1986. Specifically, investment earnings which are above arbitrage bond yield are required to be rebated to the United States Treasury Department within sixty days of the end of the fifth bond year. A bond year is defined, at the option of the issuing entity, as either the date of the first anniversary of bond settlement or the issuing entity's year end.

The City has the following bond issue outstanding that requires a rebate calculation:

<u>Bonds Issued</u>	<u>Issued General Capital Fund</u>	<u>Issued Water Sewer Utility Capital Fund</u>	<u>Total Issued</u>	<u>Liability</u>
July 30, 2020	\$ 12,035,000.00	\$ 615,000.00	\$ 12,650,000.00	(1)

(1) The rebate calculation on these bonds is required to be made at least once every five years. It is anticipated that when such calculation is made, the liability, if any, will be appropriated in that year's general budget.

**Note 17: RISK MANAGEMENT**

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

**New Jersey Unemployment Compensation Insurance** - The City has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the City is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The City is billed quarterly for amounts due to the State.

The following is a summary of the activity and the ending balance of the City's trust fund for the current and previous two years:

<u>Year</u>	<u>Employee Contributions</u>	<u>Interest Earnings</u>	<u>Amount Reimbursed</u>	<u>Ending Balance</u>
2023	\$ 26,902.91	\$2,104.60	\$ 49,049.29	\$ 298,625.28
2022	25,073.83	643.19	15,112.96	318,667.06
2021	22,934.01	735.05	12,580.07	308,063.00

**Joint Insurance Pool** - The City is a member of the Statewide Municipal Joint Insurance Fund. The Fund provides its members with the following coverage:

- Workers' Compensation and Employer's Liability
- Liability other than Motor Vehicles
- Property Damage other than Motor Vehicles
- Motor Vehicles

Contributions to the Fund, including a reserve for contingencies, are payable in two installments and are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention, or administrative accounts to assure the payment of the Fund's obligations.

The Fund provides the City with the following coverage:

- Property - Blanket Building and Grounds
- General and Automobile Liability
- Boiler and Machinery
- Crime Coverage
- Professional Liability
- Pollution Liability
- Non-Owned Aircraft Liability
- Privacy Security and Technology Risk Insurance
- Workers Compensation

For more information regarding claims, coverages and deductibles, the Fund publishes its own financial report which can be obtained from:

**Note 18: OPEN SPACE, RECREATION AND FARMLAND PRESERVATION TRUST**

On November 7, 2023 pursuant to P.L. 1997, c. 24 (N.J.S.A. 40:12-15.1 et seq.), the voters of the City authorized the establishment of the City of Bridgeton Open Space, Recreation and Farmland Preservation Trust Fund effective January 1, 2024, for the purpose of raising revenue for the acquisition of lands and interests in lands for the conservation of farmland and open space. Overall, as a result of the referendum, the City levies a tax not to exceed two cents per one hundred dollars of equalized valuation. Amounts raised by taxation are assessed, levied and collected in the same manner and at the same time as other taxes. Future increases in the tax rate or to extend the authorization must be authorized by referendum. All revenue received is accounted for in a trust fund dedicated by rider (N.J.S.A. 40A:4-39) for the purposed stated. Interest earned on the investment of these funds is credited to the City of Bridgeton Open Space, Recreation and Farmland Preservation Trust Funds.

**Note 19: CONTINGENCIES**

**Grantor Agencies** - Amounts received or receivable from grantor agencies could be subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the City expects such amount, if any, to be immaterial.

**Litigation** - The City is a defendant in several legal proceedings that are in various stages of litigation. It is believed that the outcome, or exposure to the City, from such litigation is either unknown or potential losses, if any, would not be material to the financial statements.

**Note 20: CONCENTRATIONS**

The City depends on financial resources flowing from, or associated with, both the federal government and the State of New Jersey. As a result of this dependency, the City is subject to changes in specific flows of intergovernmental revenues based on modifications to federal and State laws and federal and State appropriations.

**Note 21: TAX ABATEMENTS**

The City enters into property tax abatement agreements with various local businesses, residential properties and Not for Profit entities, under several New Jersey Statutes that permit the City to enter into these agreements. The tax abatements are considered long term tax exemptions and their types of abatements vary between entities but include affordable housing, commercial/industrial, healthcare/not for profit and several five-year Urban Enterprise Zone residential properties.

For the year ended December 31, 2023, the City abated \$2,220,403.62 in local purpose taxes and received in the aggregate of \$979,507.09 in lieu of local purpose taxes.

- (b) The Bonds shall be initially issued in the form of a separate fully registered bond in the amount of each separate serial or term maturity of each Series of Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the registration books of the Authority kept by the Bond Registrar in the name of Cede, as nominee of DTC. With respect to Bonds so registered in the name of Cede, the Authority and the Trustee shall have no obligation or responsibility to any DTC participant, indirect DTC participant or any beneficial owner of the Bonds. Without limiting the generality of the foregoing, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other Person, other than DTC or Cede, of any notice with respect to such Bonds, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other Person, other than DTC or Cede, of any amount with respect to the principal of, redemption premium, if any, or interest on such Bonds. The Trustee shall pay the principal of, redemption premium, if any, and interest on such Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to such principal of, redemption premium, if any, and interest to the extent of the sum or sums so paid. No Person other than DTC shall receive a Bond certificate evidencing the obligation of the Authority to make payments of principal thereof, redemption premium, if any, and interest thereon pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the transfer provisions hereof, the word "Cede" in this Indenture shall refer to such new nominee of DTC.

(2) The Authority, (i) in its sole discretion and without the consent of any other Person, may terminate the services of DTC with respect to any Series of Bonds, and (ii) shall terminate the services of DTC with respect to such Bonds upon receipt by the Authority and the Trustee of written notice from DTC to the effect that DTC has received written notice from DTC participants or indirect DTC participants having interests, as shown in the records of DTC, of not less than fifty percent (50%) of the aggregate principal amount of the then Outstanding Bonds so registered in the name of Cede to the effect, that (A) DTC is unable to discharge its responsibilities with respect to such Bonds; or (B) a continuation of the requirement that all such Outstanding Bonds be registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC, is not in the best interest of the beneficial owners of such Bonds.  
(3) Upon the termination of the services of DTC with respect to all or any portion of such Bonds pursuant to subsection (c)(2)(i) or (c)(2)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to all or any portion of such Bonds pursuant to subsection (c)(1) or subsection (c)(2)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Bonds (or the applicable portion thereof) shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging such Bonds, as the case may be, shall designate, in accordance with the provisions of this Indenture. Upon the determination by any party authorized herein that such Bonds (or any portion thereof) shall no longer be limited to book-entry form, the Authority shall immediately advise the Trustee, in writing, of the procedures for transfer of such Bonds from such book-entry form to a fully registered form.
- (d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Series of Bonds is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Bonds shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to such Bonds.

- (e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Indenture by the Authority or the Trustee with respect to any consent or other action to be taken by Bondholders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

Neither the Authority nor the Bond Registrar shall be required: (i) to exchange or transfer the Bonds of any Series for a period beginning on the Record Date next preceding an Interest Payment Date for Bonds of a particular Series and ending on such Interest Payment Date, or for a period of fifteen (15) days next preceding the date (as determined by the Trustee) of any selection of Bonds to be redeemed and thereafter until after the mailing of the notice of redemption; or (ii) to transfer or exchange any Bonds called for redemption.

**Section 306. Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds.** In case any Outstanding Bond shall be mutilated, destroyed, stolen or lost, the Authority shall execute and the Trustee or the Bond Registrar, as the case may be, shall authenticate and shall deliver a new Bond, of like tenor, number, Series designation and amount as the Bond so mutilated, destroyed, stolen or lost in exchange and in substitution for and upon surrender of such mutilated Bond or in lieu of and in substitution for the Bond, if any, destroyed, stolen or lost upon filing with the Trustee and the Bond Registrar evidence satisfactory to the Authority, the Trustee and the Bond Registrar that such Bond had been destroyed, stolen or lost and proof of ownership thereof, upon furnishing the Authority, the Trustee and the Bond Registrar with indemnity satisfactory to them, upon paying such expenses as the Authority, the Trustee and the Bond Registrar may incur in connection therewith and upon complying with such other reasonable regulations as the Authority, the Trustee and the Bond Registrar may prescribe. In lieu of reissuing a mutilated, destroyed, lost or stolen Bond that is due and payable, the Trustee and the Bond Registrar may pay the amount due on such Bond to the Owner or the Holder thereof, provided all the other requirements of this Section 306 have been met. Any Bond surrendered for transfer shall be canceled by the Trustee. Any such new Bonds issued pursuant to this Section 306 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Authority, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Indenture, in any moneys or securities held by the Authority or any Fiduciary for the benefit of the Bondholders.

**Section 307. Temporary Bonds.** Until the definitive Bonds are prepared, the Authority may execute in the same manner as is provided in Section 303 hereof and, upon the request of the Authority, the Trustee or Bond Registrar shall authenticate and shall deliver in lieu of definitive Bonds but subject to the same provisions, limitations and conditions as the definitive Bonds except as to the denominations thereof and as to exchangeability for registered Bonds, one or more temporary Bonds of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in Authorized Denominations and with such omissions, insertions and variations as may be appropriate to temporary Bonds for notation thereon of the payment of such interest. The Authority at its own expense shall prepare and shall execute and, upon the surrender for exchange and for cancellation of such temporary Bonds, the Trustee or the

Bond Registrar shall authenticate and shall deliver in exchange therefor definitive Bonds of the Authority without charge to the Holder thereof.

**Section 308. Payment of Interest on Bonds; Interest Rights Preserved.**

1. Interest on any Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Bond is registered at the close of business on the Record Date or any date which is the fifteenth (15th) day next preceding an Interest Payment Date as shall be provided in a Supplemental Indenture authorizing any Series of Bonds.

2. Any interest on any Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (hereinafter "Default Interest") shall forthwith cease to be payable to the Registered Owner on the relevant Record Date by virtue of having been such Owner; and such Default Interest shall be paid by the Authority to the Persons in whose names the Bonds are registered at the close of business on a date (hereinafter the "Special Record Date") for the payment of such Default Interest, which shall be fixed in the following manner. The Authority shall notify the Trustee, in writing, of the amount of Default Interest proposed to be paid on each Bond and the date of the proposed payment ("Default Interest Payment Date") (which date shall be not less than twenty-five (25) days after such notice), and at the same time the Authority shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Default Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Default Interest herein provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Default Interest, which Special Record Date shall be not more than fifteen (15) nor less than ten (10) days prior to the Default Interest Payment Date, and which Special Record Date shall be fixed by the Trustee within ten (10) days after the receipt by the Trustee of the notice of the proposed payment from the Authority. The Trustee shall promptly notify the Authority of such Special Record Date and Default Interest Payment Date and, in the name and at the expense of the Authority, shall cause notice of the proposed payment of such Default Interest and the Special Record Date and Default Interest Payment Date therefor to be mailed, first class postage prepaid, to each Bondholder at his address as it appears in the registry books, not less than ten (10) days prior to such Special Record Date.

Subject to the foregoing provisions of this Section 308, each Bond delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

**Section 309. Cancellation and Destruction of Bonds.** All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment is made, and such Bonds shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

ARTICLE IV

REDEMPTION OF BONDS

**Section 401. Privilege of Redemption and Redemption Price.** Bonds subject to redemption prior to maturity pursuant to this Indenture or a Supplemental Indenture shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms, in addition to the terms contained in this Article IV, as may be specified in the Supplemental Indenture authorizing such Refunding Bonds. The written consent of the City to effectuate a redemption of any Series of Bonds shall be received by the Authority prior to the redemption of a particular Series of Bond, except for the redemption of Bonds pursuant to mandatory sinking fund redemption. A copy of such written consent of the City shall be received by the Trustee prior to the mailing of the notice of redemption in accordance with Section 405 hereof. Except as may be otherwise provided in a Supplemental Indenture authorizing a Series of Refunding Bonds, any Series of Bonds may be redeemed in whole or in part on any date by the Authority, at the written direction of the City, in accordance with this Indenture or a Supplemental Indenture, as applicable.

**Section 402. Redemption at the Election or Direction of the Authority.** In the case of any redemption of Bonds (including any Series thereof) by the Authority, at the written direction of the City, the Authority shall give written notice to the Trustee of the election or direction of the City to so redeem, except for the redemption of Bonds pursuant to mandatory sinking fund redemption, in accordance herewith, of the redemption date, of the Series, and of the principal amounts of the Bonds of each maturity of such Series to be redeemed (which Series, maturities and principal amounts thereof to be redeemed shall be determined by the Authority, upon the written consent of the City, subject to any limitations with respect thereto contained in this Indenture). Such notice shall be given at least sixty (60) days prior to the redemption date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 405 provided, there shall be paid on or prior to the redemption date to the appropriate Paying Agents an amount in cash or noncallable Investment Securities which, in addition to other moneys, if any, available therefor held by such Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued thereon and unpaid to the redemption date, all of the Bonds to be so redeemed. The Authority shall promptly notify the Trustee, in writing, of all such payments by it to such Paying Agents.

**Section 403. Redemption Otherwise Than at the Authority's Election or Direction.** Whenever by the terms of this Indenture the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Authority, provided that if such redemption is required to be consented to, in writing, by the City, such written consent has been delivered to the Trustee, the Trustee shall: (i) select the Bonds or portions of Bonds to be redeemed; (ii) give the notice of redemption; and (iii) pay out of moneys available therefor the Redemption Price thereof, plus interest accrued thereon and unpaid to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV.

**Section 404. Selection of Bonds to be Redeemed.** Unless otherwise provided in this Indenture, if less than all of the Bonds of a Series of like maturity shall be called for prior redemption, the particular Bonds or portions of Bonds of a Series to be redeemed shall

be selected at random by the Trustee; provided, however, that the portion of any Bond of a Series of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or a multiple thereof, and that, in selecting portions of such Bonds of a Series for redemption, the Trustee shall treat each such Bond of a Series as representing that number of Bonds of such Series of \$5,000 denomination which is obtained by dividing by \$5,000 the principal amount of such Bond of the Series to be redeemed in part.

**Section 405. Notice of Redemption.** When the Trustee shall receive notice from the Authority of the election or direction of the City to redeem Bonds pursuant to Section 402 hereof, except for the redemption of Bonds pursuant to mandatory sinking fund redemption, and when redemption of Bonds is authorized or required pursuant to Section 403 hereof and the Trustee shall have received written notice from the City of its consent to the redemption of the Bonds, the Trustee shall give notice, in the name of the Authority, of the redemption of such Bonds, which notice shall specify the Series designation and maturities of the Bonds to be redeemed, the Redemption Price, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal amount thereof in the case of Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, via first class mail, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the Registered Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses appearing upon the registry books. Failure to give notice by mail, or any defect in the notice to the Registered Owner of any Bonds which are to be redeemed, shall not affect the validity of the proceedings for the redemption of any other Bonds.

Any notice of redemption of the Bonds may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the Redemption Price, together with interest accrued and unpaid to the redemption date, and any conditional notice so given may be rescinded at any time to and including the redemption date if such condition so specified is not satisfied. If a redemption does not occur after a conditional notice is given due to an insufficient amount of funds being on deposit with the Paying Agent to pay the Redemption Price on the redemption date, the corresponding conditional notice of redemption shall be deemed to have been revoked *nunc pro tunc* and shall be deemed to be null and void as if never given and such Bonds or portions thereof shall continue to bear interest until paid at maturity at the same rate as they would have borne had they not been called for redemption.

The Trustee shall comply with any notice or other requirements of DTC to effectuate a redemption of Bonds. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives the notice.

**Section 406. Payment of Redeemed Bonds.** Notice having been given in the manner provided in Section 405 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the

Redemption Price, plus interest accrued thereon and unpaid to the redemption date and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued thereon and unpaid to the redemption date. If there shall be called for redemption less than all of a Bond of like Series, the Authority shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Bonds so surrendered, fully registered Bonds of like Series and maturity in any Authorized Denominations.

If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest thereon to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and if a notice of redemption shall have been given as aforesaid, then from and after the redemption date interest on the Bonds or portions thereof of such Series and maturity so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the redemption date, such notice of redemption shall be rescinded by the Trustee, and shall be deemed to be null and void as if never given and such Bonds or portions thereof shall continue to bear interest until paid at maturity at the same rate as they would have borne had they not been called for redemption.

**Section 407. Redemption of Series 2024 Bonds.**

(a) **Optional Redemption.** The Series 2024 Bonds maturing on or prior to December 1, 2034 are not subject to optional redemption prior to maturity. The Series 2024 Bonds maturing on or after December 1, 2035 are subject to redemption prior to maturity at the option of the Authority, to be exercised upon receipt of written notice to the Trustee and the Authority of prepayment from the City in accordance with the terms of the Lease Agreement, on or after December 1, 2034 in whole or in part at any time, and, if in part, in such order of maturity as the City may direct and, within a maturity, by lot (or other customary method of selection determined by the Trustee), at a Redemption Price equal to one hundred percent (100%) of the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest to the redemption date.

