

In the opinion of Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel (“Bond Counsel”), assuming continuing compliance by the Authority and the County (each as hereinafter defined) with certain tax covenants described herein, under existing law, interest on the Series 2024 Bonds (as hereinafter defined) is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and will not constitute a tax preference item for purposes of the alternative minimum tax imposed on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations. In addition, interest on the Series 2024 Bonds and any gain from the sale thereof are not included in the gross income of owners thereof under the New Jersey Gross Income Tax Act, as presently enacted and construed. See “TAX MATTERS” herein.

The financing plan of the Authority regarding the Series 2024 Bonds was reviewed by the Local Finance Board of the Division of Local Government Services within the State Department of Community Affairs (the “Local Finance Board”) at a meeting held on

October 9, 2024. On said date, the Local Finance Board passed separate resolutions approving the method proposed for funding the costs of the 2024 Capital Program, the 2024 Refunding Project and the terms of the financing and the provision by the County of the County Guaranty. The Authority will confirm the findings of the Local Finance Board by resolution in accordance with N.J.S.A. 40A:5A-7.

PURPOSE OF THE SERIES 2024 BOND ISSUE

General

The Series 2024A Bonds are being issued by the Authority to provide funds to: (i) finance the 2024 Capital Program Project; and (ii) pay the costs of issuance with respect to the sale and delivery of the Series 2024A Bonds.

The Series 2024B Bonds are being issued by the Authority to provide funds, together with other available funds of the County, to: (i) finance the 2024 Refunding Project; and (ii) pay the costs of issuance with respect to the sale and delivery of the Series 2024B Bonds.

The 2024 Capital Program

A portion of the Series 2024 Bond proceeds will be used to finance the costs of construction, expansion, renovation, acquisition and installation, as applicable, of the Improvements and Equipment constituting the 2024 Capital Program, all as described in detail in Exhibit G to the 2024 Loan Agreement and listed below, and including any Equipment or Improvements acquired or constructed in substitution for, as a renewal or replacement of, or a modification, improvement or addition to, any of the existing Equipment or Improvements as permitted under the 2024 Loan Agreement.

The term "Costs" includes, with respect to the 2024 Capital Program or any portion thereof, together with any other proper and reasonable item of cost not specifically mentioned therein, whether incurred prior to or after the date of the 2024 Loan Agreement: (i) the costs of payment of, or reimbursement for, the acquisition, construction, equipping and furnishing of the 2024 Capital Program including, but not limited to, environmental or remediation costs, advances or progress payments, appraisals, engineering, design, site work, surveys, title insurance, demolition, acquisition costs, construction and equipment costs, installation costs, administrative costs and capital expenditures relating to the 2024 Capital Program, capitalized interest, financing payments, sales taxes, excise taxes, property taxes, costs of feasibility, environmental and other reports, inspection costs, permit fees, filing and recordation costs, printing costs for all documents, reproduction and binding costs, fees and charges of the Trustee pursuant to the 2024 Bond Resolution, financing documents, legal fees and charges, all financial, accounting and other professional consultant fees, the Initial Authority Financing Fee for a particular Series of Bonds, all professional and consulting fees and charges of the Authority, including but not limited to the Project Management Fee for the 2024 Capital Program, if any, and of the County, costs of rating agencies, bond insurance, bond insurers or credit ratings, fees for the printing, execution, transportation and safekeeping of any Series of Bonds, and any charges and fees in connection with any of the foregoing, subject to any limitations as to amount imposed by the provisions of the Code; (ii) all other costs which the County or the Authority shall be required to pay under the terms of any contract or contracts for the acquisition, construction, equipping and furnishing of the 2024 Capital Program including, but not limited to, the cost of insurance; (iii) any sums required to reimburse the County for advances made for any of the above items, or for any other costs incurred and for work done, which is properly chargeable to the 2024 Capital Program; (iv) deposits in any Fund or Account under the 2024 Bond Resolution, all as shall be provided in the 2024 Bond Resolution; and (v) such other expenses not specified in the 2024 Loan Agreement or in the 2024 Bond Resolution as may be necessary or incidental to the acquisition, construction, equipping and furnishing of the 2024 Capital Program, the financing thereof and the placing of the same in use and operation. Cost as defined in the 2024 Loan Agreement shall be deemed to include the costs and expenses incurred by any agent of the Authority or the County for any of the above-mentioned items or in connection with the administration and enforcement of the 2024 Bond Resolution, the County Guaranty, the Continuing Disclosure Agreement and the 2024 Loan Agreement.

As contemplated by the 2024 Loan Agreement, the majority of the Improvements and Equipment constituting the 2024 Capital Program listed below will be financed with Series 2024 Bond proceeds; provided, however, that, prior to the County's delivery of a Completion Certificate for any Item, the County may, in accordance with the terms of the 2024 Loan Agreement, for any reason elect to substitute one or more other Items of Equipment or Improvements for the Items of Equipment and Improvements constituting the 2024 Capital Program listed below. The 2024 Loan Agreement requires, among other things: (i) that no such substitution shall be made without certification to the Trustee by the County that the aggregate value of all Items of Equipment and Improvements financed with proceeds of the Series 2024A Bonds for which a Completion Certificate has been delivered, plus the value of the new Items of Equipment and Improvements to be purchased with proceeds of the Series 2024A Bonds is equal to at least 100% of the amount of Series 2024A Bond proceeds initially deposited in the 2024 Account in the Acquisition Fund established pursuant to the 2024 Bond Resolution for the Series 2024A Bonds; (ii) that a new Exhibit G to the 2024 Loan Agreement be delivered to the Trustee setting forth the new Items of Equipment to be acquired and/or Improvements to be constructed; (iii) an

opinion of counsel that is satisfactory to the Authority to the effect that each of such substitutions and the 2024 Loan Agreement, as supplemented thereby, are in compliance with all applicable laws and that the financing of such new Items falls within the corporate powers of the Authority; and (iv) an opinion of Bond Counsel (as herein defined) to the effect that such substitution will not adversely affect the exclusion of interest on any Series of Tax-Exempt Obligations (including the Outstanding Series 2024 Bonds) from the gross income of the owners thereof for Federal income taxation purposes.

The 2024 Refunding Project

A portion of the proceeds of the Series 2024B Bonds, together with other available funds of the County (collectively, (the "Escrow Sum") will be used to finance the current refunding of the Refunded Bonds. The Refunded Bonds shall be called for optional redemption at par on January 15, 2025 (or such other date as shall be set forth in the Award Certificate) (the "Redemption Date").

In connection with the 2024 Refunding Project, the Authority will execute and deliver an Escrow Agreement dated the date of delivery of the Series 2024B Bonds (the "Escrow Agreement") with the Trustee, acting as escrow agent (the "Escrow Agent"), directing that the Escrow Sum shall be deposited in an escrow account to be held by the Escrow Agent, and shall be invested in cash and/or defeasance securities as required by (i) the Bond Resolutions of the Authority adopted on (a) October 9, 2014 with respect to the 2014 Refunded Bonds and (b) October 15, 2015 with respect to the 2015 Refunded Bonds; and (ii) the Escrow Agreement, in an amount sufficient to pay the principal of and interest accrued on each series of the Refunded Bonds on the Redemption Date

DESCRIPTION OF THE SERIES 2024 BONDS

General

The Series 2024 Bonds are issuable as fully registered bonds. The Series 2024 Bonds will mature on the respective dates and bear interest at the respective rates set forth on the inside front cover page of this Official Statement and will be issued in book-entry form. So long as The Depository Trust Company (“DTC”), or its nominee, Cede & Co., is the registered owner of the Series 2024 Bonds, payments of the principal or Redemption Price of, and interest on, the Series 2024 Bonds will be made directly to Cede & Co., as nominee for DTC. Disbursement of such payments to the participants of DTC (the “DTC Participants”) is the responsibility of DTC and the disbursement of such payments to the Beneficial Owners (as defined herein) of the Series 2024 Bonds is the responsibility of the DTC Participants and not the Authority or the Paying Agent. See “DESCRIPTION OF THE SERIES 2024 BONDS - Book-Entry-Only System” below.

Interest on the Series 2024 Bonds, calculated on the basis of a 360-day year of twelve 30-day months, is payable semi-annually on January 15 and July 15 of each year, commencing on July 15, 2025, by check of the Trustee or, for Registered Owners of \$1,000,000 or more in principal amount of Series 2024 Bonds which have submitted to the Trustee (upon three Business Days’ written notice in advance of the applicable Record Date) a written request therefor, wire transfer by the Paying Agent to the Registered Owners of such Series 2024 Bonds. Principal or Redemption Price of the Series 2024 Bonds will be paid on any Principal Installment Date upon presentation and surrender of the Series 2024 Bonds at the principal corporate trust office of the Trustee.

Any interest on any Series 2024 Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called “Default Interest”) shall forthwith cease to be payable to the person who is the Registered Owner on the relevant Record Date, and such Default Interest shall be paid to the Registered Owner in whose name the Series 2024 Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) days nor less than ten (10) days (whether or not a Business Day) prior to the date of the proposed payment.

Optional Redemption

The Series 2024A Bonds maturing prior to January 15, 2035 are not subject to optional redemption prior to maturity. The Series 2024A Bonds maturing on or after January 15, 2035 are subject to optional redemption prior to maturity at the option of the Authority, to be exercised upon receipt of written notice to the Trustee and the Authority of prepayment from the County in accordance with the terms of the 2024 Loan Agreement, on or after January 15, 2034 in whole or in part at any time, and, if in part, in such order of maturity as the County may direct and, within a maturity, by lot (or other customary method of selection determined by the Trustee), at a Redemption Price equal to one hundred percent (100%) of the principal amount of Series 2024A Bonds to be redeemed, plus accrued interest to the redemption date.

The Series 2024B Bonds maturing prior to January 15, 2035 are not subject to optional redemption prior to maturity. The Series 2024B Bonds maturing on or after January 15, 2035 are subject to optional redemption prior to maturity at the option of the Authority, to be exercised upon receipt of written notice to the Trustee and the Authority of prepayment from the County in accordance with the terms of the 2024 Loan Agreement, on or after January 15, 2034 in whole or in part at any time, and, if in part, in such order of maturity as the County may direct and, within a maturity, by lot (or other customary method of selection determined by the Trustee), at a Redemption Price equal to one hundred percent (100%) of the principal amount of Series 2024B Bonds to be redeemed, plus accrued interest to the redemption date.

Notice of Redemption

In the case of any redemption of Series 2024 Bonds by the Authority at the written direction of the County, the Authority shall give written notice to the Trustee of the election or direction of the County to so redeem, except for the redemption of Series 2024 Bonds pursuant to mandatory sinking fund redemption, if any. Such notice shall be given at least sixty (60) days prior to the redemption date or such shorter period as shall be acceptable to the Trustee. When the Trustee receives such notice from the Authority to redeem Series 2024 Bonds and written notice from the County of its consent to the redemption of the Series 2024 Bonds, the Trustee shall cause a notice to be deposited in the United States mail first class, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the redemption date addressed to the Registered Owners of the Series 2024 Bonds (or portions thereof) called for redemption, at the addresses appearing in the registry books kept by the Trustee. Such notice shall be given in the name of the Authority, shall identify the maturities of the Series 2024 Bonds to be redeemed, the redemption date, the Redemption Price and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2024 Bonds of any maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2024 Bonds so to be redeemed and, in the case of the Series 2024 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall

become due and payable on each Series 2024 Bond to be redeemed the Redemption Price thereof, or of such specified portions of the principal amount thereof, in the case of the Series 2024 Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date and that from and after such date interest thereon shall cease to accrue and be payable. Any defect in or failure to give such notice with respect to any particular Series 2024 Bond shall not affect the validity of any such redemption of other Series 2024 Bonds.

Any notice of redemption of the Series 2024 Bonds may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the Redemption Price, together with interest accrued and unpaid to the redemption date, and any conditional notice so given may be rescinded at any time to and including the redemption date if such condition so specified is not satisfied. If a redemption does not occur after a conditional notice is given due to an insufficient amount of funds being on deposit with the Paying Agent to pay the Redemption Price on the redemption date, the corresponding conditional notice of redemption shall be deemed to have been revoked *nunc pro tunc* and shall be deemed to be null and void as if never given and such Series 2024 Bonds or portions thereof shall continue to bear interest until paid at maturity at the same rate as they would have borne had they not been called for redemption.

If, on the redemption date, moneys for the redemption of all the Series 2024 Bonds or portions thereof, together with interest thereon to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date, then from and after the redemption date interest on the Series 2024 Bonds or portions thereof so called for redemption shall cease to accrue and become payable.

So long as the Series 2024 Bonds are in book-entry form, the Trustee shall mail such notice solely to DTC and the Trustee will not send redemption notices to Beneficial Owners of the Series 2024 Bonds.

Book-Entry-Only System

The information contained in this section concerning DTC and the DTC Book-Entry-Only System has been obtained from sources that the Authority believes to be reliable. However, the Authority takes no responsibility for the accuracy thereof. The Beneficial Owners should confirm the information with DTC or the DTC Participants, as the case may be.

Initially, the Series 2024 Bonds will be in book-entry form only. Purchasers of the Series 2024 Bonds will not receive certificates representing their beneficial ownership interests in the Series 2024 Bonds purchased. DTC will act as the initial securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds in the respective aggregate principal amount of such maturity as set forth on the inside front cover page hereof, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has S&P's (as defined herein) rating of "AA+." The DTC rules applicable to the DTC Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com. So long as the Series 2024 Bonds are maintained in book-entry form with DTC, the following procedures will be applicable with respect to the Series 2024 Bonds.

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of the Series 2024 Bonds (the "Beneficial Owner") is in turn to be recorded on the Direct Participants' and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or

Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts the Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of a maturity of the Series 2024 Bonds is being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal or Redemption Price of and interest with respect to the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by DTC Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such DTC Participant and not of DTC or its nominee, the Trustee, the Registrar, the Paying Agent, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal or Redemption Price of and interest with respect to the Series 2024 Bonds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority, the Registrar, the Paying Agent, or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

In addition, the Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

So long as Cede & Co. is the registered owner of the Series 2024 Bonds, as nominee of DTC, references herein to the Bondholders or Registered Owners of the Series 2024 Bonds (excluding all references thereto under the heading "TAX MATTERS" herein) means Cede & Co., not the Beneficial Owners of the Series 2024 Bonds.

THE AUTHORITY, THE COUNTY, THE TRUSTEE, THE UNDERWRITERS (UNLESS THE UNDERWRITERS ARE ACTING IN THE CAPACITY AS A DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF DTC), THE REGISTRAR AND THE PAYING AGENT CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO ITS DTC PARTICIPANTS OR THAT DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL DISTRIBUTE TO BENEFICIAL OWNERS OF THE SERIES 2024 BONDS (1) PAYMENTS OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE SERIES 2024 BONDS, OR (2) CONFIRMATION OF OWNERSHIP INTERESTS IN THE SERIES 2024 BONDS, OR (3) REDEMPTION OR OTHER NOTICES, OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC, DIRECT PARTICIPANTS OR INDIRECT PARTICIPANTS WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT "RULES" APPLICABLE TO DTC ARE ON FILE WITH THE SEC AND THE CURRENT "PROCEDURES" OF DTC TO BE FOLLOWED IN DEALING WITH ITS DTC PARTICIPANTS ARE ON FILE WITH DTC.

NONE OF THE AUTHORITY, THE COUNTY, THE TRUSTEE, THE UNDERWRITERS (UNLESS THE UNDERWRITERS ARE ACTING IN THE CAPACITY AS A DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF DTC), THE REGISTRAR OR THE PAYING AGENT WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC, DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS OF THE SERIES 2024 BONDS WITH RESPECT TO: (1) THE SERIES 2024 BONDS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ITS NOMINEE, OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC TO ANY DIRECT PARTICIPANT OR BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON ANY SERIES 2024 BONDS; (4) THE DELIVERY BY DTC, ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE 2024 Bond Resolution TO BE GIVEN TO THE BONDHOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2024 BONDS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, ANY DIRECT PARTICIPANT OR ANY INDIRECT PARTICIPANT.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2024 BONDS

General

The Series 2024 Bonds constitute direct, limited and special obligations of the Authority and are payable solely from the Revenues (as described herein) and secured by the Pledged Property (as described herein), subject only to the provisions of the 2024 Bond Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the 2024 Bond Resolution. The Series 2024 Bonds are not payable from general funds of the Authority and shall not constitute a legal or equitable pledge or lien or encumbrance upon any of the assets or property of the Authority or upon any of its income, receipts or revenues, except as provided in the 2024 Bond Resolution. The full faith and credit of the Authority are not pledged, either expressly or by implication, to the payment of the Series 2024 Bonds. The Authority has no taxing power. The Authority has no claim on revenues or receipts of the State or any agency or political subdivision thereof (except the County to the extent of the Loan Payments and the County Guaranty).

The term “Pledged Property” is defined in the 2024 Bond Resolution as: (i) the Revenues; (ii) the Funds and Accounts established under the 2024 Bond Resolution (other than the Rebate Fund), including Investment Securities held in any such Funds and Accounts; and (iii) all other moneys, securities or funds pledged for the payment of the principal or Redemption Price of and interest on the Series 2024 Bonds in accordance with the terms and provisions of the 2024 Bond Resolution.

The term “Revenues” is defined in the 2024 Bond Resolution as: (i) all amounts, including Loan Payments, received by the Authority from the County under the 2024 Loan Agreement; (ii) any moneys or securities held pursuant to the 2024 Bond Resolution and paid or required to be paid into the Debt Service Fund; (iii) any payments made by the County to the Authority pursuant to the County Guaranty and Sections 508(2) and 708 of the 2024 Bond Resolution; (iv) interest received on any moneys or Investment Securities held under the 2024 Bond Resolution (other than in the Rebate Fund) and required to be paid into the Revenue Fund pursuant to the 2024 Bond Resolution; and (v) any other amounts received from any other source by the Authority and pledged by the Authority as security for the payment of a particular Series of Bonds pursuant to a Supplemental Resolution.

The Loan Payments to be made by the County pursuant to the 2024 Loan Agreement are equal to the amount of the principal or Redemption Price of and interest on the Series 2024 Bonds due on each Loan Payment Date and, as applicable, Additional Loan Payments (including, but not limited to, administrative expenses of the Authority with respect to the Series 2024 Bonds incurred by the Authority from time to time) as and when the same become due and payable upon demand pursuant to the terms of the 2024 Loan Agreement. Pursuant to the 2024 Loan Agreement, the County has covenanted to budget in each fiscal year amounts for the purpose of satisfying the Loan Payments to be made by the County to the Authority pursuant to the terms of the 2024 Loan Agreement. Nevertheless, the payment obligations created under the 2024 Loan Agreement are direct, general, irrevocable and unconditional obligations of the County payable from any source legally available to the County, including, without limitation, the general tax revenues of the County, and the County shall, if necessary, levy *ad valorem* taxes upon all the taxable property within the jurisdiction of the County for the payment of such obligations, without limitation as to rate or amount. In addition, the County is unconditionally and irrevocably obligated to pay, when due, the principal of and interest on the Series 2024 Bonds pursuant to the County Guaranty. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2024 BONDS – 2024 Loan Agreement” herein.

The Loan Payments (excluding Additional Loan Payments) and the payments by the County pursuant to the County Guaranty include only scheduled payments of principal of the Series 2024 Bonds (including Sinking Fund Installments, if any, and payments of principal upon maturity of serial maturity Series 2024 Bonds), and scheduled payments of interest on the Series 2024 Bonds. The County is not required under any circumstances to make any accelerated payments of the principal amount of the Series 2024

Bonds (including any Sinking Fund Installment, if any, or other principal payment), notwithstanding that, upon the occurrence of an Event of Default under the 2024 Bond Resolution, the Trustee may (and, at the direction of a majority of the holders of Outstanding Series 2024 Bonds, the Trustee shall) declare the principal of all Series 2024 Bonds then Outstanding under the 2024 Bond Resolution to be due and payable immediately.

No recourse shall be had by the Trustee or any Bondholder for any claim based on the Series 2024 Bonds or the 2024 Bond Resolution against any director, commissioner, member, officer, agent or employee, past, present or future, of, as the case may be, the Authority or the County, either directly or through the Authority or the County, as the case may be, or any such successor body, under any constitutional provision, statute or rule of law or by assessment or penalty or by any legal or equitable proceeding or otherwise. No covenant, stipulation, obligation or agreement of the Authority or the County contained in the Series 2024 Bonds or the 2024 Bond Resolution or in any document to which the Authority or the County is a party shall be deemed to be a stipulation, obligation or agreement of any present or future director, commissioner, member, officer, agent or employee of, as the case may be, the Authority or the County in his individual capacity, and any director, commissioner, member, officer, agent or employee of, as the case may be, the Authority or the County executing the Series 2024 Bonds shall not be liable personally thereon or subject to any personal liability or accountability by reason of the issuance thereof.

2024 Bond Resolution to Constitute Contract

In consideration of the purchase and acceptance of the Series 2024 Bonds by those who shall hold the same from time to time, the provisions of the 2024 Bond Resolution shall be deemed to be and shall constitute a contract between the Authority and the Holders from time to time of the Series 2024 Bonds. Any security interest granted and the pledge and assignment which is made in the 2024 Bond Resolution for the benefit of the owners of the Series 2024 Bonds and the covenants and agreements which are set forth therein to be performed on behalf of the Authority are for the equal benefit, protection and security of the holders of such Series 2024 Bonds and any Refunding Bonds (as hereinafter described), all of which, regardless of the time or times of their authentication and delivery or maturity, shall be of equal rank without preference, priority or distinction as to the lien of any of the Series 2024 Bonds and any Refunding Bonds over any other thereof, all except as expressly provided in or permitted by the terms of the 2024 Bond Resolution.

2024 Loan Agreement

The Authority and the County will enter into the 2024 Loan Agreement in order to secure the Series 2024 Bonds. With respect to the Series 2024 Bonds, pursuant to the terms of the 2024 Loan Agreement, the County is required to make Loan Payments to the Authority on each Loan Payment Date in an amount equal to the Debt Service payable on the Series 2024 Bonds on the immediately succeeding Interest Payment Date, Principal Installment Date or Sinking Fund Installment due date, as the case may be, subject to a credit for investment earnings and certain other amounts received by the Trustee as provided therein. Loan Payment Dates occur five (5) Business Days prior to each Interest Payment Date, Principal Installment Date or Sinking Fund Installment due date, as applicable. In addition, the County is required to make Additional Loan Payments to cover certain administrative expenses of the Trustee and the Authority and other professional fees and the Rebate Amount, if any.

The obligation of the County to pay Loan Payments provided for in the 2024 Loan Agreement and to perform its obligations under the 2024 Loan Agreement is absolute and unconditional and secured by the full faith and credit pledge of the County. The obligation of the County to pay Loan Payments is enforceable regardless of whether Loan Payments have been budgeted for by the County. The Board has, by adoption of the County Resolution, on October 17, 2024, authorized the execution and performance on behalf of the County of the 2024 Loan Agreement and the pledge of the County's full faith and credit to the payment of the County's Loan Payment obligations under the 2024 Loan Agreement.

See "Appendix "C" – Copy of the 2024 Bond Resolution and Form of 2024 Loan Agreement" for a more complete description of the provisions of the 2024 Loan Agreement and Appendix "A" for certain information concerning the County.

An Event of Default under the 2024 Loan Agreement shall not give rise to an Event of Default under the 2024 Bond Resolution.

County Guaranty

In connection with the issuance of the Series 2024 Bonds, the Board duly and finally adopted a Guaranty Resolution on October 17, 2024 (the "Guaranty Resolution"), in the manner provided for adoption of a bond ordinance as provided in the Local Bond Law, pursuant to which the County has unconditionally and irrevocably guaranteed the payment, when due, of the principal of and interest on the Series 2024 Bonds. The County, upon endorsement of the Series 2024 Bonds by the Director of the Board, will be unconditionally and irrevocably obligated to levy *ad valorem* taxes upon all taxable property within the jurisdiction of the County without limitation as to rate or amount when required under the provisions of applicable law and the County Guaranty for the payment, when due, of the principal of and interest on the Series 2024 Bonds.

Refunding Bonds

Pursuant to the 2024 Bond Resolution, the Authority may issue one or more Series of Refunding Bonds, to refund all or any portion (as determined by the Authority) of any Outstanding Bonds (including all or any portion of the Series 2024 Bonds). Any issuance of a Series of Refunding Bonds is subject to the approval of the Authority, and the approval and consent of the County, and the satisfaction of certain conditions precedent to the issuance of Refunding Bonds specified in the 2024 Bond Resolution. See “Appendix “C” - Copy of the 2024 Bond Resolution (Section 205, Refunding Bonds) and Form of 2024 Loan Agreement” hereto. Each Series of Refunding Bonds is entitled to the benefit and security of the 2024 Bond Resolution on a parity with the Series 2024 Bonds and all other Series of Refunding Bonds issued within the limitations and provisions of the 2024 Bond Resolution.

Other Financings

At this time, the Authority does not anticipate issuing any County guaranteed debt in the next six (6) months other than possible refunding issues undertaken to reduce debt service.

At this time, the County does not anticipate issuing any additional debt in the next six (6) months other than possible refunding issues undertaken to reduce debt service and the issuance of County College Bonds pursuant to the County College Bond Act, 1971 N.J. Laws c. 12, as amended.

The Authority is a public body corporate and politic of the State and was created by a resolution of the Board pursuant to the Act.

The Authority has broad powers under the Act including, among others, the following: to sue and be sued; to enter into leases and contracts; to acquire property by any lawful means, including the exercise of the power of eminent domain; to hold, operate and administer its property; to issue its negotiable bonds and to secure their payment and the rights of holders thereof under a bond resolution; to enter into contracts; to charge and collect charges for use of its facilities and to revise such charges which the Act requires to be charged such that the revenues of the Authority will at all times be adequate to pay all administrative expenses, to pay punctually the principal of and interest on any bonds, to maintain reserves and sinking funds therefor, as may be required by the terms of any contracts with Bondholders, and to make and enforce rules and regulations for the management of its business and affairs.

LITIGATION

Authority

In the opinion of Maressa Patterson LLC, General Counsel to the Authority, there is no litigation pending or, to the best of its knowledge, threatened which would restrain or enjoin the issuance or sale of the Series 2024 Bonds or in any way contesting the validity or affecting the authority for the issuance of the Series 2024 Bonds, the adoption of the 2024 Bond Resolution, or the authorization, execution and delivery by the Authority of the 2024 Loan Agreement or any other of the financing documents to which the Authority is a party, or the existence or powers of the Authority.

County

In the opinion of the Office of the County Counsel, there is no litigation pending or, to the best knowledge of the Office of the County Counsel, threatened to restrain or enjoin the County from entering into or delivering the County Guaranty or the 2024 Loan Agreement or in any way contesting or affecting the 2024 Capital Program. Also, except as described (i) below under the heading "LITIGATION - Solid Waste Matters" and as further described in Appendix "A" (see Pages A-38 through A-43) and (ii) under the heading "COUNTY LITIGATION" in Appendix "A" (see Page A-32), there is no litigation pending or, to the best knowledge of the Office of the County Counsel, threatened that would have a material and adverse impact on the financial condition of the County, if adversely decided.

Solid Waste Matters

The County is a party to certain litigation involving the County's solid waste management system. Appendix "A" (specifically Pages A-38 through A-43) to this Official Statement describes (i) the County's solid waste management system as implemented through the Pollution Control Financing Authority ("PCFA"), (ii) the financing of solid waste disposal facilities within the County, (iii) the impact of a decision by the United States Court of Appeals for the Third Circuit, (iv) the proposed dissolution of the PCFA, (v) certain pending litigation, and (vi) the extent to which any of (i) through (v) could have a material adverse effect on the financial condition of the County. The information in Appendix "A" relating to such matters should be read in its entirety in order to obtain information essential to the making of an informed investment decision.

TAX MATTERS

ALL POTENTIAL PURCHASERS OF THE SERIES 2024 BONDS SHOULD CONSULT WITH THEIR TAX ADVISORS IN ORDER TO UNDERSTAND THE TAX IMPLICATIONS OF THEIR INVESTMENT.

Federal

In the opinion of Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel to the Authority ("Bond Counsel"), assuming continuing compliance by the Authority and the County with their respective tax covenants in the 2024 Bond Resolution, the 2024 Loan Agreement, and the Joint Tax Certificate, as applicable (and as generally described below), under existing law, interest on the Series 2024 Bonds is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and will not constitute a tax preference item for purposes of the alternative minimum tax imposed on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Series 2024 Bonds received or accrued by a foreign corporation subject to the branch profits tax may be included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Series 2024 Bonds, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year, if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering its opinion, Bond Counsel has assumed continuing compliance by (i) the Authority with the covenants contained in the 2024 Bond Resolution, in the 2024 Loan Agreement and in the Joint Tax Certificate; and (ii) the County with the covenants contained in the 2024 Loan Agreement and in the Joint Tax Certificate, that each will comply with the applicable requirements of the Code, including requirements relating to, inter alia, the use and investment of proceeds of the Series 2024 Bonds and rebate to

the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Authority or the County to comply with its respective covenants could result in the interest on the Series 2024 Bonds being subject to federal income tax retroactive to the date of issue. Bond Counsel has not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date of issuance of the Series 2024 Bonds that may affect the tax-exempt status of the interest thereon.

Ownership of the Series 2024 Bonds may result in collateral federal income tax consequences to certain taxpayers including, without limitation, certain holders of an interest in a financial asset securitization investment trust, controlled foreign corporations, property and casualty insurance companies, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit, and to individuals and families that qualify for a premium assistance credit amount under Section 36B of the Code. The Code denies the earned income credit to an individual who is otherwise eligible if the aggregate amount of disqualified income of the taxpayer for the taxable year exceeds certain limits set forth in Sections 32(i) and (j) of the Code. Interest on the Series 2024 Bonds will constitute disqualified income for this purpose. The Code also provides that the earned income credit is phased out if the modified adjusted gross income of the taxpayer exceeds certain amounts. Interest on the Series 2024 Bonds is included in determining the modified adjusted gross income of the taxpayer. Section 36B of the Code provides that the amount of the premium assistance credit amount is in part determined by the household income. Section 36B(d) of the Code provides that household income consists of the "modified adjusted gross income" of the taxpayer and certain other individuals. "Modified adjusted gross income" means adjusted gross income increased by certain amounts, including interest received or accrued by the taxpayer which is exempt from tax, such as the interest on the Series 2024 Bonds.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Series 2024 Bonds are **not** "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Owners of the Series 2024 Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

New Jersey

Bond Counsel is also of the opinion that interest on the Series 2024 Bonds and any gain from the sale thereof are not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as presently enacted and construed.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals in the United States Congress and in New Jersey that, if enacted, could alter or amend the Federal and State tax matters referred to above or adversely affect the market value or marketability of the Series 2024 Bonds. It cannot be predicted whether or in what form any such proposals might be enacted or whether, if enacted, it would apply to obligations issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value or marketability of the Series 2024 Bonds.

PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD CONSULT WITH THEIR OWN TAX ADVISORS REGARDING ANY FEDERAL AND STATE INCOME TAX LEGISLATION, WHETHER CURRENTLY PENDING OR PROPOSED, REGULATORY INITIATIVES OR LITIGATION. THE OPINIONS EXPRESSED BY BOND COUNSEL ARE BASED UPON EXISTING LEGISLATION AND REGULATIONS AS INTERPRETED BY RELEVANT JUDICIAL AND REGULATORY AUTHORITIES AS OF THE DATE OF ISSUANCE AND DELIVERY OF THE SERIES 2024 BONDS AND BOND COUNSEL HAS EXPRESSED NO OPINION AS OF ANY DATE SUBSEQUENT THERETO OR WITH RESPECT TO ANY PENDING LEGISLATION, REGULATORY INITIATIVES OR LITIGATION.

PLEDGE OF THE STATE NOT TO LIMIT POWERS OF AUTHORITY OR RIGHTS OF BONDHOLDERS

The Act sets forth the pledge and agreement that the State will not limit or alter the rights vested by the Act in the authorities organized thereunder to fix, establish, charge and collect service charges and to fulfill the terms of any agreements made with holders of obligations of authorities or in any way impair the rights and remedies of such holders, until such obligations, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged.

NEGOTIABILITY OF THE SERIES 2024 BONDS

Section 24 of the Act, *N.J.S.A. 40:37A-67*, provides that any bond or obligation issued pursuant to the Act shall be fully negotiable within the meaning and for all purposes of the negotiable instruments law of the State and each holder or owner of such bond or other obligation, or of any coupon appurtenant thereto, by accepting such bond or coupon shall be conclusively deemed to have agreed that such bond, obligation or coupon is and shall be fully negotiable within the meaning and for all purposes of said negotiable instruments law.

THE SERIES 2024 BONDS NOT A DEBT OF THE STATE

The Series 2024 Bonds shall not in any way be a debt or liability of the State or any political subdivision thereof or create or constitute any indebtedness, liability or obligation of the State or any political subdivision thereof other than the obligation of (a) the Authority, which has no taxing power, the obligation of which is limited to the Pledged Property, and (b) the County to the extent of its Loan Payments and the County Guaranty, pursuant to both of which the County has pledged its full faith and credit and will be obligated to levy *ad valorem* taxes on all taxable property within the jurisdiction of the County in an amount sufficient to provide for payment as is needed to pay, when due, the principal of and interest on the Series 2024 Bonds.

CONTINUING DISCLOSURE

In accordance with the provisions of Rule 15c2-12, as amended (the “Rule”), promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended, the County will, prior to the issuance of the Series 2024 Bonds, enter into a Continuing Disclosure Agreement with the Trustee, as dissemination agent, substantially in the form set forth in Appendix “E” hereto (the “Continuing Disclosure Agreement”).

As described in this paragraph, the County has failed to provide certain secondary market disclosure pursuant to the Rule in connection with its prior continuing disclosure undertakings. Specifically, the County failed to timely file a notice of an underlying rating upgrade which occurred on April 15, 2021 and the issuance of a Construction Financing Program Loan with the New Jersey Infrastructure Bank in the amount of \$1,787,266.93 dated as of June 7, 2022. Notices have now been filed.

As of the date hereof, the County has taken various steps to ensure future material compliance with the Rule.

MUNICIPAL BANKRUPTCY

The undertakings of the Authority and the County should be considered with reference to Chapter 9 of the United States Bankruptcy Code (the “Bankruptcy Code”), 11 *U.S.C.* §§901 to 946. Under Chapter 9 of the Bankruptcy Code, a municipality, which is a political subdivision or public agency or instrumentality of the State, that is insolvent or unable to meet its debts may file a petition in a United States Bankruptcy Court (the “Bankruptcy Court”) to adjust the debt of the municipality. Chapter 9 of the Bankruptcy Code does not permit the municipality to liquidate its assets and distribute the proceeds of its assets to its creditors. Chapter 9 of the Bankruptcy Code permits a financially distressed municipality to seek protection from its creditors by staying the commencement or continuation of certain actions against the municipality while it formulates and negotiates a plan of adjustment of its debts which can be binding on a dissenting minority of creditors if it is acceptable to the majority of creditors. Should the Authority or the County file a petition in the Bankruptcy Court under Chapter 9 of the Bankruptcy Code prior to the payment in full of the principal of and interest on the Series 2024 Bonds, the holders of the Series 2024 Bonds would be considered creditors and would be bound by the municipality’s plan of adjustment of its debt.

Reference should also be made to *N.J.S.A. 52:27-40 et seq.* which provides that any “political subdivision” of the State as defined therein, which includes the Authority and the County, has the power to file a petition with the Bankruptcy Court under Chapter 9 of the Bankruptcy Code provided the “political subdivision” has obtained approval of the Local Finance Board. Section 903 of the Bankruptcy Code, 11 *U.S.C.* §903, specially provides that Chapter 9 of the Bankruptcy Code does not limit or impair the power of a state to control, by legislation or otherwise, a municipality of or in such state in the exercise of the political or governmental powers of such municipality; provided, however, that a state law prescribing a method of composition of indebtedness of the municipality may not bind any creditor that does not consent to such composition and that a judgment entered under such state law may not bind a creditor that does not consent to such composition.

THE ABOVE REFERENCES TO THE BANKRUPTCY CODE ARE NOT TO BE CONSTRUED AS AN INDICATION THAT THE AUTHORITY OR THE COUNTY EXPECTS TO RESORT TO THE PROVISIONS OF SUCH BANKRUPTCY CODE OR THAT, IF IT DID, SUCH ACTION WOULD BE APPROVED BY THE LOCAL FINANCE BOARD, OR THAT ANY PROPOSED PLAN WOULD INCLUDE A DILUTION OF THE SOURCES OF PAYMENT OF AND SECURITY FOR THE SERIES 2024 BONDS.

IMPACT OF COVID-19 PANDEMIC AND OTHER DISEASES

The COVID-19 pandemic has affected travel, commerce and financial markets globally, in the United States and in the State. Efforts to contain the spread of COVID-19 have reduced the spread of the virus and the restrictions put in place following the initial outbreak have been relaxed. The full impact that COVID-19 may have on the finances and operations of the County may not be known for some time. Any resurgence of COVID-19 or subsequent outbreak of COVID-19 or another infectious disease such as the Zika virus, the Ebola virus or another similar disease, could have a material adverse effect on the County and its financial and operational performance.

While the effects of COVID-19 have abated significantly in the State, the Authority and the County cannot predict, and do not predict, whether or if the Coronavirus or any similar viral disease (including any variants or sub-variants thereof) may reemerge in the future and, if such reemergence occurs, what the effects thereof may have upon global, State-wide and local economies and operations, including that of the County.

CLIMATE

The State is naturally susceptible to the effects of extreme weather events and natural disasters including floods and hurricanes, which could result in negative economic impacts on its counties and municipalities. Such effects can be exacerbated by a longer term shift in the climate over several decades (commonly referred to as climate change), including increasing global temperatures and rising sea levels. The occurrence of such extreme weather events could damage local infrastructure that provides essential services to the County as well as resulting in economic impacts such as loss of *ad valorem* tax revenue, interruption of municipal services, and escalated recovery costs. No assurance can be given as to whether future extreme weather events will occur that could materially adversely affect the financial condition of the County.

CYBERSECURITY

The Authority and the County each rely on a complex technological environment to conduct their respective operations. As a result, the Authority and the County face certain cyber security threats at various times including, but not limited to, hacking, phishing, viruses, malware and other attacks on their computing and digital networks and systems. To mitigate the risks of business operations impact and/or damage from cybersecurity incidents or cyber-attacks, the Authority and the County have each invested in multiple forms of cybersecurity and operational safeguards.

APPROVAL OF LEGAL PROCEEDINGS

Legal matters incident to the authorization and the issuance by the Authority of the Series 2024 Bonds are subject to the approval of certain legal matters by Parker McCay P.A., Mount Laurel, New Jersey, Bond Counsel to the Authority. APPENDIX A
Certain Information Concerning the County

INTRODUCTION

General Information

The County of Camden, New Jersey (“County”), formerly part of Gloucester County, New Jersey, was established in 1844. The County, approximately 222 square miles in area, is in the southwestern part of the State of New Jersey (“State”) along the east bank of the Delaware River opposite Philadelphia, Pennsylvania (“Philadelphia”). The Counties of Burlington, Atlantic and Gloucester border the County on, respectively, the northeast, southeast and southwest, with the Delaware River forming the western border of the County.

County Government

The County operates under the commissioner form of government. The Board of County Commissioners of the County (“Board”) consists of seven commissioner members elected at-large for three year terms on a staggered basis. Each year, the Board elects one of the commissioners to serve as Director. The Director appoints commissioners to be in charge of various committees. The Board, operating through the committee system, is charged with both executive and legislative responsibilities for: (i) formulating policies; (ii) developing new programs; (iii) appointing members of the various County commissions, authorities and boards; (iv) approving the County’s operating and capital budgets; and (v) appropriating the funds required to maintain County services.

The County Administrator, appointed by the Board, oversees the daily governmental operations of the County. Each major department is headed by an administrator who acts as liaison to the commissioner overseeing such department’s operations. Financial matters are under the supervision of the County’s Chief Financial Officer who is appointed by the Board.

