No proposals will be accepted after 11:00 A.M. (Eastern Time) on the date specified. The proposal must be accompanied by a cover sheet stating clearly "PROPOSAL FOR NOTES", and the proposal must be on the Official Form of Proposal attached hereto, and signed by the bidder. The Township and the Municipal Advisor will not assume any liability with respect to defective email transmissions. Should you wish to confirm receipt of a proposal by the Township, please call the Municipal Advisor at 856-234-2266, attention Joe Calogero. A determination as to the award will be made no later than 5:00 P.M. (Eastern Time) on the Sale Date.

Each proposal submitted must offer to purchase all of the Notes being offered at a price not less than par and specify a single rate of interest. Interest shall be calculated on the basis of twelve (12) thirty (30) day months in a 360-day year. The Notes will be sold to the entity who, after having complied with the terms of this Notice of Sale, offers the lowest net interest cost for the Notes. The net interest cost shall be computed in each instance by adding to the total amount of Notes bid for, the total interest cost to maturity, and deducting therefrom the premium, if any. If two (2) or more bidders specify the same lowest net interest cost, then to one of such bidders selected by the undersigned by lot. The purchaser must pay an amount equal to the interest on the Notes accrued to the date of delivery. The Township reserves the right to waive irregularities in any proposal and to reject all proposals.

Proposals must be submitted electronically via PARITY or by email in accordance with this Notice of Sale, until 11:00 A.M. (Eastern Time) on the Sale Date set forth above, but no proposal will be accepted after the time for receiving proposals specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice of Sale, the terms of this Notice of Sale shall control. For further information about PARITY, including any fee charged, potential proposers may contact i-Deal LLC at 1359 Broadway, 2<sup>nd</sup> Floor, New York, New York 10018, Telephone: (212) 849-5021. The Township may, but is not obligated to, acknowledge its acceptance, in writing, of any proposal submitted electronically via PARITY. In the event that a proposal for the Notes is submitted via PARITY, the proposer further agrees that:

1. The Township may regard the electronic transmission of the proposal through PARITY (including information about the principal amount of the Notes, the premium bid for the Notes and any other information included in such transmission) as though the same was executed by a duly authorized signatory of the proposer, accordingly for the proposal which is

accepted by the Township, the terms of this Notice of Sale and the information that is electronically transmitted through PARITY shall form a contract, and the successful proposer shall be bound by the terms of such contract.

2. PARITY is not an agent of the Township, and the Township shall have no liability whatsoever based on any proposer's use of PARITY, including, but not limited to, any failure by PARITY to correctly or timely transmit information provided by the Township or information provided by the proposer.
3. The Township may choose to discontinue use of electronic proposals via PARITY by issuing a notification to such effect via TM3 News Services, or by other available means, no later than 3:00 P.M. (Eastern Time) on the last business date prior to the Sale Date set forth above.
4. Once the proposals are communicated electronically via PARITY to the Township as described above, each proposal will constitute an official "Proposal for Notes" and shall be deemed to be an irrevocable offer to purchase the Notes on the terms provided in this Notice of Sale. For purposes of submitting electronic proposals, the time as maintained on PARITY shall constitute the official time.
5. Each proposer shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its proposal in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the Township nor i-Deal shall have any duty or obligation to provide or assure access to any proposer, and neither the Township nor i-Deal shall be responsible for the proper operation of, or have any liability for any delays or interruptions of, or any damages caused by PARITY. The Township is using PARITY as a communication mechanism, and not as the Township's agent, to conduct the electronic bidding for the Notes. By using PARITY, each proposer agrees to hold the Township harmless for any harm or damages caused to such proposer in connection with its use of PARITY for bidding on the Notes.

The Township may, in its sole discretion and prior to the opening of proposals, clarify any term hereof, including, without limitation, its decision to discontinue use of electronic bidding via PARITY, by issuing a notification of the clarification via TM3 News Services, or any other available means, no later than 9:00 A.M. (Eastern Time) on the date upon which the Township will receive proposals.