(b) **Mandatory Sinking Fund Redemption.** The Series 2024 Bonds maturing on December 1, 2044 are subject to scheduled mandatory sinking fund redemption by the Authority on December 1 in the years and in the amounts set forth below at a redemption price equal to 100% of the principal amount thereof, plus accrued to the redemption date:

Redemption Date (December 1)	Principal Amount to be Redeemed
2040	\$170,000
2041	175,000
2042	185,000
2043	190,000
2044*	200,000

\*Final Maturity

(c) **Credits against Scheduled Mandatory Redemption Obligations.** At the option of the Authority with the consent of the City, to be exercised by delivery of a Certificate to the Trustee on or before the 45<sup>th</sup> day next preceding any scheduled mandatory redemption date, if any, it may: (i) deliver to the Trustee for cancellation Bonds subject to scheduled mandatory redemption on that date or portions thereof in Authorized Denominations; or (ii) specify a principal amount of Bonds or portions thereof in Authorized Denominations which prior to said date have been purchased or redeemed (otherwise than pursuant to this Section) and cancelled by the Trustee at the request of the Authority with the consent of the City and not theretofore applied as a credit against any scheduled mandatory redemption payment. Each Bond or portion thereof so delivered or previously redeemed shall be credited by the Trustee at the principal amount thereof against the obligation of the Authority to redeem Bonds on the scheduled mandatory redemption date or dates designated in writing to the Trustee by the Authorized Authority Representative occurring at least 45 days after the delivery of such designation to the Trustee, provided that if no such designation is made, such credit shall not be credited against such obligation.

The Trustee may designate for each Fund or Account established hereunder such number, letter or symbol as may be necessary to distinguish such Funds or Accounts from other Funds and Accounts of the Authority held by the Trustee for any Series of Bonds.

Section 503. Construction Fund. 1. There shall be established within the Construction Fund a separate Account for the Series 2024 Bonds and the 2024 Construction Project.

2. There shall be paid into such Account: (i) the amounts required to be so paid by the provisions of this Indenture or applicable Supplemental Indenture, including any proceeds from the issuance of the Series 2024 Bonds in accordance with Section 203(7)(b) hereof; (ii) any Proceeds received with respect to the 2024 Construction Project pursuant to Sections 7.06 and 7.07 of the Lease Agreement; (iii) amounts received from the City pursuant to Section 4.11 of the Lease Agreement and subsection six (6) of this Section 503; and (iv) at the option of the Authority at the written direction of the City, any moneys received by the Authority or the City for, or in connection with, the 2024 Construction Project from any other source, unless required to be otherwise applied in accordance with this Indenture including, but not limited to, funds received by the City from the American Rescue Plan Act of 2021 and appropriated by the City to the 2024 Project. All amounts in the Construction Fund shall be applied in the following order and priority: (i) to pay the Costs of the 2024 Construction Project or an Additional Project, or to reimburse the City for any Costs of the 2024 Construction Project or an Additional Project paid by it in accordance with a reimbursement resolution adopted by the

City or the Authority; and (ii) to the extent not otherwise utilized, moneys in the Construction Fund shall be transferred to the Debt Service Fund and applied by the Trustee in accordance with subsection (4) of this Section 503.

3. The Authority shall authorize the Trustee to make payments from the Construction Fund for the Cost of the 2024 Construction Project or an Additional Project in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this subsection (3). Before any such payment shall be made, there shall be filed by the Authority with the Trustee: a requisition therefor, which requisition shall be substantially in the form set forth in Exhibit B to the Lease Agreement, signed by an Authorized Authority Representative and approved by an Authorized City Representative (which approval shall not be unreasonably withheld), stating in respect of each payment to be made: (i) the requisition number; (ii) that such payment is to be made from the Construction Fund; (iii) the name and address of the Person to whom payment is to be made by the Trustee, or if payment is to be made to the Authority for a reimbursable advance, the name and address of the Person to whom such advance was made together with proof of payment by the Authority; (iv) the amount to be paid, which amount represents the payment due to the Person referenced in clause (iii) above, or 100% of the payment previously made by the Authority; (v) the particular item of Cost to be paid to which the requisition relates; (vi) that each obligation, item of Cost or expense mentioned therein has been properly incurred, is an item of Cost of the 2024 Construction Project, is unpaid or unreimbursed, and is a proper charge against the Construction Fund and has not been the basis of any previously paid withdrawal or requisition; (vii) that the public contracts bidding laws applicable to the contract pursuant to which payment is being requested have been complied with, if any; (viii) if such payment is a reimbursement to the City or the Authority for Costs or expenses incurred by reason of work performed or supervised by officers or employees of the Authority or the City, that the amount to be paid does not exceed the actual cost thereof to the City or Authority; (ix) that no uncured Event of Default has occurred under the Lease Agreement (as defined under Section 8.01 thereof) or under this Indenture and everything then required to be performed by the City has been performed; (x) neither the City nor the Authority has received notice of any lien, right to lien or attachment upon, or other claim affecting the right to receive payment of, any of the moneys payable under such requisition to any of the Persons named therein or, if any of the foregoing has been received, it has been released or discharged or will be released or discharged upon payment of the requisition; and (xi) in the event there are not sufficient funds available to pay such requisition from the maturity of any Investment Securities, instructions specifying the Investment Security or Securities which should be liquidated for the payment thereof. The Trustee shall issue its check for each payment required by such requisition or shall by interbank transfer or other method, arrange to make the payment required by such requisition. The Trustee shall have no obligations hereunder and may rely on the requisition if properly signed.

4. The completion of the 2024 Construction Project or any Additional Project by the Authority shall be evidenced by a certificate or certificates signed by an Authorized Authority Representative, and acknowledged by an Authorized City Representative (such acknowledgement not to be unreasonably withheld), which shall be in substantially the form set forth in Exhibit C to the Lease Agreement, and which shall be delivered and filed with the Trustee and the City, stating: (i) that such 2024 Construction Project or Additional Project is complete or has been substantially completed; (ii) the date of completion of the 2024 Construction Project or Additional Project; (iii) the Cost of all labor, services, materials and

supplies used in the 2024 Construction Project or Additional Project have been paid or will be paid from amounts retained by the Trustee, at the Authority's or the City's direction, for any Cost of the 2024 Construction Project and the amount, if any, required, in the opinion of the signer or signers, for the payment of any remaining part of the Cost of the 2024 Construction Project or Additional Project or any portion thereof, not then due and payable or, if due and payable, not yet paid; (iv) the 2024 Construction Project or Additional Project is an authorized "project" under the Act; and (v) all permits, including a Certificate of Occupancy, if required, necessary for the utilization of the 2024 Construction Project or Additional Project have been obtained and are in effect. Upon the filing of such Completion Certificate, the balance in the Construction Fund in excess of the amount, if any, stated in such Completion Certificate shall be transferred by the Trustee for deposit at the written direction of an Authorized Authority Representative (a copy of which Completion Certificate shall also be provided by the Authority to the City), in either: (i) the Debt Retirement Fund for application to the retirement of Series 2024 Bonds or applicable series of Refunding Bonds by purchase or redemption; or (ii) the Debt Service Fund. If, subsequent to the filing of such certificate, it shall be determined that any amounts specified in such certificate as being required for the payment of any remaining part of the Cost of the 2024 Construction Project are no longer so required, such fact shall be evidenced by a certificate or certificates signed by an Authorized Authority Representative delivered and filed with the Trustee and the City stating such fact and the amount no longer required to be paid, and any amount shown therein as no longer being required shall be transferred to the Trustee for application as provided in the preceding sentence. Notwithstanding the foregoing, such Completion Certificate shall state that it is given without prejudice to any rights against third parties which exist as of the date of such certificate or which may subsequently come into being.

5. Any damages or other moneys from any contractor, subcontractor, manufacturer, supplier or any party to any contract for the 2024 Construction Project or its surety due and owing to the Authority pursuant to Section 4.10 of the Lease Agreement shall be paid to the Trustee for deposit in the Construction Fund (in accordance with written instructions from the Authority) to complete the 2024 Construction Project. Any such moneys not necessary to complete the 2024 Construction Project or not so applied, as stated in a certificate executed by an Authorized Authority Representative delivered to the Trustee, shall be transferred by the Trustee to the Proceeds Fund and applied as a credit toward the City's Lease Payment obligations with respect to the Series 2024 Bonds on the next succeeding Lease Payment Date, in accordance with Section 507(2) and (3) hereof.

6. (a) In the event the Cost to complete the 2024 Construction Project shall exceed the amount available to the Authority from the portion of the proceeds of the Series 2024 Bonds allocable thereto and in the event the City desires to undertake such remaining portions of the 2024 Construction Project, pursuant to Section 4.11 of the Lease Agreement, the City shall be obligated to pay, as additional payments under Section 5.02(B)(ii) of the Lease Agreement, such sums as may be required to pay the Cost of the 2024 Construction Project in excess of the amount available to the Authority from the portion of the proceeds of the Series 2024 Bonds allocable thereto out of funds legally available therefor. Payment of such additional amounts shall be made by the City at the time or times and in the amount or amounts required for the payment of such excess Cost as the same becomes due and payable. Such additional moneys shall be paid by the City to the Trustee for deposit in the Construction Fund and the Trustee shall pay the Cost thereof in accordance with the procedures outlined in Section 4.03 of the Lease Agreement and subsection (3) of this Section 503.

(b) In the event the City pays to the Trustee sums needed to fund the balance of the Cost of the 2024 Construction Project in accordance with the provisions of Section 4.11(A) of the Lease Agreement, the City shall complete Exhibit E attached to the Lease Agreement to reflect: (i) the amount of moneys to be withdrawn from the Construction Fund to pay the Cost of the 2024 Construction Project; (ii) the amount of money forwarded to the Trustee by the City for deposit in the Construction Fund to make up the deficiency in such Cost of the 2024 Construction Project; and (iii) the total Cost of the item being requisitioned, which certificate shall be signed by an Authorized City Representative and approved by an Authorized Authority Representative (which approval shall not be unreasonably withheld) and delivered and filed with the Trustee.

7. Prior to the completion of the 2024 Construction Project, the Trustee shall, upon receipt of a requisition signed by an Authorized City Representative, advance moneys on deposit in the Construction Fund to provide for working capital. The Trustee shall advance such moneys only to the extent that such moneys are not needed to make payment on requisitions for the 2024 Construction Project within the following one hundred twenty (120) days and there are no other funds available to the City for working capital as certified by an Authorized City Representative. Repayment by the City to the Trustee for each such advance is due no later than one hundred twenty (120) days from the date of such advance and the Trustee shall deposit the City's repayment of any such advance in the Construction Fund.

**Section 504. Revenue Fund.** Except as set forth in Sections 505 and 603 hereof, all Revenues shall be promptly deposited by the Trustee upon receipt thereof into the Revenue Fund and shall be applied as set forth in Section 506 hereof. All moneys at any time deposited in the Revenue Fund shall be held in trust for the benefit of the Holders but shall nevertheless be disbursed and applied solely for the uses and purposes set forth in this Article V.

**Section 505. Operating Fund.** 1. Pursuant to an order of the Authority simultaneously delivered to the Trustee on the Issue Date of the Series 2024 Bonds, any proceeds of the Series 2024 Bonds and City moneys, as the case may be, representing costs of issuance and the Initial Authority Financing Fee shall be immediately deposited in the Operating Fund. Such amounts shall be paid by the Trustee in accordance with subsection (2) of this Section 505.

2. Amounts deposited in the Operating Fund shall be paid out by the Trustee pursuant to written direction of the Authority and the City from time to time for costs of issuance and Authority Administrative Expenses, including expenses incurred by the Authority to perform an arbitrage rebate calculation upon requisition therefor submitted to the Trustee and signed by an Authorized Authority Representative stating: (i) the name of the Person to whom each such payment is due; (ii) the respective amounts to be paid; (iii) the purpose by general classification for which each obligation in the stated amounts has been or will be incurred; and (iv) each obligation in the stated amount has been or will be incurred by or on behalf of the Authority and that each item thereof is a proper charge against the Operating Fund and has not been previously paid. To the extent such amounts deposited therein are not spent within ninety (90) days of the Issue Date of the Series 2024 Bonds and any other Series of Refunding Bonds, the Trustee shall, without further direction, deposit in the applicable Account of the Debt Service Fund for such Series of Bonds any balance then remaining for such Series of Bonds unless the City requests, in

writing (with a copy to the Authority), that such balance remain in the Operating Fund for an additional period of time as specified in such request.

3. Amounts paid by the City as Additional Lease Payments for the performance of an arbitrage rebate calculation pursuant to Section 6.14 of the Lease Agreement and payment of, among other expenses, the annual Authority Administrative Expenses shall be paid to the Trustee and the Trustee shall deposit the same in the Operating Fund. Such amounts shall be paid by the Trustee to the Authority in accordance with subsection (2) of this Section 505.

**Section 506. Payments From the Revenue Fund Into Certain Funds.** 1. As soon as practicable after the deposit of Revenues into the Revenue Fund, but in any case no later than 3:00 p.m. on the first Business Day immediately following a Lease Payment Date or after the deposit of any Revenues in the Revenue Fund payable by the City upon demand pursuant to Sections 5.02(A) and (B) of the Lease Agreement, respectively, the Trustee shall credit, but only to the extent the amount in the Revenue Fund shall be sufficient therefor, such Revenues as follows: (i) Revenues representing Lease Payments made by the City pursuant to Section 5.02(A) of the Lease Agreement, the amount of such payment being in accordance with Exhibit A attached to the Lease Agreement, shall be deposited in the Debt Service Fund in accordance with Section 508 hereof or, in the case of any purchase or redemption of Bonds of any Series and maturity for which Sinking Fund Installments shall have been established, to the Debt Retirement Fund; (ii) Revenues representing moneys received by the Trustee pursuant to the provisions of Section 6.06(C) of the Lease Agreement shall immediately be deposited in the Debt Service Fund and applied in accordance with the provisions of Section 508 hereof; (iii) Revenues representing Additional Lease Payments made by the City pursuant to Section 5.02(B) of the Lease Agreement including the annual Authority Administrative Expenses shall immediately be deposited in the Operating Fund and applied in accordance with the provisions of Section 505(3) hereof; (iv) Revenues representing amounts received from the City from the conveyance or exchange of facilities and/or equipment constituting part of the 2024 Construction Project previously acquired with the proceeds of the Series 2024 Bonds and applied pursuant to Section 6.06(C) of the Lease Agreement shall immediately be deposited in the Debt Service Fund and applied in accordance with the provisions of Section 508 hereof; and (v) any investment earnings on any moneys held in any Fund and required to be transferred to the Revenue Fund pursuant to the provisions of this Indenture, such that the total balance in the Debt Service Fund shall equal the Debt Service Requirement on each such Series of Bonds for the next respective succeeding Interest Payment Date and Principal Installment Date, as applicable, provided that, for the purposes of computing the amount to be deposited in said Fund, there shall be included in the balance of the Debt Service Fund that amount of such proceeds to be applied in accordance with this Indenture to the payment of interest accrued and unpaid and to accrue on such Series of Bonds to the next Interest Payment Date as set forth in an order of the Authority to the Trustee; provided, however, that so long as there shall be held in the Debt Service Fund an amount sufficient and available to pay in full all Outstanding Bonds of a particular Series in accordance with their terms (including principal thereof and interest thereon) no transfers shall be required to be made from the Revenue Fund to the Debt Service Fund.

2. Revenues consisting of proceeds representing damages or other moneys from any contractor, subcontractor, manufacturer, supplier or surety shall be immediately credited in accordance with Sections 503(5) and 507(2) hereof.

3. All interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment and net of any losses suffered) earned or any gain realized on any moneys or investments in such Funds shall be transferred upon receipt to the Revenue Fund, except that: (i) such net interest earned on any moneys or investments in the Debt Service Fund shall be held in such Fund for the purposes thereof and shall be paid into such Fund in accordance with the provisions of Section 603(2) hereof and shall be applied in accordance with the provisions hereof; and (ii) interest earned on any moneys or investments in the Construction Fund shall be held in the Construction Fund until delivery of a Completion Certificate for the 2024 Construction Project or any Additional Project as required by Section 503(4) of this Indenture at which time such moneys shall be applied in accordance with Section 603(2) hereof.

**Section 507. Proceeds Fund.** 1. Revenues paid to the Trustee pursuant to Section 4.10 of the Lease Agreement and Section 503(5) hereof and not necessary to complete the 2024 Construction Project or an Additional Project or not so applied shall be transferred by the Trustee, upon receipt of a certificate of an Authorized City Representative delivered to the Trustee stating the amount of money to be so transferred, from the Construction Fund to the Proceeds Fund and applied as a credit toward the City's Lease Payment obligations pursuant to subsections (2) and (3) below.

2. Proceeds representing damages or other moneys from any performance bond or surety provided pursuant to Section 4.10 of the Lease Agreement and deposited in the Construction Fund in accordance with Section 503(5) hereof and not necessary to complete the 2024 Construction Project or an Additional Project shall be transferred by the Trustee to the Proceeds Fund. Proceeds on deposit in the Proceeds Fund resulting from such deposits shall be applied by the Trustee as a credit toward the amount of Lease Payments owed by the City on each Lease Payment Date for the payment of Debt Service on the applicable Series of Bonds by the transfer of such proceeds to the Debt Service Fund as set forth in a certificate of an Authorized City Representative filed with the Trustee at the time of the deposit of the proceeds into the Proceeds Fund.

3. To the extent moneys in the Debt Service Fund are sufficient to satisfy the amount of Lease Payments due and owing by the City for a Bond Year, any such proceeds on deposit in the Proceeds Fund, or any other Revenues deposited therein, shall remain in the Proceeds Fund and shall be transferred thereafter into the Debt Service Fund on each Lease Payment Date for the payment of Debt Service on the applicable Series of Bonds until such proceeds or any other Revenues are exhausted. The application of such proceeds or any other Revenues deposited therein in accordance herewith shall be credited toward the Lease Payments due and owing from the City in any Bond Year. Any such proceeds or any other Revenues deposited in the Proceeds Fund shall be invested, subject to such yield restrictions as shall be directed to the Trustee, in writing, by an Authorized Authority Representative, upon written direction of an Authorized City Representative, in consultation with Bond Counsel.