Organization and Management of County Government

In 1983, the Board adopted an internal administrative reorganization the objectives of which were to: consolidate government organization; increase accountability of department and agency heads; streamline reporting requirements; and improve productivity. The Board also established an Office of Management and Budget (“OMB”) modeled after the federal OMB. Detailed monitoring reports on a monthly basis are provided by the OMB to evaluate the various departments and agencies in terms of performance and unit costs.

The County’s operating and capital budget process is initiated by departmental submissions of project requests to the OMB. The various projects are reviewed, documented with cost estimates, and prioritized against a set of weighted criteria. The projects’ listing is structured according to the availability of funds as set by the debt and capital policy of the County.

PRINCIPAL ADMINISTRATIVE OFFICERS

County Administrator

Mr. Ross G. Angilella is currently the County Administrator. He was first appointed to the position of County Administrator on September 4, 2004. Prior to his appointment as County Administrator, Mr. Angilella served as the County Purchasing Agent and an Assistant County Counsel since September 1983.

Chief Financial Officer

Mr. Steven Williams is currently the Chief Financial Officer. Mr. Williams was first appointed to the position of Chief Financial Officer on July 1, 2022. Prior to that, he had been Comptroller since January 1, 2013, and before, he served as Accounting Manager since his start with the County on June 28, 2010.

COUNTY HISTORY

In 1632, the first European settlers arrived in the area now known as Camden County. In 1688, the first ferry linking the area with Philadelphia was established. In 1773, the City of Camden (“Camden City”) was established at the site of Cooper’s Ferry. With the building of the Camden and Amboy Railroad, the area began to grow rapidly. In 1869, Joseph Campbell and Abram Anderson formed a jelly and fruit producing enterprise, now known as the Campbell Soup Company. A machine shop owned by Eldridge Johnson became the Victor Talking Machine Company, later known as RCA Victor. Prior to World War I, Esterbrook Pen Co. and New York Shipbuilding Co. became well established. The completion of the Benjamin Franklin Bridge to center city Philadelphia in 1926 made it possible for people to live in the County and work in the Philadelphia area. The post-World War II boom and suburban communities’ growth was accelerated by: (i) the opening of the Walt Whitman Bridge in 1957, which provides a direct connection to the Philadelphia International Airport; and (ii) the construction of The Port Authority Transit Corporation (“PATCO”) high speed commuter line linking Lindenwold, in the southern part of the County, to center city Philadelphia. During the 1970s and 1980s, the County’s economy diversified from principally an industrial base to high technology, corporate, financial and service businesses. Residential development pushed southeastward, principally into the Townships of Voorhees, Waterford and Winslow. Today, because of the prior commercial and residential expansion, a substantial portion of the County’s physical infrastructure is in place.

COMMERCIAL LOCATION

The County is 140 miles equidistant between New York and Washington, D.C. and at the midpoint of the Boston-Richmond Northeast Corridor. Within one-day’s drive of twelve states, businesses in the County have a potential market of about 60 million people, or about one-fourth of the United States market. As part of the Philadelphia Metropolitan Area, the County is an essential component of the nation’s fourth largest market area. The Delaware River flows into the Delaware Bay which connects with the Atlantic Ocean and forms a deep water entrance to the docking and freight facilities situated along the County’s riverfront, a part of the nation’s second largest deep water port.

HEALTH CARE SERVICES

Within the County are four non-profit hospitals and eight County-operated health clinics. The non-profit hospitals are: (i) the 663-bed Cooper Hospital/University Medical Center (“Cooper”) located in Camden City; (ii) the Jefferson Health System, consisting of three divisions (two of which are located within the County - the 204-bed Cherry Hill division and the 188-bed Stratford division); (iii) the Virtua Our Lady of Lourdes Hospital, a 358-bed acute care facility located in Camden City; and (iv) the Virtua Health System, consisting of three divisions - the 128-bed Berlin division, the Camden City division providing emergency room services, and the 402-bed Voorhees division.

Cooper is the leading academic health system in South Jersey and provides access to primary, specialty, tertiary, and urgent care. Cooper includes South Jersey’s only Level I trauma center, which is the busiest trauma center in the Philadelphia region. Cooper is also home to the only Level II pediatric trauma center in the Delaware Valley. Hospitals throughout the region send the most complex and critically ill and injured to Cooper for treatment by Cooper’s highly skilled experts.

Cooper is planning a long-term \$2,000,000,000 expansion of its Camden City campus (referred to herein as the “Cooper Project”). The Cooper Project will utilize \$25,000,000 in funding from the County to strengthen regional health emergency preparedness. Specifically, the Cooper Project will consist of the construction and fitting out of approximately thirty (30) new state-of-the-art private patient rooms on Cooper’s Camden campus that will contain infection control and other emergency preparedness capabilities, designed to mitigate the spread of infectious pathogens and will create additional capacity for the region to serve patients in an emergency event, including a large-scale emergency event. This additional high-quality capacity will allow Cooper’s experts to effectively serve and treat the region’s patients during an emergency event.

The Camden County Health Division’s eight clinics offer services ranging from family planning and prenatal clinics to cancer detection and hypertension clinics.

EDUCATIONAL FACILITIES

Public School Systems

Within the County are 36 school districts which operate 104 elementary and middle schools and 22 high schools. In addition, the County operates two vocational-technical schools (located in Pennsauken and Gloucester Townships) which provide daytime classes with an enrollment of approximately 2,100 daytime students, and evening education to approximately 1,800 students, including adults. The two vocational-technical schools employ 262 professional and 131 non-professional personnel.

Private and Parochial Schools

Excluding private nursery schools and day care centers, there are 51 private and parochial schools for grades one through twelve within the County.

Charter School/Renaissance Schools

There are ten charter schools within the County. The annual enrollment for the charter schools is approximately 4,000 students in kindergarten through grade twelve. In addition, there are three “Renaissance Schools” in Camden City. Established pursuant to the New Jersey Urban Hope Act, these Renaissance Schools are a newer kind of public school in New Jersey that combines the autonomy of charter schools with a direct and cooperative relationship with the school district.

Higher Education

Camden County College (the “College”) is a comprehensive public community college with campuses in Blackwood and Camden City, as well as the William G. Rohrer Center in Cherry Hill and the Regional Emergency Training Center in Gloucester Township, which serves Camden County and the surrounding area and is a vital resource for transfer education, workforce training and cultural events. The College offers associate degrees, certificate and training programs in technical fields such as automotive technology and mechanical engineering; health professions such as nursing and medical coding, and liberal arts and sciences such as English and chemistry. Additionally, the College operates the Adult Technical Institute at the Sicklerville Campus of the Camden County Technical School, and offers credit classes throughout the County in high schools, work sites, and neighborhoods. The College also has affiliations with four-year institutions such as Rutgers University, Drexel University and Thomas Jefferson University, College of Allied Health Sciences.

Rutgers - The State University of New Jersey, Camden Campus (“Rutgers”), has two four-year undergraduate liberal arts colleges, one serving students who attend classes during the day and one for those

attending evening classes. In addition to liberal arts degrees offered by the Rutgers College of Arts and Sciences, there is (i) a Graduate School offering master's degree programs in biology, business administration, English and public policy, and (ii) the School of Law, evening and day curriculum, leading to a Juris Doctor degree. In September 2012, Rutgers completed construction of a student housing project consisting of a 350-bed graduate student housing facility. (See the caption, below, entitled "DEMOGRAPHIC AND ECONOMIC INFORMATION – Camden City").

Cooper is a major teaching hospital and is affiliated with the Cooper Medical School of Rowan University ("CMSRU") located in Camden City and Rowan University's Rowan Virtua School of Osteopathic Medicine is located in the Borough of Stratford ("SOM"). CMSRU is a four-year allopathic medical school adjacent to the Cooper Hospital complex. CMSRU opened on July 24, 2012, and its first incoming class was enrolled in the Fall of 2012. (See the caption, below, entitled "DEMOGRAPHIC AND ECONOMIC INFORMATION – High Technology"). The construction of CMSRU was financed by tax-exempt and taxable revenue bonds issued by The Camden County Improvement Authority ("CCIA") on behalf of Rowan University.

The SOM of Rowan University is a four-year public college of osteopathic medicine located in the Borough of Stratford, New Jersey and includes Rowan University's Graduate School of Biomedical Sciences. The college is affiliated with Cooper University Hospital. It is the only college of osteopathic medicine in the State, and, until the opening of CMSRU in 2012, was the only four-year medical school in Southern New Jersey. Established in 1976 as part of the University of Medicine and Dentistry of New Jersey ("UMDNJ"), SOM became part of Rowan University on July 1, 2013. The acquisition by Rowan University of SOM from UMDNJ was financed by tax-exempt and taxable revenue bonds issued by the CCIA on behalf of Rowan University.

Kennedy Health/University Medical Center is composed of three hospitals affiliated with the SOM of Rowan University.

RECREATIONAL FACILITIES

The County's park system consists of 14 major parks in twelve communities consisting of 1,760 acres of land and 2,000 acres of water, nine miles of horse trails and 15 miles of bike trails. Facilities in the park system include a restaurant, football and softball fields, tennis courts, a boathouse, and a golf driving range.

TRANSPORTATION FACILITIES

Passenger

A \$17 million Transportation Center in Camden City serves as an interchange for automobiles, commuter buses and commuter rail lines. The major bus service is provided by New Jersey Transit, which provides intra-county, inter-county and interstate service, and by Greyhound, a major interstate carrier. In 2004, New Jersey Transit commenced light rail service connecting Camden City with the City of Trenton to the north and linked to the PATCO system through the Transportation Center in Camden City.

The PATCO high speed rail line, an above and below ground level 14.5 mile system from Lindenwold to center city Philadelphia is a heavily used commuter line, hosting over 200,000 commuters every week. PATCO has nine stations (with parking lots) in the County. New Jersey Transit - Rail Operations provides local rail service between Atlantic City and Philadelphia.

Freight

Freight service by a national intrastate and interstate rail carrier, and several independently owned rail carriers, and approximately 80 trucking concerns situated in the County, is readily available for business interests. Waterborne freight arriving from or departing to overseas destinations or other ports in the United States is handled at three major cargo handling terminals. Two of the terminals, Beckett Street and Broadway, both in Camden City, are operated by the South Jersey Port Corporation, and the third, in Gloucester City, is operated by Holt Cargo Systems. Crowley Maritime operates a major private barge service terminal in Pennsauken, providing service to Puerto Rico and the Caribbean. The terminals are equipped for multi-purpose handling of piggyback, bulk, high and wide cargo, and containers or trailers on flatcar.

Highway and Bridge Systems

The County maintains over 400 miles of roads, which provide connections to east/west State Route 30 (White Horse Pike), State Route 168 (Black Horse Pike), State Route 70, the Atlantic City Expressway, and Interstate Routes 676 and 76 (the principal truck route over the Walt Whitman Bridge to the west); and to north/south State Route 130, which generally follows the Delaware River, Interstate Routes 295 and 95, the New Jersey Turnpike, and State Route 38 running in a northeasterly direction.

Within or adjacent to the County, five bridges provide the means to cross the Delaware River to Philadelphia and its environs, to industrial centers south of Philadelphia, and to the interstate highway network. The principal commuter bridge to center city Philadelphia is the Benjamin Franklin Bridge. The Betsy Ross and Tacony-Palmyra Bridges provide access to Pennsylvania north of Philadelphia, and the Walt Whitman Bridge, in the County's southwest portion, is the access route to the Philadelphia International Airport and the connection to routes heading west and southwest.

UTILITIES

Electricity and gas are provided by Atlantic City Electric (eastern half of the County), Public Service Electric and Gas Company, and South Jersey Gas Company. The Camden County Municipal Utilities Authority operates and maintains County-wide wastewater collection and treatment facilities (see the caption, below, entitled "AUTHORITIES OF THE COUNTY – Camden County Municipal Utilities Authority"). The Pollution Control Financing Authority of Camden County owns the land on which a 1,050 tons per day resource recovery facility operates (see the caption, below, entitled "AUTHORITIES OF THE COUNTY – Pollution Control Financing Authority of Camden County"). The major supplier of potable water is the New Jersey American Water Company which serves all or part of 23 municipalities in the County. The remaining 14 municipalities obtain water from wells. The New Jersey American Water Company, along with individual municipally operated water departments, draws water supplied by huge aquifers which are replenished by an annual average precipitation of 55 inches. To ensure adequate water supply in the future, the New Jersey American Water Company has constructed a new surface water supply, a new treatment facility and a new distribution system.

LAW ENFORCEMENT

Sheriff, Parks Police, Prosecutor's Office and Court System

The County operates a Sheriff's Department and, prior to March 21, 2013 a Parks Police Department. On March 21, 2013, the Parks Police Department was abolished and all active officers were transferred to the Camden County Police Department (as hereinafter defined). The County also funds the Camden County Prosecutor's Office which includes an Investigators Unit. The County Court System, along with all New Jersey County Courts, is under the jurisdiction of the State.

Camden County Regional Police Department

The County, after careful study and consideration, determined that a regional approach to policing services would offer certain municipalities within the County and, in particular, Camden City, a more effective and more efficient means of addressing public safety in the reality of the present environment in which crime increasingly cuts across municipal jurisdictional lines and in which municipal budgets are increasingly straining to maintain services.

In furtherance of such determination, the County has created a regional police department for the purpose of providing police services to the various municipalities contained therein, including Camden City (“Camden County Police Department”). On August 18, 2011, the County and Camden City entered into a Memorandum of Understanding (“MOU”) in furtherance of the desire of the County and Camden City to create the Camden County Police Department and for such Camden County Police Department to provide policing services to Camden City. To memorialize the terms and provisions of the MOU, Camden City and the County entered into a Shared Services Agreement pursuant to which the County, by and through the Camden County Police Department, has agreed to provide police services to Camden City through a subdivision of the Camden County Police Department known as the Metro Division (“Metro Division”) in exchange for certain consideration to be paid by Camden City for such services.

As part of the process of creating the Camden County Police Department, and in particular the Metro Division, the County, Camden City and the Department of Community Affairs, Division of Local Government Services of the State of New Jersey (“DLGS”) have entered into an agreement pursuant to which all costs associated with the operation of the Metro Division are fully funded by Camden City and the DLGS.

SHELTER FACILITIES

The County is planning a project to create a new non-congregate homeless shelter (referred to herein as the “Shelter Project”) in the County and expects the project to be completed prior to December 31, 2026. The Shelter Project will provide shelter and wrap around services for the homeless, including counseling, meals, job training and case management, in a non-congregate setting. The Shelter Project is intended to create 50-100 beds, mitigate the spread of communicable disease such as COVID-19 and provide an environment of privacy and dignity not afforded by traditional shelter solutions.

Retirement Systems and County Pension Plan

Generally, all full-time or qualified County employees who began employment after 1944 must enroll in one of two pension systems (Public Employees Retirement System (“PERS”) or Police and Firemen’s Retirement System (“PFRS”)) depending upon their employment status. These systems were established by acts of the State Legislature. Benefits, contributions, means of funding and the manner of administration are set by the State. The Division of Pensions within the State’s Department of Treasury is the administrator of these systems. The County is a member of PERS and PFRS. PERS and PFRS are evaluated every year by the State with employee contribution rates normally determined by the rate applicable at the age of enrollment.

Public Employee’s Retirement System (PERS)

PERS included 1040 eligible County employees as of December 31, 2023.

Police and Firemen’s Retirement System (PFRS)

806 eligible County police officers and fire fighters were enrolled in PFRS as of December 31, 2023.

Federal Social Security System

The County is not delinquent in its payments to the federal Social Security System (“OASI”).

County Pension Plan

The County’s pension plan is known as “The Detectives’, Sheriff Officers’ and Probation Officers’ Pension Plans” and is not actuarially funded by the County. Accordingly, actuarial valuations are not prepared. However, the County has a direct pension liability extending over the lives of the beneficiaries and their spouses. Employees hired after November 30, 1963 were not eligible to join the plan. The audited plan trust fund balance at December 31, 2023 was \$151,889.

County Insurance Programs

The County is partially self-insured for Medical and Prescription Drug coverages, Property Damage, Automobile/General Liability, Crime and Workers' Compensation, with excess insurance on all coverages. The County and its boards, agencies, authorities and commissions presently purchase insurance or self-insure against risks of damage to persons or property of third parties, workers' compensation claims and claims against public officials through the Camden County Insurance Commission (the "Commission"), established on January 21, 2010, by Board resolution pursuant to N.J.S.A. 40A:10-6. The Commission is governed by three County officials who serve as commissioners and are appointed by the Board. Excess insurance is managed by the New Jersey Counties Excess Joint Insurance Fund, established in March 2010. As of December 31, 2022, member counties in New Jersey include the County, the County of Gloucester, the County of Union, the County of Burlington, the County of Cumberland, the County of Atlantic, the County of Mercer, the County of Hudson, the County of Ocean and the County of Monmouth.

For fiscal year 2023, the County budgeted \$53,231,568 as its share of the cost to provide various types of insurance coverage. Of this, \$44,709,464 was attributable to health care and health-related coverage. The \$8,522,104 balance is the annual assessment to the Camden County Insurance Commission for providing insurance for general and automobile liability, workers' compensation and bonding of public officials.

COUNTY FINANCIAL OPERATIONS

Basis of Accounting

The accounting policies of a local governmental unit in the State must conform to the accounting principles applicable to local governmental units which have been prescribed by the Division of Local Government Services of the New Jersey Department of Community Affairs. The following is a summary of the significant policies:

Basis of Accounting -- A modified accrual basis of accounting is followed with minor exceptions. Revenues are recorded as received in cash, except for certain amounts that may be due from the State. Expenditures are recorded on an accrual basis. Appropriation reserves covering unexpended appropriation balances are automatically created on December 31 of each year and recorded as liabilities, except for amounts that may be cancelled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred or entered into during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

Interfunds -- Interfund receivables in the Current Fund (discussed below) are recorded with offsetting reserves. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Fixed Assets -- Property and equipment purchased through the Current Fund and the General Capital Fund (discussed below) are recorded as expenditures at the time of purchase and are not capitalized.

Current Fund

A local governmental unit finances its operations primarily through the Current Fund. All tax receipts and most revenues are paid into the Current Fund and substantially all expenditures made by appropriations are paid from the Current Fund. The County operates on a January 1 to December 31 fiscal year.

General Expenditures

Expenditures are comprised of those made for general County purposes, certain expenditures made from restricted federal, State and private grants, certain federal or State mandated expenditures, deferred charges, debt service and capital improvements. Budgeted expenditures for general County purposes include payments made primarily in support of the County's various departments.

REVENUE SOURCES

Revenue sources for the County's operations consist of miscellaneous revenues, federal and State assistance and/or grants, and the monies received from the County's taxes levied by the respective municipalities in the County. The County's principal revenue source is from taxes. Increased costs of certain services, such as insurance and public safety, have resulted in an increased tax levy in recent years.

Apportionment of County Purpose Taxes

Taxes for County purposes are based upon the equalized valuation, as calculated by the County's Board of Taxation, of all taxable property within the County. The County purpose taxes are apportioned among the County's constituent municipalities based upon the ratio that each municipality's equalized valuation bears to the total equalized valuation of all taxable property in the County. (It should be noted that taxes for municipal and school purposes are based on assessed valuations.)

Tax Collection Procedure

The municipalities within the County are the political entities responsible for the levying and collection of taxes on all taxable property within their borders, including the tax levy for the County. Four payments are due (August 1, November 1, February 1 and May 1).

Importantly, since the County's fiscal year runs from January 1 through December 31, the County's revenues for the first half of its fiscal year result from a levy established the previous July 1 (which is based on the prior year's budgetary needs). However, any adjustments necessary due to a change in budget from one year to the next are factored into the tax levy calculated in the middle of the County's fiscal year.

Property taxes are based on a municipality's assessor's valuation of real property on an assessed valuation basis, as confirmed by the County's Board of Taxation.

Each municipality is required to pay to the County its share of the County purpose tax on the 15th day of February, May, August and November. The County receives 100% of its share of the taxes collected from the first taxes collected by each municipality. If a municipality has not remitted in full to the County its share of omitted and added taxes by December 31 of the year of tax levy, a municipality has until February 15 of the year immediately following (45 days) to pay in full the amount due to the County.

DEMOGRAPHIC AND ECONOMIC INFORMATION

Population

Population in the County has shifted from urban areas to suburban areas with the population increase occurring primarily in the southern and eastern parts of the County. This shifting of population has resulted in an increase in retail shopping malls and other retail and office services. Two of the largest shopping malls in southern New Jersey are in the County (Voorhees Town Center in Voorhees and Cherry Hill Mall in Cherry Hill) and together with numerous other shopping centers and mini-malls share over \$5 billion in annual retail sales.

Retail Establishments and Manufacturing Concerns

The County's business retail base includes not only County residents, but also shoppers from neighboring counties and the greater Philadelphia area. There are over 3,300 retail business concerns in the County.

High Technology

The County has become a center for medical research and biological testing. Some of the technological leaders in the County (as well as in the nation) include:

- Cooper Medical School of Rowan University: The first new medical school constructed in over thirty years. This new school currently has approximately 400 medical school students along with approximately 150 staff members. In addition, this 200,000 square foot state-of-the-art research facility helps to bring a critical mass to the area.
- Coriell Institute: Coriell is researching genome informed medicine, innovating advances in pre-clinical discovery, and supporting significant research around the world. Coriell has a strong history in cell biology by playing an important role in stem cell research. Coriell's biobank manages the world's most diverse collection of cell lines, DNA, and other biomaterials gathered and distributed for use by the international biomedical research community.
- MD Anderson Cancer Center at Cooper: The new MD Anderson Cancer Center at Cooper brings together MD Anderson's expertise and Cooper's regional leadership in a partnership that opens up a broader range of options for cancer patients in South Jersey, Delaware and the greater Philadelphia region. Opened in 2013, MD Anderson Cancer Center at Cooper is a state-of-the-art, \$100 million, four-story, 103,050 square foot comprehensive cancer center on Cooper's Health Sciences Campus in Camden City which expands access to outstanding cancer care for residents of southern New Jersey and beyond.
- The Rowan University/Rutgers-Camden Joint Board of Governors: The Rowan University/Rutgers-Camden Joint Board of Governors (the "Board of Governors") was created by the New Jersey Medical and Health Sciences Education Restructuring Act which took effect on August 22, 2012. The Board of Governor's mission reflects an extension of Camden's significant "eds and meds" presence and is expected to leverage the educational and research assets to support growth in the region's health care capacity. This state-of-the-art research building is open and becoming the center for research in the City.
- Rutgers University: Nursing and Science Building: The Nursing and Science Building has opened to serve as a world-class research and teaching facility for students and faculty in the areas of health sciences, nursing, and physics at the undergraduate, graduate, and doctoral levels at Rutgers University-Camden. This \$62.5 million project serves more than 1,000 nursing students at the Rutgers School of Nursing-Camden and also supports students in Rutgers-Camden's physics program and its doctor of nursing practice (DNP) program. The facility includes cutting-edge nursing simulation labs, classrooms (including an immersive learning classroom), computer labs, conference rooms, lecture halls, student work and study stations, and administrative offices.

Private and Public Sector Developments Completed in Recent Years

Set forth below is a representative listing of some of the private and public sector developments that have been completed within the County in recent years. This representative list is not intended to be exhaustive and includes certain development projects that currently remain in the process of completion.

No assurance can be provided that such currently incomplete projects will be completed successfully as currently planned and as currently scheduled.

Camden City:

Tax Credit Projects:

Over the past few years, Camden has seen a resurgence in new development. Subaru of America, Inc. opened their North American Headquarters in Camden City, comprising a 250,000 square foot building, which has brought approximately 500 employees to the city.

The Philadelphia 76ers have built a new state-of-the-art practice center and a new administrative building. This complex houses 250 employees and will continue to add to the critical mass of the downtown area.

Holtec International constructed a new plant to expand the company's current line of nuclear products, heat-exchange equipment and other products for delivery to the company's customers worldwide. This project cost approximately \$260 million and brings 200 jobs. The company continues to bring in new jobs and is a major employer in the City.

Along the Camden waterfront, American Water Works Company, Inc. consolidated its operations created a headquarters within Camden City through the utilization of tax credit financing. This relocation brings about 600 jobs from various locations and has been an anchor for other development.

In addition, the TRIAD 1828 Building was recently completed. This \$245 million 18-story office building houses the offices for Conner Strong & Buckelew, NFI and The Michaels Organization, the three partner organizations for the project, and brings 869 jobs to the city.

Recently opened, a new 180-room Hilton Garden Inn will include 5,000 square feet of dining, bar and event space, on-site parking and panoramic views of the river, bridge and Philadelphia skyline.

Close to completion is ResinTech Inc. Headquarters. ResinTech Inc. manufactures a broad range of ion exchange resins for water and waste-water treatment, including deionization, softening, metals removal, product purification, resource recovery and pollution control. In addition to its ion exchange resins, ResinTech Inc. supplies activated carbon and inorganic selective exchangers. The firm will retain 92 full-time positions that are currently in-state and is expected to add an additional 173 new full-time jobs.

Multifamily Residential:

Construction is complete of the \$48 million 156 new rental homes to the Camden waterfront in an environmentally conscious, amenity-rich mid-rise building. The first newly constructed market-rate apartment building to be developed on Camden’s waterfront in 15 years, 11 Cooper will offer both market-rate and affordable apartment homes to new families and young professionals looking to join the city’s growing workforce

Education:

Rutgers University purchased the former Camden County Prosecutor’s Office across from Camden City Hall for \$4.5 million. This project allowed the University to create 20,000 sq. ft. of classroom space on campus and moved administrative offices to the former Prosecutor’s Office.

Cherry Hill Township:

Health Care Services:

Cherry Hill Township has seen a number of construction projects that have focused on health service providers. The first project is the transformation of the old 150,000 square foot “Syms” building to a state-of-the-art medical complex which houses a division of the University of Pennsylvania Health System. This project has allowed the Health System to consolidate services into one building.

Another project is the expansion of Jefferson Health’s (formerly Kennedy Health System) Cherry Hill campus. The recently completed \$80 million project transformed the old hospital to a world class healthcare facility. The development added over 100,000 square feet of new outpatient space along with a new 600 plus parking garage. This new “medical mall” is bringing new outpatient services that include everything from a same-day surgery center, a sleep/balance center, a hyperbaric wound center, outpatient imaging services, physical rehabilitation, physician offices and other services.

Mixed-Use:

Over the past year, the retail sector in Cherry Hill remains strong along with the construction of new restaurants and other entertainment venues. The section of Haddonfield Road in the Township continues to see extensive growth with tenants like Shake Shack, Trader Joe’s and

others all opening new spaces in the Township. In addition, several shopping centers that have seen vacancy have all been filled with nontraditional uses such as gyms, yoga studios and other uses.

Gloucester City:

Housing has been a big initiative for the City over the last year as the City has embarked in an effort to rehabilitate existing housing throughout the City. This effort looks to improve and modernize the housing stock throughout the City. In addition, over the last several years, Gloucester City has enhanced its valuable waterfront properties by making infrastructure improvements to Freedom Pier and attracting businesses to the City. Two new eating establishments have opened to increase quality dining options for residents and visitors. These restaurants have created over 100 permanent jobs for local residents. In addition to retail and dining, the waterfront offers Gloucester City unique opportunities with the local marine terminal.

Gloucester Township:

August 2015 saw the opening of a new 450,000 square foot premium outlet shopping center located along Route 42. This project has brought new jobs and retail space to this section of the County. In addition, the Township, along with private developers, opened a another significant shopping area on Berlin-Cross Keys Road, a major roadway in the County and right off the Atlantic City Expressway. The Township has been very successful in retaining and attracting commercial, industrial and public/private businesses like US Vision. They have expanded and attracted business on the County-owned Lakeland Complex including an Armed Forces and Public Safety Training facility plus senior housing units.

Lawnside:

The Borough of Lawnside has undertaken a master planned redevelopment project on 135 acres in the historic Borough. The project is located a short distance from the Woodcrest PATCO station and exits to 295 and the New Jersey Turnpike. The commercial portion is called the Lawnside Station Business Park, and adjacent to that is the Station Place apartments. Station Place luxury apartments include 144 studio, one- and two-bedroom layouts as well as amenities including a pool, fitness center and more. In this immediate area there are multiple brand-new warehouses that have been developed, including a new New Jersey American Water Company operations facility. Additionally, Cherry Hill township has developed the Enclave at Woodcrest roughly one-half mile away consisting of another 370 apartment units.

Pennsauken Township:

Aside from Camden City, Pennsauken Township has seen a significant number of NJEDA tax incentive projects. Older, abandoned warehouses are being converted to manufacturing and other spaces. It is estimated that over one million square feet of office and industrial space has been rehabilitated as a result of the availability of this tax incentive program. The companies taking advantage of the incentives range from high-tech manufacturing to warehousing and distribution. The companies have either relocated to the Township from other areas or have expanded within the Township. This growth has led to the stabilization of the industrial parks within the Township.

The businesses which have been awarded tax incentives by the NJEDA in the Township include:

The Township, in cooperation with the CCIA, has undertaken the redevelopment of an approximately 35-acre tract at the intersection of Routes 73, 130 and 90 (“Crossroads Site”) pursuant to which the Township and the CCIA have acquired and prepared the Crossroads Site for commercial and residential redevelopment (referred to herein as the “Crossroads Project”). On April 7, 2016, the CCIA sold a 31-acre residential portion of the Crossroads Site to Renaissance Partners, LLC (the “Redeveloper”). In late 2018, this project rebranded as Haddon Pointe, completed the first phase and second phases of construction of 240 market rate residential apartment units, a clubhouse, a pool, a dog park, walking trails and related amenities. The Crossroads Project will also offer 189 townhomes for which pad site preparation and construction is almost complete.

White Horse Pike Corridor:

New housing is under construction along the White Horse Pike section of Clementon Borough. The first 50 units of a 200-unit town-house complex are complete. This residential project is part of a multimillion dollar redevelopment project to bring mixed-use development to the Borough.

In Somerdale Borough, “CooperTowne Business District” is a renamed industrial complex that is now focusing on redevelopment. The Borough recently added Flying Fish Brew Company to the business district. Flying Fish Brew Company is located immediately adjacent to the retail complex, and its opening demonstrates the value of the redevelopment efforts and the positive outgrowth to other areas in the Borough and throughout the White Horse Pike corridor.

Construction is under way on three projects along the White Horse Pike in the Borough of Stratford. The projects include the construction of a new Royal Farms, a new roadway to connect the White Horse Pike to the Virtua Health College of Medicine & Life Sciences and converting the former Bradlees building into new warehouse and industrial space.

Voorhees Township:

The Route 73 corridor continues to see major development projects. The Virtua Health System Voorhees Campus continues to drive the growth of the corridor. New support services for the hospital have developed, including a 110 room hotel. In addition to hotels, assisted living facilities continue to grow in the area. A recently constructed senior care facility was completed along with a major physical therapy center. Samaritan Hospice is constructing an inpatient hospice facility adjacent to the Virtua campus which will add to the “Medical Mile” as another key anchor for the corridor. As the medical facilities grow so do retail facilities along the corridor. New stores and restaurants continue to open.

Winslow Township:

The Camden County Municipal Utilities Authority completed a \$50 million dollar construction project to provide 25 miles of sewer pipelines. This project has allowed the township to jumpstart new projects including a new 30,000 square foot CarMax used car super store to be located along Cross Keys road. In addition, new housing opportunities and retail projects have all gained momentum with the completion of the sewer project.

COUNTY DEBT INFORMATION

General Information

The State has enacted certain statutes regulating the authorization and issuance of debt by governmental units. The statutory gross debt must include all debt authorized plus all debt issued which remains outstanding. Debt, bonds or notes, which have been refunded, and payment for which is made from escrowed U.S. Treasury securities or other permitted investments, is considered defeased. However, any debt which is self-supporting or which is payable from other sources may be deducted from the statutory gross debt to arrive at the amount of statutory net debt. The statutory net debt figure is the amount used to determine whether a local governmental unit is within the limit of its statutory borrowing power.

Subject to certain exceptions, the County's debt incurring power is limited by State statute to 2.00% of the equalized valuation, determined annually by the State, of all taxable property within the County (see "-Statutory Borrowing Power" below). The County's general purpose bonds must be issued in serial form with the first principal payment to occur within one year of an issue's date and the final maturity not to exceed the weighted average useful life of the capital improvement(s) funded with the proceeds of such general purpose bonds. Subject to certain exceptions, general purpose bonds must be sold on a competitive bid basis and the amount bid for a bond issue may not exceed \$1,000 above or be less than the principal amount of a bond issue. Except in certain instances, refunding bonds may be sold, at public or private sale, with the approval of the New Jersey Local Finance Board (the "LFB"). Notes may be sold on a competitive, negotiated, or private sale basis for a period of one year, and may be renewed annually, but the final maturity may not exceed the first day of the fifth month immediately following the end of the tenth fiscal year following the original date of issuance.

Appropriation Not Required for Payments on Debt

It is not necessary to have an appropriation in order to release money for debt service on obligations. N.J.S.A. 40A:4-57 provides that "No officer, board, body or commission shall, during any fiscal year, expend money (except to pay notes, bonds or interest thereon), incur any liability, or enter into any contract which by its terms involves the expenditure of money for any purpose for which no appropriation is provided, or in excess of the amount appropriated for such purpose." N.J.S.A. 40A:2-4 provides that "The power and obligation of a local government unit to pay any and all bonds and notes issued by it pursuant to this Chapter, or any act of which this Chapter is a revision, shall be unlimited...."

Limitation on Tax Levy/Appropriations

Chapter 68 of the Pamphlet Laws of 1976 (N.J.S.A. 40A:4-45.1, et seq.), as amended and supplemented (the "CAP law"), imposes restrictions which limit the allowable increase in the County's tax levy/appropriations over the previous year's tax levy/appropriations to the lesser of 2.5% or the increase in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services as published by the United States Department of Commerce (the "Cost-of-Living Adjustment"). If the Cost-of-Living Adjustment is equal to or less than 2.5%, an increase up to 3.5% will be permitted upon adoption by the County of a resolution after public notice and a public hearing. This limitation does not apply to: (i) all debt service payments; (ii) the amount of revenue generated by the increase in valuations within the County based solely on applying the preceding year's County tax rate to the apportionment valuation of new construction or improvements within the County and such increase shall be levied in direct proportion to said valuation; (iii) capital expenditures funded by any source; (iv) an increase involving certain defined categories of emergency temporary appropriations as approved by the LFB in certain cases; (v) amounts required to be paid pursuant to any contract between the County and any political subdivision or public body in connection with the provision and/or financing of projects for certain public purposes such as water, sewer, solid waste, parking, senior citizens' housing (subject to the

review and approval of the LFB) or any similar purpose; or (vi) that portion of the County tax levy which represents funding to participate in any federal or State aid program and amounts received or to be received from federal, State or other funds in reimbursement for local expenditures.

Additionally, legislation constituting P.L. 2007, c.62, effective April 3, 2007, imposed a 4% cap on the tax levy of a municipality, county, fire district or solid waste collection district, with certain exceptions and subject to a number of adjustments. The exclusions from the limit include increases required to be raised for debt service and capital lease payments to county improvement authorities, increases to replace certain lost state aid, increases in certain pension contributions, increases in the reserve for uncollected taxes required for municipalities, and certain increases in health care costs over 4%. The LFB may approve waivers for certain extraordinary costs identified by statute and voters may approve increases over 4% not otherwise permitted by a vote of 60% of the voters voting on a public question.

Additionally, legislation constituting P.L. 2010, c.44, effective July 13, 2010, reduces the 4% cap on the tax of a municipality, county and school district to 2%, with certain exceptions, including increases required to be raised for debt service, for pension contributions and accrued liability for pension contributions in excess of 2%, for health care costs equal to that portion of the actual increase in total health care costs for the budget year that is in excess of 2% of the total health care costs in the prior year, subject to certain other limitations, and extraordinary costs incurred by a local unit directly related to a declared emergency. The voters may approve increases over 2% not otherwise permitted by a vote of a majority of the voters voting on a public question.

The CAP law does not limit the obligation of the County to levy *ad valorem* taxes upon all taxable real property within the jurisdiction of the County to pay debt service on its bonds or notes.

COUNTY LITIGATION

From time to time, the County is the subject of litigation initiated by plaintiffs seeking monetary judgments against the County. When the County is determined to be liable in such instances, the judgment against the County generally is paid from self-insurance funds and/or applicable liability insurance policies maintained by the County (see “County Insurance Programs” under the general heading “SUMMARY OF LABOR RELATIONS, BENEFITS AND INSURANCE” herein).

AUTHORITIES OF THE COUNTY

Under laws creating authorities, a local governmental unit may enter into a contract or agreement to borrow funds from an authority or, under a guaranty or deficiency type of agreement, guarantee debt service payments on debt issued by an authority. If a local governmental unit borrows funds from an authority, such borrowing is not included in a local governmental unit’s statutory gross debt. If a local governmental unit guarantees all or any part of an authority’s outstanding debt, the portion of debt service not payable from an authority’s revenues and which is guaranteed by a local governmental unit must be included in a local governmental unit’s statutory net debt amount.

The County has created three County-wide authorities: the Camden County Municipal Utilities Authority, The Camden County Improvement Authority and the Pollution Control Financing Authority of Camden County (collectively the “Authorities”). A description of each Authority and its respective outstanding debt is set forth below.

The following information applies to each of the Authorities and should be noted. None of the Authorities has the power to levy or collect taxes. The debt issued by any one of the Authorities is neither a debt nor a liability of the State, the County (except to the extent of any deficiency agreement or guaranty or other agreement), nor any other political subdivision of the State, except the respective Authority, and does not and shall not create or constitute any indebtedness of the State, the County (except to the extent of any deficiency agreement or guaranty or other agreement), or any other political subdivision of the State, except the respective Authority.

Camden County Municipal Utilities Authority

The Camden County Municipal Utilities Authority (“CCMUA”) is a public body corporate and politic of the State and was originally created as the Camden County Sewerage Authority (“Sewerage Authority”) by a resolution of the County adopted on December 5, 1967. The Sewerage Authority was reorganized in 1972 as a utilities authority and changed its name to the Camden County Municipal Utilities Authority pursuant to a resolution of the County adopted on April 13, 1972. The CCMUA operates under the supervision of nine commissioners who are appointed by the Board for five-year staggered terms. The County has entered into a deficiency agreement with the CCMUA (“Deficiency Agreement”) whereby the County is obligated to pay to the CCMUA any annual charges equal to any deficits in CCMUA revenues necessary to pay or provide for: (i) operation and maintenance expenses of the CCMUA’s regional sewer system, (ii) principal and interest payments on bonds and notes of the CCMUA in an aggregate principal amount not to exceed \$685,500,000, and (iii) the maintenance of reserves required under the bond resolution securing the CCMUA’s bonds and notes. The obligation of the County pursuant to the provisions of the Deficiency Agreement is a direct and general obligation of the County, and any annual charges are ultimately payable by the County from the levy of *ad valorem* taxes on all the taxable real property within the jurisdiction of the County in amounts sufficient to enable the County to meet its obligations under the Deficiency Agreement. ***To date, no payments have been required to be made by the County pursuant to the Deficiency Agreement.*** The County and the CCMUA may agree to amend the Deficiency Agreement at any time to increase the obligations of the County thereunder.

The CCMUA owns and operates a sewage collection and treatment system which serves all County residents connected to local sewer collection systems. The CCMUA's system does not include the local sewage collection system of any CCMUA participant, but it owns and operates interceptor sewer lines connecting the local systems to the CCMUA's sewage treatment facilities.

The CCMUA is required to charge and collect service charges for the use of its facilities such that revenues of the CCMUA will at all times be adequate to pay all operating and maintenance expenses, including reserves, insurance, extensions and replacements, and to pay punctually the principal of and interest on any bonds and notes of the CCMUA and to maintain reserves and sinking funds therefor as may be required by the terms of any agreements with the holders thereof.

The gross debt as of December 31, 2023 for the CCMUA was \$193,185,104. The County guarantees up to \$685,500,000 of debt issued by the CCMUA.