Acacia Financial Group, Inc. as Municipal Advisor will timely apply for CUSIP identification numbers. It is the responsibility of the purchaser to obtain the CUSIP identification numbers, if any, and the CUSIP Service Bureau charge shall be the responsibility of and shall be paid for by the purchaser. The Borough will assume no obligation for the assignment or printing of such numbers on the Notes or for the correctness of such numbers, and neither the failure to print such numbers on any Note nor any error with respect thereto shall constitute cause for a

failure or refusal by the successful firm thereof to accept delivery of and make payment for the Notes.

### **POSTPONEMENT**

The Township reserves the right to postpone, from time to time, the date and time established for receipt of proposals. **ANY SUCH POSTPONEMENT WILL BE ANNOUNCED BY TM3, OR ANY OTHER AVAILABLE MEANS, NOT LATER THAN 9:00 A.M. (EASTERN TIME) ON THE SALE DATE SET FORTH ABOVE UPON WHICH THE TOWNSHIP WILL RECEIVE PROPOSALS.** Any such alternative sale date and the time at which proposals are due will be announced via TM3, or any other available means, at least forty-eight (48) hours before proposals are due. On any such alternative sale date, proposers shall submit Proposals for the Notes in conformity in all respects with all of the provisions of this Notice of Sale, other than the date of submission and sale and any further or contrary provisions set forth in such announcement, which further or contrary provisions must be complied with by all proposers.

### **DELIVERY OF THE NOTES**

It is anticipated that the delivery of the Notes will occur on or about the Closing Date specified above.

### **CUSIPS**

It is anticipated that CUSIP identification numbers will be printed on the Notes, but neither the failure to print such numbers on any Note nor any error with respect thereto shall constitute cause for a failure or a refusal by the purchaser thereof to accept delivery of and to pay for the Notes in accordance with the terms hereof. In accordance with Municipal Securities Rulemaking Board Rule G-34, as amended, Acacia Financial Group, Inc., municipal advisor to the Township, will request CUSIP identification numbers and will advise CUSIP Global Services of the details related to the sale of the Notes, including the identity of the winning purchaser of the Notes. All expenses in relation to the printing of CUSIP numbers on the Notes shall be paid for by the Township; provided, however, that the CUSIP Service Bureau charge for the assignment of the numbers shall be the responsibility of and shall be paid for by the purchaser.

### **ADDITIONAL CLOSING CERTIFICATES**

Additionally, the purchaser shall assist the Township in establishing the issue price and yield of the Notes and shall execute and deliver to the Township at closing an "issue price" and "yield" or similar certificate setting forth the reasonably expected initial offering price to the public or the sales price or prices of the Notes and yield, together with the supporting pricing wires or equivalent communications ("Issue Price Certificate"). The Issue Price Certificate shall be executed in the form attached hereto as Exhibit "C".

The Township intends that the provisions of Treasury Regulation Section 1.148-1(f)(3)(i) ("Regulation") defining "competitive sale" for purposes of establishing the issue price of the Notes will apply to the initial sale of the Notes ("Competitive Sale Requirements"). Capitalized

terms, not otherwise defined in this section, shall have the meanings ascribed thereto in the Regulation. If the successful firm is a bank, local government unit or other entity purchasing for its own account, the provisions of the Competitive Sale Requirements do not apply.

In the event the Competitive Sale Requirements are not satisfied, the Township shall so advise the successful firm. The Township shall treat the first price at which 10% of the Notes ("10% Test") is sold to the public as the issue price of the Notes. The successful firm shall advise the Township if the Notes satisfy the 10% Test as of the date and time of the award of the Notes. The Township will permit, but will not require, firms to comply with the "hold-the-offering-price rule". Proposals will not be subject to cancellation in the event that the Competitive Sale Requirements are not satisfied. Firms should prepare their proposals on the assumption that the Notes will be subject to the 10% Test or the "hold-the offering-price-rule" in order to establish the issue price of the Notes.

If the Competitive Sale Requirements are not satisfied and the successful firm is not relying on the "hold-the-offering-price rule", then until the 10% Test has been satisfied as to the Notes, the successful firm agrees to promptly report to the Township the prices at which the unsold Notes have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% Test has been satisfied as to the Notes. If the 10% Test is not met by the closing date, a supplemental issue price certificate must be provided.