**Section 508. Debt Service Fund.** 1. Pursuant to Section 506(1)(a) hereof, Revenues representing Lease Payments from the City deposited in the Revenue Fund on any Lease Payment Date shall be transferred to and deposited in the Debt Service Fund not later than 3:00 p.m. on the first Business Day thereafter by the Trustee. Not later than 3:00 p.m. on the

first Business Day after any Lease Payment Date, the Trustee shall determine whether the amounts on deposit in the Debt Service Fund, after all Revenues representing Lease Payments from the City originally deposited in the Revenue Fund and transferred to and deposited in the Debt Service Fund in accordance with the provisions hereof, are sufficient to meet the Debt Service Requirements on all Outstanding Bonds for the next succeeding Interest Payment Date and Principal Installment Date, as applicable. Subject to, and after the application of the provisions of Section 509 hereof, in the event such amounts in the Debt Service Fund are insufficient to meet such Debt Service Requirement on the Outstanding Bonds, the Trustee shall give written notice thereof, by facsimile transmission in accordance with Section 1214 hereof, to the Authority and the Authorized City Representative of such deficiency no later than 4:00 p.m. on the first Business Day after such Lease Payment Date, which notice shall state the amount of such deficiency as at the close of business on any Lease Payment Date and that such deficiency must be cured no later than the next ensuing Interest Payment Date and Principal Installment Date, as applicable. The notice to the Authorized City Representative and the Authority shall also include the amount of the Interest Payment and Principal Installment, as applicable, due and payable and the amount required to be paid by the City to cure such deficiency and to enable the Trustee to make a Debt Service payment on the Outstanding Bonds on the next ensuing Interest Payment Date or Principal Installment Date, as applicable. The receipt of any such notice by the Authorized City Representative shall be acknowledged by the Authorized City Representative to the Trustee within one (1) Business Day after receipt thereof. If the nonpayment of the City is not cured by the applicable Interest Payment Date or Principal Installment Date, as applicable, the City, pursuant to its general obligation *ad valorem* pledge, shall pay to the Trustee, not later than such Interest Payment Date and Principal Installment Date, as applicable, any and all amounts required to pay Debt Service on the Outstanding Bonds.

2. (i) On each Interest Payment Date, the Trustee shall make available to the Paying Agent from moneys available in the Debt Service Fund an amount which equals the interest on each Series of Outstanding Bonds due on such date, which moneys shall be applied by the Paying Agent to the payment of such interest on the Interest Payment Date; and (ii) on the Principal Installment Date of each Series of Outstanding Bonds, the Trustee shall make available to the Paying Agent from moneys in the Debt Service Fund an amount equal to the principal of each Series of Outstanding Bonds due on such date, which moneys shall be applied by the Paying Agent to the payment of such principal on the Principal Installment Date. The Trustee may also pay out of the Debt Service Fund the accrued interest included in the purchase price of each Series of Outstanding Bonds, pursuant to the provisions of subsection (3) below.

3. The amount, if any, deposited in the Debt Service Fund representing accrued interest, if any, on the proceeds of any Series of Bonds, shall be set aside in such Fund and applied, in accordance with written instructions of the Authority delivered to the Trustee prior to the authentication of such Series of Bonds, to the payment of accrued interest on such Series of Bonds as the same becomes due and payable.

4. In the event of the refunding of any Bonds, the Trustee shall, if an Authorized Authority Representative so directs, in writing, withdraw from the Debt Service Fund all, or any portion of, the amounts accumulated therein with respect to Debt Service on the Series of Bonds being refunded, and set aside such amounts to be held in trust as set forth in such written direction; provided that such withdrawal shall not be made unless: (i) immediately thereafter the Series of Bonds being refunded shall be deemed to have been paid pursuant to

Section 1201(2) hereof; and (ii) the amount remaining in the Debt Service Fund, after giving effect to the issuance of the Refunding Bonds and the disposition of the proceeds thereof, shall not be less than the requirement of such Fund pursuant to subsection (2) of this Section 508 with respect to the Debt Service Requirement on each Outstanding Series of Bonds and Section 506 hereof.

5. Revenues representing moneys received by the Trustee pursuant to the provisions of Section 6.06 of the Lease Agreement and deposited in the Debt Service Fund shall immediately be applied to the payment of Debt Service on the applicable Series of Bonds on the next ensuing Interest Payment Date or Principal Installment Date, as applicable. To the extent such moneys cannot be used to pay Debt Service on such Series of Bonds within thirteen (13) months of deposit, such moneys shall be transferred to the Proceeds Fund and applied in accordance with the provisions of Section 507(3) hereof.

**Section 509. Debt Retirement Fund.** 1. Subject to the limitations contained in subsection (4) of this Section 509, if, on any Lease Payment Date prior to any Interest Payment Date or Principal Installment due date, as the case may be, the amount on deposit in the Debt Service Fund shall be less than the amount required to be in such Fund pursuant to subsection (1) of Section 506, the Trustee shall transfer from the Debt Retirement Fund to the Debt Service Fund an amount (or all of the moneys in the Debt Retirement Fund if less than the amount required) which will be sufficient to make up such deficiency.

2. To the extent not required to make up a deficiency as required in subsection (1) of this Section 509, amounts in the Debt Retirement Fund shall be applied, as rapidly as practicable in the case of mandatory redemption, or, at the written direction of an Authorized City Representative, to the purchase or optional redemption (including redemption premium, if any) of the applicable Series of Bonds.

3. Upon any purchase or redemption pursuant to this Section 509 of Bonds of any Series and maturity for which Sinking Fund Installments shall have been established or delivery to the Trustee for cancellation by the Authority of Bonds of such Series or maturity, there shall be credited toward each such Sinking Fund Installment thereafter to become due an amount bearing the same ratio to such Sinking Fund Installment as the total principal amount of such Bonds so purchased, redeemed, or delivered for cancellation bears to the total amount of all such Sinking Fund Installments to be credited. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of calculation of Sinking Fund Installments due on a future date.

4. The transfers required by subsection (1) of this Section 509 shall be made from amounts in the Debt Retirement Fund only to the extent that such amounts are not then required to be applied to the redemption of Bonds of such Series for which notice of redemption shall have been given by the Trustee to Bondholders.

**Section 510. Satisfaction of Sinking Fund Installments.** 1. In satisfaction, in whole or in part, of any Sinking Fund Installment, the Authority may deliver to the Trustee at least sixty (60) days prior to the date of such Sinking Fund Installment, for cancellation, Bonds

of the Series and maturity entitled to such Sinking Fund Installment. All Bonds so delivered to the Trustee in satisfaction of a Sinking Fund Installment shall reduce the amount thereof by the amount of the aggregate Redemption Price of such Bonds applicable on the date of such Sinking Fund Installment (or the principal amount thereof if such date be the date of maturity of such Bonds), provided that concurrently with such delivery of such Bonds the Authority shall deliver to the Paying Agent and to the Trustee a certificate of an Authorized Authority Representative specifying: (i) the principal amount, Series, maturity, interest rate and numbers of the Bonds so delivered; (ii) the date of the Sinking Fund Installment in satisfaction of which such Bonds are so delivered; (iii) the aggregate Redemption Price on the date of such Sinking Fund Installment (or the principal amount in the case of any Series of Bonds which mature on such Sinking Fund Installment date) of any Bonds so delivered; and (iv) the unsatisfied balance of such Sinking Fund Installment after giving effect to the delivery of such Bonds.

2. The Trustee shall, upon receipt of the notice required and in the manner provided in Article IV hereof, call for redemption on the date of each Sinking Fund Installment falling due prior to maturity such principal amount of Bonds of the Series and maturity entitled to such Sinking Fund Installment as is required to exhaust the unsatisfied balance of such Sinking Fund Installment.

**Section 511. Application of Moneys in the Rebate Fund.** 1. The Authority shall determine or shall cause to be determined the amounts necessary to equal the rebate requirement and shall cause the City to deposit such amount in the Rebate Fund and the Authority shall transfer or cause to be transferred by the Trustee at such times and to such Person as required by Section 148 of the Code an amount equal to the rebate requirement from the Rebate Fund. To the extent such amounts on deposit in the Rebate Fund are not sufficient to meet the rebate requirement, amounts shall be immediately paid by the City to the Trustee for deposit in the Rebate Fund.

Notwithstanding anything contained in this Indenture to the contrary, neither the Authority nor the Trustee shall be responsible or liable for any loss, liability, or expense incurred to the extent incurred as a result of the failure of the City to fulfill its obligations with respect to the calculation and payment of the rebate requirement.

2. The Trustee, as directed by an Authorized Authority Representative, shall apply or cause to be applied the amounts in the Rebate Fund at the times and in the amounts required by Section 148 of the Code solely for the purpose of paying the United States in accordance with Section 148 of the Code.

3. Moneys held in the Rebate Fund shall be invested and reinvested by the Trustee in Investment Securities defined in clauses b(1) and b(2) of such definition, as shall be directed by an Authorized Authority Representative, upon written direction of the City, that mature not later than such times as shall be necessary to provide moneys when needed for the payments to be made from such Fund. The interest earned on any moneys or investments in the Rebate Fund shall be retained in such Fund.

4. Pursuant to the provisions of Section 603(4) hereof, investment earnings from the Revenue Fund and Operating Fund may be deposited in the Rebate Fund upon written

direction of an Authorized Authority Representative, upon written direction of the City, to the Trustee.

**Section 512. Moneys Remaining in Funds and Accounts; Reimbursement of Fiduciary and Authority.** Except as set forth in Section 1202 hereof with respect to unclaimed funds, upon the final maturity of any Series of Bonds issued hereunder, any moneys remaining in the Funds and Accounts held under this Indenture for such Series of Bonds shall be paid to each such Fiduciary (to the extent each such Fiduciary has incurred expenses which remain unpaid or unreimbursed, as the case may be) and the Authority (to the extent the Authority has incurred Authority Administrative Expenses which remain unpaid or unreimbursed, as the case may be), by the Trustee, free and clear of the lien and pledge of this Indenture, to the extent required to reimburse such Fiduciary for such expenses and, thereafter, the balance therein (but not including unclaimed funds resulting from defeased bonds of any Series) shall be paid and shall belong to the City free and clear of the lien and pledge of this Indenture.

### DEPOSITORIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

**Section 601. Depositories.** 1. All moneys deposited under the provisions of this Indenture with the Trustee shall constitute trust funds and shall be held in trust and applied only in accordance with the provisions of this Indenture, and each of the Funds and Accounts established by this Indenture shall be a trust fund for the purpose thereof held for the benefit of the Authority and the City, as applicable. The Authority may deposit such moneys with the Trustee in trust for the Authority and the City.

2. Any Fiduciary shall be a bank or trust company organized under the laws of the State or any other state or a national banking association having capital stock, surplus and undivided earnings of \$100,000,000 or more and willing and able to accept the office on reasonable and customary terms and authorized by law to act in accordance with the provisions of this Indenture. No moneys shall be deposited with any Fiduciary in any amount exceeding fifteen percent (15%) of the amount which an officer of such Fiduciary shall certify to the Authority as to the capital stock and surplus of such Fiduciary.

**Section 602. Deposits.** 1. All Revenues and moneys held by the Trustee or a Fiduciary under this Indenture may be placed on demand or time deposit, if and as directed by the Authority, provided that such deposits shall permit the moneys so held to be available for use at the time when needed. Any such deposit may be made in the commercial banking department of any Fiduciary which may honor checks and drafts on such deposit with the same force and effect as if it were not such Fiduciary. All moneys held by any Fiduciary, as such, may be deposited by such Fiduciary in its banking department on demand or, if and to the extent directed by the Authority and acceptable to such Fiduciary, on time deposit, provided that such moneys on deposit be available for use at the time when needed.

2. All moneys held under this Indenture by the Trustee or any Fiduciary shall be: (i) either (a) continuously and fully insured by the Federal Deposit Insurance Corporation, or (b) continuously and fully secured by lodging with the Trustee or any Federal Reserve Bank, as custodian, as collateral security, such securities as are described in clauses b(1) and (2) of the definition of "Investment Securities" in Section 101 hereof, having a market value at the time of deposit (exclusive of accrued interest) not less than the amount of such moneys; or (ii) secured in such other manner as may then be required by applicable Federal or State laws and regulations and applicable state laws and regulations of the state in which the Trustee or such Fiduciary (as the case may be) is located, regarding security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that it shall not be necessary for the Fiduciaries to give security under this subsection (2) for the deposit of any moneys with them held in trust and set aside by them for the payment of the principal or Redemption Price of and interest on any Series of Bonds, or to give security for any moneys which shall be represented by Investment Securities purchased as an investment of such moneys.

3. All moneys deposited with the Trustee shall be credited to the particular Fund or Account to which such moneys belong and, except as provided with respect to the investment of moneys in Investment Securities in Section 603 hereof, the moneys credited to

each particular Fund or Account shall be kept separate and apart from, and not commingled with, any moneys credited to any other Fund or Account or any other moneys deposited with the Trustee.

**Section 603. Investment of Certain Funds.** 1. Moneys held in the Revenue Fund or the Debt Service Fund shall be invested and reinvested by the Trustee to the fullest extent practicable in its money market fund as defined in clause b(2) or b(7) of the definition of "Investment Securities" in Section 101 hereof, which Investment Securities shall mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Funds. Moneys held in: (i) the Construction Fund; (ii) the Debt Retirement Fund; (iii) the Proceeds Fund; and (iv) the Operating Fund may be invested and reinvested in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Funds. Moneys held in the Rebate Fund, if any, shall be invested and reinvested in accordance with the written instructions received from any Authorized Authority Representative, upon the written direction of the City. The Trustee shall make all such investments of moneys held by it in accordance with written instructions from time to time received from any Authorized Authority Representative, upon the written direction of the City. In making any investment in any Investment Securities with moneys in any Fund established under this Indenture, the Authority, upon the written direction of the City, may instruct the Trustee, in writing, to combine such moneys in any other Fund, if permitted hereunder, but solely for purposes of making such investment in such Investment Securities.

2. All interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment and net of any losses suffered) earned or any gain realized on any moneys or investments in such Funds shall be transferred upon receipt to the Revenue Fund and applied in accordance with the provisions of Section 506(3) hereof, except that such net interest earned on any moneys or investments in the Debt Service Fund shall be held in such Fund for the purposes thereof and shall be paid into the Debt Service Fund on a periodic basis at least quarterly or as otherwise shall be directed by the Authority, upon the written direction of the City, and applied pursuant to Section 508 hereof. The Trustee shall annually notify the City and the Authority, in writing, of such application of such interest and earnings transferred to the Revenue Fund. Interest earned on any moneys or investments in the Construction Fund shall be held therein until the delivery of a Completion Certificate by an Authorized City Representative as required by Section 503(4) of this Indenture at which time such moneys shall be applied in accordance with the provisions of the Completion Certificate.

3. In the absence of written investment direction from an Authorized Authority Representative, the Trustee may invest moneys which the Authority has failed to direct in money market funds as defined in clauses b(2) and (6) of the definition of "Investment Securities" in Section 101 hereof customarily invested in by the Trustee.

4. Notwithstanding anything herein to the contrary, the Authority, upon the written direction of the City, may direct the Trustee to deposit earnings from the Revenue Fund and the Operating Fund into the Rebate Fund to pay any amounts required to be set aside for rebate to the Internal Revenue Service pursuant to the Code.

5. Nothing in this Indenture shall prevent any Investment Securities acquired as investments of or security for funds held under this Indenture from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

-49-

6. Nothing in this Indenture shall preclude the Trustee from investing or reinvesting moneys through its bond department; provided, however, that the Authority, upon the written direction of the City, may, in its discretion, direct that such moneys be invested or reinvested in a manner other than through such bond department.

**Section 604. Valuation and Sale of Investments.** Obligations purchased as an investment of moneys in any Fund or Account created under the provisions of this Indenture shall be deemed at all times to be a part of such Fund or Account and any profit realized from the liquidation of such investment shall be credited to such Fund or Account, and any loss resulting from the liquidation of such investment shall be charged to the respective Fund or Account.

In computing the amount in any Fund or Account created under the provisions of this Indenture for any purpose provided in this Indenture, obligations purchased as an investment of moneys therein shall be valued at the lesser of cost or market value thereof. The accrued interest paid in connection with the purchase of any obligation shall be included in the value thereof until interest on such obligation is paid. Such valuation shall be determined on a monthly basis on the basis of monthly statements produced by the Trustee.

Except as otherwise provided in this Indenture, the Trustee shall sell at the best price reasonably obtainable or present for redemption or transfer as provided in the next sentence any obligation so purchased as an investment whenever either shall be requested, in writing, by an Authorized Authority Representative to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund or Account held by it. In lieu of such sale or presentation for redemption, the Trustee may, in making the payment or transfer from any Fund or Account mentioned in the preceding sentence, transfer such investment obligations or coupons for interest appertaining thereto if such investment obligations or coupons shall mature or be collectable at or prior to the time the proceeds thereof shall be needed.

Neither the Authority nor the Trustee shall be liable or responsible for any loss resulting from any such investment, sale or presentation for investment made in the manner provided herein.

## ARTICLE VII

### LEASE OF FACILITY TO THE CITY

**Section 701. Terms and Conditions for Lease.** The Authority shall lease the Facility to the City and shall enter into the Lease Agreement with the City in the manner, on the terms and conditions and upon submission of the documents required by this Article VII.