In addition to the CCIA bond transactions listed in the table above, on October 21, 2004, the County entered into an Intergovernmental Reimbursement Agreement (“Reimbursement Agreement”), by and between the County and the CCIA, pursuant to the terms of which the County agreed to satisfy in their entirety the obligations of the CCIA to repay the principal of and interest on a loan in the original aggregate principal

amount of \$1,000,000 advanced by the Delaware River Port Authority (“DRPA”) to the CCIA in 2006, in connection with a portion of the financing necessary to construct a boathouse facility (including, without limitation, a launching dock and a viewing gallery) located on the banks of the Cooper River along North Park Drive in the Township of Pennsauken. The repayment of the loan commences 39 months after the funds were released by the DRPA, payable in quarterly installments of \$15,197.04 over 23 years. Interest accrues at 2% beginning three years after the release of funds by the DRPA. Pursuant to the terms of the Reimbursement Agreement, the obligations of the County thereunder are subject to appropriation, by the Board, of the principal of and interest on the amounts due thereunder for such respective fiscal year, during the term of such Reimbursement Agreement.

Further, in August of 2003, the CCIA and the Casino Reinvestment Development Authority (“CRDA”) entered into an Intergovernmental Agreement (“Crossroads IGA”), pursuant to which the CRDA agreed to provide certain funds for the purpose of assisting the CCIA with the development and construction of the Crossroads Project. Such payments were to be made by allocating (by way of fund reservation) certain funds from the CRDA’s South Jersey Project Fund. The CRDA ultimately provided \$16,500,000 in grant funding to the CCIA, which was used by the CCIA to repay certain notes issued by the CCIA to finance the costs of acquisition of the Crossroads Site, environmental remediation, development and site preparation to allow for the undertaking of the Crossroads Project. As part of the conditions for the CRDA’s grant of funds, County was required to deliver to the CRDA a Payment and Performance Bond in the amount of \$16,500,000 (“County P&P Bond”), which could be called upon to complete the Crossroads Project if not otherwise completed by the CCIA or its designated developer (i.e., the Redeveloper). The County P&P Bond has subsequently been reduced to \$13,327,293 based upon certain repayments made to the CRDA by the CCIA pursuant to the Crossroads IGA. In addition, as a result of the substantial completion of the Crossroads Project, the CCIA, the County and the CRDA are actively seeking to terminate and release the County P&P Bond as permitted by the Crossroads IGA. However, as of the date hereof, the County P&P Bond remains outstanding.

Pollution Control Financing Authority of Camden County

Pursuant to the New Jersey Pollution Control Financing Law, constituting Chapter 376 of the Pamphlet Laws of 1973 of the State of New Jersey (N.J.S.A. 40:37C-1 et seq.), as amended and supplemented (“Pollution Control Law”), and the Solid Waste Management Act, constituting Chapter 39 of the Pamphlet Laws of 1970 of the State of New Jersey (N.J.S.A. 13:1E-1 et seq.), as amended and supplemented (“Solid Waste Management Act”), the State Legislature initiated a comprehensive statutory mechanism for the management of solid waste disposal in the State. Subsequently, as a result of certain rulings, the management of solid waste disposal within the State changed. See “The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit” below.

Acting pursuant to the Pollution Control Law, the Board established the Pollution Control Financing Authority of Camden County (“PCFA”) which implemented a County-wide solid waste disposal and resource recovery system, consisting of two primary components.

The first component is a 1,050 ton-per-day mass burn, waste-to-energy, facility, located in Camden City (“Resource Recovery Facility”). The Resource Recovery Facility was constructed and is owned and operated by Camden County Energy Recovery Associates, L.P. (“Partnership”), a New Jersey limited partnership. Prior to August 19, 2013, the general partner of the Partnership was a second-tier wholly-owned subsidiary of Foster Wheeler Ltd. On August 19, 2013, the prior general partner sold its partnership interest in the Partnership to a subsidiary of Covanta Energy Corporation.

Two solid waste franchises were granted by the New Jersey Department of Environmental Protection (“NJDEP”), which franchises, when granted, collectively required the disposal and processing of the municipal solid waste generated in each municipality within the County to occur at the Resource Recovery Facility and the Landfill (as hereinafter defined). The disposal and processing of the solid waste generates electrical energy, which is sold by the Partnership to an electric utility pursuant to a power purchase agreement. The second component is the Pennsauken Sanitary Landfill (“Landfill”) where disposal of bypass waste and residue from the operation of the Resource Recovery Facility and disposal of construction and demolition waste take place.

The Financing of the Solid Waste Management System of the County

In order to finance the infrastructure required to implement the County's solid waste management system, including the construction of the Resource Recovery Facility, several series of bonds were previously issued by the PCFA, all of which have been fully amortized or paid. Accordingly, there are no remaining outstanding debt obligations of the PCFA related to the implementation of the County's solid waste management system.

Notwithstanding the foregoing, the PCFA has specific ongoing reimbursement obligations pursuant to and in accordance with that certain Emergent Funding and Reimbursement Agreement, dated November 29, 2010, between the PCFA and the State, acting by and through the NJDEP ("Reimbursement Agreement").

Pursuant to the Reimbursement Agreement, the PCFA was permitted to utilize certain unrestricted and restricted funds of the PCFA, and the State agreed to appropriate and provide certain monies to the PCFA, in an amount sufficient to pay the final principal payment and interest due on the PCFA's then-outstanding solid waste resource recovery revenue bonds ("Remaining Bond Payment"). Specifically, pursuant to the Reimbursement Agreement: (i) the PCFA utilized \$1,550,305.55 of available funds in its bond indenture accounts; (ii) the PCFA utilized \$3,449,694.45 of its unrestricted funds; (iii) the State provided \$2,100,000 in funds to the PCFA from funds made available pursuant to an appropriation in the Fiscal Year 2011 Appropriations Act; and (iv) pursuant to an administrative consent order executed by the Commissioner of the NJDEP, dated November 29, 2010, the PCFA was permitted to utilize \$10,106,062.50 from its Statutory Escrow Accounts ("Statutory Accounts") and \$8,000,000 from its Board of Public Utilities Closure Account ("BPU Closure Account" and together with the Statutory Accounts, the "Restricted PCFA Funds"), for the purpose of making the Remaining Bond Payment.

As a condition to the utilization of the Restricted PCFA Funds, the terms and provisions of the Reimbursement Agreement require the PCFA to provide annual reimbursement to the Restricted PCFA Funds of the amounts previously withdrawn, together with accrued interest thereon ("Total Reimbursement Amount"), in whole or in part, as applicable, by depositing certain available funds of the PCFA (including certain appropriations made by the State, if available) back into the PCFA Restricted Funds over a term of years ("NJDEP Reimbursement"). Specifically, the PCFA is required to include in its annual budget, beginning with its budget for fiscal year 2011, an amount equal to the "Estimated Net Available Funds" of the PCFA, which includes the estimated funds available for the reimbursement of the Restricted PCFA Funds, calculated as the estimated total annual gross receipts, revenues and proceeds estimated to be received by the PCFA from operations, dispositions or any other source, less all anticipated expenditures for such fiscal year, including, without limitation, all operating costs, payments on indebtedness, general and administrative expenses, and all reserves of the PCFA. On December 31 of such year, the PCFA is required to deposit into the Restricted PCFA Funds the actual amount of funds then available, together with any available appropriations made by the State to the PCFA in such year, for purposes of paying all or a portion of the Total Reimbursement Amount. Any amounts due and owing relative the Total Reimbursement Amount shall be carried over into the subsequent year until such time as the Total Reimbursement Amount is paid in full (anticipated within five (5) years from 2011). The parties to the Reimbursement Agreement are presently negotiating a Term Sheet regarding potential modifications of the Reimbursement Agreement. Until such negotiations are completed and the modifications of the Reimbursement Agreement are executed, the terms of the Reimbursement Agreement remain unchanged. At the present time, it is not possible to determine when the PCFA will be able to complete the reimbursement of the escrow funds. The Reimbursement Agreement provides that the reimbursement obligation shall continue from year to year until such time as the reimbursement obligation has been paid in full.

The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit

On May 1, 1997, in Atlantic Coast Demolition & Recycling, Inc. v. Board of Chosen Freeholders of Atlantic County, 112 F.3d. 652 (3d Cir. 1997), the United States Court of Appeals for the Third Circuit held that New Jersey's solid waste management system unconstitutionally discriminates against out-of-state operators of

waste disposal facilities and, therefore, violates the Commerce Clause of the United States Constitution. Certain parties in the Atlantic Coast litigation filed a petition for writ of certiorari with the United States Supreme Court seeking a review of the decision of the Third Circuit. On November 10, 1997, the United States Supreme Court denied the petition for writ of certiorari.

Based upon the Atlantic Coast decision, the method used to select and operate the Resource Recovery Facility and the Landfill as the facilities designated for the disposal of all of the solid waste generated by each municipality within the County appeared to unconstitutionally restrict interstate commerce.

On January 29, 1996, following an interim ruling in the Atlantic Coast case which invalidated regulatory flow control for certain construction and demolition waste (“C&D Waste”), the PCFA reduced tipping fees for C&D Waste delivered to the Landfill to a reduced market rate. On November 17, 1997, following the denial of certiorari by the United States Supreme Court in the Atlantic Coast case, the Partnership unilaterally reduced system tipping fees being collected by the Partnership at the Resource Recovery Facility to a level less than that imposed by the PCFA. This was a response by the Partnership to price competition and the resulting decrease in the volume of solid waste being delivered for processing at the Resource Recovery Facility. Since that time, tipping fees at the Resource Recovery Facility have been reduced and/or increased to a market competitive rate in an effort to maximize operating revenues.

The Response of the County to the Atlantic Coast Decision

In an attempt to address, among other things, the structure of the County’s solid waste management plan in the aftermath of the Atlantic Coast decision, on September 18, 1997, the Board adopted a resolution authorizing an amendment to the solid waste management plan of the County. The plan amendment is entitled “A Strategy for the Disposal of Solid Waste Generated Within the Camden County Solid Waste Management District and for the Satisfaction of Solid Waste Disposal Related Debt Obligations After the Implementation of the Atlantic Coast Court Decision” (“September 1997 Solid Waste Management Plan Amendment”). The September 1997 Solid Waste Management Plan Amendment directed that the PCFA procure disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. Further, the PCFA was directed to continue to aggregate its disposal and administrative costs and impose a unified tipping fee on all waste collected for disposal within the County.

On November 14, 1997, the Commissioner of the NJDEP issued a certification with respect to the September 1997 Solid Waste Management Plan Amendment of the County (“NJDEP Certification”). The NJDEP granted approval with regard to that aspect of the September 1997 Solid Waste Management Plan Amendment governing the procurement of disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. However, since the procurement process had not yet been completed, such NJDEP approval of this aspect of the September 1997 Solid Waste Management Plan Amendment was made contingent upon receipt by the NJDEP of a subsequent amendment or administrative action that documents the awarding of a nondiscriminatorily bid contract(s).

Finally, the NJDEP determined to be unenforceable the establishment by the September 1997 Solid Waste Management Plan Amendment of flow control during the interim period between judicial abrogation of the then current disposal contracts and the completion of the procurement of new disposal capacity in a manner that does not discriminate against interstate commerce. The NJDEP has concluded that the lifting by the Third Circuit of the District Court’s stay of the injunction against the enforcement of flow control precludes even this interim control of flow as anticipated by the September 1997 Solid Waste Management Plan Amendment.

For the purpose of responding to the remaining issues cited by the NJDEP Certification, on December 29, 1997, the Board adopted a resolution authorizing a further amendment to the solid waste management plan of the County. The plan amendment is entitled “A Modified Strategy for the Disposal of Solid Waste Generated within the Camden County Solid Waste Management District, Following the November 10, 1997 Implementation of the Atlantic Coast decision, and Following the New Jersey Department of Environmental Protection’s Acceptance in Part, Rejection in Part and Remand in Part of Camden County Plan Amendment 81-9-97 Adopted September 18, 1997” (“December 1997 Solid Waste Management Plan Amendment”). In

compliance with the NJDEP Certification, the December 1997 Solid Waste Management Plan Amendment deleted from the solid waste management plan of the County the establishment of flow control during the interim period between judicial abrogation of the disposal contracts and the completion of procurement of new disposal capacity in a manner that does not discriminate against interstate commerce.

The December 1997 Solid Waste Management Plan Amendment was submitted to the NJDEP for consideration of approval. On June 29, 1998, the Commissioner of the NJDEP issued a certification with respect to the December 1997 Solid Waste Management Plan Amendment. The NJDEP, among other things, (i) approved the deletion of the reference to the retention of regulatory flow control during the interim period prior to completion of nondiscriminatory reprocurement, and (ii) approved the inclusion of a strategy to complete a nondiscriminatory procurement process and to thereby regulate the flow of waste as a market regulator (although the NJDEP stressed that separate approval of the actual results of such reprocurement will be required).

On December 5, 1997, the PCFA opened bids and proposals submitted with respect to the reprocurement by the PCFA of solid waste disposal services. For a period of time thereafter, the bids and proposals, as well as supplements thereto solicited by the PCFA during 2000, were considered by the PCFA and its professional advisors. During a portion of such period, the PCFA engaged in substantive negotiations with the Partnership, as one of the responding proposers, for the purpose of attempting to agree upon the final terms and conditions of a long-term solid waste services disposal agreement. Upon the completion of such process, the contract for the reprocurement of solid waste disposal services was awarded by the PCFA to the Partnership. Such contract between the PCFA and the Partnership (the "Reprocurement Agreement") was signed on July 25, 2001, and on such date such Reprocurement Agreement was submitted by the PCFA to the State for approval, in satisfaction of applicable statutory requirements. In response to the submission to the State by the PCFA, the State submitted questions to the PCFA via interrogatories. The PCFA responded to the interrogatories of the State on November 5, 2001 and has not received further communication from the State with regard to the Reprocurement Agreement. The period during which the State may approve or reject the Reprocurement Agreement has lapsed. The obligations of the PCFA and the Partnership pursuant to the terms of the Reprocurement Agreement were subject to the satisfaction of certain conditions precedent identified in the Reprocurement Agreement. Such conditions precedent were not satisfied by the specified date and, therefore, the Reprocurement Agreement has automatically terminated. No further reprocurement agreements were executed. The 1985 Service Agreement between the PCFA and the Partnership expired on July 1, 2011.

Proposed Dissolution of the PCFA

The County has preliminarily determined that the best interests of the residents of the County would be served by the dissolution of the PCFA to be accomplished pursuant to the requirements of the Local Authorities Fiscal Control Law, N.J.S.A. 40A:5A-1, et seq., as amended and supplemented ("Local Authorities Fiscal Control Law"), including N.J.S.A. 40A:5A-20. The County has also preliminarily determined that the dissolution of the PCFA could result in savings to the County by reducing overall costs by combining operations and providing services in a more efficient manner.

In connection with the proposed dissolution, the County, the PCFA and the CCIA have collectively preliminarily determined that it would be in the best interests of the residents of the County for the CCIA to: (i) upon dissolution, on a going-forward basis, assume the responsibility and otherwise provide for the payment of all creditors or obligees of the PCFA, (ii) assume ownership of the Landfill, and (iii) provide all of those services previously provided by the PCFA. On April 14, 2011, the Commissioners of the CCIA adopted a resolution preliminarily authorizing the CCIA, upon dissolution, on a going-forward basis, to assume responsibility and otherwise provide for the payment of all creditors and obligees of PCFA upon dissolution of PCFA and to assume ownership and operation of the Landfill ("CCIA Assumption Resolution").

Finally, the PCFA has preliminarily determined to voluntarily accede to the dissolution and to cooperate with the County and the CCIA in connection with the dissolution and transfer of the Landfill and other assets of the PCFA to CCIA. To that end, the PCFA adopted resolutions on March 22, 2011 and May 24, 2011, preliminarily authorizing the dissolution and the transfer of the PCFA's assets and liabilities to the CCIA.

Pursuant to Section 20 of the Local Authorities Fiscal Control Law, the PCFA may be dissolved by the County, subject to approval of the Local Finance Board. On May 19, 2011, the Board of the County introduced an ordinance authorizing the dissolution of the PCFA and making certain other determinations in connection therewith (“Dissolution Ordinance”). The Dissolution Ordinance provides, as a condition to dissolution, for the CCIA to provide, upon dissolution, on a going-forward basis, for the payment of all creditors and obligees of the PCFA (including the NJDEP). The CCIA Assumption Resolution provides for the CCIA, upon dissolution, on a going-forward basis, to be responsible for all of the PCFA’s outstanding obligations (including the NJDEP Reimbursement) and for the provision of all the services previously provided by the PCFA, including ownership and operation of the Landfill and to take possession of any and all assets and property (including real property), rights and privileges of the PCFA, including contract rights, permits, claims, defenses, causes of action, and all tangible and intangible interests.

In accordance with the Local Authorities Fiscal Control Law, the County and the CCIA may in the future complete an application to be submitted to the Local Finance Board seeking approval for the final adoption of the Dissolution Ordinance. As of the date hereof, however, no such application has been filed. If an application is made and approved by the Local Finance Board for the final adoption of the Dissolution Ordinance, the County, the PCFA and the CCIA shall undertake and complete all legal and procedural requirements necessary to effectuate the dissolution of the PCFA and the transfer of the PCFA’s assets and liabilities to the CCIA as described above. Additionally, upon determination to proceed with the filing of an application to the Local Finance Board, the PCFA and the CCIA shall undertake and complete all necessary procedural and legal requirements relative to the transfer of the Landfill and related assets to the CCIA upon dissolution of the PCFA.

Litigation Concerning the Pennsauken Sanitary Landfill

The PCFA acquired the Pennsauken Sanitary Landfill (“Landfill”) from the Township of Pennsauken (“Pennsauken”) and the Pennsauken Solid Waste Management Authority (“PSWMA”) in December 1991, pursuant to the provisions of the Amended and Restated Operations Transfer Agreement, dated October 11, 1991 (the “AROTA”), among the PCFA, the PSWMA, Pennsauken and the County. Prior to that time, the Landfill was operated by the PSWMA on land owned by Pennsauken. Since acquisition the PCFA has continued to operate the Landfill for disposal of bypass waste, residue from the operation of the Resource Recovery Facility, and the disposal of construction and demolition waste.

There are long-standing claims regarding the remediation of the contamination of the Landfill. The PSWMA executed an Administrative Consent Order (“ACO”) with the New Jersey Department of Environmental Protection in December 1988. The ACO obligated the PSWMA to remediate contamination caused by the Landfill. The PCFA assumed the remediation obligations of the PSWMA pursuant to the AROTA. The PCFA, PSWMA and Pennsauken were plaintiffs in ongoing litigation seeking the recovery of costs associated with remediation necessary pursuant to the ACO. Counterclaims were made against Pennsauken. Pennsauken was represented by counsel for one of its insurance carriers. Trial in this litigation commenced on January 20, 2009. By the end of the second day of trial, all claims in the litigation were settled in principle. The PCFA and some defendants continue to review and execute settlement agreements. Pursuant to the settlement agreements, all defendants have been given releases and indemnification protection by the PCFA and Pennsauken. Settlement documents with Ward Sand and Materials Company and James D. Morrissey, Inc. (the “Ward Sand parties”) (the prior landfill owner and operator) are in the process of being finalized. In the meantime, the Ward Sand parties have satisfied their payment obligations. Pursuant to the ACO, the PCFA is primarily responsible for the liability associated with the contamination at the Landfill either directly as a successor to the PSWMA under the ACO or indirectly through the indemnification provisions of the AROTA. In the event that the litigation settlement proceeds are not sufficient to remediate the contamination at the Landfill, Pennsauken could be potentially responsible pursuant to the indemnification provisions in the various settlement agreements. Additionally, it is possible that the County could be responsible for all or a portion of such liability under the AROTA. To date, \$15,603,370.29 in settlement proceeds have been collected from all of the settling parties. Recent estimates project that the PCFA has sufficient funds to complete its remediation obligations. They are premised on the designed system accomplishing the remediation as presently designed. Design modifications could be necessary. Additionally, it

is presently anticipated that the remediation can accomplish the desired goals in approximately 10-30 years. Contingencies could arise which could impact the design of the remediation system or the length of time in which it must be in operation. For example, the NJDEP has recently requested that the PCFA investigate additional contaminants detected in nearby potable water supply wells. It is the PCFA's position that this a regional issue and not attributable solely to the PCFA. This investigation is ongoing. Therefore, it is impossible to determine at this time what the exact cost of the PCFA's remediation obligations will be. While it is impossible to estimate the likelihood of such an outcome, any such liability of the PCFA and/or the County could have a material adverse impact upon their respective financial conditions. In the event of a dissolution of the PCFA, any existing or potential liabilities of the PCFA would pass to the CCIA.

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America* section of our report, the accompanying financial statements referred to above do not present fairly the financial position of the County of Camden, State of New Jersey, as of December 31, 2023 and 2022, or the results of its operations and changes in reserve for future use and fund balance for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions on Regulatory Basis of Accounting

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in note 1 to the financial statements, the financial statements are prepared by the County on the basis of the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State of New Jersey. The effects on the financial statements of the variances between the regulatory basis of accounting described in note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

11000

In performing an audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The accompanying supplemental statements and schedules presented for the various funds, as listed in the table of contents, are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and are not a required part of the basic financial statements. **REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

INDEPENDENT AUDITOR'S REPORT

The Honorable Director and
Members of the County Board of Commissioners
County of Camden
Camden, New Jersey 08102

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial statement audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, of the County of Camden, State of New Jersey, as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated September 27, 2024. That report indicated that the County of Camden's financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America, but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County of Camden's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County of Camden's internal control. Accordingly, we do not express an opinion on the effectiveness of the County of Camden's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County of Camden’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*, and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, and federal and state awarding agencies and pass-through entities, in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**COUNTY OF CAMDEN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Financial Reporting Entity - The County of Camden, formerly part of Gloucester County, was established in 1844. The County, approximately 222 square miles in area, is in the southwestern part of the State of New Jersey along the east bank of the Delaware River opposite Philadelphia, Pennsylvania. The counties of Burlington, Atlantic and Gloucester border the County on, respectively the northeast, southeast and southwest, with the Delaware River forming the western border of the County.

The County operates under the commissioner form of government. The Board of Commissioners consists of seven commissioner members elected at-large for three-year terms on a staggered basis. Each year, the board elects one of the Commissioners to serve as Director. The Director appoints Commissioners to be in charge of various committees. The Board, operating through the committee system, is charged with both executive and legislative responsibilities for: (1) formulating policies; (2) developing new programs; (3) appointing members of the various County commissions, authorities and boards; (4) approving the County's operating and capital budgets; and (5) appropriating the funds required from the thirty-seven municipal subdivisions of the County to maintain all County services.

The County Administrator, appointed by the Board, oversees the daily governmental operations. Each major department is headed by an administrator who acts as liaison to the Commissioner overseeing such department's operations. Financial matters are under the supervision of the County's Chief Financial Officer.

Component Units - The financial statements of the component units of the County are not presented in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, *The Financial Reporting Entity*, as amended. If the provisions of the aforementioned GASB Statement, as amended had been complied with, the financial statements of the following component units would have been either blended or discretely presented with the financial statements of the County, the primary government:

Measurement Focus, Basis of Accounting and Financial Statement Presentation - The financial statements of the County contain all funds and account groups in accordance with the *Requirements of Audit* (the "*Requirements*") as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the *Requirements* are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these *Requirements*. In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this note.

In accordance with the *Requirements*, the County accounts for its financial transactions through the use of separate funds and an account group which are described as follows:

Current Fund - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

Trust Funds - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

General Capital Fund - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

General Fixed Asset Group of Accounts - The general fixed asset group of accounts is utilized to account for property, land, buildings, and equipment that have been acquired by other governmental funds.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Budgets and Budgetary Accounting - The County must adopt an annual budget in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the County to introduce and approve the annual budget no later than January 26 of each year. At introduction, the County shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the county. The public hearing must not be held less than eighteen days after the date the budget was introduced. After the hearing has been held, the County may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the County's financial statements.

Cash, Cash Equivalents and Investments - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost; therefore, unrealized gains or losses on investments have not been recorded.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of governmental units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the governmental units.

The cash management plan adopted by the County requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

Interfunds - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the current fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

Inventories of Supplies - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

General Fixed Assets - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and *Budget's Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (2 CFR Part 225), except that the useful life of such property is at least five years. The County has adopted a capitalization threshold of \$5,000, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at acquisition value as of the date of the transaction. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The County is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a statement of general fixed asset group of accounts, reflecting the activity for the year, must be included in the County's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that include accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage, or theft.

Deferred Charges - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

Fund Balance - Fund balance included in the current fund represents amounts available for anticipation as revenue in future years' budgets, with certain restrictions.

Revenues - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from federal and state grants is realized when anticipated as such in the County's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the County's current fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due to the County which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

Property Tax Revenues - Every municipality in the county is responsible for levying, collecting and remitting county taxes for the County of Camden. Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1 and are due and payable to the County of Camden by February 15, May 15, August 15, and November 15. Operations for every municipality are charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations for every municipality are charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Expenditures - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal and interest payments on outstanding general capital debt are provided on the cash basis.

Appropriation Reserves - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments, or contracts incurred during the preceding year. Lapsed appropriation reserves are recorded as income.

Long-Term Debt - Long-term debt, relative to the acquisition of capital assets, is recorded as a liability in the general capital fund.

Compensated Absences and Postemployment Benefits - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Impact of Recently Issued Accounting Principles**Recently Issued Accounting Pronouncements**

The Governmental Accounting Standards Board (GASB) has issued the following statements that have effective dates that may affect future financial presentations:

Statement No. 101, Compensated Absences. The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The Statement will become effective for the County in the year ending December 31, 2024. As a result of the regulatory basis of accounting previously described in note 1, this Statement will have no impact on the financial statements of the County, however management is currently evaluating whether or not this Statement will have an impact on the financial statement disclosures of the County.

Note 2: CASH AND CASH EQUIVALENTS

Custodial Credit Risk Related to Deposits - Custodial credit risk is the risk that, in the event of a bank failure, the County's deposits might not be recovered. Although the County does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000.00 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled agency funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition. Such funds are classified as uninsured and uncollateralized as noted below.

As of December 31, 2023, the County's bank balances were exposed to custodial credit risk as follows:

Insured by FDIC and GUPDA	\$ 420,708,196.58
Uninsured and Uncollateralized	<u>4,941,035.74</u>
Total	<u>\$ 425,629,232.32</u>

Note 6: PENSION PLANS

A substantial number of the County's employees participate in one of the following defined benefit pension plans: the Public Employees' Retirement System ("PERS") and the Police and Firemen's Retirement System ("PFRS"), which are administered by the New Jersey Division of Pensions and Benefits. In addition, several County employees participate in the Defined Contribution Retirement Program ("DCRP"), which is a defined contribution pension plan. This Plan is administered by Empower (formerly Prudential Financial) for the New Jersey Division of Pensions and Benefits. Each Plan has a Board of Trustees that is primarily responsible for its administration. As a local participation employer of these pension plans, the County is referred to as "Employer" throughout this note. The Division issues a publicly available financial report that includes financial statements, required supplementary information and detailed information about the PERS and PFRS plans' fiduciary net position which can be obtained by writing to or at the following website:

Public Employees' Retirement System - The Public Employees' Retirement System is a cost-sharing multiple-employer defined benefit pension plan, which was established as of January 1, 1955, under the provisions of N.J.S.A. 43:15A. The PERS' designated purpose is to provide retirement, death, and disability benefits to certain qualified members. Membership in the PERS is mandatory for substantially all full-time employees of the Employer, provided the employee is not required to be a member of another state-administered retirement system or other state pensions fund or local jurisdiction's pension fund. The PERS' Board of Trustees is primarily responsible for the administration of the PERS.

Note 6: PENSION PLANS (CONT'D)**General Information about the Pension Plans (Cont'd)****Plan Descriptions (Cont'd)**

Police and Firemen's Retirement System - The Police and Firemen's Retirement System is a cost-sharing multiple-employer defined benefit pension plan, which was established as of July 1, 1944, under the provisions of N.J.S.A. 43:16A. The PFRS' designated purpose is to provide retirement, death, and disability benefits to certain qualified members. The DCRP is a tax-qualified defined contribution money purchase pension plan under Internal Revenue Code (IRC) § 401(a) et seq., and is a "governmental plan" within the meaning of IRC § 414(d). The DCRP provides retirement benefits for eligible employees and their beneficiaries. Individuals covered under DCRP are state or local officials who are elected or appointed on or after July 1, 2007; employees enrolled in PERS on or after July 1, 2007, who earn salary in excess of established "maximum compensation" limits; employees enrolled in New Jersey State Police Retirement System (SPRS) or the Police and Firemen's Retirement System (PFRS) after May 21, 2010, who earn salary in excess of established "maximum compensation" limits; employees otherwise eligible to enroll in PERS on or after November 2, 2008, who do not earn the minimum annual salary for tier 3 enrollment but who earn salary of at least \$5,000.00 annually; and employees otherwise eligible to enroll in PERS after May 21, 2010 who do not work the minimum number of hours per week required for tiers 4 or 5 enrollment, but who earn salary of at least \$5,000.00 annually.

Vesting and Benefit Provisions

Public Employees' Retirement System - The vesting and benefit provisions are set by N.J.S.A. 43:15A. The PERS provides retirement, death and disability benefits. All benefits vest after ten years of service.

The following represents the membership tiers for PERS:

Members may seek special retirement after achieving 25 years of creditable service, in which benefits would equal 65% (tiers 1 and 2 members) and 60% (tier 3 members) of final compensation plus 1% for each year of creditable service over 25 years but not to exceed 30 years. Members may elect deferred retirement benefits after achieving ten years of service, in which case benefits would begin at age 55 equal to 2% of final compensation for each year of service.

Defined Contribution Retirement Program - Eligible members are provided with a defined contribution retirement plan intended to qualify for favorable Federal income tax treatment under IRC Section 401(a), a noncontributory group life insurance plan and a noncontributory group disability benefit plan. A participant's interest in that portion of his or her defined contribution retirement plan account attributable to employee contributions shall immediately become and shall at all times remain fully vested and non-forfeitable. A participant's interest in that portion of his or her defined contribution retirement plan account attributable to employer contributions shall be vested and non-forfeitable on the date the participant commences the second year of employment or upon his or her attainment of age 65, while employed by an employer, whichever occurs first.

Contributions

Public Employees' Retirement System - The contribution policy is set by N.J.S.A. 43:15A and requires contributions by active members and contributing employers. Pursuant to the provisions of P.L. 2011, C. 78, the member contribution rate is currently 7.50% of base salary, effective July 1, 2018. The rate for members who are eligible for the Prosecutors Part of PERS (P.L. 2001, C. 366) is 10.0%. Employers' contributions are based on an actuarially determined amount, which includes the normal cost and unfunded accrued liability.

Special Funding Situation Component - Under N.J.S.A. 43:15A, local participating employers are responsible for their own contributions based on actuarially determined amounts, except where legislation was passed which legally obligated the State if certain circumstances occurred. One of such legislations, which legally obligate the State, is Chapter 133, P.L. 2001. This legislation increased the accrual rate from 1/60 to 1/55. In addition, it lowered the age required for a veteran benefit equal to 1/55 of highest 12-month compensation for each year of service from 60 to 55. Chapter 133, P.L. 2001 also established the Benefit Enhancement Fund (BEF) to fund the additional annual employer normal contribution due to the State's increased benefits. If the assets in the BEF are insufficient to cover the normal contribution for the increased benefits for a valuation period, the State will pay such amount for both the State and local employers.

Note 6: PENSION PLANS (CONT'D)**General Information about the Pension Plans (Cont'd)****Contributions (Cont'd)**

Public Employees' Retirement System (Cont'd) - Special Funding Situation Component (Cont'd) - Another legislation, which legally obligates the State, is Chapter 366, P.L. 2001. This legislation established the Prosecutors Part of the PERS which provides enhanced retirement benefits for Prosecutors enrolled in the PERS. The State is liable for the increased pension costs to a County that resulted from the enrollment of Prosecutors in the Prosecutors Part. The amounts contributed on behalf of the local participating employers under these legislations are considered to be a *special funding situation* as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly to the Plan (except for employer specific financed amounts), there is no net pension liability or deferred outflows or inflows to disclose in the notes to the financial statements of the local participating employers related to this legislation.

The amounts contributed on behalf of the local participating employers under this legislation is considered to be a *special funding situation* as defined by GASB Statement No. 68 and the State is treated as a nonemployer contributing entity. Pension Liabilities, Pension (Benefit) Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions**Public Employees' Retirement System**

Pension Liability - As of December 31, 2023, there is no net pension liability associated with the special funding situation under Chapter 133, P.L. 2001, as there was no accumulated difference between the annual additional normal cost and the actual State contribution through the valuation date. The Employer's proportionate share of the PERS net pension liability was \$120,996,124.00. The net pension liability was measured as of June 30, 2023 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2023. The Employer's proportion of the net pension liability was based on a projection of the Employer's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers, actuarially determined. For the June 30, 2023 measurement date, the Employer's proportion was .8353562491%, which was an increase of .0053673973% from its proportion measured as of June 30, 2022.

Pension Liability - At December 31, 2023, there is no net pension liability associated with the special funding situation under Chapter 133, P.L. 2001, as there was no accumulated difference between the annual additional normal cost and the actual State contribution through the valuation date. The Employer's and State of New Jersey's proportionate share of the PERS net pension liability, under Chapter 366, P.L. 2001, were as follows:

Pension Liability (Cont'd) - The net pension liability was measured as of June 30, 2023 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2023. The Employer's proportion of the net pension liability was based on a projection of the Employer's long-term share of contributions to the pension plan relative to the projected contributions of all participating employers and the State of New Jersey, actuarially determined. For the June 30, 2023 measurement date, the Employer's proportion was .8385278481%, which was an increase of .0052230598% from its proportion measured as of June 30, 2022. Likewise, at June 30, 2023, the State of New Jersey's proportion, under Chapter 366, P.L. 2001, on-behalf of the Employer, was 4.6323903085%, which was an increase of .1715113802% from its proportion, on-behalf of the Employer, measured as of June 30, 2022.

Actuarial Assumptions

The net pension liability was measured as of June 30, 2023, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The total pension liability was calculated through the use of updated procedures to roll forward from the actuarial valuation date to the measurement date of June 30, 2023. This actuarial valuation used the following actuarial assumptions, applied to all periods included in the measurement:

	<u>PERS</u>	<u>PFRS</u>

Note 6: PENSION PLANS (CONT'D)**Actuarial Assumptions (Cont'd)****Public Employees' Retirement System**

Pre-retirement mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2021.

Police and Firemen's Retirement System

Pre-retirement mortality rates were based on the PubS-2010 amount-weighted mortality table with a 105.6% adjustment for males and 102.5% adjustment for females. For healthy annuitants, mortality rates were based on the PubS-2010 amount-weighted mortality table with a 96.7% adjustment for males and 96.0% adjustment for females. Disability rates were based on the PubS-2010 amount-weighted mortality table with a 152.0% adjustment for males and 109.3% adjustment for females. Mortality improvement is based on Scale MP-2021.

For both PERS and PFRS, in accordance with State statute, the long-term expected rate of return on Plan investments (7.00% at June 30, 2023) is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and Division of Pensions and Benefits, the board of trustees and the actuaries. The long-term expected rate of return was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension Plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic rates of return for each major asset class included in PERS' and PFRS' target asset allocation as of June 30, 2023 are summarized in the table that follows:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>

Note 6: PENSION PLANS (CONT'D)**Actuarial Assumptions (Cont'd)****Discount Rate -**

For both PERS and PFRS, the discount rate used to measure the total pension liability was 7.00% as of June 30, 2023. The projection of cash flows used to determine the discount rate assumed that contributions from Plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity would be based on 100% of the actuarially determined contributions for the State employer and 100% of actuarially determined contributions for the local employers. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments was applied to all projected benefit payments to determine the total pension liability.

Sensitivity of Proportionate Share of Net Pension Liability to Changes in the Discount Rate

Public Employees' Retirement System (PERS) - The following presents the Employer's proportionate share of the net pension liability as of the June 30, 2023 measurement date, calculated using a discount rate of 7.00%, as well as what the Employer's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rates used:

Pension Plan Fiduciary Net Position

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension (benefit) expense, information about the respective fiduciary net position of the PERS and PFRS and additions to/deductions from PERS and PFRS' respective fiduciary net position have been determined on the same basis as they are reported by PERS and PFRS. Accordingly, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

The Division of Pensions and Benefits adopted a new policy regarding the crediting of interest on member contributions for the purpose of refund of accumulated deductions. Previously, after termination of employment, but prior to retirement or death, interest was credited on member accumulated deductions at the valuation interest rate for the entire period. Effective July 1, 2018, interest is only credited at the valuation interest rate for the first two years of inactivity prior to retirement or death.

Note 7: COMPENSATED ABSENCES

County employees are entitled to paid sick leave each year. The various Union contracts and or years of service define the number of sick leave days that can be earned. Accumulated sick leave may be carried forward until retirement. Unused sick benefits may be paid upon retirement. Union contracts define which employees are entitled to receive compensation for unused sick leave and the rate of pay at which they will be paid.

Unused vacation days for the year may be accumulated and carried forward up to a maximum of one year allowed vacation time.

All full time union employees are entitled to time off (Comp-Time) in lieu of receiving pay for overtime worked at the rate of one and one half hours for every hour worked.

Unused Comp-Time may be accumulated and carried forward indefinitely and upon termination or retirement must be paid in full at the employees' current rate of pay.

The County has established a Compensated Absences Trust Fund to set aside funds for future payments of compensated absences. At year end the balance of the fund was \$893,705.74. It is estimated that at December 31, all accrued time is valued at \$12,129,817.96 which is a net decrease of \$362,979.51 from last year.

Note 8: DEFERRED COMPENSATION SALARY ACCOUNT

The County offers its eligible employees two Deferred Compensation Plans in accordance with Internal Revenue Code Section 457, which have been approved by the Division of Local Government Services. The first plan is a contributory plan available to all eligible employees at their option. The second plan is a contributory plan available only to employees who work for Camden County One Stop and are not eligible to join the PERS system. These plans permit the employees to defer a portion of their salaries to future years. The amounts so deferred are not available to the employees until termination, retirement, death or unforeseeable emergency.

The County also offers the employees of Camden County One Stop, a non-contributory Variable Defined Contribution Plan in order to give those employees who cannot belong to the PERS system benefits similar to the other employees. This plan consists of contributions made by the employer on behalf of the employees at the same rate as if they were members of the PERS system. The contributions are not vested until the fifth year of participation.

All deferred compensation plan assets, including those deferred under Section 457, must be held in trust for the exclusive benefit of participating employees and not be accessible by the County or its creditors. Since the County does not have a fiduciary relationship with any of these Plans, the balances and activities of the Plans are not reported in the County's financial statements.

Note 9: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS**General Information about the State Health Benefit Local Government Retired Employees Plan**

Plan Description and Benefits Provided - The County contributes to the State Health Benefits Local Government Retired Employees Plan (the "Plan"), which is a cost-sharing multiple-employer defined benefit other postemployment benefit ("OPEB") plan with a special funding situation. It covers employees of local government employers that have adopted a resolution to participate in the Plan. The Plan meets the definition of an equivalent arrangement as defined in paragraph 4 of GASB Statement No. 75, *Accounting and Financial Reporting for the Postemployment Benefits Other Than Pensions* (GASB Statement No. 75); therefore, assets are accumulated to pay associated benefits. For additional information about the Plan, please refer to the State of New Jersey (the "State"), Division of Pensions and Benefits' (the "Division") annual financial statements, which can be found at <https://www.state.nj.us/treasury/pensions/financial-reports.shtml>. As a local participating employer of the Plan, the County is referred to as "Employer" throughout this note.

The Plan provides medical and prescription drug to retirees and their covered dependents of the participating employers. Under the provisions of Chapter 88, P.L. 1974 and Chapter 48, P.L. 1999, local government employers electing to provide postretirement medical coverage to their employees must file a resolution with the Division. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

In accordance with Chapter 330, P.L. 1997, which is codified in N.J.S.A 52:14-17.32i, the State provides medical and prescription coverage to local police officers and firefighters, who retire with 25 years of service or on a disability from an employer who does not provide postretirement medical coverage. Local employers were required to file a resolution with the Division in order for their employees to qualify for State-paid retiree health benefits coverage under Chapter 330. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L. 1989.