By submitting a proposal, each firm confirms that: (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the firm is a party) relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful firm that either the 10% Test has been satisfied as to the Notes, if and for so long as directed by the successful firm and as set forth in the related pricing wires; and (ii) any agreement among underwriters relating to the initial sale of the Notes to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Notes to the public to require each broker-dealer that is a party to such retail distribution agreement to report the prices at which it sells to the public the unsold Notes allotted to it until it is notified by the successful firm or such underwriter that either the 10% Test has been satisfied as to the Notes, if and for so long as directed by the successful firm or such underwriter and as set forth in the related pricing wires.

The purchaser is advised of its responsibility to file an annual disclosure statement on political contributions with the New Jersey Election Law Enforcement Commission ("ELEC") pursuant to *N.J.S.A. 19:44A-20.13* (P.L. 2005, c.271, s.3) if the purchaser enters into agreements or contracts, such as its agreement to purchase the Notes, with a public entity, such as the Township and receives compensation or fees in excess of \$50,000 in the aggregate from public entities, such as the Township, in a calendar year. It is the purchaser's responsibility to determine if filing is necessary. Failure to do so can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at (609) 292-8700 or at [www.elec.state.nj.us](http://www.elec.state.nj.us).

Award of the Notes is expected to be made promptly after the opening of the proposals.

Mayor and Township Committee  
of the Township of Pennsauken  
5605 North Crescent Boulevard  
Pennsauken, New Jersey

**RE:    \$18,718,500 TOWNSHIP OF PENNSAUKEN, COUNTY OF CAMDEN, NEW  
JERSEY, BOND ANTICIPATION NOTES OF 2025, SERIES A**

Mayor and Township Committee Members:

We have served as Bond Counsel to the Township of Pennsauken, County of Camden, New Jersey ("Township"), in connection with the authorization, issuance, sale and delivery of the above-referenced obligations ("Notes"). The Notes consist of: (i) \$14,985,000 General Capital Improvement Notes; and (ii) \$3,733,500 Golf Course Utility Notes.

The Notes are issued pursuant to and in accordance with: (i) the Local Bond Law, constituting Chapter 169 of the Laws of 1960 of the State of New Jersey, as amended and supplemented ("Local Bond Law"); (ii) bond ordinances 2022-08, 2023-05, 2023-11, 2023-17, 2023-30, 2024-08, 2024-09, and 2024-11, each duly and finally adopted by the Township Committee (collectively, the "Bond Ordinances"); and (iii) a Certificate of Determination and Award, executed by the Chief Financial Officer of the Township on May \_\_, 2025 ("Award Certificate").

The Notes are dated May 23, 2025 and mature on May 22, 2026. The Notes are issued in [bearer][registered book entry only] form without coupons and are not subject to redemption prior to maturity. The Notes are issued to temporarily finance the costs of certain improvements described in the Bond Ordinances.

As the basis for the opinion set forth below, we have examined such matters of law as we have deemed necessary including, *inter alia*, the Constitution of the State of New Jersey, the Internal Revenue Code of 1986, as amended ("Code"), and the Local Bond Law. We have also examined such documents, certifications and instruments as we have deemed necessary including, without limitation, the Bond Ordinances, the Award Certificate, the representations and covenants of the Township given pursuant to the Code as set forth in the Certificate as to Nonarbitrage and other Tax Matters ("Nonarbitrage Certificate"), and the other certifications, opinions and instruments listed in the closing agenda prepared in connection with the settlement for the Notes.

In rendering the following opinion, we have relied upon the authenticity, truthfulness and completeness of all documents, certifications, instruments and opinions examined including, without limiting the generality of the foregoing, the Nonarbitrage Certificate.

Based upon and subject to the foregoing, we are of the following opinion:

1. The Notes are legal, valid and binding obligations of the Township enforceable in accordance with the terms thereof, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency, moratorium or other laws or equitable principles affecting the enforcement of creditors' rights generally ("Creditors' Rights Limitations").

2. For the payment of principal of and interest on the Notes, the Township has the power and is obligated, to the extent payment is not otherwise provided, to levy *ad valorem* taxes upon all taxable real property within the Township without limitation as to rate or amount, except to the extent that enforcement thereof may be affected by Creditors' Rights Limitations.