**Section 702. Form of Lease Agreement.** The Lease Agreement shall be in such form as an Authorized Authority Representative approves, as conclusively evidenced by the execution thereof by an Authorized Authority Representative, provided, however, that the Lease Agreement shall in any event conform in all material respects to the provisions of this Indenture.

**Section 703. Delivery of Documents in Connection With the Lease Agreement.** Prior to or at the execution and delivery of the Lease Agreement with the City and the closing of a Series of Bonds, the Authority and the Trustee shall have received the following documents:

(i) an opinion of the City Solicitor and/or City Bond Counsel to the effect that the Lease Agreement was duly authorized by the City and is a direct and general obligation of the City, payable, unless paid from some other source, from the levy of *ad valorem* taxes upon all taxable real property within the jurisdiction of the City, without limitation as to rate or amount and was duly authorized by the City and is a valid and binding contractual obligation of the City;

(ii) a counterpart of the Lease Agreement executed by the City;

(iii) certified copies of the Lease Ordinance and the authorization proceedings for its adoption by the City;

(iv) such other certificates, documents, opinions and information as the Authority and Bond Counsel may reasonably require in connection with the execution, delivery and implementation of the Lease Agreement and the issuance of such Series of Bonds.

All opinions and certificates required under this Section 703 shall be Issue Date of such Series of Bonds and such opinions shall be addressed to the party or parties specified in the bond purchase contract executed by the Authority and the underwriter in connection with the sale and award of such Series of Bonds.

**Section 704. Default Under the Lease Agreement.** The Trustee shall, by 4:00 p.m. on the first Business Day after a Lease Payment Date, immediately notify the Authority and the Authorized City Representative of the Trustee's failure to receive a Lease Payment from the City and of any other event of default under the Lease Agreement known to the Trustee pursuant to the terms hereof.

-51-

Notwithstanding the above, the failure of the Trustee to receive any Lease Payment from the City on any Lease Payment Date shall not cause an Event of Default for the purposes of Article IX of this Indenture or the acceleration of any of the Bonds then Outstanding.

In the event of a default in the Lease Payment due and owing to the Authority by the City under the Lease Agreement, the City shall be unconditionally obligated to pay such sum of money due and owing to the Trustee pursuant to its *ad valorem* pledge so as not to cause an Event of Default under Section 901(i) or (ii) hereof and an acceleration of the Bonds.

**Section 705. Termination of the Lease Agreement.** Upon the payment in full by the City of all amounts due under the Lease Agreement, the Trustee shall, at the written direction of the Authority, undertake such actions as shall be required to effectuate the termination provisions of the Lease Agreement including, without limitation, the execution of all relevant documents in connection with such actions.

**Section 706. Files.** After the execution and delivery of the Lease Agreement, the Trustee shall retain all the documents received by it pursuant to this Article VII in connection therewith in a file pertaining to the Lease Agreement, to which file the Trustee shall from time to time add all records and other documents pertaining to Lease Payments and other amounts received by the Trustee under the Lease Agreement and all communications from or received by the Trustee with respect to the Lease Agreement and the City. Such file shall be kept at the principal corporate trust office of the Trustee and shall be available for inspection by the Authority and the City at reasonable times and under reasonable circumstances.

**Section 707. Insufficiency of or Failure to Make Lease Payments.** (a) The Lease Agreement shall provide that the City shall pay on each Lease Payment Date during the Bond Year, Lease Payments which, together with other moneys on deposit in the Debt Service Fund, will equal the Debt Service Requirement on the Outstanding Bonds on the next succeeding Interest Payment Date or Principal Installment Date, as applicable, during each Bond Year. The Lease Payments due under the Lease Agreement shall be on deposit in the Revenue Fund not later than the Lease Payment Date.

(b) In accordance with Section 508 hereof and subject to and after application of the provisions of Section 509 hereof, in the event the City has failed to make a Lease Payment on any Lease Payment Date so that the amounts so received by the Trustee and on deposit in the Debt Service Fund are insufficient to meet the Debt Service Requirement on the Outstanding Bonds due on the next ensuing Interest Payment Date or Principal Installment Date, as applicable, the Trustee shall notify the Authority and the Authorized City Representative, in writing by facsimile transmission in accordance with Section 1214 hereof, of such deficiency in accordance with the provisions of Section 508(2) hereof. Notwithstanding the above, failure of the Trustee to give the notices required hereunder and under Sections 508(2) and 704 hereof or any defect in the notice to the City shall not relieve the City of its obligations under the Lease Agreement.

ARTICLE VIII

PARTICULAR COVENANTS OF THE AUTHORITY

The Authority covenants and agrees with the Trustee and the Bondholders as follows:

Section 801. Payment of Bonds. The Authority shall duly and punctually pay or cause to be paid, but solely from the Pledged Property, the principal or Redemption Price of every Bond and the interest thereon, at the dates and places and in the manner provided in the Bonds, according to the true intent and meaning thereof.

Section 802. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement, and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under this Indenture, to the benefit of this Indenture or to any payment out of Revenues or Funds established by this Indenture, including the investment thereof, pledged under this Indenture or the moneys (except moneys held in trust for the payment of particular Bonds or claims for interest pursuant to this Indenture) held by the Fiduciaries, except subject to the prior payment of the principal of all Bonds Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest. Nothing herein shall be deemed to limit the right of the Authority to issue Refunding Bonds pursuant to Section 205 hereof and such issuance shall not be deemed to constitute an extension of maturity of the Bonds to be refunded.

Section 803. Offices for Servicing Bonds. The Authority shall at all times maintain one or more agencies in the State, and may maintain one or more such agencies in any other state or states, where Bonds may be presented for payment. The Authority hereby appoints the Trustee, as a Bond Registrar, and the Authority shall at all times maintain one or more agencies where Bonds may be presented for registration or transfer and where notices, demands and other documents may be served upon the Authority in respect of the Bonds or of this Indenture, and the Trustee shall continuously maintain or make arrangements to provide such services.

Section 804. Further Assurance. At any and all times the Authority shall, as far as it may be authorized by law, comply with any reasonable request of the Trustee to pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming all and singular the rights, Revenues and other moneys, securities and Funds hereby pledged, or intended so to be, or which the Authority may become bound to pledge to the payment of the principal or Redemption Price of and interest on the Bonds, including any Series thereof.

Section 805. Power to Issue Bonds and Pledge Pledged Property. The Authority is duly authorized under all applicable State laws to create and issue the Bonds, to enter into this Indenture with the Trustee and to pledge the Pledged Property purported to be

subjected to the lien of this Indenture in the manner and to the extent provided in this Indenture. Except to the extent otherwise provided in this Indenture, the Pledged Property so pledged is and will be free and clear of any other pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge and assignment created by this Indenture, and all action on the part of the Authority to that end has been and will be duly and validly taken. The Bonds and the provisions of this Indenture are and will be the valid and legally binding special and limited obligations of the Authority. The Lease Agreement may be amended, changed, modified or altered without the consent of the Holders of Outstanding Bonds at any time for any reason prior to the Issue Date of the Series 2024 Bonds, or after the Issue Date of the Series 2024 Bonds to provide necessary changes in connection with the issuance of Refunding Bonds, to cure any ambiguity therein, to correct or supplement any provisions contained in the Lease Agreement which may be defective or inconsistent with any other provisions contained in the Lease Agreement or to provide other changes which will not adversely affect the interest of such Holders. regulations promulgated with respect thereto, throughout the term of such Series of Bonds. The Authority further covenants that it will make no investments or other use of the proceeds of any Series of Bonds which would cause such Series of Bonds to be "arbitrage bonds" (as defined in Section 148 of the Code). The Authority further covenants to comply with the rebate requirements (including the prohibited payment provisions) contained in Section 148(f) of the Code and any regulations promulgated thereunder, to the extent applicable, and to pay any interest or penalty imposed by the United States for failure to comply with said rebate requirements, to the extent applicable. Notwithstanding any other provision of this Indenture, the failure of the City to comply with the provisions of the Continuing Disclosure Agreement shall not be considered an Event of Default hereunder and the Beneficial Owners of the Bonds (as defined in the Continuing Disclosure Agreement) may take such actions as set forth in the Continuing Disclosure Agreement as may be necessary and appropriate to cause the City to comply with its obligations set forth in the Continuing Disclosure Agreement.

**Section 820. (ii) if default shall be made by the Authority in the due and punctual payment of any installment of interest on any Bond or the unsatisfied balance of any Sinking Fund Installment therefor, when and as such interest installment or Sinking Fund Installment shall become due and payable; or

(iii) if default shall be made in the due and punctual payment of the redemption premium of any Bond when and as the same shall become due and payable; or

(iv) the entering of an order or decree appointing a receiver with the consent or acquiescence of the City or the entering of such order or decree without the acquiescence or consent of the City if it shall not be vacated, discharged or stayed within sixty (60) days after its entry; or

(v) a petition is filed by the City under any Federal or State bankruptcy or insolvency law or other similar law in effect on the date of this Indenture or thereafter enacted, unless in the case of a petition filed against the City, such petition shall be dismissed within thirty (30) days after such filing and such dismissal shall be final and not subject to appeal or the City shall become insolvent or bankrupt or make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee) of the City or any of its property shall be appointed by court order or take possession of the City's property or assets, if such order remains in effect or such possession continues for more than thirty (30) days; or

(vi) if default shall be made by the Authority in the performance or observance of any other of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, and such default shall continue for a period of sixty (60) days and the Authority shall have failed to commence to cure such default within such sixty (60) day period after written notice thereof to the Authority by the Trustee or to the Authority

(viii) if a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Authority in an involuntary case or similar proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or a decree or order appointing a receiver, liquidator, assignee, custodian, trustee, sequester or similar official for the Authority, of its properties and/or the rents, fees, charges or other revenues therefor, or a decree or order for the dissolution, liquidation or winding up of the Authority and its affairs or a decree or order finding or determining that the Authority is unable to meet its debts as such debts mature, and any such decree or order shall remain unstayed and in effect for a period of sixty (60) consecutive days;

then, in each and every case so long as such Event of Default shall not have been remedied, unless the principal of all the Bonds shall have already become due and payable upon the occurrence of an Event of Default identified in clauses (i), (ii) and (iii) of this Section 901, either the Trustee may (by notice, in writing, to the Authority), or, upon receipt of direction, in writing, from the Holders of not less than fifty-one percent (51%) in aggregate principal amount of Bonds then Outstanding (by notice, in writing, to the Authority and the Trustee), the Trustee shall, declare the principal of all Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, anything in this Indenture or in any of the Bonds to the contrary notwithstanding. all other sums then payable by the Authority and the City under this Indenture (except the principal of, and interest accrued since the next preceding Interest Payment Date on the Bonds due and payable solely by virtue of such declaration) shall either be paid by or for the account of the Authority or provision satisfactory to the Trustee shall be made for such payment, and all defaults under the Bonds or under this Indenture (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be made good or be secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Holders of fifty-one percent (51%) in principal amount of the Bonds Outstanding, by written notice to the Authority and the Trustee, may rescind such declaration and annul such default in its entirety or if the Trustee shall have acted itself, and if there shall not have been theretofore delivered to the Trustee written direction to the contrary by the Holders of fifty-one percent (51%) in principal amount of the Bonds Outstanding, then any such declaration shall *ipso facto* be deemed to be rescinded and any such default shall *ipso facto* be deemed to be annulled, but no such rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

**Section 902. Accounting and Examination of Records After Default.** 1.

The Authority covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the Authority shall at all times be subject to the inspection and use of the Trustee and of their agents and attorneys.

2. During the continuance of an Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of this Article IX together with all funds held by the Trustee in any Funds or Accounts under this Indenture as follows and in the following order:

(i) Expenses of Fiduciaries -- to the payment of the reasonable and proper fees (including reasonable attorneys' fees), charges, expenses and liabilities of the Fiduciaries;

(ii) Principal and Interest -- to the payment of the interest and principal then due on the Bonds, as follows:

Second: Principal -- To the payment to the Persons entitled thereto of the unpaid principal of any Bonds which shall have become due in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds of any Series due on any date, then to the payment thereof ratably, according to the amounts of principal due on such date, to the Persons entitled thereto, without any discrimination or preference;

3. Whenever all overdue installments of all Bonds, together with the reasonable and proper charges, fees (including reasonable attorneys' fees), expenses and liabilities of the Trustee, and all other sums payable by the Authority under this Indenture, including the principal of and accrued unpaid interest on all Bonds which shall then be payable, by declaration or otherwise shall either be paid by or for the account of the Authority, or provision satisfactory to the Trustee shall be made for such payment, and all defaults under this Indenture or the Bonds shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Authority all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of this Indenture to be deposited or pledged, with the Trustee) and thereupon the Authority and the Trustee shall be restored, respectively, to their former positions and rights under this Indenture. No such payment over to the Authority by the Trustee nor such restoration of the Authority and the Trustee to their former positions and rights shall extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

-62-

**Section 904. Proceedings Brought by Trustee.** 1.

If an Event of Default shall happen and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon written request of the Holders of not less than fifty-one percent (51%) in principal amount of the Bonds Outstanding so in default shall proceed, to protect and enforce its rights and the rights of the Holders of the Bonds so in default under this Indenture forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this Indenture.

2. All rights of action under this Indenture may be enforced by the Trustee without the possession of any of the Bonds so in default or the production thereof at the trial or other proceedings, and any such suit or proceedings instituted by the Trustee shall be brought in its name.

3. The Holders of fifty-one percent (51%) in principal amount of the Bonds so in default at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee.

4. Upon commencing a suit in equity or upon other commencement of judicial proceedings by the Trustee to enforce any right under this Indenture, the Trustee shall be entitled to exercise any and all rights and powers conferred in this Indenture and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

5. Regardless of the happening of an Event of Default, the Trustee shall have power to, but unless requested in writing by the Holders of fifty-one percent (51%) in principal amount of the Bonds so in default then Outstanding and furnished with adequate security and indemnity satisfactory to the Trustee, shall be under no obligation to, institute and maintain such suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Indenture by any acts which may be unlawful or in violation of this Indenture, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders.

**Section 905. Restrictions on Bondholder's Action.** 1.

No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of this Indenture or the execution of any trust under this Indenture or for any remedy under this Indenture, unless such Holder shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in this Article IX, and the Holders of at least fifty-one percent (51%) in principal amount of the Bonds so in default then Outstanding shall have filed a written request with the Trustee and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or by the Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to the Trustee against the costs, fees (including reasonable attorneys' fees), expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for

-63-

a period of thirty (30) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by this Indenture, or to enforce any right under this Indenture, except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and for the equal benefit of all Holders of the Outstanding Bonds, subject only to the provisions of Section 902 hereof.

**Section 907. Effect of Waiver and Other Circumstances.** 1. No delay or omission of the Trustee or any Bondholder to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default or be an acquiescence therein; and every power and remedy given by this Article IX to the Trustee or to the Bondholders may be exercised from time to time and as often as may be deemed expedient by the Trustee or by the Bondholders.

2. Prior to the declaration of maturity of the Bonds as provided in Section 901 hereof, the Holders of fifty-one percent (51%) in principal amount of the Bonds at the time Outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Holders of all of the Bonds so in default waive any past default under this Indenture and its consequences, except a default in the payment of interest on or principal of or redemption premium (if any) on any of the Bonds. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

  - (i) this subsection shall not be construed to limit the effect of subsection (a) of this Section 1001;
  - (ii) the Trustee shall not be liable for any error of judgment made in good faith by an authorized officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;
  - (iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in principal amount of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture, and
  - (iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 1001.

**Section 1002. Certain Rights of Trustee.** Except as otherwise provided in Section 1001 hereof:

- (a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.
- (b) The Trustee shall be entitled to rely conclusively upon a certificate of Authorized Authority Representative or a certificate of an Authorized City Representative as to the sufficiency of any request or direction of the City or the Authority, as applicable, mentioned herein, the existence or non-existence of any fact or the sufficiency or validity of any instrument, paper or proceeding, or that a resolution in the form therein set forth has been adopted by the City or a resolution of the Authority has been duly adopted, and is in full force and effect.
- (c) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon a certificate of Authorized Authority Representative or a certificate of an Authorized City Representative, as applicable.
- (d) The Trustee may consult with counsel, and the advice or opinions of such counselor any Opinion of Counsel may be conclusively relied upon by the Trustee and shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee hereunder in good faith and in reliance thereon.
- (e) Notwithstanding anything elsewhere in this Indenture contained, before taking any action under this Indenture, the Trustee may require that satisfactory indemnity be furnished to it for the payment or reimbursement of all reasonable fees, costs and expenses to which it may be put and to protect it against all liability which it may incur in or by reason of such action, including those arising in connection with any environmental claim and the fees and expenses of attorneys, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct by reason of any action so taken.
- (f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Authority or the City, personally or by agent or attorney.
- (g) The Trustee assumes no responsibility for the correctness of the recitals contained in this Indenture and in the Bonds, except the certificate of authentication on the Bonds. The Trustee makes no representations to the value or condition of the Pledged Property or any part

thereof, or as to the title thereto or as to the security afforded thereby or hereby, or as to the validity or sufficiency of this Indenture or of the Bonds. The Trustee shall not be accountable for the use or application by the Authority or the City of any of the Bonds or the proceeds thereof or of any money paid to or upon the order of the Authority or the City under any provision of this Indenture.