Pursuant to Chapter 78, P.L. 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

Note 9: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**General Information about the State Health Benefit Local Government Retired Employees Plan (Cont'd)**

Contributions - The funding policy for the OPEB plan is pay-as-you-go; therefore, there is no prefunding of the liability. However, due to premium rates being set prior to each calendar year, there is a minimal amount of net position available to cover benefits in future years. Contributions to pay for the health benefit premiums of participating employees in the OPEB plan are collected from the State of New Jersey, participating local employers, and retired members.

The Employer was billed monthly by the Plan and paid \$18,610,808.16, for the year ended December 31, 2023, representing 14.08% of the Employer's covered payroll. During the year ended December 31, 2023, retirees were required to contribute \$26,431.92 to the Plan.

Special Funding Situation Component - The State of New Jersey makes contributions to cover those employees eligible under Chapter 330, P.L. 1997. Local employers remit employer contributions on a monthly basis. Retired member contributions are generally received on a monthly basis. Partially funded benefits are also available to local police officers and firefighters who retire with 25 years of service or on disability from an employer who does not provide coverage under the provisions of Chapter 330, P.L. 1997. Upon retirement, these individuals must enroll in the OPEB Plan.

Under Chapter 330, P.L. 1997, the State shall pay the premium or periodic charges for the qualified local police and firefighter retirees and dependents equal to 80% of the premium or periodic charge for the category of coverage elected by the qualified retiree under the State managed care plan or a health maintenance organization participating in the program providing the lowest premium or periodic charge. The State also provides funding for retiree health benefits to survivors of local police officers and firefighters who die in the line of duty under Chapter 271, P.L.1989.

Therefore, these employers are considered to be in a special funding situation as defined by GASB Statement No. 75 and the State is treated as a nonemployer contributing entity. Since the local participating employers do not contribute under this legislation directly to the Plan, there is no net OPEB liability, deferred outflows of resources or deferred inflows of resources to report in the financial statements of the local participating employers related to this legislation. However, the notes to the financial statements of the local participating employers must disclose the portion of the nonemployer contributing entities' total proportionate share of the collective net OPEB liability that is associated with the local participating employer. The participating employer is required to disclose in their respective notes to the financial statements, an expense and corresponding revenue, and their proportionate share of the OPEB expense allocated to the State under the special funding situation.

The amount of actual contributions to the OPEB Plan made by the State, on-behalf of the Employer, is not known; however, under the special funding situation, the State's OPEB expense, on-behalf of the Employer, is (\$706,932.00) for the year ended December 31, 2023, representing (0.53%) of the Employer's covered payroll.

Note 9: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**OPEB Liability, OPEB (Benefit) Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources**

OPEB Liability - At December 31, 2023, the Employer's and State's proportionate share of the net OPEB liability were as follows:

Proportionate Share of Net OPEB Liability	\$ 491,703,672.00
State of New Jersey's Proportionate Share of Net OPEB Liability Associated with the Employer	<u>3,898,817.00</u>
	<u>\$ 495,602,489.00</u>

The net OPEB liability was measured as of June 30, 2023, and the total OPEB liability used to calculate the net OPEB liability was determined by an actuarial valuation as of July 1, 2022, which was rolled forward to June 30, 2023.

The Employer's proportion of the net OPEB liability was based on the ratio of the Plan members of an individual employer to the total members of the Plan's nonspecial funding situation during the measurement period July 1, 2022 through June 30, 2023. For the June 30, 2023 measurement date, the Employer's proportion was 3.276596%, which was an increase of .458837% from its proportion measured as of the June 30, 2022 measurement date.

The State's proportion of the net OPEB liability, on-behalf of the Employer was based on the ratio of the Plan members of an individual employer to the total members of the Plan's special funding situation during the measurement period July 1, 2022 through June 30, 2023. For the June 30, 2023 measurement date, the State's proportion on-behalf of the Employer was .111743%, which was a decrease of .022077% from its proportion measured as of the June 30, 2022 measurement date.

OPEB (Benefit) Expense - At December 31, 2023, the Employer's proportionate share of the OPEB (benefit) expense, calculated by the Plan as of the June 30, 2023 measurement date, is \$76,541,132.00. This (benefit) expense is not recognized by the Employer because of the regulatory basis of accounting as described in note 1; however, as previously mentioned, for the year ended December 31, 2023, the Employer made contributions to the Plan totaling \$18,610,808.16.

At December 31, 2023, the State's proportionate share of the OPEB expense, associated with the Employer, calculated by the Plan as of the June 30, 2023 measurement date, is \$3,898,817.00. This on-behalf expense is not recognized by the Employer because of the regulatory basis of accounting as described in note 1.

Note 9: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**OPEB Liability, OPEB (Benefit) Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources (Cont'd)**

Deferred Outflows of Resources and Deferred Inflows of Resources - At December 31, 2023, the Employer had deferred outflows of resources and deferred inflows of resources from the following sources:

Actuarial Assumptions

The actuarial assumptions vary for each plan member depending on the pension plan in which the member is enrolled. The actuarial valuation as of July 1, 2022, which was rolled forward to June 30, 2023, used the following actuarial assumptions, applied to all periods in the measurement:

Salary Increases *

PERS - Rates for all future years	2.75% to 6.55% based on years of service
PFRS - Rates for all future years	3.25% to 16.25% based on years of service

Mortality:

PERS - Pub-2010 General classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021
PFRS - Pub-2010 Safety classification headcount weighted mortality with fully generational mortality improvement projections from the central year using Scale MP-2021

* salary increases are based on years of service within the respective Plan

Actuarial assumptions used in the valuation were based on the results of the PFRS and PERS experience studies prepared for July 1, 2018 to June 30, 2021.

100% of active members are considered to participate in the Plan upon retirement.

Note 9: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS (CONT'D)**Actuarial Assumptions (Cont'd)**

All of the Plan's investments are in the State of New Jersey Cash Management Fund (the "CMF"). The New Jersey Division of Investments manages the CMF, which is available on a voluntary basis for investment by State and certain non-State participants. The CMF is considered to be an investment trust fund as defined in GASB Statement No. 31, *Certain Investments and External Investment Pools*. The CMF invests in U.S. government and agency obligations, commercial paper, corporate obligations and certificates of deposit. Units of ownership in the CMF may be purchased or redeemed on any given business day (excluding State holidays) are the unit cost of value of \$1.00. Participant shares are valued on a fair value basis. The CMF pay interest to participants on a monthly basis.

Discount Rate - The discount rate used to measure the OPEB liability at June 30, 2023 was 3.65%. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

Health Care Trend Assumptions - The health care trend assumptions used is as follows:

Fiscal Year Ending	Annual Rate of Increase					
	Medical Trend			Prescription Drug Trend		
	Pre-65	PPO Post-65	HMO Post-65	Pre-65	Post-65	EGWP

For financial reporting purposes, the debt is considered defeased and therefore removed as a liability from the County's financial statements. As of December 31, 2023, the total amount of defeased debt outstanding, but removed from the County's financial statements, is \$71,345,000.00.

Note 13: INMATE WELFARE FUND

The Camden County Prisoners' Welfare Fund accounts for the receipt and disbursement of funds for prisoners' welfare operations of a general nature, including the accounting for inmates' deposits and commissary functions. Each inmate is charged a user fee of \$35 at the time of admission into the facility. Additionally, after the first week of served time, each inmate's account is charged \$5 rent per day. The Welfare Fund accounts for inmates' wages earned by performing various work functions throughout the correctional facility and charges to inmates for medical visits. The inmate's account is credited at \$1.25 per day for work performed.

The latest audit report for the Inmate Welfare Fund, as of December 31, 2008, indicates a balance due and payable to the County of Camden in the amount of \$1,159,053.32. The balance due is comprised of the user fee, as defined in the preceding paragraph, the medical co-pay inmates are charged for medical visits and the salaries of employees assigned to inmate welfare duties.

The County of Camden financial records do not include a receivable to match the Inmate Welfare Fund payable because the County has deemed the receivable as uncollectible. Future payments from the Inmate Welfare Fund will be recorded as revenue when received.

Note 14: RESERVE FOR INTEREST REBATE

The Tax Reform Act of 1986 placed restrictions on the investments of the proceeds of certain tax-exempt bonds issued after December 31, 1986. Specifically, investment earnings which are above arbitrage bond yield are required to be rebated to the United States Treasury Department within sixty days of the end of the fifth bond year. A bond year is defined, at the option of the issuing entity, as either the date of the first anniversary of bond settlement or the issuing entity's fiscal year end.

The County established a reserve account in 1989, in case a rebate payment was required. At December 31, 2023 the County has a reserve balance of \$88,600.05. The County will set aside adequate funds to pay the potential rebate liability in the amount of \$501,362.28 for three outstanding issues should an actual rebatable liability become due. The County will establish additional reserves to fund any actual rebate liability, should the amount exceed the current reserve at the time a final calculation is performed to determine the actual rebate liability.

The amount of contingent liability for rebate may change as a result of future events. Therefore, any potential rebate liability is only an estimate and is not required to be paid or accrued at December 31, 2023.

Note 15: RISK MANAGEMENT/JOINT INSURANCE POOLS

The County is partially self-insured for Medical and Prescription Drug coverages, Property Damage, Automobile/General Liability, Crime and Workers' Compensation, with excess insurance on all coverages. The County and its boards, agencies, authorities and commissions presently purchase insurance or self-insure against risks of damage to persons or property of third parties, workers' compensation claims and claims against public officials through the Camden County Insurance Commission (the "Commission"), established on January 21, 2010, by Board resolution pursuant to N.J.S.A. 40A:10-6. The Commission is governed by three County officials who serve as commissioners and are appointed by the Board. Excess insurance is managed by the New Jersey Counties Excess Joint Insurance Fund, established in March 2010. As of December 31, 2023, member counties in New Jersey include the County, the County of Gloucester, the County of Union, the County of Burlington, the County of Cumberland, the County of Atlantic, the County of Mercer, the County of Hudson, the County of Ocean and the County of Monmouth.

The Fund provides its members with the following coverage:

- | | |
|--|------------------------------------|
| Workers' Compensation and Employer's Liability | Motor Vehicles |
| Liability other than Motor Vehicles | Environmental Impairment Liability |
| Property Damage other than Motor Vehicles | |

Through membership in the New Jersey Counties Excess Joint Insurance Fund, the County receives the following ancillary insurance coverage:

- | | |
|---|--------------------------------|
| Public Officials Liability/Employment Practices Liability | Medical Professional Liability |
| Crime | Employed Lawyers Liability |
| Pollution Liability | |

Contributions to the Fund, are due and payable annually and are based on actuarial assumptions determined by the Fund's actuary.

The Funds publish financial reports which can be obtained from the County finance office.

Note 15: RISK MANAGEMENT/JOINT INSURANCE POOLS (CONT'D)

The County also maintains the following self-insurance balances:

The balance in the Reserve for Workers' Compensation Insurance Trust Fund was \$4,613,669.86 at December 31, 2023. The County maintains commercial excess coverage for claim amounts.

The balance of the Reserve for General Liability Insurance was \$3,267,317.92 at December 31, 2023. During 2010 the County joined the New Jersey Counties Excess Joint Insurance Fund to cover claims for general liability. The reserve at year end is available to pay claims.

The balance of the Reserve for Health Benefits Trust Fund was \$40,276,011.31 at December 31, 2023.

The management of the County believes that the above reserves are adequate to meet the needs of the County for the coming year and any additional funding required for claims in excess of the trust fund's reserves will be paid and charged to future budgets.

There have been no settlements that exceed the County's coverage for years ended December 31, 2023, 2022, and 2021.

Note 16: COUNTY GUARANTEES**Authorities of the County**

The County has created three countywide authorities, the Camden County Municipal Utility Authority, the Camden County Improvement Authority and the Pollution Control Financing Authority of Camden County.

The following information applies to each of the Authorities and should be noted: none of the Authorities have the power to levy or collect taxes. The debt issued by any one of the Authorities is neither a debt nor a liability of the State, the County (except to the extent of any deficiency agreement or guarantee), nor any political subdivision of the State, except the respective Authorities.

Camden County Municipal Utilities Authority

The Camden County Municipal Utilities Authority ("CCMUA") is a public body politic and corporate of the State of New Jersey and was originally created as the Camden County Sewerage Authority ("Sewerage Authority") by a resolution of the County Board of Commissioners ("County Board") adopted December 5, 1967. The Sewerage Authority was reorganized in 1972 as a utilities authority and changed its name to the Camden County Municipal Utilities Authority pursuant to a resolution of the County Board adopted April 13, 1972. The CCMUA operates under the supervision of nine commissioners who are appointed by the County Board for five year staggered terms. The County has entered into a Deficiency Agreement with the CCMUA ("Deficiency Agreement") whereby the County is obligated to pay to the CCMUA any annual charges equal to any deficits in CCMUA revenues necessary to pay or provide for (i) operation and maintenance expenses of the CCMUA's regional sewer system, (ii) principal and interest payments on bonds and notes of the CCMUA in an aggregate principal amount not to exceed \$685,500,000 and (iii) the maintenance of reserves required under the Bond Resolution securing the CCMUA's bonds and notes. The obligation of the County, pursuant to the provisions of the Deficiency Agreement, is a direct and general obligation of the County, and any annual charges are ultimately payable by the County to meet its obligations under the Deficiency Agreement. To date, no payments have been required to be made by the County pursuant to the Deficiency Agreement. The County and the CCMUA may agree to amend the Deficiency Agreement at any time to increase the obligation of the County thereunder.

Note 16: COUNTY GUARANTEES (CONT'D)**Camden County Municipal Utilities Authority (Cont'd)**

The CCMUA owns and operates a sewerage collection and treatment system, which serves all County residents, connected to local sewer collection systems. The CCMUA's system does not include the local sewage collection system of any CCMUA participant, but it owns and operates interceptor sewer lines connecting the local systems to the CCMUA's sewage treatment facilities.

The CCMUA is required to charge and collect service charges for the use of its facilities such that revenues of the CCMUA will at all times be adequate to pay all operating and maintenance expenses, including reserves, insurance, extensions and replacements, and to pay punctually the principal of and interest on any bonds and notes, and to maintain reserves and sinking funds therefore as may be required by the terms of any agreements with the holders thereof.

The CCMUA's debt at December 31, 2023 was \$208,733,984. The County guarantee is limited to \$685,500,000.

Camden County Improvement Authority

The Camden County Improvement Authority ("CCIA") is a public body corporate and politic of the State of New Jersey and was created by a resolution of the County Board of Commissioners ("the County Board"). The CCIA operates under the supervision of a five member Board who are appointed for five year staggered terms by the County Board. The CCIA has from time to time issued its revenue bonds for projects involving the County and for which the County has a repayment obligation or guaranty.

Note 18: CONTINGENT LIABILITIES**Pollution Control Financing Authority of Camden County**

Pursuant to the New Jersey Pollution Control Financing Law, constituting Chapter 376 of the Pamphlet Laws of 1973 of the State of New Jersey (N.J.S.A. 40:37C-1 et seq.), as amended and supplemented ("Pollution Control Law"), and the Solid Waste Management Act, constituting Chapter 39 of the Pamphlet Laws of 1970 of the State of New Jersey (N.J.S.A. 13:1E-1 et seq.), as amended and supplemented ("Solid Waste Management Act"), the State Legislature initiated a comprehensive statutory mechanism for the management of solid waste disposal in the State. Subsequently, as a result of certain rulings, the management of solid waste disposal within the State changed. See "The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit" below.

Acting pursuant to the Pollution Control Law, the Board established the Pollution Control Financing Authority of Camden County ("PCFA") which implemented a County-wide solid waste disposal and resource recovery system, consisting of two primary components.

The first component is a 1,050 ton-per-day mass burn, waste-to-energy, facility, located in Camden City ("Resource Recovery Facility"). The Resource Recovery Facility was constructed and is owned and operated by Camden County Energy Recovery Associates, L.P. ("Partnership"), a New Jersey limited partnership. Prior to August 19, 2013, the general partner of the Partnership was a second-tier wholly-owned subsidiary of Foster Wheeler Ltd. On August 19, 2013, the prior general partner sold its partnership interest in the Partnership to a subsidiary of Covanta Energy Corporation.

Two solid waste franchises were granted by the New Jersey Department of Environmental Protection ("NJDEP"), which franchises, when granted, collectively required the disposal and processing of the municipal solid waste generated in each municipality within the County to occur at the Resource Recovery Facility and the Landfill (as hereinafter defined). The disposal and processing of the solid waste generates electrical energy, which is sold by the Partnership to an electric utility pursuant to a power purchase agreement. The second component is the Pennsauken Sanitary Landfill ("Landfill") where disposal of bypass waste and residue from the operation of the Resource Recovery Facility and disposal of construction and demolition waste take place.

The Financing of the Solid Waste Management System of the County

In order to finance the infrastructure required to implement the County's solid waste management system, including the construction of the Resource Recovery Facility, several series of bonds were previously issued by the PCFA, all of which have been fully amortized or paid. Accordingly, there are no remaining outstanding debt obligations of the PCFA related to the implementation of the County's solid waste management system.

Notwithstanding the foregoing, the PCFA has specific ongoing reimbursement obligations pursuant to and in accordance with that certain Emergent Funding and Reimbursement Agreement, dated November 29, 2010, between the PCFA and the State, acting by and through the NJDEP ("Reimbursement Agreement").

Pursuant to the Reimbursement Agreement, the PCFA was permitted to utilize certain unrestricted and restricted funds of the PCFA, and the State agreed to appropriate and provide certain monies to the PCFA, in an amount sufficient to pay the final principal payment and interest due on the PCFA's then-outstanding solid waste resource recovery revenue bonds ("Remaining Bond Payment"). Specifically, pursuant to the Reimbursement Agreement: (i) the PCFA utilized \$1,550,305.55 of available funds in its bond indenture accounts; (ii) the PCFA utilized \$3,449,694.45 of its unrestricted funds; (iii) the State provided \$2,100,000 in funds to the PCFA from funds made available pursuant to an appropriation in the Fiscal Year 2011 Appropriations Act; and (iv) pursuant to an administrative consent order executed by the Commissioner of the NJDEP, dated November 29, 2010, the PCFA was permitted to utilize \$10,106,062.50 from its Statutory Escrow Accounts ("Statutory Accounts") and \$8,000,000 from its

Board of Public Utilities Closure Account ("BPU Closure Account" and together with the Statutory Accounts, the "Restricted PCFA Funds"), for the purpose of making the Remaining Bond Payment.

As a condition to the utilization of the Restricted PCFA Funds, the terms and provisions of the Reimbursement Agreement require the PCFA to provide annual reimbursement to the Restricted PCFA Funds of the amounts previously withdrawn, together with accrued interest thereon ("Total Reimbursement Amount"), in whole or in part, as applicable, by depositing certain available funds of the PCFA (including certain appropriations made by the State, if available) back into the PCFA Restricted Funds over a term of years ("NJDEP Reimbursement"). Specifically, the PCFA is required to include in its annual budget, beginning with its budget for fiscal year 2011, an amount equal to the "Estimated Net Available Funds" of the PCFA, which includes the estimated funds available for the reimbursement of the Restricted PCFA Funds, calculated as the estimated total annual gross receipts, revenues and proceeds estimated to be received by the PCFA from operations, dispositions or any other source, less all anticipated expenditures for such fiscal year, including, without limitation, all operating costs, payments on indebtedness, general and administrative expenses, and all reserves of the PCFA. On December 31 of such year, the PCFA is required to deposit into the Restricted PCFA Funds the actual amount of funds then available, together with any available appropriations made by the State to the PCFA in such year, for purposes of paying all or a portion of the Total Reimbursement Amount. Any amounts due and owing relative the Total Reimbursement Amount shall be carried over into the subsequent year until such time as the Total Reimbursement Amount is paid in full (anticipated within five (5) years from 2011). The parties to the Reimbursement Agreement are presently negotiating a Term Sheet regarding potential modifications of the Reimbursement Agreement. Until such negotiations are completed and the modifications of the Reimbursement Agreement are executed, the terms of the Reimbursement Agreement remain unchanged. At the present time, it is not possible to determine when the PCFA will be able to complete the reimbursement of the escrow funds. The Reimbursement Agreement provides that the reimbursement obligation shall continue from year to year until such time as the reimbursement obligation has been paid in full.

The Atlantic Coast Decision of the United States Court of Appeals for the Third Circuit

On May 1, 1997, in Atlantic Coast Demolition & Recycling, Inc. v. Board of County Commissioners of Atlantic County, 112 F.3d. 652 (3d Cir. 1997), the United States Court of Appeals for the Third Circuit held that New Jersey's solid waste management system unconstitutionally discriminates against out-of-state operators of waste disposal facilities and, therefore, violates the Commerce Clause of the United States Constitution. Certain parties in the Atlantic Coast litigation filed a petition for writ of certiorari with the United States Supreme Court seeking a review of the decision of the Third Circuit. On November 10, 1997, the United States Supreme Court denied the petition for writ of certiorari.

Based upon the Atlantic Coast decision, the method used to select and operate the Resource Recovery Facility and the Landfill as the facilities designated for the disposal of all of the solid waste generated by each county within the County appeared to unconstitutionally restrict interstate commerce.

On January 29, 1996, following an interim ruling in the Atlantic Coast case which invalidated regulatory flow control for certain construction and demolition waste ("C&D Waste"), the PCFA reduced tipping fees for C&D Waste delivered to the Landfill to a reduced market rate. On November 17, 1997, following the denial of certiorari by the United States Supreme Court in the Atlantic Coast case, the Partnership unilaterally reduced system tipping fees being collected by the Partnership at the Resource Recovery Facility to a level less than that imposed by the PCFA. This was a response by the Partnership to price competition and the resulting decrease in the volume of solid waste being delivered for processing at the Resource Recovery Facility.

Since that time, tipping fees at the Resource Recovery Facility have been reduced and/or increased to a market competitive rate in an effort to maximize operating revenues.

The Response of the County to the Atlantic Coast Decision

In an attempt to address, among other things, the structure of the County's solid waste management plan in the aftermath of the Atlantic Coast decision, on September 18, 1997, the Board adopted a resolution authorizing an amendment to the solid waste management plan of the County. The plan amendment is entitled "A Strategy for the Disposal of Solid Waste Generated Within the Camden County Solid Waste Management District and for the Satisfaction of Solid Waste Disposal Related Debt Obligations After the Implementation of the Atlantic Coast Court Decision" ("September 1997 Solid Waste Management Plan Amendment"). The September 1997 Solid Waste Management Plan Amendment directed that the PCFA procure disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. Further, the PCFA was directed to continue to aggregate its disposal and administrative costs and impose a unified tipping fee on all waste collected for disposal within the County.

On November 14, 1997, the Commissioner of the NJDEP issued a certification with respect to the September 1997 Solid Waste Management Plan Amendment of the County ("NJDEP Certification"). The NJDEP granted approval with regard to that aspect of the September 1997 Solid Waste Management Plan Amendment governing the procurement of disposal capacity using methods that comply with the laws governing public contracts and in a manner that does not discriminate against interstate commerce. However, since the procurement process had not yet been completed, such NJDEP approval of this aspect of the September 1997 Solid Waste Management Plan Amendment was made contingent upon receipt by the NJDEP of a subsequent amendment or administrative action that documents the awarding of a nondiscriminatory bid contract(s).

Finally, the NJDEP determined to be unenforceable the establishment by the September 1997 Solid Waste Management Plan Amendment of flow control during the interim period between judicial abrogation of the then current disposal contracts and the completion of the procurement of new disposal capacity in a manner that does not discriminate against interstate commerce. The NJDEP has concluded that the lifting by the Third Circuit of the District Court's stay of the injunction against the enforcement of flow control precludes even this interim control of flow as anticipated by the September 1997 Solid Waste Management Plan Amendment.

For the purpose of responding to the remaining issues cited by the NJDEP Certification, on December 29, 1997, the Board adopted a resolution authorizing a further amendment to the solid waste management plan of the County. The plan amendment is entitled "A Modified Strategy for the Disposal of Solid Waste Generated within the Camden County Solid Waste Management District, Following the November 10, 1997 Implementation of the Atlantic Coast decision, and Following the New Jersey Department of Environmental Protection's Acceptance in Part, Rejection in Part and Remand in Part of Camden County Plan Amendment 81-9-97 Adopted September 18, 1997" ("December 1997 Solid Waste Management Plan Amendment"). In compliance with the NJDEP Certification, the December 1997 Solid Waste Management Plan Amendment deleted from the solid waste management plan of the County the establishment of flow control during the interim period between judicial abrogation of the disposal contracts and the completion of procurement of new disposal capacity in a manner that does not discriminate against interstate commerce.

Note 18: CONTINGENT LIABILITIES (CONT'D)**Pollution Control Financing Authority of Camden County (Cont'd)****The Response of the County to the Atlantic Coast Decision (Cont'd)**

The December 1997 Solid Waste Management Plan Amendment was submitted to the NJDEP for consideration of approval. On June 29, 1998, the Commissioner of the NJDEP issued a certification with respect to the December 1997 Solid Waste Management Plan Amendment. The NJDEP, among other things, (i) approved the deletion of the reference to the retention of regulatory flow control during the interim period prior to completion of nondiscriminatory reprourement, and (ii) approved the inclusion of a strategy to complete a nondiscriminatory procurement process and to thereby regulate the flow of waste as a market regulator (although the NJDEP stressed that separate approval of the actual results of such reprourement will be required).

On December 5, 1997, the PCFA opened bids and proposals submitted with respect to the reprourement by the PCFA of solid waste disposal services. For a period of time thereafter, the bids and proposals, as well as supplements thereto solicited by the PCFA during 2000, were considered by the PCFA and its professional advisors. During a portion of such period, the PCFA engaged in substantive negotiations with the Partnership, as one of the responding proposers, for the purpose of attempting to agree upon the final terms and conditions of a long-term solid waste services disposal agreement. Upon the completion of such process, the contract for the reprourement of solid waste disposal services was awarded by the PCFA to the Partnership. Such contract between the PCFA and the Partnership (the "Reprocurement Agreement") was signed on July 25, 2001, and on such date such Reprocurement Agreement was submitted by the PCFA to the State for approval, in satisfaction of applicable statutory requirements. In response to the submission to the State by the PCFA, the State submitted questions to the PCFA via interrogatories. The PCFA responded to the interrogatories of the State on November 5, 2001 and has not received further communication from the State with regard to the Reprocurement Agreement. The period during which the State may approve or reject the Reprocurement Agreement has lapsed. The obligations of the PCFA and the Partnership pursuant to the terms of the Reprocurement Agreement were subject to the satisfaction of certain conditions precedent identified in the Reprocurement Agreement. Such conditions precedent were not satisfied by the specified date and, therefore, the Reprocurement Agreement has automatically terminated. No further reprourement agreements were executed. The 1985 Service Agreement between the PCFA and the Partnership expired on July 1, 2011.

Proposed Dissolution of the PCFA

The County has preliminarily determined that the best interests of the residents of the County would be served by the dissolution of the PCFA to be accomplished pursuant to the requirements of the Local Authorities Fiscal Control Law, N.J.S.A. 40A:5A-1, et seq., as amended and supplemented ("Local Authorities Fiscal Control Law"), including N.J.S.A. 40A:5A-20. The County has also preliminarily determined that the dissolution of the PCFA could result in savings to the County by reducing overall costs by combining operations and providing services in a more efficient manner.

In connection with the proposed dissolution, the County, the PCFA and the CCIA have collectively preliminarily determined that it would be in the best interests of the residents of the County for the CCIA to: (i) upon dissolution, on a going-forward basis, assume the responsibility and otherwise provide for the payment of all creditors or obligees of the PCFA, (ii) assume ownership of the Landfill, and (iii) provide all of those services previously provided by the PCFA. On April 14, 2011, the Commissioners of the CCIA adopted a resolution preliminarily authorizing the CCIA, upon dissolution, on a going-forward basis, to assume responsibility and otherwise provide for the payment of all creditors and obligees of PCFA upon dissolution of PCFA and to assume ownership and operation of the Landfill ("CCIA Assumption Resolution").

Note 18: CONTINGENT LIABILITIES (CONT'D)**Pollution Control Financing Authority of Camden County (Cont'd)**

Finally, the PCFA has preliminarily determined to voluntarily accede to the dissolution and to cooperate with the County and the CCIA in connection with the dissolution and transfer of the Landfill and other assets of the PCFA to CCIA. To that end, the PCFA adopted resolutions on March 22, 2011 and May 24, 2011, preliminarily authorizing the dissolution and the transfer of the PCFA's assets and liabilities to the CCIA.

Pursuant to Section 20 of the Local Authorities Fiscal Control Law, the PCFA may be dissolved by the County, subject to approval of the Local Finance Board. On May 19, 2011, the Board of Commissioners of the County introduced an ordinance authorizing the dissolution of the PCFA and making certain other determinations in connection therewith ("Dissolution Ordinance"). The Dissolution Ordinance provides, as a condition to dissolution, for the CCIA to provide, upon dissolution, on a going-forward basis, for the payment of all creditors and obligees of the PCFA (including the NJDEP). The CCIA Assumption Resolution provides for the CCIA, upon dissolution, on a going-forward basis, to be responsible for all of the PCFA's outstanding obligations (including the NJDEP Reimbursement) and for the provision of all of the services previously provided by the PCFA, including ownership and operation of the Landfill and to take possession of any and all assets and property (including real property), rights and privileges of the PCFA, including contract rights, permits, claims, defenses, causes of action, and all tangible and intangible interests.

In accordance with the Local Authorities Fiscal Control Law, the County and the CCIA are in the process of completing an application to be submitted to the Local Finance Board seeking approval for the final adoption of the Dissolution Ordinance. As of the date hereof, however, no such application has been filed. Upon filing to and approval from the Local Finance Board for the final adoption of the Dissolution Ordinance, the County, the PCFA and the CCIA shall undertake and complete all legal and procedural requirements necessary to effectuate the dissolution of the PCFA and the transfer of the PCFA's assets and liabilities to the CCIA as described above. Additionally, upon determination to proceed with the filing of an application to the Local Finance Board, the PCFA and the CCIA shall undertake and complete all necessary procedural and legal requirements relative to the transfer of the Landfill and related assets to the CCIA upon dissolution of the PCFA.

Litigation Concerning the Pennsauken Sanitary Landfill

The PCFA acquired the Pennsauken Sanitary Landfill ("Landfill") from the Township of Pennsauken ("Pennsauken") and the Pennsauken Solid Waste Management Authority ("PSWMA") in December 1991, pursuant to the provisions of the Amended and Restated Operations Transfer Agreement, dated October 11, 1991 (the "AROTA"), among the PCFA, the PSWMA, Pennsauken and the County. Prior to that time, the Landfill was operated by the PSWMA on land owned by Pennsauken. Since acquisition the PCFA has continued to operate the Landfill for disposal of bypass waste, residue from the operation of the Resource Recovery Facility, and the disposal of construction and demolition waste.

There are long-standing claims regarding the remediation of the contamination of the Landfill. The PSWMA executed an Administrative Consent Order ("ACO") with the New Jersey Department of Environmental Protection in December 1988. The ACO obligated the PSWMA to remediate contamination caused by the Landfill. The PCFA assumed the remediation obligations of the PSWMA pursuant to the AROTA. The PCFA, PSWMA and Pennsauken were plaintiffs in ongoing litigation seeking the recovery of costs associated with remediation necessary pursuant to the ACO. Counterclaims were made against Pennsauken. Pennsauken was represented by counsel for one of its insurance carriers. Trial in this litigation commenced on January 20, 2009. By the end of the second day of trial, all claims in the litigation were settled in principle. The PCFA and some defendants continue to review and execute settlement agreements. Pursuant to the settlement agreements, all defendants have been given releases and indemnification protection by the PCFA and Pennsauken. Settlement documents with Ward Sand and Materials Company and James D. Morrissey, Inc. (the "Ward Sand parties") (the prior landfill owner and operator) are in the process of being finalized. In the meantime, the

Note 18: CONTINGENT LIABILITIES (CONT'D)**Pollution Control Financing Authority of Camden County (Cont'd)**

Ward Sand parties have satisfied their payment obligations. Pursuant to the ACO, the PCFA is primarily responsible for the liability associated with the contamination at the Landfill either directly as a successor to the PSWMA under the ACO or indirectly through the indemnification provisions of the AROTA. In the event that the litigation settlement proceeds are not sufficient to remediate the contamination at the Landfill, Pennsauken could be potentially responsible pursuant to the indemnification provisions in the various settlement agreements. Additionally, it is possible that the County could be responsible for all or a portion of such liability under the AROTA. To date, \$15,603,370.29 in settlement proceeds have been collected from all of the settling parties. Recent estimates project that the remediation cost to be approximately this amount or less. They are premised on the designed system accomplishing the remediation as presently designed. Design modifications could be necessary. Additionally, it is presently anticipated that the remediation can accomplish the desired goals in approximately 10-30 years. Contingencies could arise which could impact the design of the remediation system or the length of time in which it must be in operation. Therefore, it is impossible to determine at this time what the exact cost of the PCFA's remediation obligations will be. While it is impossible to estimate the likelihood of such an outcome, any such liability of the PCFA and/or the County could have a material adverse impact upon their respective financial conditions. In the event of a dissolution of the PCFA, any existing or potential liabilities of the PCFA would pass to the CCIA.

Note 19: OPEN SPACE, RECREATION, FARMLAND AND HISTORIC PRESERVATION TRUST

On November 3, 1997, pursuant to P.L. 1997, c. 24 (N.J.S.A. 40:12-15.1 et seq.), the voters of Camden County authorized the establishment of the Camden County Open Space, Recreation, Farmland and Historic Preservation Trust Fund effective January 1, 1998, for the purpose of raising revenue for the acquisition of lands and interests in lands for the conservation of farmland and open space. The County proposed to levy a tax not to exceed one cent per one hundred dollars of equalized valuation. On November 8, 2005, the County of Camden proposed to levy an additional one cent per one hundred dollars of equalized valuation. Amounts raised by taxation are apportioned by the County Board of Taxation among the municipalities in accordance with N.J.S.A. 54:4-9 and are assessed, levied and collected in the same manner and at the same time as other County taxes. Future increases in the tax rate or to extend the authorization must be authorized by referendum. All revenue received is accounted for in a Trust Fund dedicated by rider (N.J.S.A. 40A:4-39) for the purposed stated. Interest earned on the investment of these funds is credited to the Camden County Open Space, Recreation, Farmland and Historic Preservation Trust Fund.

Note 20: CHANGE ORDERS

During the year 2023, the County amended several contracts by approving change orders, however, none resulted in the total amount of change orders executed for these projects that exceeded the originally awarded contract price by more than twenty percent (20%).

Note 21: CONTINGENCIES

Grantor Agencies - Amounts received or receivable from grantor agencies could be subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the County expects such amount, if any, to be immaterial.

Litigation - The County is a defendant in several legal proceedings that are in various stages of litigation. It is believed that the outcome, or exposure to the County, from such litigation is either unknown or potential losses, if any, would not be material to the financial statements **with the exception** of the eventual resolution of the litigation involving the Pollution Control Financing Authority (see Note 18).

Note 22: CONCENTRATIONS

The County depends on financial resources flowing from, or associated with, both the federal government and the State of New Jersey. As a result of this dependency, the County is subject to changes in specific flows of intergovernmental revenues based on modifications to federal and State laws and federal and State appropriations.

Note 23: TAX ABATEMENTS

Municipalities within the County are authorized to enter into property tax abatement agreements for commercial and industrial structures under N.J.S.A. 40A:21-1 (Chapter 441, P.L. 1991) known as the "Five Year Exemption and Abatement Law". Under this law, municipalities may grant property tax abatements for a period of five years from the date of completion of construction for the purpose of encouraging the construction of new commercial and industrial structures. The first calendar year following completion, 0 percent of taxes are due, and each subsequent calendar the percentage of taxes due increases by 20 percent. During the 6th calendar year, 100 percent of taxes are assessed and due. The property owner agrees that the payment in lieu of taxes shall be made to the municipality in quarterly installments on those dates when real estate tax payments are due. Failure to make timely payments shall result in interest being assessed at the highest rate permitted for unpaid taxes and a real property tax lien on the land.

For 2023, the Abstract of Ratables for Camden County indicated 23 of 37 municipalities abated property taxes under this program. The total assessed value abated was \$34,555,820.00. Municipalities also granted various other abatements of which the dollar amount of assessments is not readily available. The County receives 100% of its tax levy from each of the municipalities within the County and does not have any reduction in revenue as a result of these tax abatement programs.

With respect to Bonds so registered in the name of Cede, the Authority and the Trustee shall have no obligation or responsibility to any DTC participant, indirect DTC participant or any beneficial owner of the Bonds. Without limiting the generality of the foregoing, the Authority and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC participant or indirect DTC participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any DTC participant, indirect DTC participant, beneficial owner or any other Person, other than DTC or Cede, of any notice with respect to such Bonds, or (iii) the payment to any DTC participant, indirect DTC participant, beneficial owner or any other Person, other than DTC or Cede, of any amount with respect to the principal of, redemption premium, if any, or interest on such Bonds. No Person other than DTC shall receive a Bond certificate evidencing the obligation of the Authority to make payments of principal thereof, redemption premium, if any, and interest thereon pursuant to this Bond Resolution. (3) Upon the termination of the services of DTC with respect to all or any portion of such Bonds pursuant to subsection (c)(2)(i) or (c)(2)(ii)(A) hereof, or upon the discontinuance or termination of the services of DTC with respect to all or any portion of such Bonds pursuant to subsection (c)(1) or subsection (c)(2)(ii)(B) hereof, after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Authority, is willing and able to undertake such functions upon reasonable and customary terms, such Bonds (or the applicable portion thereof) shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede, as nominee of DTC, but may be registered in whatever name or names Bondholders transferring or exchanging such Bonds, as the case may be, shall designate, in accordance with the provisions of this Bond Resolution. Upon the determination by any party authorized herein that such Bonds (or any portion thereof) shall no longer be limited to book-entry form, the Authority shall immediately advise the Trustee, in writing, of the procedures for transfer of such Bonds from such book-entry form to a fully registered form.

- (d) Notwithstanding any other provision of this Bond Resolution to the contrary, so long as any Series of Bonds is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal of, redemption premium, if any, and interest on, and all notices with respect to, such Bonds shall be made and given, respectively, to DTC as provided in the Letter of Representations of the Authority and the Trustee, addressed to DTC, with respect to such Bonds.
- (e) In connection with any notice or other communication to be provided to Bondholders pursuant to this Bond Resolution by the Authority or the Trustee with respect to any consent or other action to be taken by Bondholders, the Authority or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

3. The proceeds, including accrued interest, of the Refunding Bonds of such Series shall be applied simultaneously with the delivery of such Refunding Bonds, as provided in the Supplemental Resolution authorizing such Refunding Bonds.

4. Upon the defeasance of the Bonds being refunded, the refunded Bonds shall no longer be entitled to the benefit of the Guaranty for the refunded Bonds and such Guaranty shall be released and extinguished with respect to such refunded Bonds.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

2. Each Series of Bonds shall bear thereon evidence of the Guaranty in the form set forth in Section 1403 of this Bond Resolution, which shall be executed by an Authorized County Representative as set forth therein. The Guaranty upon any Bond duly executed by an Authorized County Representative shall be conclusive evidence that the Holder thereof is entitled to the benefits of the Guaranty.

Section 303. Execution of Bonds. The Bonds shall be executed in the name of the Authority by the manual or facsimile signature of its Chairman or Vice Chairman and its corporate seal shall be thereunto affixed, imprinted or otherwise reproduced and attested by the manual or facsimile signature of the Secretary or Assistant Secretary of the Authority. In the event any officer who shall have signed, sealed or attested any of the Bonds shall cease to be such officer of the Authority before the Bonds so signed, sealed or attested shall have been authenticated and delivered by the Trustee or by the Bond Registrar, such Bonds nevertheless may be authenticated and delivered as herein provided as if the Person who so signed, sealed or attested such Bonds had not ceased to be such officer. Any Bond of a Series may be signed, sealed or attested on behalf of the Authority by any Person who shall hold the proper office at the date of such act, notwithstanding at the date of such Bonds such Person may not have held such office.