3. Interest on the Notes is not included for federal income tax purposes in the gross income of the owners thereof pursuant to Section 103 of the Code and will not constitute a tax preference item for purposes of the alternative minimum tax imposed on individuals; however, such interest is taken into account in determining the annual adjusted financial statement income of certain corporations for the purpose of computing the alternative minimum tax imposed on such corporations.

Section 884 of the Code imposes on certain foreign corporations a branch profits tax equal to thirty percent (30%) of the "dividend equivalent amount" for the taxable year. Interest on the Notes received or accrued by a foreign corporation subject to the branch profits tax will be included in computing the "dividend equivalent amount" of such corporation.

In addition, passive investment income, including interest on the Notes, may be subject to federal income taxation under Section 1375 of the Code for any S corporation that has Subchapter C earnings and profits at the close of the taxable year if more than twenty-five percent (25%) of the gross receipts of such S corporation is passive investment income.

In rendering this opinion, we have assumed continuing compliance by the Township with the applicable requirements of the Code, including requirements relating to, *inter alia*, the use and investment of proceeds of the Notes and rebate to the United States Treasury of specified arbitrage earnings, if any, under Section 148(f) of the Code. Failure of the Township to comply with such covenants could result in the interest on the Notes being subject to federal income tax from the date of issue. We have not undertaken to monitor compliance with such covenants or to advise any party as to changes in the law after the date hereof that affect the tax-exempt status of the interest on the Notes.

Ownership of the Notes may result in collateral federal income tax consequences to certain taxpayers including, without limitation, certain holders of an interest in a financial asset securitization investment trust, property and casualty insurance companies, controlled foreign corporations, individual recipients of Social Security or Railroad Retirement benefits, individuals who otherwise qualify for the earned income credit, and to individuals and families that qualify for a premium assistance credit amount under Section 36B of the Code. The Code denies the earned income credit to an individual who is otherwise eligible if the

aggregate amount of disqualified income of the taxpayer for the taxable year exceeds certain limits set forth in Sections 32(i) and (j) of the Code. Interest on the Notes will constitute disqualified income for this purpose. The Code also provides that the earned income credit is phased out if the modified adjusted gross income of the taxpayer exceeds certain amounts. Interest on the Notes is included in determining the modified adjusted gross income of the taxpayer. Section 36B of the Code provides that the amount of the premium assistance credit amount is in part determined by household income. Section 36B(d) of the Code provides that household income consists of the "modified adjusted gross income" of the taxpayer and certain other individuals. "Modified adjusted gross income" means adjusted gross income increased by certain amounts, including interest received or accrued by the taxpayer which is exempt from tax, such as the interest on the Notes.

In addition, attention is called to the fact that Section 265(b)(1) of the Code eliminates the interest deduction otherwise allowable with respect to indebtedness deemed incurred by banks, thrift institutions and other financial institutions to purchase or to carry tax-exempt obligations acquired after August 7, 1986 other than "qualified tax-exempt obligations" as defined in Section 265(b)(3) of the Code. The Township has not designated the Notes as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

Owners of the Notes should consult their own tax advisers as to the applicability and effect on their federal income taxes of the alternative minimum tax, the branch profits tax and the tax on passive investment income of S corporations, as well as the applicability and effect of any other collateral federal income tax consequences.

4. Interest on the Notes and any gain from the sale thereof are not included in the gross income of the owners thereof under the New Jersey Gross Income Tax Act, as enacted and construed on the date hereof.

We express no opinion as to any matter not set forth in the numbered paragraphs above including, without limitation, any financial or other information which has been or may be supplied to purchasers of the Notes.

This is only an opinion letter and not a warranty or guaranty of the matters discussed above.

The opinions expressed in the numbered paragraphs above are being rendered on the basis of federal law and the laws of the State of New Jersey, as presently enacted and construed, and we assume no responsibility to advise any party as to any changes in law or fact subsequent to the date hereof.

This letter is being provided solely for the benefit of the Township and may not be relied upon by any other person, party, firm or organization without our prior written consent.

Very truly yours,