- (h) The Trustee or any of its affiliates, in its individual or any other capacity, may become the Owner or pledgee of Bonds and may otherwise deal with the Authority or the City with the same rights it would have if it were not Trustee.
- (i) All money received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received. Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law or by this Indenture. The Trustee shall be under no liability for interest on any money received by it hereunder except for accounting for earnings on Investment Securities.
- (j) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or, to the extent that it may reasonably determine is necessary or appropriate to the conduct of its duties hereunder, by or through agents, attorneys or receivers, and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, attorney or receiver appointed by it with due care hereunder, taking into account the duties with respect to which such Person is appointed, and the Trustee shall not be required to give any bond or surety in respect of the execution, delivery or administration of this Indenture. This subparagraph shall not be interpreted as absolving the Trustee of responsibility with respect to duties customarily performed by corporate trustees in the ordinary course of business without the employment of agents, attorneys or receivers.
- (k) The Trustee may elect not to proceed in accordance with the directions of the Owners without incurring any liability to the Owners if in the opinion of the Trustee such direction may result in liability to the Trustee, in its capacity as Trustee or in an individual capacity for which the Trustee has not received indemnity pursuant to Section 1002(e) hereof from the Owners and the Trustee may conclusively rely upon an Opinion of Counsel addressed to the Authority and the Trustee in determining whether any action directed by Owners or the Authority may result in such liability.
- (l) Notwithstanding any other provision of this Indenture to the contrary, any provision intended to provide authority to act, right to payment of fees and expenses, protection, immunity and indemnification to the Trustee shall be interpreted to include any action of the Trustee whether it is deemed to be in its capacity as Trustee, Bond Registrar or Paying Agent.
- (m) Except as otherwise expressly provided hereunder, the Trustee shall not be required to give or furnish any notice, demand, report, reply, statement, advice or opinion to any Owner, the City, the Authority or any other Person, and the Trustee shall not incur any liability for its failure or refusal to give or furnish the same unless obligated or required to do so by express provisions hereof.

(n) In acting or omitting to act pursuant to the Lease Agreement or any of the other Lease Documents, the Trustee shall be entitled to all of the rights and immunities accorded to it under this Indenture, including but not limited to this Article X.

(o) The Trustee shall have no responsibility with respect to any information in any offering memorandum or other disclosure material distributed with respect to the Bonds or for compliance with securities laws in connection with the sale and issuance of the Bonds.

(p) The Trustee shall have no responsibility with respect to compliance by the Authority or the City with Section 148 of the Internal Revenue Code or any covenant in this Indenture or in the Lease Agreement regarding yields on investments.

(q) The Trustee shall not be required to give a bond or surety to act under this Indenture.

The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct.

**Section 1003. Notice of Defaults.** The Trustee shall not be required to take notice or be deemed to have notice of any default or Event of Default hereunder except failure by the Authority to cause to be made any of the payments to the Trustee required to be made by Article V hereof, unless the Trustee shall be specifically notified in writing of such default or Event of Default by the Authority, the City, or the Owners of at least 10% in principal amount of all Bonds Outstanding, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid. Within 30 days after the occurrence of any Event of Default hereunder of which the Trustee is required to take notice or has received notice as provided in this Section 1003, the Trustee shall give written notice of such Event of Default by first-class mail to all Owners of Bonds as shown on the Bond Register maintained by the Trustee, unless such default shall have been cured or waived; provided that, except in the case of a default in the payment of the principal of (or redemption premium, if any) or interest on any Bond, the Trustee shall be protected in withholding such notice from Bondholders if and so long as the Trustee in good faith determines that the withholding of such notice is in the interests of the Bondholders. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default.

**Section 1004. Compensation and Reimbursement.** The Trustee shall be entitled to payment or reimbursement:

(a) from time to time for reasonable compensation for services performed by the Trustee under this Indenture (which in the case of compensation for the Trustee's services shall be agreed upon by the Authority with the acknowledgment of the City), which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust;

(b) except as otherwise expressly provided herein, upon its request, for all services performed by the Trustee (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Trustee's gross negligence, willful misconduct or bad faith; and

-69-

(c) of indemnification for, and to be held harmless against, any loss, liability or expense incurred as provided in the Lease Agreement.

Pursuant to the Lease Agreement, the City has agreed to pay to the Trustee all reasonable fees, charges, advances and expenses of the Trustee and to reimburse the Trustee and hold it harmless, and the Trustee agrees to look only to the City for the payment of all reasonable fees, charges, advances and expenses of the Trustee and any Paying Agent as provided in the Lease Agreement. The Trustee agrees that the Authority shall have no liability for any fees, charges and expenses of the Trustee.

All indemnity provisions in favor of the Trustee under this Indenture and the Lease Agreement shall survive the termination of this Indenture and the Lease Agreement and the removal or resignation of the Trustee.

**Section 1005. Corporate Trustee Required; Eligibility.** There shall at all times be a Trustee hereunder which shall be a bank, national banking association or trust company organized and doing business under the laws of the United States of America or of any state thereof, authorized under such laws to exercise corporate trust powers, subject to supervision or examination by federal or state authority, with trust and fiduciary powers in the State, and having a combined capital and surplus of at least \$75,000,000 or having its obligations hereunder guaranteed by an affiliated entity with a combined capital and surplus of at least \$75,000,000. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of such supervising or examining authority, then for the purposes of this Section 1005, the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with this Section, it shall resign immediately in the manner and with the effect specified in this Article.

**Section 1006. Resignation and Removal of Trustee.**

(a) The Trustee may resign at any time by giving written notice thereof to the Authority, the City and each Owner of Bonds Outstanding as their names and addresses appear in the Bond Register maintained by the Trustee. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the City, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(b) The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Authority, and the Trustee signed by the Owners of a majority in principal amount of the Outstanding Bonds. In addition, the Authority at the written direction of the City (so long as the City is not in default under this Indenture and no condition exists that, with the giving of notice or the passage of time, or both, would constitute a default or an Event of Default) may remove the Trustee at any time for any reason. The Authority, the City or any Bondholders may at any time petition any court of competent jurisdiction for the removal for cause of the Trustee.

(c) If at any time:

-70-

(i) the Trustee shall cease to be eligible under Section 1005 hereof and shall fail to resign after written request therefor by the Authority, the City, or by any such Bondholders, or

(ii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (a) the Authority may remove the Trustee, or (b) the City or any Bondholders may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(d) The successor Trustee shall give notice of such resignation or such removal of the Trustee and such appointment of a successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Registered Owners of Bonds as their names and addresses appear in the Bond Register maintained by the Trustee. Each notice shall include the name of the successor Trustee and the address of its Principal Office.

(e) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article X shall become effective until the acceptance of appointment by the successor Trustee under Section 1007 hereof.

**Section 1007. Appointment of Successor Trustee.** If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of the Trustee for any cause, the Authority with the written consent of the City (so long as no Event of Default and no condition exists that, with the giving of notice or the passage of time, or both, would constitute a default or an Event of Default hereunder or under the Lease Agreement has occurred and is continuing) with the written consent of the Owners of a majority in principal amount of Bonds Outstanding (if an Event of Default hereunder or under the Lease Agreement has occurred and is continuing), by an instrument or concurrent instruments in writing delivered to the Authority, the City and the retiring Trustee, shall promptly appoint a successor Trustee. In case all or substantially all of the Pledged Property shall be in the possession of a receiver or trustee lawfully appointed, such receiver or trustee, by written instrument, may similarly appoint a temporary successor to fill such vacancy until a new Trustee shall be so appointed by the Authority or the Bondholders. If a successor Trustee shall be appointed in the manner herein provided, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and supersede the retiring Trustee and any temporary successor Trustee appointed by such receiver or trustee. If, within 30 days after such resignation, removal or incapability or the occurrence of such vacancy, no successor Trustee shall have been so appointed and accepted appointment in the manner herein provided, the Authority (so long as no Event of Default hereunder or under the Lease Agreement has occurred and is continuing and no condition exists that, with the giving of notice or the passage of time, or both, would constitute a default or an Event of Default) or the Owners of a majority in principal amount of Bonds Outstanding may appoint, or the Authority, the City or the retiring Trustee, at the expense of the City, or any Bondholders may petition any court of competent jurisdiction for the appointment of, a temporary successor Trustee, until a successor shall have been appointed as above provided. The temporary successor so appointed shall immediately and without further

-71-

act be superseded by any successor Trustee appointed as above provided. Every such successor Trustee appointed pursuant to this Section 1007 shall be a bank or national banking association with trust powers or trust company in good standing under the laws of the jurisdiction in which it was created and by which it exists, meeting the eligibility requirements of this Article X.

**Section 1008. Acceptance of Appointment by Successor.** Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to the Authority, the City and the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the estates, properties, rights, powers, trusts and duties of the retiring Trustee, but, on request of the Authority, the City or the successor Trustee, such retiring Trustee shall, upon payment of its fees and charges, execute and deliver an instrument conveying and transferring to such successor Trustee upon the trusts herein expressed all the estates, properties, rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 1004 hereof and thereupon, all duties and obligations of the retiring Trustee hereunder shall cease and terminate. Upon request of any such successor Trustee, the Authority shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such estates, properties, rights, powers and trusts.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

**Section 1009. Merger, Consolidation and Succession to Business.** Any corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger or conversion or consolidation to which the Trustee shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation or association shall be otherwise qualified and eligible under this Article, and shall be vested with all of the title to the whole property or Pledged Property and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Bonds shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger or conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver such Bonds so authenticated with the same effect as if such successor Trustee had itself authenticated such Bonds.

**Section 1010. Designation of Paying Agents.** The Trustee is hereby designated and agrees to act as principal Paying Agent for and in respect to the Bonds. The Authority, or the City on behalf of the Authority, may cause the necessary arrangements to be made through the Trustee and to be thereafter continued for the designation of alternate Paying Agents, if any, and for the making available of funds hereunder for the payment of the principal of, redemption premium, if any, and interest on the Bonds, or at the Principal Office of said alternate Paying Agents. In the event of a change in the office of Trustee, the predecessor Trustee which has resigned or been removed shall cease to be trustee of any funds provided hereunder and Paying Agent for principal of, redemption premium, if any, and interest on the Bonds, and the successor

-72-

Trustee shall become such Trustee and Paying Agent unless a separate Paying Agent or Agents are appointed in connection with the appointment of any successor Trustee.

**Section 1011. Advances by Trustee.** If the City shall fail to make any payment or perform any of its covenants in the Lease Agreement, the Trustee may (but shall in no case be required), at any time and from time to time, use and apply any moneys held by it under this Indenture, or make advances, to effect payment or performance of any such covenant on behalf of the City. All moneys so used or advanced by the Trustee, together with interest at the Prime Rate plus 2%, shall be repaid by the City upon demand and such advances shall be secured under this Indenture prior to the Bond Payment Obligations. For the repayment of all such advances the Trustee shall have the right to use and apply any moneys at any time held by it (except the moneys in the Rebate Fund) under this Indenture but no such use of moneys or advance shall relieve the City from any default hereunder.

**Section 1012. Notice to Rating Agencies.** The Trustee shall promptly give written notice to each Rating Agency by registered or certified mail, postage prepaid, of the occurrence of any of the following events: (i) the appointment of a successor Trustee hereunder; (ii) the date that no Bonds remain Outstanding; (iii) the Trustee becomes aware of any material change made in this Indenture or the Lease Agreement; (iv) any redemption of Bonds pursuant to this Indenture other than mandatory sinking fund redemptions, if any; or (v) the acceleration of the Bonds in accordance with Article IX hereof.

**Section 1013. L. 2005, c. 92 Covenant.** In accordance with L. 2005, c. 92, the Trustee covenants and agrees that all services performed under this Indenture shall be performed within the United States of America.

**Section 1014. Compliance with L. 2005, c. 51.** The Trustee represents and warrants that all information, certifications and disclosure statements previously provided in connection with L. 2005, c. 51, which codified Executive Order No. 134 (McGreevey 2004), are true and correct as of the date hereof and that all such statements have been made with full knowledge that the Authority has relied upon the truth of the statements contained therein in engaging the Trustee in connection with the Bonds. The Trustee agrees that it will maintain continued compliance with L. 2005, c. 51 and any regulations pertaining thereto. The Trustee acknowledges that upon its failure to make required filings thereunder or the making of a contribution prohibited thereunder the Authority may remove the Trustee as trustee under this Indenture and may exercise any remedies afforded to it at law or in equity.

**Section 1015. Compliance with L. 2005, c. 271 Reporting Requirements.** The Trustee hereby acknowledges that it has been advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (L. 2005, c. 271, section 3) if the Trustee enters into agreements or contracts, such as this Indenture, with a New Jersey public entity, such as the Authority, and receives compensation or fees in excess of \$50,000 or more in the aggregate from New Jersey public entities, such as the Authority, in a calendar year. It is the Trustee's responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at (609) 292-8700 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

In addition, any amendment, supplement or modification to the Security Documents that adversely affect the rights or interests of the Insurer shall be subject to the prior written consent of Insurer.

(ii) Control Rights of the Insurer Upon Default. Anything in any Security Document to the contrary notwithstanding, upon the occurrence and continuance of a default or an event of default, the Insurer shall be deemed to be the sole holder of the Bonds for all purposes and shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Bonds or the Trustee for the benefit of such holders under any Security Document. -74-

(A) They recognize that to the extent the Insurer makes payments directly or indirectly (e.g., by paying through the Trustee), on account of principal or interest on the Bonds, the Insurer will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Authority, with interest thereon, as provided and solely from the sources stated in the Security Documents and the Bonds; and

(B) They will accordingly pay to the Insurer the amount of such principal and interest, with interest thereon, but only from the sources and in the manner provided in the Security Documents and the Bonds for the payment of principal and interest on the Bonds to holders, and will otherwise treat the Insurer as the owner of such rights to the amount of such principal and interest.

(iii) Special Provisions for Insurer Default: If an Insurer Default (as hereinafter defined) shall occur and be continuing, then, notwithstanding anything in subsection (b) of this Section 1016 above to the contrary, (A) if at any time prior to or following an Insurer Default, the Insurer has made payment under the Policy, to the extent of such payment the Insurer shall be treated like any other holder of the Bonds for all purposes, including giving of consents, and (B) if the Insurer has not made any payment under the Policy, the Insurer shall have no further consent rights until the particular Insurer Default is no longer continuing or the Insurer makes a payment under the Policy, in which event, the foregoing clause (A) shall control. Bondholders. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Bondholders. If within 60 days or such longer period as shall be prescribed by the Authority following the mailing of such notice, the Owners of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the Authority from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such Supplemental Indenture as in this Section 1102 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

**Section 1103. City's Consent to Supplemental Indentures.** Anything herein to the contrary notwithstanding, so long as the City is not in default under the Lease Agreement, a Supplemental Indenture under this Article XI shall not become effective unless and until the City shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such Supplemental Indenture, together with a copy of the proposed Supplemental Indenture, to be mailed by first-class mail to the City at least fifteen (15) days prior to the proposed date of execution and delivery of any such Supplemental Indenture.

**Section 1104. Opinion of Bond Counsel.** Notwithstanding anything to the contrary in Sections 1101 or 1102 hereof, concurrently with the entry by the Authority and the Trustee into any Supplemental Indenture pursuant to Section 1101 or 1102 hereof, there shall be delivered to the Authority and the Trustee an opinion of Bond Counsel. The Trustee may conclusively rely on such opinion when consenting to such Supplemental Indenture, which shall, in addition to its other elements, opine to the effect that such Supplemental Indenture is permitted under this Article XI and is duly authorized, validly executed and delivered and is legally valid and binding upon the Authority.

**Section 1105. Consents and Other Instruments by Bondholders.** Any consent, request, direction, approval, objection or other instrument required by this Indenture (other than the assignment of any Bond) to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the Person signing such instrument acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of such Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Indenture, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds with respect to which the Trustee has received written notice of such ownership shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to act with respect to such Bonds and that the pledgee is not the City.