Section 304. Authentication of Bonds. The Bonds of each Series shall bear thereon a certificate of authentication, substantially in the form set forth in Section 1402 hereof, duly executed upon issuance by the Trustee or the Bond Registrar. Only such Bonds as shall bear thereon such certificate of authentication, duly executed, shall be entitled to any right or benefit under this Bond Resolution. No Bond shall be valid or obligatory for any purpose unless such certificate of authentication upon such Bond shall have been duly executed by the Trustee, or by the Bond Registrar, as the case may be. Such certificate of authentication by the Trustee or by the Bond Registrar, as the case may be, upon any Bond executed on behalf of the Authority shall be conclusive and the only evidence that the Bond so authenticated has been duly authenticated and delivered under this Bond Resolution and that the Holder thereof is entitled to the benefit of this Bond Resolution.

Section 305. Transfer, Exchange and Registry of Bonds and Agency Therefor. 1. The Authority shall cause and hereby appoints the Bond Registrar as its agent to maintain and to keep books for the registration, the exchange and the transfer of Bonds. Upon presentation of Bonds for transfer or exchange at the designated office of the Bond Registrar, together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the Holder or by his attorney duly authorized in writing, the Bond Registrar shall register or shall cause to be registered and shall permit to be transferred thereon or to be exchanged any Bond entitled to registration, transfer or exchange. Upon the transfer or exchange of any Bond, the Authority shall execute, and the Trustee or the Bond Registrar shall authenticate and shall deliver a new Bond or Bonds of such Series in any Authorized Denomination registered in the name of the Holder or transferee of the same aggregate principal amount, Series designation and maturity as the surrendered Bond.

2. The Authority and each Fiduciary may deem and treat the Person in whose name any Bond shall be registered upon the books of the Authority as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on such Bond and all such

payments so made to any such Registered Owner or such Registered Owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Authority nor any Fiduciary shall be affected by any notice to the contrary. The Authority agrees to indemnify and save each Fiduciary harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without gross negligence or willful misconduct under this Bond Resolution, in so treating such Registered Owner.

3. All Bonds surrendered in any such exchanges or transfers shall forthwith be delivered to the Bond Registrar and canceled or retained by the Bond Registrar. For every such exchange or transfer of Bonds, whether temporary or definitive, the Authority or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer. Neither the Authority nor the Bond Registrar shall be required (a) to exchange or transfer the Bonds of any Series for a period beginning on the Record Date next preceding an Interest Payment Date for Bonds of a particular Series and ending on such Interest Payment Date, or for a period of fifteen (15) days next preceding the date (as determined by the Trustee) of any selection of Bonds to be redeemed and thereafter until after the mailing of the notice of redemption, or (b) to transfer or exchange any Bonds called for redemption.

Section 306. Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds. In case any Outstanding Bond shall be mutilated, destroyed, stolen or lost, the Authority shall execute and the Trustee or the Bond Registrar, as the case may be, shall authenticate and shall deliver a new Bond, of like tenor, number, Series designation and amount as the Bond so mutilated, destroyed, stolen or lost in exchange and in substitution for and upon surrender of such mutilated Bond or in lieu of and in substitution for the Bond, if any, destroyed, stolen or lost upon filing with the Trustee and the Bond Registrar evidence satisfactory to the Authority, the Trustee and the Bond Registrar that such Bond had been destroyed, stolen or lost and proof of ownership thereof, upon furnishing the Authority, the Trustee and the Bond Registrar with indemnity satisfactory to them, upon paying such expenses as the Authority, the Trustee and the Bond Registrar may incur in connection therewith and upon complying with such other reasonable regulations as the Authority, the Trustee and the Bond Registrar may prescribe. In lieu of reissuing a mutilated, destroyed, lost or stolen Bond that is due and payable, the Trustee and the Bond Registrar may pay the amount due on such Bond to the Owner or the Holder thereof, provided all the other requirements of this Section 306 have been met. Any Bond surrendered for transfer shall be canceled by the Trustee. Any such new Bonds issued pursuant to this Section 306 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Authority, whether or not the Bonds so alleged to be destroyed, stolen or lost be at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Bond Resolution, in any moneys or securities held by the Authority or any Fiduciary for the benefit of the Bondholders.

Section 307. Temporary Bonds. Until the definitive Bonds are prepared, the Authority may execute in the same manner as is provided in Section 303 hereof and, upon the request of the Authority, the Trustee or Bond Registrar shall authenticate and shall deliver in lieu of definitive Bonds but subject to the same provisions, limitations and conditions as the definitive Bonds except as to the denominations thereof and as to exchangeability for registered

Bonds, one or more temporary Bonds of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in Authorized Denominations and with such omissions, insertions and variations as may be appropriate to temporary Bonds for notation thereon of the payment of such interest. The Authority at its own expense shall prepare and shall execute and, upon the surrender for exchange and for cancellation of such temporary Bonds, the Trustee or the Bond Registrar shall authenticate and shall deliver in exchange therefor definitive Bonds of the Authority without charge to the Holder thereof.

Section 308. Payment of Interest on Bonds; Interest Rights Preserved. 1. Interest on any Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Bond is registered at the close of business on the Record Date or any date which is the fifteenth (15th) day immediately preceding an Interest Payment Date as shall be provided in a Supplemental Resolution authorizing any Series of Bonds.

2. Any interest on any Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (hereinafter "**Default Interest**") shall forthwith cease to be payable to the Registered Owner on the relevant Record Date by virtue of having been such Owner; and such Default Interest shall be paid by the Authority to the Persons in whose names the Bonds are registered at the close of business on a date (hereinafter the "**Special Record Date**") for the payment of such Default Interest, which shall be fixed in the following manner. The Authority shall notify the Trustee, in writing, of the amount of Default Interest proposed to be paid on each Bond and the date of the proposed payment ("**Default Interest Payment Date**") (which date shall be not less than twenty-five (25) days after such notice), and at the same time the Authority shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Default Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Default Interest herein provided. Thereupon, the Trustee shall fix a Special Record Date for the payment of such Default Interest, which Special Record Date shall be not more than fifteen (15) nor less than ten (10) days prior to the Default Interest Payment Date, and which Special Record Date shall be fixed by the Trustee within ten (10) days after the receipt by the Trustee of the notice of the proposed payment from the Authority. The Trustee shall promptly notify the Authority of such Special Record Date and Default Interest Payment Date and, in the name and at the expense of the Authority, shall cause notice of the proposed payment of such Default Interest and the Special Record Date and Default Interest Payment Date therefor to be mailed, first class postage prepaid, to each Bondholder at his address as it appears in the registry books, not less than ten (10) days prior to such Special Record Date.

Subject to the foregoing provisions of this Section 308, each Bond delivered under this Bond Resolution upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

Section 309. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, shall be delivered to the Trustee when such payment is made, and such Bonds shall thereupon be promptly canceled. Bonds so canceled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be filed with the Authority and the other executed certificate shall be retained by the Trustee.

ARTICLE IV

REDEMPTION OF BONDS

Section 401. Privilege of Redemption and Redemption Price. Bonds subject to redemption prior to maturity pursuant to this Bond Resolution or a Supplemental Resolution shall be redeemable, upon notice as provided in this Article IV, at such times, at such Redemption Prices and upon such terms, in addition to the terms contained in this Article IV, as may be specified in the Award Certificate pertaining to the Series 2024 Bonds and the Supplemental Resolution authorizing Refunding Bonds (other than the Series 2024B Bonds) or in the Award Certificate pertaining to such Series of Refunding Bonds. The written consent of the County to effectuate a redemption of any Series of Bonds shall be received by the Authority prior to the redemption of a particular Series of Bond, except for the redemption of Bonds pursuant to mandatory sinking fund redemption. A copy of such written consent of the County shall be received by the Trustee prior to the mailing of the notice of redemption in accordance with Section 405 hereof. Except as may be otherwise provided in a Supplemental Resolution authorizing a Series of Bonds or in the Award Certificate pertaining to such Series of Bonds, any Series of Bonds may be redeemed in whole or in part on any date by the Authority, at the written direction of the County, in accordance with this Bond Resolution or a Supplemental Resolution or Award Certificate, as applicable.

Section 402. Redemption at the Election or Direction of the Authority. In the case of any redemption of Bonds (including any Series thereof) by the Authority, at the written direction of the County, the Authority shall give written notice to the Trustee of the election or direction of the County to so redeem, except for the redemption of Bonds pursuant to mandatory sinking fund redemption, in accordance herewith, of the redemption date, of the Series, and of the principal amounts of the Bonds of each maturity of such Series to be redeemed (which Series, maturities and principal amounts thereof to be redeemed shall be determined by the Authority, upon the written consent of the County, subject to any limitations with respect thereto contained in this Bond Resolution). Such notice shall be given at least sixty (60) days prior to the redemption date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 405 provided, there shall be paid on or prior to the redemption date to the appropriate Paying Agents an amount in cash or noncallable Investment Securities which, in addition to other moneys, if any, available therefor held by such Paying Agents, will be sufficient to redeem on the redemption date at the Redemption Price thereof, plus interest accrued thereon and unpaid to the redemption date, all of the Bonds to be so redeemed. The Authority shall promptly notify the Trustee, in writing, of all such payments by it to such Paying Agents.

Section 403. Redemption Otherwise Than at the Authority's Election or Direction. Whenever by the terms of this Bond Resolution the Trustee is required or authorized to redeem Bonds otherwise than at the election or direction of the Authority, provided that if such redemption is required to be consented to, in writing, by the County, such written consent has been delivered to the Trustee, the Trustee shall (i) select the Bonds or portions of Bonds to be redeemed, (ii) give the notice of redemption, and (iii) pay out of moneys available therefor the Redemption Price thereof, plus interest accrued thereon and unpaid to the redemption date, to the appropriate Paying Agents in accordance with the terms of this Article IV.

Section 404. Selection of Bonds to be Redeemed. 1. Any Series of Bonds shall be redeemed only in Authorized Denominations. If less than all of a Series of Bonds are to be redeemed prior to maturity and in any principal amount within a maturity, such Bonds shall be called for redemption in any order of maturity as the Authority may designate with the consent of the County. If the Bonds are registered in book-entry form, and so long as DTC or a successor Securities Depository is the sole Registered Owner of such Bonds and if fewer than all of such Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Bonds to be redeemed shall be selected on a pro-rata pass-through distribution of principal basis in accordance with DTC procedures; provided that, so long as the Bonds are held in book-entry form, the selection for redemption of such Bonds shall be made in accordance with the operational arrangements of DTC then in effect, and, if the DTC operational arrangements do not allow for redemption on a pro-rata pass-through distribution of principal basis, the Bonds will be selected for redemption in accordance with DTC procedures, by lot; provided that any such redemption must be performed such that all Bonds remaining Outstanding will be in Authorized Denominations.

If a Series of Bonds are no longer in registered book-entry form and DTC or a successor Securities Depository is no longer the sole Registered Owner of such Series of Bonds, if fewer than all of such Bonds of the same maturity and bearing the same rate of interest are to be redeemed, such Bonds of the same maturity and bearing such interest rate will be selected on a pro-rata basis within any maturity as shall be selected by the Trustee by lot; provided that any such redemption must be performed such that all Bonds of such Series remaining Outstanding will be in Authorized Denominations.

For purposes of calculating pro-rata pass-through distributions of principal, "pro-rata" means, for any amount of principal or interest to be paid, the application of a fraction to such amounts where (A) the numerator of which is equal to the amount due to the respective registered Owners of the applicable Series of Bonds on a payment date and (B) the denominator of which is equal to the total original principal amount of the applicable Series of Bonds.

2. In the case of a partial redemption of a Series of Bonds when such Bonds of denominations greater than the minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each principal amount equal to the minimum Authorized Denomination shall be treated as though it was a separate Bond of the minimum Authorized Denomination. If it is determined that a portion, but not all, of the principal amount represented by any such Bond is to be selected for redemption, then upon notice of intention to redeem such portion, the Owner of such Bond or such Owner's attorney or legal representative shall forthwith present and surrender such Bond to the Trustee: (i) for payment of the redemption price (including the premium, if any, and interest to the date fixed for redemption) of the principal amount called for redemption; and (ii) for exchange, without charge to the Owner thereof for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond shall fail to present such Bond to the Trustee for payment and exchange as aforesaid, said Bond shall, nevertheless, become due and payable on the redemption date to the extent of the principal amount called for redemption (and to that extent only).

3. The Trustee shall call each Series of Bonds for redemption and payment as herein provided upon receipt by the Trustee at least 45 days prior to the redemption date of a

written request of the Authority with the consent of the County. Such request shall specify the principal amount of the applicable Series of Bonds and their maturities so to be called for redemption, the applicable redemption price or prices and the provision or provisions above referred to pursuant to which such Bonds are to be called for redemption. The foregoing provisions of this paragraph shall not apply in the case of any mandatory sinking fund redemption of Bonds, and such Bonds, subject to the exercise by the Authority of its rights as set forth herein, shall be called by the Trustee for redemption pursuant to such mandatory sinking fund redemption requirements without the necessity of any action by the Authority and whether or not the Trustee shall hold in the Debt Service Fund moneys available and sufficient to effect the required redemption.

Section 405. Notice of Redemption. When the Trustee shall receive notice from the Authority of the election or direction of the County to redeem Bonds pursuant to Section 402 hereof, except for the redemption of Bonds pursuant to mandatory sinking fund redemption, and when redemption of Bonds is authorized or required pursuant to Section 403 hereof and the Trustee shall have received written notice from the County of its consent to the redemption of the Bonds, the Trustee shall give notice, in the name of the Authority, of the redemption of such Bonds, which notice shall specify the Series designation and maturities of the Bonds to be redeemed, the Redemption Price, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Bonds of any like Series and maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Bonds so to be redeemed and, in the case of Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal amount thereof in the case of Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, via first class mail, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the Registered Owners of any Bonds or portions of Bonds which are to be redeemed, at their last addresses appearing upon the registry books. Failure to give notice by mail, or any defect in the notice to the Registered Owner of any Bonds which are to be redeemed, shall not affect the validity of the proceedings for the redemption of any other Bonds.

Any notice of redemption of the Bonds may state that it is conditioned upon there being available on the redemption date an amount of money sufficient to pay the Redemption Price, together with interest accrued and unpaid to the redemption date, and any conditional notice so given may be rescinded at any time to and including the redemption date if such condition so specified is not satisfied. If a redemption does not occur after a conditional notice is given due to an insufficient amount of funds being on deposit with the Paying Agent to pay the Redemption Price on the redemption date, the corresponding conditional notice of redemption shall be deemed to have been revoked *nunc pro tunc* and shall be deemed to be null and void as if never given and such Bonds or portions thereof shall continue to bear interest until paid at maturity at the same rate as they would have borne had they not been called for redemption.

If, on the redemption date, moneys for the redemption of all the Bonds or portions thereof of any like Series and maturity to be redeemed, together with interest thereon to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and

if a notice of redemption shall have been given as aforesaid, then from and after the redemption date interest on the Bonds or portions thereof of such Series and maturity so called for redemption shall cease to accrue and become payable.

The Trustee shall comply with any notice or other requirements of DTC to effectuate a redemption of Bonds. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives the notice.

Section 406. Payment of Redeemed Bonds. Notice having been given in the manner provided in Section 405 hereof, the Bonds or portions thereof so called for redemption shall become due and payable on the redemption date so designated at the Redemption Price, plus interest accrued thereon and unpaid to the redemption date and, upon presentation and surrender thereof at the office specified in such notice, such Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued thereon and unpaid to the redemption date. If there shall be called for redemption less than all of a Bond of like Series, the Authority shall execute and the Trustee shall authenticate and the Paying Agent shall deliver, upon the surrender of such Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Bonds so surrendered, fully registered Bonds of like Series and maturity in any Authorized Denominations.

2. There shall be paid into such Account (a) the amounts required to be so paid by the provisions of this Bond Resolution, including any proceeds from the Loan in accordance with Section 203(8)(c) hereof, (b) any Proceeds received with respect to the 2024 Capital Program pursuant to Sections 7.06 and 7.07 of the Loan Agreement, (c) amounts received from the County pursuant to Section 4.11 of the Loan Agreement and subsection six (6) of this Section 503, (d) amounts received from the County from the conveyance or exchange of facilities and/or equipment constituting part of the 2024 Capital Program previously acquired

The Authority shall authorize the Trustee to make payments from the 2024A Account in the Acquisition Fund for the Cost of the 2024 Capital Program in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this subsection (3). Before any such payment shall be made, there shall be filed by the County with the Trustee: a requisition therefor, which requisition shall be substantially in the form set forth in Exhibit B to the Loan Agreement, signed by an Authorized County Representative, stating in respect of each payment to be made (A) the requisition number; (B) that such payment is to be made from the 2024A Account in the Acquisition Fund; (C) the name and address of the Person to whom payment is to be made by the Trustee, or if payment is to be made to the County for a reimbursable advance, the name and address of the Person to whom such advance was made together with proof of payment by the County; (D) the amount to be paid, which amount represents the payment due to the Person referenced in clause (C) above, or 100% of the payment previously made by the County; (E) the particular item of Cost to be paid to which the requisition relates; (F) that each obligation, item of Cost or expense mentioned therein has been properly incurred, is an item of Cost of the 2024 Capital Program, is unpaid or unreimbursed, and is a proper charge against the 2024A Account in the Acquisition Fund and has not been the basis of any previously paid withdrawal or requisition; (G) that the public contracts bidding laws applicable to the contract pursuant to which payment is being requested have been complied with (excluding requisitions for payment of any Project Management Fee), if any; (H) if such payment is a reimbursement to the County for Costs or expenses incurred by reason of work performed or supervised by officers or employees of the Authority or the County, that the amount to be paid does not exceed the actual cost thereof to the County; (I) that no uncured Event of Default has occurred under the Loan Agreement (as defined under Section 8.01 thereof) or under this Bond Resolution and everything required to be performed by the County has been performed; (J) the County has not received notice of any lien, right to lien or attachment upon, or other claim affecting the right to receive payment of, any of the moneys payable under such requisition to any of the Persons named therein or, if any of the foregoing has been received, it has been released or discharged or will be released or discharged upon payment of the requisition; and (K) in the event there are not sufficient funds available to pay such requisition from the maturity of any Investment Securities, instructions specifying the Investment Security or Securities which should be liquidated for the payment thereof. The Trustee shall issue its check for each payment required by such requisition or shall by interbank transfer or other method, arrange to make the payment required by such requisition. The Trustee shall have no obligations hereunder and may rely on the requisition if properly signed.

4. The completion of the 2024 Capital Program by the County shall be evidenced by a certificate or certificates signed by an Authorized County Representative which

becomes due and payable. Such additional moneys shall be paid by the County to the Trustee for deposit in the 2024A Account in the Acquisition Fund and the Trustee shall pay the Cost thereof in accordance with the procedures outlined in Section 4.03 of the Loan Agreement and subsection (3) of this Section 503.

(b) In the event the County pays to the Trustee sums needed to fund the balance of the Cost of the 2024 Capital Program in accordance with the provisions of Section 4.11(A) of the Loan Agreement, the County shall complete Exhibit E attached to the Loan Agreement to reflect (i) the amount of moneys to be withdrawn from the 2024A Account in the Acquisition Fund to pay the Cost of the 2024 Capital Program, (ii) the amount of money forwarded to the Trustee by the County for deposit in the 2024A Account in the Acquisition Fund to make up the deficiency in such Cost of the 2024 Capital Program, and (iii) the total Cost of the item being requisitioned, which certificate shall be signed by an Authorized County Representative and delivered and filed with the Trustee.

7. Prior to the completion of the 2024 Capital Program, the Trustee shall, upon receipt of a requisition signed by an Authorized County Representative, advance moneys on deposit in the 2024A Account in the Acquisition Fund to provide for working capital. The Trustee shall advance such moneys only to the extent that such moneys are not needed to make payment on requisitions for the 2024 Capital Program within the following one hundred twenty (120) days and there are no other funds available to the County for working capital as certified by an Authorized County Representative. Repayment by the County to the Trustee for each such advance is due no later than one hundred twenty (120) days from the date of such advance and the Trustee shall deposit the County's repayment of any such advance in the 2024A Account in the Acquisition Fund.

Section 504. Revenue Fund. Except as set forth in Sections 505 and 603 hereof, all Revenues shall be promptly deposited by the Trustee upon receipt thereof into the Revenue Fund and shall be applied as set forth in Section 506 hereof. All moneys at any time deposited in the Revenue Fund shall be held in trust for the benefit of the Holders but shall nevertheless be disbursed and applied solely for the uses and purposes set forth in this Article V.

Section 505. Operating Fund. 1. Pursuant to an order of the Authority simultaneously delivered to the Trustee upon the original issuance of the Series 2024 Bonds and the initial advance of the Loan and, thereafter, upon the original issuance of any other Series of Refunding Bonds, any proceeds of the Loan and County moneys or Bond proceeds, as the case may be, representing costs of issuance and the Initial Authority Financing Fee shall be immediately deposited in the Operating Fund. Such amounts shall be paid by the Trustee in accordance with subsection (2) of this Section 505.

2. Amounts deposited in the Operating Fund shall be paid out by the Trustee pursuant to written direction of the Authority and the County from time to time for costs of issuance and Authority Administrative Expenses, including expenses incurred by the Authority to perform an arbitrage rebate calculation with respect to any Series of Tax-Exempt Obligations, upon requisition therefor submitted to the Trustee and signed by an Authorized Authority Representative stating: (i) the name of the Person to whom each such payment is due; (ii) the respective amounts to be paid; (iii) the purpose by general classification for which each obligation in the stated amounts has been or will be incurred; and (iv) each obligation in the

shall be in substantially the form set forth in Exhibit C to the Loan Agreement, and which shall be delivered and filed with the Trustee and the Authority, stating (i) that such 2024 Capital Program is complete or has been substantially completed, (ii) the date of completion of the 2024 Capital Program, (iii) the Cost of all labor, services, materials and supplies used in the 2024 Capital Program have been paid or will be paid from amounts retained by the Trustee, at the County's direction, for any Cost of the 2024 Capital Program and the amount, if any, required, in the opinion of the signer or signers, for the payment of any remaining part of the Cost of the 2024 Capital Program or any portion thereof, not then due and payable or, if due and payable, not yet paid, (iv) the 2024 Capital Program is an authorized "project" under the Act, and (v) all permits, including a Certificate of Occupancy, if required, necessary for the utilization of the 2024 Capital Program have been obtained and are in effect. Upon the filing of such Completion Certificate, the balance in the 2024A Account in the Acquisition Fund in excess of the amount, if any, stated in such Completion Certificate shall be transferred by the Trustee for deposit at the written direction of an Authorized County Representative (a copy of which Completion Certificate shall also be provided by the County to the Authority), in either (i) the 2024A Account in the Debt Retirement Fund for application to the retirement of Series 2024A Bonds by purchase or redemption, or (ii) the 2024A Account in the Debt Service Fund. If, subsequent to the filing of such certificate, it shall be determined that any amounts specified in such certificate as being required for the payment of any remaining part of the Cost of the 2024 Capital Program are no longer so required, such fact shall be evidenced by a certificate or certificates signed by an Authorized County Representative delivered and filed with the Trustee and the Authority stating such fact and the amount no longer required to be paid, and any amount shown therein as no longer being required shall be transferred to the Trustee for application as provided in the preceding sentence. Notwithstanding the foregoing, such Completion Certificate shall state that it is given without prejudice to any rights against third parties which exist as of the date of such certificate or which may subsequently come into being.

5. Any damages or other moneys from any contractor, subcontractor, manufacturer, supplier or any party to any contract for the 2024 Capital Program or its surety due and owing to the County pursuant to Section 5.11 of the Loan Agreement shall be paid to the Trustee for deposit in the 2024A Account in the Acquisition Fund (in accordance with written instructions from the Authority as directed in writing by the County) to complete the 2024 Capital Program. Any such moneys not necessary to complete the 2024 Capital Program or not so applied, as stated in a certificate executed by an Authorized County Representative delivered to the Trustee, shall be transferred by the Trustee to the 2024A Account in the Proceeds Fund and applied as a credit toward the County's Loan Payment obligations with respect to the Series 2024A Bonds on the next succeeding Loan Payment Date, in accordance with Section 507(2) and (3) hereof.

6. (a) In the event the Cost to complete the 2024 Capital Program shall exceed the amount available to the County from the portion of the proceeds of the Loan allocable thereto and in the event the County elects to undertake such remaining portions of the 2024 Capital Program, pursuant to Section 4.11 of the Loan Agreement, the County shall be obligated to pay, as additional payments under Section 5.02(B)(ii) of the Loan Agreement, such sums as may be required to pay the Cost of the 2024 Capital Program in excess of the amount available to the County from the portion of the proceeds of the Loan allocable thereto out of funds legally available therefor. Payment of such additional amounts shall be made by the County at the time or times and in the amount or amounts required for the payment of such excess Cost as the same

stated amount has been or will be incurred by or on behalf of the Authority and that each item thereof is a proper charge against the Operating Fund and has not been previously paid. To the extent such amounts deposited therein are not spent within ninety (90) days of the Issue Date of the Series 2024 Bonds and any other Series of Refunding Bonds, the Trustee shall, without further direction, deposit in the applicable Account of the Debt Service Fund for such Series of Bonds any balance then remaining for such Series of Bonds unless the County requests, in writing (with a copy to the Authority), that such balance remain in the Operating Fund for an additional period of time as specified in such request.

3. Amounts paid by the County as Additional Loan Payments for the performance of an arbitrage rebate calculation pursuant to Section 6.14 of the Loan Agreement with respect to any Series of Tax-Exempt Obligations and payment of, among other expenses, the annual Authority Administrative Expenses shall be paid to the Trustee and the Trustee shall deposit the same in the respective Accounts in the Operating Fund. Such amounts shall be paid by the Trustee to the Authority in accordance with subsection (2) of this Section 505.

Section 506. Payments From the Revenue Fund Into Certain Funds. 1. As soon as practicable after the deposit of Revenues into the Revenue Fund, but in any case no later than 3:00 p.m. on the second Business Day immediately following a Loan Payment Date or after the deposit of any Revenues in the Revenue Fund payable by the County upon demand pursuant to Sections 5.02(A) and (B) of the Loan Agreement, respectively, the Trustee shall credit, but only to the extent the amount in the Revenue Fund shall be sufficient therefor, such Revenues as follows: (a) Revenues representing Loan Payments made by the County pursuant to Section 5.02(A) of the Loan Agreement, the amount of such payment being in accordance with Exhibit A attached to the Loan Agreement, shall be deposited in the applicable Accounts in the Debt Service Fund in accordance with Section 508 hereof or, in the case of any purchase or redemption of Bonds of any Series and maturity for which Sinking Fund Installments shall have been established, to the Debt Retirement Fund, (b) moneys paid by the County pursuant to the Guaranty in accordance with Section 508(2) hereof shall be immediately deposited in the applicable Accounts in the Debt Service Fund, upon the written direction of an Authorized Authority Representative, (c) Revenues representing moneys received by the Trustee pursuant to the provisions of Section 6.06(C)(i) of the Loan Agreement shall immediately be deposited in the applicable Accounts in the Debt Service Fund and applied in accordance with the provisions of Section 508 hereof, (d) Revenues representing Additional Loan Payments made by the County pursuant to Section 5.02(B) of the Loan Agreement including the annual Authority Administrative Expenses shall immediately be deposited in the applicable Accounts in the Operating Fund and applied in accordance with the provisions of Section 505(3) hereof, and (e) any investment earnings on any moneys held in any Fund and required to be transferred to the Revenue Fund pursuant to the provisions of this Bond Resolution, such that the total balance in each Account in the Debt Service Fund shall equal the Debt Service Requirement on each such Series of Bonds for the next respective succeeding Interest Payment Date and Principal Installment Date, as applicable, provided that, for the purposes of computing the amount to be deposited in said Fund, there shall be included in the balance of the Debt Service Fund that amount of such proceeds to be applied in accordance with this Bond Resolution to the payment of interest accrued and unpaid and to accrue on such Series of Bonds to the next Interest Payment Date as set forth in an order of the Authority to the Trustee; provided, however, that so long as outstanding Bonds of a particular Series are an amount sufficient and available to pay in full all Outstanding Bonds of a particular Series in accordance with their terms (including

principal thereof and interest thereon) no transfers shall be required to be made from the Revenue Fund to the Debt Service Fund.

2. Revenues consisting of proceeds representing damages or other moneys from any contractor, subcontractor, manufacturer, supplier or surety shall be immediately credited in accordance with Sections 503(5) and 507(2) hereof.

3. All interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment and net of any losses suffered) earned or any gain realized on any moneys or investments in such Funds shall be transferred upon receipt to the Revenue Fund, except that (i) such net interest earned on any moneys or investments in the Debt Service Fund shall be held in such Fund for the purposes thereof and shall be paid into such Fund in accordance with the provisions of Section 603(2) hereof and shall be applied in accordance with the provisions hereof; and (ii) interest earned on any moneys or investments in the 2024A Account in the Acquisition Fund shall be held in such Account in the Acquisition Fund until delivery of a Completion Certificate for the 2024 Capital Program as required by Section 503(4) of this Bond Resolution at which time such moneys shall be applied in accordance with Section 603(2) hereof.

Section 507. Proceeds Fund. 1. Revenues paid to the Trustee pursuant to Section 4.10 of the Loan Agreement and Section 503(5) hereof and not necessary to complete the 2024 Capital Program or not so applied shall be transferred by the Trustee, upon receipt of a certificate of an Authorized County Representative delivered to the Trustee stating the amount of money to be so transferred, from the 2024A Account in the Acquisition Fund to the 2024A Account in the Proceeds Fund and applied as a credit toward the County's Loan Payment obligations pursuant to subsections (2) and (3) below.

2. Proceeds representing damages or other moneys from any performance bond or surety provided pursuant to Section 5.11 of the Loan Agreement and deposited in the 2024A Account in the Acquisition Fund in accordance with Section 503(5) hereof and not necessary to complete the 2024 Capital Program or not otherwise applied to complete the 2024 Capital Program shall be transferred by the Trustee to the 2024A Account in the Proceeds Fund. Proceeds on deposit in the 2024A Account in the Proceeds Fund resulting from such deposits shall be applied by the Trustee as a credit toward the amount of Loan Payments owed by the County on each Loan Payment Date for the payment of Debt Service on the Series 2024A Bonds by the transfer of such proceeds to the 2024A Account in the Debt Service Fund as set forth in a certificate of an Authorized County Representative filed with the Trustee at the time of the deposit of the proceeds into the 2024A Account in the Proceeds Fund. Proceeds representing damages or other moneys provided pursuant to the Series 2014 Loan Agreement (relating to the capital assets financed with the proceeds of the Series 2014 Bonds) or the Series 2015 Loan Agreement (relating to the capital assets financed with the proceeds of the Series 2015 Bonds) shall be deposited by the Trustee to the 2024B Account in the Proceeds Fund and applied by the Trustee as a credit toward the amount of Loan Payments owed by the County on each Loan Payment Date for the payment of Debt Service on the Series 2024B Bonds by the transfer of such proceeds to the 2024B Account in the Debt Service Fund as set forth in a certificate of an Authorized County Representative filed with the Trustee at the time of the deposit of the proceeds or other moneys into the 2024B Account in the Proceeds Fund.

of Debt Service on the Outstanding Bonds on such Interest Payment Date or Principal Installment Date, as applicable.

3. (a) On each Interest Payment Date, the Trustee shall make available to the Paying Agent from moneys available in the Debt Service Fund an amount which equals the interest on each Series of Outstanding Bonds due on such date, which moneys shall be applied by the Paying Agent to the payment of such interest on the Interest Payment Date, and (b) on the Principal Installment Date of each Series of Outstanding Bonds, the Trustee shall make available to the Paying Agent from moneys in the Debt Service Fund an amount equal to the principal of each Series of Outstanding Bonds due on such date, which moneys shall be applied by the Paying Agent to the payment of such principal on the Principal Installment Date. The Trustee may also pay out of the Debt Service Fund the accrued interest included in the purchase price of each Series of Outstanding Bonds, pursuant to the provisions of subsection (4) below.

4. The amount, if any, deposited in the Debt Service Fund representing accrued interest, if any, on the proceeds of the Series 2024 Bonds and any other Series of Refunding Bonds, shall be set aside in the Account established for such Series of Bonds in such Fund and applied, in accordance with written instructions of the Authority delivered to the Trustee prior to the authentication of such Series of Bonds, to the payment of accrued interest on such Series of Bonds as the same becomes due and payable.

5. In the event of the refunding of any Bonds, the Trustee shall, if an Authorized Authority Representative so directs, in writing, withdraw from the applicable Account in the Debt Service Fund established for the Series of Bonds being refunded all, or any portion of, the amounts accumulated therein with respect to Debt Service on the Series of Bonds being refunded, and set aside such amounts to be held in trust as set forth in such written direction; provided that such withdrawal shall not be made unless (a) immediately thereafter the Series of Bonds being refunded shall be deemed to have been paid pursuant to Section 1301(2) hereof, and (b) the amount remaining in the Debt Service Fund, after giving effect to the issuance of the Refunding Bonds and the disposition of the proceeds thereof, shall not be less than the requirement of such Fund pursuant to subsection (1) of this Section 508 with respect to the Debt Service Requirement on each Outstanding Series of Bonds and Section 506 hereof.

6. The amount, if any, deposited in the 2024A Account in the Debt Service Fund representing capitalized interest on the Series 2024A Bonds, if any, shall be set aside and applied, in accordance with the written instructions of the Authority delivered to the Trustee prior to the authentication of the Series 2024A Bonds, to the payment of interest due thereon on each Interest Payment Date for the period of time specified in such written instructions.

7. Revenues representing moneys received by the Trustee pursuant to the provisions of Section 6.06 of the Loan Agreement and deposited in the 2024A Account in the Debt Service Fund shall immediately be applied to the payment of Debt Service on the Series 2024A Bonds on the next ensuing Interest Payment Date or Principal Installment Date, as applicable. To the extent such moneys cannot be used to pay Debt Service on the Series 2024A Bonds within thirteen (13) months of deposit, such moneys shall be transferred to the 2024A Account in the Proceeds Fund and applied in accordance with the provisions of Section 507(3) hereof.

3. To the extent moneys in the 2024A Account or 2024B Account in the Debt Service Fund, respectively, are sufficient to satisfy the amount of Loan Payments due and owing by the County for such Bond Year, any such proceeds on deposit in the 2024A Account or 2024B Account in the Proceeds Fund, respectively, or any other Revenues deposited therein shall remain in said 2024A Account or 2024B Account in the Proceeds Fund, respectively, and shall be transferred thereafter into the 2024A Account or 2024B Account in the Debt Service Fund, respectively, on each Loan Payment Date for the payment of Debt Service on the respective Series of the Series 2024 Bonds, as the case may be, until such proceeds or any other Revenues are exhausted. The application of such proceeds or any other Revenues deposited therein in accordance herewith shall be credited toward the Loan Payments due and owing from the County in any Bond Year. Any such proceeds or any other Revenues deposited in the 2024A Account or 2024B Account in the Proceeds Fund, respectively, shall be invested, subject to such yield restrictions as shall be directed to the Trustee, in writing, by an Authorized Authority Representative, upon written direction of an Authorized County Representative, in consultation with Bond Counsel.

Section 508. Debt Service Fund. 1. Pursuant to Section 506(1)(a) hereof, Revenues representing Loan Payments from the County deposited in the Revenue Fund on any Loan Payment Date shall be transferred to and deposited in the Debt Service Fund not later than 3:00 p.m. on the first Business Day thereafter by the Trustee. Not later than 3:00 p.m. on the first Business Day after any Loan Payment Date, the Trustee shall determine whether the amounts on deposit in the Debt Service Fund, after all Revenues representing Loan Payments from the County originally deposited in the Revenue Fund and transferred to and deposited in the Debt Service Fund in accordance with the provisions hereof, are sufficient to meet the Debt Service Requirement on all Outstanding Bonds for the next succeeding Interest Payment Date and Principal Installment Date, as applicable. Subject to and after the application of the provisions of Section 509 hereof, in the event such amounts in the Debt Service Fund are insufficient to meet such Debt Service Requirement on the Outstanding Bonds, the Trustee shall give written notice thereof, by facsimile transmission in accordance with Section 1312 hereof, to the Authority and the Authorized County Representative of such deficiency no later than 4:00 p.m. on the first Business Day after such Loan Payment Date, which notice shall state the amount of such deficiency as at the close of business on any Loan Payment Date and that such deficiency must be cured no later than the next ensuing Interest Payment Date and Principal Installment Date, as applicable. The notice to the Authorized County Representative and the Authority shall also include the amount of the Interest Payment and Principal Installment, as applicable, due and payable and the amount required to be paid by the County to cure such deficiency and to enable the Trustee to make a Debt Service payment on the Outstanding Bonds on the next ensuing Interest Payment Date or Principal Installment Date, as applicable. The receipt of any such notice by the Authorized County Representative shall be acknowledged by the Authorized County Representative to the Trustee within one (1) Business Day after receipt thereof. If the nonpayment of the County is not cured by the applicable Interest Payment Date or Principal Installment Date, as applicable, the County, pursuant to the terms of the Guaranty, shall pay to the Trustee, not later than such Interest Payment Date and Principal Installment Date, as applicable, any and all amounts required to pay Debt Service on the Outstanding Bonds.

2. All moneys paid by the County pursuant to the Guaranty shall be immediately deposited in the Debt Service Fund, which moneys shall be applied to the payment

Section 509. Debt Retirement Fund. 1. Subject to the limitations contained in subsection (4) of this Section 509, if, on any Loan Payment Date prior to any Interest Payment Date or Principal Installment due date, as the case may be, the amount on deposit in the Debt Service Fund shall be less than the amount required to be in such Fund pursuant to subsection (1) of Section 506, the Trustee shall transfer from the Debt Retirement Fund to the Debt Service Fund an amount (or all of the moneys in the Debt Retirement Fund if less than the amount required) which will be sufficient to make up such deficiency.

2. To the extent not required to make up a deficiency as required in subsection (1) of this Section 509, amounts in the Debt Retirement Fund shall be applied, as rapidly as practicable in the case of mandatory redemption, or, at the written direction of an Authorized County Representative, to the purchase or optional redemption (including redemption premium, if any) of the applicable Series of Bonds.

3. Upon any purchase or redemption pursuant to this Section 509 of Bonds of any Series and maturity for which Sinking Fund Installments shall have been established or delivery to the Trustee for cancellation by the Authority of Bonds of such Series or maturity, there shall be credited toward each such Sinking Fund Installment thereafter to become due an amount bearing the same ratio to such Sinking Fund Installment as the total principal amount of such Bonds so purchased, redeemed, or delivered for cancellation bears to the total amount of all such Sinking Fund Installments to be credited. The portion of any such Sinking Fund Installment remaining after the deduction of any such amounts credited toward the same (or the original amount of any such Sinking Fund Installment if no such amounts shall have been credited toward the same) shall constitute the unsatisfied balance of such Sinking Fund Installment for the purpose of calculation of Sinking Fund Installments due on a future date.

4. The transfers required by subsection (1) of this Section 509 shall be made from amounts in the Debt Retirement Fund only to the extent that such amounts are not then required to be applied to the redemption of Bonds of such Series for which notice of redemption shall have been given by the Trustee to Bondholders.

Section 510. Satisfaction of Sinking Fund Installments. 1. In satisfaction, in whole or in part, of any Sinking Fund Installment, the Authority may deliver to the Trustee at least sixty (60) days prior to the date of such Sinking Fund Installment, for cancellation, Bonds of the Series and maturity entitled to such Sinking Fund Installment. All Bonds so delivered to the Trustee in satisfaction of a Sinking Fund Installment shall reduce the amount thereof by the amount of the aggregate Redemption Price of such Bonds applicable on the date of such Sinking Fund Installment (or the principal amount thereof if such date be the date of maturity of such Bonds), provided that concurrently with such delivery of such Bonds the Authority shall deliver to the Paying Agent and to the Trustee a certificate of an Authorized Authority Representative specifying (i) the principal amount, Series, maturity, interest rate and numbers of the Bonds so delivered, (ii) the date of the Sinking Fund Installment in satisfaction of which such Bonds are so delivered, (iii) the aggregate Redemption Price on the date of such Sinking Fund Installment (or the principal amount in the case of any Series of Bonds which mature on such Sinking Fund Installment date) of any Bonds so delivered, and (iv) the unsatisfied balance of such Sinking Fund Installment after giving effect to the delivery of such Bonds.