**Section 1106. Notation on Bonds.** Bonds authenticated and delivered after the effective date of any action taken as in this Article XI provided may, and, if the Trustee so determines upon advice of counsel, shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the principal corporate trust office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If the Authority or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Authority to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

## ARTICLE XII MISCELLANEOUS

**Section 1201. Defeasance.** 1. If, subject to the provisions set forth in the next succeeding sentence, the Authority shall pay or cause to be paid, or there shall otherwise be paid, to or for the account of the Holders of all Bonds the principal, redemption premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Indenture, then the pledge of the Pledged Property, any Revenues and other moneys and securities pledged under this Indenture shall thereupon cease, terminate and become void and be discharged and satisfied. Upon the request of the Authority, the Trustee shall execute and deliver to the Authority all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the Authority all moneys or securities held by them pursuant to this Indenture which are not required for the payment of principal of, redemption premium, if any, and interest on Bonds not theretofore surrendered for such payment or redemption. If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Outstanding Bonds of a particular maturity or particular Bonds within a maturity, the principal of, redemption premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Indenture and all covenants, agreements and obligations of the Authority to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

2. Principal and/or interest installments for the payment or redemption of which moneys or Investment Securities shall have been set aside and shall be held in trust by the Trustee or Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section 1201. Subject to the provisions of subsection (3) through subsection (5) of this Section 1201, all Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section 1201 if (a) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price of and interest due and to become due on said Bonds on or prior to the redemption or maturity date thereof, as the case may be, and (b) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to mail as provided in Article IV hereof a notice to the Holders of such Bonds that the deposit required by subclause (a) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (6) of this Section 1201, to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds, and (c) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to mail as provided in Article IV hereof notice of redemption of such Bonds (other than Bonds

which have been purchased by the Trustee at the direction of the Authority or purchased or otherwise acquired by the Authority and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date. Any notice of redemption mailed pursuant to the preceding sentence with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. For purposes of this Section 1201 only, the term Investment Securities shall mean only those Investment Securities described in clause b.(1) of the definition of "Investment Securities" contained in Section 101 hereof unless the Authority shall have received written confirmation from Moody's, if the Bonds are then rated by Moody's, S&P, if the Bonds are then rated by S&P, and Fitch, if the Bonds are then rated by Fitch, that defeasance with Investment Securities other than those described in such clause b.(1) of the definition of "Investment Securities" will result in the Bonds being rated in the highest investment grade or category of each such rating agency. The Trustee shall, if so directed by the Authority prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1201 which are not to be redeemed prior to their maturity date or prior to the maturity date of any Bonds deemed to have been paid in accordance with this Section 1201 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient (as verified by an independent certified public accountant, as stated in a verification report addressed to the Authority, the City and the Trustee) to pay when due the Principal Installment, redemption premium, if any, and interest due or to become due on all Bonds, in respect of which such moneys and Investment Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1201 which are not to be redeemed prior to their maturity date or Bonds which are to be redeemed prior to their maturity date, the Authority shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Authority to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 1201. The directions given by the Authority to the Trustee referred to in the preceding sentences shall also specify the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 1201 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 1201 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 1201 such amount is in excess (as verified by an independent certified public accountant addressed to the Authority, the City and the Trustee) of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds in order to satisfy subclause (a) of this subsection (2) of Section 1201, the Trustee shall, upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Indenture and the Lease Agreement, if any, pay the amount of such excess to the City free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Indenture. Except as otherwise provided in this subsection (2) of Section 1201 and in subsection

-81-

(3) through subsection (5) of this Section 1201, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required (as verified by an independent certified public accountant as stated in a verification report addressed to the Authority, the City and the Trustee) at any time for such purpose shall, upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Indenture and the Lease Agreement, if any, be paid over to the City, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Indenture, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient (as verified by an independent certified public accountant as stated in a verification report addressed to the Authority, the City and the Trustee) to pay when due the principal of, redemption premium, if any, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and any interest earned from such reinvestment shall, to the extent not needed to pay then due principal of, redemption premium, if any, and interest on said Bonds and upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Indenture and the Lease Agreement, if any, be paid over to the City, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Indenture. For the purposes of this Section 1201, Investment Securities shall mean and include only (x) such securities as are described in this subsection 1201(2) which shall not be subject to redemption prior to their maturity other than at the option of the Holder thereof, (y) such securities as are described in this subsection 1201(2) which shall not be subject to redemption prior to their maturity other than at the option of the Holder thereof or as to which an irrevocable notice of redemption of such securities on a specified redemption date has been given and such securities are not otherwise subject to redemption prior to such specified date other than at the option of the Holder thereof, or (z) upon compliance with the provisions of subsection (3) of this Section 1201, such securities as are described in this subsection 1201(2) which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection (2) of this Section 1201 may be included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of subclause (a) of subsection (2) of this Section 1201 only if the determination as to whether the moneys and Investment Securities to be deposited with the Trustee in order to satisfy the requirements of such subclause (a) would be sufficient to pay when due either on the maturity date or the redemption date thereof, the principal of, redemption premium, if any, and interest on the Bonds (including any Series thereof) which will be deemed to have been paid as provided in subsection (2) of this Section 1201 is made both (i) on the assumption that the Investment Securities described in clause (z) were not redeemed at the option of the issuer prior to the maturity date thereof; and (ii) on the assumption that such Investment Securities would be redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such Investment Securities and that the proceeds of such redemption would not be reinvested by the Trustee.

-82-

4. In the event after compliance with the provisions of subsection (3) of this Section 1201 the Investment Securities described in clause (z) of subsection (2) of this Section 1201 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of subclause (a) of subsection (2) of this Section 1201 and any such Investment Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the direction of the Authority, provided that the aggregate of the moneys and Investment Securities to be held by the Trustee, taking into consideration any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the Authority in accordance with subsection (3) of this Section 1201, shall at all times be sufficient (as verified by an independent certified public accountant as stated in a verification report addressed to the Authority, the City and the Trustee) to satisfy the requirements of subclause (b) of subsection (2) of this Section 1201, shall reinvest the proceeds of such redemption in Investment Securities. The Trustee shall mail notice of the substitution of Investment Securities to the Holders of the Bonds.

5. In the event that after compliance with the provisions of subsection (4) of this Section 1201 the Investment Securities described in clause (z) of subsection (2) of this Section 1201 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of subclause (a) of subsection (2) of this Section 1201, then any notice of redemption to be mailed by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the Authority, that any redemption date or dates in respect of all or any portion of the Bonds to be redeemed on such date or dates may at the option of the Authority be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid in accordance with this Section 1201 upon their maturity date or dates at any time prior to the actual mailing of any applicable notice of redemption in the event that all or any portion of any Investment Securities described in clause (z) of subsection (2) of this Section 1201 have been called for redemption pursuant to an irrevocable notice of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change or redemption date or dates or establishment of redemption date or dates may be made unless taking into account such changed redemption date or dates or newly established redemption date or dates the moneys and Investment Securities on deposit with the Trustee including any Investment Securities or redemption proceeds in accordance with subsection (5) of this Section 1201 pursuant to subclause (a) of subsection (2) of this Section 1201 would be sufficient to pay when due the principal or Redemption Price of, and interest on all Bonds deemed to have been paid in accordance with subsection (2) of this Section 1201 which have not as yet been paid.

6. If the Bonds are rated by Moody's, S&P and/or Fitch, then the Authority shall give notice to the rating agency or agencies that rated the Bonds of any defeasance of all or any of the Bonds.

**Section 1202. Unclaimed Funds.** 1. Anything in this Indenture to the contrary notwithstanding, but subject to any provision of State or Federal law to the contrary, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for four (4) years after the date when such Bonds have become due and payable, at their stated maturity dates, if such moneys were held by the Fiduciary at such date, or for four (4) years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, upon written direction of the

-83-

Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Indenture and the Lease Agreement, if any, be paid by the Fiduciary to the City, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the City for the payment of such Bonds; provided, however, that before being required to make any such payment to the City the Fiduciary shall, at the written direction of the Authority and at the expense of the City, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the City, subject to the hereinabove stated conditions and except as set forth in subsection (2) below.

2. Subject to the provisions of Section 1202(1) hereof, to the extent any moneys are remaining in such Funds and Accounts and the Fiduciaries and/or the Authority have unreimbursed expenses and/or Authority Administrative Expenses or there are other unpaid amounts due pursuant to this Indenture and the Lease Agreement, such moneys shall be paid to each such Fiduciary and/or the Authority by the Trustee, free and clear of the lien and pledge of this Indenture, to the extent required to reimburse such Fiduciary and/or the Authority for such expenses, Authority Administrative Expenses, and/or other unpaid amounts and, if thereafter there are any unclaimed moneys remaining in the Funds and Accounts, then to the City.

**Section 1203. Satisfaction and Discharge of the Indenture.** If the principal of, redemption premium, if any, and interest on all of the Bonds shall have been paid in accordance with their terms, or provision has been made for such payment as provided in Section 1201 hereof, and provision shall also be made for paying all other sums payable hereunder, any Rebate Amount to the United States of America and the fees, charges and expenses of the Authority, the Trustee, any Paying Agent, including attorneys' fees and expenses, to the date of retirement of the Bonds, then the right, title and interest of the Trustee in respect hereof shall thereupon cease, determine and be void, and thereupon the Trustee, upon written request of the City, and upon receipt by the Trustee and the Authority of a Favorable Opinion of Bond Counsel, which shall, in addition to its other elements, opine that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with, shall cancel, discharge and release this Indenture and shall execute, acknowledge and deliver to the Authority and the City such instruments of satisfaction and discharge or release as shall be reasonably requested to evidence such release and the satisfaction and discharge of this Indenture, and shall assign and deliver to the Authority, the City or other Person entitled thereto as their respective interests may appear, any property and revenues at the time subject to this Indenture which may then be in its possession, other than moneys or obligations held by the Trustee for the payment of the principal of and interest and redemption premium, if any, due or to become due on the Bonds.

Upon provision for the payment of all Outstanding Bonds in accordance with this Section 1202, and compliance with the other payment requirements of Section 1201 hereof, and subject to this Section 1202, the Indenture may be discharged in accordance with the provisions hereof, and the Owners thereof shall thereafter be entitled to payment only out of the moneys or Government Obligations deposited with the Trustee as aforesaid.

-84-

Provision for payment of the Bonds Outstanding hereunder may not be made as aforesaid nor may this Indenture be discharged if under any circumstances the interest on such Bonds is thereby made subject to federal income taxation. In determining the foregoing, the Trustee may conclusively rely upon a favorable opinion of Bond Counsel.

**Section 1204. Payment of Bonds After Discharge.** Notwithstanding the discharge of the lien hereof as in this Article XII provided, the Trustee shall nevertheless retain such rights, powers and duties hereunder as may be necessary and convenient for the payment of amounts due or to become due on the Bonds and the registration, transfer, exchange and replacement of Bonds as provided herein. Thereupon it shall be the duty of the Trustee to comply with the Uniform Unclaimed Property Act, *N.J.S.A. 46:30B-1 et seq.*, with respect to such funds in accordance with the Trustee's escheat policies and procedures, which must not be in conflict with the Uniform Unclaimed Property Act, *N.J.S.A. 46:30B-1 et seq.* Any such delivery shall be in accordance with the customary practices and procedures of the Trustee and the State escheat laws. Any money held by the Trustee pursuant to this Section 1204 shall be held uninvested and without any liability for interest.

**Section 1205. Evidence of Signatures of Bondholders and Ownership of Bonds.** 1. Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Bondholders may be signed or executed in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any Person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Bondholder or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature, guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

(2) The amount of Bonds transferable by delivery held by any Person executing any instrument as a Bondholder, the date of his holding such Bonds, and the numbers and other identification thereof, may be proved by a certificate, which need not be acknowledged or verified, in form satisfactory to the Trustee, executed by the Trustee or by a member of a financial firm or by an officer of a bank, trust company, insurance company,

-85-

or financial corporation or other depository wherever situated, showing at the date therein mentioned that such Person exhibited to such member or officer or had on deposit with such depository the Bonds described in such certificate. Such certificate may be given by a member of a financial firm or by an officer of any bank, trust company, insurance company or financial corporation or depository with respect to Bonds owned by it, if acceptable to the Trustee. In addition to the foregoing provisions, the Trustee may from time to time make such reasonable regulations as it may deem advisable permitting other proof of holding of Bonds transferable by delivery.

2. The ownership of Bonds registered otherwise than to bearer and the amount, numbers and other identification, and date of holding the same shall be provided by the registry books.

3. Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Authority or any Fiduciary in accordance therewith.

**Section 1206. Moneys Held for Particular Bonds.** The amounts held by any Fiduciary for the payment of the interest or principal due on any date with respect to particular Series of Bonds or for particular Bonds within such Series of Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.

**Section 1207. Preservation and Inspection of Documents.** All documents received by any Fiduciary under the provisions of this Indenture shall be retained in its possession for a period of seven (7) years and shall be subject at all reasonable times to the inspection of the Authority any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

**Section 1208. Parties Interest Herein.** Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person or corporation, other than the Authority, the City, the Fiduciaries and the Holders of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation hereof; and all the covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the City, the Fiduciaries and the Holders of the Bonds.

**Section 1209. No Recourse on the Bonds.** No recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Indenture against any member or officer of the Authority or any Person executing the Bonds.

**Section 1210. Publication of Notice; Suspension of Publication.** 1. Any publication to be made under the provisions of this Indenture in successive weeks or on successive dates may be made in each instance upon any Business Day of the week and need not

-86-

be made in the same Authorized Newspaper for any or all of the successive publications but may be made in a different Authorized Newspaper.

2. If, because of the temporary or permanent suspension of the publication or general circulation of any Authorized Newspaper or for any other reason, it is impossible or impractical to publish any notice pursuant to this Indenture in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Authority shall constitute a sufficient publication of such notice.

**Section 1211. Severability of Invalid Provisions.** If any one or more of the covenants or agreements provided in this Indenture on the part of the Authority or any Fiduciary to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of this Indenture.

**Section 1212. Holidays.** Except with respect to the computation of a Record Date, if the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Indenture, shall be a legal holiday or a day on which banking institutions in the municipality in which is located the principal office of the Trustee or the operational offices of the Authority or the City are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in this Indenture, and no interest shall accrue for the period after such nominal date.

**Section 1213. Separate Financings.** Nothing contained in this Indenture shall be construed to prevent the Authority from acquiring, constructing or financing through the issuance of its bonds, notes, or other evidences of indebtedness any other public facilities or from securing such bonds, notes or other evidences of indebtedness by a mortgage of such public facilities so financed or by a pledge of, or other security interest in, the revenues thereunder or any lease or other agreement with respect thereto or any revenues derived from such lease or other agreement; provided that such bonds, notes, or other evidences of indebtedness shall not be payable out of or secured by the Revenues or any Fund held under this Indenture and neither the cost of such public facilities nor any expenditure in connection therewith or with the financing thereof shall be payable from the Revenues or from any such Fund hereunder.

The Authority may, in good faith, with the approval of the City and at the cost and expense of the City, prosecute or defend any action or proceeding or take other action involving any such party which the Authority deems reasonably necessary and which may be required for the successful completion of the 2024 Construction Project or an Additional Project, and in such event, the City hereby agrees to cooperate fully with the Authority. **SECTION 4.11. Such Budget Certificate shall have attached a copy of the page of the temporary appropriation and/or the annual budget on which the line item appears and evidencing the tax levy at least equal to that amount per \$100 of equalized assessed value of property within the City which shall be sufficient to pay all City Lease Payment obligations hereunder (including, but not limited to, Debt Service on the Series 2024 Bonds and Additional Lease Payments) and which shall be deposited in the general fund of the City. The City shall also provide to the Trustee and the Authority, within five (5) Business Days thereof, notice of any revisions to such line item. In the event such Budget Certificate is not received by the Trustee within sixty (60) days following the beginning of the City's Fiscal Year or the Trustee has actual knowledge that the City has revised its budget without submitting a Budget Certificate or that the tax levy is not sufficient to pay all City Lease Payment obligations hereunder (including, but not limited to, Debt Service on the Series 2024 Bonds and Additional Lease Payments), the Trustee shall promptly notify the Authority of such event(s) and the Authority may take immediate action to cause all Lease Payments to be timely paid by the City. No such disposition or assignment shall relieve the City from primary liability for any of its obligations hereunder, and in the event of any such disposition or assignment the City shall continue to remain solely liable for the payments specified in this Lease Agreement and for performance and observance of the other agreements on its part herein provided.

SECTION 6.06. Sale, Lease or Sublease. (A) The City shall not sell, exchange, transfer, lease or sublease the Facilities Project, or any portion thereof or interest therein, without: (i) the prior written consent of the Authority, which request by the City for such consent by the Authority to any such conveyance shall include written documentation that the procedures outlined in paragraph (B) below have been complied with; and (ii) the receipt by the Authority of a Favorable Opinion of Bond Counsel to the effect that such sale, exchange, transfer, lease or

(B) In the event of a conveyance, through sale, exchange, transfer or other disposition, of title to or a lesser interest in any lands acquired by the City with the proceeds of the Bonds, the City shall evidence compliance with the provisions of N.J.S.A. 40:12-15.4, and any amendments thereto, or any successor statute, including: (i) the conduct by the City of at least one public hearing on such conveyance; (ii) a finding contained in a resolution adopted by the governing body of the City that any land previously acquired by the City is required for another public use; (iii) any land conveyed or exchanged must be replaced by land of at least equal fair market value and of reasonably equivalent usefulness, size, quality and location to the land being conveyed or exchanged; and (iv) that any such conveyance or exchange must be made in accordance with the provisions of the Local Lands and Buildings Law (N.J.S.A. 40A:12-1 et seq.), as amended, or any applicable successor statute.

SECTION 6.07. Cooperation by the City. The City, by notice in writing signed by an Authorized City Representative, shall keep the Authority informed of anticipated needs for money to pay the Cost of the 2024 Project and the City shall give the Authority its full cooperation and assistance in all matters relating to financing of the Cost of the 2024 Project.

The City agrees that it shall provide and certify, or cause to be provided and certified, in form satisfactory to the Authority, such information concerning the City and the 2024 Project, the operations and finances of the City and such other matters necessary to enable the Authority to complete and publish an Official Statement relating to the sale of a series of Bonds, if any, or to enable the Authority to make any reports required by law or governmental regulations.

SECTION 6.10. Covenant not to Affect the Tax-Exempt Status of the Series 2024 Bonds. The City hereby covenants not to take or omit to take any action so as to cause interest on the Bonds to be no longer excluded from gross income for the purposes of federal

income taxation and to otherwise comply with the requirements of Section 103 and 141 through 150 of the Code, and all applicable regulations promulgated with respect thereto, throughout the term of the Bonds. The City further covenants that it will make no investment or other use of the proceeds of the Bonds which would cause the Series 2024 Bonds to be "arbitrage bonds" (as defined in Section 148 of the Code). The City further covenants to comply with the rebate requirements (including the prohibited payment provisions) contained in Section 148(f) of the Code and any regulations promulgated thereunder, to the extent applicable, and to pay any interest or penalty imposed by the United States for failure to comply with said rebate requirements, to the extent applicable. The City further covenants not to cause the Bonds to become "private activity bonds" (within the meaning of Section 141 of the Code).