2. The Trustee shall, upon receipt of the notice required and in the manner provided in Article IV hereof, call for redemption on the date of each Sinking Fund Installment falling due prior to maturity such principal amount of Bonds of the Series and maturity entitled to such Sinking Fund Installment as is required to exhaust the unsatisfied balance of such Sinking Fund Installment.

Section 511. Application of Moneys in the Rebate Fund. (a) The Authority shall determine or shall cause to be determined the amounts necessary to equal the rebate requirement and shall cause the County to deposit such amount in the Rebate Fund and the Authority shall transfer or cause to be transferred by the Trustee at such times and to such Person as required by Section 148 of the Code an amount equal to the rebate requirement from the Rebate Fund. To the extent such amounts on deposit in the Rebate Fund are not sufficient to meet the rebate requirement, amounts shall be immediately paid by the County to the Trustee for deposit in the Rebate Fund.

Notwithstanding anything contained in this Bond Resolution to the contrary, neither the Authority nor the Trustee shall be responsible or liable for any loss, liability, or expense incurred to the extent incurred as a result of the failure of the County to fulfill its obligations with respect to the calculation and payment of the rebate requirement.

(b) The Trustee, as directed by an Authorized Authority Representative, shall apply or cause to be applied the amounts in the Rebate Fund at the times and in the amounts required by Section 148 of the Code solely for the purpose of paying the United States in accordance with Section 148 of the Code.

(c) Moneys held in the Rebate Fund shall be invested and reinvested by the Trustee in Investment Securities defined in clause b.(1) of such definition, as shall be directed by an Authorized Authority Representative, upon written direction of the County, that mature not later than such times as shall be necessary to provide moneys when needed for the payments to be made from such Fund. The interest earned on any moneys or investments in the Rebate Fund shall be retained in such Fund.

(d) Pursuant to the provisions of Section 603(4) hereof, investment earnings from the Accounts in the Revenue Fund and Operating Fund established with respect to Tax-Exempt Obligations may be deposited in the Rebate Fund upon written direction of an Authorized Authority Representative, upon written direction of the County, to the Trustee.

Section 512. Moneys Remaining in Funds and Accounts; Reimbursement of Fiduciary and Authority. Except as set forth in Section 1302 hereof with respect to unclaimed funds, upon the final maturity of any Series of Bonds issued hereunder, any moneys remaining in the Funds and Accounts held under this Bond Resolution for such Series of Bonds shall be paid to each such Fiduciary (to the extent each such Fiduciary has incurred expenses which remain unpaid or unreimbursed, as the case may be) and the Authority (to the extent the Authority has incurred Authority Administrative Expenses which remain unpaid or unreimbursed, as the case may be), by the Trustee, free and clear of the lien and pledge of this Bond Resolution, to the extent required to reimburse such Fiduciary for such expenses and, thereafter, the balance therein (but not including unclaimed funds resulting from deceased bonds of any Series) shall be paid and shall belong to the County free and clear of the lien and pledge of this Bond Resolution.

ARTICLE VI

DEPOSITORIES OF MONEYS, SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS

Section 601. Depositories. 1. All moneys deposited under the provisions of this Bond Resolution with the Trustee shall constitute trust funds and shall be held in trust and applied only in accordance with the provisions of this Bond Resolution, and each of the Funds and Accounts established by this Bond Resolution shall be a trust fund for the purpose thereof held for the benefit of the Authority and the County, as applicable. The Authority may deposit such moneys with the Trustee in trust for the Authority and the County.

2. Any Fiduciary shall be a bank or trust company organized under the laws of the State or any other state or a national banking association having capital stock, surplus and undivided earnings of \$100,000,000 or more and willing and able to accept the office on reasonable and customary terms and authorized by law to act in accordance with the provisions of this Bond Resolution. No moneys shall be deposited with any Fiduciary in any amount exceeding fifteen percent (15%) of the amount which an officer of such Fiduciary shall certify to the Authority as to the capital stock and surplus of such Fiduciary.

Section 602. Deposits. 1. All Revenues and moneys held by the Trustee or a Fiduciary under this Bond Resolution may be placed on demand or time deposit, if and as directed by the Authority, provided that such deposits shall permit the moneys so held to be available for use at the time when needed. Any such deposit may be made in the commercial banking department of any Fiduciary which may honor checks and drafts on such deposit with the same force and effect as if it were not such Fiduciary. All moneys held by any Fiduciary, as such, may be deposited by such Fiduciary in its banking department on demand or, if and to the extent directed by the Authority and acceptable to such Fiduciary, on time deposit, provided that such moneys on deposit be available for use at the time when needed.

2. All moneys held under this Bond Resolution by the Trustee or any Fiduciary shall be (a) either (1) continuously and fully insured by the Federal Deposit Insurance Corporation, or (2) continuously and fully secured by lodging with the Trustee or any Federal Reserve Bank, as custodian, as collateral security, such securities as are described in clauses b.(1) and (2) of the definition of "Investment Securities" in Section 101 hereof having a market value at the time of deposit (exclusive of accrued interest) not less than the amount of such moneys, or (b) secured in such other manner as may then be required by applicable Federal or State laws and regulations and applicable state laws and regulations of the state in which the Trustee or such Fiduciary (as the case may be) is located, regarding security for, or granting a preference in the case of, the deposit of trust funds; provided, however, that it shall not be necessary for the Fiduciaries to give security under this subsection (2) for the deposit of any moneys with them held in trust and set aside by them for the payment of the principal or Redemption Price of and interest on any Series of Bonds, or to give security for any moneys which shall be represented by Investment Securities purchased as an investment of such moneys.

3. All moneys deposited with the Trustee shall be credited to the particular Fund or Account to which such moneys belong and, except as provided with respect to the investment of moneys in Investment Securities in Section 603 hereof, the moneys credited to

each particular Fund or Account shall be kept separate and apart from, and not commingled with, any moneys credited to any other Fund or Account or any other moneys deposited with the Trustee.

Section 603. Investment of Certain Funds. 1. Moneys held in the Revenue Fund or the Debt Service Fund shall be invested and reinvested by the Trustee to the fullest extent practicable in its money market fund as defined in clause b.(1) of the definition of "Investment Securities" in Section 101 hereof, which Investment Securities shall mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Funds. Moneys held in (i) the 2024A Account in the Acquisition Fund, (ii) the 2024A Account and 2024B Account in the Debt Retirement Fund, (iii) the 2024A Account and 2024B Account in the Proceeds Fund, and (iv) the 2024A Account and 2024B Account in the Operating Fund may be invested and reinvested in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Funds. Moneys held in the Rebate Fund, if any, shall be invested and reinvested in accordance with the written instructions received from any Authorized Authority Representative, upon the written direction of the County. The Trustee shall make all such investments of moneys held by it in accordance with written instructions from time to time received from any Authorized Authority Representative, upon the written direction of the County. In making any investment in any Investment Securities with moneys in any Fund established under this Bond Resolution, the Authority, upon the written direction of the County, may instruct the Trustee, in writing, to combine such moneys in any other Fund, if permitted hereunder, but solely for purposes of making such investment in such Investment Securities.

2. All interest (net of that which represents a return of accrued interest paid in connection with the purchase of any investment and net of any losses suffered) earned or any gain realized on any moneys or investments in such Funds shall be transferred upon receipt to the Revenue Fund (except for those amounts specified in clauses (i) and (ii) of Section 506(3) hereof) and applied in accordance with the provisions thereof. The Trustee shall annually notify the County and the Authority, in writing, of such application of such interest and earnings transferred to the Revenue Fund. Interest earned on any moneys or investments in the 2024A Account in the Acquisition Fund shall be held in such 2024A Account until the delivery of a Completion Certificate for the 2024 Capital Program by an Authorized County Representative as required by Section 503(4) of this Bond Resolution at which time such moneys shall be applied in accordance with the provisions of the Completion Certificate.

3. In the absence of written investment direction from an Authorized Authority Representative, the Trustee may invest moneys which the Authority has failed to direct in money market funds as defined in clauses b.(2) and (6) of the definition of "Investment Securities" in Section 101 hereof customarily invested in by the Trustee.

4. Notwithstanding anything herein to the contrary, the Authority, upon the written direction of the County, may direct the Trustee to deposit earnings from the Revenue Fund and any Account in the Operating Fund established for Tax-Exempt Obligations into the Rebate Fund to pay any amounts required to be set aside for rebate to the Internal Revenue Service pursuant to the Code.

5. Nothing in this Bond Resolution shall prevent any Investment Securities acquired as investments of or security for funds held under this Bond Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

6. Nothing in this Bond Resolution shall preclude the Trustee from investing or reinvesting moneys through its bond department; provided, however, that the Authority, upon the written direction of the County, may, in its discretion, direct that such moneys be invested or reinvested in a manner other than through such bond department.

Section 604. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any Fund or Account created under the provisions of this Bond Resolution shall be deemed at all times to be a part of such Fund or Account and any profit realized from the liquidation of such investment shall be credited to such Fund or Account, and any loss resulting from the liquidation of such investment shall be charged to the respective Fund or Account.

In computing the amount in any Fund or Account created under the provisions of this Bond Resolution for any purpose provided in this Bond Resolution, obligations purchased as an investment of moneys therein shall be valued at the lesser of cost or market value thereof. The accrued interest paid in connection with the purchase of any obligation shall be included in the value thereof until interest on such obligation is paid. Such valuation shall be determined on a monthly basis on the basis of monthly statements produced by the Trustee.

Except as otherwise provided in this Bond Resolution, the Trustee shall sell at the best price reasonably obtainable or present for redemption or transfer as provided in the next sentence any obligation so purchased as an investment whenever either shall be requested, in writing, by an Authorized Authority Representative to do so or whenever it shall be necessary in order to provide moneys to meet any payment or transfer from any Fund or Account held by it. In lieu of such sale or presentment for redemption, the Trustee may, in making the payment or transfer from any Fund or Account mentioned in the preceding sentence, transfer such investment obligations or coupons for interest appertaining thereto if such investment obligations or coupons shall mature or be collectable at or prior to the time the proceeds thereof shall be needed.

Neither the Authority nor the Trustee shall not be liable or responsible for any loss resulting from any such investment, sale or presentation for investment made in the manner provided herein.

LOAN TO THE COUNTY

Section 701. Terms and Conditions for Loan. The Authority shall loan the proceeds of the Bonds (including the Series 2024 Bonds) to the County and shall enter into the Loan Agreement in the manner, on the terms and conditions and upon submission of the documents required by this Article VII.

Section 702. Form of Loan Agreement. The Loan Agreement shall be in such form as an Authorized Authority Representative determines, with such changes therein as shall be approved by the Authority, as conclusively evidenced by the execution thereof by an Authorized Authority Representative, provided, however, that the Loan Agreement shall in any event conform in all material respects to the provisions of this Bond Resolution.

Section 703. Delivery of Documents in Connection With the Loan Agreement. Prior to or at the execution and delivery of the Loan Agreement and the closing of a Series of Bonds, the Authority and the Trustee shall have received the following documents:

- (i) an opinion of County Counsel and/or County Bond Counsel (addressed to the Authority, the County and the Trustee) to the effect that the Loan Agreement was duly authorized by the County and is a direct and general obligation of the County, payable, unless paid from some other source, from the levy of *ad valorem* taxes upon all taxable real property within the jurisdiction of the County, without limitation as to rate or amount;
- (ii) a counterpart of the Loan Agreement executed by the County;
- (iii) certified copies of the Loan Ordinance and the authorization proceedings for its adoption by the County;
- (iv) certified copies of the Guaranty and the authorization proceedings for its adoption by the County; and
- (v) such other certificates, documents, opinions and information as the Authority and Bond Counsel may reasonably require in connection with the execution, delivery and implementation of the Loan Agreement and the issuance of such Series of Bonds.

All opinions and certificates required under this Section 703 shall be dated the closing date of such Series of Bonds and the opinions shall be addressed to the party or parties specified in the bond purchase contract executed by the Authority and the underwriter in connection with the sale and award of such Series of Bonds.

Section 704. Default Under the Loan Agreement. The Trustee shall, by 4:00 p.m. on the first Business Day after a Loan Payment Date, immediately notify the Authority

and the Authorized County Representative of the Trustee's failure to receive a Loan Payment from the County and of any other event of default under the Loan Agreement known to the Trustee pursuant to the terms hereof.

Notwithstanding the above, the failure of the Trustee to receive any Loan Payment from the County on any Loan Payment Date shall not cause an Event of Default for the purposes of Article IX of this Bond Resolution or the acceleration of any of the Bonds then Outstanding.

In the event of a default in the Loan Payment due and owing to the Authority by the County under the Loan Agreement, the County shall be unconditionally obligated to pay such sum of money due and owing to the Trustee pursuant to the Guaranty so as not to cause an Event of Default under Section 901(i) or (ii) hereof and an acceleration of the Bonds.

Section 705. The Trustee's Obligations. Subject to the provisions of Section 1003 hereof, the Trustee shall diligently enforce, and take all reasonable steps, actions and proceedings necessary for the enforcement of, all terms and conditions of the Loan Agreement including, without limitation, the prompt payment of all Loan Payments and Authority Administrative Expenses, and all other amounts due to the Trustee thereunder, and the observance and performance of all duties, covenants, obligations and agreements thereunder.

The Trustee shall not release the duties, covenants, obligations or agreements of the County under the Loan Agreement and shall at all times, to the extent permitted by State law, defend, enforce, preserve and protect the rights and privileges of the Authority and the Holders under or with respect to the same; provided, however, that this provision shall not be construed to prevent the Trustee (with the written consent of the Authority) from settling a default under the Loan Agreement on such terms as the Trustee shall determine to be in the best interests of the Authority and the Holders. The Authority hereby appoints the Trustee its agent and attorney-in-fact for purposes of enforcing all rights, title and interests of the Authority under the Loan Agreement, subject to the provisions of this Section 705.

Section 706. Termination of the Loan Agreement. Upon the payment in full by the County of all amounts due under the Loan Agreement, the Trustee shall, at the written direction of the Authority, undertake such actions as shall be required to effectuate the termination provisions of the Loan Agreement including, without limitation, the execution of all relevant documents in connection with such actions.

Section 707. Files. After the execution and delivery of the Loan Agreement, the Trustee shall retain all the documents received by it pursuant to this Article VII in connection therewith in a file pertaining to the Loan Agreement, to which file the Trustee shall from time to time add all records and other documents pertaining to Loan Payments and other amounts received by the Trustee under the Loan Agreement and all communications from or received by the Trustee with respect to the Loan Agreement and the County. Such file shall be kept at the designated corporate trust office of the Trustee and shall be available for inspection by the Authority and the County at reasonable times and under reasonable circumstances.

Section 708. Insufficiency of or Failure to Make Loan Payments; Payment Under Guaranty. (a) The Loan Agreement shall provide that the County shall pay

on each Loan Payment Date during the Bond Year, Loan Payments which, together with other moneys on deposit in the Debt Service Fund, will equal the Debt Service Requirement on the Outstanding Bonds on the next succeeding Interest Payment Date or Principal Installment Date, as applicable, during each Bond Year. The Loan Payments due under the Loan Agreement shall be on deposit in the Revenue Fund not later than the Loan Payment Date.

(b) In accordance with Section 508 hereof and subject to and after application of the provisions of Section 509 hereof, in the event the County has failed to make a Loan Payment on any Loan Payment Date so that the amounts so received by the Trustee and on deposit in the Debt Service Fund are insufficient to meet the Debt Service Requirement on the Outstanding Bonds due on the next ensuing Interest Payment Date or Principal Installment Date, as applicable, the Trustee shall notify the Authority and the Authorized County Representative, in writing by facsimile transmission in accordance with Section 1312 hereof, of such deficiency in accordance with the provisions of Section 508(1) hereof. Notwithstanding the above, failure of the Trustee to give the notices required hereunder and under Sections 508(1) and 704 hereof or any defect in the notice to the County shall not relieve the County of its obligations under the Guaranty and the Loan Agreement.

(c) Pursuant to the terms of the Guaranty, the County shall take all actions necessary and permitted by law, which actions may include *ex parte* actions, to make payment of an amount equal to the Loan Payment deficiency owed by the County, which amount, when added to available amounts on deposit in the Debt Service Fund, shall be sufficient to pay the principal of and interest on the Outstanding Bonds due on the next ensuing Interest Payment Date or Principal Installment Date, as applicable.

ARTICLE VIII

PARTICULAR COVENANTS OF THE AUTHORITY

The Authority covenants and agrees with the Trustee and the Bondholders as follows:

Section 801. Payment of Bonds. The Authority shall duly and punctually pay or cause to be paid, but solely from the Pledged Property, the principal or Redemption Price of every Bond and the interest thereon, at the dates and places and in the manner provided in the Bonds, according to the true intent and meaning thereof.

Section 802. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase or funding of such Bonds or claims for interest or by any other arrangement, and in case the maturity of any of the Bonds or the time for payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under this Bond Resolution, to the benefit of this Bond Resolution or to any payment out of Revenues or Funds established by this Bond Resolution, including the investment thereof, pledged under this Bond Resolution or the moneys (except moneys held in trust for the payment of particular Bonds or claims for interest pursuant to this Bond Resolution) held by the Fiduciaries, except subject to the prior payment of the principal of all Bonds Outstanding the maturity of which has not been extended and of such portion of the accrued interest on the Bonds as shall not be represented by such extended claims for interest. Nothing herein shall be deemed to limit the right of the Authority to issue Refunding Bonds pursuant to Section 205 hereof and such issuance shall not be deemed to constitute an extension of maturity of the Bonds to be refunded.

Section 803. Offices for Servicing Bonds. The Authority shall at all times maintain one or more agencies in the State, and may maintain one or more such agencies in any other state or states, where Bonds may be presented for payment. The Authority hereby appoints the Trustee, as a Bond Registrar, and the Authority shall at all times maintain one or more agencies where Bonds may be presented for registration or transfer and where notices, demands and other documents may be served upon the Authority in respect of the Bonds or of this Bond Resolution, and the Trustee shall continuously maintain or make arrangements to provide such services.

Section 804. Further Assurance. At any and all times the Authority shall, as far as it may be authorized by law, comply with any reasonable request of the Trustee to pass, make, do, execute, acknowledge and deliver all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, pledging, assigning and confirming any and all of the rights, Revenues and other moneys, securities and Funds hereby pledged, or intended so to be, or which the Authority may become bound to pledge to the payment of the principal or Redemption Price of and interest on the Bonds, including any Series thereof.

Section 805. Power to Issue Bonds and Pledge Pledged Property. The Authority is duly authorized under all applicable State laws to create and issue the Bonds, to

adopt this Bond Resolution and to pledge the Pledged Property purported to be subjected to the lien of this Bond Resolution in the manner and to the extent provided in this Bond Resolution. Except to the extent otherwise provided in this Bond Resolution, the Pledged Property so pledged is and will be free and clear of any other pledge, lien, charge or encumbrance thereon or with respect thereto prior to, or of equal rank with, the pledge and assignment created by this Bond Resolution, and all action on the part of the Authority to that end has been and will be duly and validly taken. The Bonds and the provisions of this Bond Resolution are and will be the valid and legally binding special and limited obligations of the Authority. The Authority shall at all times, to the extent permitted by State law, defend, preserve and protect the pledge of the Pledged Property under this Bond Resolution and all the rights of the Bondholders under this Bond Resolution against all claims and demands of all Persons whomsoever.

Section 806. Creation of Liens. The Authority shall not issue any bonds, notes, debentures or other evidences of indebtedness of similar nature, other than the Bonds, payable out of or secured by a pledge or assignment of the Pledged Property held or set aside by the Authority or by Fiduciaries under this Bond Resolution, and shall not create or cause to be created any lien or charge on the Pledged Property; provided, however, that nothing contained in this Bond Resolution shall prevent the Authority from issuing, if and to the extent permitted by law, evidences of indebtedness payable out of or secured by a pledge and assignment of the Pledged Property on and after such date as the pledge of the Pledged Property provided in this Bond Resolution shall be discharged and satisfied as provided in Article XIII hereof.

Section 807. Accounts and Reports. 1. The Authority shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in accordance with generally accepted accounting principles in which complete and correct entries shall be made of its transactions relating to the amount of Revenues and the application thereof, the expenditure of moneys for the 2024 Project and each Fund or Account established under this Bond Resolution. All books and papers of the Authority shall, subject to the terms thereof, at all times, upon prior reasonable written notice to the Authority, during regular business hours, be subject to the inspection of the Trustee, the County and the Holders of an aggregate of not less than five percent (5%) in principal amount of the Bonds then Outstanding or their representatives duly authorized in writing.

2. The Trustee or any Fiduciary shall advise the Authority as soon as practicable after the end of each Month of the respective transactions during such Month relating to each Fund or Account held by it under this Bond Resolution.

3. The Authority shall cause its books and accounts, including annual balance sheets and statements of income and surplus, to be audited annually by an accountant within one hundred twenty (120) days after the close of its Fiscal Year, and, if requested by the Trustee, to file or cause to be filed with the Trustee, and otherwise as provided by law, a copy of the reports of such audits, including statements in reasonable detail of the status of all funds held by the Trustee pursuant to this Bond Resolution and the security therefor and of the Revenues collected.

4. The Authority shall file or cause to be filed with the Trustee forthwith upon becoming aware of any Event of Default or default in the performance by the Authority of any covenant, agreement or condition contained in this Bond Resolution, a certificate signed by

an Authorized Authority Representative specifying such Event of Default or default and the nature and status thereof.

5. The reports, statements and other documents required to be furnished to the Trustee pursuant to any provisions of this Bond Resolution shall be available for the inspection of the Bondholders at the designated corporate trust office of the Trustee, who shall file a written request therefor with the Authority. The Authority may charge or cause to be charged each Bondholder requesting such reports, statements and other documents a reasonable fee to cover reproduction, handling and postage.

Section 808. Payment of Taxes and Charges. The Authority will from time to time duly pay and discharge, or cause to be paid and discharged, all taxes, assessments and other governmental charges, or required payments in lieu thereof, lawfully imposed upon the properties of the Authority or upon the rights, revenues, income, receipts and other moneys, securities and funds of the Authority when the same shall become due (including all rights, moneys and other property transferred, assigned or pledged under this Bond Resolution), and all lawful claims for labor and material and supplies, except those taxes, assessments, charges or claims which the Authority shall in good faith contest by proper legal proceedings if the Authority shall in all such cases have set aside on its books reserves deemed adequate with respect thereto.

Section 809. The Loan Agreement. The Authority shall collect or cause to be collected and forthwith cause to be deposited in the Revenue Fund held by the Trustee all amounts, if any, payable to it by the County pursuant to the Loan Agreement. Upon written request of the Trustee, the Authority shall provide the Trustee with copies of all requests for annual Authority Administrative Expenses under the Loan Agreement. The Authority shall enforce or cause to be enforced all of the provisions of the Loan Agreement. The Authority will not consent or agree to or permit any amendment, change or modification to the Loan Agreement except in accordance with the provisions of Section 815 hereof. Copies of the Loan Agreement certified by an Authorized Authority Representative shall be filed with the Trustee, and copies of any such amendment thereto certified by an Authorized Authority Representative shall be filed with the Trustee.

Section 810. Power to Determine and Collect Loan Payments. The Authority has, and will have as long as Bonds are Outstanding hereunder, good right and lawful power to establish and collect or cause to be established and collected the Loan Payments from the County.

Section 811. Loan Payments. Prior to the execution of the Loan Agreement, and in each and every Fiscal Year during which Bonds are Outstanding, the Authority shall at all times establish and collect or cause to be established and collected Loan Payments from the County, as shall be required to provide Revenues at least sufficient, together with other available funds, for the payment of the sum of:

- (a) an amount equal to the Debt Service on the Outstanding Bonds for such Fiscal Year; and

- (b) all other charges or liens whatsoever payable out of Revenues during such Fiscal Year.

Section 812. Acquisition of the 2024 Capital Program and its Operation and Maintenance. 1. The Authority shall cause the County to acquire, construct and/or install the 2024 Capital Program with due diligence and in a sound and economical manner.

2. The Authority shall at all times cause the County to use the 2024 Capital Program and, in the case of the capital assets financed with the proceeds of the Series 2014 Bonds and the Series 2015 Bonds, to continue to use such capital assets properly and in an efficient and economical manner, consistent with good business practices, and shall maintain, preserve, reconstruct and keep the same or cause the same to be so maintained, preserved, reconstructed and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals thereto.

Section 813. Maintenance of Insurance. 1. The Authority shall at all times cause the County (for the benefit of the Authority) to maintain such insurance as shall be required by the respective provisions of the Loan Agreement (relating to the 2024 Capital Program), the Series 2014 Loan Agreement (relating to the capital assets financed with the proceeds of the Series 2014 Bonds) and the Series 2015 Loan Agreement (relating to the capital assets financed with the proceeds of the Series 2015 Bonds).

2. The Authority shall also maintain any additional or other insurance which it shall deem necessary or advisable to protect its interests and those of the Bondholders.

3. Any such insurance shall be in the form of policies or contracts for insurance with insurers of good standing.

4. Upon written request of the Trustee, the Authority shall file or shall cause the County to file with the Trustee annually, within one hundred twenty (120) days after the close of each calendar year, certificates of Authorized Authority Representatives and/or Authorized County Representatives, as the case may be, setting forth a description in reasonable detail of the insurances then in effect with respect to the applicable components of the 2024 Project and certifying that the Authority and/or the County, as the case may be, has complied in all respects with their respective requirements pursuant to this Section 813.

Section 814. Application of Insurance Proceeds. The Proceeds of any insurance, including the Proceeds of any condemnation award paid on account of any damage or destruction to the 2024 Capital Program or the capital assets financed with the proceeds of the Series 2014 Bonds and the Series 2015 Bonds or any portion thereof (other than any business interruption loss insurance) shall be applied as set forth in Sections 7.05, 7.06 and 7.07 of the Loan Agreement and Sections 503(5), 506(2) and 507(2) hereof.

Section 815. Enforcement of Loan Agreement; Amendments. The Authority shall enforce the provisions of the Loan Agreement and shall duly perform its covenants and agreements thereunder, as applicable, for the benefit of the Trustee and the Bondholders. The Loan Agreement may not be amended, changed, modified, altered or terminated so as to adversely affect the interests of the Holders of any Outstanding Bonds

without the prior written consent of (a)(i) the Holders of at least fifty-one percent (51%) in aggregate principal amount of the Bonds then Outstanding, or (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modifications or amendments, the Holders of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds of each Series so affected then Outstanding; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 815; provided, further, that no such amendment, change, modification, alteration or termination will reduce the percentage of the aggregate principal amount of Outstanding Bonds the consent of the Holders of which is a requirement for any such amendment, change, modification, alteration or termination, or decrease the amount of any payment required to be made under the Loan Agreement or extend the time of payment thereof. The Loan Agreement may be amended, changed, modified or altered without the consent of the Holders of Outstanding Bonds to provide necessary changes in connection with the issuance of Refunding Bonds, to cure any ambiguity therein, to correct or supplement any provisions contained in the Loan Agreement which may be defective or inconsistent with any other provisions contained in the Loan Agreement or to provide other changes which will not adversely affect the interest of such Holders. Subsequent to the execution by the Authority and the County of any amendment to the Loan Agreement, a copy thereof, certified by an Authorized Authority Representative, shall be filed with the Trustee in accordance with Section 809 hereof.

Section 816. Additional Covenants With Respect to the Loan Agreement. So long as any Bonds or any Series thereof shall be Outstanding, the Authority will, at all times:

- (1) comply with the obligations on the part of the Authority contained in the Loan Agreement (or any amendment thereto) and require the County to comply with its obligation to make Loan Payments thereunder and to pay all other amounts payable under the Loan Agreement (or any amendment thereto) as the same shall become due and payable; and
- (2) promptly take all actions or proceedings necessary or required to compel compliance by such other parties to the Loan Agreement (or any amendment thereto) with respect to the obligations contained therein.

Section 817. Enforcement of Guaranty. The Authority shall undertake all actions necessary so as to entitle it to collect payments from the County, if necessary, in accordance with the terms of the Act and the terms of the Guaranty. The Authority shall not release or modify the obligations of the County under the terms of the Guaranty in any manner which would adversely affect the County's obligation to make payments thereunder. The Authority shall take all reasonable measures which are permitted by the Act or otherwise by law, to enforce prompt payment to the Trustee of all amounts due under the Guaranty, and shall at all times, to the extent permitted by the Act or otherwise by law, defend, enforce, preserve and protect the rights, benefits and privileges of the Authority and of the Bondholders under or with respect to the Guaranty.

Section 818. General. 1. Upon the date of authentication and delivery of any Series of Bonds, all conditions, acts and things required by law and this Bond Resolution to exist, to have happened and to have been performed precedent to and in the issuance of such

Series of Bonds, shall exist, have happened and have been performed and the issue of such Series of Bonds, together with all other indebtedness of the Authority, shall comply in all respects with the applicable laws of the State.

2. The Authority shall at all times maintain its existence and shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Authority under the provisions of the Act, this Bond Resolution and the Loan Agreement, including the exercise of its remedies thereunder.

Section 819. Federal Tax Covenants. The Authority hereby covenants not to take or omit to take any action so as to cause interest on any Series of Tax-Exempt Obligations to be no longer excluded from gross income for the purposes of federal income taxation and to otherwise comply with the requirements of Sections 103 and 141 through 150 of the Code, and all applicable regulations promulgated with respect thereto, throughout the term of such Series of Tax-Exempt Obligations. The Authority further covenants that it will make no investments or other use of the proceeds of any Series of Tax-Exempt Obligations which would cause such Series of Tax-Exempt Obligations to be "arbitrage bonds" (as defined in Section 148 of the Code). The Authority further covenants to comply with the rebate requirements (including the prohibited payment provisions) contained in Section 148(f) of the Code and any regulations promulgated thereunder, to the extent applicable, and to pay any interest or penalty imposed by the United States for failure to comply with said rebate requirements, to the extent applicable. The Authority further covenants not to cause the Series 2024 Bonds and any additional Series of Tax-Exempt Obligations to become "private activity bonds" (within the meaning of Section 141 of the Code).

Section 820. Secondary Market Disclosure. The Authority has determined that no financial or operating data concerning the Authority is material to any decision to purchase, hold or sell the Bonds and the Authority will not provide any such information. Further, the Authority shall have no liability to the Holders of the Bonds or any other Person with respect thereto. The Authority has required the County in the Loan Agreement, as an Obligated Person (as defined under the hereinafter defined Rule), to covenant and agree that it will undertake all responsibilities for compliance with secondary market disclosure requirements pursuant to Rule 15c2-12(b) ("Rule") promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as described in the Continuing Disclosure Agreement ("Continuing Disclosure Agreement") to be executed by and between the County and Acacia Financial Group, Inc., acting as dissemination agent. Notwithstanding any other provision of this Bond Resolution, the failure of the County to comply with the provisions of the Continuing Disclosure Agreement shall not be considered an Event of Default hereunder and the Beneficial Owners of the Bonds (as defined in the Continuing Disclosure Agreement) may take such actions as set forth in the Continuing Disclosure Agreement as may be necessary and appropriate to cause the County to comply with its obligations set forth in the Continuing Disclosure Agreement.

Section 821. Financing Statements. The Authority shall prepare and file such financing statements and continuation statements, if applicable, relating to this Bond Resolution (including, but not limited to, the financing statements with respect to the Series 2024 Bonds) and other documents, and to take such other actions as may be required by law in order to create, perfect and continue the security interest provided for under the State Uniform

Commercial Code or other applicable laws of the State or under other state or federal law and authorizes the Trustee to prepare and file such continuation statements, if applicable. The Trustee shall perform or shall cause to be performed any acts, and execute and cause to be executed any and all further instruments as may be required by law or as shall be reasonably requested for the protection of the interests of the Trustee and the Bondholders, and shall furnish satisfactory evidence to the Authority of recording, registering, filing and re-filing of such instrument and of every additional instrument which shall be necessary to preserve the lien and security interest of this Bond Resolution upon the Pledged Property or any part thereof until the principal of and interest on the Bonds secured hereby shall have been paid. The Trustee shall file at such time or times and in such place or places as the Trustee may be advised by an opinion of counsel will preserve the lien and security interest of this Bond Resolution upon the Pledged Property or any part thereof until the aforesaid principal and interest shall have been paid.

The right of the Trustee or of the Holders of not less than fifty-one percent (51%) in principal amount of the Bonds Outstanding to make any such declaration as aforesaid, however, is subject to the condition that if, at any time after such declaration, but before the Bonds shall have matured by their terms, all overdue installments of interest upon the Bonds, together with the reasonable and proper fees, charges, expenses and liabilities of the Trustee and all other sums then payable by the Authority and the County under this Bond Resolution (except the principal of, and interest accrued since the next preceding Interest Payment Date on the Bonds due and payable solely by virtue of such declaration) shall either be paid by or for the account of the Authority or provision satisfactory to the Trustee shall be made for such payment, and all defaults under the Bonds or under this Bond Resolution (other than the payment of principal and interest due and payable solely by reason of such declaration) shall be made good or be secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Holders of fifty-one percent (51%) in principal amount of the Bonds Outstanding, by written notice to the Authority and the Trustee, may rescind such declaration and annul such default in its entirety or if the Trustee shall have acted itself, and if there shall not have been theretofore delivered to the Trustee written direction to the contrary by the Holders of fifty-one percent (51%) in principal amount of the Bonds Outstanding, then any such declaration shall *ipso facto* be deemed to be rescinded and any such default shall *ipso facto* be deemed to be annulled, but no such rescission or annulment shall extend to or affect any subsequent default or impair or exhaust any right or power consequent thereon.

Section 902. Accounting and Examination of Records After Default. 1. The Authority covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the Authority shall at all times be subject to the inspection and use of the Trustee and of their agents and attorneys.

2. Section 903. Application of Pledged Property After Default. 1. -66-

2. During the continuance of an Event of Default, the Trustee shall apply the Pledged Property, including all moneys, securities, funds and Revenues received by the Trustee pursuant to any right given or action taken under the provisions of this Article IX together with all funds held by the Trustee in any Funds or Accounts under this Bond Resolution as follows and in the following order:

(i) Expenses of Fiduciaries -- to the payment of the reasonable and proper fees (including reasonable attorneys' fees), charges, expenses and liabilities of the Fiduciaries;

(ii) Principal and Interest -- to the payment of the interest and principal then due on the Bonds, as follows:

(a) unless the principal of all of the Bonds shall have become or have been declared due and payable,

First: Interest -- To the payment to the Persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the Persons entitled thereto, without any discrimination or preference; and

Second: Principal -- To the payment to the Persons entitled thereto of the unpaid principal of any Bonds which shall have become due in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds of any Series due on any date, then to the payment thereof ratably, according to the amounts of principal due on such date, to the Persons entitled thereto, without any discrimination or preference;

3. Whenever all overdue installments of all Bonds, together with the reasonable and proper charges, fees (including reasonable attorneys' fees), expenses and liabilities of the Trustee, and all other sums payable by the Authority under this Bond Resolution, including the principal of and accrued unpaid interest on all Bonds which shall then be payable, by declaration or otherwise shall either be paid by or for the account of the Authority, or provision satisfactory to the Trustee shall be made for such payment, and all defaults under this Bond Resolution or the Bonds shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Authority all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of this Bond Resolution to be deposited or pledged, with the Trustee) and thereupon the Authority and the Trustee shall be restored, respectively, to their former positions and rights under this Bond Resolution. No such payment over to the Authority by the Trustee nor such restoration of the Authority and the Trustee to their former positions and rights shall extend to or affect any subsequent default under this Bond Resolution or impair any right consequent thereon.

Section 904. Proceedings Brought by Trustee. 1. If an Event of Default shall happen and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon written request of the Holders of not less than fifty-one percent (51%) in principal amount of the Bonds Outstanding so in default shall proceed, to protect and enforce its rights and the rights of the Holders of the Bonds so in default under this Bond Resolution forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted, or for an accounting against the Authority as if the Authority were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this Bond Resolution.

2. All rights of action under this Bond Resolution may be enforced by the Trustee without the possession of any of the Bonds so in default or the production thereof at the trial or other proceedings, and any such suit or proceedings instituted by the Trustee shall be brought in its name.

3. The Holders of fifty-one percent (51%) in principal amount of the Bonds so in default at the time Outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee.

4. Upon commencing a suit in equity or upon other commencement of proceedings by the Trustee to enforce any right under this Bond Resolution, the Trustee shall be entitled to exercise any and all rights and powers conferred in this Bond Resolution and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

5. Regardless of the happening of an Event of Default, the Trustee shall have power to, but unless requested in writing by the Holders of fifty-one percent (51%) in principal amount of the Bonds so in default then Outstanding and furnished with adequate security and indemnity satisfactory to the Trustee, shall be under no obligation to, institute and maintain such

suits and proceedings as it may be advised shall be necessary or expedient to prevent any impairment of the security under this Bond Resolution by any acts which may be unlawful or in violation of this Bond Resolution, and such suits and proceedings as the Trustee may be advised shall be necessary or expedient to preserve or protect its interests and the interests of the Bondholders.

Section 905. Restrictions on Bondholder's Action. 1. No Holder of any Bond shall have any right to institute any suit, action or proceeding at law or in equity for the enforcement of any provision of this Bond Resolution or the execution of any trust under this Bond Resolution or for any remedy under this Bond Resolution, unless such Holder shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in this Article IX, and the Holders of at least fifty-one percent (51%) in principal amount of the Bonds so in default then Outstanding shall have filed a written request with the Trustee and shall have offered it reasonable opportunity either to exercise the powers granted in this Bond Resolution or by the Act or by the laws of the State or to institute such action, suit or proceeding in its own name, and unless such Holders shall have offered to the Trustee adequate security and indemnity satisfactory to the Trustee against the costs, fees (including reasonable attorneys' fees), expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused to comply with such request for a period of thirty (30) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Holders of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the pledge created by this Bond Resolution, or to enforce any right under this Bond Resolution, except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Bond Resolution shall be instituted, had and maintained in the manner provided in this Bond Resolution and for the equal benefit of all Holders of the Outstanding Bonds, subject only to the provisions of Section 902 hereof.

2. Nothing contained in this Bond Resolution or in the Bonds shall affect or impair the obligation of the Authority, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed, the principal of (and redemption premium, if any) and interest on the Bonds to the Holders thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Holder to enforce such payment of his Bond.

Section 906. Remedies Not Exclusive. No remedy by the terms of this Bond Resolution conferred upon or reserved to the Trustee or the Bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Bond Resolution or existing at law or in equity or by statute on or after the date of execution and delivery of this Bond Resolution.

Section 907. Effect of Waiver and Other Circumstances. 1. No delay or omission of the Trustee or any Bondholder to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default or be an acquiescence therein; and every power and remedy given by this Article IX to the Trustee or to the Bondholders may be exercised from time to time and as often as may be deemed expedient by the Trustee or by the Bondholders.

2. Prior to the declaration of maturity of the Bonds as provided in Section 901 hereof, the Holders of fifty-one percent (51%) in principal amount of the Bonds at the time Outstanding, or their attorneys-in-fact duly authorized, may on behalf of the Holders of all of the Bonds so in default waive any past default under this Bond Resolution and its consequences, except a default in the payment of interest on or principal of or redemption premium (if any) on any of the Bonds. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 908. Notice of Default. The Trustee shall promptly mail written notice of the occurrence of any Event of Default of which the Trustee has actual knowledge to each Registered Owner of Bonds so in default then Outstanding at his address, if any, appearing upon the registry books of the Authority. The Trustee shall also give prompt notice of the occurrence of an Event of Default of which the Trustee has actual knowledge to the Authority and the Paying Agent. For purposes of this Section 908, the Trustee will be deemed to have actual knowledge only if an officer of the corporate trust department of the Trustee has actual first-hand knowledge thereof. The Trustee shall be deemed to have actual knowledge of any payment default if the Trustee shall not have received payment on the date on which such payment was due.

Section 909. Notice to Trustee to Exercise Remedies Under the Loan Agreement. The Authority covenants that if an Event of Default under the Loan Agreement shall occur and be continuing, it will not exercise any of such remedies set forth in the Loan Agreement without written consent of the Trustee thereto, which consent shall not be unreasonably withheld.