SECTION 6.11. Affirmative Covenants. So long as the Bonds remain Outstanding, the City shall, unless the Authority shall otherwise consent in writing:

- (a) Preserve and maintain its legal existence, rights, franchises and privileges.
- (b) Comply with the requirements of all applicable laws, rules, regulations, ordinances and orders of any governmental authority, the non-compliance with which would reasonably be expected to materially and adversely affect its operations or financial condition, provided that the City shall not be required to so comply during the period when the need to so comply is being contested in good faith and by proper proceedings.

- (f) Furnish to the Authority and the Trustee the following:
  - (i) no later than sixty (60) days after the receipt and acceptance thereof by the City, a detailed audit report for the preceding Fiscal Year, certified by certified independent public accountants selected by the City, presenting the City's revenues and expenses at the close of the preceding Fiscal Year and the results of its operations during said Fiscal Year; and
  - (ii) as soon as possible, and in any event within five (5) days, after the occurrence of each Event of Default (as such term is defined herein pursuant to Section 8.01 hereof) hereunder within the knowledge of the City, or each event within the knowledge of the

City which, with the giving of notice or lapse of time, or both, would constitute an Event of Default hereunder, a statement of an Authorized City Representative setting forth details of such Event of Default or event(s) and the action which the City proposes to take with respect thereto.

(g) Raise moneys in the annual tax levy to be applied to and deposited in the general fund of the City, as shall be sufficient to make the Lease Payments hereunder to enable the Authority to amortize Debt Service on the Bonds as long as the same are Outstanding.

SECTION 6.13. Information. The City agrees, whenever reasonably requested by the Authority or the Trustee, to provide and certify or cause to be provided and certified such information concerning the Project, the City and its financial condition, and other topics as the Authority may reasonably request and, further, the City assures that the records and accounts of the City shall at all reasonable times be subject to inspection and use of the Authority and the Trustee and their respective agents and attorneys.

SECTION 6.14. Rebate Covenant. (A) Within forty-five (45) days of the end of each fifth anniversary date of the issuance of the Bonds, the Authority shall retain or cause the City to retain a firm of certified public accountants or a financial consulting firm which is experienced in the calculation of the amounts required to be rebated to the United States of America pursuant to Section 148(f) of the Code or the penalty amount in lieu of rebate elected by the Authority under Section 148(f)(4)(C)(vii) of the Code ("Financial Consultant"), to compute the amount rebateable or payable as a penalty to the United States of America, if any, and will cause to be delivered to the Trustee an opinion of such Financial Consultant concerning its conclusions with respect to the amount rebateable or payable as a penalty to the United States of

America, together with a written summary of the calculations thereof. The City shall pay to the Trustee at such times as required under the Code an amount equal to the amount rebatable or payable as a penalty to the United States of America for deposit by the Trustee into the Rebate Fund. To the extent the amounts on deposit in the Rebate Fund as of any date of computation are less than the amount rebatable or payable as a penalty to the United States of America, the City shall immediately pay the amounts necessary to the Trustee for deposit in the Rebate Fund.

(B) The amounts in the Rebate Fund shall be applied at the times and in the amounts required under the Code solely for the purpose of paying the United States of America in accordance with Section 148(f) of the Code.

(C) With respect to the Bonds, the City covenants and agrees that it will comply with the requirements of the Code relating to the investment restrictions on the proceeds of the Bonds and the calculation of the amount rebatable or payable as a penalty to the United States of America and payment thereof under the Code.

(D) The Authority shall have the right at any time and from time to time, in its sole and absolute discretion, to obtain from the City and the Trustee the information necessary to determine the amount to be paid to the United States. Additionally, the Authority may: (i) review or cause to be reviewed any determination of the amount to be paid to the United States made by or on behalf of the City; and (ii) make or retain a Financial Consultant to make the determination of the amount to be paid to the United States of America. The City hereby agrees to be bound by any such review or determination, to pay the costs of such review including, without limitation, the reasonable fees and expenses of any professional including, but not limited to, counsel or Financial Consultants retained by the Authority, and to pay to the Trustee any additional amounts for deposit in the Rebate Fund required as the result of any such review or determination.

(E) Notwithstanding any provision of this Section 6.14 to the contrary, the City shall be liable, and shall indemnify and hold the Authority harmless against any liability, for payments due to the United States pursuant to Section 148(f) of the Code. Further, the City specifically agrees that the Authority shall not be held liable, or in any way responsible, for any mistake or error in the filing of the payment or the determination of the amount due to the United States of America or for any consequences resulting from any such mistake or error, unless such mistake or error is due to the gross negligence or willful misconduct of the Authority.

(F) The Authority and the City recognize that the provisions of this Section 6.14 are intended to comply with Section 148 of the Code and if, as a result of a change in such Section of the Code or in the interpretation thereof, a change in this Section 6.14 shall be permitted or necessary to assure continued compliance with Section 148 of the Code, then with written notice to the Trustee, the Authority and the City shall be empowered to amend this Section 6.14 and the Authority may require, by written notice to the City and the Trustee, the City to amend, and the City hereby agrees to consent to, comply with and be bound by any such amendment to this Section 6.14 to the extent necessary or desirable to assure compliance with the provisions of Section 148 of the Code; provided that either the Authority or the Trustee shall require, prior to any such amendment becoming effective, at the sole cost and expense of the City, a Favorable Opinion of Bond Counsel satisfactory to the Authority to the effect that either (i) such amendment is required to maintain the exclusion from gross income under Section 103

of the Code of interest paid and payable on the Bonds or (ii) such amendment shall not adversely affect the exclusion from gross income under Section 103 of the Code of interest paid or payable on the Bonds.

(G) Notwithstanding anything herein or in the Indenture to the contrary, the obligations of the City under the provisions of this Section 6.14 shall survive the payment, redemption or defeasance of the Bonds until the expiration of all statutes of limitations applicable to the Authority with respect to the Bonds and Section 148 of the Code.

**SECTION 6.15. Negative Covenants.** So long as the Bonds remain Outstanding, the City shall not, without the written consent of the Authority:

### **INSURANCE; DAMAGE, DESTRUCTION AND CONDEMNATION**

**SECTION 7.01. Operation, Maintenance and Repair.** During the Lease Term, the City shall be responsible for maintaining, preserving and keeping the Facilities Project in good repair, working order and condition and protect the same from deterioration and for making all necessary repairs and replacements thereto in compliance with the requirements of applicable laws, ordinances and regulations and the requirements of any insurance or self-insurance program required under Section 7.05 hereof. During the Lease Term, the City shall be responsible for paying for any and all costs it incurs for its obligations contained in this Section 7.01. Neither the Authority nor the Trustee shall have any obligation in any of these matters, for the payment of any costs associated with the maintenance, preservation, repair or upkeep of the Facilities Project or for the making of improvements or additions to the Facilities Project.

**SECTION 7.02. Utilities, Taxes and Governmental Charges.** The City will pay or cause to be paid any and all charges for the operation and maintenance of the Facilities Project including, but not limited to, as applicable, water, electricity, light, heat or power, sewage, utility service, rendered or supplied upon or in connection with the 2024 Construction Project during the Lease Term.

In addition, the City shall: (i) pay, or make provision for payment of, all lawful taxes and assessments, including income, profits, property or excise taxes, if any, or other municipal or governmental charges, levied or assessed by any federal, State or any municipal government upon the Authority or the City with respect to or upon the Facilities Project, or any part thereof, or upon any payments hereunder when the same shall become due; (ii) duly observe and comply with all valid requirements of any governmental authority relative to the Facilities Project; (iii) not create or suffer to be created any lien or charge upon the Facilities Project, or any part thereof, or upon the payments in respect thereof pursuant to this Lease Agreement; and (iv) pay or cause to be discharged or make adequate provision to satisfy and discharge, within sixty (60) days after the same shall come into force, any lien or charge upon the Facilities Project, or any part thereof, or upon any payments hereunder and all lawful claims or demands for labor, materials, supplies or other charges which, if unpaid, might be or become a lien upon any payments hereunder. The City shall, to the extent permitted by law, undertake all reasonable action necessary to obtain and preserve the legal exemption of the Facilities Project from the levy of taxes and assessments.

**SECTION 7.03. Additions, Enlargements and Improvements.** (A) The City shall, with the prior written approval of the Authority, have the right at any time and from time to time during the Lease Term, at its own cost and expense, to make such enlargements, improvements and expansions to, or repairs, reconstruction and restorations of, the Facilities Project as the City shall deem necessary or desirable in connection with the use of the 2024 Construction Project; provided, however, that prior to making any such enlargements, improvements and expansions to, or repairs, reconstruction or restorations of, the 2024 Construction Project, the City shall obtain all necessary permits and approvals relating to the same. All such additions, enlargements, improvements, expansions, repairs, reconstruction and restorations when completed shall be of such character as not to reduce or otherwise adversely affect the operation, maintenance or value of the Facilities Project. The cost of any such

additions, enlargements, improvements, expansions, repairs, reconstruction or restorations shall be promptly paid or discharged so the Facilities Project shall at all times be free of liens for labor and materials supplied thereto.

**SECTION 7.04. Additional Rights of the City.** The Authority agrees that the City shall have the right, option and privilege of erecting, installing and maintaining at its own cost and expense such equipment and personally in or upon the Facilities Project as may, in the City's judgment, be necessary and advisable for its purposes. It is further understood and agreed that anything erected or installed under the provisions of this Section 7.04 shall be and remain the personal property of the City and shall not become part of the Facilities Project, and may be removed, altered or otherwise changed as long as such removal does not cause substantial damage to the Facilities Project, upon or before the termination of this Lease Agreement.

**SECTION 7.05. Insurance.** With respect to the Facilities Project, or any portion thereof, as the case may be, the City hereby assumes the entire risk of loss thereof from any and every cause whatsoever including, but not limited to, damage to or the destruction of the Facilities Project, or any portion thereof, by fire or any other casualty or the taking of title to or the temporary use of the Facilities Project, or a portion thereof, as the case may be, or the interest of the City therein under the exercise of the power of eminent domain by any governmental body *de jure* or *de facto* or by any Person, firm or corporation acting under governmental authority. At its own expense, the City shall cause casualty, public liability and all-risk property damage insurance to be carried and continuously maintained, or shall demonstrate (upon request) to the satisfaction of the Authority that adequate self-insurance is provided with respect to the Facilities Project sufficient in the aggregate to cover the full replacement cost of the Facilities Project or to pay the applicable value thereof, and to protect the Authority and the Trustee from liability in all events. Any casualty or property damage insurance policies shall include a standard non-contribution mortgagee clause in favor of and satisfactory to the Trustee and any liability insurance shall be for the benefit of the Trustee and the Authority as named insureds, as their interests may appear. All policies shall require that not less than thirty (30) days' written notice of cancellation or material change will be given to the Trustee. The Authority and the Trustee agree to accept allocated value blanket insurance policies, provided however, that any casualty or property damage insurance policies maintained pursuant to this Section 7.05 shall be so written or endorsed as to make losses, if any, with respect to the Facilities Project payable to the Trustee and applied as provided in Sections 7.06 or 7.07 hereof, as applicable. The City will provide a copy of a blanket insurance policy or policies to the Authority as evidence of such coverage. If the City maintains a program of self-insurance for similar properties, the City may insure the Facilities Project in its self-insurance program and provide an adequate insurance fund to pay losses.

The City agrees to deliver annually to the Authority and the Trustee not later than December 15 of each year a certificate dated as of December 1 of such year setting forth not less than the following: (i) a schedule of all insurance policies then in effect, including the names of the insurance companies, the risks covered, the periods for which such policies are in effect and the amounts of any coverage and the deductibles, if any; (ii) if certain risks are covered by self-insurance programs of the City, a schedule identifying what risks are so covered; and (iii) a statement that all such insurance policies or self-insurance programs comply with the provisions of this Section 7.05 and are in full force and effect.

The Trustee shall promptly notify the Authority if such certificate is not received by December 31 of each year. All insurance policies shall be held by the City and shall be open to the inspection of the Trustee and its representatives at all reasonable times, although absent contrary directions from the Authority, no such inspection shall be required of the Trustee. The net proceeds of the insurance required in this Section 7.05 shall be applied as provided in Sections 7.06 and 7.07 hereof.

**SECTION 7.06. Damage or Destruction.** The City agrees to immediately notify the Authority and the Trustee in the case of damage to or destruction of the Facilities Project (or any portion thereof) resulting from fire or other casualty during the Lease Term. So long as no Event of Default has occurred and is continuing hereunder, the City may, with the prior consent of the Authority (which consent shall not be unreasonably withheld), either: (i) repair, reconstruct and restore the Facilities Project (or any portion thereof) or request the Authority to repair, reconstruct and restore the Facilities Project (or any portion thereof) at the City's cost and expense; or (ii) undertake an Additional Project, subject to the conditions set forth in Section 7.03 of this Lease Agreement and Section 503 of the Indenture. In such event, the City shall proceed forthwith to either repair, reconstruct and restore the Facilities Project (or any portion thereof), or request the Authority to repair, reconstruct and restore the Facilities Project (or any portion thereof) at the City's cost and expense, to substantially the same condition as existed prior to the event causing such damage or destruction or undertake an Additional Project in accordance with the provisions of this Section 7.06. As long as no Event of Default has occurred and is continuing hereunder, any such net proceeds of insurance relating to such damage or destruction shall be deposited in the Acquisition Fund and applied by the Trustee, and used as directed by the City, for the payment of the Cost of such repair, reconstruction and restoration or such Additional Project, in the same manner and upon the same conditions as set forth in the Indenture for the payment of the Cost of the Facilities Project. Any proceeds of insurance remaining following the repair and restoration of the Facilities Project or the undertaking of any Additional Project shall be transferred by the Trustee upon written direction of an Authorized City Representative, as approved by an Authorized Authority Representative, and applied as a credit toward Lease Payments of the City in accordance with the provisions of Section 503(2) of the Indenture. The City shall complete the repair, reconstruction and restoration of the Facilities Project (or any portion thereof) or the undertaking of any Additional Project, whether or not the proceeds of the insurance proceeds received by the City are sufficient to pay for the same.

In the event the Authority does not consent to the repair, reconstruction and restoration of the Facilities Project (or portion thereof) or the undertaking of any Additional Project pursuant to the terms of this Section 7.06 then, in such event, the City shall be under no obligation to repair, reconstruct and restore the Facilities Project (or portion thereof) or to undertake such Additional Project and the net proceeds of insurance relating to such damage or destruction shall be deposited in the Debt Service Fund and applied by the Trustee in accordance with the provisions of the Indenture with respect thereto.

If an Event of Default has occurred and is continuing hereunder, any such proceeds of insurance shall be deposited with the Trustee in the Debt Service Fund and shall be applied by the Trustee in accordance with the provisions of Section 903 of the Indenture.

**SECTION 7.07. Condemnation.** This Lease Agreement and the interest of the City in the 2024 Construction Project (or any portion thereof) which is condemned or taken for any public or quasi-public use shall be terminated when title thereto vests in the party condemning or taking the same (hereinafter referred to as the "termination date"). The City hereby irrevocably assigns to the Authority, all right, title and interest of the City in and to the net proceeds of any award, compensation or taking during the Lease Term. Such award shall be initially paid to the Authority for disbursement as hereinafter provided.

So long as no Event of Default has occurred and is continuing hereunder, the City shall use the net proceeds of the award made in connection with such condemnation or taking for replacement of the 2024 Construction Project (or such portion thereof) or undertaking an Additional Project and the City shall proceed forthwith to replace the 2024 Construction Project (or such portion thereof) or undertake such Additional Project. In such event, any such net proceeds shall be deposited in the Acquisition Fund for application by the Trustee to pay the Cost of such replacement or the undertaking of such Additional Project, in the same manner and upon the same conditions set forth in the Indenture for the payment of the Cost of the 2024 Construction Project (or such portion thereof). Any proceeds of an award remaining following replacement of the 2024 Construction Project (or such portion thereof) or undertaking any Additional Project as provided herein shall be transferred by the Trustee upon written direction of an Authorized City Representative, as approved by an Authorized Authority Representative, and applied as a credit toward Lease Payments of the City in accordance with the provisions of Section 503(2) of the Indenture. The City shall complete the replacement of the 2024 Construction Project (or such portion thereof) or the undertaking of any Additional Project, whether or not the net proceeds of the condemnation award which are received by the City are sufficient to pay for same.

If an Event of Default has occurred and is continuing hereunder, any such condemnation award shall be deposited with the Trustee in the Debt Service Fund and shall be applied by the Trustee in accordance with Section 903 of the Indenture.

(d) The entering of an order or decree appointing a receiver with the consent or acquiescence of the City or the entering of such order or decree without the acquiescence or consent of the City if it shall not be vacated, discharged or stayed within sixty (60) days after its entry; or

(e) A petition is filed by or against the City under any federal or State bankruptcy or insolvency law or other similar law in effect on the date of this Lease Agreement or thereafter enacted, unless in the case of any such petition filed against the City such petition shall be dismissed within thirty (30) days after filing and such dismissal shall be final and not subject to appeal; or the City shall become insolvent or bankrupt or make an assignment for the benefit of its creditors; or a custodian (including, without limitation, a receiver, liquidator or trustee) of the City or any of its property shall be appointed by court order or take possession of the City's property or assets if such order remains in effect or such possession continues for more than thirty (30) days.