ARTICLE X

CONCERNING THE FIDUCIARIES

Section 1001. Trustee; Appointment and Acceptance of Duties. TD Bank, National Association, Mount Laurel, New Jersey is hereby appointed Trustee under this Bond Resolution. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Authority a written acceptance thereof, and by executing such acceptance the Trustee shall be deemed to have accepted such duties and obligations with respect to all the Bonds thereafter to be issued, but only, however, upon the terms and conditions set forth in this Bond Resolution.

Section 1002. Paying Agents; Appointment and Acceptance of Duties; Bond Registrar. 1. The Authority shall appoint one or more Paying Agents for the Bonds, and may at any time or from time to time appoint one or more other Paying Agents. All Paying Agents appointed shall have the qualifications set forth in Section 1013 hereof for a successor Paying Agent. The Trustee is hereby appointed a Paying Agent.

2. Unless otherwise provided, the designated corporate trust offices of the Paying Agents are designated as the respective offices or agencies of the Authority for the payment of the interest on and principal or Redemption Price of the Bonds.

3. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Bond Resolution by executing and delivering to the Authority and to the Trustee a written acceptance thereof. No Paying Agent shall be liable for the acts or omissions of any other Paying Agent.

4. The Authority shall appoint a Bond Registrar, which shall be the Trustee. The Bond Registrar shall have the duties and the responsibilities provided in this Bond Resolution. The Bond Registrar shall accept the responsibilities of a Bond Registrar hereunder with respect to all Bonds by executing a certificate to be delivered to the Trustee and the Authority.

Section 1003. Responsibilities of Fiduciaries. 1. The recitals of fact herein and in the Bonds contained shall be taken as the statements of the Authority and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Bond Resolution or of any Bonds issued hereunder or as to the security afforded by this Bond Resolution, and no Fiduciary shall incur any liability in respect thereof. The Trustee or Bond Registrar shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid by such Fiduciary in accordance with the provisions of this Bond Resolution to the Authority or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect thereof, or to advance any of its own moneys, unless properly indemnified to its satisfaction. Subject to the provisions of subsection (2) of this Section 1003, no Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct.

2. The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Bond Resolution. In case an Event of Default has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it by this Bond Resolution, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. Any provision of this Bond Resolution relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 1003 and Section 1004 hereof.

Section 1004. Evidence on Which Fiduciaries May Act. 1. Each Fiduciary, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document furnished to it pursuant to any provision of this Bond Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Bond Resolution and shall be protected in acting upon any such instrument believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties. Each Fiduciary may consult with counsel, who may or may not be counsel to the Authority, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Bond Resolution in good faith and in accordance therewith.

2. Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Bond Resolution, such matter (unless other evidence in respect hereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Authority Representative, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Bond Resolution upon the faith thereof; but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

3. Except as otherwise expressly provided in this Bond Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the Authority to any Fiduciary shall be sufficiently executed in the name of the Authority when signed by an Authorized Authority Representative, or in the name of the County by an Authorized County Representative.

Section 1005. Compensation. The Authority shall pay or cause to be paid to each Fiduciary from time to time reasonable compensation for all services rendered under this Bond Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements including, without limitation, those of its attorneys, agents and employees incurred in and about the performance of their powers and duties under this Bond Resolution, in accordance with the agreements made from time to time between the Authority and the Fiduciary and, subject to the rights of Bondholders hereunder, the Trustee and each Paying Agent shall have a lien therefor on any and all Funds at any time held by it under this Bond Resolution. Subject to the provisions of Section 1003 hereof and to the extent permitted by law, the Authority further agrees to indemnify and save each Fiduciary harmless against any losses, liabilities, expenses and fees which it may incur in the exercise and performance of its powers and duties hereunder and which are not due to such Fiduciary's negligence or willful misconduct.

The provisions of this Section 1005 shall survive the payment of the Bonds pursuant to Section 1301 hereof.

Section 1006. Certain Permitted Acts. Any Fiduciary, individually or otherwise, may become the Owner of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Bond Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding. To the extent permitted by law, any Fiduciary may provide banking, financial and similar services to the Authority.

Section 1007. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties created by this Bond Resolution by giving not less than sixty (60) days' prior written notice thereof to the Authority and the County, and mailing notice thereof to the Holders of Bonds then Outstanding, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless (i) previously a successor shall have been appointed by the Authority or the Bondholders as provided in Section 1009 hereof, in which event such resignation shall take effect immediately on the appointment of such successor, or (ii) a successor shall not have been appointed by the Authority or the Bondholders as provided in Section 1009 hereof on such date, in which event such resignation shall not take effect until a successor is appointed.

Section 1008. Removal of the Trustee. The Trustee may be removed at any time with or without cause by an instrument or concurrent instruments, in writing, filed with the Trustee, and signed by the Holders of fifty-one percent (51%) in principal amount of the Bonds then Outstanding, or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority upon not less than sixty (60) days' written notice to the Trustee, the Authority and the County, and in the case of any removal by the Authority as set forth below, to the Holders of the Bonds, and which notice shall specify the date when such removal takes effect. So long as no Event of Default or an event which, with notice or passage of time, or both, would become an Event of Default, shall have occurred and be continuing, the Trustee may be removed at any time for reasonable cause (including but not limited to an increase in fees or a failure to competently perform its duties hereunder) by a resolution of the Authority filed with the Trustee upon notice as aforesaid.

Section 1009. Appointment of Successor Trustee. 1. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, a successor Trustee may be appointed by the Authority by a duly executed written instrument signed by an Authorized Authority Representative, but if the Authority does not appoint a successor Trustee within sixty (60) days after written notice thereof to the Authority, then by the Holders of fifty-one percent (51%) in principal amount of the Bonds, then Outstanding, excluding any Bonds held by or for the account of the Authority, by an instrument or concurrent instruments, in writing, signed and acknowledged by such Bondholders or by their attorneys-in-fact duly authorized and delivered to such successor Trustee, notification

thereof being given to the Authority and the predecessor Trustee. After such appointment of a successor Trustee, the Authority shall mail notice of any such appointment by it or by the Bondholders to the Registered Owners of the Bonds then Outstanding and to Moody's, S&P and Fitch, if the Bonds are then rated by such rating agency or agencies.

2. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section 1009 within forty-five (45) days after the Trustee shall have given to the Authority and the County written notice as provided in Section 1007 hereof or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, removal, or for any other reason whatsoever, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Said court may thereupon, after such notice, if any, as such court may deem proper, appoint a successor Trustee.

3. Any Trustee appointed under the provisions of this Section 1009 in succession to the Trustee shall be a bank or trust company organized under the laws of any state or a national banking association and shall have capital stock, surplus and undivided earnings aggregating at least \$100,000,000 if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

Section 1010. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Bond Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Authority and the County, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any properties, rights, interests and estates held by it under this Bond Resolution, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing shall, on request, and so far as may be authorized by law, be executed, acknowledged and delivered by the Authority. Any such successor Trustee shall promptly notify the Paying Agent(s) and Bond Registrar of its appointment as Trustee.

Section 1011. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which any Fiduciary may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Bond Resolution, shall be the successor to such Fiduciary without the execution or filing of any paper or the performance of any further act.

Section 1012. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Bond Resolution shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee, or in the name of the successor Trustee, and in all such cases such certificate shall have the full force which it is anywhere in said Bonds or in this Bond Resolution provided that the certificate of the Trustee shall have.

Section 1013. Resignation or Removal of Paying Agent or Bond Registrar and Appointment of Successor. 1. Any Paying Agent or Bond Registrar may at any time resign and be discharged of the duties and obligations created by this Bond Resolution by giving at least sixty (60) days' prior written notice thereof to the Authority, the County, the Trustee and the Paying Agent or Bond Registrar, as applicable. Any Paying Agent or Bond Registrar may be removed by the Authority at any time by an instrument filed with such Paying Agent or Bond Registrar and the Trustee and signed by an Authorized Authority Representative. Any successor Paying Agent or Bond Registrar shall be appointed by the Authority with the approval of the Trustee and shall be a commercial bank or trust company organized under the laws of any state of the United States or a national banking association having capital stock, surplus and undivided earnings aggregating at least \$100,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Bond Resolution.

2. In the event of the resignation or removal of any Paying Agent or Bond Registrar, such Paying Agent or Bond Registrar shall pay over, assign and deliver any moneys held by it as Paying Agent or Bond Registrar to its successor, or if there be no successor, to the Trustee, with such documentation satisfactory to the successor Paying Agent and the Trustee, certifying that the amounts being paid over, assigned and delivered represent the remaining balance of all funds so held. In the event for any reason there shall be a vacancy in the office of any Paying Agent or Bond Registrar, the Trustee shall act as such Paying Agent or Bond Registrar.

Section 1014. Advances by Trustee. If the County shall fail to make any payment or perform any of its covenants in the Loan Agreement, the Trustee may (but shall in no case be required), at any time and from time to time, use and apply any moneys held by it under this Bond Resolution (except moneys in the Rebate Fund), or make advances, to effect payment or performance of any such covenant on behalf of the County. All moneys held by the Trustee under this Bond Resolution so used shall be repaid by the County upon demand and all moneys so advanced by the Trustee from its own funds, together with interest at the Prime Rate plus 2%, shall be repaid by the County upon demand and such advances shall be secured under this Resolution prior to the Bond Payment Obligations. For the repayment of all such advances the Trustee shall have the right to use and apply any moneys at any time held by it (except the moneys in the Rebate Fund) under this Bond Resolution but no such use of moneys or advance shall relieve the County from any default hereunder.

Section 1015. Notice to Rating Agencies. The Authority shall promptly give written notice to each Rating Agency by registered or certified mail, postage prepaid, of the occurrence of any of the following events: (a) the appointment of a successor Trustee hereunder,

(b) the date that no Bonds remain Outstanding, (c) the Authority becomes aware of any material change made in this Bond Resolution, the Loan Agreement or the Guaranty, (d) any redemption of Bonds pursuant to this Resolution other than mandatory sinking fund redemptions, if any, or (e) the acceleration of Bonds in accordance with Article IX hereof.

Section 1016. L. 2005, c. 92 Covenant. In accordance with L. 2005, c. 92, the Trustee covenants and agrees that all services performed under this Bond Resolution shall be performed within the United States of America.

Section 1017. Compliance with L. 2005, c. 51. The Trustee represents and warrants that all information, certifications and disclosure statements previously provided in connection with L. 2005, c. 51, which codified Executive Order No. 134 (McGreevey 2004), are true and correct as of the date hereof and that all such statements have been made with full knowledge that the Authority has relied upon the truth of the statements contained therein in engaging the Trustee in connection with the Bonds. The Trustee agrees that it will maintain continued compliance with L. 2005, c. 51 and any regulations pertaining thereto. The Trustee acknowledges that upon its failure to make required filings thereunder or the making of a contribution prohibited thereunder the Authority may remove the Trustee as trustee under this Bond Resolution and may exercise any remedies afforded to it at law or in equity.

Section 1018. Compliance with L. 2005, c. 271 Reporting Requirements. The Trustee hereby acknowledges that it has been advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (L. 2005, c. 271, section 3) if the Trustee enters into agreements or contracts, such as this Indenture, with a New Jersey public entity, such as the Authority, and receives compensation or fees in excess of \$50,000 or more in the aggregate from New Jersey public entities, such as the Authority, in a calendar year. It is the Trustee's responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC.

Section 1019. Conflict Between Provisions of Bond Resolution and Guaranty. In the event the Trustee, in the performance of its fiduciary responsibilities, determines there are conflicts, ambiguities or inconsistencies between the provisions of the Guaranty and this Bond Resolution, the Trustee may rely upon a written opinion from Bond Counsel addressed to the Authority, the County and the Trustee directing the Trustee to adhere to the provisions of either the Guaranty or this Bond Resolution. The Trustee shall be fully protected in the performance of its fiduciary responsibilities to the extent it acts in accordance with such opinion.

2. Any Supplemental Resolution referred to and permitted or authorized by Sections 1101 and 1102 hereof may be adopted by the Authority without the consent of any of the Bondholders, but shall become effective only on the conditions, to the extent and at the time provided in said Sections, respectively. The copy of every Supplemental Resolution when filed with the Trustee shall be accompanied by an opinion of Bond Counsel stating that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution and is valid and binding upon the Authority and enforceable in accordance with its terms subject to any applicable bankruptcy, insolvency or other laws affecting creditors' rights generally.

3. The Trustee is hereby authorized to accept the delivery of a certified copy of any Supplemental Resolution referred to and permitted or authorized by Sections 1101, 1102 or 1103 hereof and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of Bond Counsel that such Supplemental Resolution is authorized or permitted by the provisions of this Bond Resolution.

4. No Supplemental Resolution shall change or modify any of the rights or obligations of any Fiduciary without its written consent thereto.

ARTICLE XII

AMENDMENTS

Section 1201. Mailing and Publication. 1. Any provision in this Article for the mailing of a notice or other matter to Bondholders by the Authority shall be fully complied with if it is mailed postage prepaid only (i) to each Registered Owner of Bonds then Outstanding at such Registered Owner's address, if any, appearing upon the registry books of the Authority kept at the office of the Bond Registrar; and (ii) to the Trustee. If the Bonds are rated by Moody's, S&P and/or Fitch, then the Authority shall give notice to the rating agency or agencies that rated the Bonds of any material amendments to this Bond Resolution.

2. Any provision in this Article for publication of a notice or other matter shall require the publication thereof only in an Authorized Newspaper by the Authority.

Section 1202. Powers of Amendment. Any modification or amendment of this Bond Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds hereunder in any particular, may be made by a Supplemental Resolution with the written consent, given as provided in Section 1203 hereof, of (i) the Holders of at least fifty-one percent (51%) in principal amount of the Bonds Outstanding at the time such consent is given; and (ii) in case the modification or amendment changes the terms of any Sinking Fund Installment, the Holders of one hundred percent (100%) in principal amount of the Bonds of the particular maturity entitled to such Sinking Fund Installment and Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 1202. No such modification or amendment shall permit a change in the maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written consent thereto. The Trustee may, in its discretion, determine whether or not, in accordance with the foregoing powers of amendment, Bonds of any particular maturity would be affected by any modification or amendment of this Bond Resolution and any such determination shall be binding and conclusive on the Authority and all Holders of Bonds.

Section 1203. Consent of Bondholders. The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions of Section 1202 hereof to take effect when and as provided in this Section 1203. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be mailed by the Authority to the Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this Section 1203 provided). Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (a) the written consents of the Holders of the percentages of Outstanding Bonds specified in Section 1202 hereof; and (b) an opinion of Bond

Counsel stating that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of this Bond Resolution, is authorized or permitted by this Bond Resolution, and is valid and binding upon the Authority and enforceable in accordance with its terms, subject to any applicable bankruptcy, insolvency or other laws affecting creditors' rights generally, and (f) a notice shall have been given as hereinafter in this Section 1203 provided. The consent of the Holders of the Bonds shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by Section 1303 hereof. A certificate or certificates executed by the Trustee and filed with the Authority stating that it has examined such proof and that such proof is sufficient in accordance with Section 1303 hereof shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be irrevocable and binding upon the Holder of the Bonds giving such consent and, anything in Section 1303 hereof to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof) unless such consent is revoked, in writing, by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee, prior to the time when the written statement of the Trustee hereinafter in this Section 1203 provided for is filed, such revocation and, if such Bonds are transferable by delivery, proof that such Bonds are held by the signer, of such revocation in the manner permitted by this Section 1203. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Authority to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statements shall be conclusive that such consents have been so filed. At any time thereafter, notice stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided in this Section 1203, may be given to Bondholders by the Authority by mailing such notice to Bondholders (but failure to mail such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this Section 1203 provided). The Authority shall file with the Trustee proof of the mailing thereof. A record, consisting of the certificates or statements required or permitted by this Section 1203 to be made by the Trustee, shall be proof of the matters therein stated. Such Supplemental Resolution making such amendment or modification shall be deemed conclusively binding upon the Authority, the Trustee and the Holders of all Bonds at the expiration of forty (40) days after the filing with the Trustee of the proof of the mailing of such last mentioned notice, except in the event of a final decree of a court of competent jurisdiction setting aside such Supplemental Resolution in a legal action or equitable proceeding for such purpose commenced within such forty (40) day period; provided, however, that the Trustee and the Authority during such forty (40) day period and any such further period during which any such action or proceeding may be binding shall be entitled in their absolute discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Resolution as they may deem expedient.

Section 1204. Modifications by Unanimous Consent. The terms and provisions of this Bond Resolution and the rights and obligations of the Authority and the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption

-81-

and filing by the Authority of a Supplemental Resolution and the consents of the Holders of all of the Bonds then Outstanding, such consents to be given as provided in Section 1203, except that no notice to Bondholders shall be required; provided, however, that no such modification or amendment shall change or modify any of the rights or obligations of any Fiduciary without the filing with the Trustee of the written assent thereto of such Fiduciary and of the Bondholders.

Section 1205. Exclusion of Bonds. Bonds owned or held by or for the account of the Authority shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Article XII, and the Authority shall not be entitled with respect to such Bonds to give any consent or take any other action provided for in this Article XII. At the time of any consent or other action taken under this Article XII, the Authority shall furnish the Trustee a certificate of an Authorized Authority Representative, upon which the Trustee may rely, describing all Bonds so to be excluded.

Section 1206. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article XI or this Article XII provided may, and, if the Trustee so determines upon advice of counsel, shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to such action, and in that case upon demand of the Holder of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the designated corporate trust office of the Trustee or upon any transfer or exchange of any Bond Outstanding at such effective date, suitable notation shall be made on such Bond or upon any Bond issued upon any such transfer or exchange by the Trustee as to any such action. If the Authority or the Trustee shall so determine, new Bonds so modified as in the opinion of the Trustee and the Authority to conform to such action shall be prepared, authenticated and delivered, and upon demand of the Holder of any Bond then Outstanding shall be exchanged, without cost to such Bondholder, for Bonds of the same Series and maturity then Outstanding, upon surrender of such Bonds.

ARTICLE XIII MISCELLANEOUS

Section 1301. Defeasance. 1. If, subject to the provisions set forth in the next succeeding sentence, the Authority shall pay or cause to be paid, or there shall otherwise be paid, to or for the account of the Holders of all Bonds the principal, redemption premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and in this Bond Resolution, then the pledge of the Pledged Property, any Revenues and other moneys and securities pledged under this Bond Resolution and all covenants, agreements and other obligations of the County to the Bondholders under the provisions of the Guaranty, shall thereupon cease, terminate and become void and be discharged and satisfied. Upon the request of the Authority, the Trustee shall execute and deliver to the Authority all such instruments as may be desirable to evidence such discharge and satisfaction and the Fiduciaries shall pay over or deliver to the Authority all moneys or securities held by them pursuant to this Bond Resolution which are not required for the payment of principal of, redemption premium, if any, and interest on Bonds not theretofore surrendered for such payment or redemption. If the Authority shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of the Outstanding Bonds of a particular maturity or particular Bonds within a maturity, the principal of, redemption premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Bond Resolution, such Bonds shall cease to be entitled to any lien, benefit or security under this Bond Resolution and the Guaranty and all covenants, agreements and obligations of the Authority to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

2. Principal and/or interest installments for the payment or redemption of which moneys or Investment Securities shall have been set aside and shall be held in trust by the Trustee or Paying Agents (through deposit by the Authority of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section 1301. Subject to the provisions of subsection (3) through subsection (5) of this Section 1301, all Outstanding Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (1) of this Section 1301 if (a) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Investment Securities (including any Investment Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price of and interest due and to become due on said Bonds on or prior to the redemption or maturity date thereof, as the case may be, and (b) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to mail as provided in Article IV hereof a notice to the Holders of such Bonds that the deposit required by subclause (a) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section 1301 and stating such maturity or redemption date upon which moneys are expected, subject to the provisions of subsection (6) of this Section 1301, to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds, and (c) in case any of said Bonds are to be redeemed on any date prior to their maturity,

-83-

the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to mail as provided in Article IV hereof notice of redemption of such Bonds (other than Bonds which have been purchased by the Trustee at the direction of the Authority or purchased or otherwise acquired by the Authority and delivered to the Trustee as hereinafter provided prior to the mailing of such notice of redemption) on said date. Any notice of redemption mailed pursuant to the preceding sentence with respect to Bonds which constitute less than all of the Outstanding Bonds of any maturity within a Series shall specify the letter and number or other distinguishing mark of each such Bond. For purposes of this Section 1301 only, the term Investment Securities shall mean only those Investment Securities described in clause b.(1) of the definition of "Investment Securities" contained in Section 101 hereof unless the Authority shall have received written confirmation from Moody's, if the Bonds are then rated by Moody's, S&P, if the Bonds are then rated by S&P, and Fitch, if the Bonds are then rated by Fitch, that defeasance with Investment Securities other than those described in such clause b.(1) of the definition of "Investment Securities" will result in the Bonds being rated in the highest investment grade or category of each such rating agency. The Trustee shall, if so directed by the Authority prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1301 which are not to be redeemed prior to their maturity date or prior to the maturity date of any Bonds deemed to have been paid in accordance with this Section 1301 which are to be redeemed on any date prior to their maturity, apply moneys deposited with the Trustee in respect of such Bonds and redeem or sell Investment Securities so deposited with the Trustee and apply the proceeds thereof to the purchase of such Bonds so purchased; provided, however, that the moneys and Investment Securities remaining on deposit with the Trustee after the purchase and cancellation of such Bonds shall be sufficient (as verified by an independent certified public accountant, as stated in a verification report addressed to the Authority, the County and the Trustee) to pay when due the Principal Installment, redemption premium, if any, and interest due or to become due on all Bonds, in respect of which such moneys and Investment Securities are being held by the Trustee on or prior to the redemption date or maturity date thereof, as the case may be. If, at any time prior to the maturity date of Bonds deemed to have been paid in accordance with this Section 1301 which are not to be redeemed prior to their maturity date or Bonds which are to be redeemed prior to their maturity date, the Authority shall purchase or otherwise acquire any such Bonds and deliver such Bonds to the Trustee prior to their maturity date, the Trustee shall immediately cancel all such Bonds so delivered; such delivery of Bonds to the Trustee shall be accompanied by directions from the Authority to the Trustee as to the manner in which such Bonds are to be applied against the obligation of the Trustee to Bonds deemed paid in accordance with this Section 1301. The directions given by the Authority to the Trustee referred to in the preceding sentences shall also specify the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to pay Bonds deemed paid in accordance with this Section 1301 upon their maturity date or dates and the portion, if any, of such Bonds so purchased or delivered and canceled to be applied against the obligation of the Trustee to redeem Bonds deemed paid in accordance with this Section 1301 on any date or dates prior to their maturity. In the event that on any date as a result of any purchases, acquisitions and cancellations of Bonds as provided in this Section 1301 such amount is in excess (as verified by an independent certified public accountant addressed to the Authority, the County and the Trustee) of the total amount which would have been required to be deposited with the Trustee on such date in respect of the remaining Bonds in order to satisfy subclause (a) of this subsection (2) of Section 1301, the Trustee shall, upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Bond Resolution and the Loan Agreement, if any, pay the amount of such excess to the

-84-

County free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution. Except as otherwise provided in this subsection (2) of Section 1301 and in subsection (3) through subsection (5) of this Section 1301, neither Investment Securities nor moneys deposited with the Trustee pursuant to this Section 1301 nor principal or interest payments on any such Investment Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of, redemption premium, if any, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Investment Securities deposited with the Trustee, (A) to the extent such cash will not be required (as verified by an independent certified public accountant as stated in a verification report addressed to the Authority, the County and the Trustee) at any time for such purpose shall, upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Bond Resolution and the Loan Agreement, if any, be paid over to the County, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution, and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Investment Securities maturing at times and in amounts sufficient (as verified by an independent certified public accountant as stated in a verification report addressed to the Authority, the County and the Trustee) to pay when due the principal of, redemption premium, if any, and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and any interest earned from such reinvestment shall, to the extent not needed to pay then due principal of, redemption premium, if any, and interest on said Bonds and upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Bond Resolution and the Loan Agreement, if any, be paid over to the County, free and clear of any trust, lien, pledge or assignment securing said Bonds or otherwise existing under this Bond Resolution. For the purposes of this Section 1301, Investment Securities shall mean and include only (x) such securities as are described in this subsection 1301(2) which shall not be subject to redemption prior to their maturity other than at the option of the Holder thereof, (y) such securities as are described in this subsection 1301(2) which shall not be subject to redemption prior to their maturity other than at the option of the Holder thereof or as to which an irrevocable notice of redemption of such securities on a specified redemption date has been given and such securities are not otherwise subject to redemption prior to such specified date other than at the option of the Holder thereof, or (z) upon compliance with the provisions of subsection (3) of this Section 1301, such securities as are described in this subsection 1301(2) which are subject to redemption prior to maturity at the option of the issuer thereof on a specified date or dates.

3. Investment Securities described in clause (z) of subsection (2) of this Section 1301 may be included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of subclause (a) of subsection (2) of this Section 1301 only if the determination as to whether the moneys and Investment Securities to be deposited with the Trustee in order to satisfy the requirements of such subclause (a) would be sufficient to pay when due either on the maturity date or the redemption date thereof, the principal of, redemption premium, if any, and interest on the Bonds (including any Series thereof) which will be deemed to have been paid as provided in subsection (2) of this Section 1301 is made both (i) on the assumption that the Investment Securities described in clause (z) were not redeemed at the option of the issuer prior to the maturity date thereof; and (ii) on the assumption that such Investment Securities would be redeemed by the issuer thereof at its option on each date on which such option could be exercised, that as of such date or dates interest ceased to accrue on such

Investment Securities and that the proceeds of such redemption would not be reinvested by the Trustee.

4. In the event after compliance with the provisions of subsection (3) of this Section 1301 the Investment Securities described in clause (z) of subsection (2) of this Section 1301 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of subclause (a) of subsection (2) of this Section 1301 and any such Investment Securities are actually redeemed by the issuer thereof prior to their maturity date, then the Trustee at the direction of the Authority, provided that the aggregate of the moneys and Investment Securities to be held by the Trustee, taking into consideration any changes in redemption dates or instructions to give notice of redemption given to the Trustee by the Authority in accordance with subsection (3) of this Section 1301, shall at all times be sufficient (as verified by an independent certified public accountant as stated in a verification report addressed to the Authority, the County and the Trustee) to satisfy the requirements of subclause (b) of subsection (2) of this Section 1301, shall reinvest the proceeds of such redemption in Investment Securities. The Trustee shall mail notice of the substitution of Investment Securities to the Holders of the Bonds.

5. In the event that after compliance with the provisions of subsection (4) of this Section 1301 the Investment Securities described in clause (z) of subsection (2) of this Section 1301 are included in the Investment Securities deposited with the Trustee in order to satisfy the requirements of subclause (a) of subsection (2) of this Section 1301, then any notice of redemption to be mailed by the Trustee and any set of instructions relating to a notice of redemption given to the Trustee may provide, at the option of the Authority, that any redemption date or dates in respect of all or any portion of the Bonds to be redeemed on such date or dates may at the option of the Authority be changed to any other permissible redemption date or dates and that redemption dates may be established for any Bonds deemed to have been paid in accordance with this Section 1301 upon their maturity date or dates at any time prior to the actual mailing of any applicable notice of redemption in the event that all or any portion of any Investment Securities described in clause (z) of subsection (2) of this Section 1301 have been called for redemption pursuant to an irrevocable notice of redemption or have been redeemed by the issuer thereof prior to the maturity date thereof; no such change or redemption date or dates or establishment of redemption date or dates may be made unless taking into account such changed redemption date or dates or newly established redemption date or dates the moneys and Investment Securities on deposit with the Trustee including any Investment Securities or redemption proceeds in accordance with subsection (5) of this Section 1301 pursuant to subclause (a) of subsection (2) of this Section 1301 would be sufficient to pay when due the principal or Redemption Price of, and interest on all Bonds deemed to have been paid in accordance with subsection (2) of this Section 1301 which have not as yet been paid.

6. If the Bonds are rated by Moody's, Standard & Poor's and/or Fitch, then the Authority shall give notice to the rating agency or agencies that rated the Bonds of any defeasance of all or any of the Bonds.

Section 1302. Unclaimed Funds. 1. Anything in this Bond Resolution to the contrary notwithstanding, but subject to any provision of State or Federal law to the contrary, any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for four (4) years after the date when such Bonds have become due and

payable, at their stated maturity dates, if such moneys were held by the Fiduciary at such date, or for four (4) years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds became due and payable, shall, upon written direction of the Authority and after payment of all unpaid Authority Administrative Expenses and amounts due pursuant to this Bond Resolution and the Loan Agreement, if any, be paid by the Fiduciary to the County, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the County for the payment of such Bonds; provided, however, that before being required to make any such payment to the County the Fiduciary shall, at the written direction of the Authority and at the expense of the County, cause to be published at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice that said moneys remain unclaimed and that, after a date named in said notice, which date shall be not less than thirty (30) days after the date of the first publication of such notice, the balance of such moneys then unclaimed will be returned to the County, subject to the hereinabove stated conditions and except as set forth in subsection (2) below.

2. Subject to the provisions of Section 1302(1) hereof, to the extent any moneys are remaining in such Funds and Accounts and the Fiduciaries and/or the Authority have unreimbursed expenses and/or Authority Administrative Expenses or there are other unpaid amounts due pursuant to this Bond Resolution and the Loan Agreement, such moneys shall be paid to each such Fiduciary and/or the Authority by the Trustee, free and clear of the lien and pledge of this Bond Resolution, to the extent required to reimburse such Fiduciary and/or the Authority for such expenses, Authority Administrative Expenses, and/or other unpaid amounts and, if thereafter there are any unclaimed moneys remaining in the Funds and Accounts, then to the County.

Section 1303. Evidence of Signatures of Bondholders and Ownership of Bonds. 1. Any request, consent, revocation of consent or other instrument which this Bond Resolution may require or permit to be signed and executed by the Bondholders may be signed or executed in one or more instruments of similar tenor, and shall be signed or executed by such Bondholders in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any Person of the Bonds shall be sufficient for any purpose of this Bond Resolution (except as otherwise therein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Bondholder or his attorney of such instruments may be proved by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation,

association or partnership, such signature, guarantee, certificate or affidavit shall also constitute sufficient proof of his authority.

(2) The amount of Bonds transferable by delivery held by any Person executing any instrument as a Bondholder, the date of his holding such Bonds, and the numbers and other identification thereof, may be proved by a certificate, which need not be acknowledged or verified, in form satisfactory to the Trustee, executed by the Trustee or by a member of a financial firm or by an officer of a bank, trust company, insurance company, or financial corporation or other depository wherever situated, showing at the date therein mentioned that such Person exhibited to such member or officer or had on deposit with such depository the Bonds described in such certificate. Such certificate may be given by a member of a financial firm or by an officer of any bank, trust company, insurance company or financial corporation or depository with respect to Bonds owned by it, if acceptable to the Trustee. In addition to the foregoing provisions, the Trustee may from time to time make such reasonable regulations as it may deem advisable permitting other proof of holding of Bonds transferable by delivery.

2. The ownership of Bonds registered otherwise than to bearer and the amount, numbers and other identification, and date of holding the same shall be provided by the registry books.

3. Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Authority or any Fiduciary in accordance therewith.

Section 1304. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of the interest or principal due on any date with respect to particular Series of Bonds or for particular Bonds within such Series of Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Holders of the Bonds entitled thereto.

Section 1305. Preservation and Inspection of Documents. All documents received by any Fiduciary under the provisions of this Bond Resolution shall be retained in its possession for a period of seven (7) years and shall be subject at all reasonable times to the inspection of the Authority, the County, any other Fiduciary and any Bondholder and their agents and their representatives, any of whom may make copies thereof.

Section 1306. Parties Interest Herein. Nothing in this Bond Resolution expressed or implied is intended or shall be construed to confer upon, or to give to, any Person or corporation, other than the Authority, the County, the Fiduciaries and the Holders of the Bonds, any right, remedy or claim under or by reason of this Bond Resolution or any covenant, condition or stipulation hereof; and all the covenants, stipulations, promises and agreements in

this Bond Resolution contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the County, the Fiduciaries and the Holders of the Bonds.

Section 1307. No Recourse on the Bonds. No recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Bond Resolution against any member or officer of the Authority or any Person executing the Bonds.

Section 1308. Publication of Notice; Suspension of Publication. 1. Any publication to be made under the provisions of this Bond Resolution in successive weeks or on successive dates may be made in each instance upon any Business Day of the week and need not be made in the same Authorized Newspaper for any or all of the successive publications but may be made in a different Authorized Newspaper.

2. If, because of the temporary or permanent suspension of the publication or general circulation of any Authorized Newspaper or for any other reason, it is impossible or impractical to publish any notice pursuant to this Bond Resolution in the manner herein provided, then such publication in lieu thereof as shall be made with the approval of the Authority shall constitute a sufficient publication of such notice.

Section 1309. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in this Bond Resolution on the part of the Authority or any Fiduciary to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of this Bond Resolution.

Section 1310. Holidays. Except with respect to the computation of a Record Date, if the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in this Bond Resolution, shall be a legal holiday or a day on which banking institutions in the municipality in which is located the principal office of the Trustee or the operational offices of the Authority or the County are authorized by law to remain closed, such payment may be made or act performed or right exercised on the next succeeding day not a legal holiday or a day on which such banking institutions are authorized by law to remain closed, with the same force and effect as if done on the nominal date provided in this Bond Resolution, and no interest shall accrue for the period after such nominal date.

Section 1311. Separate Financings. Nothing contained in this Bond Resolution shall be construed to prevent the Authority from acquiring, constructing or financing through the issuance of its bonds, notes, or other evidences of indebtedness any other public facilities or from securing such bonds, notes or other evidences of indebtedness by a mortgage of such public facilities so financed or by a pledge of, or other security interest in, the revenues thereunder or any lease or other agreement with respect thereto or any revenues derived from such lease or other agreement; provided that such bonds, notes, or other evidences of indebtedness shall not be payable out of or secured by the Revenues or any Fund held under this Bond Resolution and neither the cost of such public facilities nor any expenditure in connection therewith or with the financing thereof shall be payable from the Revenues or from any such Fund hereunder.

Section 1312. Notices and Demands. This Series 2024[A][B] Bond is a direct, limited and special obligation of the Authority payable from the Revenues and equally secured, together with the Series 2024[B][A] Bonds, by a parity lien on the Pledged Property (as defined in the Resolution) of the Authority and from any other moneys pledged therefor under the Resolution; provided, however, that the power and obligation of the Authority to cause application of such Pledged Property and other funds to the payment of the principal or Redemption Price of and the interest on the Series 2024[A][B] Bonds is subject to the terms of the Resolution. This Series 2024[A][B] Bond is also an obligation which is entitled to the benefit of a guaranty of the County of Camden, New Jersey ("County") authorized pursuant to a resolution of the County duly adopted on September 21, 2024 ("Guaranty"), which Guaranty secures the punctual payment when due of the principal of and interest on the Series 2024 Bonds.

The Series 2024[A][B] Bonds are issued in the form of Registered Bonds, without coupons, in book-entry only form in the denomination of \$5,000 each or any integral multiple thereof.

As defined in the Resolution, and for purposes of this Series 2024[A][B] Bond, "Business Day" shall mean any day that is not a Saturday, a Sunday or a legal holiday in the State or the State of New York or a day on which the Trustee, the Bond Registrar, any Paying Agent, the County or the Authority is legally authorized to close. ¹ Final maturity.

Unless otherwise provided in the Resolution, if less than all of the Series 2024[A][B] Bonds of like maturity shall be called for prior redemption, the particular Series 2024[A][B] Bonds or portions of such Series 2024[A][B] Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee, in its sole discretion, may deem fair and appropriate; provided, however, that the portion of any such Series 2024[A][B] Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or a multiple thereof, and that, in selecting portions of such Series 2024[A][B] Bonds for redemption, the Trustee shall treat each such Series 2024[A][B] Bond as representing that number of Series 2024[A][B] Bonds of \$5,000 denomination which is obtained by dividing by \$5,000 the principal amount of such Series 2024[A][B] Bond to be redeemed in part.

When the Trustee shall receive notice from the Authority of its election or direction to redeem the Series 2024[A][B] Bonds pursuant to Section 402 of the Bond Resolution, including written notice from the County whose consent is required to effectuate the redemption of the Series 2024[A][B] Bonds, and when redemption of the Series 2024[A][B] Bonds is authorized or required pursuant to Section 403 of the Bond Resolution and the Trustee shall have received written notice from the County of its consent to the redemption of the Series 2024[A][B] Bonds, the Trustee shall give notice, in the name of the Authority, of the redemption of such Series 2024[A][B] Bonds, which notice shall specify the maturities of the Series

2024[A][B] Bonds to be redeemed, the Redemption Price, the redemption date and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2024[A][B] Bonds of any like maturity are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2024[A][B] Bonds so to be redeemed, and, in the case of the Series 2024[A][B] Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2024[A][B] Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal amount thereof in the case of the Series 2024[A][B] Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable. Such notice shall be mailed by the Trustee, via first class mail, postage prepaid, not less than thirty (30) days nor more than sixty (60) days prior to the redemption date, to the REGISTERED OWNERS of any Series 2024[A][B] Bonds or portions of the Series 2024[A][B] Bonds which are to be redeemed, at their last addresses appearing upon the registry books. Failure to give notice by mail, or any defect in notice to the REGISTERED OWNER of any Series 2024[A][B] Bonds which are to be redeemed shall not affect the validity of the proceedings for the redemption of any other Series 2024[A][B] Bonds.

So long as DTC or its nominee is the REGISTERED OWNER of the Bonds, notices of redemption shall be sent to DTC and not to any Beneficial Owners of the Bonds.

The Trustee shall also comply with any notice or other requirements of DTC to effectuate a redemption of Bonds. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder receives the notice.

If, on the redemption date, moneys for the redemption of all the Series 2024[A][B] Bonds or portions thereof to be redeemed, together with interest thereon to the redemption date, shall be held by the Paying Agent so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the redemption date interest on the Series 2024[A][B] Bonds or portions thereof so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the redemption date, such notice of redemption shall be rescinded by the Trustee and shall be deemed to be null and void as if never given and such Series 2024[A][B] Bonds or portions thereof shall continue to bear interest until paid at maturity at the same rate as they would have borne had they not been called for redemption.

Pursuant to the Bond Resolution, the Authority may hereafter issue Refunding Bonds (in addition to the Series 2024B Bonds) for the purposes, in the amounts and on the conditions prescribed in the Bond Resolution. All bonds issued and to be issued under the Bond Resolution, including the Series 2024 Bonds and other Series of Refunding Bonds, are and will be equally secured by the pledge of Funds and Revenues provided in the Bond Resolution except as otherwise provided in or pursuant to the Bond Resolution.

To the extent and in the respects permitted by the Bond Resolution, the provisions of the Bond Resolution or any resolution amendatory thereof or supplemental thereto may be modified or amended by action taken on behalf of the Authority in the manner and subject to the

conditions and exceptions which are set forth in the Bond Resolution. The pledge of the Pledged Property and other obligations of the Authority under the terms of the Bond Resolution may be discharged at or prior to the maturity or redemption of the Series 2024[A][B] Bonds upon the making of provision for the payment thereof on the terms and conditions set forth in the Bond Resolution.

This Series 2024[A][B] Bond is transferable, as provided in the Bond Resolution, only upon the registration books of the Authority which are kept and maintained for that purpose at the designated corporate trust office of TD Bank, National Association, 12000 Horizon Way, 3rd Floor, Mount Laurel, New Jersey ("Bond Registrar"), as registrar under the Bond Resolution, or its successor as Bond Registrar, by the REGISTERED OWNER hereof in Person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer which is satisfactory to the Bond Registrar and which is duly executed by the REGISTERED OWNER or by such duly authorized attorney, together with the required signature guarantee, and thereupon the Authority shall issue in the name of the transferee a new registered Series 2024[A][B] Bond or Series 2024[A][B] Bonds, of the same aggregate principal amount and series, designation, maturity and interest rate as the surrendered Series 2024[A][B] Bond as provided in the Bond Resolution, upon payment of the charges therein prescribed. The Authority, the Trustee, the Bond Registrar and any Paying Agent of the Authority may treat and consider the Person in whose name this Series 2024[A][B] Bond is registered as the Holder and absolute Owner of this Series 2024[A][B] Bond for the purpose of receiving payment of the principal or Redemption Price of and interest due thereon and for all other purposes whatsoever.

The County agrees that it will use its best efforts to cause such acquisition, construction, equipping and furnishing of the 2024 Capital Program to be completed as soon as may be practicable, delays incident to strikes, riots, acts of God, the public enemy or any delay beyond its reasonable control only excepted; but if for any reason such acquisition, construction, equipping and furnishing is delayed there shall be no diminution in or postponement of the amounts payable to the Authority by the County under this Loan Agreement.

(b) The County shall be responsible for the letting of contracts and for conducting the due diligence on the 2024 Capital Program, including appraisals, title work, environmental surveys, etc., and obtaining all consents, approvals, permits and the like in connection with or relating to the acquisition, construction, equipping and furnishing of the 2024 Capital Program.

(c) The County acknowledges that the Authority makes no warranties or representations and accepts no liabilities or responsibilities with respect to or for the adequacy, sufficiency or suitability of or defects in the 2024 Capital Program or any contracts or agreements with respect to the 2024 Capital Program. The County agrees that the sums so requisitioned from the 2024A Account in the Acquisition Fund will be used to pay or to reimburse the County for the Costs of the 2024 Capital Program. If for any reason the amount in the 2024A Account in the Acquisition Fund proves insufficient to pay all Costs of the 2024 Capital Program and in the event the County elects (i) to undertake such remaining portions of the 2024 Capital Program, the County shall pay the remainder of such Costs in accordance with the provisions of Section 4.11 hereof or (ii) not to undertake such remaining portions of the 2024 Capital Program, the County shall prepare and file with the Trustee the County's Completion Certificate in accordance with the provisions of Section 4.05 of this Loan Agreement. The County shall have the right to enforce payments from the 2024A Account in the Acquisition Fund upon compliance with the procedures set forth in this Section 4.02, Section 4.03 hereof and Section 503 of the Bond Resolution and, in the case of reimbursement for prior advances made

The County agrees with the Authority as a condition precedent to the disbursement of any portion of the 2024A Account in the Acquisition Fund to comply with the terms of this Loan Agreement, the Bond Resolution and, in the case of any requests for reimbursement, the Certificate as to Nonarbitrage and Other Tax Matters and to

of the Code, and that it will comply with the requirements of such Section throughout the term of such Series of Bonds issued as Tax-Exempt Obligations.

SECTION 4.07. Restriction on Use of Acquisition Fund. The County shall not use or direct the use of proceeds of a Series of Bonds issued as Tax-Exempt Obligations deposited into the applicable Account in the Acquisition Fund in any way, or take or omit to take any other action, so as to cause the interest on such Tax-Exempt Obligations to be included in gross income of the Owners thereof for federal income taxation purposes.

SECTION 4.08. Due Diligence Requirement. Except to the extent otherwise approved by a Favorable Opinion of Bond Counsel, such opinion being paid for by the County and addressed to the Trustee, the Authority and the County and being satisfactory to the Authority, the County shall reasonably expect to have completed the 2024 Capital Program with due diligence and caused all of the proceeds of the Series 2024A Bonds to be expended for Costs of the 2024 Capital Program or to be transferred from the 2024A Account in the Acquisition Fund and applied as described in Section 4.09 hereof and Section 503(4) of the Bond Resolution within three (3) years of the Issue Date of the Series 2024A Bonds.

The County anticipates expending all of the proceeds of the Series 2014 Bonds for Costs of the projects originally financed with the proceeds of the Series 2014 Bonds by the end of calendar year 2025.

The County anticipates expending all of the proceeds of the Series 2015 Bonds for Costs of the projects originally financed with the proceeds of the Series 2015 Bonds by the end of calendar year 2025.

SECTION 4.09. Completion of 2024 Capital Program; Excess Series 2024A Bond Proceeds. When the County certifies to the Trustee and the Authority, in the manner provided in Section 4.05 hereof and in Section 503(4) of the Bond Resolution, that the acquisition, construction, equipping and furnishing of the 2024 Capital Program is complete, excess Series 2024A Bond proceeds remaining in the 2024A Account in the Acquisition Fund shall be applied by the Trustee, at the written direction of an Authorized County Representative, in accordance with the provisions of Section 503(4) of the Bond Resolution. If for any reason the amount in the 2024A Account in the Acquisition Fund proves insufficient to pay all Costs of the 2024 Capital Program and in the event the County elects (i) to undertake such remaining portions of the 2024 Capital Program, the County shall pay the remainder of such Costs in accordance with the provisions of Section 4.11 hereof or (ii) not to undertake such remaining portions of the 2024 Capital Program, the County shall prepare and file with the Trustee the County's Completion Certificate in accordance with the provisions of Section 4.05 hereof.

SECTION 4.10. Default in Performance. If there is an event of default by any contractor or any party under any contract made in connection with the 2024 Capital Program, the County will promptly proceed, either separately or in conjunction with others, to exhaust the remedies against the party so in default and against each surety for the performance of such party. The County agrees to advise the Authority, in writing, of the steps it intends to take in connection with any such default. The County may, in good faith, with notice to the Authority and at the cost and expense of the County, prosecute or defend any action or proceeding or take other action involving any such party which the County deems reasonably necessary and which

-27-

furnish the Trustee with a requisition form substantially in the form set forth as Exhibit B annexed hereto and incorporated by this reference herein and, if applicable, a copy of the reimbursement resolution or resolutions.

SECTION 4.04. Cooperation in Furnishing Documents. The Authority agrees to cooperate with the County in furnishing to the Trustee any documents that are required to effect payments out of the 2024A Account in the Acquisition Fund in accordance with Section 4.03 hereof and Section 503 of the Bond Resolution. Such obligation is subject to any provisions of the Bond Resolution requiring additional documentation with respect to such payments and shall not extend beyond the moneys in the 2024A Account in the Acquisition Fund available for payment under the terms of the Bond Resolution.

SECTION 4.05. Completion Date. Upon completion of the 2024 Capital Program, the County shall deliver to the Trustee and the Authority the County's Completion Certificate, the form of which is annexed hereto as Exhibit C and incorporated by this reference herein, which Completion Certificate shall evidence completion of the 2024 Capital Program, and in compliance with the provisions of Section 503(4) of the Bond Resolution shall state: (i) that the 2024 Capital Program is complete or has been substantially completed, (ii) the date of completion of the 2024 Capital Program, (iii) the Cost of all labor, services, materials and supplies used in the 2024 Capital Program have been paid or will be paid from amounts retained by the Trustee, at the County's direction, for any Cost of the 2024 Capital Program and the amount, if any, required, in the opinion of the signer or signers, for the payment of any remaining part of the Cost of the 2024 Capital Program or any portion thereof, not then due and payable or, if due and payable, not yet paid, (iv) the 2024 Capital Program is an authorized "project" under the Act, and (v) all permits, including a Certificate of Occupancy, if required, necessary for the utilization of the 2024 Capital Program have been obtained and are in effect. Notwithstanding the foregoing, the County's Completion Certificate may state that it is given without prejudice to any rights against third parties which exist at the date of the Completion Certificate or which may subsequently come into being. Any amount remaining in the 2024A Account in the Acquisition Fund thereafter (except for amounts therein sufficient to cover Costs of the 2024 Capital Program, not then due and payable or not then paid) shall be applied by the Trustee in the manner set forth in Section 503(4) of the Bond Resolution. If for any reason the amount in the 2024A Account in the Acquisition Fund proves insufficient to pay all Costs of the 2024 Capital Program, the County shall make the election to either undertake or not to undertake the remaining portion of the 2024 Capital Program in accordance with the provisions of Section 4.09 hereof.

SECTION 4.06. Bonds Issued as Tax-Exempt Obligations Not to Become Arbitrage Bonds. As provided in Article VI of the Bond Resolution, the Trustee will invest moneys held by the Trustee as directed by the Authority, in writing, upon written instructions from the County. The County hereby covenants to the Authority and to the Holders of any Bonds issued as Tax-Exempt Obligations that, notwithstanding any other provision of this Loan Agreement or any other instrument, it will neither make, instruct the Authority to make nor require the Trustee to make any investment or other use of the proceeds of a Series of Bonds issued as Tax-Exempt Obligations deposited into the applicable Account in the Acquisition Fund or other proceeds of any Series of Bonds issued as Tax-Exempt Obligations which would cause such Series of Bonds issued as Tax-Exempt Obligations to be arbitrage bonds under Section 148

-26-

may be required for the successful completion of the 2024 Capital Program, and in such event, the Authority hereby agrees to cooperate fully with the County. Any amounts recovered by way of damages, refunds, adjustments or otherwise in connection with the foregoing shall be deposited into the 2024A Account in the Acquisition Fund and shall be used to complete the 2024 Capital Program or shall be deposited into the 2024A Account in the Proceeds Fund and shall be applied by the Trustee as a credit toward the County's Loan Payments with respect to the Series 2024A Bonds in accordance with the provisions of Section 507 of the Bond Resolution, as shall be determined by the Authority in accordance with written instructions from the County.

SECTION 4.11. Sufficiency of Series 2024A Bond Proceeds; Completion of the 2024 Capital Program. (A) The County agrees that the net proceeds of sale of the Series 2024A Bonds deposited in the 2024A Account in the Acquisition Fund established under the Bond Resolution will be sufficient to pay the estimated Costs of the 2024 Capital Program. In the event the Cost to complete the 2024 Capital Program shall exceed the amount available to the County in the 2024A Account in the Acquisition Fund from the Series 2024A Bond proceeds and in the event the County elects to undertake such remaining portions of the 2024 Capital Program, the County is obligated to pay, as Additional Loan Payments under Section 5.02(B)(ii) hereof, such sums as may be required to pay the Costs of the 2024 Capital Program in excess of the amount available to the County from the proceeds of the sale of the Series 2024A Bonds out of funds legally available therefor. Payment of such Additional Loan Payments shall be made by the County at the time or times and in the amount or amounts required for the payment of such excess Costs as the same become due and payable. Such Additional Loan Payments shall be paid by the County to the Trustee for deposit in the 2024A Account in the Acquisition Fund and the Trustee shall pay the Costs thereof in accordance with the procedures outlined in Section 4.03 hereof and subsection (3) of Section 503 of the Bond Resolution.

(B) In the event the County pays to the Trustee sums needed to fund the balance of the Costs of the 2024 Capital Program in accordance with the provisions of Section 4.11(A) hereof, the County shall complete Exhibit E attached hereto to reflect (i) the amount of moneys to be withdrawn from the 2024A Account in the Acquisition Fund to pay the Costs of the 2024 Capital Program, (ii) the amount of money forwarded to the Trustee by the County for deposit in the 2024A Account in the Acquisition Fund to make up the deficiency in such Costs of the 2024 Capital Program, (iii) the total Cost of the Item being requisitioned, and (iv) such other information required to be completed as contained in Exhibit E, which certificate shall be executed by the County and delivered and filed with the Trustee (with a copy to the Authority if requested).

SECTION 4.12. Substitution by the County With Respect to 2024 Capital Program. The County is hereby granted the following options of substitution or addition of Equipment or Improvements with respect to the 2024 Capital Program as originally set forth in this Loan Agreement:

(A) Prior to the County's delivery of a Completion Certificate for any Item of Equipment or Improvement, the County may, for any reason, elect to substitute one or more other Items of Equipment or Improvements for the Items that were previously contemplated; provided, however, that no such substitution shall be made unless the Trustee shall have received: (i) a Certificate of an Authorized County Representative expressing the County's intent to substitute Equipment or Improvements pursuant to this Loan Agreement and to the effect that

-28-

the aggregate value of all Items of Equipment and Improvements financed with proceeds of the Series 2024A Bonds for which a Completion Certificate has been delivered, plus the value of the new Items of Equipment and Improvements to be purchased with proceeds of the Series 2024A Bonds is equal to at least 100% of the amount of Series 2024A Bond proceeds initially deposited in the 2024A Account in the Acquisition Fund established pursuant to the Bond Resolution for the Series 2024A Bonds; (ii) a new Exhibit G to this Loan Agreement setting out the new Items of Equipment to be acquired and/or Improvements to be constructed; (iii) an opinion of counsel that is satisfactory to the Authority to the effect that each of such substitutions and this Loan Agreement, as supplemented thereby, are in compliance with all applicable laws and that the financing of such new Items falls within the corporate powers of the Authority; and (iv) an opinion of Bond Counsel to the effect that such substitution will not adversely affect the exclusion of interest on any Series of Tax-Exempt Obligations from the gross income of the Owners thereof for federal income taxation purposes.

(B) The County may not elect to substitute or exchange Equipment or Improvements for Items or Units constituting the 2024 Capital Program designated in Exhibit G to this Loan Agreement for which the County has furnished to the Trustee a Completion Certificate.

(C) To the extent excess proceeds of the Series 2024A Bonds remain in the 2024A Account in the Acquisition Fund as set forth in the Bond Resolution after all of the Items of Equipment and Improvements set forth in Exhibit G hereto to be financed with a portion of the proceeds of the Series 2024A Bonds have been acquired or completed, the County may apply such excess proceeds of the Series 2024A Bonds to the purchase of additional Items but such application may only occur if the Trustee shall have received (i) a Certificate of an Authorized County Representative expressing the County's intent to add Items pursuant to this Loan Agreement and to the effect that the aggregate value of all Items for which a Completion Certificate has been delivered (exclusive of these additional contemplated Items) when added to the value of the new Items, will be equal to at least 100% of the amount of Series 2024A Bond proceeds initially deposited in the 2024A Account in the Acquisition Fund established for the Series 2024A Bonds, (ii) an opinion of Counsel that is satisfactory to the Authority to the effect that each such additional Item and this Loan Agreement as supplemented thereby is in compliance with all applicable laws and that the financing of such new Items falls within the corporate powers of the Authority, and (iii) an opinion of Bond Counsel to the effect that each such additional Item will not adversely affect the exclusion of interest on any Series of Tax-Exempt Obligations from the gross income of the Owners thereof for federal income taxation purposes.

SECTION 4.13. Refunding Representations. The County hereby represents as follows:

- (i) Neither the Series 2014 Refunded Bonds nor the Series 2015 Refunded Bonds have been refunded since their respective original dates of issuance.
- (ii) Pursuant to the provisions of Section 5.06 of the Series 2014 Loan Agreement, the County has notified the Trustee and the Authority, in writing in accordance with the

-29-

provisions of Section 402 and 405 of the Bond Resolution (as defined in the Series 2014 Loan Agreement) adopted in connection with the issuance of the Series 2014 Bonds, that it intends to prepay, in part, the unpaid balance of the Loan (as defined in the Series 2014 Loan Agreement) on the date of issuance of the Series 2024B Bonds which aggregate amount shall be applied to the redemption of the Series 2014 Refunded Bonds on the Series 2014 Refunded Bonds Redemption Date;

- (iii) Pursuant to the provisions of Section 5.06 of the Series 2015 Loan Agreement, the County has notified the Trustee and the Authority, in writing in accordance with the provisions of Section 402 and 405 of the Bond Resolution (as defined in the Series 2015 Loan Agreement) adopted in connection with the issuance of the Series 2015 Bonds, that it intends to prepay, in part, the unpaid balance of the Loan (as defined in the Series 2015 Loan Agreement) on the date of issuance of the Series 2021B Bonds which aggregate amount shall be applied to the redemption of the Series 2015 Refunded Bonds on the Series 2015 Refunded Bonds Redemption Date;
- (iv) The amount of "excess gross proceeds," as such term is defined in Regulation Section 1.148-10(c)(2), of the Series 2024B Bonds allocable to either the Series 2014 Refunding Program or the Series 2015 Refunding Program will not exceed one percent (1%) of the proceeds received from the sale thereof;
- (v) None of the proceeds of the Series 2014 Refunded Bonds or the Series 2015 Refunded Bonds were used to refund other obligations unless such refunding was a current refunding or the first advance refunding of tax-exempt bonds issued prior to the effective date of Section 149(d) of the Code enacted as a part of the Tax Reform Act of 1986; and
- (vi) It will not employ a device in connection with the issuance of the Series 2024B Bonds which will enable the County to obtain a material financial advantage (based on arbitrage) apart from the savings that may be realized as a result of the lower interest rates on the Series 2024B Bonds than on either the Series 2014 Refunded Bonds or the Series 2015 Refunded bonds.

SECTION 4.14. The Series 2014 Refunding Project. (a) The County acknowledges that the 2014 Project (as such term is defined in the Series 2014 Loan Agreement)

-30-

has been completed and the County has filed the Completion Certificates with the Authority and the Trustee, as trustee for the Series 2014 Bonds, in accordance with the requirements of the Series 2014 Loan Agreement.

(b) The 2014 Project has been acquired, constructed and equipped in accordance with all statutory and regulatory requirements.

(c) The County acknowledges that the Authority makes no warranties or representations and accepts no liabilities or responsibilities with respect to or for the adequacy, sufficiency or suitability of or defects in the capital assets financed with the proceeds of the Series 2014 Bonds. In no event shall the Authority be liable for any damages, incidental, direct, indirect, consequential or otherwise in connection with or arising out of the undertaking of the 2014 Project, the Series 2014 Loan Agreement, or this Loan Agreement.

SECTION 4.15. The Series 2015 Refunding Project. (B) **Additional Payments.** In addition to the Loan Payments required by paragraph (A) of this Section 5.02, the County agrees to pay the following additional amounts to the Trustee:

(i) The County shall pay to the Trustee, as the same shall become due and payable at any time during the Loan Term, on any Loan Payment Date or thirty (30) days after written demand by the Trustee, such sums as represent Additional Loan Payments including, but not limited to, Authority Administrative Expenses, the Project Management Fee (solely with respect to the 2024 Capital Program), and any other amounts due hereunder, as shall have been submitted by the Authority, in writing, to the Trustee, with a copy to the County.

SECTION 5.03. Application/Assignment of Payments. (A) The Loan Payments provided for in paragraph (A) of Section 5.02 hereof and any Additional Loan Payments provided for in clauses (i) and (ii) of paragraph (B) of Section 5.02 hereof shall be paid to and assigned to the Trustee for the account of the Authority and applied as provided in this Loan Agreement and the Bond Resolution.

(B) The interest, if any, due thereon pursuant to clause (iii) of paragraph (B) of Section 5.02 hereof shall be paid directly to the Authority.

SECTION 5.04. [Reserved].

SECTION 5.05. County Loan Payment Obligations Unconditional. The obligations of the County to make payments required under Section 5.02 hereof and all other payments required under this Loan Agreement, as well as to perform its other obligations under this Loan Agreement, shall be absolute and unconditional without counterclaim, recoupment, defense or set-off by reason of any default by any party under any contract for the 2024 Project or by the Authority under this Loan Agreement or under any other agreement, if any, between the County and the Authority. Except as may be expressly provided herein or in the Bond Resolution, such payments shall not be decreased, abated, postponed or delayed for any reason whatsoever including, without limiting the generality of the foregoing, failure to commence or complete the 2024 Project, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2024 Capital Program, the taking of any part of the 2024 Capital Program, frustration of purpose, failure of the Authority to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement, it being the intention of the parties that the payments required of the County hereunder will be paid in full when due without any delay or diminution whatsoever. Notwithstanding the above, any payment made under protest by the County to the Authority shall be made without prejudice to the right of the County to proceed against the Authority, or the defaulting party, as a result of the foregoing.

Notwithstanding anything in this Loan Agreement to the contrary, the cost and expense of the performance by the County of its obligations under this Loan Agreement and the incurrence of any liabilities of the County under this Loan Agreement including, without

limitation, the obligation for the payment of all Loan Payments and all other amounts required to be paid by the County under this Loan Agreement is a direct and general obligation for which the full faith and credit of the County is hereby pledged, which obligation is not subject to County appropriation and, unless the Loan Payments and such other amounts required to be paid by the County under this Loan Agreement are paid from other sources, the County shall be obligated to levy *ad valorem* taxes on all taxable property within the jurisdiction of the County without limitation as to rate or amount.

SECTION 5.06. Prepayments. To the extent any Series of the Series 2024 Bonds are subject to optional redemption under the Bond Resolution, the County shall have the option to prepay in full or in part the unpaid balance of the Loan with respect to such Series of the Series 2024 Bonds, together with the Redemption Price, if any, on such Series of the Series 2024 Bonds, which notice shall comply in all respects with the provisions of Sections 402 and 405 of the Bond Resolution. The County shall pay to the Trustee the amount of the Prepayment on a date at least thirty (30) days prior to the redemption date identified in the notice referred to herein for deposit by the Trustee in the applicable Account of the Debt Retirement Fund established for such Series of the Series 2024 Bonds to be applied to the redemption of such Series of the Series 2024 Bonds in accordance with Section 509 of the Bond Resolution.

In addition, pursuant to Section 205 of the Bond Resolution, the Authority shall have the right to effectuate a refunding of any Series of the Series 2024 Bonds through the issuance of Refunding Bonds, and the County shall consent, in a writing addressed to the Authority, to the issuance of such Refunding Bonds prior thereto.

SECTION 5.07. Payment on Termination of Loan Agreement. The Authority agrees that, upon termination of this Loan Agreement, after first deducting any moneys due to the Authority for the Authority Administrative Expenses incurred or accruing including, but not limited to, the Annual Authority Administrative Fee, or due to the Fiduciaries for fees and expenses of the same, and so long as no Series of Bonds remain Outstanding and payment therefor has been provided for in full, the Authority shall direct the payment to the County of all moneys or securities held by the Trustee for the account of the Authority pursuant to the Bond Resolution and this Loan Agreement. If such expenses are not fully met from such payment by the Trustee to the Authority, the County shall immediately reimburse the Authority therefor.

SECTION 5.08. Indemnification of Authority. Both during the Loan Term and thereafter, to the extent permitted by law, the County shall indemnify and hold the Authority harmless against, and the County shall pay, any and all liability, loss, cost, damage, claim, judgment or expense, of any and all kinds or nature and however arising, (i) other than as a result of the gross negligence or willful misconduct of the Authority, its members, professionals, officers, agents, servants or employees, which the Authority may sustain, be subject to or be caused to incur by reason of any claim, suit or action based upon personal injury, death or damage to property, whether real, personal or mixed, or upon or arising out of contracts entered into by the County relating to the 2024 Project, or arising out of the use, operation or maintenance of the 2024 Project pursuant to this Loan Agreement; or (ii) other than as a result of the gross negligence or willful misconduct of the Authority, its members, professionals, officers,

agents, servants or employees, arising out of or caused by any untrue or misleading statement of a material fact relating to the County in Appendix A of the Official Statement or any omission of any material fact relating to the County in Appendix A in the Official Statement. It is mutually agreed by the County and the Authority that neither the Authority nor its members, professionals, officers, agents, servants or employees shall be liable in any event for any action performed or omitted to be performed under this Loan Agreement and that the County shall save the Authority harmless from any claim or suit of whatsoever nature arising hereunder and under any of the other Loan Documents except for such claims or suits arising as a result of the Authority's gross negligence or willful misconduct. This provision shall survive the end of the Loan Term and the final maturity of all Bonds issued and Outstanding pursuant to the Bond Resolution and any Supplemental Resolutions.

The County, at its own cost and expense, shall defend any and all such claims, suits and actions which may be brought or asserted against the Authority, its members, professionals, officers, agents, servants or employees relating to the performance of its obligations hereunder; but this provision shall not be deemed to relieve any insurance company which has issued a policy of insurance as may be provided for in this Loan Agreement from its obligation to defend the County, the Authority, the Trustee and any other insured named in such policy or policies of insurance in connection with claims, suits or actions covered by such policy or policies. The County agrees that it shall give the Authority and the Trustee prompt notice, in writing, of the County's actual and/or constructive knowledge of the filing of each such claim and the institution of each such suit or action.

The Authority agrees that it:

(i) shall give the County prompt notice, in writing, of the Authority's actual and/or constructive knowledge of the filing of each such claim and the institution of each such suit or action;

(ii) shall not, without the prior written consent of the County, adjust, settle or compromise any such claim, suit or action; and

(iii) shall permit the County to assume full control of the adjustment, settlement, compromise or defense of each such claim, suit or action. Notwithstanding the foregoing, the County shall keep the Authority informed as to the progress of any suit, claim or action, and the County shall not reach a final settlement, adjustment or compromise without the Authority's prior approval, which approval shall not be unreasonably withheld.

Any cost for attorneys' fees in situations where it is necessary for the Authority to engage its own attorneys, experts' testimony costs and all costs to defend the Authority or any of its members, professionals, officers, agents, servants or employees with respect to matters arising hereunder shall be paid to the Authority by the County and shall constitute an Additional Loan Payment pursuant to Section 5.02(B)(i) hereof.

SECTION 5.09. Nature of Obligations of the Authority. The cost and expense of the performance by the Authority of any of its obligations under this Loan Agreement shall be limited to the availability of the proceeds of the Series 2024 Bonds of the Authority issued for

such purposes or from other funds received by the Authority under this Loan Agreement and available for such purposes.

SECTION 5.10. Financial Reports. The County covenants to provide annually to the Authority and the Trustee within sixty (60) days after the same become available: (i) current financial statements; (ii) the adopted budget for the ensuing Fiscal Year; and (iii) such other financial information relating to the ability of the County to continue to meet its obligations under this Loan Agreement as may be reasonably requested by the Authority and/or the Trustee.

Any performance bond, letter of credit or other form of financial guaranty provided pursuant to this Section 5.11 shall be made payable to the County, the Authority and the Trustee, as their respective interests may appear. Proceeds representing damages or other moneys from any performance bond or surety provided pursuant to this Section 5.11 and due and owing to the County shall be paid to the Trustee for deposit in the 2024A Account in the Acquisition Fund (in accordance with written instructions from the Authority as directed in writing by the County) to complete the 2024 Capital Program. Any such moneys not necessary to complete the 2024 Capital Program or not so applied, as stated in a certificate executed by an Authorized County Representative delivered to the Trustee, shall be transferred by the Trustee to the 2024A Account in the Proceeds Fund and applied as a credit toward the County's Loan Payment obligations with respect to the Series 2024A Bonds on the next succeeding Series 2024A Bonds Loan Payment Date, in accordance with Section 507(2) and (3) of the Bond Resolution.

SECTION 5.12. Net Loan Agreement. This Loan Agreement shall be deemed and construed to be a "net loan agreement," and the County shall pay absolutely net during the Loan Term the Loan Payments and all other payments required under this Loan Agreement, free of all deductions, without abatement, diminution and set-off, except as otherwise specifically provided for hereunder.

SECTION 5.13. County Budget Notice; Loan Payments. The County shall cause the officials of the County responsible for preparing and presenting to the Board of County Commissioners the budget request for each Fiscal Year to include in each such budget request the Loan Payments scheduled to become due in such Fiscal Year. The County shall give the Authority and the Trustee immediate written notice (but in no event later than one (1) Business Day thereafter) of (i) the first reading of any budget ordinance that does not include sufficient amounts to pay the Loan Payments due in such Fiscal Year; or (ii) the occurrence of any other event which reasonably indicates that sufficient amounts for Loan Payments may not be included in a County budget.

By execution hereof, the County expressly acknowledges the Authority's right to bring an action for immediate *ex parte* injunctive relief or other judicial proceeding to compel the County to provide payments pursuant to the Guaranty.

SECTION 5.14. Secondary Market Disclosure. The County covenants that, as an Obligated Person pursuant to Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as it may be amended and supplemented from time to time, including administrative or judicial interpretations thereof (collectively, the "Rule"), it will execute and deliver a Continuing Disclosure Agreement to be entered into with the Trustee, acting as dissemination agent ("Continuing Disclosure Agreement"). The Continuing Disclosure Agreement will set forth the obligations of the County to file budgetary, financial and operating data on an annual basis and notices of the occurrence of certain enumerated events.

The County hereby irrevocably assigns to the Authority, all right, title and interest of the County in and to the net Proceeds of any award, compensation or taking during the Loan Term. Such award shall be initially paid to the Authority for disbursement as hereinafter provided.

So long as no Event of Default has occurred and is continuing hereunder, the County shall use the net Proceeds of the award made in connection with such condemnation or taking for replacement of any Items comprising the 2024 Capital Program and the capital assets originally financed with the proceeds of the Series 2014 Refunded Bonds or the Series 2015 Refunded Bonds (or such portion thereof) and the County shall proceed forthwith to replace any Items comprising the 2024 Capital Program and the capital assets originally financed with the proceeds of the Series 2014 Refunded Bonds or the Series 2015 Refunded Bonds (or such portion thereof) necessary to complete the 2024 Capital Program or, in the event the 2024 Capital Program is completed in accordance with the provisions of Section 405 and 409 hereof or in the case of the capital assets originally financed with the proceeds of the Series 2014 Refunded Bonds or the Series 2015 Refunded Bonds, the net Proceeds shall be transferred by the County to the Trustee for deposit in the respective 2024 Account in the Proceeds Fund for the applicable Series of the Series 2024 Bonds and shall be applied by the Trustee as a credit toward the amount of Loan Payments owed by the County on each Loan Payment Date for the payment of Debt Service on the respective Series of the Series 2024 Bonds by the transfer of such net Proceeds to the respective 2024 Account in the Debt Service Fund for the applicable Series of the Series 2024 Bonds as set forth in a certificate of an Authorized County Representative filed with the Trustee at the time of the deposit of the net Proceeds into the respective 2024 Account in the Proceeds Fund for the applicable Series of the Series 2024 Bonds. - (e) The entering of an order or decree appointing a receiver with the consent or acquiescence of the County or the entering of such order or decree without the acquiescence or consent of the County if it shall not be vacated, discharged or stayed within sixty (60) days after its entry; or

SECTION 8.02. Acceleration and Annulment Thereof; Opportunity to Cure Default.

**RE: \$7,660,000 THE CAMDEN COUNTY IMPROVEMENT AUTHORITY
COUNTY GUARANTEED LOAN REVENUE BONDS (COUNTY CAPITAL
PROGRAM), SERIES A OF 2024**

**\$31,270,000 THE CAMDEN COUNTY IMPROVEMENT AUTHORITY
COUNTY GUARANTEED LOAN REVENUE REFUNDING BONDS,
SERIES B OF 2024**

Ladies and Gentlemen:

We have served as Bond Counsel in connection with the issuance and sale by The Camden County Improvement Authority ("Authority") of: (i) \$7,660,000 aggregate principal amount of its County Guaranteed Loan Revenue Bonds (County Capital Program), Series A of 2024 ("Series 2024A Bonds"); and (ii) \$31,270,000 aggregate principal amount of its County Guaranteed Loan Revenue Refunding Bonds, Series B of 2024 ("Series 2024B Bonds"; together with the Series 2024A Bonds, the "Series 2024 Bonds").

The 2024 Bonds are issued pursuant to: (i) the County Improvement Authorities Law, constituting Chapter 183 of the Pamphlet Laws of 1960 of the State of New Jersey ("State") (*N.J.S.A. 40:37A-44 et seq.*), and the acts amendatory thereof and supplemental thereto ("Act"); (ii) a resolution of the Authority, duly adopted on October 10, 2024, entitled "Resolution of The Camden County Improvement Authority Authorizing the Issuance of County Guaranteed Loan Revenue Bonds and County Guaranteed Loan Revenue Refunding Bonds" ("Bond Resolution"); and (iii) a Certificate of Determination and Award ("Award Certificate"), duly executed by the Chairman of the Authority on November 19, 2024 in accordance with the terms of a resolution of the Authority adopted on October 10, 2024 ("Delegation Resolution"; together with the Bond Resolution and the Award Certificate, the "Resolution"), authorizing the execution of the Award Certificate and a bond purchase contract. Capitalized terms, not otherwise defined herein, shall have the meanings ascribed thereto in the Bond Resolution, unless the context clearly requires otherwise.

The proceeds of the Series 2024A Bonds will be used to: (i) finance the Costs (as defined in the Loan Agreement (as herein defined)) of a capital improvement program consisting of the acquisition and installation of certain items of capital equipment and the construction and equipping of certain capital infrastructure improvements by the County of Camden, New Jersey ("County"), as set forth in the County's 2022 Capital Budget, including all necessary materials,

COUNSEL WHEN IT MATTERS.SM

improvements, appurtenances, and site work related thereto, all as more particularly described in Exhibit G to the Loan Agreement (collectively, the "2024 Capital Program"); and (ii) pay the costs of issuance with respect to the sale and delivery of the Series 2024A Bonds.

The proceeds of the Series 2024B Bonds will be used to: (i) currently refund all or a portion of the Authority's County Guaranteed Loan Revenue Bonds (County Capital Program), Series 2014, and County Guaranteed Loan Revenue Bonds (County Capital Program), Series A of 2015 (collectively, the "Refunded Bonds") (the current refunding of the Refunded Bonds is hereafter "referred to as the "2024 Refunding Project" and together with the 2024 Capital Program, the "2024 Project"); and (b) pay the costs of issuing the Series 2024B Bonds.

The Authority and the County have entered into a Loan and Security Agreement, dated as of December 1, 2024 ("Loan Agreement"), pursuant to which the Authority will lend to the County the proceeds of the Series 2024 Bonds for the purpose of paying the Costs of the 2024 Project and paying costs of issuing the Series 2024 Bonds, and the County will pay the Authority on each Loan Payment Date an amount equal to the principal of, redemption premium, if any, and interest on the Series 2024 Bonds and, as applicable, Additional Loan Payments as and when the same become due and payable upon demand pursuant to the terms of the Loan Agreement (collectively, the "Loan Payments").

The Series 2024 Bonds are direct, limited and special obligations of the Authority payable solely from the Revenues and secured by a lien on the Pledged Property of the Authority. The Revenues include, among other things, the Loan Payments to be made by the County under the Loan Agreement. The Loan Payments under the Loan Agreement are a valid and enforceable full faith and credit general obligation of the County and, unless paid from other sources, is payable from the levy of *ad valorem* taxes upon all taxable real property within the jurisdiction of the County without limitation as to rate or amount. The Series 2024 Bonds are also secured by the provisions of a guaranty resolution, duly and finally adopted by the Board of County Commissioners ("Board") of the County on October 17, 2024, pursuant to which the County has unconditionally and irrevocably guaranteed the payment, when due, of the principal of and interest on the Series 2024 Bonds ("County Guaranty"). The County, upon endorsement of each Series of the Series 2024 Bonds, will be unconditionally and irrevocably obligated to levy *ad valorem* taxes upon all taxable real property within the jurisdiction of the County without limitation as to rate or amount when required under the provisions of applicable law and the County Guaranty for the payment, when due, of the principal of and interest on the Series 2024 Bonds.

As Bond Counsel to the Authority, we have examined the Bond Resolution, Delegation Resolution, Award Certificate and such statutes of the State and such resolutions of the Authority and proceedings relating thereto as we have deemed necessary to enable us to render the opinions set forth below. We have also examined and relied upon the proceedings authorizing the issuance of the Series 2024 Bonds and the execution and delivery of the Loan Agreement, and certain certifications and agreements (including a Certificate as to Nonarbitrage and Other Tax Matters ("Nonarbitrage Certificate") executed by the Authority and the County with respect to the Series 2024 Bonds) intended to satisfy certain provisions of the Internal Revenue Code of 1986, as amended ("Code"), and applicable Treasury Regulations, rulings and court decisions, receipts and other documents which we have considered relevant. We have assumed that all documents, records and other instruments examined by us are genuine, accurate and complete and we have not undertaken to verify the factual matters set forth in any certificates or other documents by independent investigation.

Based upon and subject to the foregoing, we are of the following opinion:

1. The Authority has been duly created and is validly existing under the provisions of the Constitution and the laws of the State, including the Act.

2. The Resolution has been duly adopted by the Authority and constitutes a valid and binding obligation of the Authority, enforceable in accordance with its terms except to the extent that enforcement thereof may be limited by applicable bankruptcy, insolvency, moratorium or other laws or other legal or equitable principles affecting the enforcement of creditors' rights generally ("Creditors' Rights Limitations").

3. The Loan Agreement has been duly authorized, executed and delivered by the Authority and, assuming that such agreement has been duly authorized, executed and delivered by the County and constitutes a legal, valid and binding obligation of the County, is a legal, valid and binding obligation of the Authority, enforceable against the Authority in accordance with the terms thereof, except to the extent that enforcement thereof may be limited by Creditors' Rights Limitations.

4. The Series 2024 Bonds have been duly authorized, executed, authenticated, issued and delivered and constitute a valid and binding obligation of the Authority, enforceable in accordance with the terms thereof, except to the extent that enforcement thereof may be limited by Creditors' Rights Limitations.

5. Interest on the Series 2024 Bonds is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Code and is not a specific item of tax preference under Section 57 of the Code for purposes of calculating the alternative minimum tax imposed on individuals pursuant to Section 55 of the Code; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations.

The adjustment for "adjusted current earnings" set forth in Section 56(g) of the Code is required in determining a corporation's alternative minimum taxable income. Alternative minimum taxable income is increased by seventy-five percent (75%) of the excess, if any, of (i) the "adjusted current earnings" of a corporation over (ii) the alternative minimum taxable income (determined without regard to this adjustment or the alternative tax net operating loss deduction).

Interest on tax-exempt obligations, including the Series 2024 Bonds, is not excludable in computing a corporation's "adjusted current earnings." Accordingly, a portion of any interest on the Series 2024 Bonds received or accrued by a corporation that owns the Series 2024 Bonds is included in computing such corporation's alternative minimum taxable income for such year.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Series 2024 Bonds received or accrued by a foreign corporation subject to the branch profits tax is included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Series 2024 Bonds, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year, if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering this opinion, we have assumed continuing compliance by: (i) the Authority with the covenants contained in the Resolution, the Loan Agreement and the Nonarbitrage Certificate; and (ii) the County with the covenants contained in the Loan Agreement and the Nonarbitrage Certificate, that each will comply with the applicable requirements of the Code, including requirements relating to, *inter alia*, the use and investment of proceeds of the Series 2024 Bonds and rebate to the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Authority or the County to comply with its respective covenants could result in the interest on the Series 2024 Bonds being subject to federal income tax retroactive to the date of issue. We have not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date hereof that may affect the tax-exempt status of the interest on the Series 2024 Bonds.

Ownership of the Series 2024 Bonds may result in collateral federal income tax consequences to certain taxpayers including, without limitation, financial institutions, holders of an interest in a financial asset securitization investment trust, property and casualty insurance companies, controlled foreign corporations, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit, and individuals and families that qualify for a premium assistance credit amount under Section 36B of the Code.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Series 2024 Bonds are *not* "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Owners of the Series 2024 Bonds should consult their own tax advisors as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

6. Interest on the Series 2024 Bonds and any gain from the sale thereof is not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as presently enacted and construed on the date hereof.

We call your attention to the fact that the Series 2024 Bonds are direct, limited and special obligations of the Authority payable solely from the Revenues which include, among other things, the Loan Payments to be made by the County under the Loan Agreement. The Series 2024 Bonds do not constitute a debt or obligation of the State or any political subdivision thereof (except the Authority, to the extent of the Pledged Property, and the County, to the extent of the Loan Payments due under the Loan Agreement and the County Guaranty), and neither the credit nor the

taxing power of the State or any political subdivision thereof (except the Authority, to the extent of the Pledged Property, and the County, to the extent of the Loan Payments due under the Loan Agreement and the County Guaranty) is pledged for the payment of the principal of, redemption premium, if any, or interest on the Series 2024 Bonds. The Authority has no taxing power.

We note that the Authority has received opinions of County Counsel and McCarter & English, LLP, Newark, New Jersey, Bond Counsel to the County, as to the legal, valid and binding nature of the County Guaranty and the Loan Agreement as direct and general obligations of the County payable, unless paid from some other source, from the levy of *ad valorem* taxes upon all taxable real property within the jurisdiction of the County, without limitation as to rate or amount.

We express no opinion as to any matter not set forth in the numbered paragraphs above including, without limitation, any financial or other information which has been or may be supplied to purchasers of the Series 2024 Bonds.

The opinions expressed in the numbered paragraphs above are being rendered on the basis of federal law and the laws of the State, as presently enacted and construed, and we assume no responsibility to advise any party as to any changes in law or fact subsequent to the date hereof that may affect the opinions expressed above.

This is only an opinion letter and not a warranty or guaranty of the matters discussed above.

This letter is being provided solely for the benefit of the Authority and may not be relied upon by any other person, party, firm or organization without our prior written consent.

Very truly yours,