The foregoing provisions of subsection (c) of this Section 8.01 are subject to the following limitations: if by reason of acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, orders of any kind of the government of the United States or of the State or any department, agency, political subdivision or official of either of them, or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, tornadoes, blizzards, or other storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, partial or entire failure of utilities, or any cause or event not reasonably within the control of the City, the City is unable, in whole or in part, to carry out its agreements herein contained, the City shall not be deemed in default during the continuance of such inability. The City agrees, however, to use its best efforts to remedy with all reasonable dispatch the cause or causes preventing it from carrying out its agreements, provided that the settlement of strikes, lockouts and other disturbances shall be entirely within the discretion of the City, and the City shall not be required to make settlement of strikes, lockouts and other disturbances by acceding to the demands of an opposing party or parties when such course is, in the judgment of the City, unfavorable to the City.

If any Event of Default described in this Section 8.01 shall have occurred, and if no acceleration of the amounts payable hereunder shall have been declared pursuant to Section 8.02 hereof, and all amounts then due and payable hereunder are paid by the City and the City also performs all other things in respect of which it may have been in default hereunder and pays any reasonable charges of the Authority and the Trustee, including reasonable attorneys' fees (or, in the case of a failure by the City to make a payment of the Annual Authority Administrative Fee, if the Authority shall extend the time for making such payment), then, and in every such case, such Event of Default shall be deemed to have been cured and the parties hereto shall be restored to their former respective positions; but no such curing of an Event of Default shall extend to or affect or constitute a waiver of any subsequent Event of Default or impair any right or remedy consequent thereon.

Notwithstanding the above, an Event of Default under this Article VIII shall not be construed as an Event of Default under the Indenture.

### SECTION 8.02. Acceleration and Annulment Thereof: Opportunity to Cure Default.

(A) If any Event of Default occurs hereunder, the Authority and the Trustee may, with the prior consent and direction of the 51% or more of the Holders of the Series 2024 Bonds, declare all amounts payable during the Lease Term in respect of the unpaid principal balance of the Loan made hereby, together with all interest accrued and all other amounts then payable to the Authority or the Trustee, to be immediately due and payable; and upon such declaration the said principal amount shall become due and payable immediately, anything in the Indenture, the Bonds or this Lease Agreement to the contrary notwithstanding.

(B) If, after such declaration, all amounts due, which were due and payable prior to such declaration, are paid by the City and the City also performs all other things in respect of which it may have been in default hereunder and pays the reasonable charges of the Authority and the Trustee, including reasonable attorneys' fees, then, and in every such case, the Authority, by notice to the City and the Trustee, and subject to the provisions of the Indenture, may annul such declaration and its consequence and the City, the Authority and the Trustee shall

be restored to their respective former positions and rights under the Indenture; but no such annulment shall extend to or affect any subsequent default or impair any right or remedy consequent thereon. Upon such payment and annulment, this Lease Agreement shall be fully reinstated as if it had never been accelerated.

**SECTION 8.03. Payments by the City.** (A) If an Event of Default referred to in Section 8.01(a) hereof shall have happened and be continuing and there remains outstanding Lease Payments which have not been paid by the City to the Trustee pursuant to the terms of this Lease Agreement (which determination shall be made by the Trustee as at the close of business on any Lease Payment Date), the Trustee, on behalf of the Authority, shall notify the Chief Financial Officer of the City or its designee, an Authorized City Representative and the Authority, in writing, not later than 4:00 p.m. of the first Business Day after such Lease Payment Date, of the failure of the City to pay its Lease Payment on the Lease Payment Date, which notice shall state the amount of any such deficiency as at the close of business on the Lease Payment Date and that such deficiency must be cured no later than the next ensuing Interest Payment Date and Principal Installment Date, as applicable. The Authority and the Trustee shall undertake all diligent efforts to pursue the City and cause it to pay all amounts due and owing to the Authority under this Lease Agreement prior or subsequent to an Interest Payment Date and Principal Installment Date, as applicable.

(B) When written notice has been provided to the City by the Trustee as described above, the City shall take all actions necessary and permitted by law to make payment of an amount equal to the deficiency owed, which amount, when added to available amounts on deposit in the Debt Service Fund, shall be sufficient to pay the principal of and interest on the Bonds due on the next ensuing Interest Payment Date and Principal Installment Date, as applicable.

**SECTION 8.04. Remedies.** Upon the occurrence of an Event of Default hereunder, the Authority may exercise any one or more of the remedies available to it under the terms of this Lease Agreement, any other agreement, or now or hereafter existing at law or in equity or by statute separately or concurrently and as often as required to enforce the City's obligations hereunder. In addition to the other remedies provided in this Lease Agreement, the Authority shall be entitled to the restraint by injunction of the violation, or attempted or threatened violation, by the City of any of the covenants, conditions or provisions of this Lease Agreement, and to a decree compelling specific performance of any such covenants, conditions or provisions.

In case of any proceeding of the Authority wherein appointment of a receiver may be permissible, the Authority, as a matter of right and immediately upon institution of each proceeding, upon written notice to the City, shall be entitled to appointment of a receiver, with such powers as the court making such appointment can confer. Upon demand, the City shall pay to the Authority all expenses, including receiver's fees, costs and agent's compensation, incurred pursuant to the provisions of this Section 8.04 and all such expenses shall be secured by this Lease Agreement.

**SECTION 8.05. Cumulative Rights; No Implied Waiver.** No remedy conferred upon or reserved to the Authority or the Trustee by this Lease Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall

be cumulative and shall be in addition to every other remedy given under this Lease Agreement, any other agreement, or now or hereafter existing at law or in equity or by statute. No delay, omission or waiver by the Authority or the Trustee of any breach by the City of any of its obligations, agreements or covenants hereunder, shall be deemed a waiver of any subsequent breach, and no delay or omission to exercise any right or power shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.

**SECTION 8.06. Duty to Mitigate Damages.** The Authority and the Trustee shall exercise reasonable action and diligence to mitigate damages if an Event of Default shall occur hereunder.

**SECTION 8.07. Employment of Attorneys.** If the Authority and the Trustee, in accordance with the terms of the Indenture or this Lease Agreement, or as reasonably determined by such party, shall require and employ attorneys or incur other expenses for the collection of payments due or to become due or the enforcement or performance or observance of any obligation or agreement on the part of the City herein contained, the City shall, on demand thereof, pay to the Authority or the Trustee, as applicable, the reasonable fees of such attorneys and such other reasonable expenses so incurred by the Authority or the Trustee, or any of them.

**PROPOSED FORM OF OPINION OF BOND COUNSEL**

October 22, 2024

The Cumberland County Improvement Authority  
745 Lebanon Road  
Millville, New Jersey

**RE: \$2,730,000 THE CUMBERLAND COUNTY IMPROVEMENT AUTHORITY,  
CITY GENERAL OBLIGATION LEASE REVENUE BONDS  
(BRIDGETON FIRE STATION PROJECT), SERIES 2024**

Members of the Board:

We have served as Bond Counsel to The Cumberland County Improvement Authority ("Authority") in connection with the issuance and sale of the above referenced obligation ("Series 2024 Bonds").

The Series 2024 Bonds are issued pursuant to and in accordance with: (i) the County Improvement Authorities Law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State of New Jersey ("State") (*N.J.S.A. 40:37A-44 et seq.*), and the acts amendatory thereof and supplemental thereto ("Act"); (ii) a bond resolution of the Authority, duly adopted on August 28, 2024 ("Bond Resolution"); and (iii) a Trust Indenture, dated as of October 1, 2024 ("Indenture"), between the Authority and U.S. Bank Trust Company, National Association. Capitalized terms, not otherwise defined herein, shall have the meanings ascribed thereto in the Indenture, unless the context clearly requires otherwise.

The Series 2024 Bonds are being issued by the Authority to provide funds for: (i) the costs of the undertaking and completing further capital improvements to the approximately 30,000 square foot new fire station facility ("Facility") located on certain real property ("Project Site") owned by the City of Bridgeton, New Jersey ("City"); (ii) the costs of furnishing and equipping the Facility; (iii) all other costs and expenses necessary for or related to the development, construction and equipping of the Facility; (iv) capitalized interest on the Series 2024 Bonds, if any; and (v) the costs of issuance with respect to the financing (collectively, the "2024 Project").

Pursuant to an existing Lease Agreement, dated December 1, 2021 ("Existing Lease"), between the Authority and the City, the Authority has leased the Project Site from the City and, thereupon, shall develop and construct the Facility on behalf of the City. The Authority shall lease the Facility to the City pursuant to and in accordance with a Lease Agreement, dated as of October 1, 2024 (the "Lease Agreement"), between the Authority, as lessor, and the City, as lessee.

Pursuant to the Lease Agreement, the City will make certain Lease Payments (as defined in the Lease Agreement) to the Authority in an aggregate amount equal to the principal, redemption premium, if any, and interest on the Series 2024 Bonds as well as applicable Additional Lease Payments (as defined in the Lease Agreement) as the same become due and payable on each Lease Payment Date (as defined in the Lease Agreement).

The Series 2024 Bonds are special and limited obligations of the Authority payable solely from the Revenues and secured by a lien on the Pledged Property (as defined in the Indenture) of the Authority and from any other moneys pledged therefor under the Indenture. "Revenues" are defined in the Indenture to mean: (i) all amounts, including Lease Payments, received by the Authority from the City under the Lease Agreement (except for Additional Lease Payments), and any other agreement with respect to any Additional Project; (ii) any moneys or securities held pursuant to the Indenture and paid or required to be paid into the Debt Service Fund; (iii) any payments made by the City to the Authority pursuant to the Indenture; (iv) interest received on any moneys or Investment Securities held under the Indenture (other than in the Rebate Fund) and required to be paid into the Revenue Fund pursuant to the Indenture; and (v) any other amounts received from any other source by the Authority and pledged by the Authority as security for the payment of a particular Series of Bonds pursuant to a Supplemental Indenture. "Pledged Property" is defined in the Indenture to mean: (i) the Revenues; (ii) the Funds and Accounts established under the Indenture (other than the Rebate Fund), including Investment Securities held in any such Funds or Accounts; and (iii) all other moneys, securities or funds pledged for the payment of the principal or Redemption Price of and interest on the Series 2024 Bonds in accordance with the terms and provisions of the Indenture.

The City's obligation to make Lease Payments is a general obligation authorized pursuant to a Lease Ordinance, duly and finally adopted by the City on July 30, 2024 ("Lease Ordinance"). Pursuant to the Lease Ordinance, the City is unconditionally and irrevocably obligated to levy *ad valorem* taxes upon all taxable real property within the City without limitation as to rate or amount when required under the provisions of applicable law and the Lease Agreement for the payment, when due, of the Lease Payments.

The Series 2024 Bonds are dated October 22, 2024, mature on December 1 in each of the years and in the principal amounts set opposite each such year in the table below and bear interest at the interest rates per annum below, payable initially semi-annually June 1 and December 1, commencing June 1, 2025, in each year until maturity or earlier redemption.

<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>	<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>

2032	120,000	5.000	2044	920,000	4.000

The Series 2024 Bonds are issued in fully registered book-entry-only form in the form of one certificate for each maturity of the Series 2024 Bonds. The Series 2024 Bonds are subject to optional redemption prior to maturity in the manner and upon the terms and conditions set forth in the Indenture.

As Bond Counsel to the Authority, we have examined the Bond Resolution, the Indenture, the Lease Agreement and such statutes of the State and such resolutions of the Authority and

proceedings relating thereto as we have deemed necessary to enable us to render the opinions set forth below. We have also examined and relied upon the proceedings authorizing the issuance of the Series 2024 Bonds and the execution and delivery of the Lease Agreement, and certain certifications and agreements (including a Certificate as to Nonarbitrage and Other Tax Matters ("Nonarbitrage Certificate") executed by the Authority and the City with respect to the Series 2024 Bonds) intended to satisfy certain provisions of the Internal Revenue Code of 1986, as amended ("Code"), and applicable Treasury Regulations, rulings and court decisions, receipts and other documents which we have considered relevant. We have also examined a specimen Series 2024 Bond and have relied on certifications as to the execution and authentication of the Series 2024 Bonds. We have assumed that all documents, records and other instruments examined by us are genuine, accurate and complete and we have not undertaken to verify the factual matters set forth in any certificates or other documents by independent investigation.

Based upon and subject to the foregoing, we are of the following opinion:

1. The Authority has been duly created and is validly existing under the provisions of the Constitution and the laws of the State, including the Act, and has full right and lawful authority to issue the Series 2024 Bonds for the purpose of financing the costs of the 2024 Project and to adopt or execute, as appropriate, and deliver and perform its obligations under the Bond Resolution, the Indenture and the Lease Agreement.

2. The Bond Resolution has been duly and lawfully adopted by the Authority, is in full force and effect and is valid and binding upon the Authority, enforceable in accordance with its terms, except to the extent that enforcement thereof may be limited by applicable bankruptcy, insolvency, moratorium or other laws or other legal or equitable principles affecting the enforcement of creditors' rights generally ("Creditors' Rights Limitations").

3. The Indenture and the Lease Agreement have each been duly authorized, executed and delivered by the Authority and, assuming that: (i) the Indenture has been duly authorized and delivered by the Trustee and constitutes a legal, valid and binding obligation of the Trustee; and (ii) the Lease Agreement has been duly authorized, executed and delivered by the City and constitutes a legal, valid and binding obligation of the City, the Indenture and the Lease Agreement are each legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with the respective terms thereof, except to the extent that enforcement thereof may be limited by Creditors' Rights Limitations.

4. The Indenture creates the valid pledge which it purports to create of the Pledged Property, subject only to the application thereof to the purposes and on the conditions permitted in the Indenture.

5. The Series 2024 Bonds have been duly authorized, executed, authenticated, issued and delivered and constitute valid and binding special and limited obligations of the Authority, enforceable in accordance with the respective terms thereof, except to the extent that enforcement thereof may be limited by Creditors' Rights Limitations.

6. Interest on the Series 2024 Bonds is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Code and will not constitute a tax preference item for purposes of the alternative minimum tax imposed on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Series 2024 Bonds received or accrued by a foreign corporation subject to the branch profits tax is included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Series 2024 Bonds, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year, if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering this opinion, we have assumed continuing compliance by: (i) the Authority with the covenants contained in the Resolution, the Lease Agreement and the Nonarbitrage Certificate; and (ii) the City with the covenants contained in the Lease Agreement and the Nonarbitrage Certificate, that each will comply with the applicable requirements of the Code, including requirements relating to, *inter alia*, the use and investment of proceeds of the Series 2024 Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Authority or the City to comply with its respective covenants could result in the interest on the Series 2024 Bonds being subject to federal income tax retroactive to the date of issue. We have not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date hereof that may affect the tax-exempt status of the interest on the Series 2024 Bonds.

Ownership of the Series 2024 Bonds may result in collateral federal income tax consequences to certain taxpayers including, without limitation, certain holders of an interest in a financial asset securitization investment trust, property and casualty insurance companies, controlled foreign corporations, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit, and individuals and families that qualify for a premium assistance credit amount under Section 36B of the Code. The Code denies the earned income credit to an individual who is otherwise eligible if the aggregate amount of disqualified income of the taxpayer for the taxable year exceeds certain limits set forth in Sections 32(i) and (j) of the Code. Interest on the Series 2024 Bonds will constitute disqualified income for this purpose. The Code also provides that the earned income credit is phased out if the modified adjusted gross income of the taxpayer exceeds certain amounts. Interest on the Series 2024 Bonds is included in determining the modified adjusted gross income of the taxpayer. Section 36B of the Code provides that the amount of the premium assistance credit amount is in part determined by household income. Section 36B(d) of the Code provides that household income consists of the "modified adjusted gross income" of the taxpayer and certain other individuals. "Modified adjusted gross income" means adjusted gross income increased by certain amounts, including interest

received or accrued by the taxpayer which is exempt from tax, such as the interest on the Series 2024 Bonds.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Series 2024 Bonds are *not* "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Owners of the Series 2024 Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

7. Interest on the Series 2024 Bonds and any gain from the sale thereof is not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as enacted and construed on the date hereof.

We call your attention to the fact that the Series 2024 Bonds are special and limited obligations of the Authority payable solely from the Revenues and secured by a lien on the Pledged Property of the Authority and from any other moneys pledged therefor under the Indenture. The Series 2024 Bonds do not constitute a debt or obligation of the State or any political subdivision thereof (except the Authority, to the extent of the Pledged Property, and the City, to the extent of the Lease Payments due under the Lease Agreement), and neither the credit nor the taxing power of the State or any political subdivision thereof (except the Authority, to the extent of the Pledged Property, and the City, to the extent of the Lease Payments due under the Lease Agreement) is pledged for the payment of the principal of, redemption premium, if any, or interest on the Series 2024 Bonds. The Authority has no taxing power.

We express no opinion as to any matter not set forth in the numbered paragraphs above including, without limitation, any financial or other information which has been or may be supplied to purchasers of the Series 2024 Bonds.

The opinions expressed in the numbered paragraphs above are being rendered on the basis of federal law and the laws of the State, as presently enacted and construed, and we assume no responsibility to advise any party as to any changes in law or fact subsequent to the date hereof that may affect the opinions expressed above.

This is only an opinion letter and not a warranty or guaranty of the matters discussed above.

This letter is being provided solely for the benefit of the Authority and may not be relied upon by any other person, party, firm or organization without our prior written consent.

Very truly yours,

Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner’s right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. “Business Day” means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer’s Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. “Due for Payment” means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. “Nonpayment” means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. “Nonpayment” shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. “Notice” means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. “Owner” means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that “Owner” shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.
